CHICAGO GRAIN MARKET

CHICAGO, March 18—(AP)—Despite an unexpected decrease of the United States wheat visible supply total, and notwithstanding unfavorable crop advices from Kansas, wheat values today suffered a setback. Selling was based largely on the fact that prevailing weather conditions are good for wheat growth, and that the domestic winter crop outlook taken as a whole appears to be auspicious.

Official announcement of stocks of wheat in United States country mills and elevators was made after trading today had ended. The total of these stocks is about 3,500,000 bushels less than the latest private forecast.

Chicago closing quotations on wheat today were nervous, 3-8c to 1c a bushel net lower. Corn finished 1 1-8c to 1 5-8c off, oats 1-2c to 7-8c down, and provisions showing 7c to 22c drop.

Fine weather for promoting the welfare of the new 1929 domestic wheat crop put wheat prices on the downgrade today right at the outset. Furthermore, wheat quotations abroad displayed weakness owing to an increase of wheat stocks at Liverpool, and except for Kansas dispatches which were current, there was nothing in the advices at hand that suggested heavy crop losses in United States winter wheat territory regarded as a unit. Nevertheless, ready absorption of offerings of wheat future deliveries led to good rallies at times with the buying seeming to come chiefly from sources southwest and from Winnipeg.

Some Kansas reports today indicated that the present condition of the wheat crop there is only about 50 to 60 per cent of normal. In this connection, one Chicago expert telegraphed from Hutchinson, Kas., that on a trip through parts of Sedgwick, Sumner, Harper, Kingman and Reno counties he found wheat conditions very poor to fair, and that considerable wheat promises to be abandoned, especially in Sumner county. Much notice was also taken of a statement from a leading trade authority calling attention to prospects of farm relief legislation being enacted before May 1, and also to unusually large holdings of future delivery contracts on the part both of substantial domestic and foreign interests.

Corn was weak throughout the day, about the sole support being purchases for previous sellers. Weather conditions favored the crop movement. Besides, 50,000 bushels more corn was sold today at Kansas City to be transferred to Chicago. Weakness of corn values at Buenos Aires today acted also as a bear influence, and so too did slackness of export demand for corn from the United States. Excellent weather for field-work eased the oats market.

Provisions sagged as a result of warehouse selling of lard.

Lone Star Gas company plans to start early construction of a 135-mile natural gas pipe line from Petrolia, Tex., to Fort Worth and Dallas. The proposed line would have a daily capacity of 100,000,000 cubic of gas.

MAYOR ROBBINS DOES NOT FAVOR GAS PLANT SALE

(Continued from Page Five)

ously told the commissioners how I felt about the way to appoint a committee. When I received their letter again asking for a committee I was surprised but I felt that I should concede to their request in so far as I could consistent with my own views about how the committee should be created.

I did not think well of the commissioners' plan and had said so to them at the first conference. To my way of thinking it was equivalent to a confession on their part that they were incapable of modifying the objectionable rates.

I expressed confidence that they could fix the rates and as they said they could I pointed out the lack of necessity for a committee. I expressed the opinion that for me to appoint a committee would not make it the agent of the people and if the committee happened to find adversely to the people they would neither accept nor in any way be boundby the result. To have the people bound by the findings of a committee I thought they ought to at least have the say as to whom would comprise the committee.

Called City Meeting.

Notwithstanding the assurance of the commissioners that they would abide by the finding of a committee I told them I had misgivings about that in the event that the committee failed to agree with them. All this conversation took place at the first conference and, of course, before the commissioners agreed to modify the rates themselves and apparently abandoned the idea of a committee to help them. I called a special city meeting for the evening of November 8, 1928 and advised the commissioners to be present. I also suggested that they had the opportunity to present a resolution at the meeting for the creation of the committee they wanted. The commissioners through the corporation counsel, made suggestions as to the personnel of this committee, to be called a "fact finding committee" and the method of filling vacancies therein was arranged.

Unfortunately neither the board of commissioners nor the general manager attended this meeting. The town hall was crowded. The following resolutions were passed after the meeting had been warned that it could exercise no direct control over the commissioners.

1. RESOLVED: It is the sense of this meeting that the schedule of rates for electricity recently adopted and put into effect by the board of gas and electrical commissioners is discriminatory; unequitable and unsatisfactory; and it is the further sense of this meeting that said board of gas and electrical commissioners at the earliest possible date suspend the operation of said schedule and substitute therefor the schedule formerly in force until such time as fair and reasonable rates to benefit all consumers may be determined upon and put into effect.

2. Resolved: That inasmuch as no monetary damages are asked, that the corporation counsel of the city of Norwich be instructed not to defend the injunction suit now pending against the gas and electrical department of the city of Norwich to restrain them from selling gas and electrical appliances of all kinds, and that the court of common council be instructed not to approve any bill of expense contracted for such defense.

3. Resolved: That on and after June 1st, 1929, the court of common council be instructed not to approve any bills for the payment of commissions for the sales of gas and electrical appliances by the gas and electrical department of the city of Norwich.

4. RESOLVED: That Roy D. Judd, Morris L. Bergstresser, H. H. Gallup, Michael H. Hourigan, and Albert Boardman be appointed by this meeting a committee of five to confer with the board of gas and electrical commissioners of the city of Norwich, for the purpose of recommending to said city a fair and reasonable schedule of rates for consumers of gas and electricity; and that a report embodying such recommendations be made to a special city meeting to be called by the mayor not later than January 15, 1929; and be it further

RESOLVED: That should any member of said special committee be unable or decline to serve, said committee is hereby authorized to fill any vacancy therein.

The fact finding committee promptly organized, filled vacancies caused by resignations, and notified the board of gas and electrical commissioners that it was ready to confer with them. Some eight days later the commissioners acknowledged the communication and set a time for a joint meeting.

Held Many Meetings.

The fact finding committee held a good many separate meetings and several joint meetings. At the final joint meeting the report of the committee was submitted to the board and their approval or disapproval thereof and suggestions thereto were requested. At this meeting, which I attended, Messrs. Cruickshank and Munz of the commission were absent. The members present voiced no disapproval and one approved the report in general. Absolutely no suggestions or criticisms were made to the report. This was Monday evening, February 11th.

After a few days I called a city meeting for the evening of February 27th, to hear and act upon the report of the fact finding committee.

At that time, and up to the day before the meeting, I assumed the commissioners were agreed with the fact finding committee. I first learned of the board of commissioners "answer" when Judge Kelly, counsel for Mr. Taggart and the board, accompanied by Mr. Taggart and Vice President Goldberg came to my office on the 26th in answer to my inquiry as to whether the board had any program for the meeting, concerning which they cared to inform me. Upon this occasion they said "they thought they ought to have a right to be heard at the meeting as well as the fact finding committee." I agreed to this thought. They then informed me that Mr. Taggart would get out a "criticism of the fact finding committee's report." I told them inasmuch as the fact finding committee was appointed at their request and "it was clearly the spirit of the undertaking for them to cooperate with these men in an honest effort to solve the rate problem, that it was unfortunate if they had not succeeded."

In this connection please refer to the first paragraph of the commissioner's letter of October 27th.

They then asked me if I would "present and read their report to the meeting" and I explained why this could not be done.

During this conference Mr. Goldberg asked me what I would do "if I were a commissioner and the people insisted upon a course of action which I thought would vitally affect the plant." I replied that that situation would not worry me at all because I would consider so long as I was using my own judgment the responsibility for results would rest upon me, whereas if the course of action was directed by the people I should feel that the responsibility had shifted from me to them, but if I could not conscientiously act as directed to do, I should "get out." Apparently, as you will learn later, those present misunderstood this inconsequential remark and perhaps thought that I expected them to accept the fact finding committee's rate notwithstanding the consequences. Of course, I had no such idea in mind. I simply referred to a difference of opinion—no certainty was considered.

The Board's Answer.

The next afternoon, before the last city meeting, Mr. Taggart brought me the answer he had prepared and which the board had approved, and said the board directed him to request me to present and read their report to the meeting. I repeated my reason for refusal and suggested they present it themselves, or have it done for them. This suggestion was not heeded and so far as I know none of the commission nor the general manager, attended the meeting.

I refer you to the report of the fact finding committee and the answer of the commissioners.

The following resolutions were adopted at this meeting which was attended by nearly one thousand:

1. Resolved: That the report of the fact finding committee appointed at a special city meeting held November 8th, 1928, be and the same is hereby accepted and the recommendations therein contained approved.

2. Resolved: That such portion or portions of the report of the fact finding committee as may indicate a possible misapplication of the funds of the gas and electrical department by any of its officers or agents be referred to the corporation counsel of the city for his full investigation and report thereon to the court of common council.

3. Resolved: That Charles S. Eaton of this city be employed to make a complete audit of the accounts of the gas and electrical department from January 1st, 1924, to date, and a complete inventory of its supplies and merchandise now on hand and make a report of his findings to the court of common council.

4. Resolved: That the court of common council of the city of Norwich be and it is hereby instructed to forthwith adopt such by-laws and ordinances relative to the control and use of its gas and electric plant as well carry into effect as soon as possible the recommendations contained in the report of the fact finding committee and such a by-law or ordinance as will provide that the board of gas and electrical commissioners shall not engage in the sale or distribution of gas and electrical appliances, fixtures and merchandise but shall confine their operations to the manufacture, sale and distribution of gas and electricity.

The chairman of the fact finding committee also announced he was never informed that the commissioners were to get out a report.

The following morning after the meeting I received a letter from Mr. Taggart as follows:

February 27, 1929

Dear Sir:

Confirming the statement which I made to you this afternoon, the report which I am handing you is handed you under instructions from the board of gas and electrical commissioners.

The report is in the nature of comments upon the report made by the fact finding committee. The commission request that this report be presented and read at the city meeting this evening.

Very truly yours,

Which I promptly answered as follows:

February 28, 1929

Declined to Read Report

Dear Mr. Taggart:

Answering your letter received this morning and confirming the object of delivery to me of the report of the board of gas and electrical commissioners and their request that I present and read it at the city meeting last evening:

I hereby confirm my refusal to either present or read this report at the meeting last evening upon the ground that such course would involve action on my part not falling within the scope of the "call" for the meeting and consequently "out of order."

I also confirm the suggestion made by me to you and Vice-President Goldberg Tuesday afternoon and to your counsel, Judge Kelly, and repeated to you again yesterday afternoon that this report could have been offered from the "floor" after the introduction of the resolution approving the report of the fact finding committee as an argument or reason why such resolution should not prevail.

Your report was distributed to those attending the meeting last night and as I not only called attention to its presence, but urged its careful consideration and even recommended adjournment in order that both reports might be digested intelligently, when taken into account with the knowledge you possessed of my opinion as to the proper course to be pursued in order to accomplish your purpose, indicates clearly my desire to comply as far as possible with the request of the commissioners.

Very truly yours,

At the start of this controversy I assumed that the commissioners wanted to do everything in their power to make the rates satisfactory to all classes of customers and that any hesitation on the part of the commissioners so to do might be attributed to a proper desire by them to first determine the extent of the appeal and the class to which it belonged.

This is the purport of my first letter to them. Their reply plainly evidenced their intention to grant the demands of aggrieved customers. That is why they modified the commercial rates and it was the reason they later gave for asking for the appointment of a fact finding committee to work with them to establish non-discriminatory rates to all consumers.

I have previously acknowledged my inability to make the commissioners believe that a great many customers in the residential class wanted relief from the high base rate. After having modified the new rates and given optional rates to the commercial customers, it seemed to me that the two city meetings made it clear that there were a great many dissatisfied residential customers.

I was also thoroughly aware that notwithstanding my suggestions to the commissioners that some determination in regard to the sales of appliances ought to be had that they had never, so far as I know, made this subject a matter of consideration. The city meetings however, had twice voted upon this subject.

No Progress Made

Now, bearing in mind the verified understanding which I had that the commissioners recognized their obligation to the tax payers and were willing to satisfy their customers, and had now had nearly five months in which to modify the rates and had also had the opportunity to work with the committee they requested, and also calling particular attention to the fact that their report or answer to the fact finding committee's report contained absolutely no constructive suggestion, and no progress was being made, I wrote to them as follows:

March 1, 1929.

Gentlemen:

Within four months two unusually large city meetings have made plain the desire of the people for relief from the schedule of rates put into effect by you last October. These same meetings also voted that the further sale of appliances by the gas and electrical department must stop. Especially after Wednesday night's meeting no reasonable doubt can remain as to just what action the citizens demand and expect from you.

No justification exists for further delay and failure to comply with their desires. The obligation of the office you hold includes this duty of public service to the same degree that you expect loyalty in your own employes.

If you can no longer conscientiously obey the edict of the people and endeavor faithfully to carry out your duty to them, then the time has come when you should acknowledge this fact openly by resort to action consistent with honor and self respect.

In view of the vote that the court of common council pass ordinances to enforce as far as possible the recommendations contained in the report of the fact finding committee and to stop the sale of appliances, I desire to know forthwith—

1. Whether or not you intend to comply with the wishes of the citizens as expressed in city meeting regarding the report of the fact finding committee, particularly in relation to the adoption of the schedule of rates for electricity suggested therein?

2. If so, whether or not you intend to put such rates into effect as soon as possible?

3. Whether or not you intend to stop all sales of appliances by May 1, 1929?

The prompt answer to these questions will enable me to determine just what action, if any, may be necessary on the part of the court of common council but I sincerely trust that the embarrassment to you of council made ordinances will be avoided by complete and satisfactory action on your part.

Very truly yours,

To which they replied:

Commissioners Question Mayor

March 2nd.

My dear Mr. Mayor:

The board of gas and electric commissioners have instructed us to acknowledge receipt of your communication of the first instant. At a special meeting of the board it unanimously approves the following reply and asks that the question it contains be answered all of which are regularly entered upon the records of the board.

Apparently there are grave fundamental legal differences between the mayor and the board as to the powers, duties and responsibilities of the city's lighting commission. We ask to have the law interpreted and explained in a written opinion to us by the corporation counsel of the city.

We have believed and do believe and are advised that the two special city meetings you refer to had no power of direction and control over the fixing of rates. The advice and opinion of the corporation counsel in writing is asked as to this.

We understand and have believed and advised that the duty and responsibility of managing, directing and controling the city's lighting plant rests primarily upon the board of gas and electric commissioners with certain powers vested in the mayor and court of common council if they choose to exercise them and so ordain. We ask through you for the corporation counsel's written opinion upon that proposition.

We understand and are advised that our personal bonds of $5,000 each given to the city are conditioned among other things upon our obeying and complying with the law of the state. We ask the corporation counsel of the city to advise us in writing whether we are correct in this last assumption.

That the present situation may be somewhat understood and clarified for nearly 7,000 electors of the city we ask why you refused our request submitted to you that the reply of our board on the rate question might be read by the city clerk to the last city meeting?

Do you favor generally the municipal ownership and operation of public utilities?

Are you in favor of selling the city's gas and electric plant and franchise?

Will you publicly repeat what you said to Commissioner Goldberg and others in your office on Tuesday last February 26th as to your view of the correct attitude of the commission in response to a vote of a special city meeting even though the commission was unanimously of the opinion that the business policy dictated by the special city meeting would prove very disastrous to the city's property?

Do you agree that the corporation counsel of the city is appointed by the court of common council and that under the charter of the city one of his duties is to represent the city in all suits in the courts against it?

We ask why the corporation counsel of the city did not explain to the two city meetings you refer to the law governing the sale of appliances, the law as to how the rates shall be fixed and determined, the law as to the maintenance of reserves and as to what shall be charged off by the commissioners each year, the powers of the mayor and the court of common council and of the board of gas and electric commissioners?

We ask the corporation counsel of the city to advise us in writing whether the two special city meetings you refer to have the power to regulate, curtail and prohibit the sale of appliances?

Your suggestion of "edict of the people" reminds us that we are sworn like yourself to obey the law. As at present advised we are doing so and have done so. We regard our responsibility as one in the nature of trustees for all of the citizens and not automatons or a mere will 'o the wisp.

Let us assure you that "council made ordinances" hold no terror for us nor will we thereby be embarrassed in the slightest but we hope that these ordinances will not depreciate the city's property, hamper its efficiency, reduce the present market value of the city's property or impair the quality of the service.

Respectfully,

Letter is Discouraging

This letter is discouraging. When I sent my letter of March 1st, I fully expected a constructive answer. I knew, or felt reasonably certain, the commissioners would answer every one of my three questions in the negative but I anticipated that they would also state their seasons for so answering. I hoped for a full, consistent and frank showing of their hand with the hope that therefrom a satisfactory solution of the present difficulty might be deduced. It is essential that the commissioners cooperate with the citizens to secure a sensible adjustment of this difficulty. From the first I have been fully cognizant of the fact that no entirely pleasing solution can be had through any other means whatsoever.

I am wholly unconscious of any fundamental or other legal differences between the mayor and the commissioners. The laws are clear and undisputed. It is generally known that a city meeting has no control over the commissioners. It is generally known that there is no control over the local commisioners. The council and mayor may exercise certain control of a regulating nature. This never has been done and in my opinion ought not to have to be done.

I doubt if there is any material difference of opinion between myself and the commission. If there is, it must bear upon the question of the consideration due to the vote of a city meeting. I am personally mindful of the great moral obligation which a city meeting may impose upon a public official serving the city.

Do not forget that the first city meeting was primarily called because of the desire on the part of the commissioners for the appointment of a fact finding committee and the subsequent meeting was called to hear and act upon the report of that committee. Neither meeting was called with the remotest idea that it would control or regulate the commissioners.

Misconstrued as Threat

I was especially sorry that the last paragraph of my letter was misconstrued as a threat. It was not so intended. The vote of one city meeting instructing the council to pass ordinances was known to the commissioners and I anticipated they would desire, as I do, to avoid this extremity if possible. It should be a matter of common concern. However, I answered their letter as follows:

March 4, 1929

Gentlemen:—

Thank you for your prompt reply to my letter of March 1st.

If your board is honestly perplexed by any questions regarding the interpretation of the laws relating to you or your duties, I respectfully suggest that you refer the same direct to the corporation council for his answer, according to your usual practice.

Answering the personal questions contained in the body of your letter would not assist you in the least to answer the simple questions I ask. If I am correct in depending upon your statement contained in your letter to me under date of October 27th, viz:—"This commission takes this opportunity, through you, to acknowledge their duty to the tax payers of the city who are the direct owners of the gas and electric property," my questions assume no more than your sincerity.

Very truly yours,

Aside from the questions which may be better answered by Mr. Perkins, it seemed to me the remaining ones in their letter were entirely irrelevant.

This brings matters up to the present time. Later on I will ask Mr. Perkins to explain the laws, relating to this whole matter, to you.

Salient Points Apparent

Now, by considering what I have related certain salient points become apparent.

1. The commissioners were requested to hold a public meeting to establish the facts whether or not the new rates were satisfactory and whether or not the policy of selling appliances was approved.

2. The commissioners never did call a public meeting for consideration of both rates and appliances, and did not attend nor have the general manager or any other agent attend for them, either of the city meetings.

3. A basis for adjustment of the rates to meet objections thereto was suggested to the commissioners before any public meeting was held.

4. At that time the commissioners were willing to grant the desired changes in the rate and agreed to make such changes to appease aggrieved citizens.

5. The commissioners abandoned their plan to change the rates and asked that a fact finding committee be created to work with them to establish new rates and their resolution subsequently created it.

6. After meeting with the fact finding committee several times and learning the contents of the fact finding committee's report, the commissioners made no suggestions relative thereto, nor recorded any disapproval thereof, nor informed the fact finding committee that they would make a separate report.

As previously stated, the new rates went into effect October 1, 1928. We are now well into the sixth month since these rates proved unsatisfactory to certain consumers and the commissioners were asked to remedy the trouble. If the desire to help the small consumer exists, finding the means is not a stupendous undertaking. The errors in the commercial rates were quickly corrected and it should not prove more difficult to reduce the initial charges.

There is no present indication of any effort by the commissioners to modify these rates or adopt satisfactory new ones.

Would Avoid Action

I ask you to weigh all these facts and consider this situation. Nothing like it has ever occurred before. I feel that every reasonable effort should be made to avoid action on your part. I still hope that it may be avoided. I will not ask for action at this time.

While talking upon the subject of our gas and electric plant and in addition to what has been said, it is very probable that you may desire to know how I feel about certain matters pertaining to it. Take appliances for example. Yes, personally I favor the sale of appliances by the city. There is no question about the benefits to the citizen. I do not approve of the present aggressive method of handling this merchandise. The loss is too great. The sale of huge quantities of appliances is not the criterion of cheap electricity. I should go back to the cross road where we made the wrong turn. In my opinion the attitude of the department as regards appliances should be as it started out to be, educational, instructive, service rendering and cooperative—not alone to the citizen customer but to the citizen merchant as well.

There would be no objection from anyone if the department handled appliances under this code. All merchants would welcome it. The present faults would be removed but all reasonable benefits would be retained.

I believe this is just the correction in this branch of the department which the people want but unfortunately, there is the practical difficulty of carrying out any constructive action without the sincere cooperation of the commissioners.

Consequently you should consider if there is any alternative but to sacrifice the good to correct the bad.

New Rates Not Balanced

What about the new rates? As I view the new schedules there is an apparent lack of balance. The base rates are too high. The reduction to the large consumer is too great. Admittedly, in practice it does not do justice to all classes of consumers. As already pointed out, it was designed to encourage the use of more appliances upon the theory that the more appliances the cheaper the rate. My bills for electricity used at my residence are half as much as they were under the old rate. That is a very substantial discount. My office bills are fifty per cent more than the old rate. This is a substantial increase. If the base rate at my office was reduced by half and the other half charged up to my residence I would still have a splendid discount there, whereas my office charge would be twenty-five per cent lower than ever before.

There was a mistake made in the distribution of the reduction. The small consumer actually has to pay more because of the new high base rate, whereas the large consumer reaps the full benefit of the three cent rate. The small consumer should not be penalized because he desires to use only a little current nor should the large consumer receive all the benefits derived from quantity production. It is not entirely a business proposition. It is largely a family affair. The pie should be re-cut. That is all there is to it.

Fact Finding Rate Acceptable

The rate offered by the fact finding committee is acceptable because it reverts to the old meter charge idea—the dollar basis which was entirely satisfactory. Possibly, even giving an option of the old rate would suffice. I think any rate which provided a low basis and still allowed a good discount to the large consumer would be satisfactory. In other words a rate which will give substantially the same percentage of reduction to all consumers would appease practically everyone. But of course, in order to approach this result it is necessary to have the sincere cooperation of the commissioners. Not having this you must consider if there is any alternative but to approve a definite rate.

Plant Not For Sale

I have heard more or less talk lately about selling our gas and electric plant. I have heard that the present management are working to sell it (I do not believe this) and I have heard that the mayor is trying to sell it, etc., etc. As a matter of fact I do not know of any one who is trying to sell it, or could sell it without the approval of the electors. I do not happen to know of anyone, person or corporation, who is trying to buy it. Last October I discouraged two prospective customers by telling them that it was not in the market. So long as I believe, as I do today, that the great majority of the electors are against selling I will not favor selling or take any steps toward encouraging a customer to make a bid. That is my official attitude. All selling talk at this time is pure propaganda. It is inopportune.

Individually, I have one vote for or against selling upon any given proposition of purchase. It is impossible to decide in advance of the offer but any proposition, that I would favor, would have to include a protective long term contract to supply us with gas and electricity.

I have no particular sentiment for the local plant that would blind me to a good business proposition for its sale. On the other hand I've got considerable pride and interest in it as part owner and as mayor. As a municipally owned business it has become more feasible under the present commissioners and general manager than ever before. This is due to the addition of the hydro units with automatic control. A practical rebuttal to the oft heard argument that this line of business is too intricate to be successfully run by a municipality. It has prospered in spite of the tremendous handicap of the inefficient and hopeless steam plant.

The fact that there is still more water power which can be procured is a most hopeful prospect.

At the conclusion of the mayor's statement, the council voted to adjourn, adjournment being taken at 9:55 o'clock.

Patricia Ann Leason

A sunny little sprite is this plump, rosy-cheeked daughter of Mr. and Mrs. J. A. Leason of St. Paul. She's a real Lifebuoy baby—healthy and happy!

Patricia has never been sick a day in her life

... and frequent washing of her hands and face with Lifebuoy has been a big factor in keeping her healthy"

says her mother, MRS. J. A. LEASON, ST. PAUL, MINN.

"OUR little daughter, Patricia Ann, is two years and five months old and she's never had a sick day in her life, not even suffering a cold.

"She's so chubby and bright, she just seems to radiate health. The constant use of Lifebuoy soap for her bath and frequent washing of her hands and face with Lifebuoy has been a big factor in keeping her healthy, I believe.

"In fact, I attribute the splendid health of my whole family in large part to our habit of washing with Lifebuoy many times every day and getting rid of germs that we simply can't help getting on our hands.

"Lifebuoy is a marvelous soap for the skin, too, it's so mild. And at the same time, it's so invigorating that my husband calls it his 'pep' soap. We certainly do think Lifebuoy is the best soap ever!" . . . *Mrs. J. A. Leason, 998 Dayton Ave., St. Paul, Minn.*

Guard *your* family's health!

Mrs. Leason's letter is typical of the way millions of mothers rely upon Lifebuoy to help them keep sickness out of their homes.

Your own family has to wash with some toilet soap anyway. So why not use Lifebuoy? Its gentle, antiseptic lather removes germs with dirt. And because it purifies the pores Lifebuoy is a perfect soap for the complexion.

You'll quickly learn to love Lifebuoy's pleasant *extra-clean* scent, which tells you it purifies and which vanishes as you rinse. Adopt Lifebuoy today.

LEGAL NOTICES

DISTRICT OF GROTON, SS., PROBATE Court, Feb. 11th, 1929.
Estate of Rosalie Hubbard Lee, late of Groton, in said District, deceased.
Said Court has limited and allowed six months from the date hereof for the creditors of said estate to exhibit their claims for settlement.
Those who neglect to present their accounts, properly attested, within said time, will be debarred a recovery.
All persons indebted to said estate are requested to make immediate payment to ELLEN J. BELSHEIM, Administratrix, c. t. a., care of Geary, Davis & Keefe, 201-205 Mercer Building, New London, Conn.

Sidewalk Construction
Bids for constructing about 10,000 square feet of Cement Sidewalks at Groton Long Point will be received to and including March 29, 1929.
Specifications and grade plans can be secured from D. C. Peck, Eastern Connecticut Power Co., Norwich, Conn.
The right is reserved to reject any or all bids.
GROTON LONG POINT ASSOCIATION, Inc.
P. O. Box 390, Norwich, Conn.

SPECIAL TOWN MEETING
NOTICE
Upon a petition signed by twenty legal voters of the Town of Colchester, the legal voters and those qualified to vote in town meetings are hereby warned to meet in Special Town Meeting in Grange Hall in said town on Tuesday, March 26, 1929, at 2:30 p. m., for the following purposes, viz.:
1. To consider the question of authorising the selectmen of this town to enter into an agreement with the State of Connecticut for the construction of a section of highway leading from North Westchester to Moodus Falls, beginning at the south end of the present improved section of state road and extending southerly.
2. To appropriate a sum of money not to exceed Thirty Thousand (30,000) Dollars therefor, and to authorize and empower the selectmen to borrow said sum and to give the note or other interest-bearing evidence of indebtedness of said town therefor.
We, the undersigned Legal Voters and Taxpayers of the town, petition your Board of Selectmen to include in the Special Town Meeting soon to be held, a clause to see what action the town will take, to repair the street known as Pleasant Street, from Norwich Avenue, east.
And to make an appropriation to meet the expense not to exceed Seven Hundred Dollars.
Said clause will be heard at above warned Town Meeting.
Dated at Colchester, Connecticut, this 16th day of March, 1929.
C. A. KRAMER,
CHAUNCEY G. MARKHAM,
mar19d Selectmen.

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 11th day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of Henry Hewitt, late of Norwich, in said District, deceased.
Ordered, That the Executrix cite the creditors of said deceased to bring in their claims against said estate within six months from this date, by posting a notice to that effect, together with a copy of this order on the sign-post nearest to the place where said deceased last dwelt, and in the same town, and by publishing the same once in a newspaper having a circulation in said district, and make return to this Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.

NOTICE
All creditors of said deceased are hereby notified to present their claims against said estate to the undersigned at 72 Hamilton Ave., Norwich, Conn., within the time limited in the above and foregoing order.
HATTIE L. HEWITT,
mar19d Executrix.

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 19th day of January, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of Michael J. Dwyer, late of Norwich, in said District, deceased.
Ordered, That the Administratrix cite the creditors of said deceased to bring in their claims against said estate within six months from this date, by posting a notice to that effect, together with a copy of this order on the sign-post nearest to the place where said deceased last dwelt, and in the same town, and by publishing the same once in a newspaper having a circulation in said district, and make return to this Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.

NOTICE
All creditors of said deceased are hereby notified to present their claims against said estate to the undersigned at 59 Newton St., Norwich, Conn., within the time limited in the above and foregoing order.
KATHERINE DWYER,
mar19d Administratrix.

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 18th day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of William A. Gordon, late of Norwich, in said District, deceased.
Agnes Gordon, of Norwich, Conn., appeared in Court and filed a petition praying, for the reasons therein set forth, that an instrument purporting to be the last will and testament of said decedent, be admitted to probate.
Whereupon, it is Ordered, That said petition be heard and determined at the Probate Court Room in the City of Norwich, in said District, on the 25th day of March, A. D. 1929, at 10 o'clock in the forenoon, and that notice of the pendency of said petition, and of said hearing thereon, be given by the publication of this order one time in some newspaper having a circulation in said District at least three days prior to the date of said hearing, and that return be made to this Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.

TEACH SINGING BY MOTION PICTURE

PARIS—(AP)—Singers' voices are all but taken apart and put together again in the scientific analysis of singing instituted by the national conservatory.

Motion pictures show the movements of the throat and phonograph records reproduce voices to illustrate commands on faults and merits.

Dr. Tarneaud, laryngologist of the conservatory, is seeking to produce a code of definitions of various voice characteristics, illustrated by movies and phonograph records.

GIANT EELS OF PACIFIC OBJECT OF EXPEDITION

AUCKLAND, New Zealand—(AP)—The Danish research ship Dana is here to search for the unknown origins of the gigantic eels of the Pacific ocean.

These eels grow to 30 or 40 pounds in weight, compared with a maximum of about 10 pounds in European waters. Dr. Johannes Schmidt, who in 21 years study did much to explain the origin and habits of the Atlantic ocean eels, heads the Danish expedition.

No eels appear among the Pacific shores of North America. Dr. Schmidt suggests this may be due to the extreme cold of the deep current, even in tropical latitudes. A dozen eel species are known in the Pacific.

NORWICH DRIVER MADE A MISTAKE WHEN TOO HASTY AT NEW LONDON

(Special to The Bulletin)

NEW LONDON, March 18—Walter Kozlowski, Norwich, was charged in the New London police court today with violation of the state motor vehicles rules in failing to grant right of way. He pleaded guilty and was fined $20 and costs. He had previously been warned on several occasions to adhere to the rules of the road. Kozlowski was driving on the Thames river highway bridge Saturday evening at which time a collision between autos had occurred. State Police Officer John Smith was investigating the crash when Kozlowski, who was among a string of drivers in traffic, pulled out of line and attempted to drive his machine around the other cars. He was ordered to a stop and in attempting to do so his auto struck another machine. Kozlowski's brakes refusing to hold.

Reckless Driving Charge.

David A. Hurt, 42 Nameaug avenue, a naval officer, was charged with driving under the influence of liquor, but the charge was amended to that of reckless driving. He was fined $25 and costs on that charge and on another complaint, that of driving without a license, Hurt was fined $3. Hurt was arrested Sunday morning on Bank street by Patrolmen Thomas Cavanaugh and Louis Wheeler after Hurt's auto had collided with another machine. In Hurt's auto was found a quantity of liquor.

Lawrence White, Norton, Mass., was charged with train riding and was fined $10 and costs, but the execution of the sentence was suspended.

Soldier Struck Officer.

Bernard Nickerson, a soldier, stationed at Fort Wright, was charged with intoxication and striking an officer. His case was continued until tomorrow. Nickerson was at the union station last night where his actions caused Special Agent James Daly of the New Haven railroad, to remonstrate with Nickerson. When the officer arrested the soldier, Nickerson attacked Daly, but he was promptly subdued.

Charges Nolled.

Eugene C. Peck, 138 Huntington and John S. Kane, 5 Rosemary street, were charged with reckless driving, each on complaint of the other, but both charges were nolled. Peck and Kane's autos collided Saturday evening and as neither driver would assume the responsibility for the crash, although but little damage was occasioned, the joint complaint was made against the two drivers.

Feliciano Cianpo, charged with intoxication and breach of the peace, was fined $10, but execution of the sentence was suspended. Cianpo was arrested at the union station Saturday night by Special Agent Fred Jorgerson.

Joseph Brodasky, 2 Briggs street, charged with violation of the city's ordinances in parking his automobile in restricted area on Broad street, Saturday, was fined $2.

The continued cases of Ernest Watrous, 41 Benham road, Groton and Stephen J. Crouch, R. F. D. No. 1, Mystic, charged with driving without tail lights were disposed of, the former being fined $10 and costs and the latter drew a like fine, but its execution was suspended.

St. Patrick's Day Observance.

Father Joynt branch, Ancient Order of Hibernians and auxiliary attended the 8 o'clock mass, receiving holy communion, at St. Mary's Star of the Sea church yesterday. Nearly 100 members assembled at the Main street hall and marched to the church where the women were already assembled. Tonight the local branch held a dance in Plant hall.

The concert given yesterday afternoon by a group of famous radio artists at the Garde theatre under the auspices of the Lions club was very well attended.

John H. Moore of Woodside, L. I., charged with speeding, was fined ten dollars and costs in the Groton town court this morning. He was arrested by State Trooper Joseph King.

The case of James M. Barrett of New London, on a charge of operating a vehicle without a license was nolled.

SPEAK-EASY CHECK-UP AND GAMBLING JOINT CENSUS

(Special to The Bulletin)

NEW LONDON, March 18—Captain of Police Charles A. Pinney yesterday ordered a survey of all speakeasies and gambling joints of this city. Patrolmen were told to report every such place on their beats. Such reports, however, will not precipitate raids. Evidence the same as in the past must be obtained. Patrolmen failing to make such reports will be subject to reprimand.

A MYSTIC HUSBAND'S TOUGH LUCK CONTINUES

(Special to The Bulletin)

NEW LONDON, March 18—George Henry Potter, Mystic carpenter, shot last week while tussling with his wife for possession of a pistol, was discharged from the Home Memorial hospital today. After his dismissal he was taken to Groton town court and fined fifty dollars and costs on a charge of assault with a danzerous weapon.

In the neighborhood of 18 acres of open brush land near Miner's lane, Waterford, was burned over yesterday and for a time a gasoline station and other property in the vicinity were in danger. The blaze was extinguished by the emergency crew of the state forestry department, with the assistance of those summoned from New London.

Francis Coogan, of Mystic; Mrs. William Noonan and infant daughter, 108 Connecticut avenue; Mrs. Joseph Hague, 16 Harris street; Mrs. Ernest Watrous and infant son, Groton; Mrs. Francis Minault and infant daughter, 50 Crystal avenue and Francis Crooke, 41 Tilley street, patients at Lawrence-Memorial hospital, were discharged Sunday and today.

FUNERALS.

Mrs. Jeremiah Dunbar.

The funeral of Mrs. Jennie E. Dunbar, wife of Jeremiah Dunbar, was held this afternoon at 2 o'clock at the family residence, 57 Montauk avenue and was attended by a large gathering of mourners, including a delegation of members of Hiawatha council, Daughters of Pocohontas. The services were conducted by Rev. Royal W. Ferguson, pastor of Montauk Avenue Baptist church. The bearers were E. J., C. G. and H. N. Horton, Charles Berg, Almon and Andrew DeWolf. Burial was in Jordan cemetery.

Mrs. George E. Fisher.

Committal service for Mrs. Fannie H. Fisher, wife of George E. Fisher, of 48 Nathan Hale street was held this morning at 9 o'clock at Cedar Grove cemetery, Rev. J. Romeyn Danforth, pastor of the First Church of Christ officiating.

Mrs. Barnabee MacNeil.

The funeral of Mrs. Bridget H. MacNeil, widow of Barnabee MacNeil, was held this morning at 9 o'clock at St. Mary's Star of the Sea church and was attended by a large assemblage of mourners. In the solemn mass of requiem Rev. Michael Reagan was celebrant, Rev. George Clark, deacon and Rev. Raymond J. O'Callahan, sub deacon. The bearers were William, Angus and Norman MacNeil, Lawrence Ellis, Hugh McLeod and Denbis Walsh. Burial was in St. Mary's cemetery, where the committal prayers were read by Rev. Fr. Reagan.

George E. Middleton, of Providence, was arrested yesterday afternoon by State Trooper John H. Smith, of Groton, on a charge of reckless driving on the Post road in the town of East Lyme. Francis H. Capithorn, of Summit, N. J., was arrested on a similar charge. The latter failed to appear in the Waterford court today and a cash bond of $50 was forfeited.

City Manager Holt and Mayor Scott yesterday visited Westerly, where they inspected the new Central fire station.

FUNERAL

Mrs. Joseph E. Blanding.

Funeral services of Mrs. Ida Louise Blanding, wife of Joseph E. Blanding, who died Saturday, were held this afternoon at her residence at 60 Jay street. The Rev. Chester H. Howe officiated and burial was in Pitman Heights cemetery.

Patients dismissed from Home Memorial hospital today were Mrs. John Johnson, 242 Ledyard street; Mrs. George Silva and daughter, 663 Main street; Ambrose Villano, 46 Division street.

Former Wife of Philip Plant

Constance Bennet was reported from Paris yesterday as being in a serious condition in a hospital there. She is a former actress and wife of Philip M. Plant, adopted son of the late Commodore Morton F. Plant. She is a daughter of Richard Bennet, well-known actor.

At the banquet of the junior class of Connecticut college Saturday night in the Hotel Mohican, the feature occasion was the unveiling of its mascot by Miss Ruth Barry, president of the class. The mascot was a large shield with a ship in full sail and the class seal emblazoned on it.

Murphy-Rathbun post, Veterans of Foreign Wars, gave a masquerade dance Saturday night in Union lodge rooms. About 150 members and guests were present. Capt. Ernest Smith won the prize for having the best costume.

Mrs. Edgar E. Magner, of Winthrop Dell, Golden Spur, entertained Saturday night in honor of Miss Margaret Wino, of Flanders, whose engagement to John McClave, of New York, was announced last September. The house was prettily decorated in green and after an evening of bridge refreshments were served.

Guests on Plant Yacht

Dr. and Mrs. Daniel Sullivan have returned to their home in Huntington street after six weeks' cruise along the Atlantic to the Bahama Islands. They were guests of Mr. and Mrs. Henry B. Plant, of Eastern Point, on Mr. Plant's yacht.

Announcement has been made by Mr. and Mrs. Harris N. Morgan, of Hyannis, Mass., of the engagement of their daughter, Audrey Morgan, to Ronald Doane, of Niantic, son of Mrs. Gilbert Doane, of Clinton. They will be married sometime in April.

Tomorrow the W. M. I. Alumnae association will hold a meeting at the Y. W. C. A. at which plans will be discussed for a bridge party after Easter.

Mr. and Mrs. John B. Leary gave a party on the eighth birthday of their son, Bobby, Saturday afternoon. Eight guests were entertained.

Members of the Neptune club observed the ninth anniversary of the organization yesterday afternoon with a St. Patrick party held in the Jibboom club rooms. A delicious supper was enjoyed by the 39 members present. The evening was spent with music and recitations.

Mrs. Minnie E. Lewis, of Nameaug avenue, has returned after ten weeks' vacation in Florida, where she was the guest of Mr. and Mrs. W. L. Main and daughter, Hazel, at their winter home in St. Petersburg.

At a cake and fruit sale held by the Girl Scouts, Saturday, $32 was cleared.

OBITUARY.

Miss Georgie E. Reeves.

Miss Georgie E. Reeves died Sunday at her residence, 106 Bliman street, after an illness of many months. She leaves no near relatives. Miss Reeves was born in New London and always resided in this city and was a member of the First Baptist church.

PERKINS BOUND OVER ON MANSLAUGHTER CHARGE

(Special to The Bulletin)

NEW LONDON, March 18—Louis Perkins, Waterford, was in Waterford town court today charged with manslaughter. Probable cause was found and Perkins was held for trial in bail of $2,000 before the next criminal term of the superior court. He furnished a surety on his bond. Perkins was driving his automobile on the New Haven turnpike two weeks ago and it is claimed that he was intoxicated. The machine was speeding along the highway and at a point known as Mallory Hill, Waterford, where Miss Nellie M. Beckwith, only daughter of Mr. and Mrs. Monroe L. Beckwith, Willetts avenue extension, was walking with three companions, the auto plunged into the group. Miss Beckwith sustained a fractured skull from which injury she died less than 24 hours later at Lawrence Memorial hospital. State Police Officer Bernard Kenerson, who made an investigation, arrested Perkins on a charge of drunken driving. On the death of Miss Beckwith the complaint was amended to taht of manslaughter.

Lester C. Muller, U. S. coast guard, was charged with driving while under the influence of liquor, but the charge was amended to that of reckless driving. Miller pleaded guilty and was fined $100 and costs. Muller was driving in Waterford, near Jordan cemetery, a week ago Sunday morning at 1.30 o'clock, and the manner in which the machine was operated attracted the attention of officers of the Groton state police barracks, who were patrolling the highway. When the auto was held up it was evident that Muller was intoxicated and he was arrested. When searched at police headquarters liquor was found on Muller's person, but he refused to reveal where he had procured it.

COAST GUARD ACAD. BOND ISSUE FIXED AT $125,000

(Special to The Bulletin)

NEW LONDON, March 18—Although the city council held a meeting of two hours' duration this evening very little was accomplished. The Connecticut Power Co. sought a supply of water for its plant in Waterford, connecting with the Ocean avenue main, to an eight-inch pipe. The agreement between the city and Connecticut Power Co. was drawn by the attorneys for the Power company and objection was raised to its provisions by Councilor Whiton. He thought the city might be getting the worst of the contract. The matter was discussed generally with the result that action was deferred.

A parcel of land on Ocean avenue has been offered to the city, with the condition that it be known as Helena park. On that property there is a tax of $12,000 to $14,000. A condition of the deeding of the property is that the tax be wiped out. A resolution was introduced by Mr. Whiton from committee refusing to accept the land. Councilors May and Twomey voted against the proposition, declining to accept. In this case the chamber of commerce some weeks ago asked for a referendum vote to determine whether the city actually wanted the park. It was decided that the matter had not been formally before the council and the referendum could not be taken. Tonight, Councilor May urged that the chamber of commerce should again present its request for a referendum vote with the understanding that it shall be taken at the fall election in October, to avoid holding a special election. Unfavorable action was taken on his motion.

Councilor Whiton presented a committee report favorable to the acceptance of Shirley park. That was received for record. Contract for laundry work for the city fire department and Hillside home was awarded, the lowest bid being about one-half what the other bids were. An agreement was accepted between the city and Mrs. Annie O. Mitchell, providing for the establishment of a drain from Pequot avenue to the harbor. There were 15 applications for petitions to erect buildings or alter property.

Councilor Twomey asked for the placing of traffic signals at Garfield and Connecticut avenues and Councilor Fox asked for signals at Garfield and Meridian streets. More than 100 petitioners asked for the establishment of traffic signals at Willetts avenue and Montauk avenue. Referred to city manager.

More than 200 patrons of the Groton-New London ferry petitioned for the continuance of the ferry line. Referred to committee on public works and finance. The First Baptist church was given permission to hold Market day in August at Williams park.

Residents of Waldon avenue protested against what they called the deplorable condition of that avenue and asked that repairs be made. There are 20 families and 105 persons residing there. It was the old story of scarcity of funds and no action was taken.

Appropriation for the purchase of land for Coast Guard academy by the issuance of bonds grew from $100,000 to $200,000, when presented in the legislature. Councilor Twomey asked for an explanation. Director of Law Troland stated that while $100,000 might be sufficient, it was deemed wise to make application for an admission of $200,000, so that ample funds would be at hand to meet any contingency that might arise. It was finally decided to ask for an issue of $125,000 in bonds.

The board of school visitors asked for the placing of sprinklers in all school houses. Referred to the budget and finance committees.

Mrs. Reimer, 37 Chappell street, caused the arrest of her husband Sunday night on a charge of breach of the peace and he was fined $10 and costs. Reimer and his wife are estranged and the former is rooming at 61 Golden street. Saturday night Reimer was drinking and, hiring a taxicab, he went to the residence of his wife. The latter was not at home, so Reimer smashed the glass in the front door and in one of the windows, after which he was driven away. When Mrs. Reimer returned to her home Sunday she discovered the damage and ascertaining that the occupant of a taxicab was responsible for the damage, she made complaint to the police. Automobile Patrol Officer Clarence Martin found that Reimer was responsible for the damage. He was sought and arrested.

Commissioner of Motor Vehicles Robbins B. Stoeckel has ordered the return of the right to operate to Henry E. Gray, Submarine base.

Fred Belpsloski, 55 North Bank street, a patient at Lawrence-Memorial hospital, suffering from a slight fracture of the skull and a fractured jaw, sustained in an automobile collision near Hubbard's Gate, Uncasville, Sunday afternoon, is reported tonight as being somewhat improved. Belpsloski will be arrested on a charge of reckless driving whenever he is discharged from the hospital.

SIX PIECES OF PROPERTY ORDERED SOLD FOR TAXES

(Special to The Bulletin)

NEW LONDON, March 18—Tax Collector Hibbard N. Alexander today made another drive for the purpose of spurring delinquent property taxpayers. He issued six warrants ordering the sale at public auction of property upon which the taxes have not been paid. John and Samuel Turello own a brick block on Bank street and it is claimed that they owe a tax of $1,431.09, the assessment on the levy of 1927. The property is ordered sold May 22 at 2 p. m. William Schoonman's property, Center street, is ordered sold May 22 at 1 p. m. He owes taxes on the assessment of the levies of 1923, 1924, 1925, 1926 and 1927, the aggregate amount $656.57. Property of Frank Philopena, which adjoins Prest street, is ordered sold May 22 at 10 a. m. The owner has not paid $25.65, assessment of the levy of 1927. Martin Greenblatt owes taxes on the levy of 1927 and amounting to $125.74. His property on Waller court is ordered sold May 22 at noon. Margaret C. Newman owes the city on the levy of 1925, in the sum of $119.99. Her property on Broad street is ordered sold May 22 at 11 a. m. Property on Shaw street, owned by Max Odell, is ordered to be sold May 22 at 9 a. m. Odell has not paid his taxes for 1925, 1926 and 1927, and owes the city $356.64.

Albert Cortucci, 15 Cliff street, was arrested tonight charged with reckless driving, upon complaint of Lieut. C. H. Winckler, Submarine base. He will be in court tomorrow. Lieutenant Winkler was driving his automobile on Bank street Saturday night and it was struck by a machine driven by Cortucci, who did not stop to determine the extent of damage occasioned. Cortucci was not located until this evening.

City Clerk Julian D. Moran resumed his duties at the Municipal building today after a week's illness at his home on Ocean avenue.

MAIN ST. CHIMNEY FIRE DURING MONDAY EVENING

(Special to The Bulletin)

JEWETT CITY, March 18—Engine 1 and Chemical 1 responded to an alarm from Box 14 at 10:30 o'clock tonight for a bad chimney fire in one of the houses owned by the Fisk Rubber company, on Main street. The firemen were able to end the blaze with chemicals. No damage was reported. The occupants of the house are F. DesJardine and John Blake.

ANNOUNCEMENTS

Breed Theatre.

Albert Valentino, brother of Rudolph Valentino, immortal screen sheik and lover, makes his screen debut with Leatrice Joy in the FBO drama "Topic Madness," book for showing at the Breed Theatre tomorrow and Thursday. The picture is a thrilling disclosure of life on the beaches of South Sea paradises—and the devils of hate and passion that lurk in those glamorous beauty spots.

St. Mary's Players.

This year's cast, one of the best St. Mary's Players have ever gotten together after several weeks of hard work, is ready to present "The Whole Town's Talking" tomorrow night. Those who saw their performance the other evening admit that it was one of the best shows that this organization has ever given. Several good performances have been given in past years by St. Mary's Players, the public knows that, but this year's play is the best one that these players have had. For sustained interest, continued fun and laughs, and clever acting, this year's play surpasses them all. Do not fail to see it! Prices are within reach of all. The following is the cast: Messrs. Edward Connelly, Dr. Andrew Sullivan, Robert Enright, John Keenan, James Barry. The Misses Theresa Portelance, Parmelia DeRosier, Eileen Hinchey, Mary Keenan, Veronica Roberts, Mary Weller and Doris White.

Dodge Auto.

In anticipation of unprecedented spring sales and deliveries reaching their peak in April and May, shipments of cars by rail from the Dodge Brothers plants in Detroit are totaling many thousands weekly. This total, when combined with "drive-aways" and export shipments is placing the company on one of the heaviest seasonal production schedule in its history. Five loading docks are in constant use in carrying out this program.

Spring days that call motorists outdoors, and on long drives over country highways create the urge for a new car with vivid color combinations, unmatched mechanical performance, and smooth riding qualities. The desire to break away from the motoring restrictions imposed by winter weather is reflected by a seasonal sales volume in the months of March, April, May and June that represents more than 40 per cent. of the annual sales, according to Dodge Brothers officials.

"Many localities will quickly deplete their stocks with the opening of the spring buying season," said Charles W. Matheson, general sales manager. "Cars on dealers' hands are greatly under the total of a year ago. Shipments are continuing unusually heavy to meet present demands and care for future orders, as forecast by the unusual interest centered on Dodge Brothers cars at the automobile shows throughout the country.

"The automotive industry is approaching the time of year when millions of families are considering the advantages of owning a new car or buying an additional car. The 1929 style trends and mechanical refinements represent the greatest value in history, and more than ever make the ownership of an automobile a most vital factor in health and happiness."

Palace Theatre.

Beautiful Vera Reynolds, dear to the heart of all beauty-lovers and movie-lovers, returns to the Norwich screen this week in "Jazzland," an excellent Quality picture, now playing at the Palace theatre.

Miss Reynolds, long a favorite with Norwich fans, has one of her most dramatic roles in "Jazzland." In this absorbing film study of modern youth, she is a small-town girl who has gone to the big city and fallen in with a host of "advance-thought" friends. These friends almost make her believe in the new craze of "trial marriage," particularly the author of the latest book, "Marriage by Agreement." But her long training keeps her somehow from succumbing, and she is plunged into an exciting adventure with a boyhood sweetheart which purges her and delivers her to his arms after a breathless train of events. Dallas Fitzgerald directed the excellent cast, which includes Carroll Nye, Bryant Washburn, Florence Turner, Forrest Stanley, and many others.

On the same program is Champion the newest dog star on the screen and he can readily be classed as one of the best of all canine stars. His stunts in his first picture entitled "The Sky Rider" will win him many friends and his coming to the Palace theatre today, will be hailed with delight.

Broadway Theatre.

Within five years from the advent of talking pictures American women will have the most charming voices in the world, believes Lee Patrick, popular Broadway stage actress who makes her film debut in Pathe's first all-dialogue picture, "Strange Cargo," which is now showing at the Broadway theatre.

"Everyone knows what motion pictures did to raise the standard of dress and personal grooming among the girls and women of America," Miss Patrick points out. "The village queen no longer dresses in ginghams, but in a crepe-backed satin replica of the frock her favorite movie star wore in a recent picture.

"A woman no longer begins to neglect her skin and hair the moment a husband is safely corralled. She has seen too many movies in which this has broken up a home. Then, too, she sees players who have been on the screen for years looking as youthful as when they first appeared. Milady knows it can be done, so she intelligently sets forth to see what will best serve her particular beauty problems.

"The same thing will result when talking pictures are given a widespread release. Every player is studying and striving to perfect her voice, and a high standard is bound to result. Women everywhere will hear well modulated, cultured tones, and those who have been addicted to strident speech and unmusical laughter will be inspired to tone their voices down."

In addition to this all-talking mystery play there are three very entertaining presentations, consisting of Ruth Etting, the Ziegfeld star in "Favorite Melodies", The famous Elinor Glyn in a short talk on What is It? and The Yankee Doodle Boy in Community Songs.

SPANISH ENGINEERS IN U. S. TO STUDY HIGHWAYS

LOS ANGELES (AP)—A $200,000,000 program to modernize the ancient highways of Spain has brought two Spanish engineers to America for a study of modern methods of concrete highway construction.

Following a survey of construction methods in Chicago, New York and Los Angeles, the engineers, Carlos Mendoza and Isidoro Fontana, said they would return to Spain to consult with his majesty, King Alphonso XIII, on initiating the proposed program.

"In carrying out a road-building project of such stupendous size," Mendoza said, "our government wants to make use of recognized American practices. Your roads are admittedly the best in the world, and for that reason we are concentrating our study here.

"Spain wishes to attract the American tourist and realizes that fine roads will help. The proposed project will consist chiefly of a system of trunk highways connecting the principal cities of Spain with Madrid."

WHEN A CHILD IS FEVERISH, CROSS, UPSET

Colic, gas, sour belching, frequent vomiting, feverishness, in babies and children, generally show food is souring in the little digestive tract.

When these symptoms appear, give Baby a teaspoonful of Phillips Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy. It will sweep the bowels free of all sour, indigestible food. It opens the bowels in constipation, colds, children's ailments. Children take it readily because it is palatable, pleasant-tasting.

Learn its many uses for mother and child. Write for the interesting book, "Useful Information." Address The Phillips Co., 117 Hudson St., New York, N. Y. It will be sent FREE.

In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Chas. H. Phillips Chemical Co., and its predecessor, Chas. H. Phillips, since 1875.

FAIR, WARMER TODAY; CLOUDY TOMORROW

Norwich Bulletin

1790 1929

NORWICH, CONN., TUESDAY, MARCH 19, 1929

FULL ASSOCIATED PRESS DISPATCHES

The Bulletin.

Norwich, Tuesday, March 19, 1929

THE WEATHER

Conditions

The northeastern disturbance has remained almost stationary over Newfoundland. And the Manitoba disturbance has moved east-southeastward to Ontario with a trough extending southwestward to Arizona where another disturbance is centered. Pressure is high over the Atlantic and Gulf states.

The indications are for mostly fair weather Tuesday in the Washington forecast district and for much cloudiness on Wednesday with probably showers in the lower Lake region. The temperature will rise Tuesday and it will fall Wednesday from the Ohio valley and the lower Lake region. The temperature will rise Tuesday and it will fall Wednesday from the Ohio valley and the lower Lake region eastward to the Atlantic coast.

Winds

Hatteras to Florida Straits: Moderate easterly winds except southerly over extreme north portion and fair weather except showers over extreme south portion Tuesday.

North of Sandy Hook: Fresh southwest winds and fair weather Tuesday.

Sandy Hook to Hatteras: Moderate to fresh southwest winds and fair weather Tuesday.

Forecast

For Southern New England, New Jersey, Delaware and Eastern Pennsylvania: Fair and warmer Tuesday; Wednesday mostly cloudy and colder.

Observations

The Bulletin's observations show the following changes in temperatures and barometric changes Monday:

	Ther.	Bar.
8 a. m.	30	29.70
12 m.	44	29.70
6 p. m.	35	29.60

Highest 45, lowest 28.

Comparisons

Predictions for Monday: Fair and warmer.

Monday's weather: As predicted.

SUN, MOON AND TIDES
(Standard Time)

Day	Sun Rises a. m.	Sun Sets p. m.	High Water a. m.	Moon p. m.
18	5.56	5.57	3.22	1.33
19	5.54	5.58	4.32	2.37
20	5.52	5.59	5.41	3.32
21	5.51	6.00	6.45	4.19
22	5.49	6.01	7.42	4.51
23	5.48	6.02	8.34	5.21
24	5.46	6.03	9.21	5.46

Six hours after high water it is low water, which is followed by flood tide.

TAFTVILLE

Taftville division A. O. H., held its monthly business meeting Sunday at Parish hall.

Mr. and Mrs. Allan Bogle of Providence street were in Westerly, R. I., on Monday to attend the funeral of a relative.

John F. Green of the Ponemah house spent the week end at his home in Fisherville, Mass.

There was an unusually large attendance at the subscription dance given Saturday evening under the auspices of the Lisbon Community club at the community hall in the new schoolhouse at Newent. The Colonial orchestra played for the dancing and E. E. Gilbert prompted for the old fashioned dances. The committee in charge served apple pie, ice cream and coffee.

Mr. and Mrs. Henry Gley and their daughter, Miss Hazel Gley of Mystic passed the week end with Mrs. Gley's parents, Mr. and Mrs. Adolph Meyer and family of Blissville.

Mr. and Mrs. Joseph Laramie of Plainfield were Sunday visitors at the home of Mr. and Mrs. Wilfred Smith of North B street.

At the weekly meeting of the members of the Young Peoples society of Christian Endeavor held Sunday evening in the vestry of the Taftville Congregational church, the leader was Miss Mary Greenhalgh and the topic discussed was "The Church—the Greatest Institution in the World." Prominent parts in the meeting were taken by Miss Gladys Kinder and Miss Edith L. Heap, and two violin solos were played by Henry Ladd, accompanied on the piano by Miss Heap.

Mr. and Mrs. E. W. Yerrington of South Second avenue, Mrs. William J. McNally of North Third avenue and Mrs. John Volkman of Maennerchor avenue have been recent visitors in New Bedford, Mass.

BEQUEST OF $1,000 FOR ST. MARY'S CHURCH

St. Mary's Roman Catholic corporation of this city has been bequeathed $1,000 by the late Mary W. Casey, in memory of her father and mother, the late John and Johanna Walsh, by her will which has been admitted to probate. Qualifying as executors of the will are two nieces, Margaret L. Daly and Alice E. Daly of this city and the appraisers appointed are Cornelius J. Downes and Andrew McLaughlin.

Other bequests include the sum of $200 to the Catholic Foreign Mission Society of America, Inc., of Maryknoll, N. Y., for use in its foreign missions. The residue of the estate is left to her husband, Thomas E. Casey and to Alice and Margaret Daly, nieces.

FOURTH CASE OF SMALLPOX HAS DEVELOPED IN CITY

There are now four cases of smallpox in the city. The fourth case developed Monday. The latest victim is Michael Dennis of No. 279 North Main street. Health Officer E. J. Brophy, M. D., said Monday evening that it is not definitely known just where Mr. Dennis contracted the disease.

One of the small pox patients who was unaware of his condition attended a picture show at the Broadway theatre a week ago Saturday evening. All persons who were at the theatre from 6.30 on that night, are advised by Health Officer Brophy to be vaccinated at the earliest possible moment.

Persons who have been exposed to the disease and have been quarantined are urged by the health officer to abide by these orders. In a statement Monday evening Dr. Brophy said that persons who attempt to defy quarantine orders will be punished to the full extent of the law. The maximum sentence for disobeying the order of a health officer is a fine of $500 six months imprisonment or both.

The other three victims are the two small children of Mr. and Mrs. Kurt Seifert of No. 459 Hamilton avenue, and Raymond Waters, 18, of No. 11 White court. It is thought that they contracted the disease while visiting in Lisbon. The health officer advises all persons to become vaccinated.

SECOND ANNUAL COLLEGE DAY AT ACADEMY

The second annual "College Information day" was held at the Norwich Free Academy Monday afternoon. Over 600 members of the three upper classes were called together at Slater hall at 12:30 for a general assembly where the 25 college representatives were introduced by Prof. Henry A. Tirrell. The representatives of the University of Pennsylvania; University of Maine; Carnegie Tech and Connecticut College for Women spoke to the assembly in the interest of further education beyond high school.

Following this period the college representatives were assigned rooms in the Academy building, where students were free to gather such information as they might desire regarding any particular college as to requirements, opportunities, etc. No one obligated himself in any way by asking questions.

The idea behind this project is to help students get a clear idea of what courses they should take in order to enter the college of their selection. Many students at graduation have plans all set to enter a certain college, only to find that they lack some certain credits.

The following colleges were represented: Albertus Magnus, Brown, Bates, Bay Path Institute, Boston university, Bryant-Stratton, Carnegie Institute of Technology, Connecticut Agricultural college, Dartmouth, Fordham, Holy Cross, Massachusetts Institute of Technology, Northeastern university, normal schools, Russell Sage, Rensselaer Institute of Technology, Skidmore college, Smith, Syracuse, University of Maine, University of Pennsylvania, Union, Yale, Wheaton, Middlebury, Trinity, Tufts, Clark, Connecticut College for Women.

The Hi-Y club sponsored this project, in cooperation with the Norwich Free Academy. The committee in charge consisted of: Bernard Wilder, chairman, William Agnew, Shepard Palmer, Hoyt Taylor, Sherman Barber, Gordon Cruikshank, and Frederick Fox.

MEMORIAL SERVICE FOR LATE INSURANCE HEAD

A memorial service for President Haley Fiske of the Metropolitan Insurance Co., whose death occurred recently, was held Monday afternoon at 2 o'clock at the company's local office in the Shannon building. The entire staff was present at the service which was presided over by Manager Frank R. Murdy. Similar services were held in every office of the company in this country and Canada.

Manager Murdy made the introductory remarks after which prayer was offered by Rev. J. Eldred Brown. Miss Mary Hamil then read the address which Vice President Frederick H. Ecker delivered at the memorial service of the officers and district managers held at the home office auditorium recently. In the memorial address the vice president said, in part:

An outstanding characteristic of President Haley was justice and equity. Do you know what he thought of you? Do you know his solicitude for every employe of this company? I know, I lived with him. It wasn't superficial; you were in his heart—all of you. We have set this day aside to pay our tribute to him.

SIXTY-FOUR COUNTY COWS ON THE HONOR ROLL

The monthly report of the New London County Herd Improvement association, announced Monday by County Agent Walter T. Clark, shows that of the 406 cows that were milking during February, 64 made honor roll requirements. The five high herds for the month follow:

Owner	No. of Cows	Av. Lbs. Milk	Av. Lbs. B. F.
Fred Abell	20	882.4	31.36
Thomas Wood	12	893.8	29.06
Avery Farms	40	756.4	27.18
Hugh MacKenzie	36	638.2	25.62
Reuben Manning	25	828.3	25.14

FINED FOR DRIVING WHILE UNDER INFLUENCE

Louis Belisle, of Poquonoc Bridge, charged with driving a motor vehicle while under the influence of liquor, was given a fine of $200 and costs, $100 remitted, when he was presented in the city court Monday morning. A sentence of 30 days was imposed upon the accused when he asked for a jail sentence, but he changed his mind on being taken to jail by Officer Patrick Murphy and the fine was then imposed. Belisle was arrested by Officer Henry Fenton Saturday night after it is alleged the Chevrolet touring car he was driving tipped over on the Norwich-New London highway near Uncas-on-Thames.

DRUNKEN DRIVING SUSPENSIONS CONTINUE TO INCREASE

There were more license suspensions in Connecticut in 1928 for the offense of "drunken driving" than in any previous year, the state motor vehicle department announced Monday. The new high total was 1,670. This is an increase from 1,615 in 1927, 1,356 in 1926 and 1,204 in 1925.

Suspensions because of fatal accidents have kept pace with the death rate from motor vehicles. There were 339 in 1925, 329 in 1926, 315 in 1927 and 443 in 1928. Overloads on trucks resulted in 236 suspensions last year. This practice is decreasing, apparently as there were 347 suspensions for the offense in 1925, 245 in 1926, and 206 in 1927.

To Attend Hartford Meeting

County Agent Walter T. Clarke of the New London county farm bureau will attend a meeting of the county agents today (Tuesday) at the Hartford Y. M. C. A. Director Ellis of the extension department, at Storrs and Prof. A. R. Merrill, dairy specialist are to be the speakers. The purpose of the meeting is to draw up a dairy programme for the summer and fall.

Approximately 5,000 officers and men and fifty-five vessels of the United States navy are at present in Chinese and Philippine waters.

AUTO DRIVERS' HEARINGS HELD HERE MONDAY

At hearings held in this city Monday morning by Inspector Philip E. Deyney of the motor vehicle department automobile cases were disposed of as follows:

Nelson D. Theroux of No. 51 14th street, license revoked, because of physical disability.

Edmond D. Driscoll, No. 123 Golden street, operating under influence, reinstated.

Bert Shorey, 4 Hill street, Jewett City, operating under influence; to consider limited license.

Herbert L. Tracey, Plainfield, evading responsibility and fatal accident, decision reserved.

Fred H. Lampson, 171 Winthrop avenue, New Haven, operating under influence; officers testimony taken.

Aime J. Lacroix, scheduled to appear for reinstatement of license, was unable to do so as he is a patient at the W. W. Backus hospital.

TALK ON TEXTILES AT CONTACT CLUB MEETING

Charles J. Twist of this city, secretary of the Manufacturers association, gave an interesting talk on "Textiles and Their Manufacture" at the weekly luncheon meeting of the Norwich Contact club Wednesday noon at the Wauregan hotel. The speaker outlined the various steps taken in the manufacture of cotton from the time it leaves the fields until it becomes a finished product. Mr. Twist was given a rising vote of thanks for his instructive talk. The meeting was in charge of the president Ernest O. Rodier and F. Russell Smith acted as songleader, C. E. Fitch presiding at the piano.

ORDERED TO ISOLATION WARD AT HOSPITAL

Lucius Yerrington, 26, of No. 6 Carter avenue, charged with violation of orders of Health Officer Dr. E. J. Brophy, was ordered to be confined in the isolation ward of the W. W. Backus hospital for three weeks under guard. The accused had been exposed to small pox cases on Hamilton avenue and was ordered confined to his home for three weeks by Health Officer Brophy. Disregarding the doctor's orders Yerrington left the house and visited at Lantern Hill, later being arrested by State Police Officer Arthur Whitmarsh. The maximum penalty for violation of health officer's orders is a $600 fine or six months in jail or both.

FORTY LOCAL PEOPLE ARE UNDER QUARANTINE

Finding that persons exposed to small pox cases had mingled with them Dr. E. J. Brophy, city health officer, had the men working on the construction of the new Uncas-Merchants bank building on Shetucket street and the employes of the Atlantic Carton Co., Greeneville, vaccinated Monday. He also placed the exposed persons under quarantine. Having been exposed to the three cases in the city 40 persons are now confined to their home.

SUDDEN DEATH OF MRS. MERTON C. ANDREWS

(Special to The Bulletin)

WILLIMANTIC, March 18—Mrs. Merton C. Andrews, 40, a witness at the inquest into the murder of County Detective W. E. Jackson, died at her home at The Ridges at 11:30 o'clock tonight. She had been ill for the past week with a severe attack of tonsilitis which developed into abscesses of both ears, resulting in a poisoning of the system. Dr. Clarence Simonds attended the woman about 9 o'clock and, according to Mrs. Andrews' mother, she was unconscious at that time. She leaves her husband, father, Mrs. Nellie Porter Brown, and three children, Arlene, Lucille and Althea. She was born in Andover Sept. 13, 1888, the daughter of Arthur C. and Nellie Porter Brown.

Home Demonstration Meetings

Miss Ruth Russell, home demonstration agent of the New London county farm bureau, announced Monday that three demonstration meetings will be held this week. A food demonstration will be held Tuesday with Mrs. A. H. Beebe at Leffingwell. Thursday there will be a demonstration of weaving rugs on the loom, with Everett Rogers, Norwich Town and on Friday there will be a food meeting with Mrs. A. H. Brown at Jewett City.

County Club Meetings

Several 4-H club meetings are scheduled for this week in towns throughout the county. The Lebanon Dairy club held a meeting in that town Monday evening. Other meetings will be held as follows:

Tuesday evening, meeting of the Colchester Dairy club; Wednesday afternoon, Voluntown Poultry club; evening, Preston Poultry club; Thursday evening, Waterford Dairy club.

GAVE ADDRESS AT MENS' CLUB MEETING

James L. Case, of this city, gave an interesting talk Monday evening at the monthly meeting of the men's club of Park Congregational church at the Hugh Henry Osgood Memorial parish building. The meeting was preceded by a delicious supper at 6:30 o'clock served under the direction of William A. Lund, chairman of the supper committee. The menu was: Grape fruit, bashed potato, mashed turnip, meat loaf, cabbage salad, cranberry sauce, chocolate eclaires.

The business session was convened following the supper with the president, Lyle H. Fillmore, in the chair. The secretary's and treasurer's reports were presented and approved.

In his address, Mr. Case spoke of the benefits of fire insurance. He compared the insurance business as practiced over 40 years. From fire insurance Mr. Case went to life insurance and in detail explained to his audience that phase of the business.

In speaking of the needs of Norwich the speaker emphasized the matter of civic pride. He told of what has been done in Portland, Me., in the way of attracting tourists to that city.

At the conclusion of his address, Mr. Case was warmly applauded. Brief remarks were made by Rev. Samuel H. Howe, D. D., pastor emeritus of Park church. Rev. Dr. Howe stated that he has carried life insurance for 61 years and remarked upon the courteous treatment he has received from insurance agents.

TWENTY-FOUR TABLES AT WHIST AND PINOCHLE

A whist and pinochle was held Monday evening at the Elizabeth street school under the auspices of the West End Community association. Twenty-four tables were in play, the prizes being awarded as follows.

Pinochle—Men: First, Mr. Morse; second, C. E. Simpson; consolation, Harold Reardon. Women: First, Mrs. Earl Christman; second, Mrs. Herring; and consolation, Mrs. Foley.

Whist—Men: First, Mrs. E. Carey; second, Howard Smith; consolation, L. Patridge. Women: First, Mrs. H. Corning; second, Mrs. Hollowell; consolation, M. J. King. The special prize was awarded to Mrs. H. B. Davenport. Refreshments were served following play.

CHILD'S ANKLE INJURED IN AUTOMOBILE ACCIDENT

Catherine Gribbin, 10, of Fitchville, received an injured ankle late Monday afternoon, when she was knocked down by an automobile in this city. The child was taken to the W. W. Backus hospital, where she was attended by Dr. Wener.

St. Patrick's Bridge Party

An enjoyable St. Patrick's bridge was given by Mrs. Robert J. Carson at her apartment at the Norwich state hospital Saturday afternoon. Among those present were Mrs. E. S. Burdsall, Mrs. J. Eldred Brown, Mrs. V. T. Carr, Mrs. Charles Gilbert, Dr. Martha Vol Tretter, Mrs. Charles Olison, Mrs. James Moyee and Mrs. Edgar Rowland. Three attractive prizes were won by Dr. Vol-Tretter, Mrs. Rowland and Mrs. Burdsall following which delightful refreshments were served by the hostess.

SECOND NIGHT IN VETS' PINOCHLE TOURNEY

The third night in the pinochle tournament being conducted by the Polish-Americans Veterans was held Monday evening at Pulaski hall. The individual prizes were won as follows: Women: First, Mrs. W. Pianko, 7,770; second, Mrs. Clifford, 7,370; third, Mrs. Scott, 7,280. Gentlemen: First, Mr. Liberty, 7,900; second, Mr. Shelly, 7,480; third, Mr. Protrowski, 7,470.

GIVEN SUSPENDED JAIL SENTENCE FOR THEFT

Victor Yurosuack, 30, of New York, was arrested at 1 o'clock Monday afternoon by Officer Daniel O'Neil on the charge of theft. His arrest followed information received that he had sold a gold watch stolen from No. 114 Thames street Sunday. Monday morning in city court Yurosuack was given a 30 days suspended jail sentence on the charge of theft.

MAGNON BOUND OVER TO SUPERIOR COURT

Presented in the city court Monday morning on a serious charge against his 14 years old step-daughter, Joseph Magnon, 30, of Taftville, was bound over to the next criminal term of the superior court. Magnon was taken to jail to await trial.

Two Auto Cases Nolled

In the city court Monday morning Charles W. Davis of No. 170 Broadway and Albert E. Carpenter of West Main street, charged with illegal operation of motor vehicles, had their cases nolled on the payment of $5 each. Carpenter was arrested Sunday for driving his machine without having secured a 1929 operators license, while Davis was arrested for operating a Connecticut machine with a Massachusetts license.

Supposed Brush Fire

At 7.09 o'clock Monday evening the fire department received a telephone call from police headquarters that there was a brush fire in the rear of No 5 North Main street. Arriving there Squad A and Acting Deputy Chief Dennis Brennan found Ernest C. Myers burning rubbish and leaves in his yard.

ROOF FIRE ON NORTH MAIN STREET HOME

Fire broke out at 11.45 o'clock Monday morning on the roof of the three story frame dwelling at No. 54 North Main street, calling out Squad A, Engine 2, Acting Chief Henry R. Taft and Acting Deputy Chief Dennis J. Brennan. The blaze started from sparks from the chimney, igniting the shingles and three gallons of chemical were used. The building is owned by Carlo DePucchio and occupied by Peter Maliess.

Called For Auto Fire

The fire department received a call at 8.39 o'clock Saturday evening for a fire in an Essex coach owned by Albert Herdman of Willimantic in front of No. 138 Water street. The blaze believed to have been caused from a cigarett was in the upholstery in the rear seat. Three gallons of chemical were used to squelch the blaze, which resulted in little damage. Engine No. 1, Squad, Acting Chief Henry R. Taft and Acting Deputy Chief Dennis Brennan, responded.

Discharged From Hospital

Patients discharged from the W. W. Backus hospital Monday were Charles Tetreault, Norwich, Mrs. Fannie Allen, Hanover and Mary Gravelin, Occum.

Mary Margaret Rollinson

The funeral of Mary Margaret, infant daughter of Mr. and Mrs. Earl Rollinson, took place from the Shea & Burke funeral parlors at 11 o'clock Monday morning. Burial was in the family plot in St. Mary's cemetery. The child died after a week's illness.

Appraise Estate at $40,000

An estate of $40,254.43 is left by the late Mrs. Henry L. Bennett, of Williams street, according to an inventory and appraisal which has been filed with Judge Nelson J. Ayling in probate court. The appraisal was filed by the Thames National bank through its trust officer, George R. Fellows, as executor.

SHORT TALK BY A THOUGHTFUL MOTHER

An Indiana mother tells this: "We find nothing to compare with Foley's Honey and Tar Compound for coughs and colds. My little lad had trouble with his bronchial tubes from his third year, but since we started giving him Foley's Honey and Tar Compound we have been able to control it. We know there is nothing to compare with Foley's Honey and Tar Compound." The very name tells a story. Good also for croup (spasmodic) and troublesome night coughs. Ask for it. Sold everywhere.

VIGOROUS ARGUMENTS BY TRENOR A. RICE COUNSEL

Attorneys King and Harvey Described to the Legislative Judiciary Committee Obstacles Encountered in Their Efforts to Obtain the Two "Confession" Letters Left by Mrs. Jackson, Widow of the Murdered Detective, When She Committed Suicide—Were Speaking in Favor of Bill Making Confessions by a Person Other Than Defendant Admissible as Defense Evidence in a Murder Trial—There Was No Opposition to the Bill—Committee Voted Not to Make a Report on the Bill.

STATE CAPITOL, HARTFORD, March 19—(AP)—The difficulties which the counsel for Deputy Sheriff Trenor A. Rice, accused slayer of County Detective William E. Jackson, of Willimantic, had facing them in their efforts to obtain what they consider the most valuable defense evidence, the two "confession" letters left by Mrs. Gertrude B. Jackson, widow of the murdered detective, when she committed suicide, were described to the judiciary committee of the general assembly this afternoon.

Rice's counsel, former Attorney-General William A. King and Samuel B. Harvey, had come here to speak on behalf of their bill making confessions by a person other than the defendant admissible as defense evidence in a murder trial and making mandatory the disclosure to the defense counsel of the contents of such confessions by state officials into whose possession they have come.

Without specifically naming or describing the case in which he is now interested, and following a policy of arguing on hypotheses, Mr. King said that not only had he found it impossible to get the contents of the letters by appeal to Coroner Arthur G. Bill, but also, whenever he made an attempt to gain evidence valuable to him, state's Attorney Bradford "stood in the way."

"I am told that I must wait until the inquest into the murdered man's death is complete before I get the letters," he said. "But when will that inquest be complete? Nobody knows. The law prescribes that such letters, no matter whom they were addressed to, shall go into the hands of the deceased's administrator—in fact, I find that anybody but I am entitled to them."

The letters of which Mr. King spoke never have actually been made public. One of them, said to have been addressed to Mr. King, he declared "never was revealed to me, and I know of it only through the press, and so adequate the press may be, it still does not give me the information I need or desire."

Coroner Bill has said he was directed by State's Attorney Bradford and Chief Investigator Hickey not to reveal the contents or deliver the letters to Rice's counsel.

Mr. King declared he could take advantage of mandamus action to get the letters, and cited a case wherein an attorney won such an action against the superior court clerk of Tolland county in 1888, after the latter refused to make public a coroner's report of a death, this report containing evidence beneficial to the defense.

Mr. King deplored the loss of time entailed by mandamus proceedings, saying: "My client would be tried before the mandamus."

He went on:

"A man ought not to be tried for murder without the benefit of conclusive evidence or testimony that he didn't commit the homicide. By law, of course, such evidence as confession letters is regarded as hearsay, and it was easily he said we musn't depart from old views of criminal cases. But this rule of refusing admission of such evidence, and it has happened in many cases, is archaic, and by adherence to it you may be sacrificing a man's life.

"There was a time when an accused couldn't testify, but that barbarity is gone. Then, when the time came when he could testify, but didn't, comment on that fact was not allowed in court; but I understand you have a bill before you now changing that, too.

"To the ordinary layman, a suicide accompanied by a confession is prima facie evidence of guilt. The layman cannot understand why a confession, under such circumstances, could not be admitted as evidence on behalf of the person accused of the crime. But we lawyers know why.

"The layman might say, 'What difference is there if the confession is not admitted? Everybody knows of it.' That is just what we lawyers don't know. It's only on evidence that a jury can hang in a verdict."

Mr. King, after citing cases where there was need by the defense for the admission of testimony, based on actions or confessions of a third party, and where such testimony was not allowed, recalled a United States supreme court case, wherein a minority view, signed by Chief Justice Hughes, and Justices Holmes and Lerton, held that confessions should be admitted if they could be proved true. Mr. King went into the legal aspect of the situation at great length.

After declining to speak of the "archaic law" as a "barbarism," a term used by an authority quoted by Mr. Harvey in his speech, Mr. King said: "I don't like to speak that way. Lawyers don't want to think of the law as barbarous. They want to think of it as justice, but in a case like this, when a man is on trial for his life and there is evidence that is valuable to him, then it is barbarous."

Mr. Harvey had preceded Mr. King in the discussion before the committee.

After pointing out that confession letters are not now admissible as evidence in murder trials, he called attention to various Connecticut and other cases, including the one commenced on by Mr. King.

"In a murder trial, it is not simply a proposition whether a man charged with the crime is guilty or not guilty, but the question is, 'Who committed the crime?'" he said. He quoted John Henry Wigmore, a noted authority on "Evidence," as saying the refusal by the courts to admit as evidence confessions of a third party "is shocking to the sense of justice." This authority was quoted as saying the French court in which the Dreyfus treason case was tried acted in a "more humane manner" than an American court would have, by admitting as evidence the confession of the fugitive Major Esterhazy.

Mr. Harvey declared in civil cases evidence of a similar nature as confessions, such as statements of a person killed in an accident concerning his pecuniary or proprietory interests, may be admitted, and declared confessions were more important in a murder trial than such evidence.

"As a matter of fact, a confession in a murder trial, when made by a third party, may be looked upon as of a pecuniary nature, since the party who has confessed or his estate may be subject to a damage suit," he said.

Mr. Harvey pointed out that in a murder case, where two have confessed, and one is arrested and the other has committed suicide, only the confession of the one on trial can be admitted as evidence, whereas that of the suicide cannot.

"Our contention is that one confession is as good as another," he said. He explained the bill he and Mr. King drew up as making such confessions valid only when deemed authentic by the judge and only if the persons making such confessions are proved dead at the time of the trial.

The second section, relating to a problem which Mr. Harvey admitted annoyed both himself and his counsel, namely, the futile attempts to find out the contents of the two letters left by Mrs. Jackson, reads:

"When any such confession is in the custody or control of any public official, a judge of the superior court may, on the written application of the accused or his attorney, make such order as may to such judge seem reasonable to the effect that the accused or his attorney may be put in possession of the contents of such confession a reasonable time before the date of trial."

The bill would become effective on its passage, as Mr. Kin and Mr. Harvey desired it admittedly for the purpose of assisting them in the Jackson case and Rice trial.

There was no opposition to the bill.

In executive session this afternoon the committee voted not to make a report on the bill, the equivalent of an unfavorable report, as the proposed law was offered with the hope that it would be presented to the legislature as a committee bill in the event the committee favored it.

PRIVATE CONVERSATIONS BY REPARATIONS COMMITTEE

PARIS, March 19—(AP)—With Owen D. Young as a sort of director of negotiations, leading members of the reparations expert committee are making an effort in private conversations to arrive at some understanding regarding the amounts and number of reparations annuities before Thursday when Dr. Hjalmar Schacht leaves to attend a meeting of the directors of the Reichsbank.

The French viewpoint has been put before Mr. Young as chairman and it is understood that Dr. Schacht also has talked with him concerning Germany's capacity to pay.

There is little expectation that a definite agreement may be reached this week, but it is hoped that the different viewpoints may be brought near enough together to justify concessions by both sides making an agreement possible.

The French, it is said on good authority, are ready to make what they feel an important sacrifice in order to obtain a settlement that will comprise commercialization of a sufficient part of the debt to enable them to raise a considerable amount of their reconstruction bonds and reduce their budget.

Premier Poincare would like to reduce the interest charge 2,500,000,000 francs (approximately $100,000,000). Thus making it easy to balance the budget while releasing certain classes of citizens from part of burden some taxation.

N. Y. POLICEMAN WAS KILLED WHILE WITH BOOTLEGGERS

NEW YORK, March 19—(AP)—The story of another bootleg gang war has been written in blood by blazing guns, but the last chapter, the one that explains everything, is missing.

Chief among the mysteries is the part played in the shooting by Policeman Dan Maloney, who died with one smoking pistol in his fist, another in his belt and two more in his pockets He also had a box of cartridges to fit a sawed-off shotgun picked up hot from the street after the smoke cleared.

"Is it possible," reporters asked Police Commissioner Whalen, "that Maloney was a gun carrier, a walking arsenal, for one of these gangs?"

"As to that," said the commissioner, "you must draw your own conclusions. He was certainly not doing police duty and he certainly had no police reason for carrying so many guns."

TO RELIEVE WARDEN SNOOK OF DUTY AT ONCE

WASHINGTON, March 19—(AP)—John W. Snook, who resigned as warden of the Atlanta federal penitentiary effective April 1, at the request of the department of justice, will be relieved of duty at once, Attorney General Mitchell, in making this announcement, today said that Deputy Warden Arthur C. Aderhold would be placed in charge until a warden is selected.

Mr. Mitchell at the same time made public the correspondence with Snook, showing the warden's resignation had been demanded in a two line letter written by Mrs. Mabel Walker Willebrandt, assistant attorney general in charge of prisons, and approved by the attorney general on March 7.

CABLED PARAGRAPHS

MANCHESTER, England, March 19—(AP)—World trade now lies under the shadow of the worst financial crisis in history. Such was the gloomy prediction of Sir George Paish, prominent British economist, before the national free-trade conference here today.

TIRANA, Albania, March 19—(AP)—Reports of 1,000 deaths at Scutari from a mysterious form of influenza accompanied by symptoms of cholera, apparently similar to what is known in the United States as intestinal influenza, are causing alarm here.

OSLO, Norway, March 19—(AP)—Citizens of Oslo today took their new princess from Sweden to their hearts. The probable future queen of Norway, for Princess Martha is to marry Crown Prince Olaf on Thursday, could find no possible cause for complaint in the heartiness of her welcome.

DEATH IN DRINKING BOUT IN OUTSKIRTS OF BOSTON

BOSTON, March 19—(AP)—Death came unnoticed to an outdoor drinking bout held on the outskirts of the city today. Police, called to the scene of the revel, found four men gathered about a jug and a bottle, both containing wood alcohol. Apart from the quartet lay the body of Daniel F. Thiry, 42. He is said to have relatives in Canton, Mass.

Thiry's death had been ignored or unnoticed by his companions who, police say were engaged in "cooking" the alcohol to render it drinkable.

Thiry's four companions were so seriously under the influence of the liquor that they could give no information regarding his death. They were held at police headquarters, where after an examination, Medical Referee S. D. Davis said they apparently would escape serious consequences.

According to the police, four of the men slept at the police station last night, having applied there for lodging. They were regarded by the police as vagabonds.

SENTENCED THIRD BAND OF "PROFESSIONAL BURGLARS"

BRIDGEPORT, March 19—(AP)—Judge Alfred C. Baldwin ended the February term of the criminal superior court here this afternoon, when he passed sentence upon the third of a band of "professional burglars," who according to the state were the cause of some thirty or more burglaries in and about Bridgeport in the past year.

The judge indefinitely recessed the court after imposing a three to 12 year state's prison sentence on Isidore Belinski, 25, of this city when he entered a plea of guilty to three counts of burglary.

The other members of the band to face the court today were: Daniel Petrino, 20, sentenced to serve six years in Cheshire reformatory and Leslie Fishelberg, 21, sentenced to a year in jail.

STUDIED THE RAVAGES OF RADIUM POISONING

WATERBURY, March 19—(AP)—Ravages of radium poisoning were studied when Dr. Ada Walker, pathologist at the Waterbury hospital performed an autopsy this afternoon on the body of Mrs. William Cardow, who died in the hospital early this morning of radium poisoning.

Physicians found that part of the jaw bone, part of the skull, and part of the bone in the upper right thigh had begun to decay. Two teeth were out and two others were loose and ready to fall out. The marrow in the bones was pale instead of red and the skin and internal organs showed a lemon color, indicating that the patient was extremely anemic. The brains, heart, lungs and internal organs all appeared to be in good condition, it was stated, and death is believed to have been caused by the extremely anemic condition due in turn to the process of the radium poisoning.

HEARING THURSDAY ON TRAFFIC REGULATIONS

HARTFORD, March 19—(AP)—Police departments in all but the small towns of the state would have the entire authority to make traffic regulations, under the provisions of a tentative uniform traffic law for Connecticut for which a hearing has been set for Thursday afternoon in the state capitol by the motor vehicles committee of the legislature.

The bill, prepared by representatives of the police chiefs of the cities and the legislative committee, defines "traffic authority," as the board of police commissioners of any city, town or borough, or the chief of police, superintendent of police, or similar officials in towns having police commissioners, or the board of selectmen in any town in which there is no city or borough with a regularly appointed police force of ten or more men.

CALVIN COOLIDGE TO VISIT NEW YORK TODAY

NEW YORK, March 19—(AP)—Former President Calvin Coolidge has made preparations to visit this city tomorrow on an unexplained errand, it was learned tonight. It will be his first departure from his home city of Northampton, Mass., since he arrived there on March 5 after the inauguration of President Hoover.

Mr. Coolidge took pains to conceal news of his departure and no information could be obtained as to the object of his visit here, although it was believed his trip was to be of a business nature.

He had arranged to leave Northampton at 3:10 p. m. on a train due in New York at 7:40 p. m.

CLAIMS SAVING TO PEOPLE OF STATE OF $1,000,000 A YEAR

HARTFORD, March 19—(AP)—A saving to the people of the state of $1,000,000 a year as the result of the activity of the state government before the interstate commerce commission for lower freight rates to Connecticut on coal, was claimed this afternoon by ex-Senator Edward W. Goss, of Waterbury, who has been the governor's special representative in this field for the last seven years. Mr. Goss appeared before the appropriations committee of the legislature to urge favorable action on a bill to appropriate $35,000 to be expended by the attorney-general under the direction of the governor to continuing the contest for lower fuel freight rates.

AMERICAN KIDNAPED BY MEXICAN BANDITS

MEXICO CITY, March 19—(AP)—Private advices, received here today and transmitted to the American embassy stated that an American named Edward Karlin had been kidnaped by bandits last night at La Noria mine, in the state of Zecastas. He was presumably being held for ransom.

Torreon In Control Of Mexican Federals

A Wide Stretch of Desert Now Separates the Federal and Rebel Forces.

By the Associated Press

Federal troops are now fairly well established in Torreon, until Monday headquarters of the Mexican revolution, without having paid the price of the decisive battle expected there. A wide stretch of desert in which railroad tracks have been destroyed, now separates the hostile armies.

From their new stronghold at Escalon, state of Chihuahua, rebel leaders announce that they are ready finally to take the offensive against the federals.

Evacuation of Torreon was described by General Escobar, rebel commander-in-chief as a strategic movement forming part of an eventual attack against the Calles forces in which rebel forces in states further south were to co-operate.

Escalon, new headquarters of the main rebel army, is in a strong natural position, offering the only water supplies for miles around.

Announcement of a rebel offensive supplemented denials from prominent rebel leaders in the north that peace negotiations with the federals had been undertaken.

American officials in Washington estimated that General Calles had 18,000 men in his army against six thousand under Escobar.

Agua Prieta, Sopora, on the American border, has been evacuated by rebel Indians under General Yucupicio, who led his men in an unknown direction. Federals thought it was towards Pulpito pass, the only pass from Chihuahua to Sonora through the Sierra Madre mountains, by which General Escobar might assure his retreat from Escalon.

The American government will continue to let rebels use American soil as a sanctuary.

Three planes flown by federal aviators quit New York city for the border where ammunition and bomb racks will be taken aboard. They were guided by an American army aviator.

BODY OF FLOYD COLLINS FOUND IN BURLAP SACK

HORSE CAVE, Ky., March 19—(AP)—The body of Floyd Collins, stolen from its metal and glass casket in Crystal Cave, where it was on exhibition, was found tied in a burlap sack about 400 yards from the cave here this afternoon.

Bloodhounds led searchers, who included the sheriffs of three counties, to the body. No motive for the theft could be advanced by the sheriffs. According to advices received by the county attorney, the body either had disintegrated or had been mutilated.

The 17-day battle to save the life of Floyd Collins when he was trapped while exploring Sand Cave stirred the nation in 1925. Relief workers battled furiously to reach the imprisoned man but before they could release him Collins died.

Recently the body was put on exhibition in Crystal Cave. When attendants reported this morning they noticed that a chain barring the door had been sawed. Inside they found the casket had been opened and the body removed.

EMIL L. G. HOHENTHAL LEFT $57,422.86 ESTATE

MANCHESTER, Conn., March 19—Although appearing on the grand list as having property valued at $9,000, Emil L. G. Hohenthal, international prohibition worker and head of the Sons of Temperance of North America who died in Indianapolis last year left an estate filed in probate court today amounting to $57,422.86.

Real estate property was valued at $14,000, cash in savings banks $5,500 and the remainder in stocks and bonds. He left no will and the estate will be divided among his three sons.

MISSIONARY SISTERS DIED OF POISONING IN LUZON

MANILA, March 19—(AP)—Two Episcopalian missionary sisters, Bridget and Felicitas, both of Peekskill, N. Y., died today of poisoning at Bontoc, Mountain province, Island of Luzon.

The cook baked bread, using an insect powder instead of flour. Two native women, who also ate the bread were poisoned, but recovered.

Favor Improvement Of The Gravel Roads

Only Five Speakers Expressed Opposition at Legislative Committee Hearing.

HARTFORD, March 19—(AP)—Confronted with a petition signed by 178 of the 262 state representatives, proponents of a state appropriation of $1,000,000 for improvement of gravel roads in the small towns during the next two years entered a vigorous appeal at a hearing before the roads, rivers, and bridges committee of the legislature at a hearing in the hall of the house of representatives this afternoon.

Opposition to the bill was expressed by only five speakers, whereas approximately 20 voiced approval during the time allotted to the proponents by Senator Chelso L. Arrigoni, senate chairman of the committee. Of the former group, a partial reason for opposition advanced by two of the speakers was that more money should be appropriated.

Such was the apparent strength of the forces which had been marshaled for the hearing by adherents of gravel road improvement that after a rising vote called by Secretary of the State Dr. William L. Higgins had seemed momentarily to show unanimous approval of the more than 200 persons present, Dr. Higgins asked, "Where is your opposition? I move we adjourn."

Opening the arguments for proponents of the appropriation, Dr. Higgins said that an agreement had been reached whereby all but one of the several bills providing for state aid had been withdrawn. The single remaining bill, regarded as having the most merit, would have the state appropriate $1,000,000 from the motor vehicle funds for the next two years, with town selectmen empowered to name the roads they wished improved. In addition to the state fund, 25 per cent would have to be paid by the towns, and each town would be limited to a grant of $6,000.

"This question has been talked about for the last two years," he said, "and nothing has been done about it. But now the state trunk line system of highways has been practically completed. After all these years of watching and waiting we come before you."

The small towns, according to Dr. Higgins, a resident of Coventry, are advocating no new policy. State aid has been given to teachers and nurses in the rural districts, and to farmers associations and the Connecticut Agricultural college.

"By failing to improve these roads, you have bottled up from 10 to 15 per cent of the output of the small towns," he declared. "Why pay out money for schools when children can't get to them? Physicians and nurses often cannot reach their patients in the spring period. The time is ripe for the state to adopt a policy of state aid for the rural roads.

"I do not wish to bring politics into this discussion," he continued. "The question should be decided on its merits alone. But the people of the country towns are becoming uneasy and disquieted as the result of their neglect."

Dr. Higgins repeated his assertion, often made, that the small towns do not desire "silk hat" roads. "If this bill passes," he concluded, "you will find that it is not a noble experiment, but a howling success."

FIRST SENTENCE IN N. Y. UNDER THE JONES LAW

NEW YORK, March 19—(AP)—Ernest Dougall, a wartime lieutenant of infantry, was given three months in the federal house of detention today in the first sentence in this district under the Jones law, which makes violations of the Volstead act a felony punishable by a maximum of five years in prison and a $10,000 fine.

The sentence was imposed by Federal Judge Frank Coleman, noted for his leniency in liquor cases before the Jones law was signed by the president.

Dougall, one of three men indicted yesterday, pleaded guilty to selling four drinks of liquor in Silver's Inn.

MOTORIST MISTOOK R. R. TRACKS FOR A STREET

NEWPORT, R. I., March 19—(AP)—John Sargent of Newport, was slightly injured and his automobile truck demolished in a peculiar accident here tonight. Sargent mistook the New York, New Haven and Hartford railroad tracks for a street and drove on the tracks until he met a Newport bound train.

MATTERS OF INTEREST IN LEGISLATURE

(Special to The Bulletin)

HARTFORD, March 19—Among the matters taken from the calendar and passed today was the bill increasing the salaries of town court of Killingly. The bill provides that "The salary of the judge and clerk of the town court of Killingly shall be nine hundred dollars per annum for his services as judge of said court and three hundred dollars per annum for his services as clerk of said court; the salary of the deputy judge shall be one hundred dollars per annum; the salary of the prosecuting attorney shall be nine hundred dollars per annum and the salary of the assistant prosecuting attorney shall be one hundred dollars per annum."

Another bill that is sure to attract attention is the one relating to tub butter. Heretofore the stamping has only been required of oleomarrarine or butter substitutes. The bill is stringent and carries a stiff penalty for violation of its provisions. The bill is as follows:

Section 1. No person by himself, his agents or servants, shall sell, offer for sale or have in his possession with intent to sell, butter known as "tub butter" which is pressed or printed into what is known as bricks, pats or balls, except under the following conditions: Each such brick, pat or ball, shall be placed in a wrapper or carton and such wrapper or carton shall have the words "tub butter" printed thereon in one-half inch Roman letters. Any person violating any provision of this section shall be fined not more than one hundred dollars.

For the first time this session there was disagreeing action with the senate.

A bill concerning slaughterhouses that made changes in the manner of appeal from the orders of the town health boards brought opposition from Mr. Hungerford. After accepting one amendment to the bill and rejecting two others, the bill as amended was rejected.

Later House Leader Johnson gave notice that motion would be made on Wednesday for reconsideration of the bill on the calendar concerning liability in the transportation caused considerable discussion. The bill as passed provides:

Section 1. In any action brought by any person for personal injuries received while being transported to or from school in a vehicle owned, leased or hired by, or operated under contract with any town, school district or other municipality, it shall be no defense that such transportation is in the line of governmental duty.

Section 2. In any such action brought against any town, school district or other municipality, it shall be no defense that the transportation was being provided by an independent contractor.

Section 3. This act shall take effect from its passage.

The hearing before the judiciary was not largely attended. Attorneys William A. King and Samuel B. Harvey, of Willimantic, argued for the bill that, if passed, would allow the attorney for the defense in the Jackson case to gain a knowledge of the contents of the confessions made by Mrs. Jackson and which State's Attorney Bradford has refused to divulge. The bill provides:

An act concerning the admissibility of confessions:

Section 1. In all criminal cases where an accused person is on trial for a crime punishable by death or life imprisonment, any written confession of a person other than the accused, to the effect that such person making the confession committed the homicide for which the accused is on

(Continued on Page Nine)

BRIEF TELEGRAMS

Lucien Coy Esty, 30, author of "Ask Me Another" and several other books, died at New Haven hospital from pneumonia.

American Hardware corporation, New Britain, showed net profit, last year, of $2,556,102, comparing with $2,510,352 the previous year.

Rosa Ponselle, opera singer, was confined to her room in San Francisco by an attack of grip. Physicians said her condition was not serious.

A bench warrant for John J. Higgins, New Britain real estate agent, charged with extortion, was issued by Judge Isaac Wolfe in superior court in Hartford.

Charles Francis Adams, secretary of the navy, is of the opinion that the big aircraft carriers Lexington and Saratoga are valuable additions to the nation's sea forces.

The trial of William E. Egan, charged with conspiracy to defraud in connection with the Watkins brokerage manipulation, has been postponed from March 26 to April 2.

Aurelius S. Hinds, 84, retired toilet goods manufacturer, died aboard the steamer Samaria in the Mediterranean, according to word received by relatives in Portland, Me.

Directors of the newly organized Aeronautical Expositions corporation, a subsidiary of the Aeronautical Chamber of Commerce, elected F. B. Rentschler, Hartford, president.

An explosion and fire which destroyed two 40-gallon lacquer tanks in the Waters' River plant of the A. C. Lawrence Leather company caused $10,000 damage in Peabody, Mass.

Albert Ottinger, former attorney-general and the republican candidate for governor last year, was held up in front of this home at 23 West 75th street, New York, and robbed of $75.

Daniel Petrino, 20, of Bridgeport, was sentenced to six years in the Cheshire reformatory by Judge Alfred C. Baldwin in superior court, when he pleaded guilty to two counts of burglary.

Mayor James J. Walker, after conferring for several hours with several of the leaders of Tammany Hall, announced he had no candidate to succeed George W. Olvany as head of the organization.

Manufacturing concerns of Winsted are aroused over what they claim to be "unreasonable and unjustly discriminatory rates" charged patrons of the Winsted Gas company for both electricity and gas.

Fanned by high winds which whipped across the Woodbridge hills, the first forest fire of the season was yesterday threatening scores of homes in addition to the destruction of valuable timber land.

Expenses of the First company, Governor's Foot Guard, of Hartford, on the trip to the inauguration of President Hoover at Washington, exceeded by over $1,000 its quota under the $10,000 appropriation.

Police were inclined to believe that the death of Mrs. Janet Baker, 54-year-old widow of Colin M. Baker, whose charred body was found in her burned automobile in Audubon park, New Orleans, was an accident.

Frederick Vanderbilt Field, great-grandson of the late William H. Vanderbilt, obtained, in New York, a marriage license to wed Miss Elizabeth G. Brown, daughter of Mr. and Mrs. Herbert W. Brown, of Duluth, Minn.

Fifteen of the 35 district leaders of Tammany Hall met in New York and issued an ultimatum that a district leader must be selected to succeed to the post of leader left vacant by the resignation of George W. Olvany.

After an airplane race from New York to the bedside of her daughter, Mrs. H. L. Underhill, of Binghamton, N. Y., arrived in Tampa, Fla., to find the little girl was suffering from nothing more serious than a sore throat.

Capt. Philip Sebold, of the Newark police, announced after taking a statement from Lou Foote, pilot of the plane which crashed with a loss of 14 lives, that so far no evidence of criminal negligence has been found.

Construction of a memorial in St. Paul, Minn., to honor Frank B. Kellogg, secretary of state, for his work in connection with the treaty to outlaw war, was proposed at a meeting of representatives of local civic, welfare and social organizations.

Officers of the West Boston Gas company were charged with unnecessary doubling up of expenses during a hearing before the state commission of public utilities on a petition of consumers for a reduction in rates of the company.

Mrs. Marjorie Dumschott, of Naugatuck, is ill with radium poisoning, and Miss Elsie Kleinschmidt is believed to have developed symptoms of the same dread disease. Both were employed in a clock factory in Waterbury in the radium department.

Physicians, social workers and psychiatrists will be called into consultation by the newly formed Institute of Criminal Law at the Harvard Law school in an effort to discover some method of dealing with criminals that will produce more remedial results.

All Red Cross chapters in the country have been authorized to receive donations for rehabilitation work in the flood sections of Alabama, Georgia, Florida and Mississippi, but no national appeal for funds will be made.

Mrs. Bessie Thoman, of Philadelphia, whose body was found in a German forest, had been living in Germany for the last seven years. Her brother, Joseph Moss, a Philadelphia lawyer, said she married last October and was believed to have been living a happy life.

The second large Wall street bank merger of the year was announced yesterday with the official confirmation of the rumored combination of the Hanover National bank and the Central Union Trust company, forming an institution with resources of more than $670,000,000.

Thomas B. Slick, who once drove a mule team in the oil fields and in recent years has been known as the world's greatest individual oil operator, has sold his Mid-Continent holdings to the Prairie Oil & Gas company for a sum reported to be between $30,000,000 and $40,000,000.

WARNING OF FLOOD PERIL IN APALACHICOLA VALLEY

Flood Waters From Georgia and Alabama Are Sweeping Into Florida—Red Cross Agent Has Driven an Auto Through the Valley Cautioning Residents to Seek Higher Ground—Red Cross Workers Are Active in Florida, Alabama and Georgia—Food and Other Supplies Are Being Delivered by Airplane.

NEW YORK, March 19—(AP)—A modern Paul Revere in an automobile hurried through the Apalachicola valley in Florida today with warnings of the flood approaching from Georgia and Alabama, which has inundated towns and rich farming sections, made highways impassable and caused the death of more than a score of persons.

Edward H. Calvin, a Red Cross worker drove in an automobile from Bainbridge southward to beat the crest of the flood and urge inhabitants along the Apalachicola to seek safety on higher ground.

Already River Junction, Fla., at the confluence of the Chattahoochee and Flint rivers, had felt the force of the waters descending from its northern neighbors. Its business section and its part of residence were already under water and the river there was still rising. It stood at 34.3 feet this morning, a rise of 1.4 feet in the preceding 24 hours.

Fort Guines, Ala., on the Chattahoochee, had the highest waters in its history. The river was three miles wide. The city pumping station was under water, as was the ice and cold storage plant and the Southern Oil Cotton company. School children were transported to and from their classes in boats and mail was brought into the town by boat from Central of Georgia station at Killen, two miles away.

The Alabama river was over ten miles wide in places south of Selma, although the town itself was safe. The river makes a great horseshoe bend in this region and water was backed up for miles. The country generally is sparcely settled. The Alabama was falling at Montgomery.

Curfew law was invoked for the adult inhabitants of Elba and Geneva who started the work of rehabilitation after being driven from their homes by the inundation of last week. Under military control, residents with permits carrying provisions and water for 24 hours were permitted to enter for salvage and repair work. They must have been inoculated against typhoid fever and all were required to leave the town before sundown. Children were kept in the refugee camps while their elders were in their homes cleaning up and putting things in order against the time when they will return.

Food and other supplies were being delivered by aviators on a regular schedule to the south Alabama towns and the northwest Florida towns which were flood-awent. The planes were from the naval air station at Pensacola, where navy pilots arrived and departed as fast as their planes could be refueled and re-loaded.

Carrivile and Milligan, along the Yellow river in Florida, were hard hit. Only three houses were reported left in Milligan and they were damaged. The residents of both towns had been taken to places of refuge before the flood waters reached their heights.

Under the direction of the Red Cross succor and relief went forward systematically throughout the territory. While food and clothing were forwarded to the affected region, Red Cross chapters in Florida, Alabama and Georgia put on drives for contributions which met with quick responses.

Charles Smith, a Red Cross worker, had orders to go by boat down the Chattahoochee river to be sure that volunteer committees and local chapters were meeting emergency conditions.

The coast guard and public health service joined forces with the Red Cross and the army to further relief work in the flood district and to prevent further loss of life. Coast guard vessels were at the disposal of Red Cross workers.

A conference of the Alabama congressional delegation has been called by Gov. Bibb Graves to meet at Montgomery tomorrow to formulate plans fro securing a federal appropriation for the flood sufferers of South Alabama. It is planned to ask this of the special session of congress which meets April 15.

A survey of the stricken areas in Georgia, Florida, Alabama and Mississippi will be made by Henry M. Baker, director of national relief of the Red Cross. He will then determine the allocation of relief funds. He left Washington tonight for Montgomery where he will confer with Gov. Graves and H. B. Williamson, director of the relief headquarters.

President Hoover in Washington was given a supplemental report today by the Red Cross.

"DIPLOMATIC" LIQUOR IS WORRYING STATE DEPT.

WASHINGTON, March 19—(AP)—Officials of the state department found new worries over the question of diplomatic liquors today after it became known that several more shipments consigned to foreign missions in Washington are either on the high seas or at foreign docks awaiting shipment to Baltimore.

Equally troubled over the shipments the legations to which they are consigned wondered just what they must do to get the liquor into Washington from the port of entry. The legations, to get their liquors to the capital, may have to resort to the one means now recognized as not failing within the prohibitions against transportation under the dry laws—that of loading it themselves in Baltimore, hauling it to Washington in their own conveyances and unloading it themselves.

Ever since the Washington police seized a shipment of 60 cases of liquor consigned to the Siamese legation last week, private trucking companies which had previously transported the liquors for the legations have been careful not to accept any such contracts pending some decision in the case against the driver and his helper involved in the Siamese seizure.

TO PROVIDE FISHING FOR PRESIDENT HOOVER

WASHINGTON, March 19—(AP)—Provision is being made for President Hoover to spend his spare hours indulging in his favorite sport of angling.

Two fishing grounds, both within easy access of the national capital have been acquired through Lawrence Richey, Mr. Hoover's secretary, and it is expected that since congress may be in session well into the summer, the chief executive will be held in Washington and therefore find considerable use for the preserves in the next few months.

One of the preserves is near the head waters of the Rapidian river in the proposed Shenandoah national park. It includes some 18 miles of the stream, in which trout of several varieties are said to abound. The place is a three-hour ride from Washington.

Near Frederick, Md., much closer to the capital than the Rapidian river, Mr. Rickey has acquired as his own property a 1,500 acre estate which affords more than ten miles of streams in which the fishing also is reported as very good.

BILL FOR FLOOD CONTROL OF NAUGATUCK RIVER

HARTFORD, March 19—(AP)—The Naugatuck river, which, in November 1927, overflowed its banks with consequent damage to streets, houses and one church in Naugatuck was pictured to the appropriations committee of the legislature this afternoon as possessing potentialities for damage somewhat akin to those possessed by the Mississippi. Representative Harris Whittemore, who appeared in favor of a bill which would have the state appropriate $50,000 for flood control work in the form of a dike there, cited the Mississippi flood relief appropriations as a precedent, and told the committee "we want to ward against loss of life and disease."

NO AMERICAN PEACE DIPLOMATS IN MEXICO

WASHINGTON, March 19—(AP)—Secretary Kellogg announced today that the state department had not undertaken nor had it authorized any diplomatic agent in Mexico to undertake to arrange peace terms between the Mexican federals and revolutionary leaders.

PRAISE FOR ELIHU ROOT BY INTERNATIONALIST JURISTS

GENEVA, March 19—(AP)—Two fulsome titles were bestowed on Elihu Root as the commission of international jurists adjourned tonight after having arranged a method for adhesion by the United States to the world court and having revised the court statutes.

He was hailed as "the spiritual father of the world court" and as the "deus ex machina" who had unerringly led the nations out of the wilderness and pointed to a wise way of securing American collaboration with the great Hague tribunal of justice and peace.

Signor Dionisio Anzelotti of Italy, a judge of the world court, paid tribute to the veteran American statesman as the spiritual father of the court and as the man who in 1929 in framing the statutes of the court he solved the question of how to elect judges in a manner which would not wound the sensibilities of either great or small powers.

Referring to the protocol for American adhesion, Chairman W. J. Mastvan Eysinga of the Netherlands proclaimed the satisfaction felt that it was now possible to foresee the United States taking another [illegible] in international collaboration.

HELD ON SUSPICION OF MURDERING HIS FATHER

JANNOWITZ, Silesia, March 19—(AP)—Count Christian Friedrich Stolberg Wernigerode, 27-year-old scion of a wealthy family with ramifications with many European courts, was arrested today on suspicion of murdering his father, Count Eberhard.

The body of the older man was found late last night seated on a sofa with part of the head blown away by a bullet fired apparently from behind from a rifle taken from a nearby gun rack. The son had been alone with his father after the women of the house retired. He told police that he had been knocked unconscious in the corridor by unknown persons, of whim the police were unable to find any trace. His evidence became so conflicting that he was arrested although no motive has been discovered.

The victim was 56 years of age and the father of nine children of whom the youngest is only eight. The affair has caused a sensation in the countryside because of the prominence of the family and the personal local popularity of the dead count.

TILSON READY TO ORGANIZE HOUSE CENSUS COMMITTEE

WASHINGTON, March 19—(AP)—Representative Tilson, Connecticut, house republican leader, said today the house census committee would be organized if necessary at the special session of congress in April to consider reapportionment legislation.

Heretofore it had been planned to organize only the ways and means committee, agriculture, rules and accounts committees to consider tariff revision and farm relief at the special session.

CHARGED WITH ASSAULT WITH INTENT TO ROB

NEWPORT, R. I., March 19—(AP)—Theodore Soward, was arrested at Jamestown tonight at the request of the Newport police. He was taken to Boston where he was wanted on an indictment charging assault with intent to rob. The Boston police said Soward assaulted Frank W. Brady on February 28 and robbed him of $195.

GIVES REPORT OF CLEVELAND CONVENTION

(Special to The Bulletin)

WILLIMANTIC, March 19—Martin B. Robertson, who was sent to the National Education association convention in Cleveland, Ohio, by the towns of Pomfret, Woodstock and Eastford gave a report of the convention at a meeting of the supervisors of eastern Connecticut held in the normal school building yesterday afternoon. N. Searle Light, of the state board of education of Hartford, presided, and the following supervisors were present: L. T. Garrison, C. M. Larcomb, Miss Maude Shapleigh, Miss Ida Lacey, A. L. Young, James F. Connolly, Edwin B. Floyd, Russell F. Lund and Mr. Robertson.

The following were points of interest brought out in Supervisor Robertson's report which was entitled Highlights of the Cleveland Meeting:

A democracy depends for its existence upon the ability of a people to govern themselves. Education supplies the means to the development of the ability.

A better type of citizen can be developed through a longer school day, a longer school year, a better trained teacher and supervisor and a better school building.

Pre-school and parental education was discussed from the standpoint of the Yearbook of the National Society for the Study of Education. Miss Woolley pleaded for more experimental schools of the nursery and pre-school type in order that the particular techniques for teaching pre-school children could be better worked out.

The matter of the cost of education received its share of attention. It was clearly pointed ou that the cost of education would continue to increase for some time to come. Dr. Strayer showed that the United States as a whole was well able to support a higher type of education. The property tax was no longer considered adequate or fair for the support of educational opportunities. It was pointed out that the profits from the commercial, industrial, and economic world over and above what people needed were caused as a result of educational advantages. Therefore they should be used more fully to support education. The population today being so movable, education gained in one locality may be used to the advantage of another locality, therefore the state's obligation for the support of education is a large one.

Rural schools should have better library facilities and rural supervisors should feel it their responsibility to interest the local citizens in the welfare of the schools. The above was the plea of Dr. Charles H. Judd.

Dr. Fannie Dunn defined instructional activities in the rural schools as exemplifying those described in Dr. Rugg's, etc., book "The Child-Centered School."

The new United States commissioner of education, William John Cooper, hopes to improve rural school conditions through the work of the bureau of education at Washington.

Cleveland was hospitable to its guests. Its beautiful auditorium seating 20,000 with perfect acoustic properties, the arena with its ample exhibition space furnished a delightful spot for the gathering. Monday night over 5,000 children took part in an extensive physical education exhibition. Before each main section, the children featured their instrumental and vocal music work. The schools, museum, board of education, and people throughout the city were exceedingly courteous. The new terminal building, 42 stories high, has an observation tower from which a marvelous view for 50 miles in all directions can be had. By the use of the telescope one may see across Lake Erie into Canada.

The meeting with the College Teachers of Education discussing the value of science and philosophy in education was one of the most thought-stimulating sessions. Dr. Kilpatrick clearly showed the place of philosophy in education and Dr. Freeman the place of science. Science comes down to the smallest detail and is certain of actual proof. Philosophy comes to the rescue in deciding between two or more practices when the conditions such as money, time or energy will permit of only one practice. Each helps the other and both are needed and used in education continually.

Probably one of the most forward steps is that of a higher degree of articulation, co-ordination, between all steps of the educational professional school. Cameron Beck pleaded for this articulation with public affairs. His talk illustrated by personal experience with boys at the New York Stock exchange, gave suggestions which were incorporated into action by the executive committee of the superintendents' department. The matter of articulation is important in order that all children may have the opportunity to go just as far in the educational process as their own native abilities will allow, regardless of birth, race, creed or money.

DIRECTORS OF WELFARE BUREAU ARE ELECTED

(Special to The Bulletin)

WILLIMANTIC, March 19—The Welfare bureau annual meeting was held Monday afternoon to name 12 directors-at-large and hear reports of the officers, which proved most gratifying. The directors elected were: Mrs. James B. Fullerton, Mrs. Joseph B. Riordan, Mrs. Bertha Thompson, Louis H. Arnold, Dr. C. E. Simonds, Mrs. Valentine L. Murphy, Mrs. C. C. Case, Mrs. C. S. Higbee, Judge Frank H. Foss, Miss Ines Paton, Miss Elizabeth Stone and C. F. Riesdorf. The directors then chose as officers: Mrs. F. C. Williams, president; Mrs. C. B. Lamb, first vice-president; Miss Annie Smith, second vice-president; P. J. Laramee, treasurer, and Miss Elizabeth P. Anderson, secretary.

The report of the secretary, Miss Anderson, showed a wide scope of activity during the year in the interest of the happiness, prosperity, enjoyment of health and the common blessings of life in the community. The basis of this community upbuilding is by solving the home problems. Secretary Anderson thanked the following organizations for assistance given during the year: Needlework guild, Woman's Relief corps, Social Corner club Hampton Ladies' society, local Swedish and Congregational churches, Woman's Charitable fund, Woman's club, the D. A. R., local coal dealers and many merchants and the press. The report stated in part: "Our work has been greatly facilitated by the generous gifts of money from the Exchange and Rotary clubs, both for special milk fund, and for general use."

During the year there were 1,211 office visits; 1,152 telephone calls; 730 outside visits; relief given to 109; travelers' aid service to six and 45 letters were written. Much time was devoted to court attendance and probation work. The final report presented by Treasurer Laramee showed a balance on hand of $204.54 with disbursements $2,169.70 and receipts of $2,374.24.

Sumner A. Dole, head coach of athletics at the Connecticut Agricultural college, delivered an excellent talk on athletics and their effect on character building at the weekly dinner-meeting of the Exchange club held in the Nathan Hale hotel this evening. President Dixon VanZandt presided at the meeting, during which a report of progress was made of the preparations for the concert by the Euterpean Ensemble orchestra, which will be given under the auspices of the club Friday, April 5. The orchestra is directed by Miss Mary Rose Blanchette and Gaston Elcus, violinist.

OBITUARY

Mrs. Nellie Scheron

Mrs. Nellie Scheron, 38, died suddenly of cerebral embolism at her home in Windham about 9 o'clock this morning. Medical Examiner Dr. Louis I. Mason was called to the home to view the remains and pronounce the cause of death. Mrs. Scheron had been in ill health for the past three weeks, suffering from a relapse of an illness with sleeping sickness which she had suffered some four years ago. Besides her husband, Frank Scheron, the deceased is survived by three daughters, Stella, Helen and Wanda, all of Windham.

R. H. GIBSON SPEAKER AT ROTARY CLUB LUNCHEON

WILLIMANTIC, March 19—Ralph H. Gibson, one of the new members, addressed the Rotary club at the weekly meeting held in the Nathan Hale hotel this noon on the subject, "Building Public Faith in Rotary Through Business Conduct." The speaker appeared under the chairmanship of John F. Ahern of the public relations committee. Among the various forms of constructive publicity best adapted to a service club, Mr. Gibson named the newspapers, boys' work, social activities and public entertainments, the sincerity and faith of the individual member and ethical business dealing.

Guests today were Rotarians Bert Gager, of Norwich, and Henry Gilbert, of Danielson, and Walter MacClimmann, of Norwich. President Raymond A. Parker and Richard E. Dodge were elected delegates to the spring conference to be held at Hartford April 18 and 19. Secretary Gerard E. Loiselle and James B. Fullerton were chosen as alternates.

FUNERALS

Mrs. Mary Karas

The funeral of Mrs. Mary Karas was held with services conducted at 62 Church street at 1 o'clock this afternoon by Rev. Paul B. Sanger, of Chaplin. Burial was in the North Windham cemetery. The bearers were Eugene Campbell, Edward Larrow, Charles Larrow and Joseph Larrow. Arrangements were in charge of the J. C. Lincoln company.

Thomas M. Tennant

Funeral services for Thomas Morgan Tennant were held at the home, 155 Main street, this afternoon at 2 o'clock. Rev. F. C. Williams of the Episcopal church officiated. Burial was in the new Willimantic cemetery. The bearers were Noah Delude, William Shortelle, James McQuillan, Alfred Meikle, Louis Cote and Arthur Meikle. The Hurteau-Bosse Corp. had charge of the arrangements.

A total of 34 new members were voted in at the monthly meeting of the Windham Fish and Game club, held in the schoolhouse at Windham Center Monday night. The organization, which is comparatively new, is taking up "skeet" shooting in a field between Windham and South Windham. Weekly meets are held and it is planned later to stage a match shoot with members of the Willimantic Rod and Gun club.

Contractor David P. Ahern was awarded the contract for the construction of new sidewalks during the coming year at a meeting of the street committee of the common council held Monday night. Ahern was the lowest of three local bidders, his figures being 21 cents per square foot for sidewalk construction; 48 cents per lineal foot for cement curbing; 30 cents per square foot for gutters and 25 cents per lineal foot for resetting curbing. Construction will start about April 1. The committee meeting was attended by Aldermen Oliver L. Willard and C. E. Macfarlane, Mayor Charles A. Gates and Acting City Engineer John F. Collins.

D. D. Cavanaugh, prominent North Windham poultryman, delivered a lecture on Poultry Diseases at a meeting of the Springfield, Mass., Poultry association held this evening.

Memorial exercises for Haley Fiske, late president of the Metropolitan Life Insurance company, were held at the local offices in the Capitol building in the afternoon in conformity with a nation-wide program. Manager R. E. Shepard was in charge of the exercises, which were attended by staff employes.

A large photograph of the late James J. Harroun, principal of the Natchaug grammar school, has been placed in the east show window of the W. T. Grant company store and is attracting considerable attention. A short school history of the deceased is inscribed on a card.

Martin H. Waterhouse, formerly of this city, died at his home in East Poland, Me., after a week's illness of pneumonia, last Sunday night, according to word received today by Mrs. George J. Mitchell, of 31 Walnut street.

Mrs. John F. Ahern entertained a bridge club at her home Monday evening with the husbands of the club members as guests. Prizes were awarded to Mrs. Ernest Bottomley and and John C. Frazier. A waffle supper was served by the hostess.

C. Lewis Daniels has returned to his duties with the state landscaping department at Rockville, upon recovery from an injury to his leg which caused his confinement to the house for two weeks.

Mrs. Sarah Fox and Mrs. Emily Larkham are ill at the Card home on Pleasant street.

Arrangements have been completed by the Windham Community Men's club for the presentation of its annual Minstrel show and dance at the Windham Center school later this week.

Miss Claire Roy, daughter of Mr. and Mrs. Frederick J. Roy, entered St. Joseph's hospital this morning to undergo an operation for appendicitis.

Word has been received here of the death of Miss Jennie Alexander in Auburn, N. Y. The deceased, who was a native of Mansfield, leaves no immediate relatives.

A bridge club of three tables met with Mrs. W. D. Talcott Monday afternoon. Mrs. W. A. Arnold and Mrs. C. Harry Branch played as guests, the latter winning the prize.

J. Francis Moriarty, of the J. C. Lincoln company, is exhibiting a souvenir copy of the old Willimantic Journal published in magazine form as an anniversary issue in 1894. The copy bears photographs of the city's leading citizens of the day and there are also photos of manufacturing plants, public buildings and the more pretentious homes. Pictures of Main and other principal streets of the city taken at that time show an interesting contrast with the present-day appearance.

COLCHESTER

BACON ACAD. YEAR BOOK TO HAVE UNUSUAL FEATURES

This year's graduating class of Bacon academy has started to compile the annual school year book the "Baconian Echo." Members of the Echo staff are: Editor, Edward Seger; business manager, Hyman Levine; assistant business managers, Harry Deitch, Eli Slopak and I. Levine.

The book is to show a great advance over previous year books. A better quality paper will be used and probably an embossed cover will be an added feature. About four pages of snap-shots of incidents of school life will be included. In addition to pictures of the graduates, there will be several pictures of the various school organizations. Reference will also be made to the activities of the different organizations during the past year, including track, basketball and baseball teams, which have been under the direction of Principal Kendall and Science Instructor Goodrich; the dramatic club under the leadership of Miss Pearl Tiffany; the glee club under the guidance of Principal Kendall; the school orchestra led by Science Instructor Goodrich; the French club sponsored by the French instructor, Miss Margaret E. Donovan; the publication of a monthly school bulletin supervised by the English teacher, Miss Alice B. Condren; and the science club, under the leadership of Instructor Goodrich.

Harry Deitch is to prepare the pages reserved for the athletic news; Miss Estelle Kendzior will prepare the personal items and Stephen Krop has charge of the literary and humorous recording of the past year's school incidents.

The athletic, social and dramatic activities of Bacon academy have been unusually broad and varied during the present school year and the instructors have taken a particular interest in stimulating the students to make the various organizations a success. Everything points to one of the most successful and interesting class publications in several years. It is thought it will be ready for distribution about June 15.

Miss Violet Makanya of South Africa is to address a public meeting in the Congregational chapel, Tuesday evening, March 26, at 7.30. The recently organized Golden Rule Missionary society is planning to take a part in the program.

Samuel Robinston of Hartford called on William Johnson, Monday.

Mr. and Mrs. Hyman Alpert of New York have been making a few days' visit with Mr. Alpert's parents on Norwich avenue.

Going to Bermuda.

Alden T. Bunyan of Hartford, former local resident, is to leave today (Wednesday) for a week's vacation trip to Bermuda. Mr. Bunyan is assistant actuary for the Phoenix Mutual Life Insurance Co., Hartford.

Miss Addie M. Wickwire returned Monday after several weeks' visit with relatives in New York and New Haven.

Supt. Louis R. Chapman had men at work, Tuesday, applying a fresh coating of tar to the various cracks in the concrete road through the village.

Local carpenters are making repairs to the large front veranda at the Frederick O. Brown residence on South Main street.

Theodore W. Doberentz and C. A. Ryan of Marlborough called on friends here Monday.

Mrs. Ruth Morgan Stedman returned home, Monday, after several weeks' visit with Virginia friends.

DANIELSON

INQUEST IN JACKSON CASE AGAIN POSTPONED

(Special to The Bulletin)

DANIELSON, March 19—Coroner Arthur G. Bill's inquest relative to the death of County Detective W. E. Jackson of Willimantic made no great headway today. The coroner resumed his investigation at his office here at 10 o'clock this morning. Officer Arthur Hurley of Willimantic was the sole witness to appear and be questioned. He was closeted with the coroner a comparatively short time, and the proceedings were then closed for the day. Coroner Bill declined to reveal the line of inquiry he had pursued with Officer Hurley or anything pertaining to the officer's testimony. Mr. Bill was particularly reticent today. He indicated that there are other witnesses that he desires to question, but said he was uncertain as to when the next session of the inquest would be held. So the veil of mystery in this very interesting case was in no way lifted by today's proceedings.

Another rabid dog has been roaming the town of Brooklyn. This fact was established today, when Dog Warden Joseph Birch of that town received a report on the examination of the head of the animal from the state laboratory in Hartford, this report showing a positive case fo the disease. Mr. Birch said this afternoon that he had killed the dog in the vicinity of the Bassett sawmill pond in the western section of the village of Brooklyn. He also has established that the dog had bitten five other dogs in that town, where a quarantine against rabies has been in force the past three weeks, as it has also in Killingly and Brooklyn. The rabid animal was described by Warden Birch as a mongrel, with long brown hair and similar to the variety of dogs commonly known as spitz. The dog had a collar, but no tax, and up to this afternoon identity of the owner of the animal had not been established.

About 150 persons, representing a dozen different subordinate granges, were in attendance last evening at a Neighbors' night meeting of Killingly grange. The literary part of the program was presented by members of Putnam grange and members of Wolf Den grange of Abington. Mrs. Ethel Tourtellotte of Putnam grange gave a reading, The Angel Child. A ladies quartet of Wolf Den grange sang, as did also a mixed quartet from the same grange. A paper, Nature Study, was read by Mrs. John Weatherbee of Wolf Den grange, and a sketch, The Sewing Circle, was presented by seven men representing Putnam grange.

Charles E. Haynes, master of Killingly grange, introduced a number of persons who made brief remarks near the close of the meeting, these being State Deputy Clayton L. Peckham of Woodstock, Victoria Durand, master of Putnam grange; John Weatherbee, master of Wolf Den grange; Leon A. Dexter, master of Moosup Valley grange; Franklin H. Bennette, past master of Quinebaug Pomona grange; Harold Morrarty, Thaddeus Pitkin and Mrs. Ethel Tourtellotte, past masters of Putnam grange. Refreshments of salad, sandwiches, cake and coffee were served by a committee made up of Mrs. Ella Lathrop, Flora Kennedy, Frances Warren, A. D. Sayles and his orchestra played for dancing the latter part of the evening. Killingly grange members said today that the meeting was one of the best held here in years.

This afternoon at 2 o'clock at the L. F. Kennedy funeral home on Furnace street, funeral services for Charles H. Weldon, who lost his life in an accident early Sunday morning, was conducted by Rev. C. J. Armstrong of the Danielson Baptist church. Burial was in the High street cemetery at Dayville. Friends acted as bearers.

The prospect is that the teaching staff of the town of Killingly will be reduced by from four to six teachers in the school year beginning next September, Supt. W. E. Parker said today. This reduction will apply to the graded schools of the town and will be brought about by consolidation of schools and in making other changes in various parts of the town. The prospect now is for the consolidation of the Valley district and the East Killingly schools, permitting of closing the building in the Valley district. Another part of the proposed plan calls for consolidating the seventh and eighth grades of the Dayville, Attawaugan, Killingly Center and East Killingly schools with similar grades in Danielson. In no instance, Supt. Parker said, will the committee make any change not advantageous to the affected pupils, and all opportunities offered to study under the rearrangement will be equal to if not superior to the advantages at present enjoyed.

As to reducing the number of teachers employed by the town in its grammar schools, the committee will adhere to its policy of giving preference to home town girls, all other things being equal. Teachers for the next school year are to be elected in April.

Arthur Phiah, 10, son of Mr. and Mrs. Diep Phiah of Railroad street was injured, but not seriously, at the height of the noon hour traffic today when he dashed out from the sidewalk on the Main street side of the Danielson Trust company building to cross to the opposite side and ran into a car being operated by Charles Dupre of Franklin street. The injured boy was picked up and placed in the cab of a light truck and rushed to the office of Dr. Warren A. Tanner. The physician's examination disclosed no serious hurt, so the boy was taken to the home of his parents. In checking up on the accident Chief John McFarland learned from an eyewitness that the boy, wholly disregarding traffic, rushed out from the sidewalk, just missed being hit by one machine, going in the opposite direction to Dupre's and then dashed right into the Dupre car. Dupre was not held in any way responsible for the accident.

This afternoon it was announced that the Hi-Y and Tri-Y clubs, here have arranged to hold daily morning services during Holy week, beginning next Monday. These services are to be in the Baptist church, beginning at 7:45, and are intended especially for students in the high and junior high school, though all attendance will be welcomed. Boys and girls will be leaders of these services and at each of them some clergyman will speak. The services are to be brief and over in ample time for school. Similar services were held during Holy week of last year, and were so successful that it has been decided to have them again this year and on an expanded scale.

Fred H. Paul of Putnam appealed this afternoon in the town court when Judge W. Fenner Woodward found him guilty of reckless driving and fined him $25 and costs. Paul was represented by Attorney Archibald Macdonald of Putnam. Paul's court appearance grew out of an accident in which his car figured about 12:35 last Sunday morning on the state highway just north of the state police barracks. It was in a crash with a machine operated by Walter Stawarz of Moosup, and it was alleged against Paul that he cut out from behind a car he was following, to pass it, and struck the Moosup machine, coming in the opposite direction. It was not denied in court that Paul did not attempt to pass the car he was following, but the explanation offered that the car ahead was going so slowly that he thought it was going to stop and that he pulled out to the side so he would not run into it.

Mrs. Anastasia Melink, 48, of the West Side, died today at the Day Kimball hospital in Putnam. The body was taken in charge by Undertaker L. E. Kennedy and brought here. Mrs. Melink, a native of Austrian Poland, leaves her husband, Michael, and a son and a daughter by a former marriage. She had been a resident here about nine years.

PUTNAM

CHAMBER PRESIDENT DENIES RUMOR OF NEW CHAIN STORE

(Special to The Bulletin)

PUTNAM, March 19—What was whispered a month ago, is today being openly talked about in the city, relative to the Montgomery Ward company locating in Putnam. While the subject is nothing but a matter of hearsay as yet, it is being widely discussed, despite the fact the rumors have been denied by the president of the chamber of commerce, Walter N. King and by Charls A. Seder, Putnam property owner.

Mr. King was approached yesterday for information concerning the rumors. Mr. King stated that the chamber of commerce is not concerned in the matter and as far as he knew stories that have circulated about the city are false and untrue. Mr. Seder who is soon to tear down the Armory block on Main street said yesterday that he knew nothing of the mail order house contemplating a location in Putnam. Rumors today were consistent to the effect that Mr. Seder had sold the Armory block site to the Chicago firm, but this was flatly denied by him in a statement in today's Bulletin.

There seems to be no apparent reasons for any alarm concerning the establishment of a retail house such as the one in question, in this city as yet, since none of the rumors which have been circulated about the city have been confirmed by anyone in authority.

Seven school superintendents of surrounding communities gathered last evening at the Putnam Inn where a smoker was held and leading problems of education now confronting the educational departments were discussed. Frederick S. Camp, state supervisor of elementary education, of Hartford attended the gathering. The subject discussed last evening was "The Articulation of Various Units of Education". Those present were William E. Parker, superintendent of schools in Killingly; Martin B. Robertson, superintendent of schools in the towns of Woodstock, Pomfret, Eastford and Union; Clarence Michaels, superintendent of schools of Thompson; Francis Brick, superintendent of schools in Stafford Springs; John L. Chapman, superintendent of schools in Plainfield; and Leon N. Farrin, superintendent of schools of this city. Following the close of the session the school officials voted to hold similar monthly discussions in the various towns of which they represent. Killingly was chosen as the next meeting place.

Funeral services for Frank Theriaque, victim of the Elmville motor crash of last Wednesday were held this morning at nine o'clock in St. Mary's church with a high mass of requiem celebrated by Rev. E. J. Boileau, curate of St. Mary's. The bearers were the six brothers of the deceased and were: Alder, Napoleon, George, Olvid, Henry and Arthur, all of Danielson. The funeral was largely attended by friends and relatives of the Putnam man. Committal exercises were held at the grave by Rev. U. O. Bellerose, pastor of the church.

The funeral of Mrs. Ann S. Slattery of Pomfret was held this morning in the Holy Trinity church, with a solemn high mass of requiem being celebrated by Rev. George J. Donahue, pastor of the church. The church was filled to capacity with the many friends and acquaintances of the life long resident of Pomfret, who died Saturday evening following a prolonged period of illness. Burial was in the Slattery lot in St. Mary's cemetery in this city.

A meeting of the playground committee of the Parent-Teachers association of this city was held yesterday afternoon in the Israel Putnam school. During the meeting the members of the committee discussed necessary playground improvements that are to be made on the school grounds of the local institutions. A report of the committee will be made later.

Death came to Mrs. Lydia Andrews Monday, after a long period of illness. Mrs. Andrews was 88 years of age and had spent many years of her life in this city, making her home with her daughter, Mrs. Harry W. Sharpe of Florence street. Mrs. Andrews had been confined to her bed for the past few weeks.

She was born in Hilporten, England, the daughter of Mary Miller and William Stephens. Mrs. Andrews spent a number of years of her life in Killingly. She is survived by two daughters, Mrs. H. W. Sharpe of this city and Mrs. W. L. James of Pittsfield, Me.

Wilfred Comus of Gales Ferry was arrested today by State Officer John Murphy, Danielson barracks, on a charge of operating a motor vehicle while under the influence of liquor. Comus was driving a Ford truck and was involved in an accident which occurred on Sayles avenue, in Mechanicsville shortly after noon today. The car went from under control of the driver, crashed an embankment at the side of the highway and turned on its side, pinning Comus beneath the wheel. Officers Murphy and Geddes were forced to remove a number of pieces of the cab before they were able to remove the driver. Comus was not seriously injured by the effects of the tumble of his car. He will be arraigned Wednesday before Judge P. Tourtellotte in Thompson town court.

Mrs. Hattie Hogan of Pomfret street was quite seriously burned this noon time when a kettle of boiling water which she was carrying from the stove to the pantry sink spilled, much of the water flowing over her body. She was taken to the Day Kimball hospital where she was treated for the burns. Her condition was reported to be not critical this afternoon.

Edward Thiebault of Lee street, an employe of the New Haven railroad has entered a Boston hospital for observation.

Armand J. Lizotte, Rev. Joseph D. Casey and Alexander Gilman were in Boston today in the interests of St. Mary's Boy Scout organization.

Judge M. H. Geissler of this city was in Hartford today on a business trip.

City Health Officer Peter A. Gardner left yesterday for Bridgeport where he will visit for a few days.

Harry Backfish of Main street has returned from a business trip in New York city.

A St. Patrick's night dance was held Monday evening in the Odd Fellows hall on Pomfret street. The mid-Lenten affair was given under the auspices of the Varsity Crew, under the direction of Miss Edmaer Guy of this city.

City Dog Warden Ernest L. Chandler, directing the quarantine of dogs in this city said this afternoon that he feels the epidemic which has existed for the past month and a half has safely passed. Warden Chandler said that several of the dogs which were given the Pasteur treatment when symptoms of rabies were first discovered are being given their freedom daily. Only two dogs have been taken into custody by the local canine officials during the past week for observation. Mr. Chandler said today that the quarantine regulations are being strictly adhered to by dog owners as his daily check-up of the city has shown no evidence of stray dogs.

Milton J. Shagehof of Northeastern university, Boston, spoke before the faculty board of Putnam high school yesterday, the subject of his address being "Opportunities".

Miss Sarah Kenyon, a member of the nursing staff at the infirmary at Pomfret school is spending her vacation at her home in this city.

BANIGAN NAMED FOR WARDEN TO SUCCEED BACK

(Special to The Bulletin)

DANIELSON, Mrch 19—No great enthusiasm for borough politics was in evidence tonight when the annual caucus was held in the town hall to nominate officers for the ensuing year. Hundreds of voters passed up the opportunity to have a bit to say as to who the official family of the borough shall be for the ensuing year. About 25 were in attendance. Borough Clerk Frank T. Preston called the meeting to order and Attorney E. L. Darbie was named as chairman. Judge Sabin S. Russell was named as clerk. The nominations were made in rapid-fire order. Richard D. Banigan was nominated for warden without opposition, the present warden, Attorney Harry E. Back having declined to serve further in the office after an incumbency of several years. There were no other nominations. Frank T. Preston was nominated as clerk and treasurer.

Nominees for the court of burgesses were as follows: Louis E. Young, D. E. Jette, Charles E. Austin, Harry E. Back, who is at leave to serve on the board, Pierre Boulaine and Gaston A. Maindon. Chief John McFarland was nominated for bailiff, a position he has filled for years and Sidney H. Perry was renominated to succeed himself as tax collector. For library directors Harry E. Back and William E. Parker were nominated to succeed themselves for a period of three years. The caucus lasted no more than ten minutes.

Sales girls over 16 wanted. Apply to F. W. Woolworth Co.—Adv.

Samuel Risewasser, who has been engaged in business here for a number of years, has taken an option on a filling station in the School street section of Putnam.

Attorney Irving H. Miron of Putnam, was here today in connection with a case to be heard in the superior court in that city. Ransom Liner of Danielson is a principal in the case, which involves fixing responsibility for an automobile accident in which Mr. Liner's car and another machine owned by a Putnam man was involved, a few months ago, in Putnam.

Mr. and Mrs. Harry Richardson and members of their family of Moosup are to come to Danielson to make their home, occupying a house formerly occupied by Mr. and Mrs. Charles S. Francis, Broad street.

To those who travel them it is good news that dirt roads throughout this territory are beginning to dry out, but are not in condition as yet to invite any but necessary travel over them.

Rev. Leonard R. Richards, rector of Christ church, Pomfret is to be the special preacher at the Lenten service at St. Alban's church, where he formerly was rector, on Thursday evening. Thursday evening of next week Rev. E. P. Wright of St. Philip's church, Putnam, will preach at St. Alban's.

The All-Heller Five, a team of brothers who hail from Willimantic, is the basketball attraction scheduled for the coming week end in Danielson.

Abel L. Reeves, president of Danielson's Twilight league, said today that nothing has been done as yet about schedules or other arrangements for the coming season. He also stated that there is the prospect of an 8-team Industrial league for the coming seasons, with towns up and down the Quinebaug valley represented.

Invitations are being prepared to the public to attend the opening of the new banking home of the Brooklyn Savings bank on Easter Monday afternoon. Only a small amount of detail work on the interior remains to be completed prior to opening the new building for business.

On Good Friday there is to be a service at St. Alban's church from 1:30 to 3 p. m., Rev. J. Rees Jones, the rector, in charge. In the evening at 7:30, Rev. L. R. Richards of Pomfret is to conduct a service at Trinity church in Brooklyn.

Of interest to many residents of Killingly, from which town numbers of students are in attendance at the Putnam State Trade school, is today's announcement of Director H. H. Ellis that the annual Open Night is scheduled for April 25.

Manager William Sangster of the Danielson division of the Eastern Connecticut Power company said today that the corporation is trying to locate a chatter that is disturbing to radio reception around the central section of the borough.

On the strength of reports that the state fish and game commission is planting trout in state-leased brooks, fishermen here anticipate that an allotment may be made before April 15 for brooks in this corner of Connecticut.

Essex The Challenger Features and Standard Equipment Includes:

Patented Super-Six advantages eliminating vibration—4 Hydraulic shock absorbers—New type double action 4-wheel brakes uniformly effective in all weather—Above 70 miles an hour—60 all day long—Starter, and electric gauge for fuel and oil on dash—Greater operation economy—Radiator shutters for heat control—Adjustable seats front and rear—Weatherproof doors, rattle-proof windows, silent body construction—All bright parts Chromium-plated—saddle lamps—windshield wiper—rear-view mirror—electrolock—controls on steering wheel.

With Super-Six owners by tens of thousands, repeating on Essex, the most spontaneous welcome ever extended a 6-cylinder car has brought hosts of car owners from every price and size field to Essex the Challenger.

Its acceptance is the talk everywhere. Again and again the largest production ever planned by Essex has had to be increased to meet this remarkable demand.

The results of Challenger Week by nation-wide proofs—in performance, reliability and economy—have extended the advantages of this big, fine car with the force of universal appeal.

With its open challenge, that excepts no car—

—with its 24% greater power and 70-mile-an-hour performance

—with its greater beauty, adult-size capacity, riding ease and economy

—and with its brilliant chassis quality and fine, large bodies—Essex establishes also an outstanding leadership in obvious VALUE. It offers an ensemble of fine car equipment identified only with costly cars, and available, when at all, only as "extras," at extra cost on cars of Essex price. In Essex the Challenger—a complete, fine, big "Six"—these items of course are standard.

They represent several hundred visible dollars' worth of additional value, and are another reason for the enormous success which Essex the Challenger has enjoyed from the outset.

STOP THE FOOLISHNESS.

Mayor Robbins has made a statement to the court of common council that throws new and valued light upon the situation in regard to our municipal lighting plant and the efforts which have been made by and in behalf of the people to get what owners of the plant consider to be needed relief.

In response to the protests against the rates which were put into operation last year, the mayor has championed the cause of the small consumers, the ones who have been injured and he is justified in his statement when he declares that the opposition could have been eliminated had proper consideration been given to these cases, either through some change in the basic rate or the extension of the option of the old rate.

Through two city meetings, the position which has been taken by the mayor has been upheld. The sentiment of the owners of the plant has plainly indicated a resentment of the treatment being received and it is a particularly unfortunate situation when the commission displays a disposition to disregard public sentiment and also to disregard, as disclosed by the mayor's statement, its promise to abide by the finding of a fact finding committee which was suggested by the commission itself.

Mayor Robbins clearly places the blame where it belongs in his statement to the council. He has declared his belief as to the course that the commission should pursue. His statement is one which indicates a basis for a harmonious adjustment of the deplorable situation, and most certainly the interests of the greatest number should be served.

Furthermore the response that has been made by the corporation counsel to the gas and electrical commissioners should clear up any doubt that may have existed regarding the course which should be pursued. If it is necessary for the council to act to protect and secure the rights of the people it lies within its power to do so. The wisdom of avoiding any such step, in view of what has been done in city meeting, ought to be clear. It is time to stop making any more of a joke of the municipal lighting plant than it has been for many years.

TAKING HUMAN LIFE.

We shudder when there is such a loss of life as that at Newark when the passenger-carrying airplane crashed. We likewise shudder, and with good reason, when there is a loss of life as was the case when the Vestris sank. We are appalled when a heavy toll is exacted in case of a railroad accident and there is an insistence in the demands for the establishment of greater safety.

All this is reasonable enough, but is there the same reaction in connection with the far greater number of cases of motor fatalities? Is there the same demand for greater safety? When we stop to consider the number of deaths each month and each year we can hardly think there is, or if there is the results that are obtained are difficult to find.

For the four week period ending with December 1, 1928 there were 737 deaths from automobile accidents in 77 large cities of this country. That represents a gain of 119 deaths over the same period in the year previous, according to department of commerce figures. The 52 week total to December 1 was 7348, while for the previous year to a similar date the number was 6969.

For the four weeks ending with the 23rd of February there were in 78 cities a total of 466 deaths from motor vehicle accidents. This shows a reduction during the winter month in contrast to November and a slight decrease from the 511 for the four weeks ending with February 25, 1928, but these monthly figures are large regardless of the month or the season, and the records in the cities does not by any means disclose the total killings for the country.

Thus while we shudder because of the dropping of an airplane we seem to be hardened to the news of the many who are daily being killed on the highways, where there should be greater safety. For years it has not been a pleasant situation to contemplate but the number increases and in most instances it means needless deaths. Whether the airplane crash could have been prevented under the circumstances remains to be determined but when we are told it is safer to fly than to use the highways we have a real cause for reflection.

OUR POLICY IMPRESSES.

Much criticism has been indulged in over the manner in which the United States has dealt with the Nicaraguan situation. Some of those critics have had good reason for withdrawing their statements and changing their attitude. More of them will be prepared to do so upon learning that Dr. Juan B. Sacasa, a bitter Nicaraguan opponent of the action by this country, has experienced a change of heart and is now strong in his praise of what has been accomplished in his country.

Dr. Sacasa was one of the leaders in Nicaragua who objected to our course. He has now come to this country as the Nicaraguan minister to Washington and representing the government which the United States has been aiding. He has had the opportunity to have first hand knowledge of what has been done. He has witnessed the methods followed by this country, the supervision of the last election and the encouragement of a constitutional government. He has not only witnessed these things but he has been convinced that it has been invaluable for his country. His criticisms have turned to praise.

Nothing could be better. Nothing could indicate better to those who had shown resentment over the American attitude that we were sincere in our purposes and went into Nicaragua to aid a helpless republic that was being disastrously torn by revolution. If we have convinced Dr. Sacasa and Dr. Sacasa is admitting it in no uncertain terms, we have done a good job and one that is bound to make a good impression upon others.

Dr. Sacasa is not in a position to be pleased because he favored the things we did. On the contrary he opposed them, but in spite of that he has been able to put aside prejudice and acknowledge the accomplishments and their advantage to his country.

What has been done for Nicaragua and the coming of Dr. Sacasa as minister should be particularly helpful in our future relations with that republic and in the same way that it has caused a right about face on the part of Dr. Sacasa it should have a good effect upon the other republics. It is bound to be helpful to our Latin American policy.

THE "LUNG" ADOPTED.

According to the report which comes from Washington, the navy department has been convinced of the value of the so-called "lung" device by which it is possible to breathe while coming to the surface from a sunken submarine. This is indicated by the decision to install two of such devices for every man aboard a submarine and although it may be a little time before such equipment can be, provided it ultimately means that this additional and highly valuable safety device is going to be available for submarine crews.

This is one of the direct outcomes of the loss of the S-4 off Provincetown. Whether it would have been brought to attention by this time if that disaster had not occurred is questioned. It seems probable that it might have been regarded as adding more equipment to underwater boats than ought to be included on a warship where quarters are limited under the best of conditions.

Such a device is useful only when it is possible to make an escape from the underwater boat and when there is some assurance of being rescued after reaching the surface. It would have meant the saving of those who were communicated with in the S-4.

It is thus highly gratifying that the tests which have been underway in southern waters have proved so successful. It is to be hoped that the time will come when underwater boats for war purposes can be done away with, but until that day arrives there is much satisfaction in the assurance that an additional means of safety has been provided for their crews. This with the success that has been obtained in perfecting constructural aids for the raising of sunken subs indicates that the navy department has been giving thorough consideration to its duty in this respect. It doesn't mean, however, that nothing more needs to be undertaken, for where safety is at stake there is invariably much that needs to be undertaken.

GEORGE C. WOODRUFF.

Both in and out of the newspaper circles of Connecticut George C. Woodruff of Litchfield, editor of the Litchfield Enquirer has a wide acquaintance. It was through his influence that his paper brought much distinction to that part of the state and it was through his personality, his genial manner and his independence that he gained and held so many friends.

He was a man who had entered many fields of endeavor, following his college education with years of preparation for the ministry and much of his life has been spent in travel, not only about this country but about the world. He had a speaking acquaintance with all important points of the world but that did not in any way deteriorate his high regard for his own town and his own state. No reference will ever be made to the famous Bald Head club of Connecticut without bringing up thoughts of the Litchfield writer who championed that organization most conspicuously.

What he had to say, whether it was by spoken word or on paper, was characteristic of the man. He was outspoken and interesting and his opinions were eagerly sought and widely read. Politically he had been on both sides of the fence but in each instance he was unwavering in his party support. His death means not only a loss to Litchfield but to the entire state.

EDITORIAL NOTES.

Though Mexico may not have heard that the world is at peace, the world has heard that Mexico isn't.

One great trouble with new speed records is that too many auto drivers try to equal them on the highways.

The man on the corner says: While the ball players may be suffering from glass arms, the old sports are troubled with fanitis.

The presidential pocket veto has been in use so long that if the law of adverse possession covered it there would be no need of carrying it to the supreme court.

HORIZONS

There was a heavy brilliancy about the morning that was almost suspicious. A dull rim of haze hovered along the western horizon. In the basement, a mountain of washing awaited the coming of Hattie, but Hattie did not appear. Dot kept one eye on the clock and the other on the street. Carefully she had budgeted her duties for that week, because she and Bob were to start on their vacation the following Monday.

"These clothes simply must get out of the way today, even if I have to tackle them myself," she thought and advanced on the basement, armed with washing powder, soap and good intentions. Little beads of perspiration trickled from her forehead and mingled with the suds. Suddenly there came a welcome knock at the back door.

"Oh, Hattie, the screen is hooked. Wait a minute," Dot called. But instead of Hattie, a rustic-looking man with a crate of berries greeted her.

"Good morning, mom. I'm delivering your order."

"Oh, but——" Dot waved her hands in protest, "you promised them for Wednesday. I'm up to my neck in work today, and they will spoil if I try to keep them over."

"Just as you say, mom. Got more orders than I can fill, anyway." He was already shouldering the crate.

"Wait a minute. I don't see how—Well, set them down. I'll get the money." As she paid the man she took note that the haze along the horizon was crawling above the rooftops. "Oh, but it must not rain today," she thought. "It simply must not. I've got to get the clothes dry."

Later, in the basement, Dot heard a foreboding rumble, thunder. She was timid about lightning. Water attracted lightning any way, and there was the electricity attached to the washer. Another nuisance now. The telephone clamored for attention. She ran upstairs. Bob's voice came to her over the wire like a dirge.

"I'm afraid we can't go Monday."

A blaze of light. Dot dropped the telephone, ran to the davenport and buried her head in the pillows. Within her, fear and disappointment struggled for supremacy; fear of the lightning, disappointment because their vacation must be postponed. When the storm abated Dot sat up, limp, altogether disheartened.

Probably there would be no vacation at all—that was just their luck. And there were other worries, lesser but more immediate. The washing—if she left it in the water, the colored clothes would fade. But if she left the berries, they would likely spoil. She decided to take a chance with the washing and attend to the berries. The ringing of the door bell interrupted this decision. A workman, clothes drenched, stood outside.

"Lady, we've turned your water off at the curb connection, trouble out there. It will take us a couple of hours."

The rain continued. Without water Dot was powerless to attack either of her pressing duties. Bob found her early that evening, a bedraggled remnant of energy, rotating between the kitchen stove and the washing machine in the basement.

"Oh, Bob." The tiredness in her voice frightened him.

"Come out here on the back porch and get some air," he said. She dropped into an old rocker. "I've got good news," Bob said. "We can go Monday. But whatever this muss is that you're into, you're going to stop this very instant or we'll be taking the trip for health instead of pleasure. Just let me get into a kitchen apron."

Dot heard no more. Her eyes found a thin stream of gold low down in the cloud laden sky. It seemed to strike a kindred stream somewhere in her own self. The heavy tiredness about her lifted, leaving only a bodily fatigue, and a bright buoyancy gleamed in her eyes. After all, it was what the horizon held that counted. She flashed Bob a smile and hopped up from the chair.

"You're a darling," she said, "but I'm not so fagged out as I look. If you'll just help me a little, I think I can have the clothes and the berries both finished before dark."—Chicago News.

LETTERS TO THE EDITOR

Rev. W. H. Bath and the East Providence Church

Mr. Editor: Your remarks in The Bulletin concerning Rev. William H. Bath are not warranted by the facts. To my mind it is unfair to assume that Mr. Bath is not competent to build a new church as any other man of his standing. Whoever was your informant went far astray in estimating both Mr. Bath's competence and the desire of the East Providence church. I was in telephonic communication with Mr. Bath on Sunday evening and the grand building committee was to be formed this week and the way opened for rebuilding.

Truly yours,
JOSEPH COOPER.

Norwich, March 19, 1929.

The Old Fair Grounds

Mr. Editor: What thoughts come over me when I read in The Bulletin of the passing of the fair grounds or what is known as the New London County Agricultural society. What memories are centered here for it was here in the days of long ago the farmers would come each year and renew acquainances and make new ones. This was the Mecca to which they looked forward. Perhaps there is no place in or around New London county held in greater reverence or esteem than the county fair grounds. Here it was you could go and see trotting horses driven by such lovers of fine horses as Charlie McChesney and Henry Sydleman and others, who I have forgotten at this moment. Do you remember where Mr. McChesney had his stable on East Main street, near to the Preston bridge?

What a history is connected with the fair grounds, for here was the camp ground of a great many boys who came from Norwich and the surrounding country, who received their first insight into the rudiments of a military training. Here it was that many a young man bid good bye to an old mother or a sweetheart, or maybe a young wife and children, because he left to engage in the terrors and privations of a fratricidal war. From here many a boy left, never to return. And now this which is hallowed ground is to pass and join the many other vanishing American institutions.

Is it possible that civic pride has left and this historical property will soon be only a memory? May I, with your permission, go back to the records and tell your readers some of the history of these fair grounds, according to Miss Frances Manwaring Caulkins' History of Norwich?

A New London County Agricultural society was first organized in 1818. This lasted only six or seven years and the fair was held alternately in Norwich and New London. On Oct. 30, 1822, the fair was held on the Norwich Town green. This finally declined and became extinct. The present society was organized April 12, 1854.

It has continued ever since and this is a matter of 75 years and now this is going to be thrown in the discard. The first real fair was held in Norwich at the grounds in the fall of 1855, and among the attractions was a balloon ascension by Professor Paulin, who remained in the air one hour and he landed in South Kingston, R. I. The following year he was in the air 20 minutes and landed in Griswold, 17 miles away. In years after the balloon ascensions had become a fixture and here we find Professor King, who made the trip with his daughter, and they went up to a height of 10,000 feet and landed in Canterbury, some 17 miles away. This distance was covered in one hour. No doubt there are some among your readers who can recall this Professor King and also when there was a tight rope walker who did his stunts inside the race track and here there was a big depression in the ground over which the rope was drawn. This old fair ground will be remembered as the great meeting place for the farmers for miles around. As I look at it today, the rugged farmers of those early days of New England have gone and others who have not as yet become adapted to the country of their adoption have taken their places and the present ones do not or will not take to it. Then again, what memories are clustered around this old fair ground, for quite a few of us boys of yesterday would walk there and perhaps we would run across someone we knew and if we could only get inside the grounds we were in the seventh heaven of delight. We missed nothing. Perhaps, as it usually happened, we didn't have a cent in our pockets. But what did that matter? Nothing, for we may meet some good Samaritan who would at least give us something to eat.

But why borrow trouble? For youth is the today of life, while old age is the tomorrow. Youth looks out through the windows of the soul and sees nothing but sunshine and happiness, always looking for pleasure and the many things that make life worth-while in their morning of life. And this is as it should be, free from the cares and troubles that are bound to be their heritage later in life when life takes on a more sedate and sombre hue. And the picture changes and we see age slumbering in the old easy chair and we hear a knock at the door and we give a start and think here comes the collector for old Father Time to demand the toll for the years that are gone and are now only recalled as a vanished dream, and we think of the days of our youth and we see in a vision our "pals." We reach out to greet them but they disappear like the dew from the grass 'neath the rays of the morning sun.

And so perhaps it is the same with the old fair grounds; it, too, must take its place in the march of time, only to be recalled in years to come as a pleasant memory of other days.

Perhaps there will be found a way to still hold the fair ground, for it is one of the many historical spots in and around the Rose of New England.

C. H. "DAD" SHAW.

Passaic, March 16, 1929.

A Washington Bystander

By KIRKE L. SIMPSON
Associated Press Staff Writer

WASHINGTON, March 19—It is an unusual although not unprecedented thing that Admiral Moffett adds another four-year hitch as chief of naval aviation to the eight years he has already served in that capacity.

Not often has an officer of high rank even desired to continue for so long a period away from the fleet. There are just two big four-star naval jobs, chief of operations and commander-in-chief of the fleet, and the road to both is through service with the fleet.

Already Moffett, with only four years more to serve before retirement, is out of line for either due to his eight years ashore.

Yet Moffett has rendered extraordinary service for the navy. He was hand picked to do a special job and has done it to the queen's taste to all appearances.

Eight years ago, Gen. Billy Mitchell, since resigned from the army under a court martial sentence, was going full blast on his independent air force theory. The navy was badly worried. Morale in the naval aviation service was suffering. Moffett, recognized as a publicity expert, was called to be first chief of the bureau of aeronautics in order to stem the tide of popular opinion toward the unified air service idea.

His Hands Full

It was a tough job. Moffett not only had to meet Mitchell's attack on naval theories of aviation but also to find means of building up morale in the naval air service itself to keep it loyal to the existing scheme of organization.

Older sea officers were inclined to be very suspicious of every move he made. But Moffett was the right man in the right place. He boosted aviation early and late without trespassing seriously on the line of service policy that holds battleships still to be the major sea unit for future wars, with aviation as an absolutely essential auxiliary.

He's still at it, effectively. Peace has reigned within the naval service, sea or air, throughout his tenure of office to a degree unknown in the army.

At Vera Cruz In 1914

The Bystander first met Moffett at Vera Cruz in 1914. Moffett took the cruiser Chester into the inner harbor, crowded with shipping, without a pilot and in the darkness of night to lay her broadside to the water front ready for the blow off next day when the city was completely occupied by American naval forces.

Moffett's guns played a big part in that show. And once he got them going, Admiral Fletcher, in command, had difficulty stopping them. The Chester was too busy to heed signals. The Bystander saw that for himself from the bridge of the naval transport close by where Fletcher was posted. Even then, Moffett did whole-heartedly whatever he set out to do. He still does things that way at 60.

YOUR HEALTH

A Life-Saving Message for Those Afflicted With High Blood Pressure, Heart Disease or Blood Vessel Diseases.

By M. J. Seifert, M. D., Chicago.

The first and most important message to those afflicted with heart or blood vessel diseases is to place themselves under observation of experienced physicians, who should be consulted at regular intervals, and who will prescribe and direct the proper treatment.

A person suffering from high blood pressure gets red in the face and his temporal veins (on the sides of the forehead) become dangerously distended while lifting, and at the same time holding his breath, as most people do.

Prevent dangerously raising the blood pressure by avoiding any action or condition that will make the heart pump against needless or forced resistance that will continuously irritate it, or that causes sudden marked changes in its work or rhythm.

The so-called healthy looking color of individuals past middle age often is an indication of heart and bolod vessel disturbances.

Such an action is holding the breath while lifting, or while expending muscular energy. This will raise the blood pressure in proportion to the force expended.

Such conditions are distended stomach or bowels; the wearing of tight belts, garters, sohes, or any constricting colthes; dysfunctions of the emunctory organs, causing accumulations of effete or waste materials to be stored in the body; or continuous irritation of the heart, caused by chronic infections of the teeth, the tonsils, the appendix and the like.

Such sudden marked changes in the work and the rhythm of the heart are caused by violent emotions, as intense anger, fright; rapid bodily motions, like jumping, climbing; sudden changes from low to high altitudes; or from overheated rooms to outdoor sub-zero weather, or vice-verse.

Based upon these facts, the rules for such patients are as follows:

Never eat to the point of satiation at any meal. Moderation in all things must be the rule.

Do not limit your meals to two daily, thereby allowing yourself to get so hungry that, at the next meal, you will eat until you are "blue in the face," because that often brings on sudden death. Rather, eat three or even four times a day, eating very little each time.

Avoid all stimulating foods and drinks, excepting by the doctor's orders. This is very important.

Keep the emunctories active—they are the bowels, the kidneys, the sweat glands, the lungs, etc.

Insist on two bowel movements a day. In severe cases, a small bowel movement after every meal would aid materially in reducing the pressure.

Have all chronic infections removed. They are poison factories that are continually sending their vile products through the blood stream to the heart and to all parts of the body, causing irritations, inflammations and consequent impairment of functions. The action of such toxins (poisons) makes it impossible for the heart, or any diseased organ, to get well until the "root of the evil" is eliminated.

Avoid extremes of every nature, as extremes of heat and cold, extremes of muscular effort as in work or in competitive sports, and, especially, extremes of emotion, such as sudden anger, frigit or great excitement of any kind.

For the American business man a special warning against extremes of fatigue, induced by work, worry or play, must be given.

Fellowship of Prayer

DAILY LENTEN DEVOTION

BY REV. C. H. WILSON, DD.
Federal Council Churches of Christ.
Copyright 1929.

"LENT AND MY GOD AND FATHER"

Memory Verse for Wednesday

"Like as a father pitieth his children, so the Lord pitieth them that fear him" (Psalms 103:13). (Read: Psalm 103.)

MEDITATION: Here is exquisite comfort for me though I must be careful not to make of it either condonement or license. It corrects my self-esteem, too. God does not expect too much of me. He remembers my weakness; He is considerate of me as of a little child. And then, "Like as a father." His pity is not contemptuous, but affectionate. I must be ashamed of my folly and sin. But I need not torment my soul over them beyond sincere repentance. The heavenly Father does not want me to be miserable. He cheers me with assurance of His everlasting mercy.

PRAYER: O God, our heavenly Father, who knowest our frame and remembrest that we are dust, have compassion on our frailty. Against Thee, Thee only, have we sinned; but there is forgiveness with Thee that Thou mayest be feared. Through a true repentance lead us forth into the brightness of Thy peace. Satisfy us early with Thy mercy that we may rejoice and be glad all our days. Amen.

Solution of Yesterday's Puzzle

NEURITIS

IT'S folly to suffer long from neuritis, neuralgia, or headaches when relief is swift and sure, with Bayer Aspirin. For 28 years the medical profession has recommended it. It does not affect the heart. Take it for colds, rheumatism, sciatica, lumbago. Gargle it for a sore throat or tonsilitis. Proven directions for its many uses, in every package. All drug stores have it. Be sure to get the *genuine* Aspirin, with Bayer on the box and the Bayer Cross on every tablet.

BAYER ASPIRIN

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

What Do You Know About Eastern Connecticut?

Questions.

1. What was the family name of the first settlers in the extreme west of Canterbury?
2. How did they improve the land?
3. What industrial enterprises did they conduct?

Burgess Bedtime Story

Peter Doesn't Envy Yap Yap

By Thornton W. Burgess

With your own lot be content,
Thankful for the good things sent.
—Peter Rabbit.

"Digger the Badger!" exclaimed Peter. "What did Digger the Badger move over near Yap Yap for?"

"What did Blackfoot the Ferret move over there for?" retorted Wanderer.

"Do you mean that Digger the Badger went over there to live for the same reason that Blackfoot the Ferret did?" asked Peter.

"Something of the kind," replied Wanderer. "You see, Digger has a liking for tender young Prairie Dogs, just as he has for Ground Squirrels and Gophers. You know, Digger is a meat eater."

"I know," said Peter. "I wouldn't want to live too near Digger the Badger. How that fellow can dig!"

"Indeed, he can," replied Wanderer. "I've seen him drag out Ground Squirrels many a time. They just haven't any chance at all. He can do the same thing to a Prairie Dog. Ground Squirrels and Prairie Dogs are good diggers, but they can't dig fast enough to get away from Digger the Badger. Of course, you know that he belongs to the Weasel family."

"So I have heard," replied Peter.

"He doesn't look it," continued Wanderer.

"Neither does Jimmy Skunk," Peter interrupted.

"That's so," admitted Wandered. "I had forgotten Jimmy. Digger has such short legs and he is so broad that it is hard to imagine him as being related to Blackfoot the Ferret and Shadow the Weasel and Billy Mink."

"Well, I shouldn't think he could move fast anyway," said Peter.

"That depends on which way he is moving," said Wanderer. "He can't run very fast because his legs are too short. So he doesn't try to run away. If anybody approaches that he is afraid of, he just digs in. But there are few he is afraid of. Very few people want to pick a quarrel with Digger the Badger. Even Old Man Coyote treats him with respect. Old Man Coyote wants no quarrel with Digger. I have heard say that he has the toughest skin of anybody out where he lives."

"I guess that's right," said Peter. "You know, Digger lives down here on the Green Meadows, too. He got here the same way that Old Man Coyote did. Bowser the Hound had a fight with Digger one day, and now Bowser is always very respectful when he passes near Digger's home. Yes sir, Bowser is always respectful. He never bothers Digger theBadger."

"That's where he shows good sense," said Wanderer." Any one who really wants trouble can find it and find it aplenty by picking a quarrel with bothers Digger the Badger."

Peter had been thinking things over. "I'm glad I'm not a Prairie Dog," said he. "Just think of having Blackfoot the Ferret, Billy Owl, Buzztail the Rattlesnake and Digger the Badger all living close by. It makes me creep all over to think of it. Sometimes I've thought that I was badly off, but I guess I'm not so badly off as I think sometimes. There's no enemy living in the dear Old Briar-patch anyway. Once I am in there, I have little to worry about. I should think Yap Yap would go crazy."

"Yet Yap Yap is one of the happiest little people I know of," said Wanderer. "You know, Peter, there is no use in worrying until something to worry about actually happens. Worrying about what may happen is foolish, because you know it may not happen."

Peter nodded his head sagely. "If I worried over what might happen, Wanderer," said he, "I wouldn't have time to do anything else."

"That's exactly the way Yap Yap feels about it," said Wanderer.

Arm Chair Journeys To Other Lands

By Hazel Reavis
(Associated Press Staff Writer)

ARM CHAIR JOURNEYS TO OTHER LANDS

Parisians Sleep While Tourists Make Whoopee

PARIS (AP)—Paris is known to the world as a wicked, night life town. If it is, the Parisians don't know much about it; they go to bed.

The average Frenchman, if there is such a person, likes to eat, sleep and talk. He may dance occasionally when he is young, but as age and food increase his girth he prefers a good dinner, served with words, and then he heads for the hay.

When tourist trade was slow last winter and champagne was $10 a bottle, the Montmarte cabarets closed their doors. For three months nine-tenths of them were dark- but with the return of tourists they are all working again. France has 40,000,000 people and the usual percentage of gay young blades, but the population of the night life district usually assays about 95 per cent foreigners. The Frenchman is in bed.

Paris boasts of the title "La Ville Lumiere"—"The City of Light"—but that is intended to apply principally to what France understands to be her reputation for illuminating thought and enlightening inelligence. There are many electric signs and plenty of lamp posts, but a tour of the town will show nearly all house lights out at 9 o'clock in winter and 10 o'clock in summer.

Tradition is strong in France, and one of the strongest is that people should be free to do as they wish, within reasonable limits. The Frenchman, therefore, asserting his right to freedom, feels free not to exercise it. At night he goes to bed.

The French, like other people, give late parties but not often. An apartment dweller is accorded by usage the right to have a reasonably noisy "blow out" well after midnight, if he wishes, at least once a month.

In general, the French family of moderate income throws a party in the form of a big night reception once a year, putting on then all the "dog" possible. Liveried doormen, waiters and cloak room attendants are hired from a caterer for the grand "bust," all branches of the family attend with all their jewels, and there is a buffet supper with a fair supply of very moderately priced champagne.

The concierge who opens the door for arriving and departing guests by pressing a button at her bedside while in a half sleep, gets a tip for agreeing not to be grouchy, and she is asked to warn other tenants not to expect the customary quiet of a French apartment house.

Montmartre, meanwhile, a hill in the northern section of Paris, is bright with scores of little dens that open about midnight for after-theatre crowds. Linguistic doormen and waiters foreign jazz bands, expensive wine and a lot of tired looking girls who are ready to dance with all comers, provide the early morning romance that makes Paris "wild."

INSTEAD of exercise

Don't suffer the consequences of persistent lack of exercise. Learn the simple secret of the exerciser in the vest-pocket box for a dime! Millions know it!

Cascarets make bilious, headachy, constipated people feel wonderful. Their effect is not only quick, but it's lasting. They give the bowels as much real exercise as they get from an hour in the saddle.

Oils, salts and ordinary laxatives do not act like Cascarets. These things produce only mechanical or chemical action. They actually weaken the bowels. You have to keep dosing with them.

Each time you use Cascarets your bowels become stronger. They are made from Cascara Sagrada, which stimulates the natural peristaltic action of the bowel muscles. Nothing else does this. That accounts for the popularity of Cascarets and their tremendous sales of over 20 million packages a year!

Most Lawn Failures Caused by Lack of Nourishment

A Condition Easily Corrected

GRASS, flowers, shrubs, trees—all plants—are like human beings. They are living things. They must be fed.

They need plenty of nourishing food for health and vigor. They require a "balanced diet," just as we do. Without it they become sickly and eventually die.

Yet most lawn failures are caused by actual starvation. The most elementary feeding needs have been neglected.

How can this condition be corrected, particularly in cities, where the best soils are none too good?

The easiest solution, thousands of home owners have found, is Vigoro.

Vigoro is a scientifically prepared, odorless plant food, originally formulated for gardeners and nurserymen. America's finest estates have used it for years with remarkable success. And thousands of small home owners have found it just as effective.

Properly balanced and complete, Vigoro supplies all the nourishment required for early, vigorous growth and full development of fruit, flowers and foliage.

It develops stronger root systems. It increases humus. It helps choke out weeds. Lawns become more heavily carpeted, greener. Flowers are perfect in color and kept blooming longer. Shrubs and trees take on a new vigor. And with Vigoro it is easier by far to have a successful home garden—crisp, flavory vegetables of all kinds.

Clean and odorless, Vigoro can be sown by hand, like grass seed.

Its cost of application is surprisingly low—only 10c to 20c for every 100 square feet. Full directions in every bag—100, 50, 25 pounds and 5 lb. packages.

See your dealer. There's one close by. Get your Vigoro now—enough for everything you grow. And *this* year have results such as you've never before dreamed possible.

The Calendar of Plant Feeding
THIS MONTH

1. LAWNS: As soon as grass shows green, or *any* time thereafter, apply plant food.
2. FLOWERS: Work plant food into soil before seeding; or for perennials, as soon as plants appear. For early large and richly colored blooms make later feedings.
3. VEGETABLES: Work plant food into the soil before seeding. Later feedings will hasten maturity, increase yields.
4. SHRUBS, TREES: Apply plant food any time after leaves appear.

Railroads Reduce Costs

WASHINGTON (AP)—The bureau of railway economics cites the "continued advance of the railroads toward a higher level of operating efficiency" as an outstanding development of the last year. 'Each year since 1923," says the bureau, "has shown a general improvement in railway efficiency, reaching a higher level in 1928 than ever before."

Oldest Bank Celebrates

NEW YORK (AP)—The Bank of New York and Trust company, founded six years after the colonies declared their independence of Great Britain, has just celebrated its one hundred and forty-fifth birthday. It is the oldest bank in New York and recently had a house warming at its new Wall street quarters.

LOCAL PRODUCE EDDLER WAS ROBBED OF $140

Louis Seigel, 27 of No. 124 Asylum street, a produce peddler, was robbed of $140 at the point of guns on the Spicer's hill, Fitchville, Monday evening about 8.30 o'clock, according to a report made to the state police. Seigel was returning to his home in his Reo delivery truck from Fitchville, where he had been working and found the highway at that point blocked with huge rocks.

Two masked men with revolvers ordered him to turn over his money, which he did and the bandits later disappeared into the woods. A description of one of the holdup men was secured by Mr. Seigel and given to the state police, who are investigating. The highway at another point was also blocked it was learned in the investigation.

SURPRISE BIRTHDAY PARTY FOR LISBON COUPLE

A surprise birthday party was given Sunday afternoon and evening in honor of the birthdays of Mr. and Mrs. Adolph Heinrich at their residence in Lisbon a number of friends and relatives attending. A delicious menu of chicken sandwiches, olives, pickles, rolls, lettuce and tomator salad, cake, cookies, coffee and ice cream were served in the dining room. Two lighted birthday cakes were the center of attraction. St. Patrick's day favors were at each plate.

Later in the evening a five piece orchestra furnished music for dancing. A violin solo by Edward Heinrich and a toe dance by Dorothy Schneider were features of the entertainment. Gifts of checks, furniture, linen and silverware were received by Mr. and Mrs. Heinrich. Upon departing those present extended Mr. and Mrs. Heinrich best wishes for many happy returns of the day.

FUNERALS

Mrs. Charles T. Ramage

The funeral of Mrs. Alixe W. Williams Ramage, widow of Charles T. Ramage, was held at 2 o'clock Tuesday afternoon at the residence of her son, Charles E. Ramage, in Uncasville. Rev. Charles Smith, pastor of the Uncasville, Rev. Charles Smith, pastor of the Uncasville Methodist church, conducted the service, which was attended by a large gathering of mourners, including relatives and friends from Brighton, Mass., New Bedford, Worcester, New London, Norwich and other places. There was a profusion of beautiful floral tributes.

Burial was in the family plot in Comstock cemetery, Montville, where a committal service was read by Rev. Mr. Smith. The bearers were Col. Henry Dorsey of New London, Sam Lightowlers of Wollaston, Mass., and Charles Hope, Ambrose Sullivan, Richard Johnson and William Beckwith, all of Montville. At the service at the house a duet, In the Garden, was sung by Mrs. William Aston and Mrs. Robert Dobbs.

Mrs. Charles N. Rogers, whose funeral is to be held today (Wednesday) was a lifelong friend and neighbor of Mrs. Ramage, their deaths occurring on Sunday within 12 hours time.

Martin LaFemina

The funeral of Martin LaFemina, 8 months old son of Mrs. Lucy LaFemina, was held at 8:30 o'clock Tuesday morning at his home, No. 111 High street. At the services in St. Joseph's church at 9 o'clock Rev. S. A. Telek and the choir sang. Burial was in the family plot in St. Joseph's cemetery. Besides his parents the child is survived by a brother. Undertakers Cummings and Ring had charge of the funeral arrangements.

Mrs. Edward Sims

At 2:30 o'clock Tuesday afternoon the funeral of Mrs. Edward Sims was held at the Church of the Good Shepherd, Universalist, with many relatives and friends attending, including people from New York, New London and other places. The service was conducted by Rev. A. N. Foster, pastor, and the music was in charge of the organist, Mrs. William Mitchell. Frederick T. Maples sang Some Sweet Day and The Home Beautiful. The bearers were Dr. Charles H. Lamb, George A. Keppler, Will S. Stearns and Edward Kinney. The body is to be taken to Springfield, Mass., for cremation.

Lydia Freestone.

At 2 o'clock Tuesday afternoon the funeral of Lydia Freestone was conducted by Rev. William J. Reynolds, pastor of the Lisbon Congregational church, at the funeral parlors of Undertaker George G. Grant in Taftville. There were a number of relatives and friends present from Willimantic, Colchester, Westerly and Norwich and burial took place in the family lot in Ames cemetery, Lisbon. Rev. Mr. Reynolds reading the committal service.

The bearers were Charles and Edward Kramer of Willimantic, Donald Kramer of Colchester and Robert Freestone of Westerly, all nephews of the deceased. Among the beautiful floral forms were a standing wreath from the Ponemah Mills, a large pillow and bouquet of Easter lilies from the Ponemah house, magnolia wreath from the Freestone family, Westerly, and a bouquet from Edward Kramer, Willimantic.

OBITUARY

Mrs. Roswell M. Butler

Mrs. Elizabeth S. Butler, 79, widow of Roswell M. Butler, died at 1 o'clock Tuesday morning in this city, following an illness of three years. Born in England, July, 1849, she came to this country as a young girl, and for the past 50 years had lived in Norwich, where she was united in marriage with Roswell M. Butler on June 24, 1879. Mrs. Butler is survived by three daughters, Mrs. John L. Moody, Mrs. William E. Wilson and Mrs. Anson R. Grover, and a stepson, Frank Butler, all of this city. Her husband died on Dec. 6, 1919. She was a member of Sedgwick Women's Relief Corps, No. 16 and of Christ Episcopal church. Mrs. Butler had many warm friends who will be grieved to learn of her death.

A white man and Negress appeared at the city hall in Ansonia and secured a license to wed. The man gave his name as George D. Lewis, of 2 Anson street, Derby, age 44, and occupation, boss dryer. The woman said her name was Minnie Saunders, age 27, of 4 White street, Ansonia, occupation housekeeper.

FISH AND GAME ASSOCIATION PLANS FOR ANNUAL BANQUET

The annual banquet of the Norwich Fish and Game club will be held Saturday evening, April 20, at the Waureegan hotel. This was voted at "club night" held Tuesday evening at Buckingham Memorial. A speaker of national prominence is slated to address the members on an appropriate subject, which will be of interest to the club members. A committee is to be appointed by President Louis R. Ortman, who presided at the meeting, to assist him in the arrangements.

More than 125 members and their friends attended the meeting, including guests from Taftville, Willimantic and New London, and the programme of entertainment arranged by the committee in charge was most enjoyable. A feature was the eleven reels of moving pictures depicting hunting and fishing scenes taken in different parts of North America, from Miami, Fla., to the most northern part of Canada.

Seven of the reels were shown by J. H. Otterson, representative of the Dupont Powder company of Wilmington, Del., and the remaining four by Jean Kieffer of Uncas-on-Thames. One reel showed snapshots of deer and moose feeding along the streams and in the forests in New Brunswick, while others gave the members an idea of the splendid salmon and pickerel fishing in Canada. A reel showing a party of duck hunters in action on Long Island was especially interesting, as were the views of hunting turkeys in the south and the fishing at Miami, Fla.

The four reels flashed on the screen by Mr. Kieffer were furnished the club through the courtesy of the National Sportsmen magazine, subscriptions to which were taken by several members, at the meeting. Of interest to the members was a short talk given by Mr. Otterson on Skeet Shooting. It was announced at the meeting that the club will hold a skeet shoot at their course on Saturday afternoon and it was voted to take $50 from the treasury for maintenance of the project during the summer.

Other matters of interest to the members were discussed at the meeting, during which cigars were passed around and a collection taken to defray expenses.

TRIAL OF AUTO DAMAGE SUITS BEFORE JURY

Trial of new auto-negligence actions brought against the Consolidated Rendering Co., of this city, by Michael Petrosky, minor, through Daniel Petrosky, his father, and by the father himself, was started in the superior court at New London Tuesday. Damages aggregating $15,000 are asked by the plaintiffs, as the result of an automobile accident in Douglass street, New London.

Michael seeks $10,000, claiming that on Nov. 22, 1926, at about 12.30 o'clock, one of the big trucks of the defendant company, operated by one of its men, was driving north in Douglass street past a parked car. The complaint states that the truck had passed the car but instead of again turning on its course, it continued in a westerly direction, striking a bicycle operated by Michael, knocking the boy to the highway, dragging him along for a distance and terribly injuring him.

The father, Daniel, sues for $5,000 for medical and hospital care he has already been oblized to pay for and for much more medical expense in the future.

The witnesses for the plaintiff heard Tuesday included Michael Petrosky and Dr. H. W. Wellington. At this juncture to convenience Dr. Joseph M. Ganey, the latter was placed on the stand as a defense witness.

Attorney Louis Schatz of Hartford is representing the plaintiff and Attorney Philip Z. Hankey the defendant. The following jury is hearing the case:

New ondon—Levi Kenyon, Archie F. Hutchins, Samuel J. Selleck.
Groton—George O. Vincent, George B. Lewis, Isaac C. Lamb.
Stonington—Frank Burroughs.
Montville—Fred Kent, Milton L. Bogue.
Ledyard—Andrew M. Avery.
Waterford—Frank W. DeWolf.
East Lyme—H. W. Smith.

TUG CAPTAIN DIED FROM HEART TROUBLE

Capt. David J. Hunt, captain of the tug "Commissioner" of the Merritt-Chapman & Scott Co., of New London, died suddenly about 7:30 o'clock Tuesday evening as his boat was proceeding from Allyn's Point to New London with a tow in charge. First Mate Ringvald Hansen noticed that just after the tug had left Allyn's Point Captain Hunt appeared to be very ill. With the assistance of Chief Engineer Noyes Smith, Captain Hunt was taken to the cabin and the tug put in to the dock at the Robert Gair company in Montville.

Dr. J. J. Donohue, medical examiner of the town of Montville, was summoned and found that Captain Hunt died of acute dilatation of the heart. Medical Examiner Donohue gave First Mate Hansen permission to proceed with the body to New London where the body was turned over to an undertaker.

Captain Hunt was a member of Union lodge, F. and A. M., of New London, and also of Pequot lodge, No. 84, I. O. O. F., also of New London. The first mate and chief engineer told Dr. Donohue that Captain Hunt had not been feeling well for the past few days and that on Monday he had visited a doctor in New London.

EAST PROVIDENCE CHURCH ASKS RETURN OF REV. BATH

The Haven Methodist Episcopal church at East Providence at its quarterly conference Monday evening, held in the Second Baptist church, voted to replace the edifice destroyed by fire a week ago, and appointed a committee to carry out the plan.

The meeting also voted unanimously to request the Southern New England Conference to return its pastor, Rev. William H. Bath, for another year. He was formerly located in Norwich as superintendent of the Norwich district.

A general committee was appointed to care for the rebuilding plans. Rev. Mr. Bath was made chairman.

FIREMEN CALLED OUT TWICE ON TUESDAY

Boys playing with matches are said to have been responsible for two brush and grass fires Tuesday. At 12:04 p. m., Squad A, Engine No. 1 and Acting Deputy Chief Dennis J. Brennan went to a brush fire in the rear of No. 142 North Main street, which was on land owned by Mrs. John Donovan.

The call for the grass fire in front of No. 604 Boswell avenue came in at 4:23 p. m., Squad A, Engine No. 2, Acting Chief Henry R. Taft and Acting Deputy Chief Brennan responding. The blaze was on land owned by Owen Smith. Pump guns were used to put out both fires.

On Honor List

Among the eleven undergraduates at the men's colleges at Brown university who are on the honor list of the department of mathematics for the first semester of the present academic year are Melvin O. Goodman, '32, and Saul Sussman, '32, of this city.

Norwich Golf Club Elects

The board of governors of the Norwich Golf club have elected F. Russell Smith club president. Other officers elected are: Vice president, David W. Morton; secretary and treasurer W. Manley Eastwood. Committee chairmen have been named as follows:

House, Joseph C. Worth; tournament, Earl Mathewson; tennis, Earl Mathewson; greens, Edward G. McKay.

Deputy Boxing Commissioner

James V. Peduce of this city, sporting editor of The Norwich Evening Record, has been appointed a deputy boxing commissioner by State Athletic Commissioner Thomas E. Donohue of New London.

TWO PLAYS GIVEN BY WOMAN'S CITY CLUB

Under the direction of Mrs. Willis P. Austin, chairman of dramatics for the Woman's City club, two plays were presented at Slater hall, Tuesday evening, before a large and enthusiastic audience of members of the club and their friends.

The first play, "Thursday Evening," by Christopher Morley, was a most amusing comedy, with the stage set as a kitchen, typical of any modern home. The four characters in the cast, Laura Johns, Gordon Johns, Mrs. Sheffield and Mrs. Johns, were most ably played by Miss Margaret Sullivan, Meredith Lee, Miss Bernice E. Willey and Mrs. Frank Lloyd.

The hearty applause and frequent laughter which greeted the clever lines and their interpretation by the actors showed true appreciation of the talent displayed.

The second play, "The Minuet," in verse by Gilbert Parker, was in marked contrast with the first, the scene being laid in France with costumes and furniture in keeping with the times. Mr. and Mrs. Willis P. Austin, who took the parts of the Marquis and the Marchioness, gave a vivid glimpse of the atmosphere of those days, 150 years ago. The role of the gaoler, taken by John Morley, added its part to complete the picture. The play was very enthusiastically received by the audience.

Between the plays, Mrs. Charles E. Schwenck rendered in beautiful voice these selections: My Love is a Muleteer, Since We Parted and the Little Green Leaves. She was ably accompanied at the piano by Mrs. Harry E. Stebbins.

The club is indebted to the Plaut-Cadden Co. and the Eaton Chase Co. for the use of the furniture and properties.

AMERICAN LEGION TEAM DEFEATS PIONEER HOSE

The Pioneer Hose team of New London was defeated by the Taftville American Legion squad in a rifle match Tuesday evening at the local armory. The locals trimmed the Whalers by a score of 809 to 692. Damon, of New London, was credited with high score for the evening, although his team lost with Miller of the locals second, having 169. The results were:

Taftville American Legion

	O.H.	Knlg.	Sit.	Pr. Ttl.
Miller	30	45	47	47—169
Benoit	35	41	45	45—166

MERCIER ASSEMBLY RECEIVES CLASS OF TWENTY-FIVE

A regular meeting of Mercier assembly, C. L. C., was held in their assembly hall Tuesday evening with the president, Miss Loretta Gadie, presiding. A class of 25 was initiated. Plans are well under way for the Easter Monday dance to be held in T. A. B. hall. A meeting of the dance committee will be held in the rooms Friday evening. Miss Mary O'Neil was made chairman of a whist to be held at a later date. Miss Helen Twomey was elected chairman of a minstrel show to be given by the Wandering Minstrel troupe.

BOARD RESERVES DECISION IN ZONING APPEAL

After a hearing in the mayor's office Tuesday morning, the joint zoning board of the city and town reserved decision on the appeal taken by Charles S. Hewitt, from the decision of Selectman William S. Murray in refusing him a permit to build a tea room and gasoline station on his premises abutting on the Military highway.

A hearing on the appeal of Harry L. Lathrop was started and adjourned until Friday afternoon at 2:30 o'clock. Mr. Lathrop appeals from a decision of the selectman in refusing him a permit to build a gasoline station on his premises at No. 271 Washington street.

TO MEET NEPHEW RETURNING FROM TOUR

Mrs. William Carroll of No. 315 Boswell avenue, left Tuesday morning for New York where she is to meet her nephew, William J. Connors. Mr. Connors is returning with a party of students on the President Hayes of the Dollar line, after completing a world-tour. Mr. Connors is soon to take up the practice of law. He is a graduate of the Catholic university at Washington, D. C., and was admitted to the bar in Los Angeles, Cal. He is very well known in Norwich as he has often visited at his aunt's home here.

FRANK BRUETTE SENT TO ISOLATION WARD

Frank Bruette, 46, of No. 21 Franklin street, the second person to disobey the orders of City Health Officer Dr. E. J. Brophy, has been ordered by the doctor to confinement for several weeks at the W. W. Backus hospital. He was assigned to the isolation ward occupied by Lucius Yerrington, 25, of Carter avenue. Bruette was exposed to the disease at the home of Raymond Waters, 16, of White Court, a smallpox victim.

EIGHTEEN DOGS KILLED, NINE OTHERS QUARANTINED

Eighteen dogs have been disposed of and nine others quarantined as the result of the mad dog scare last week, according to Selectman William S. Murray Tuesday evening. It is not definitely known just how many dogs came in contact with the mad dog which was killed by Dog Warden Chester K. Bushnell.

COUNCIL CAN TAKE POWER FROM G. AND E. BOARD

That the recent city meeting had no power to fix rates for gas and electricity, is the opinion of Corporation Counsel E. W. Perkins in a communication which he has sent to the board of gas and electrical commissioners of the city in reply to several questions asked him by the board. The corporation counsel informs the board that the management and control of the city's plant and the fixing of rates, is vested in the commissioners, but he adds that the court of common council has the right to strip the board of commissioners of all its power. In his communication to the board of G. and E. commissioners, Mr. Perkins says:

In the absence of any ordinance of the city, the responsibility for the operation, control and management of the city's light and power plant rests upon you, the board.

There is now no ordinance or order of the city which limits the power entrusted to your board under the provisions of chapter 20 of the general statutes or the amendments thereto. The methods of accounting which you refer to, are not created by ordinance, but by special acts of the legislature, which are part of the charter of the city.

A committee of citizens have no legal rights to fix and determine the rates to be charged consumers of gas and electricity, even though a special city meeting ratifies, approves and confirms the findings and rates recommended and fixed by such committee.

A meeting of electors of the city has no specific power or authority over the action of your board relative to the operation, control and management of the gas and electrical plant, including the making of rates for gas and electricity. The general statutes of Connecticut and the charter of the city give your board the right to operate, control and manage the gas and electrical plants, and fix rates subject to action by the court of common council.

The general statutes and the city charter as they now exist, and the proposed charter, give an annual meeting or special meeting of the city no power to limit the authority vested in your board. Such meetings, as your question indicates, have the right to authorize or withhold appropriations, authorize the issue of obligations and place conditions and limitations on these acts. An annual or special city meeting has a legal right to authorize the sale of the gas and electrical plants until that right is given by the legislature.

The two special meetings recently held had no power to regulate, control or prohibit the sale of appliances, and the votes passed have no legal effect.

The recent city meeting, had no power to fix rates for gas and electricity and any and all votes relating to rates have no legal effect.

There are other principles of law and fact that I shall submit for your attention. Your board and the court of common council are the servants and agents of the electors of the city. The electors are the owners of the gas and electrical plants and their will should control the management of the gas and electrical plants through their officials, except as limited by the state of Connecticut.

The state has placed no limitation upon the management of the gas and electrical plants or rates to be charged, except to provide that a price of gas and electricity shall not be fixed to return a net profit of less than five per cent. per annum on the cost of the investments in plants and also depreciation of the plants at not less than five per cent. per annum.

The management and control of the gas and electrical plants and the fixing of rates is vested in your board, subject, however, to action by the court of common council, and the council's only limit of power over your board is on the matter of rates. The council can fix rates if they yield a return not less than that fixed by statute. The statute also places the maximum return from a municipal plant which is not involved in the present situation, the state, the relation simply,—the court of common council has the right to strip your board of all its power.

INCIDENTS IN SOCIETY

Mr. and Mrs. Albert M. VanWagenen, Jr., who sailed for England in February, flying from London to Paris, are leaving Havre today (Wednesday) on steamer Ile de France. They are due in New York March 26th.

J. Harry Shannon has returned following several weeks' stay at his winter home in Orlando, Florida.

When Mrs. Charles Breed Gilbert, of Williams street, gave a hospital bridge at the week end, the prizes were won by Miss Marion Lee Bishop and Mrs. Lucius Briggs. Later a number of friends came in for tea. Mrs. Henry F. Parker pouring.

The Tuesday Afternoon club members went to Light-house Inn for a St. Patrick luncheon and card. Decorations, place cards and favors were in white and green. The prizes were won by Mrs. J. Edward Driscoll, Miss Alma Bowman and Mrs. Charles C. McNamara.

Mrs. Helen B. Zabriskie and Miss Barbara F. Allen are guests at Hotel Montclair, New York for several days.

Miss Annie L. Ruggles and Miss Isabel H. Mitchell sail from Boston Thursday for several months' travel in southern Europe.

ROOT FORMULA MIGHT MEET WITH OPPOSITION IN SENATE

WASHINGTON, March 19—(AP)—Storm clouds are gathering in the senate over the new formula for the American adherence to the world court and senate ratification is necessary before it can become operative.

The proposal was worked out at Geneva by Elihu Root to bring about an understanding between the world powers on the senate's controversial reservation respecting advisory opinions by the court.

There was no official or public comment at the capital today on the text of the modified Root formula made public last night at Geneva through the Associated Press but there were some private expressions of concern over the final wording of the proposal.

Expressions of discontent were heard from sources unfriendly in the first instance to American entry into the court and these could not be discounted completely as no approval of the Root plan was voiced by friends of American adherence to the court.

At the state department it was reported that this government was fully informed on the course of events at Geneva. This was taken to mean that Mr. Root's plan had been presented to this government before its final adoption by the commission of international jurists which is engaged in revising the court's rules.

OBITUARY

William Carey Poland.

PROVIDENCE, R. I., March 19—(AP)—William Carey Poland, professor emeritus of the history of art at Brown university, since his retirement in 1915 and nationally known for his writings on art and archaeology, died tonight at his home here. He was 83 years old.

A graduate of Brown in the class of 1868 and a recipient there of the honorary degree of Litt D in 1904, Dr. Poland was on the university's teaching staff for more than 40 years.

From 1896 to 1907, he was president of the Rhode Island School of Design.

OIL PRODUCTION CUT IN OKLAHOMA FIELD

OKLAHOMA CITY, Okla (AP)—Unprecedented steps have been taken by Oklahoma oil operators to remedy overproduction in Greater Seminole field, the state's flush area.

To curb production to 650,000 barrels a day for the state, Greater Seminole operators have reduced their output from 18 to 23 per cent. Each company makes affidavits of its decreased runs to a field umpire.

A six-day week, an innovation in the oil industry, has been tried by a dozen companies with successful results. Operators have found that shutting down for one day, generally Sunday, does not retard the oil's flow or injure recovery.

A 12-hour day and seven-day week has been the past program in most oil fields. This schedule still exists outside the Greater Seminole area and in wells which show water with oil. Some companies have kept the seven day program, but work eight hours instead of 12.

In no instance has pay of employes been reduced because of shortened hours.

THREE LARGEST BANKS LOCATED IN ENGLAND

LOS ANGELES (AP)—Three British banks outrank in total deposits any bank in the United States.

The annual list of leading banks, published by the California bank of Los Angeles, shows that 14 of the 25 largest banks in the British empire and the United States are located in this country.

Heretofore the Guaranty Trust company and the National Bank of Commerce were ninth and fifteenth respectively on the list. The merger of these institutions as the Guaranty Trust company gives the new bank fourth position.

The Midland bank, Lloyd's bank and Barclay's bank, all of London, head the list with deposits of more than $1,500,000,000 each.

AIR SERVICE STATIONS TO SPEED TRAVELING

NEW YORK (AP)—Twenty-six air service stations will be established at the principal airports throughout the country, says an announcement by the Wright Aeronautical corporation, for the purpose of supplying first aid to airplanes in distress.

Expert mechanics will be on duty at all times to test motors and make repairs. It was pointed out that flights of any distance away from home ports had heretofore been handicapped by lack of facilities for repairs.

CHORE BOY BECOMES PRESIDENT OF FIRM

NEW YORK (AP)—Harry A. Cronk, new president of Borden's Farm products company, was a chore boy in a rural dairy 30 years ago.

In Binghamton, N. Y., where he was born, he began his "milk career" by helping a local dealer after school hours. He went to high school for two years and then worked for a butter company. From that point by natural stages he joined the Borden company and served in many important executive positions.

FIRMS GO ABROAD TO AVOID TARIFF

NEW YORK (AP)—The world-wide net work of Ford Motor company subsidiaries soon will include eight manufacturing plants in various European countries.

Well-founded reports in Wall street forecast that several other important American enterprises are considering a similar policy in their plans for expansion outside the United States. The chief gain is seen in the avoidance of tariffs and other barriers to international trade.

The newly organized Ford companies will be located in Belgium, Spain, Holland, France, Sweden, Finland, Germany and Italy.

U. S. RECEIVES BENEFIT OF ANTI-JAPANESE MOVE

MANILA (AP)—Japanese importers have been obliged to improve their facilities for distributing goods through the Philippine Islands because of the anti-Japanese boycott launched by Chinese shop keepers.

Importers of staple American commodities have been the chief beneficiaries of the boycott but the Chinese merchants, by purchasing American products, chiefly textiles, have been brought into competition with older distributors.

Investors Become Wary

NEW YORK (AP)—Wall street brokerage houses look for a new and more cautious attitude on the part of American investors toward securities of British corporations. The action of the General Electric company of England in making its new issue of stock exclusive to British buyers is causing security buyers on this side of the ocean to scrutinize carefully a foreign company's charter before writing a check.

Oil Men Watch Aviation

NEW YORK (AP)—The American petroleum industry is looking fondly on the infant aviation industry and wondering how soon it will be big enough to help support the family. With the fact of the automobile industry in mind, it is little wonder the oil companies are examining each development in air mail and passenger traffic with high hopes.

NOTICE!

Milk Dealers

Norwich, Conn., March 19, 1929.

In view of the several cases of Small Pox present and the possibility of the disease assuming an epidemic form, I would urge that all the milk dealers be vaccinated as soon as possible.

Clarence G. Thompson, M. D.
Milk Inspector City of Norwich.

No More Gas In Stomach and Bowels

If you wish to be permanently relieved of gas in stomach and bowels, take Baalmann's Gas Tablets, which are prepared especially for stomach gas and all the bad effects resulting from gas pressure.

That empty, gnawing feeling at the pit of the stomach will disappear; that anxious, nervous feeling with heart palpitation will vanish, and you will again be able to take a deep breath without discomfort.

That drowsey, sleepy feeling after dinner will be replaced by a desire for entertainment. Bloating will cease. Your limbs, arms and fingers will no longer feel cold and "go to sleep" because Baalmann's Gas Tablets prevent gas from interfering with the circulation. Get the genuine, in the yellow package, at any good drug store. Price $1.

New York Versus London

NEW YORK (AP)—The more or less friendly tussle between New York and London for the upper hand in world finance has centered thus far around the stocks of these concerns:

The International Nickel company, Ford of England, N'Changa Copper Mines, Limited, General Electric, Limited, and the Famous Players Canadian corporation.

Farmers Save $100,000

BROWNWOOD, Texas (AP)—A campaign against internal parasites of all kinds of poultry, waged in Brown county last year, is estimated to have saved at least $100,000 worth of poultry and e

PLAINFIELD PROS MEET COLORED GIANTS FOR THIRD TIME TONIGHT

Tonight's Lineups

Phila. Giants	Plainfield
Berthard, rf	rf, Kasper
Banfield, lf	lf, Brusso
Cooper, c	c, Williams
Chambers, rg	rg, Dissinger
Yancey, lg	lg, Bernot

For the third and last time this season the Philadelphia Colored Giants, one of the leading Negro basketball teams in the east, will appear this evening at the Plainfield Community floor to battle with the Plainfield Pros. So far this season the Plainfield team has taken the measure of the Giants twice, both times by close scores. The first game went to the Pros by a 39 to 37 score and in the second game the score was 36 to 25.

The Giants come to Plainfield tonight at their own request seeking revenge for the two previous defeats. If Plainfield wins tonight's game it sets a record for no team has ever beaten the Giants three games in a single season. Without doubt the Giants present as fast a team as has been seen on the floor this season with the possible exception of the Renassance and the Arcola Bears. Tonight's game will be worth seeing as the Giants are determined to wine out the stain of the two other beatings by administering an overwhelming trouncing to the Pros.

In the preliminary game the Plainfield Buddies clash with the pick of the Willimantic City league. This all star team is out to mar the Buddies' perfect record on their home floor. Dancing will follow the big game.

PRESS BOX AT YALE BOWL TO BE COVERED

NEW HAVEN, March 19—(AP)—At a meeting of the board of control of the Yale University Athletic association Monday night, approval of the plan to cover the press stand at the bowl was given; the recommendation of the undergraduate athletic association that the award regulations governing swimming be broadened was passed; plans were set under way for the immediate development of nearly ten acres of property for additional playing fields near the bowl; the major "Y" was awarded to members of this year's championship university hockey team and numerals voted to the members of the championship freshman hockey team.

The plans for a covered press stand specify protection against the elements but because of possible alterations on the west side of the bowl the board voted to authorize only a temporary covering at this time, work on which will be started this summer. The new shelter for the press will be completed by the opening of the football season.

The front of the press stand will be open, with the exception of an overhang from the roof. At the rear of the shelter a number of sliding glass windows affording light and air will be built as well as doors at each end of the stand.

The following members of the university hockey team were awarded the major "Y": J. P. Bent, '30 S; R. G. Cady, '29 S (captain); P. Curtis, '29; F. Farrel, 3rd, '31; D. H. Hickok, '30; F. L. Luce, Jr., '31; D. R. McLennan, Jr., '31; F. A. Nelson, Jr., '31; W. H. Palmer, '30; R. Schley, Jr., '31; C. S. Smead, '31; R. F. Wilson, '30; E. Austen; '31; N. E. Jennison, '30 G; W. Sizer, '30; J. C. West, '30, and T. C. Farnsworth, '29, manager. Gold charms were awarded to Coach L. M. Noble and Trainer Robert Miller.

In accordance with the policy of "athletics for all," the board voted to improve nearly six acres of land recently acquired. The fields will be available for sports next spring and will provide space for football, baseball, lacrosse and soccer.

YANKEES NOSE OUT BRAVES IN TENTH

ST. PETERSBURG, Fla., March 19—(AP)—Although outhit by ten blows to six, the Yankees won from the Braves by 6 to 5 in ten innings here today in the fourth game of the inter-club series. The world champions have won three of the four contests. The Braves filled the bases with none out in the ninth, but Myles Thomas held them from the plate. The Yanks won in the tenth on two passes and Lazzeri's double.

The score:

Boston (NL)	210	010	010	0	—5	10	2
New York (AL)	220	000	100	1	—6	6	2

Leaverett, John Cooney, Delaney, Cantwell and Collins, Legett; F. Thomas, M. Thomas, Heimach, Dickey and Jorgens.

CARDS COME BACK AND TROUNCE BOSTON RED SOX

AVON PARK, Fla., March 19—(AP)—After dropping two consecutive exhibition games, the St. Louis Cardinals came back today to defeat the Boston Red Sox on the Cardinal spring training lot, 5 to 3. A ninth-inning rally by the Red Sox fell short with two runs, Clarence Mitchell, veteran Cardinal southpaw, drove in two runs in the second with a single and this proved to be the margin by which the National league champions won. Carey Selph, young candidate for Frankie Frisch's berth at second, had an impressive day with three hits.

Boston	000	100	002	—3	12	0
St. Louis	031	000	01x	—5	11	1

Morris, Ruffing and Heving, Berry; Mitchell, Lingrel, Johnson and Manguso.

BEARS HIT THREE PITCHERS TO BEAT ATHLETICS

FORT MYERS, Fla., March 19—(AP)—A trio of pitchers held the Philadelphia Americans to nine hits today, none for extra bases and all scattered, enabling the Newark Bears, International league, to defeat them, 9 to 3.

While the Bears were able to make only one extra-base hit, bunched singles and errors by the Athletics gave them tallies in four innings. The score:

Newark	002	120	004	—9	11	0
Philadelphia (A)	001	010	010	—3	9	4

Batteries: Mamaux, Johnson, Bagby and Skiff, Uzmann; Grove, Rommel, Diesenroth and Glowacki, Perkins.

BROWNS BEAT PHILLIES IN EASY PRACTICE GAME

WINTER HAVEN, Fla., March 19—(AP)—The St. Louis Americans defeated the Philadelphia Nationals today, 10 to 5.

The Phillies had a slight lead in the early innings but the Browns slugged out a run or more in five consecutive innings while their pitcher bore down. The score:

St. Louis (A.)	200	132	130	—10	16	2
Phila. (N.)	301	000	001	— 5	10	1

Batteries: Gray Crowder and Ferrell, Schlang; Collins, Roy and Lerian, Davis.

Giddens Harvard Hockey Leader

CAMBRIDGE, Mass., March 19—(AP)—Francis R. G. Giddens, of Ottawa, Canada, today was elected captain of the Harvard hockey team for next season, succeeding John Tudor. Giddens, member of the class of 1930, has played right wing for two seasons and is one of the outstanding players on the team.

BRUINS TAKE FIRST GAME FROM LES CANADIENS

BOSTON, Mass., March 19—(AP)—The Boston Bruins, champions of the American division of the National Hockey league, obtained the jump on Les Canadiens, the International section title holders, by smashing out a one to nothing victory here tonight in the first game of the Stanley cup playoff.

Though both teams appeared equally matched, the Bruins were able to take advantage of the only break of the game, which came in the opening period. The clash was less than eight minutes old when little Cooney Weiland, the Bruins second string center, rushed with Captain Lionel Hitchman. The latter carried the rubber down the center as his mate skirted down the left wall. Both crossed the blue line together and once inside, Hitchman snapped Weiland a perfect pass. The little center continued along the wall for about ten yards, cut in sharply behind Burke and Mantha, and rammed a left handed shot into the open corner of Haines Worth's net.

Half way through the second session, the flying Frenchmen had almost the same scoring chance, Morenz and Patterson broke through, and Tiny Thompson stopped the former's shot. Patterson played the rebound and the Boston goalie came out to make the stop. Mondu swept in and caged the rubber while Thompson was outside but Referee Smeaton ruled that Morenz was off side and the tally was ruled out.

The Bruins victory was the first they have scored on Les Canadiens in Boston since November 1926.

DUNDEE MUST MEET EITHER FIELDS OR THOMPSON

CHICAGO, March 19—(AP)—Despite a last minute telegram from Max Waxman, manager of Joe Dundee, that the world's welterweight champion would be ill before March 21 to defend his title, Paul Prehn, chairman of the National Boxing association, ruled today that Dundee must meet the same requirements exacted from Mickey Walker or cease to be recognized as champion of the N. B. A.

Jackie Fields and Young Jack Thompson are the logical contenders recognized by the N. B. A., President Prehn said. Dundee must file signed contracts before Thursday calling for a bout with either of the two with a certified check for $10,000.

The contracts and check, President Prehn ruled, must be placed in the hands of Edward C. Foster, of Providence, R. I., chairman of the championship committee. Fields and Thompson meet at the Coliseum here March 28.

LOCAL BOYS PLAYING WITH WILLIAM AND MARY FRESHMEN

Mace Goldblatt and Stephen Cimikoski, two former Academy athletes are playing with the William and Mary freshmen baseball team. Goldblatt is catching and Cimmy is playing the third base position. The freshman team recently took over the varsity in a nine inning game. Goldblatt and Cimmy playing the entire game. The freshmen are exceptionally strong this year, having four all-state pitchers in Peitil, Taylor, Sudi and Gryfith. McBride, an All-Washington man is at first base, with Misilieski, All-New Jersey player at second, Engleberd, all-West Virginia shortstop and Cimikoski at third. The outfield is exceptionally strong.

The freshmen have a schedule of 20 games with the freshmen of the leading colleges in the east.

ALL-HELLER FIVE PLAYS DANIELSON SATURDAY NIGHT

The All-Heller Five of Willimantic furnish the opposition for the Danielson Town team at the Danielson town hall on Saturday evening. The Heller Five is one of the few brother basketball teams in the country and is quite some attraction. The Hellers are all college or high school stars, Sammy and Hymie performing with Brown university teams in football and baseball, while the other brothers played with other college teams.

This game will probably be the last before the series between Danielson and Plainfield which is expected to start soon if Danielson and Plainfield come to terms.

MAPLE LEAFS BEAT COUGARS IN PLAY-OFF

DETROIT, March 19—(AP)—Toronto's Maple Leafs piled up a 3 to 1 victory over the Detroit Cougars tonight in the first National league play-off game between the two third place teams.

Andy Blair turned the trick for the fighting Leafs. He scored a goal in the first period and one in the last. Art Smith, another new comer, scored a goal in the first period for the Leafs, while George Hay, Cougar star wingman, counted for the Cougars late in the final period on a lone drive.

The Leafs piled up a two goal lead in the first period and then successfully held the Cougars back for a period and a half. After Hay counted in the third period the Toronto team let loose with another offense that resulted in Blair's goal.

Fifteen penalties were called, one or other of the teams being a man short during a great part of the play.

Sonnenberg Wins

GREENSBORO, North Carolina, March 19—(AP)—Gus Sonnenberg, world's heavyweight wrestling champion, successfully defended his title here tonight, winning over Dave Shannon, St. Louis, in straight falls. The former Dartmouth football star won both falls with his famous flying tackle, taking the first in 13 minutes and 40 seconds; the second in 6 minutes 20 seconds.

Eagles Swamp Newark

NEW HAVEN, March 19—(AP)—The New Haven Eagles swamped Newark tonight in the final home game of the Canadian-American league, 6 to 1. The victory practically assures the winners of third place and a position in the play-offs. Barry, center ice player contributed the best individual performance here during the season, scoring four goals unassisted and taking part in the others. Newark played a loose game on the defense.

SPORT SLANTS

By ALAN J. GOULD
(Associated Press Sports Editor)

NEW YORK, March 19—(AP)—The east already has fair warning of another powerful invasion of far western talent in quest of college laurels.

It's close to an all-a-year-round menace now. No one has forgotten how Stanford and Oregon Aggies mopped up on the gridirons of New York last fall, after Stanford and California had taken eastern rivals for a ride in the big rowing and track classics of the year.

The echoes of performances already under way on the Pacific coast forecast the establishment of Stanford as the favorite to again romp off with the Intercollegiate A. A. A. A. championships at Philadelphia in May. At the same time, California's world's championship crew has started preparations for the defense of the intercollegiate title at Poughkeepsie in June. The Bears will be favorites here, especially if they overcome Washington on the coast next month.

Stanford and California have most of their 1928 power on hand to start with, plus the advantage of earlier opportunities for training, while most of their eastern rivals are still indoors or just beginning to break through the ice outdoors.

In National league circles, the Phillies and Futility have been somewhat synonymous in recent years. The Phils have occupied the cellar position six times in the last nine seasons. They haven't been in the first division since 1917 and they won't land, there this season, unless a miracle is performed, but the situation at least has taken a turn for the better.

Critics who have scanned the hopefuls in the south regard the Phils as one of the most improved clubs in the league with an infield that may be rated with the best when the actual returns are tabulated.

The record of "fastest miles" by various means, apears to have started something. The latest reports are that a bicyclist named Murphy once pedalled a mile in 57 seconds behind a train. It is not quite clear whether this was as hazardous as it sounds, or whether Murphy merely was bumping along perhaps on a parallel roadway, but the record is not in the books which give credit to Menus Bedell, the old professional star, for reeling off the fastest mile on a bike. Bedell was timed in one minute, four and one-fifth seconds in a motor-paced dash against time at Philadelphia, June 30, 1917. At the same time Bedell hung up marks for three, four, five and ten miles but failed to displace the other intermediate marks registered by Ray Duer at Los Angeles June 27, 1909.

BUDDIES SECONDS WIN EASILY FROM WILLIMANTIC

At the Plainfield Community house Tuesday evening the Plainfield Buddies second team administered a severe trouncing to the Willimantic team 56 to 33. Allard and Mette featured for the Seconds while Mella was high scorer to rthe Willimantic five. The summary:

Y SENIORS LOSE ANOTHER CLOSE GAME TO MU IOTAS

The Norwich Y Seniors lost another close game to the Mu Iotas of New London at the New London Y. M. C. A. floor last night, the score being 34 to 31. The Y Seniors and the Whalers battled on almost even terms during the game, the score at half time being 14 to 13 in favor of the New London boys. The second half was a repetition of the first, the New Londoners scoring 20 points to 18 tallied by the Y Seniors. The summary:

WIDE, CONGER AND LERMOND AT NEW HAVEN TONIGHT

NEW HAVEN, March 19—(AP)—The annual track and field games under the auspices of the New Haven firemen at the arena here tomorrow night, is headed by a list of distance stars supported by a cluster of collegians and club performers. Edvin Wide, Swedish Olympic star, Ray Conger, of Iowa, Leo Lermond, who holds a victory over Conger, conqueror of Nurmi and Ove Anderson of Finland, will toe the mark in their specialties.

Yale's combined track team will take part in the events. Foremost of the Eli entrants is Fred Sturdy, pole vaulter, who will attempt to shatter the record set by Sabin Carr, of 14 feet, two inches. Of the six colleges that have entered competition, Holy Cross is considered to make the best showing, especially in the dashes and shorter runs.

Pershing's Son Loses Out

NEW HAVEN, March 19—(AP)—Announcement was made today of the appointment of George B. Longstreth, Milford, Ohio, as manager of Yale's 1930 hockey team. In competition for the managership in 1931, John D. Garrison, Greenwich, was chosen assistant manager over Francis W. Pershing, son of General John Pershing, of Lincoln, Neb.

Glick and Kaplan Matched

NEW HAVEN, March 19—(AP)—Joe Glick, Brooklyn and Louis (Kid) Kaplan, Meriden, two of the outstanding lightweight boxers of the country, were matched today as opponents for a 10-round feature bout here April 2.

CAREY NAMED TO SUCCEED RICKARD AS HEAD OF MADISON SQ. GARDEN CORP.

NEW YORK, March 19—(AP)—William F. Carey, the first of the late Tex Rickard's "600 Millionaires," today became the head of the Madison Square Garden corporation.

A "big business" man of Wall street, powerful figure in Garden affairs even when Rickard was at the helm, Carey has been the temporary leader of the corporation since Rickard's death in January. Today the board of directors unanimously elected him president.

Although Carey's election had been forecast for months and came as no surprise, the gray haired railroad builder and financier decided only yesterday that he could spare the time for the new position. Last night Carey was the guest of New York boxing writers at a banquet. Richard Hoyt, chairman of the board of directors, announced that Carey would accept the post.

Carey celebrated his decision today by taking newspapermen for a boat ride in the Hudson river while he searched for possible sites for a seaplane landing basin. He gave his first interview as president of Madison Square Garden perched high in the prow of the squat tug.

There will be no changes in organization or Garden personnel, he said, and the boxing business will be conducted along the lines established by Rickard. He plans to move his Wall street offices into the Garden within a month.

Carey is a multi-millionaire, slightly more than 50 years old, and is president of nine corporations, vice president of six and on the board of directors of four others. He first became interested in Madison Square Garden when one of his construction companies secured the contract to build the arena. With the job little more than half finished and $750,000 in cash needed to complete the financing, Carey subscribed the sum and became vice-president and treasurer of the corporation.

Carey was born in Hoosic Falls, N. Y., and took his first railroading job driving spikes with a section gang. When 22 years old he was made general superintendent in the construction of Panama Canal. He had directed construction companies in the Orient, Russia, and South America, built parts or all of several railroads in the west and mid-west and now heads a company building a $45,000,000 railroad across the Andes mountains in Bolivia.

In addition to declaring a quarterly dividend of 37 1-2 cents per share, the Garden directors today elected Hammond vice president to fill the vacancy caused by Carey's advancement. Bernard F. Gimbel was elected to the board of directors and James I. Bush to the executive committee to fill vacancies caused by Rickard's death.

Carey's acceptance of the presidency seemed tonight to indicate that Dempsey will form no alliance with the Garden.

Y GIRLS PRACTICING HARD FOR GAME THURSDAY NIGHT

The newly organized girls team of the Norwich Y. M. C. A. is putting in some stiff practice sessions in preparation against the girls team of the New London Y whom they play in the preliminary to the Coaches-N. F. A. game on Thursday evening.

Mrs. Randy Whaples, high scorer for the Conn. Aggie girls team for three years, is coaching the squad and will play one of the forward positions. From all reports, the team is developing into a fast combination and will give a good account of themselves against the New London team. The New London Y. M. C. A. is represented by the Williams Memorial Institute team.

CONN. AGGIES GET PLACE ON AMHERST GRID SLATE

AMHERST, Mass., March 19—(AP)—Amherst college's football schedule for 1929, released today, calls for a game at Princeton on October 5, after a lapse of a year. Connecticut Aggies, Lowell Textile and Tufts are other new teams on the schedule, replacing Bowdoin, Haverford and Trinity.

The schedule: September 28, Connecticut Aggies; October 5, Princeton at Princeton; 12, Lowell Textile; 19, Hamilton at Clinton; 26, Wesleyan; November 2, Massachusetts Aggies; 9, Tufts; 16, Williams at Williamstown.

PIRATES MAKE MERRY AT EXPENSE OF SEALS

SAN FRANCISCO, March 19.—(AP)—The Pittsburgh Pirates had a first class batting practice today at the expense of the San Francisco Seals of the Pacific Coast league, winning 17 to 1 after clouting the offerings of three pitchers for 20 hits. Fred Russell, left hander, started for the National leaguers and after allowing a nerun in the first inning, blanked the Seals for the next four frames. Joe Dawson, right hander, whitewashed the locals for the rest of the game. All nine starting players for the Pirates got at least one hit.

Pittsburgh (NL)	400	014	002	—17	20	1
San F'cisco (CL)	100	000	000	— 1	8	5

Fussell, Dawson and Inton; Turpin, Gomez, Couch and Schmidt, Reed.

Clancy H. C. Basketball Leader.

WORCESTER, Mass., March 19—(AP)—Stuart J. Clancy, of Branford, Conn., was elected to captain the 1929-30 Holy Cross varsity basketball team at a meeting of the letter men today. Clancy, who is captain-elect of this fall's football team has played guard with the court quintet for two seasons. He is the first man in many years to captain two Holy Cross sport teams.

Yankees Win.

The Laurel Hill Yankees beat Williams Street 13-11 at the Academy campus Monday afternoon. B. Marshall, of the Yankees, knocked a home run to the fence. The lineup for the winners was as follows:

J. Hastedt p, H. Taber 1b, J. Waters 2b, V. Marshall 3b, A. Ross ss, J. Perry lf, R. Throop cf, F. Aubrey rf.

Montville A. C. to Play Baltic.

The Montville A. C. will engage the Baltic Maroons in what should prove to be a fast and interesting game at Montville tonight in the preliminary game the Montville Seconds will oppose the Morgan A. C.

CUBS GET 16 HITS TO WIN FROM LOS ANGELES

LOS ANGESLES, March 19.—(AP)—The Chicago Cubs, piling up 16 hits behind the steady pitching of Horne and Gramon, won the odd game and the exhibition series with the Los Angeles club of the Pacific Coast league by taking today's tilt 11 to 3.

The Cubs found the deliveries of Barfoot and Roberts easy to solve Norm McMillan and Hack Wilson poling home runs, "Kiki" Cuyler getting four hits including two doubles. In five trips to the plate and Rogers Hornsby connecting for three blows in as many times at bat.

The Cubs will open a five game series with the Detroit Tigers of the American league here tomorrow.

Csicago (NL)	000	500	203	—11	16	0
Los A'eles (CL)	010	000	020	—3	5	1

Horne, Gramph and Grace; Barfoot, Roberts and Sandberg.

REDS USE ROOKIE TEAM TO BEAT COLUMBUS

LAKELAND, Fla., March 19.—(AP)—Using a team composed mostly of rookies, the Cincinnati Reds won an exhibition game from the Columbus squad of the American Association 5 to 4 here today.

The Reds made their five runs off Kendal, who was succeeded by Maxton and Lloyd, two recruits.

Pittenger and George Kelley were the ones who did the damage to the Columbus outfit. Pittenger's home run and sacrifice fly and Kelley's single, double and triple were features of the game. Score:

Cincinnati (N)	121	001	000	—5	13	0
Columbus (AA)	010	020	010	—4	10	3

May, Kemmer, Ash and McMullen; Kendall, Maxton, Lloyd Pankratz.

N. Y. Squadron Beats Yale Seconds.

NEW YORK, March 19.—(AP)—The Squadron, a polo team representing New York, defeated a second string Yale polo team of the New England circuit by a 7 to 6½ score here tonight in the opening game of the Class "C" division of the National tournament.

The Blue, riding on Squadron ponies because Yale's stable had been quarantined, did not put up any kind of a fight until the final chukkers. Numerous fouls hampered the Squadron team in these periods.

Jack Graham starred for the New Yorkers while Porter's work stood out for Yale.

Junior Wildcats Win First Game of Season.

The Junior Wildcats opened up the baseball season by defeating the Iroquors 7 to 5 Tuesday afternoon. It was a hard game from start to finish. John Samperell (Peanuts) catch and Hastings' pitch starred for the winners. The lineup: Peanuts c, Hastings p, Rozanski 1b, Kennedy 2b, Riley 3b, Dember ss, Terry cf, Richard cf, Shannon rf.

Harvard Grid Squad Now 82.

CAMBRIDGE, Mass., March 19—(AP)—The Harvard football spring training squad jumped to 82 men today when Head Coach Arnold Horween arrived here to take charge of the work. Sixty candidates reported yesterday when the first workout was held.

Horween said he intended to follow his annual custom of ending the spring training with a regulation game.

MONTVILLE

Visiting Nurse Association Meeting—Ladies' Aid Society Entertainment

The Montville Visiting Nurse association held their regular meeting last week at the home of the president, Mrs. R. H. Meicer. Reports of the secretary and treasurer were read and accepted. The Ladies' Aid society of the Union Baptist church were entertained by Mrs. Ray Woodmansee at her home on Rockland avenue at an all-day meeting Thursday March 14. Five quilts were tied. Mrs. Woodmansee served a chicken dinner at 1 o'clock, after which a business session was held. It was planned to hold a food sale at the Community house in Uncasville. No date was decided on as yet. The dinner collection amounted to $4. Those who attended the meeting were: President Mrs. Percy Allen; Mrs. Almira Watt, Mrs. C. E. Chapman, Mrs. Mark Furber, Mrs. Harriet Furber, Mrs. Harry Bogue, Mrs. Capitola Burgess, Mrs. Frank H. Rogers, Mrs. Melvin McOmber, of Port Jefferson, N. Y., and Mrs. Ray Woodmansee. The next meeting will be held March 21st at the home of Mrs. Harry Bogue of Maple avenue.

Mr. and Mrs. Eugene Callahan of New London were the guests of John Lynch of Main street Sunday.

Edward Smith was a business caller in Hartford Wednesday.

John Watt of New York was in the village recently calling on his mother, Mrs. Almira Watt of Rockland avenue.

William Sharp of Waterford was in town Thursday calling on friends.

EAST WOODSTOCK

George W. Child who worked for the Knickerbocker Press in Albany, N. Y., while the strike was on returned last week calling on his parents, Mr. and Mrs. John E. Child. He and two friends left for Hartford the same day.

Chas. N. Potter, Walter Potter, Chas. H. Killam and son John motored to Brookfield, Mass., calling on Asa and Wilbur Wilter, former residents.

Mr. and Mrs. A. G. Morse, Mrs. John E. Child motored to Hartford Sunday, visiting Carl Danielson and family. They brought back Mrs. Flora Alton, who has been spending the winter with her daughter, Mrs. Danielson.

Mr. Frank Foskett recently spent a week with her sister, Mrs. Helen C. Fisher and family at Pittsfield, Mass. She made the trip by automobile with her son, Howard, who returned. Her son Harold went on to convey her home.

Mr. and Mrs. Lucius Goddard spent the week end in Worcester.

Franklyn Wetherell was a guest of Roger Brown at a fraternity dance given at Northeastern college by students last Friday. He remained over Sunday, also visited his sister Constance, who is attending school in Boston.

At the meeting of the Community club last Wednesday evening, college whist was played with 15 tables in play. The prizes were won by Mr. and Mrs. Geo. A. Wetherell, Miss Louise Pike and Spencer Jordan. The committee, Ray Eddy, Howard Foskett, Mrs. J. S. May and Mrs. M. T. Dartt served doughnuts, cheese and coffee.

Raymond Benson Post, American Legion entertained the 'Men" of town at a smoker in their rooms in the Brick hall Saturday evening until midnight, over 100 being present. The Woodstock orchestra under the direction of Nelson Frink gave a popular program. Games were played and there was a lunch of doughnuts, cheese and coffee.

A Boy Scout club has been organized with Frank Gleason scout leader. They are sponsored by Raymond Benson Post, American Legion. There are only 8 or 9 members at present.

COLUMBIA

Mrs. Eugene Lafleur has gone to Meriden to spend a few days with her parents, Mr. and Mrs. Robert James.

Miss Lillian Lyman has returned to her home, after visiting at the home of her brother, Hollis Lyman, in Willimantic.

The pupils attending high school in Willimantic from this town were dismissed at 12:30 Friday because of the funeral of Principal J. L. Harroun.

A St. Patrick's whist party was held at the hall Friday evening, under the auspices of the grange. There were 10 tables. The prizes were won by Mrs. Charles LaBonte, Mrs. Ethel Blakely, Mrs. Lester Hutchins and Mrs. Henry Hutchins. The party was in charge of Mrs. Ruby Wolff and Miss Gladys Rice.

Mr. and Mrs. R. F. Smith, summer residents of Columbia, have returned to their Hartford home after spending the winter in South Carolina.

Mr. and Mrs. Howard Keomans and son, of Hartford were in Columbia Friday.

Miss Dorothy James of Willimantic attended the whist party Friday evening and spent the night with Miss Harle Field.

Large flocks of robins have been observed on different parts of the Green.

The Rural Carrier is having a hard time these days. He reports the traveling Friday the worst in some time. He is obliged to take a horse and wagon on both trips, and did not get around from his last trip until after 8 at night, though in normal times he is through early in the afternoon.

Mrs. Bessie Trythall, and little daughter Shirley and Miss Harle Field spent the week end with Willimantic relatives.

Mr. and Mrs. H. W. Porter and Mrs. Bailey motored to Shelbourne Falls, Mass., Friday to see Mr. and Mrs. Porter's new grandson, James Davenport.

Mr. and Mrs. Clayton Hunt and two sons spent Sunday in Johnston, R. I., at the home of Mrs. Hunt's sister Mrs. Chester Winsor.

Mrs. Fred Abell was organist at the local church Sunday morning in the absence of the regular organist, Mrs. Clayton Hunt.

Frederick Hunt was leader of the C. E. meeting Sunday evening.

The roads have stiffened up somewhat during the past few days, due to the lower temperature and the rural carrier is not having such a hard time to get around, just at present.

NORTH STERLING

During the warm days of the past week large flocks of robins were seen here, going northward.

The rural mail carriers have had to depend on the family horse a few days the past week, owing to bad condition of the roads.

The young people are out searching for arbutus, the first flower of spring.

William R. Spooner was taken to the hospital at Putnam on Monday for a serious operation.

Mr. and Mrs. Henry Lewis were in Putnam Monday.

CHRYSLER MOTORS PRODUCT

All talk of Plymouth revolves on Quality

FULL SIZE

$655 And Upwards F. O. B. Factory

PLYMOUTH can match price with other cars in the lowest-priced field, but there all similarity ends—for no other cars priced around it can begin to match Plymouth's size, quality, beauty and power. Therein the *full-size* Plymouth enjoys a unique distinction.

Plymouth has been so named because its endurance and strength, ruggedness and freedom from limitations so accurately typify that Pilgrim band who were among the first American Colonists.

You think instantly of style when a Plymouth glides by. Thoughts of comfort are inevitable when you contrast the Plymouth's *full-size* roominess with the cramped quarters of the miniature cars of today.

You thrill at the wheel when you feel the smoothness of Plymouth's big high-compression engine of Chrysler "Silver-Dome" type. You enjoy absolute safety from the *full-size* Chrysler weather-proof internal-expanding 4-wheel hydraulic brakes.

The *full-size* Plymouth brings you real fine-car advantages with utmost economy in first cost as well as in general maintenance. In creating the Plymouth, Chrysler Motors has changed the whole complexion of the field of lowest-priced cars.

* * *

Coupe, $655; Roadster (with rumble seat), $675; 2-Door Sedan, $675; Touring, $695; De Luxe Coupe (with rumble seat), $695; 4-Door Sedan, $695. All prices f.o.b. factory. Plymouth dealers are in a position to extend the convenience of time payments. 103

WESTERLY

MOTOR BUS PASSENGERS STILL AT THE HOSPITAL

(Special to The Bulletin)

WESTERLY, R. I., March 19—Patients at Westerly hospital, who received injuries in the burning of the Gray Line Motor bus Monday afternoon, Feb. 25th on the Noose Neck Hill road at Hope Valley, have improved so that six have already been discharged. They are: Donald A. Gass, Medford, Mass., driver of the bus; Thomas Dowling, 2 Lincoln House, London, England; Jack Goodman, 74 Seaview Avenue, Malden, Mass., Edward Trumbull, 8 Laurel street, Bridgewater, Mass.; Aubrey Whelpley, West Somerville, Mass., and Mrs. Sadie Reed, Arlington, N. J. Of the nine persons injured in the accident and still at the hospital, Miss Mary Elizabeth Slack of Cambridge, Mass., is the only one remaining on the danger list. Her condition is reported critical. Mildred Reed, 11, of Arlington, N. J., who was on the danger list at one time, is now able to be about the hospital in a wheel chair and is making good progress toward recovery. She was the child reported to have been trampled upon by passengers in making their escape from the burning bus, and was rescued by A. B. Willoughby, of Holderness, N. H., who died at the hospital several days after the accident.

All the patients with the exception of Miss Reed are now able to be up and walk about the hospital. Others at the hospital are Mr. and Mrs. Edward J. Donovan of Jackson Heights, L. I., Miss Dorothy Mitchell, Lynn, Mass., Frank LaFarrara, Newark, N. J., Maud Straßburg, New York city; Miss Caroline Slack, sister of Miss Mary Slack of Cambridge, Mass., and Mr. and Mrs. Edward Reed.

To Read Two Plays

Westerly Players' club will meet this (Wednesday) evening at the assembly hall in the public library when there will be a reading of two one-act plays. The first is under direction of Mary and Ruth Wilcox and has the following cast.

Freda, Viola Litman; Christine, Elizabeth Dameret; Sonia, Lena Drisko; Marjorie, Dorothy Wilcox; Barbara, Mary Wilcox; Gertrude, Ruth Wilcox.

The second one is in charge of Jack Burdick of Shannock with the following: Mrs. Edward Coy; Henry Burdick, Robert Loomis.

WIDOW NAMED EXECUTRIX OF H. A. LITTLEFIELD ESTATE

(Special to The Bulletin)

WESTERLY, R. I., March 19—The probate court session held Tuesday afternoon by Judge Edward M. Burke was largely attended by creditors of the estate of Harry A. Littlefield, former restaurant proprietor on Bay street, Watch Hill. A petition was received from the widow, Mabel Stenhouse Littlefield that she be appointed executrix of the estate of her husband who died Feb. 15, 1929, intestate, leaving heirs, herself and four children, Blanche Anne, Florence, Mary and Mabel Ada. Charles L. Segar, a creditor, stated that he thought a Westerly trust company more capable for the appointment. James Jolly, another creditor, stated that there were liens on the Beach street property occupied by Mr. Littlefield. H. A. Dunning admitted that he had a claim against the estate but was swayed evenly between his desire to press his claim and the welfare of the Littlefield children. Judge Burke announced that he had not the power or disposition to push the widow aside and would not do so unless it is shown by proper proof that she was not a suitable and competent person.

Mrs. Littlefield declared that she continued in her desire to act, in spite of Judge Burke's warning that she would later regret that she was made executrix. She thought the estate solvent and claimed that the Watch Hill restaurant was valued at $3,500, being upon leased land for a term of three years more. Upstairs were 13 bedrooms, and she thought she could run the restaurant, also care for the upstairs rooms.

James W. Burke stated that Mr. Littlefield, who had borrowed money from him, had stated that the best solution of his property matters would be to have some one purchase the restaurant business; they had interviewed would-be purchasers in Norwich, Groton, New London, Willimantic and Hartford, but that the required amount, $10,000, had not been secured.

Judge Burke finally disposed of the matter by entering a norder for Mrs. Littlefield to be executrix and endeavor to sell the property if she could get a reasonable price. He fixed her bond at $12,000 with surety by the American Surety Co. Thomas L. Breen was named appraiser.

Estate of Sarah A. Segar, Inventory received, examined, allowed and ordered recorded.

Estate of Arthur N. Mills, Petition by mother, Mrs. A. Lofboro that guardian be appointed of estate. Contin ed to April 2nd.

Estate of Joseph Bianchi, Petition received that mother Mrs. Mary Bianchi be appointed guardian of the estate. Writ no objection she was so appointed. Bond made $200 with surety. Carl E. Burdick was named appraiser.

Estate of Stanton Thompson, Inventory received, examined, allowed and ordered recorded.

JUDGE CONTINUES ILL—FINAL COURT ADJOURNMENT

Continued illness Monday night of Associate Judge Herbert L. Carpenter, of North Smithfield, who suffered from chills in an attack of grip caused the final adjournment Tuesday of the Westerly adjournment of the superior court for Washington county. This session had completed the criminal business and had taken up the civil cases. Wednesday of last week a jury with Grover C. King of Westerly foreman had been empanelled to hear the $30,000 automobile collision case of Venard vs. Lihme and on Thursday a number of witnesses for the plaintiff had been heard when court adjourned for the day. Judge Carpenter was taken ill that night.

Tuesday morning at 8:30 Clerk W. Herbert Caswell telephoned Sheriff Fred T. Mitchell that Judge Carpenter was still ill and court would have to be adjourned to meet for the April term April 16th. Clerk Caswell, Deputy Clerk Mrs. Edna Treat and the sheriff and deputy sheriffs were in the court room to wind up the term. The jurors came in, were notified that their services would no longer be needed and were paid off and discharged.

Death of Young Mother

Mrs. Flore Murano Pignataro of Oak street died at the Westerly hospital Tuesday noon. Mrs. Pignataro gave birth to a child at the hospital the first of the week, pneumonia developed and death followed. She had been married but a year.

Supper Followed Inspection

James A. Tillinghast, right worshipful district deputy grand master of the Sixth Masonic district of Rhode Island made his official visitation Tuesday evening at the Masonic Hall with suite from the six lodges of the district. Franklin lodge, No. 20, F. and A. M., John Albert Pawson, master, was visited and work of the lodge officers in the Master Mason degree was inspected. Following the work of the evening adjournment was taken to the armory banquet hall of Narragansett Commandery, No. 27, K. T., where 150 had a supper of chicken salad, rolls, coffee, ice cream and cakes, prepared and served by members of Deborah chapter, No. 9, Order of Eastern Star.

March 18, Everett D. Cottrell and Hannah Cottrell Terry, sold to Elizabeth Archie land with improvements living on the west side of Pound drift-way, and a triangular shaped tract together with right of way to pass near Cottrell dwelling, adjoining tracks of the New York New Haven and Hartford railroad. March 19, John W. Sweeney of Providence transferred to James Alzier Lots Nos. 39, 40, 41, 42 and 43, Hill Top Plat.

Grass Fire

A telephone call at 2:15 Tuesday afternoon called out the Seagraves pumper of Westerly fire department with Chief George E. Egger, Driver Charles Button and four firemen for a grass blaze at the rear of the property at 136 and 138 High street, owned by Abbie S. Lane. The two apartments are occupied by the families of Anna Cotter and Alfred J. Pearson. The firemen found the flames which had started from an unknown cause, approaching through grape vines and coops and sheds. Water from the booster tank hose checked the blaze as it was about to lick up a wooden fence and was driving toward the rear of the home of Chief of Police Thomas E. Brown, on Pleasant street. Highway Commissioner Charles F. Berry had out a line of garden hose with a stream of water on the blaze at the time of the arrival of the firemen. There was no fire loss.

When Merrill Post Auxiliary, American Legion, met Monday evening in the post rooms one new member was accepted. The auxiliary members are making plans for another whist for the auxiliary and Legion members. The committee in charge will be Mrs. Fred Raithel, chairman, Mrs. Louise Young, Mrs. Elmer Sherman, Mrs. Edward Foote and Mrs. Abial Brown.

Lieut. George H. Chamolin had reported to him Sunday night an abandoned automobile, left back of the Biltmore hotel billboard on Franklin street. He had it driven to Westerly, it being found that some of the bearings were burned out. The Nash sedan, No. 107-387, Mass., was reported to Boston police authorities when it was learned that it belonged to the Pucillo Brothers, of 275 North street, Boston. The automobile was stolen in Boston and was abandoned here by the thief.

Representatives of the owners reported to Chief Brown Tuesday and returned to Boston with the car.

Mrs. Louis J. Rossi was in Boston Tuesday.

Charles A. Fuller returned to his home in Wyoming Tuesday after being a Westerly business visitor the past few weeks.

Mrs. J. Sherman left Westerly Tuesday morning for a short visit in Boston.

NOANK

NUMBERS TO BE CALLED TO GIVE ALARM OF FIRE

Residents in the outlying districts have been instructed in regard to how they can reach the fire department in case of a fire at night. By calling the operator and giving her three or four telephone numbers to ring, one of these would respond. The telephones that can be reached in the night are, the patrolmen's house, 745; the Third District hall, 864; Chief Park, 364; Foreman Palmer, 702-4, or the Rossie Velvet company, 433, and ask the watchman to blow the siren for fire. As soon as the committee in charge is able to finish the subscriptions and the new siren is installed there will be one street box located somewhere near Main and Pearl streets.

Bernard Carson has returned to East Greenwich, after spending several days with his mother, Mrs. Jane Carson.

Charles DeBiasi has returned to Willimantic, after the week-end spent at his home.

There is to be a meeting of the Boy Scouts in the American Legion rooms this (Wednesday) evening.

Clarence C. Spink, of New York, is spending a few days at his home on Front street.

Mrs. John Hosford has returned home, after spending several weeks visiting relatives in Cranston, R. I.

Mr. and Mrs. J. Mailhoit and Mr. and Mrs. C. Mailhoit, of Providence, were guests Sunday at the home of Mr. and Mrs. Joseph Chenevert.

Capt. Henry L. Specht has returned to his duties in New York, after spending a few days with his family on Spring street.

Charles Butson has gone back to East Greenwich.

Mr. and Mrs. Tony Passia and daughters, Adele, Esther and Mary, spent the week-end with New London relatives.

Plan Flag Benefit

Arrangements are being completed for an old-fashioned dance to be held for the benefit of the flag fund. The committee in charge is H. H. Park, chairman; Orrin Oles and Robert Palmer. They are planning to present a Bible and flag to the new Fitch high school at Poquonoc.

Mr. and Mrs. M. F. Murphy and Mr. and Mrs. J. Raymond Greyson, of Montville, spent Sunday with Mrs. Annie Tooker.

Mr. and Mrs. Elmer Branch and children, Barbara and Gloria, of West Mystic, were guests Sunday of Mrs. Annie Tooker.

Miss Margaret Mahoney spent the week-end with Mr. and Mrs. H. A. Thorpe, of New London.

Recovers from Injuries

Gabe McGaw has recovered from a broken arm and injuries received at the ice pond sometime ago and has resumed his duties with the S. Z. Chesebro's Fishing & Trading company.

Mr. and Mrs. William Tourjee, Mrs. John B. Tourjee and Mrs. Etta Main were recent visitors in Norwich.

Mrs. Alice Reid is a surgical patient at Home Memorial hospital, New London.

Miss Frances McDonald spent the week-end with relatives in New London.

Mrs. Ralph Wheeler, of New London, was a recent visitor with her mother, Mrs. Fred Tourjee.

Miss Lillian Downey, R. N., of Brooklyn, N. Y., is spending several days with her aunt, Mrs. Albany Smith.

Mr. and Mrs. Elbert Rathbun, of Norwich, were recent callers at the home of Mr. and Mrs. F. I. Rathbun.

Fidelis Missionary society is to meet at the home of Mrs. Alice Chester, Friday evening.

This (Wednesday) evening the boys of the Baptist Sunday school team will meet the Rotary club boys for a game of basketball.

Mr. and Mrs. Albert Patterson entertained recently with a dinner at their home on Pearl street. The house was attractively decorated and games were played during the evening. Those present were Mr. and Mrs. Charles Patterson, Mr. and Mrs. George Brown, Mr. and Mrs. Floyd Thompson, Mr. and Mrs. Franklin Rathbun, Mr. and Mrs. Durwood Main, Mr. and Mrs. Everett Latham and Mr. and Mrs. Paul Zetkulic.

Entertainment and dance, Jr. O. U. A. M. hall, Noank, Mar. 21, at 8 o'clock. Premier appearance, "Dark Town Broadcasters." No frills. Plenty of thrills. Adm. 35c.—adv.

The governor of Alaska's annual report urges that a survey be made to determine the location and extent of unexplored halibut fishing grounds in the Bering sea, along the Alaskan peninsula and in the vicinity of the Aleutian islands.

MYSTIC

ACTIVITIES OF GRANGE—DAFFODIL TEA COMMITTEES

Mystic grange is planning a variety supper and dance.

Daffodil Tea.

At a Daffodill tea to be held at the home of Mrs. Charles E. Wheeler, the following will be in charge: Mrs. A. E. Harrison, cake table, assisted by Miss Harriet Fish; Mrs. Ira Decker, Mrs. George McKenzie, Mrs. Carroll Bliven and Miss Julia Foote; Miss Bessie Heath, candy table, assisted by Mrs. Clarence Wilcox and Miss Minnie Flynn; Mrs. Julia Coates, flower table; Mrs. Louis M. Allyn, tea, sewing, assisted by Mrs. Charles Holmes, Mrs. George Costello, Mrs. G. A. Thompson, Mrs. A. O. Colby and Mrs. Charles Davis.

Mrs. Robert O'Neil is visiting her daughter, Mrs. Adrian O'Neil, of New York. They are spending a few days at Atlantic City.

Mr. and Mrs. Ernest Rossie of New Rochelle, are visiting relatives in the village.

The Young Ladies' sodality of St. Patrick's church gave an entertainment Monday evening. About 15 of those present gave novelty songs and dance numbers which were greatly enjoyed.

Winners At Whist.

A whist was held in Grange hall, Monday evening, under the auspices of the Economics committee. The prizes were won by Miss Callie Chapman and Captain Harlan Burdick; Mrs. A. E. Jones and John Francis. Following the play, refreshments were served.

Mr. and Mrs. Maurice B. Caswell and Miss Esther Caswell spent Sunday with Mrs. Caswell's parents, Mr. and Mrs. William P. Babcock, in North Stonington.

Miss Antoinette Burdick, R. N., of Norwich, and Mrs. Emily B. Holmes spent Tuesday in New London.

When Stonington lodge, No. 26, I. O. O. F., meet this (Wednesday) evening the second degree will be conferred on a class. A smoker will follow.

Mixtuxet lodge, No. 42, K. of P., met in Castle hall, Buckley block, Monday evening.

Plan Public Installation.

When Ahab Sanctorum, No. 230, Ancient Mystic Order of Samaritans, held its last meeting in Odd Fellows' hall, it was voted to hold a public installation at the next meeting, when District Deputy John J. McIntyre of Hartford will be present. Officers elected are: Grand monarch, Charles Kleburg; vice grand monarch, Willis Chapman; grand councilor, Alfred Osborne; registrar, Walter Morgan; banker, Ralph Hughes; collector, William McDonald; trustees, Everett Bruce, Joseph Davis and Samuel Lamb.

Miss Jessie L. Post has returned to her home in Andover, Conn., after visiting Mrs. Effie Mitchell.

John R. Boynton spent the week end with his family in Norwich.

Earl Reisel spent the week end with Hartford relatives.

Clair Lester of New Haven spent the week end with relatives here.

Miss Sarah Stewart has entered the employ of the Mystic auto station, taking the place of Miss Margaret Clark, who resigned.

Mr. and Mrs. William L. Main and daughter Hazel, spent Tuesday in Providence.

WESTERLY-STONINGTON TEAM WINS MYSTIC TOURNAMENT

Mystic's third annual elimination bridge tournament terminated Saturday evening, the final match being played between J. Law, of Westerly, and H. C. Friedman, of Stonington, and John B. Bailey and Harry H. Mochon of New London. At the end of the seventh rubber, Mr. Law and Mr. Friedman were presented silver loving cups, having won by a margin of 430 points.

Smaller, but similar loving cups were presented Mr. Bailey and Mr. Mochon. The presentation speech was made by A. O. Lewis. The final scores, J. Law and H. C. Friedman, 3589; J. B. Bailey and Harry H. Mochon, 3159. Margin 430.

STONINGTON

NEWLY APPOINTED SEALER OF WEIGHTS AND MEASURES

Capt. Elvin B. Byers, newly appointed sealer of weights and measures to fill the vacancy left by the death of Martin A. Carpenter has started his work in Pawcatuck and will visit Stonington the latter part of this week.

Chicago Speaker

Professor Percy Boynton, of Chicago, was the speaker at the meeting of the Travel club, Tuesday afternoon in the Free library. His topic was American Culture and Customs.

Mrs. Thomas Farrell and daughter Mary were week end visitors in New York.

Misses Carolyn O. and Elizabeth Pendleton entertained friends Saturday evening at a shower in honor of Miss Catherine Powers. Whist was played and the prizes were won by Mrs. Arthur Zeller and Miss Gertrude Lennon.

Stonington Players club met Monday evening to rehearse a three-act comedy entitled "O, Didn't It Rain," which will be presented soon.

Dr. and Mrs. Joseph B. Fallon have returned to Northampton, Mass., after attending the funeral here of Miss Mary Fallon.

Frank Richardson was a visitor in Boston on Monday.

Miss Elsie Bryer returned Monday from a visit with relatives in Fall River.

Rev. C. A. Meader of East Greenwich will be the speaker at the lenten services in Calvary Episcopal church this (Wednesday) evening.

Union Fast Day Service

A union fast day service will be held in the Second Congregational church Thursday evening, March 28 at 7:30. The sermon will be delivered by Rev. P. W. Bark, pastor of the First Baptist church. There will be special music. The collection will be for the China relief fund.

Mr. and Mrs. Andrew McGowan of Hartford visited over the week end with relatives in Stonington.

Mrs. Henry Gardner of Hartford is visiting here with Mrs. Byron Gardner.

William Farnan returned Monday from a visit in New York.

Rev. and Mrs. P. W. Bark and son went to Boston Monday to hear Gypsy Smith, the evangelist.

Mrs. Joseph F. Joseph entertained the Ladies' Aid society of the Second Congregational church in the church parlors Monday afternoon.

PLAINFIELD

NIGHT SCHOOL PUPILS RECEIVE MERIT PINS

D. A. R. pins have been awarded for attendance at Plainfield evening school for non-English speaking adults. For the fifth consecutive year the school, under the supervision of Supt. John L. Chapman has served the adults of the town of Plainfield who are anxious to secure instruction in English, civics, and related subjects. There are three classes in the school, a beginners' class under instruction of Miss Mildred F. Healey, an intermediate class, instructed by Miss Cecilia A. Ellis and the advanced class taught by Miss Catherine P. Dodd. The three classes united in giving an admirable program which proved enlightening as to the type of work which has been carried on in the school. The exercises were opened by Miss Healey's beginners' class, who presented a sample lesson based on the biographies of Thomas Edison and Theodore Roosevelt, with excerpts from famous speeches of noted Americans. The intermediate class followed with recitations and an original paper on the Benefits of Evening School. The members of the advanced class concluded the program with several selections, each of which had a distinct message to all present. Following the presentation of the program, Mr. Chapman presented certificates of accomplishment awarded by the state department of adult education. Miss Dorothy Atwood, of Wauregan, on behalf of the state regent of the Daughters of the American Revolution, presented gold pins to those pupils who had been perfect in attendance for the entire season of seventy-five nights. The pupils who received the D. A. R. gold pins for perfect attendance, are as follows: Beginners' class: Antonia Vezina, Lucia Vezina, Cecile Vezina, Beatrice Vezina, Margaret Courtois, Hemlnia Pacheca. Intermediate class—Mrs. Lillian Bergeron, Gilbert Bernier, Armand Bernier. Advanced class—Armand Metevier. The program follows. Beginners' class, Life of Thomas Edison, Antonia Vezina; Life of Theodore Roosevelt, Ida Pelletier; Patriotism, Charles Evans Hughes, Margaret Courtois; Makers of the Flag, Franklin K. Lane, Cecile Vezina; Work, Angela Morgan, Omer Bouley. Intermediate class—Essay, Realization Comes Too Late, Mrs. Ebon Anderson; You Talk of This and That, Harry Kemp, Gilberte Bernier. Advanced class—American For Me, Henry Van Dyke, Emile Rambusch, Good Citizenship, Grover Cleveland, Phillip Beauchemin; The Bridge Builder, Anonymous. Miss Atwood was accompanied by her father, J. Arthur Atwood and he interestingly outlined the life of the late Harold Lawton, who contributed so much to the village, the present prosperity of which is so largely due to his generosity.

The C. E. society held a business meeting and social Monday evening. Games were played, and a very pleasant evening was spent.

Mr. and Mrs. Wilfred Royle and children spent Sunday at Groton Long Point.

Mr. Frank Congdon is ill at his home.

NORTH LYME

Robert Strong and Gerald Sisson visited the house of representatives and senate, at the state capitol last Friday, making the trip with Ray Harding and Representatives Stark, Marvin and Strong.

Mr. and Mrs. N. S. Strong were callers at Clarence Beebe's in East Lyme Sunday afternoon.

REM-OLA HEALS PILES

Why suffer when REM-OLA has healed and helped others for 37 years. Ask your druggist or write to HENRY THAYER & CO., INC. Cambridge, Mass.

SEND FOR FREE TRIAL TREATMENT COMES TO YOU IN PLAIN SEALED WRAPPER

Could Not Sleep on Account of Burning Pain. Cuticura Healed.

"My face broke out with pimples and blackheads. The pimples were hard, large and red, and later some broke out on my chest and the back of my neck. Sometimes I could not sleep on account of the burning pain. My face was disfigured. The trouble lasted about three months.

"I tried everything for the pimples but could not get rid of them. I began using Cuticura Soap and Ointment and they helped me. I continued using them and in three weeks I was completely healed." (Signed) Norbert Aubin, 28 Carey St., Willimantic, Conn.

Soap 25c. Ointment 25 and 50c. Talcum 25c. Sold everywhere. Sample each free. Address: "Cuticura Laboratories, Dept. H, Malden, Mass."
Cuticura Shaving Stick 25c.

Old Folks Say Doctor Caldwell was Right

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin.

Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin which is a combination of senna and other mild laxative herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of all. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle of Dr. Caldwell's Syrup Pepsin will last a family several months, and all can use it. It is good for the baby because pleasant to the taste, gentle in action, and free from narcotics. In proper dose, given in the directions, it is equally effective at all ages. Elderly people will find it especially ideal. All drug stores have the generous bottles.

W. B. Caldwell M.D. AT AGE 83

Do give it a trial, to prove how much Dr. Caldwell's Syrup Pepsin can mean to you and yours.

MARKET SESSION ENDED WITH PRICE INDICES PRACTICALLY UNCHANGED

NEW YORK, March 19—(AP)—The stock market was torn between the conflicting influences of a 10 per cent. call money rate, and an assortment of favorable industrial developments today. Operations for the advance were successful in several sections of the list, but the session ended with price indices practically unchanged.

Non-ferrous metal shares developed outstanding strength, in response to a jump of a full cent in copper metal prices, carrying the quotation for domestic shipment to 22 cents, a figure not exceeded since 1919, and a jump of $5 a ton in lead prices. A price of 24 cents for copper before the end of the week was freely predicted in trade circles. rail, office appliance, and oil shares also made good progress.

Call money renewed at 8 per cent, but touched 10 in the afternoon, although calling of loans was moderate, probably not exceeding $15,000,000. No advance to the New York federal reserve rediscount rate is looked for this week, but the federal reserve is apparently meeting with considerable success in gaining the cooperation of member banks to reduce credit available for speculation. Calling of loans was said to have been primarily by interior banks, and the New York banks appeared to be unwilling to replace them.

In addition to higher non-ferrous metal prices, the day's industrial news included the ending of the gasoline war on the Pacific coast, and reports that crude oil production figures will show a substantial reduction, for the second successive week. American Surety placed its new stock on a $6 annual dividend basis, equal to $12 on the old, which paid $10. F. W. Dodge Corp., reported that building contracts let during the past week showed a marked gain, and reports from the steel trade described still further acceleration of production.

Greene Cananea led the coppers with an extreme gain of 7 points, touching a record price at 197. Anaconda, Chile, and U. S. Smelting were other coppers reaching new high ground, and National Lead gained a new peak. In the steels, Bethlehem reached a new top, then reacted, and U. S. Steel moved up about 2 points, only to lose its gain.

Bullish operations were switched to the rails for the first time in several weeks, but failed to meet with much success. Brokers complain that it is extremely difficult nowadays to get a public following in this group. New York Central, Erie, St. Louis Southwestern, and Norfolk and Western sold up 2 to 4 points.

Crosley Radio, Lambert, International Business Machine, National Cash Register, Underwood-Elliott-Fisher, Otis Elevator and International Telephone mounted 4 to 7 points, most to new highs. Baldwin Locomotive again surged forward, making an extreme gain of 13 points, and Case Threshing sold up 15 points.

In the oils, Standard of California rose to a new peak at 7 3-8, and Barnsdall sold up 6 points to within a point of its 1929 record price.

Radio shares were again under pressure, the old stock tumbling 15 points to 495, and the new stock selling down 6 points to 95, but rallying slightly toward the close. Eastman Kodak, Electric Auto Lite, Coty, Goodyear Tire, Industrial Rayon and Union Tank Car were among issues receding from 2 to 4 points. Motors generally turned heavy. General Motors losing a point and Hupp 2 points.

In the commodity markets, grains eased slightly, with wheat responding primarily to weather reports. Cotton, however, was steady on better Liverpool cables.

Foreign exchanges were steady, although sterling cables ruled slightly lower during most of the day. The Spanish peseta rallied somewhat, again getting above 15 cents.

COTTON.

NEW YORK, March 19—(AP)—Cotton futures closed steady, 1 to 9 points higher, spot steady, middling 21.15.

JEWETT CITY

BOROUGH GIRL LEADER OF NOTABLY STRONG TEAM

Posse-Nissen school of Beacon St. has in Capt. Helen Bakanowsky one of the foremost young women athletes in New England the Boston Globe said this week. The basketball team under her leadership has won five out of seven games played thus far, victories gained over strong teams. Its only upsets came at the hands of Sargent School of Cambridge.

Capt. Bakanowsky hails from Jersey City, Conn., and this is her final year at Posse-Nissen. Already she has had several offers to coach and teach physical education but has not fully made up her mind in regard to the matter. She has won seven letters in athletics at Posse-Nissen school and hopes to win one more before she graduates in June.

Prior to entering Posse-Nissen Miss Bakanowsky starred in athletics at Plainfield High, Central Village, Conn. She earned three letters in basketball there also did good work on the girls' track team as shotputter. She is 19. At Posse-Nissen she has won three swimming team letters, three basketball letters and one field hockey letter. She hopes to earn one more swimming letter. She is excellent in the 40-yard and 50-yard swims and plays right back on the basketball team. She was center halfback on the field hockey team last fall. Last winter Miss Bakanowsky captined the Posse-Nissen school swimming team. In the vacation season she was a counsilor at the Posse-Nissen Summer school camp, at Hillsboro, N. H. The team is coached by Eleanor Thomas of Dorchester.

Miss Bakanowski in the elimination trials for the Olympic aquatic games, was beated by the chosen American contestant by only a few points.

William Callahan, who lived here years ago, being employed by the late John Bray, was a caller in town Monday. Mr. Callahan, now of Hartford, came to the borough for the purpose of visiting his aunt, Mrs. Ellen Morrison, who is ill. Mrs. Morrison is the sole survivor of the Dolan family in this section. She is a sister of the late Patrick Dolan and the widow of Thomas Morrison, who in the summer of 1886, being in the employ of the Flint Co., was the construction engineer who built the present Slater dam, following the great flood of that year.

The Bulletin told of a muskrat being dispatched in Norwich in the night season, near the Chelsea bank. Tuesday's Bulletin tells of the adventure in Willimantic of two full grown guardians of the law, with a little snip of a muskrat that set upon them in the dark hours of the morning watch. Years of experience with Mr. Misery muskrats teaches that for about a month now the little chaps are not really aware where they wander and do often meet with death, simply because of the call of the wild.

The Baptist Ladies' Aid society is to meet at the home of Miss Mabel McBroome, Thursday afternoon.

Miss Anna Russenas was hostess for a Backus hospital benefit whist Monday evening. The prizes went to Bertha and Josephine Russenas and Mary Roberts.

TO OMIT GRANGE MEETING FROM MOTIVE OF CAUTION

Since the report of small-pox cases the local doctors have vaccinated over one hundred persons, and others are under quarantine. Health officer Jennings does not think it wise to hold the usual Grange meeting this week as it was to be held in Pachaug grange hall.

MATTERS OF INTEREST IN STATE LEGISLATURE

(Continued from Page One)

trial may be received in evidence providing the judge or judges presiding at said trial shall be reasonably satisfied that the person making the confession is dead at the time of said trial, and that the ends of justice may be advanced by the admission of such confession in evidence.

Section 2. When any such confession is in the custody or control of any public official, a judge of the superior court may, on the written application of the accused or his attorney, make such order as may to such judge seem reasonable to the effect that the accused or his attorney may be put in possession of the contents of said confession a reasonable time before the date of his trial.

Section 3. This act shall take effect on its passage.

The bill modifying the charter of the city of Norwich was favorably reported in the house and was ordered placed on the calendar. The bill concerning the pay of deputy sheriffs was again tabled and placed at the foot of the calendar.

The fish and game committee held a spirited hearing on the bill that would increase the fee for fishing and hunting licenses.

HOUSE.

The house was called to order at 11.18 by Ex-Lieutenant Governor J. Edwin Brainard, member from Branford. Prayer was offered by the house chaplain.

H. B. 66, an act concerning marriage licenses on motion of House Leader Johnson was reconsidered and was then recommitted to the committee on judiciary.

Favorable Reports.

From judiciary committee: H. B. 234, an act appropriating $5,500 annually to the Hartford county law library; H. B. 135, an act concerning cruelty to animals, providing for penalty for failure to stun animals about to be slaughtered.

From cities and borough committee: H. B. 421, an act enlarging the powers of the town plan commission of the town of New Milford; H. B. 94, an act concerning the revision and codification of the charter of the city of Norwich.

By committee on banks: H. B. 466, an act concerning industrial banks; H. B. 472, an act prohibiting directors from endorsing for compensation.

The judiciary committee reported a committee bill that increased the salary of the reporter of judicial decisions from $7,500 to $9,000. It was referred to the committee on appropriations.

Business from the senate was passed in concurrence with exception of S. B. 148, an act concerning slaughter houses, which was rejected after a long debate. House Leader Johnson gave notice that on Wednesday a motion to reconsider would be made.

The use of the hall of the house was voted to the committee on labor on Tuesday, March 26th for a hearing on bills appertaining to manufacture and sale of mattresses and pillows and an act concerning bake shops.

Unfavorable Reports.

From fish and game committee: H. B. 558, an act relating to steel traps; H. B. 763, an act concerning fishing or hunting on the land of another; H. B. 760, an act providing for forbidding the use of steel traps.

From cities and boroughs: H. B. 198, an act providing for an appropriation up to $5,000 for library purposes by the common council of Willimantic; H. B. 196, providing that taxes may be paid in two installments.

From ponds, rivers and bridges: H. B. 264, an act including in the trunk line system the highway known as the Lyons Plains road in the town of Weston.

From committee on labor: H. B. 628, an act concerning the employment of minors and women in manufacturing establishments, providing for employment of 48 hours; H. B. 631, an act of the same purport, providing a limit of 49 hours.

From the finance committee: H. B. 102, an act providing for an exemption from taxation for voluntary firemen in the amount of $1,000, on real or personal property for firemen of twenty one years continuous service; H. B. 114, an act providing that no taxes should be paid to towns on land used for state purposes; H. B. 117, act concerning exemption of personal taxes persons who served with the Allied forces during the World war; H. B. 355, an act providing for a state tax of one cent on each ten cigarettes sold.

Bills passed from the calendar were:

House Bill No. 324, An act concerning the opening of streets in the town of Westport. Favorable report of the committee on cities and boroughs. Substitute for Senate Bill No. 121, An act concerning fees of deputy sheriffs for attendance at court. Favorable report of the committee on the judiciary. House Bill No. 299, An act authorizing the board of finance and control to make an emergency appropriation to defray expenses of co-operation with the federal authorities in the suppression of diseases. House Bill No. 593, An act providing for the arbitartion of disputes. Favorable report of the committee on the judiciary. House Bill No. 661, An act concerning sale of tub butter. Favorable report of the committee on public health and safety. Substitute for Senate Bill No. 148, An act concerning slaughter houses. Favorable report of the committee on public health and safety. Senate Bill No. 249, An act concerning reports to registrars of adoption of children. Favorable report of the committee on public health and safety. Substitute for House Bill No. 680, An act including in the trunk line system a highway between New Milford and Washington depot. Favorable report of the committee on roads, bridges and rivers.

Substitute for House Bill No. 552, An act authorizing the veterans' home commission to negotiate for an option to purchase land in Grove cemetery at Darien. Favorable report of the committee on military affairs. Substitute for Senate Bill No. 40, An act concerning the transportation of school children. Favorable report of the committee on the judiciary. Substitute for Senate Bill No. 276, An act concerning the charter of the city of Norwalk. Favorable report of the committee on cities and boroughs. Senate Bill No. 265, An act concerning the board of education of the city of Norwalk. Favorable report of the committee on cities and boroughs. Substitute for Senate Bill No. 169, An act amending an act concerning lost bank books. Favorable report of the committee on banks. Substitute for Senate Bill No. 22, An act amending the charter of the Mutual Bank and Trust company. Favorable report of the committee on banks. Senate Bill No. 269, An act relating to the city of Norwalk. Favorable report of the committee on cities and boroughs. Substitute for Senate Bill No. 220, An act concerning compensation of official stenographers. Favorable report of the committee on the judiciary. Substitute for Senate Bill No. 60, An act concerning appropriation to State Firemen's association. Favorable report of the committee on appropriations.

The house adjourned at 12:39 till Wednesday at 10:15.

SOUTH COVENTRY

A play entitled "The Dutch Detective," is to be given by West Stafford entertainers, in the Congregational church this month.

The Ladies' Aid society of the Methodist church, served a clam chowder supper in the vestry Friday.

POETRY

Recompense

Straightway through my heart this fact today
By truth's own hand is driven;
God never takes one thing away
But something else is given.

I did not know in earlier years
This law of love and kindness;
But without hope, through bitter years,
I mourned in sorrow's blindness.

And ever following each regret
For some departed treasure,
My sad, repining heart was met
With unexpected pleasure.

I thought it only happened so;
But time this truth has taught me:
No least thing from my life can go
But something else is brought me

It is the law, complete, sublime,
And now with faith unshaken
In patience I but bide my time
When any joy is taken.

—Ella Wheeler Wilcox (1855-1919).

A Workshop in the Sky

I'm glad that I have found
A workshop in the sky,
Where through the daily round
I watch the clouds go by,
Where never laugh nor cry
Beats up from the sullen ground.

It might have been below,
At the base of some blank wall,
Where the black man-eddies flow
And the dust waves rise and fall;
Where the sun comes not at all,
Nor the winds of heaven blow.

Or it might have been placed higher,
With a dim restricted sweep,
Where six days men aspire
To a seventh day of sleep;
Or sweating vigils keep
In the gloom of some tall spire.

But it's up where sea-gulls float,
And faces all the west;
As far away as a boat,
And as near at hand as a nest,
And peace bides there a guest
Of solitudes remote.

—Lloyd Roberts, in "Along the Ottawa."

HUMOR OF THE DAY

Customer—"I want to see some stockings, please." Ex-waitress—"Thick or clear, madam?"—Bulletin, Sydney.

Mother—I'm afraid Robert is burning the candle at both ends.

Father—Huh! That boy has cut the candle in two and lit up all four ends.

Arthur—Darling, I love you so much that I dream of you every time I sleep.

His Fiancee—Oh, Arthur, if you loved me properly you wouldn't be able to sleep at all.—Tit-Bits.

"Our lodger has two dozen handkerchiefs." "He must be mad—two dozen handkerchiefs when he only has one nose."—Pages Gales, Yverdon.

Lady of House (to plumber)—You've been here over an hour without doing a thing to stop that leak. The place is flooded.

Plumber—Well, mum, to tell you the truth, I'm sore on de tenant downstairs.—Life.

Misstress—Did I see you kissing a mebody in the garden this morning, Sarah—the milkman or the letter carrier?

Sarah, the Maid—Er-ah-was it about half-past seven, ma'am, or a quarter past eight?—The Pathfinder.

Aunt Anna was recovering from the flu and she was annoyed to have well-meaning but tactless visitors tell her how badly she looked. Sympathetic little Edward was trying to comfort her.

"Don't let them make you feel sorry, auntie," he said. "I don't think you look one single bit worse than you always do."

"I'm afraid my husband hasn't any sales resistance."

"What's he done now?"

"In the first place he let a man sell him a lot of land that was two feet under water, and when I insisted on his going and getting his money back, the same man sold him a gasoline launch and a copy of 'Golden Days in Venice.'"—Miami Times.

KALEIDOSCOPE

Argentine natives find skunk meat palatable.

The Danube is Europe's second longest river.

An electro-mechanic institute in Paris admits only women students.

The battleship of today prepares and serves more than 4,500 meals daily to feed the crew.

America's longest railroad tunnel, eight miles long through the Cascade range, opened to travel this month.

All of the world's radium mining operations have yielded less than four ounces of this rare and valuable stuff.

Man's span of life in Sweden has increased nearly nine years in less than a century, according to Dr. Emil Liedstrand, Stockholm scientist.

Memory of O. Henry is to be kept fresh by erection of a marker at the site of the home he occupied in Austin, Tex. A marker design by Edward J. Phillips, of Dallas, Tex., has been selected in competition conducted by the University of Texas. It was during his Austin residence that O. Henry published "Texas Siftings."

An angry young robber entered a Newark, (N. J.) police station and lodged a complaint against his partner in a holdup. He used a glass imitation pistol, he explained, and the man he thought his pal an automatic. They got $16 and escaped. Then his companion turned the real gun on him and robbed him of his share of the loot.

Professor Tienemann, of Rossitten, East Prussia, gives the following as the established speeds of certain birds during migration: The sparrow develops a speed of twenty-five miles an hour; the gray gull, the black-back gull and the Norway crow have the same speed, thirty-one miles an hour. The rook and the finchen reach thirty-two miles an hour. The speediest flier is the starling with approximately forty-five miles an hour.

The influence of nourishment upon the development of race characteristics has been shown by certain experiments of Japanese scientists in Tokio. To determine whether the slight stature of the Japanese depends upon their race diet, the regular rice dinner of a group of school children was supplemented by other articles of food such as belong to the diet of races of greater stature. The results of these experiments, carried on for several years, were an increase of several centimeters in stature and several pounds increased weight. A military physician in India made similar experiments with Indian races of varying stature. Sikhs and Pathans are larger than other Indians using other diets. The Mahomedan Sikhs eat milk, cheese and vegetables, which other Indian races of the Brahman religion, do not eat.

important Hollywood actresses use Lux Toilet Soap

Photo by Steichen, Hollywood

BETTY BRONSON, Warner Brothers' star, in the luxurious marble bathroom built in Hollywood just for her charming youthfulness. She uses Lux Toilet Soap not only in her bathroom, but in her dressing room on location—wherever her pictures are being made.

The next time you see her in a close-up, notice how *smooth* this daintily fragrant white soap keeps her skin.

She says about Lux Toilet Soap: "A star *must* have smooth skin for the close-up. I find this lovely soap is wonderful for my skin."

Betty Bronson

"SMOOTH SKIN is a perpetual attraction," says Allan Dwan, famous director—and sums up what 39 foremost Hollywood directors have learned from the movies.

"The kind of rose-petal skin which can pass the test of the close-up is the kind of beauty that gets the American public every time," he goes on to say.

It is for this reason that *9 out of 10 screen stars use Lux Toilet Soap.* They have found that it keeps their skin satiny and soft—always. And all the great film studios have made this white fragrant soap the official soap in their dressing rooms.

Luxury such as you have found only in French soaps at 50¢ and $1.00 the cake now 10¢

"A smooth skin is a star's most prized possession," says JOSEPHINE DUNN, Metro-Goldwyn-Mayer star. "Lux Toilet Soap keeps my skin perfectly smooth."

JOBYNA RALSTON, beautiful screen star, says: "A screen star must have utterly smooth skin for the camera. I find that Lux Toilet Soap keeps my skin beautifully smooth and soft."

BumsteadsWormSyrup

"To children an angel of mercy." Where directions are followed. IT NEVER FAILS. Despite scarcity and enormous cost of SANTONIN, it contains full dose. Stood sixty years' test. Sold everywhere or by mail, 75c a bottle.

AUCTION

AUCTION
Elisha E. Carpenter, Auctioneer
Will be sold at Public Auction on
FRIDAY, MARCH 22nd, 1929
At 10 o'clock in the Forenoon
at the place known as the Milo Clarke Farm, now owned and occupied by Mrs. Walter A. Wilkinson, and situated about two miles from Westerly on the Norwich-Westerly road, the following described real estate and personal property; viz:
Real Estate—Consists of a farm of 65 acres, mostly tillable and in a high state of cultivation. Three-tenement house, running water, heat and other improvements, telephone; on R. F. D. and bus line. One large barn, one cattle shed, wagon shed, 2-car garage, corn crib, milk house and two henneries; abundance of fruit and some wood. This is one of the most desirable farms in this locality and will be sold promptly at 1 o'clock, the terms made known at time of sale.
Personal Property—Consists of 14 high-grade cows, some of them have been tested, and all are warranted A-1 cows; four high-grade heifers and two bulls, a lot of farming tools, wagons, etc., etc. Everything will be put up for sale and sold to the highest bidder without reserve or limit. The terms are cash, so don't forget your check book. Gerard, the Baker, will be there with food and drink for all. If decidedly stormy the sale will take place the next pleasant (week) day at the same time and place.
WILLIAM A. WILCOX,
3t FMW mar15 Manager.

P. O. Box 390, Norwich, Conn.

NOTICE

Notice is hereby given to all persons liable to pay taxes in the Town of Lebanon that I have a Warrant to levy and collect a Tax of twenty-five (25) mills on the dollar on the Grand List of the said Town of Lebanon, as last perfected, and that said Tax is due and payable on the first day of April, 1929.
For the purpose of collecting said Tax, the Collector will be at the Town Hall, Mt. Lebanon Center, on Monday, April 1, 1929, from ten o'clock A. M., until two o'clock P. M. On Saturday, April 6, 1929, he will be at Choquette's Store, in the North Society, from two o'clock until four o'clock P. M. On Saturday, April 13, 1929, he will be at the Waterman School from two o'clock until four o'clock P. M.
All Taxes under this Levy and Warrant, not paid within thirty (30) days after the date on which they become due, will be subject to an interest charge at the rates fixed by the Act of the General Assembly, Approved June 8, 1927. (See Chapter 300 of the Public Acts of 1927.)
The Statutes of the State of Connecticut which apply to the levy and collection of taxes will be strictly enforced against all persons neglecting this notice.
Dated at Lebanon, Connecticut, March 4, 1929.
GEORGE E. BRIGGS,
Collector of Taxes,
3t Th mar7 Town of Lebanon.

TAX NOTICE

All persons liable to pay taxes in the Town of Franklin are hereby notified that I have a warrant to levy and collect a tax of twenty (20) mills on the dollar laid on the last perfected list; said tax being due and payable April 1, 1929.
For the purpose of collecting said tax, I will be at the Town Hall in Franklin on Monday, April 1, 1929, from 10 a. m. to 12 noon; at Burdick's Store, Franklin, on Thursday, April 4, 1929, from 10 a. m. to 12 noon; and also at my house on Monday, April 8, 1929, from 10 a. m. to 12 noon.
Legal fees and interest will be added to all taxes remaining unpaid after 30 days.
F. I. DATE
Collector of Taxes.
Dated at Franklin, March 11, 1929.
3t Th mar14

WARNING!
SPECIAL TOWN MEETING

The legal voters in Town meeting of the Town of Norwich, are hereby warned to meet in Special Town Meeting to be held in the Town Hall, in Norwich, on Monday, March 25th, 1929, at 8:00 o'clock P. M., to hear and act upon the following matters:
To give authorization to the Board of Selectmen to sell in and for said Town the land and buildings heretofore occupied and used for the Bean Hill School, so-called, located on West Town Street, in said Town of Norwich.
Also to act upon a petition signed by more than twenty legal voters requesting that the Town accept Julian Street as a public highway.
Also to act upon a petition requesting that the name of Tanner Street so-called, in the Town of Norwich, be changed to John Birchard Lane.
Also to act upon a petition signed by more than twenty voters requesting the calling of a Special Town Meeting to take such action as it may see fit on the grand list as left by the Board of Relief.
Dated at Norwich, Connecticut, this 19th day of March, 1929.
WILLIAM S. MURRAY,
CHARLES P. BUSHNELL,
PATRICK T. CONNELL,
Selectmen of the Town of Norwich
3t mar20

TAX NOTICE!

To the Taxpayers of the Town of Sprague:
All persons liable to pay Taxes in the Town of Sprague, State of Connecticut, are hereby notified that I have a warrant to levy and collect a Tax of Ten (10) Mills on the List as made by the Board of Assessors and perfected by the Board of Relief of said Town, for the year 1928, due and payable
APRIL 1, 1929
All persons neglecting this notice will be proceeded against as directed by the Laws of this State.
For the purpose of collecting this Tax, I shall be in my place of business, known as Caron's News Store, every day during April, from 2:00 P. M. to 9:00 P. M., and at the Parish House in Hanover, in the village of Hanover, from 4:00 P. M. to 7:00 P. M., April 19th; also, at Versailles Post Office, April 26th, from 4:00 P. M. to 7:00 P. M.
After May 1, 1929, interest at the rate of 9 per cent will be added from the time these Taxes became due. All Taxes must be paid direct to the Tax Collector and all bills receipted by him. If sent by mail enclose postage if you wish a receipt.
Dated at Sprague, Conn., this 10th day of March, 1929.
E. J. CARON,
2t W mar20 Collector.

NOTICE!

Notice is hereby given that, upon application of Anthony J. Bernard, of Norwich, Conn., for the approval of two extra pumps to be placed at his station previously approved by law for the sale of gasoline and oil, which station is located at No. 646 Boswell Ave., in the City of Norwich, Wednesday, April 3d, at two o'clock in the afternoon thereof is set as the time for a hearing at my office in the court house in said Norwich upon said application.
LEE R. ROBBINS,
3t mar20 Mayor.

IN THE DISTRICT COURT OF THE United States for the District of Connecticut.
In the matter of Jesse J. Snyder, a Bankrupt. In Bankruptcy No. 10024.
To the Creditors of the above-named Bankrupt, of New London, in the County of New London, District aforesaid, Bankrupt:
Notice is hereby given that on the 11th day of March, A. D. 1929, the above-named was duly adjudicated a bankrupt; and that the first meeting of his creditors will be held before the undersigned, at his office, 58 Church St., Norwich, in said District, on the 30th day of March, A. D. 1929, at 10 o'clock in the forenoon, at which time said creditors may attend, prove their claims, appoint trustee, examine the bankrupt, and transact such other business as may properly come before said meeting.
THOMAS M. SHIELDS,
Referee in Bankruptcy.
Norwich, Conn., March 19, 1929.
mar20d

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 15th day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
John E. Lee, an incapable person, of Lisbon, Conn., appeared in Court and filed a petition praying for the reasons therein set forth, that he be adjudged competent and restored to capacity and that his conservator be required to render an accounting of his doings and transfer and deliver to petitioner the residue of said estate.
Whereupon, it is Ordered, That said petition be heard and determined at the Probate Court Room in the City of Norwich, in said District, on the 26th day of March, A. D. 1929, at 2 o'clock in the afternoon, and that notice of the pendency of said petition, and of said hearing thereon, be given by the publication of this order one time in some newspaper having a circulation in said District at least three days prior to the date of said hearing, and that return be made to this Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.

U. S. COMMISSIONER CORCORAN TO WED MISS HEAVEY, NEW LONDON NURSE

(Special to The Bulletin)

NEW LONDON, March 19—The banns of marriage have been published between Representative Russell H Corcoran and Miss Lauretta Heavey at St. Mary's Star of the Sea church. The marriage will take place after Easter. Representative Corcoran is the son of Mr. and Mrs. William T. Corcoran, 184 Willetts avenue, a graduate of Bulkeley school and Fordham University Law school. He is one of the prominent lawyers in the county, is also United States commissioner for this district.

Miss Heavey is a sister of Mrs. John B. Leary, 222 Colman street, with whom she has made her home for several years. She is a registered nurse, a graduate of the Joseph S. Lawrence Training school for nurses in this city.

Invited to Chile

Mrs. Charlotte Keefe, daughter of Mr. and Mrs. Arthur Keefe of Broad street, will sail April 4th from New York for Chile. She goes in response to an invitation extended by the Chilean government, to give advice on the establishment of the Dalton plan of education. She expects to remain in that country for at least six months. Miss Keefe is a graduate of Connecticut college and of Columbia university.

At the annual meeting of the Women's auxiliary to the Lawrence-Memorial hospital, held recently, Mrs. Frank B. Walker was elected chairman of the nurses' welfare committee.

Tax Collector Hibbard N. Alexander has postponed the sale of four properties to satisfy back taxes due the city which are as follows: Property on Shaw street belonging to Angelo and Minnie Queen Oddo; property on Kenomoss street, owned by Della A. Mugovero; a house and lot on Brookside avenue belonging to John H. Davton and William Nichols and property at 360 Main street owned by Emma Rzepniewski.

The annual St. Patrick's ball held last night by Father Joynt branch, Ancient Order of Hibernians, proved highly successful. About 400 were present at the affair, which was held at Plant hall and the proceeds totaled $250, with those from the ball held jointly at Moose hall, at which 150 were present.

Miss Viola Cadwell of this city and John Doyle Joseph of Groton, were married yesterday at the parsonage of the First Church of Christ by Rev. J. Romeyn Danforth.

A farewell party to Mrs Calvin A. Beebe and Annie Beebe of Fitch avenue was given last night by Mrs. Fred A. Beebe of Vauxhall street.

Circle No. 5 of the First Baptist church plans an entertainment in the church parlors in which the Junior Sunshine society of Quaker Hill will participate.

STATE PAINTERS' PRESIDENT GIVEN SURPRISE DINNER

The Master Painters' association of this city gave a surprise party last night to Howard E. Beckwith, the newly elected state president. The affair was held in the Catholic Woman's club rooms, in the Harris building and was in the form of a supper and dance. Recitations and music formed a part of the entertainment.

Members of Amona circle, No. 11, of the First Baptist church completed its White Cross work at a meeting at the home of Misses Helen and Margaret Carley of Colver street last night.

Miss Anna E. Waldo of Flanders, whose engagement to Clayton W. Avery, has been announced, was given a miscellaneous shower and party on her 21st birthday. She received many gifts.

The committee in charge of the coming Boy Scout circus program met tonight at the Y. M. C. A. for the purpose of completing plans for the affair. The meeting was in charge of the general chairman, Ralph A. Edson.

Miss Virginia May Hammons, the daughter of Mrs. Glenwood Wilbur of 11 Pequot avenue, entertained at a necktie party Saturday night.

More than 400 attended the annual Shamrock tea held yesterday afternoon and evening in St. Joseph's hall, Montauk avenue. The hall was attractively decorated with Irish and American flags.

The trawler Petrel arrived at the Atlantic Fisheries plant this morning with a catch of 100,000 pounds of fish. This will insure a supply sufficient to keep the plant running for the rest of the week.

Tax Collector Henry E. Marquardt of Groton is to follow the example set in New London. He proposes to advertise all property of delinquent taxpayers for sale as a means of securing back taxes owed the town.

At a meeting of Fairview lodge, I. O. O. F. Groton, held last night, the second degree was conferred on a candidate.

Rev. A. A. Fenton of Riverton, Wyoming, recently appointed rector of Bishop Seabury Memorial Episcopal church, will arrive in Groton to take up his new duties May 3.

Owing to the bad taste in the city water, the spring at Riverside Park has been rushed during the past week, as people secure water there for home use. On the average of more than fifty gallons a day are taken from the spring.

Ensign J. J. Purcell of the local coast guard, has received orders to report for duty aboard the new cutter Mendota at Boston. He will assume his new duties March 29. The new cutter will be stationed at Norfolk Va.

The stock of the New London Furniture company, bankrupt, has been sold by the trustee to Lillian Burnstein for $1600.

The following patients were dismissed today from Lawrence Memorial hospital, Mrs. William MacLachlin, Stewart street; Stephen Honosky, 26 Potter street; William Beckwith, Old Mystic; Mrs. Robert Nelson and daughter, 40 Franklin street.

All of the outstanding accounts and good will of the C. P. Potter company have been sold to the Sharaf Furniture Co., by the trustees, Charles L. Boothe and Sidney M. Sulman.

Burton C. Patterson, father of Edson Patterson of 75 West street, is at Lawrence Memorial hospital, seriously ill.

FUNERAL.

Mrs. Charles T. Ramage.

Funeral services were held this afternoon for Mrs. Alice W. Ramage, widow of Charles T. Ramage, who died suddenly in Montville. Rev. Charles Smith conducted the services. Burial was in Comstock cemetery, Uncasville.

MONTVILLE WOODS GARAGE FOR STOLEN FOX MACHINE

(Special to The Bulletin)

NEW LONDON, March 19—The automobile of William C. Fox, 46 Squire street, stolen in this city on the night of March 9 was recovered tonight. The car was discovered in the woods of Montville by Constable George Sisson of that town. The auto, a Chrysler 60, was parked in a secluded section of the woods to which place, no doubt, it was driven whenever the thief used it, but no trace of the thief was found. The car was stolen from Hempstead street, near Bulkeley place, where Mr. Fox had parked it early in the night and all trace of it was lost until this evening. Mr. Fox was notified of the recovery of the machine and has made arrangements for its return to New London.

ATTORNEY THOS. E. TROLAND ADDRESSES THE POLICE

(Special to The Bulletin)

NEW LONDON, March 19—Attorney Thomas E. Troland delivered the sixth in the series of lectures to the members of the New London police department, when at 5 o'clock in the police court room the members of the 7:30 a. m. and 11.30 p. m. details of the department and a few of the 3:30 p. m. detail assembled. Attorney Troland took for his subject "Torts," which proved the most interesting and instructive of any of the discourses listened to by the officers. The next and final lecture will taken place next month.

CORONER E. G. MCKAY STARTS C. J. KING INQUEST

(Special to The Bulletin)

NEW LONDON, March 19—Coroner E. G. McKay, Norwich, came to New London this afternoon and conducted an inquest on the death in New London two weeks ago of Charles C. King, former chief petty officer at the submarine base. The inquest was held in the police court room where several witnesses were examined. King was struck and almost instantly killed by either the Federal express, westbound, or an east-bound freight. His body was found, terribly mutilated on Winthrop's cove trestle of the New Haven railroad by the crew of an east-bound freight train shortly after the passage over the structure of the other two trains. King was walking along the trestle, presumably as a short route to the Thames river highway bridge and on his way to the submarine base. The body was forwarded two days after the fatality to Schroom Lake, N. Y., for burial.

COPPER SULPHIDE DOSE FOR RESERVOIR ORGANISMS

(Special to The Bulletin)

NEW LONDON, March 19—Employes of the city's water department were engaged the entire day putting copper sulphide into Lake Konomoc, the city's source of water supply. This is done in an endeavor to remove the organisms that have formed there during the winter causing an extremely distasteful condition of the water, so much so that there has been a general curtailment of the usage of water for drinking purposes for a week. The application of the copper sulphide, which immediately goes to the bed of the lake, it is believed, will bring the water to its condition of normalcy within a few days.

Mrs. Helen Sheffott, clerk in the office of Director of Finance Carey Congdon, who has been ill with grip for a week at her home on Maple avenue, has improved so that she is able to be out. Mrs. Sheffott will resume her duties this week.

Health Officer Benjamin N. Pennell was in Bridgeport tonight to attend a meeting of leading physicians of the state for the purpose of discussing the treatment of pneumonia.

Show Case Smashed

Miss Edna L. Tyler, whose photographic studio is in the Plant building made complaint today to the police that a show case at the entrance of the building had been smashed. The damage is believed to have been done last night by patrons of a dance hall in the building.

L. M. King, 248 Vauxhall street, parked his automobile last night in front of his home and this forenoon when he started to drive to work he discovered that another car had sideswiped his auto during the night, damaging the machine.

Patrolman Ernest Opperman, in making his rounds at Ocean Beach last night discovered the cottage 48 Boardwalk, unlocked. The officer secured the entrance, but was not able to ascertain whether any of the furnishings of the cottage had been removed. Neither was it learned whether the cottage had been opened by means of a duplicate key or was left unlocked through the carelessness of the owner.

Patrolman John Foley reported at police headquarters today that a Ford automobile had been parked on Rosemary street 48 hours and that the owner could not be learned.

A Menace to Health

Patrolman Michael Dorsey reported at police headquarters this morning the existence of a quantity of rotten fruit in the rear of the building, Main street, corner of Masonic street, occupied by the United Fruit company. The officer reported the storing of decayed fruit in the same location on the night of March 7.

Conn. Power Co. Buys Land

The Connecticut Power company today acquired two additional tracts of land adjoining other real estate holdings of the company. One tract was purchased from James Fowler and is located on Fowler court. The other was acquired of Edward McCabe and is on Henry street. Deeds transferring title in the property were received for record today at the office of the city clerk. The property will be used in making line connections between this city and the company's power station, when constructed, in Waterford.

OWNER LOST CLAIM CHECK BUT AUTO IS LOCATED

(Special to The Bulletin)

NEW LONDON, March 19—G. T. McCoy, Hotel Schuyler, New York, was in New London recently and when called out of the city, decided to place his Lincoln automobile in storage, intending to claim it upon his return to New London. In his haste in leaving the city, McCoy lost his claim check. Today he requested the police to attempt to locate the garage in which the car had been placed because he feared that the finder of the check would present it and claim the auto. Automobile Patrol Officer Clarence Martin found the car in the Commercial garage.

Sarah Moufran has leased the store 159 Main street, to Dan A. Agouis and Paul Cubella. The lease dates from March 1, 1929 and the rental will be $1,200.

Driver Gets Off

Henry A. Carey, Astoria, N. Y., was arrested early this morning by Patrolman William Riordan charged with driving while under the influence of liquor and speeding. He escaped prosecution in the police court today for his discharge was ordered.

Case Nolled Also

Albert Cortucci, 15 Cliff street, was charged with reckless driving and the same disposition was made in this case, for the accused was ordered discharged. Cortucci was arrested last night by Automobile Patrol Officer George Cockell, upon complaint of Lieut. C. H. Minckler, U. S. N. Lieut. Minckler was driving on Bank street, near Division Saturday night last when his auto was side-swiped by a machine driven by Cortucci. The latter drove away but Lieut. Minckler obtained the registration of the auto and at police headquarters made complaint against the driver which resulted in Cortucci's arrest.

Was Stealing a Ride

George Grant, a stranger, was charged with train riding and was fined $10, but execution of the sentence was suspended. Grant was detected stealing a ride on a New Haven railroad freight last night and was arrested by Special Agents James Daly and Harold Swanson.

Endangered Life

James G. Loseno, 346 Vauxhall street, charged with reckless driving had his case continued to the 22nd. Loseno was arrested by Automobile Patrol Officer George Cockell and Patrolman Henry Hick last night upon complaint of Mrs. Michael Halliwey of Vauxhall street, who contended that her life was endangered because of the manner in which Loseno drove his car.

Suspension of Sentence

W. A. Couturi, 127 Norwood avenue, was charged with failing to reduce speed and speeding past intersecting streets on Main street, having been arrested last night by Patrolman Elwood Bailey. A fine of $10 was imposed, but execution of the sentence was suspended.

Soldier Penalized

Barnard Nickerson, a soldier, stationed at Fort Wright, tried for breach of the peace and resisting an officer, was fined $20 and costs. Nickerson was at the Union station at 3:30 o'clock last Sunday morning, became a nuisance, and when ordered off railroad property by Special Agent James Daly, Nickerson attacked the officer.

UNLICENSED CONVASSER FOR ORDERS IS HELD UP

(Special to The Bulletin)

NEW LONDON, March 19—A group of young men have been in the city several days and have been soliciting from housewives orders for groceries. They will not be permitted to conduct their canvassing, for an order was issued this afternoon by Captain of Police Charles A. Pinney for the arrest of the canvassers if they continued their practice. The solicitors were observed yesterday by Patrolman Cornelius Moriarty, who learned the nature of the canvassing and ordered the solicitors to obtain a license, but this was refused them and they were ordered to end their endeavors.

Police Sergeant Patrick Murphy, recently a patient at the private hospital, and who was discharged several days ago, will resume duty the latter part of the week.

Mrs. Morris Ruoff, of Norwood avenue, who was a patient at a Massachusetts hospital a week, is now a patient at the Lenox hospital, where she will undergo a minor operation.

What Is Going On Tonight

St. Mary's Players present "The Whole Town's Talking," at Palace theatre.

Broadway Theatre

Dolores Del Rio unfolds an entirely new characterization on the Broadway screen tomorrow where she appears in the role of a fiery gypsy maiden whose chief joy in life is taming wild bears.

"Revenge" is the title of the picture, prepared by Finis Fox from Konrad Bercovici's "The Bear Tamer's Daughter," produced and directed by Edwin Carewe for United Artists.

Carewe, it will be remembered presented Dolores in "Resurrection" and then in "Ramona."

In "Resurrection," we remember Miss Del Rio as the demure little Russian peasant seeking the love of the noble Prince Dimitri. It was in this production that people started to wake up to the fact that Dolores could act.

In "Ramona," Edwin Carewe gave us Miss Del Rio as the little Indian maiden, harassed, disappointed, filled with the irony of life, hit by every obstacle that defied happiness.

In "Revenge" Dolores Del Rio is neither the Russian Katusha Maslova nor is she the Indian girl Ramona. It is difficult to describe her. Truly she gives a commletely new and interesting characterization—one of rich dramatic tension, filled with barbaric splendor, colorful, glamorous and romantic.

"Rascha," as she is called in the story, is the daughter of a gypsy bear tamer living in the Carpathian mountain region of Roumania. She tames the bears with abandon and cleverly rules them into submission.

Then "Rasha" tries to tame a man, "Jorga," in the same manner that she cracks her whip over the backs of the wild beasts. But in Jorga she has met her match.

Leroy Mason, playing the role of "Jorga," is splendid. Tall, handsome, and full of vigor is this newcomer to the screen, another "discovery" of the producer, Edwin Carewe. More will probably be heard of this Mason lad, for he plays with a "gusto" and savoir-faire" that should carry him far. In other words, he can act!

Carewe seems to have delved a bit deeper than usual into the histronic talents of this girl Dolores Del Rio. He has brought out in the "Revenge" offering some startling pieces of acting from the Mexican girl. She has been seen in some ten or twelve productions of merit. In none of these has she given so truly a dramatic performance as in this role of a little gypsy spitfire, raging, fighting, defiant, fascinating, and adorable.

In the cast is James Marcus, playing Rascha's father. He gives an admirable performance as does Jose Crespo, the Spanish boy who is first pictured in love with Rascha and later woos and wins the hand of Tina, enacted by Rita Carewe. Others of the cast include Marta Golden, Sam Appel, Jess Cavin and Sophia Ortega.

Palace Theatre

The last performance of "Jazzland," sensational and thrilling Quality picture which has been playing at the Palace theatre, will be given this afternoon. "Jazzland" has had a phenomenal run and has evoked much favorable comment from the public. Vera Reynolds is starred with Carroll Nye, Forrest Stanley, Bryant Washburn, Virginia Lee Corbin, Florence Turner and other well-known players in the cast.

On the same program at the Palace theatre is a Chesterfield production and Mr. Batcheller is to be congratulated on the intelligence of the animal. This is the first appearance here of Champion and if his coming pictures are as good as the "Sky Rider" he can rest assured of a hearty welcome. His greatest exploit is that of leaping from one aeroplane to another and having a battle with the man who opposed his master. This one scene alone caused much comment and his cleverness in others proclaims him as a new star of dog actors on the screen. Several notables among the cast were Gareth Hughes, Josephine Hill, Sheldon Lewis and Aline Goodwin. The engagement comes to a close this afternoon.

Breed Theatre.

"Tropic Madness" fiery drama of love and languor in the South Seas, opens the double feature program at the Breed theatre today. Leatrice Joy, famous star of "Manslaughter," "The Ten Commandments," and a score of other successes has the leading role in a cast that includes such well known players as Lena Malena, George Barraud, Henry Sedley and Albert Valentino, brother of the famous shiek.

The action of the story is laid on a volcanic island in the Pacific and the terrific eruption of the volcano forms a mighty thrill climax to the love of two women. One a society woman of the old world, the other a daughter of the "islands." Packed with stirring action and startling new thrills it is a drama that no-one should miss.

"The Trail of Courage," which is the added feature on the bill, is another western thriller made famous by Bob Steele. FBO's 21-year-old star. Not only is it filled with tense dramatic action, but contains little touches of comedy throughout, making the picture one of the most enjoyable and interesting of westerns.

St. Mary's Players.

St. Mary's Players in "The Whole Town's Talking" tonight at the Palace theatre. This fact is now well known to the public, and great interest has been aroused. This is as it should be. All of St. Mary's plays have been good. This year will prove no exception. On the contrary, this year's play will surpass what this organization has shown in the past. Ask those who saw this show the other night! All agreed that it was the best yet. This is saying a good deal, but nevertheless it is the truth. Considerable pains have been taken in this production. The cast has been carefully selected, it will be staged better than anything St. Mary's has yet shown. Hard work on the part of the players, the director and those in charge has made possible our assertion, and has given ground for the above verdict of those who saw this play, that this year's performance is the best yet. Do not fail to see it! Prices are within reach of all. In concluding, we wish to thank the director, the cast, the program committee and all who assisted in the putting on of this play for their hard work, good will and able assistance. It is our hope that the cordial relations and friendly spirit which have existed in this organization will continue in the future. With this so the public will not be disappointed in our next production.

Vigoro.

Andrew Carnegie is said to have kept in his office a small wooden box filled with fresh earth. Whenever a young subordinate became hot headed or a member of the board a bit pompous, the old steel king would call him in quietly, open the box and say, "Put your hands in that," and leave him to think it over.

Those of us who have "come to earth" by actually working with the soil and sharing in its rich increase can best appreciate this homely tale. For in developing a bit of garden plot, a fine lawn and flowers, is contained the philosophy of many a good long row of books.

During the last few years plant scientists have succeeded in making gardening a far simpler matter for the average home owner. They have found out that amazing things can be accomplished by scientific plant feeding.

It is now possible for home owners to obtain complete, commercial plant foods that supply all the elements of nourishment required. Plants need this balanced feeding. They are living things. Without a properly balanced "diet" they cannot thrive any better than human beings could. Clean and odorless these commercial plant foods are simple and economical to use. Complete and balanced, they supply all the nourishment needed by lawns, flowers, shrubs, trees and vegetables. Choosing the brand of reputable manufacturer gives further assurance of success for everything you grow. Read Vigoro adv. in today's paper.

WILLINGTON

Mrs. Ada Wilbur celebrated her 80th birthday March 9 at the home of her niece, Miss Jessie Benett. Visitors from Woodstock, Pomfret Center and Goodyear were entertained at a birthday supper. A feature was the birthday cake with red and green decorations. Dr. and Mrs. Frank B. Converse, Miss Jessie Converse, Postmaster Allen Bennett and Mrs. Charles Cobb of Stafford Springs were afternoon callers.

Joe Calki of Hartford was home over Sunday.

Mr. and Mrs. Fred Berpby recently visited Mr. Bernby's sister at Holyoke.

Miss Dora Bothwell, nurse for Mrs. Dora Clark, has returned to Willimantic. Mrs. Grace Albee of Tower Hill, Chaplin, is at present with Mrs. Clark.

Weather experts with the Byrd expedition hope to gather valuable data on the upper-air conditions of the antarctic region, which at present are very little understood.

CAN'T PRAISE IT ENOUGH

Lydia E. Pinkham's Vegetable Compound Helped Her So Much

Kingston, Mo.—"I have not taken anything but Lydia E. Pinkham's Vegetable Compound for 18 months and I cannot praise it enough. I weighed about 100 pounds and was not able to do any kind of work. My housework was done by my mother and my out-of-doors work was not done. I have taken four bottles of the Vegetable Compound and now I am well and strong and feel fine. I got my sister-in-law to take it after her last baby came and she is stronger now. I cannot praise it enough."—Mrs. HATTIE V. EASTIN, R. 1, Kingston, Missouri.

FAIR WITH POSSIBLY LIGHT RAIN TODAY

Norwich Bulletin

1790 — 1929

NORWICH, CONN., WEDNESDAY, MARCH 20, 1929

FULL ASSOCIATED PRESS DISPATCHES

The Bulletin.

Norwich, Wednesday, March 20, 1929

THE WEATHER.

Conditions.

The disturbance that was central over northern Ontario Monday night has moved eastward and merged with an extensive area of low pressure that is now over southern Greenland. High pressure [illegible] and over the St. Lawrence [illegible] lower lake region and from there southwestward to the Rio Grande.

Indications are that light local rains are probable Wednesday morning in the Appalachian region and portions of the North Atlantic states.

Winds.

North of Sand Hook: Fresh southeast shifting to west or northwest winds and overcast weather, probably light local rains Wednesday.

For southern New England: Cloudy, possible light local rains Wednesday; colder by Wednesday night; Thursday fair and colder.

Observations.

The Bulletin's observations show the following changes in temperatures and barometric changes Tuesday:

	Ther.	Bar.
8 a. m.	30	29.60
12 m.	46	29.60
6 p. m.	40	29.60

Highest 56, lowest 30.

Comparison.

Predictions for Tuesday: Fair and warmer.

Tuesday's weather: Fair, mild, southerly wind.

GREENEVILLE

ESCAPES SERIOUS INJURY IN STOVE EXPLOSION

Mrs. Fred Dewitt escaped serious injury Monday afternoon at her home, 232 Central avenue, when the entire front of her kitchen stove was blown out, pieces striking her in the left side of the face, by an explosion of a dynamite fuse with electric cap. Mrs. Dewitt received bruises on the face and powder burns. While she was putting coal on the fire the explosion occurred and pieces of the stove flew to all corners of the room.

One of the children in the neighborhood had been playing with one of these fuses, it is claimed, and it is probable that the child might have brought the explosive into the house, left it on the floor and when Mrs. Dewitt was emptying dirt into the stove just before putting the coal on the fire, she might have placed it on the fire.

REQUIEM MASS FOR JOSEPH R. PORTELANCE

A memorial mass of requiem for the repose of the soul of Joseph R. Portelance was offered at St. Mary's Memorial church, Monday morning at 11:30 o'clock, by Rev. Frederick M. Coholan, curate. The mass was requested by White Cross council, No. 18, K. of C., of which the deceased was a member. Relatives and family friends, as well as members of the council, were present at the services. The music for the mass was in charge of the organist, Mrs. Michael J. Farrell.

John Sullivan has returned to New Bedford, after spending a few days with relatives on Boswell avenue.

At St. Mary's church, Sunday, the thoughts of the parishioners were turned towards Erin as Rev. William A. Keefe, pastor, and Rev. Frederick M. Coholan, curate, spoke in their sermons concerning Ireland and the great saint.

George Swanton has returned to Providence, after spending a few days with his parents, Mr. and Mrs. George Swanton, of North Main street.

Miss Delia Shea has returned to her home at Jewett City, after spending a few days at the home of Mr. and Mrs. Richard Hourigan, on Central avenue.

H Club Pinochle Contest

The Greeneville H club held their regular weekly meeting in their club rooms on Fourth street Monday evening with a large attendance present. After the business meeting a pinochle contest was held with Raymond Portelance winning first prize with a score of 6,130. Raymond Kirby was awarded second prize with a score of 5,565. The consolation prize was won by George Woolley.

William McKnight has returned to Springfield, after spending a few days at the home of relatives on Tenth street.

James Ryan, Mrs. Michael Ryan, Mrs. William Ward spent a few days recently with Mr. and Mrs. Thomas Boyer, at Providence.

St. Patrick's Party

Miss Mary Dunn held a St. Patrick pinochle party at her home on Fifth street, recently. Two tables were in play. Miss Mildred Brodeur was the winner, while Miss Mary Driscoll took second prize. After cards, a social hour was enjoyed with piano and vocal solos. Refreshments were served by the hostess, which consisted of assorted sandwiches, cakes, cookies, fruits and hot chocolate. The favors were appropriate for the St. Patrick's season, the color scheme of green and gold being used.

Hill Estate $7,898.48

According to an inventory and appraisal filed in probate court the late Mrs. Lavinia R. Hill of this city left an estate of $7,898.48. The executor, John H. Perkins, and the appraisers, R. H. Montgomery and Arthur L. Peale, filed the appraisal.

NORWICH TOWN

R. Arthur Irvine, who has been superintendent of the Lancaster Mills of Clinton, Mass., for the past 11 years, will, on the first of April, become superintendent of the mills of Aldrich Brothers company of Moosup, Conn.

CLARA BARTON TENT D. OF V. CELEBRATES ITS 12TH ANNIVERSARY

Clara Barton tent, No. 7, Daughters of Union Veterans, celebrated its 12th anniversary Tuesday evening at Buckingham Memorial. Present as guests of the tent were members of Sedgwick Post, No. 1, G. A. R., Fletcher Post, No. 4, American Legion, Fletcher post auxiliary, Sedgwick Woman's Relief Corps, No. 16, Hourigan post, No. 594, Veterans of Foreign Wars, the auxiliary to Hourigan post, Griswold Camp, U. S. W. V. and Griswold camp auxiliary.

Mrs. Helena M. T. Church was in charge of the entertainment programme which was as follows: Song, The More We Get Together; address of welcome, the tent president, Mrs. F. Hoffman; quartette, Come Where My Love Lies Dreaming, Don't You Mind the Sorrows, Mrs. Crowell, Mrs. Church, Mr. Gray and Mr. Steinke; address by the department president, Mrs. Ernest M. Newbury; song, Sweet Adeline; reading, Sermon to the Sisters, Frank Maples; duet, Tuscan Folk Songs, Mrs. Crowell and Mrs. Church; solo, Friend O' Mine, Mr. Steinke; readings, First Scene from Rip Van Winkle and Mother, Pap and Me, Mr. Maples, quartette, The Old Family Clock, and Bohunkus; presentation of gifts to the entertainers, by Mrs. Church; song, A Perfect Day and final selection, America.

Refreshments of salad a la D of V., fancy cake, buttered rolls and coffee were served. There was a large birthday cake, with 12 candles, made by Mrs. Elizabeth Bogue. The committee in charge of the refreshments comprised Mrs. D. Louisa Atterbury, chairman, Mrs. Annie B. Turner, Mrs. Alice C. Brinkman, Mrs. Lena J. O'Brien, Mrs. Cora F. Botham, Mrs. Elizabeth J. Bogue, Mrs. Georgia Keen, and the waitresses were Misses Marie L. Atterbury, Dorothy A. Brinkham, Lucy Gray McDougall, Florence Tilley.

Previous to the anniversary celebration there was a regular business meeting of the tent, with the president, Mrs. Florence Hoffman presiding. Plans were discussed for the department convention to be held here April 29th and 30th. Delegates and alternates were chosen as follows: Delegates—Mrs. Georgianna Keen, Mrs. Ethel McDougall, Mrs. Lillian Whiting, Miss Lucy Gray McDougall, Mrs. Cora Botham, Miss Lola Belle Roath, Miss Helen Curran, Mrs. Bessie Thompson, Miss Dorothy Brinkman. Alternates—Mrs. Lena O'Brien, Mrs. Elizabeth Cobb, Mrs. Eliza Walker, Mrs. Robert McNeely, Mrs. Alice Brayman, Miss Florence Tilley, Mrs. Lillian Tuttle, Miss Josie Grosvenor and Miss Maud Parkinson.

The tent accepted an invitation to attend services at Grace Episcopal church, Yantic, Memorial Day, Sunday. It was voted that the tent present a flag to the Christian Endeavor union of the First Congregational church. Mrs. Ernest M. Newbury, the department president, gave an interesting report of the room dedication ceremony at the soldiers home at Noroton last Sunday. The meeting closed in the usual form with the salute to the flag.

PLAN POWER EXTENSION THROUGH LEONARD BRIDGE

A plan is under way whereby the electric light and power line of the Rockville-Willimantic Lighting company will be extended from Lebanon Center to and beyond the Exeter district.

Recently a delegation including Louis Burstien, Kenneth L. Cummings, Elmer Geer, Morris Levita, Nathan L. Kerachsky and Fred King, of Lebanon, Solomon Liebmann, of New Haven, and Sam Kostelefsky, of Rockville, visited the offices of the company at Willimantic to discuss ways and means of extending the electric line through the Leonard Bridge section. The final plan calls for 16.8 miles of line which will cost $16,300 to construct; $6,500 of which cost is to be contributed by the prospective subscribers along the proposed line.

A committee was appointed to organize the farmers and others along the proposed extension and to secure their signatures to the agreement with the company. The committee includes Elmer Geer, chairman; Kenneth L. Cummings, treasurer; Nathan L. Kerachsky, secretary; Edward W. Jones, Morris Levita, Louis Burstien, Solomon Liebmann and Sam Kostelefsky. It is planned to call a general meeting at which the terms of the agreement will be explained and discussed.

STRETCH MORRISON NOW LOCATED AT MOBILE

Stretch Morrison, former Noank correspondent for The Bulletin, who left sometime ago on a trip across the country, is at present located at Mobile, Ala. In a letter to a Norwich man he describes his experiences during the flood that hit that section of the south recently. "We got the tail end of the big flood," he says. "Lives were lost all around us. We got enough rain to last for six months and it is still raining. Three drops would give you a Saturday night bath.

"The water is up to the auto engines. A coupe got in a water hole and the water was up to the doors. There was a young lady in the coupe and she was calling for help. She didn't want to get her Oxford shoes wet. The neighbors rushed out and I wanted to be the hero to carry the southern girl to safety, but lost out when a fellow with boots on got there first. The water is up the back steps of all the houses on the avenue and one man fished out the window and caught his supper.

"I can't get out. Will have to use a rowboat or put oars on my auto. We will have to get bathing suits to get our mail. Sure do think of The Bulletin many times and when I get hold of one it is like a Charles Williams Bargain book, for I read it over several times.

LESS BUILDING ACTIVITY LOCALLY THAN YEAR AGO

Building permits issued in Norwich during February were valued at $15,035 against $31,960 a year ago, according to the monthly survey of local business conditions prepared by Secretary Walter H. Pilcher, of the Norwich chamber of commerce. Bank debits showed an increase over the same month last year, the totals being $18,056,333 and $17,850,776. In 1927 savings bank deposits totaled $44,590,036; in 1928 the total was $39,891,585 and this February the total was $44,749,616. The amount of gas consumed last month was 13,870 cubic feet; in the same month a year ago, 13,089 cubic feet were used.

There was an increase in electricity consumption, 374,440 k. w. h. being used in February, 1929, and 344,610 k. w. h. in February, 1928. There were 64 telephones installed during February, compared with 45 a year ago; during these periods 33 and 30 were removed respectively, leaving a net increase of 31 telephone installations in February of this year and 15 a year ago. Post office receipts last month totaled $9,559 against $9,209 a year ago.

ACTIVITIES OF PUBLIC HEALTH NURSING DEPT.

The public health nursing report for the month of January, announced Tuesday, shows that at the first of the month there were 1,430 patients under care of the nurses. A total of 145 new patients were added during the month and 1,322 calls were made by the seven on the staff; 1,208 calls were made during the 28 days of February. With 149 new patients added to the list, made an average of 44 calls a day. Patients under care during the month were 1,526.

Chest clinics are held every Tuesday at No. 9 Washington street, under the supervision of Uncas-on-Thames. During the two months, six clinics were held and 35 chest examinations made.

The Rock Nook children's clinics are also held at No. 9 Washington street, every Wednesday; 214 visits were made to this clinic during January and February. Well babies conferences are held in Taftville and Occum, as well as one every Thursday at the United Workers. Fifty attended these conferences. These clinics and conferences are held for those who cannot afford the chest examinations and numerous visits of the doctor.

RED AND WHITE STAFF CHOSEN FOR COMING YEAR

Following is the new editorial staff of Red & White, weekly publication of Norwich Free Academy: Editor-in-chief, Walter Sura, '30; associate editor, Anna Werth, '30; doings, Warren LaPierre, '31; exchanges, Ethel Powers, '31; art school, Dan O'Neil, '30; library, Facie Mandell, '30; alumni, Henrietta Herman, '31; day by day, Eldred Coles, '31; athletics, Stephen Armstrong, '30; industrial arts, Nicholas Tarrant, '31; business manager, Gordon Cruickshank, '30; assistant business managers, William Agnew, '31; Nathan Sears, '30.

ATTENDED ROOM DEDICATION AT SOLDIERS HOME

The Connecticut Department of Union Veterans of the Civil War gathered at the Fitch's Home for Soldiers, Noroton Heights, Conn., Sunday, March 17th, to present and dedicate a room in the hospital, in memory of their soldier fathers and their comrades. The presentation speech was given by Mrs. Jennie S. Newbury, of this city, president of the Connecticut department. She was presented with a huge bouquet of beautiful roses by the officers of the home. Major Richard J. Hughes, commandant of the home gave the speech of acceptance in place of Adrian P. Sloan of Hartford, a member of the veterans' home commission, who was to have accepted the room but was detained at his home on account of illness. A telegram of regret from Comrade Sloan was read by Major Hughes. Mrs. Minnie E. Mathieu, of Willimantic, department senior vice president, assisted at the unveiling of the silver name plate on the door.

Those present from this city were: Miss Florence Hoffman, president of the local tent; Mrs. Emily Irish, a past department president of the W. R. C.; Past Department President D. Louisa Atterbury; Miss Iola Belle Roath, Mrs. Rose Graham, Mrs. Georgianna Keen, Ernest M. Newbury, Department President Jennie S. Newbury, Department Secretary Lillian E. Brewster, Department Guide Gladys B. Newbury, Department Chief of Staff Annie B. Turner, Mrs. Alice Brayman, Mrs. Ada Revell, Mrs. Jennie Harvey, Mrs Charles R. Brayman and Miss Maria Brayman.

FLETCHER POST AIDING TRAINING CAMP MOVEMENT

Information as to the procedure necessary to enroll in the citizens military training camps for the 1929 encampment has been received by Robert O. Fletcher post, No. 4, The American Legion, and will be given to anyone desirous of taking advantage of the benefits to be derived from this year's camp should make the necessary application at an early date. From 20,000 to 30,000 applicants have been annually denied the privilege of attendance, at these camps due to the lack of space and this number would have been far exceeded except that the period of enrollment was closed weeks, and often months before the opening of these camps.

During the past eight years a total of 327,293 young men have sought the opportunity of voluntary training and only 234,353 could be enrolled. This shows the popularity of the camps and emphasizes the fact of an early application. The citizens military training camps are the direct outgrowth of the Plattsburg camps of 1913, 1914 and 1915. Their aim is to make a direct contribution to the physical, mental and moral development of those participating by providing 30 days of active outdoor military training under the most desirable conditions. To be eligible to attend, candidates must be physically fit American citizens or have at least taken out first papers of naturalization, and be of good moral character. Age requirements are: Basic—17 to 24, Red—17 to 25, White—18 to 28, Blue—19 to 31. Necessary transportation, including all expenses to and from camp to which the successful candidate is assigned will be met by the government. Uniforms, meals, quarters and laundry are also furnished free, religion is respected and encouraged and provision is made permitting each candidate to follow the faith of his choice.

These camps teach respect for authority, strengthen self respect, develop alertness and self reliance, increase patriotism and a regard for the rights of others, promote physical and moral courage, teach observance and prompt decision and add stamina and virility to the manhood of the country.

Every day except Sunday is devoted to athletics, physical training and target practice. Discipline is enforced—never harsh but always strict. Soldierly bearing, order, neatness, and sanitation in quarters and camps are required from all. The meaning of discipline, prompt and cheerful obedience, its importance and development, forms an important part of each camp.

HONORS FOR WAUREGAN DANIELSON BOYS

(Special to The Bulletin.)

WORCESTER, Mass., March 19.—Romain O. Gevette of Wauregan, Conn., and Gerard Chartier of Danielson, Conn., received high honors from their classmates at Assumption college in the annual "questionnaire," one of the high spots in student activities for this time of year.

Govette was chosen as the student to have done the most for the college, and he was also chosen the most versatile student.

Chartier was considered the best all round athlete with George Crepeau of Woonsocket, in second place.

Govette is president of the Assumption College orchestra, of which he is a charter member and violin soloist.

To Be Married April 6th

Announcement has been made that the marriage of Miss Lillian Agnes Karkutt to James Morgan Miner of Hartford will take place Saturday April 6th, at the home of Miss Karkutt's father in this city.

SPECIAL TOWN MEETING NEXT MONDAY EVENING

First Selectman William S. Murray has issued a call for a special town meeting to be held Monday, March 25, to act upon several matters, which have been brought before the attention of the board of selectmen, Mr. Murray, Charles P. Bushnell and Patrick T. Connell.

The meeting will take action on the sale of the Bean Hill school located on West Town street and upon a petition signed by more than 20 legal voters requesting that the town accept Julian street as a public highway.

Action will also be taken on a petition requesting that the name of Tanner street in the town be changed to John Birchard Lane and upon a petition signed by more than 20 voters requesting the calling of a special town meeting to take such action as it may see fit on the grand list as left by the board of relief.

ALFRED LABARRE FINED ON LIQUOR CHARGE

A fine of $200 and costs and a suspended 30-day jail sentence was imposed upon Alfred LaBarre, proprietor of an alleged liquor place in Taftville, when he was presented in the city court Tuesday morning on the charge of keeping with intent to sell. A demurrer was entered by counsel for the accused, but it was overruled by Judge Arthur F. Libby and the fine was imposed. A second charge of actual sale alleged to have been secured by the state police through an aid was not pressed as the aid did not appear in court.

Shortly before the place alleged to have been conducted by Mr. Labarre was raided by the state police about Jan. 22, he disappeared from the city and remained away. On Monday morning he gave himself up to the police and was then presented in court.

THREE MONTHS SENTENCE ON CHARGE OF THEFT

Victor Yurosuack, 30, of New York, received a sentence of three months in jail in the city court Tuesday morning, when he was presented on the charge of theft of a watch from Eddie Dryak of No. 114 Thames street. In court Monday morning the accused was given a 30 day suspended sentence after he was found guilty of appropriating several small articles from a Wet Thames street house. It was discovered in court that Yurosuack was wearing two pair of trousers, one of which was stolen from the Dryak house. He was arrested Monday afternoon on the West Side by Officer Daniel O'Neil.

YANTIC

EXCHANGE [illegible] DURING YEAR [illegible]

The Yantic Co-operative exchange had its annual meeting at the home of its president, E. L. Waterman, of Lebanon, Saturday evening, re-electing all officers: President, E. L. Waterman; vice-president, M. J. Shea; secretary, G. A. Miller; treasurer, A. L. Smith, directors, James H. Huntington, John F. Fields, A. J. Grandy, Milton Beckwith and Mr. Lathrop; manager, John S. Sullivan. The past year, 1928, the exchange did a $35,000 business—much above the expectation of the association—and 8 per cent. was declared on the capital stock for the year. Thanks was expressed to John S. Sullivan for his able management.

"Shep" Had to Be Killed

Ten dogs were killed in the village during the past week because of the mutilations inflicted by the wild police dog which disturbed the neighborhood for several nights. None was more mourned than the faithful fourteen-year-old shepherd dog "Shep," owned by Frederick Kingsley, of Schoolhouse hill. Shep was known to all the villagers—especially to the children—who will miss him this summer in the swimming pools. He managed to spend much of his time where he could be of service and made the rounds of the houses on the hill each night like a sentinel on duty, ever watchful. He became acquainted with every householder years ago, riding around on the grocery team.

He was so torn by the vicious dog that found him easy prey that Henry Hamilton shot him and he lies buried overlooking the village, greatly mourned by his owners and the neighbors in general.

A carload of work horses was driven through the village Sunday consigned to Frank Lathrop. A few colts with them attracted the children almost as much as a circus parade might.

Charles Weeks, who is now boss weaver and dresser of a mill in Waterford, spent the week-end at his home here.

Chimney Fire

The Yantic Fire Engine company was called Sunday afternoon, to put out a chimney fire in the cottage belonging to Harry Fishbone, at the rear of the Yantic garage.

The house was recently vacated by the family of Joseph Wheeler, who moved into one of the village tenements on Main street. Saturday, an employe of the state highway department, Mr. oung, moved in.

The fire was caused by soot in the chimney and a fresh fire started it burning. Three gallons of chemical were used. No damage was done to the property.

Charles Johnston, a resident of the village many years ago, now residing in Westerly, R. I., spent Friday visiting local friends.

Mrs. Harry Fishbone has returned from a week's stay in Boston, having been there to be near her son, Jacob Fishbone, a patient at the Peter Bent Brigham hospital.

TAFTVILLE

Mr. and Mrs. Hosanna Berube and family of South B street moved to Willimantic on Tuesday.

Miss Louise Sirist, N. R., was in charge of the class in home nursing and hygiene conducted at the Red Cross rooms in the Ponamah building Tuesday evening.

Mrs. John Gaune of South B street has received a letter from her sister-in-law, Mrs. Christie McCutcheon, of South Pasadena, Calif., which came through by Lindbergh air mail.

March 29th being Good Friday, the Rocknook well childs' conference is to be held in the Red Cross rooms on March 22nd, under the auspices of the United Workers of Norwich, it has been announced.

The S. G. C. Sewing circle held their regular meeting Monday evening with Miss Florina Levigne of South B street. The early part of the evening was devoted to needlework and supper of chop suey, rolls, pickles, cookies and coffee was served by the hostess, assisted by her mother, Mrs. Alexina Lavigne. Music and singing helped to make the evening most enjoyable. The next meeting of the circle is to be at the home of Miss Celeste Benoit.

Miss Daisy Fisher, who has been visiting Mr. and Mrs. William Bailey and Miss Mabel Hodgkinson of North Second avenue has returned to her home in Jersey City, N. J.

John Harris, who has been spending several weeks in Arlington, Mass., has returned to town.

NAMED PRESIDENT OF MENTAL HYGIENE SOCIETY

Mrs. Louis K. Walden was elected president of the Norwich Society of Mental Hygiene at its annual meeting Monday evening at the Wauregan hotel with Mrs. Charles B. Gilbert presiding. A feature of the meeting was a talk by Dr. Everett Rademacher of Yale, who is acting as consultant at the Norwich neuro-psychiatric clinic of the United Workers.

The other officers elected are: Vice president, Miss Elizabeth B. [illegible]; secretary, Mrs. Richard S. Haven; treasurer, Mrs. Allyn N. Brand; [illegible] for three years, Mrs. Charles B. [illegible] Miss Alma Bowman, Carl W. Brown; director for one year to fill the unexpired term of Dr. Bryan, Mrs. Herman Sears. The slate of officers as prepared by the nominating committee was presented by Miss Alexandrine Trumbull.

TOO TIRED TO WORK?

If you get up in the morning tired, if you are weary with little exertion and if rise and go are lacking, depend on it your system is loaded with toxic poison due to constipation. Schenck's Mandrake Pills will relieve this condition and make you feel full of energy. Three generations have used Schenck's Mandrake Pills and you will know why after you try them.

ASK THE MAN WHO OWNS ONE
PACKARD

New, Low Prices for Standard Eights

THE Packard Standard Eight lists today at $2275 to $2675 at the factory—prices comparable to those of the famous forerunner, the Packard Six.

When Packard decided to concentrate its vast resources entirely on Straight Eights, it was with the desire ultimately to provide the advantages of Eight-in-Line design at no increase in prices. The tremendous sales success of the Standard Eight, since its introduction last September, made possible the reduction of $160 March 4th.

The Packard Standard Eight today embodies all of the features which mark Packard leadership. The famous Straight Eight motor, with its nine bearing crankshaft, is unchanged in design. Instant Chassis Lubrication protects precision and assures long car life. The unique and exclusive Shock Absorbing System adds new ease to riding and new safety to driving—for it includes a device which positively eliminates front wheel "shimmy".

Packard has but one standard of quality—the highest—and the Standard Eight is a Packard in every sense of the word.

When may we put a car at your disposal for a demonstration?

If you prefer to buy out of income, you will find the Packard Payment Plan most attractive. Many take possession of their new cars without any cash outlay—because the used car allowance equals or exceeds the down payment on the new car.

DEATH HAS VANQUISHED MARSHAL FERDINAND FOCH

The Greatest Military Figure of the Greatest of All Wars Died at Twilight Last Night in Paris—Illness Had Sapped the Strength of the Gallant 77-Year-Old Man—The Marshal's Wife and Their Two Daughters Were at His Bedside as the End Came—There Will Be a National Funeral.

PARIS, March 20—(AP)—Ferdinand Foch, generalissimo of the Allied armies in the World war, died peacefully just as the sun was going down at 5:50 p. m. this evening. The man who led to victory the greatest aggregation of armies ever assembled, passed away quietly with his family about him and, devout Catholic that he was, with his mind and soul at peace after his last confession to his parish priest. He was in his 77th year.

He lay tonight at rest in the field uniform of a commanding general. His face was strikingly more peaceful than at any time since death began the struggle to claim him ten weeks ago.

The great marshal will have a national funeral. This is an honor which has been accorded to only five Frenchmen previously. Those men were Presidents Carnot and Faure, Pasteur, the scientist; Gambetta, the statesman, and Victor Hugo, the poet.

The body will lie in state at the Invalides before the tomb of Napoleon Bonaparte. There is little doubt but that Foch will be laid away in his final rest in one of the niches of the crypt where the great Corsican lies.

Foch was a marshal in the British army, an honorary title conferred on him after the armistice. Recognition of this was given immediately after his death when the government here cabled to the French ambassador in London to notify Great Britain of his passing.

The news of the death spread rapidly and great personages immediately began to arrive at the Foch residence to register their regrets and condolences. Marshal Petain came first, to second Foch in death as he had done in life. Marshal Lyautey and Generals Niessel, Gouraud and Weygand were there for the army before the first civilian dignitary appeared.

That civilian was Paul Doumer, president of the French senate. After him came Premier Poincare and Aristide Briand, the foreign minister. The former had announced the death of the marshal to the chamber of deputies, hurrying immediately afterwards to give condolence to Mme. Foch.

The widow, although deeply moved, was very dignified and Spartan in her grief. When told by the doctors that the last moment of her glorious husband was at hand, she exclaimed simply:

"God's will be done."

This evening she received many of the friends and admirers of the great soldier whose companion she had been for so many years.

One of the first to express his feelings over the passing of the marshal was Gen. John J. Pershing, who mourned for the loss of a friend and comrade. The American soldier said that Foch would be "mourned not only by the French nation, but all peoples whose armies fought under his leadership in the World war."

But all who came were not marshals, generals, presidents, or prime ministers. Humbler men appeared, some wearing caps and shiny collarless and wearing linen which was almost redolent of the trench life of ten years ago. There were wooden legged and armless men of erect bearing in the crowd that filled the dimly-lit Rue Grenelle and extended well into the Invalides square, under the dome of which the marshal is to find his last resting place.

These potins spoke in hushed tones as they passed the residence. Some made the sign of the cross; others merely lifted hats or caps. But all were sad.

The marshal awoke this morning much refreshed and greatly improved as compared with yesterday. He appeared to have rallied from a heart attack which he suffered Monday evening. He talked cheerfully with his doctors and said:

"I would like to go out in this beautiful sunshine. When do you think you will allow me to go outside?"

He ate his usual luncheon and later in the afternoon was placed on a lounge near an open window. He was conscious although silent as he looked out upon the blue sky.

Mme. Foch suddenly noted that her husband was growing pale. She summoned the nurses who advised that the doctor be recalled.

Messages were sent too to the two daughters of the Foch family, Mmes. Mourier and Becourt. Two orderlies sprinted toward Sainte Clotilde church which the marshal always attended while in Paris. From its sanctuary Grey Father Verdriel hurried to administer the last sacraments to his distinguished parishioner.

Dr. Dieu arrived. He did what he could, but it was too late to bring the dying man back.

Mme. Foch and her two daughters stood beside the bed as the great soldier quietly met his final defeat. He had not recovered consciousness after being lifted from the lounge by the open window.

These the last request uttered by him was an expression of a desire to go out into the beautiful sunshine. When told that he was to be moved back to his bed he said only:

"All right; let us go."

Is these actual last words his friends found an utterance symbolic of his favorite military maneuver, that of the attack.

Father Dubourg and two sisters of mercy stood watch tonight in the death room. The priest was a private in the French army at the outbreak of the war but he rose to a captaincy. He led his company in many assaults and was one of the favorite subalterns of the marshal.

MARSHAL FOCH GREATEST SOLDIER OF WORLD WAR

WASHINGTON, March 20—(AP)—Eleven years ago tonight, German troops were moving up in dense masses to strike their most terrific blow of the war just at dawn March 21 on a 50-mile front against British troops. The roar of preparatory bombardment rattled doors and windows in Dover, far across on the east coast of England.

The final struggle for mastery was at hand, the hour for the coming of the greatest soldier of the war, Ferdinand Foch, marshal of France, had struck.

So it comes that almost on the 11th anniversary of the greatest moment of his career, when to him passed command of a military machine more vast than any the world had ever dreamed of theretofore, Foch, hero of the first Marne, has breathed his last.

On Nov. 12, the day after the victory had stilled the war tumult at last, Pershing pinned on the breast of Foch at Senlis, France, the American distinguished service medal awarded him by President Wilson.

"I will never forget the tragical day last March when General Pershing put at my disposal, without restriction, all the resources of the American army," Foch at that time said in expressing his pride in the decoration.

"The success won in the hard fighting by the army is the consequence of excellent conception, command and organization . . . and the irreducible will to win of the American troops.

"The name Meuse may be inscribed proudly on the American flag."

TRIBUTE BY PRESIDENT HOOVER TO MARSHAL FOCH

WASHINGTON, March 20—(AP)—President Hoover in a formal statement said that he had "learned with sincere regret of the death of Marshal Foch with whom he was associated closely during the war.

The president's statement reads:

"I have learned with sincere regret of the death of Marshal Foch. I share the respect and admiration in which he is universally held, but beyond this it was my privilege to be closely associated with him in various activities after the war and in this way to gain perhaps special insight not only into his ability but also his fine human qualities of straightforwardness, kindness and modesty.

"I realize how keenly his loss will be felt by the French people. In this loss they have the full sympathy of our people."

PLANNING IMPOSING FUNERAL FOR FOCH

PARIS, Mrch 20—(AP)—The greatest funeral that France has seen since the interment of Victor Hugo, in 1885, was being planned tonight by the French government as a last tribute to Marshal Ferdinand Foch. A special meeting of the cabinet, held immediately after adjournment of the chamber of deputies, prepared a bill which will be introduced in parliament tomorrow and which will carry a special appropriation for the expenses of the obsequies.

The date, and other arrangements such as lying in state, were left in abeyance because it was necessary to consult with the government of allied countries whose armies would be represented in the cortege it will be necessary to allow time for these delegations to arrive in Paris.

The funeral probably will be held on Sunday.

Invitations have been sent to anumber of Allied generals and admirals to act as pall bearers.

The marshal probably will rest beside that other great soldier of France, Napoleon Bonaparte, in the crypt under the dome at the rear of the Invalides. It has long been planned that all marshals and generals who commanded French armies in the World war should be placed in a circle around the chief hero of French military history.

MEXICAN REBELS TO START THEIR COUNTER-OFFENSIVE

By the Associated Press

Insurrect leaders announced their readiness finally to unleash their counter-offensive against pursuing federals under General Calles simultaneously with reports by federal air scouts that the main rebel army apparently was continuing its northward retreat towards Chihuahua City.

General Escobar, in the new rebel headquarters at Jimenez, state of Chihuahua, put in a new light his withdrawals from successive fortified positions at Torreon and Escalon by stating that his allies in five central Mexican states were threatening the rear of the Calles army and menacing its communications with Mexico City.

A rebel consular agent in El Paso, Texas, declared that this revolutionary menace in Central Mexico already had obliged General Calles to leave his command at Torreon to face attacks in the state of Guanajuato. He reported the federal commander as bound for Irapuato, about 150 miles from Mexico City, in which region insurgents had captured the cities of Leon and Guanajuato.

Federal authorities in Mexico City made no mention of these reported reverses, merely announcing that federal aviators were closely scouting the main rebel army which seemed to be preparing for further retreat into the mountainous arid country beyond Jiminez.

BOY DROWNED WHEN HE FELL THROUGH ICE

MANCHESTER, March 20—(AP)—Failure of Ernest Gilbert, 7, to appear for his noon-day meal prompted his mother to send a note to the principal of the Lincoln street grammar school which he attended and an hour later learn that her child was drowned.

Russell Graham, 7, the boy's classmate in the first grade, blurted out the tragedy when questioned by the assistant principal. He described how Ernest fell through thin ice on Center Springs pond while they were taking a short cut home and that he became too frightened to tell anyone.

POLICE CONVINCED THAT MRS. BAKER WAS SLAIN

NEW ORLEANS, La., March 20—(AP)—Police today became convinced that Mrs. Janet H. Baker was slain after Mrs. Edwin Loeth had told them she saw two men leaving the burning automobile in which Mrs. Baker's charred body was found.

CABLED PARAGRAPHS

BERLIN, March 20—(AP)—The German Press has been slow to comment upon the possibility of American adhesion to the permanent court of international justice—the world court.

PARIS, March 20—(AP)—Financial experts of the second Dawes committee held only a short session today, adjourning until March 26 after considering a new report from Lord Revelstoke on the plan for an international bank to act as trustee for reparations payments.

OSLO, Norway, March 20—(AP)—Enthusiasm of the Norwegian people over the royal wedding of Crown Prince Olaf and Princess Martha continued at fever heat today, a great throng assembled before the royal palace and cheered so vociferously that the royal couple obligingly responded by appearing on a balcony to bow and smile their acknowledgments.

SLEW MAN ABOUT TO ATTACK HIM WITH A PAPER KNIFE

DALLAS, March 20—(AP)—Attacked with a paper knife because, he says, he would not sign an agreement binding himself to have nothing more to do with his former stenographer, and to pay all her debts, G. B. Pierce, 55, an insurance man, shot and instantly killed Andrew M. Blue, 35, a stationery salesman, and son of a minister, in Pierce's office in a downtown building here today.

Pierce was slashed on the neck and was wounded in the left arm by his own pistol. He was released on a $5,000 bond on a charge of murder. He is married and has two children. Blue was unmarried.

The paper which Pierce says Blue tried to force him to sign, involved Miss Irma Tarrant, 21, until last week an employe in Pierce's insurance office. Pierce said Blue wrote the agreement with a pen as the men sat on opposite sides of the desk. It obliged Pierce to have no conversations with Miss Tarrant and to pay her outstanding debts and accounts.

Pierce said he told Blue, "I can't sign that," and quoted the latter as answering with an oath, "You'll sign it or I'll kill you."

Then Pierce said the salesman grasped a paper knife and began slashing him.

"I couldn't stand there and let him kill me," Pierce told the authorities. "I grabbed a pistol out of my desk and shot him twice."

MISSISSIPPI LEVEES ARE BULGING FROM STRAIN

QUINCY, Illinois, March 20—(AP)—Flood washed levees along the Mississippi river north of Quincy tonight bulged from the strain of holding back the relentless rise of the turbulent river and sent scores of families scurrying from the lowlands.

The situation was described as dangerous. A fresh wind came up during the afternoon and waves began splashing over the retaining walls further eating them away. A force of men was kept busy re-enforcing the weakened sections with sand bags.

The river already has reached the 20 foot stage and experts say the levees at the utmost can hold no more than another foot.

Within the Lima Lake district, farmers today began removing their livestock, grain and household furnishings from their farms to points of safety along the bluff several miles back from the river. Virtually all this district has been farmed and if the levees break the loss will be tremendous.

The Indian Grave district levee also is straining from the onslaught of the rising river with but little hope of withstanding the pressure, if the rise continues.

HELD FOR THE MURDER OF HIS SWEETHEART'S FATHER

CHICAGO, March 20—(AP)—A young street car motorman who posed as a detective to become a hero in his sweetheart's eyes today was held to the grand jury for murder.

The police accused him of fabricating an extortion plot against his girl's father and then killing an innocent man as the extortionist to win her admiration.

The characters in this odd case are: Stanley Reichel, 28, the street car motorman; Michael Rybska, 25, employee of a finance company his victim; Frances Masalanka, the sweetheart; John Masalanka, prosperous contractor, her father.

As the police reconstructed the case, Reichel adopted the fabulous extortion plot and under the sobriquet of "The Eel," he wrote letters to Mr. Masalanka demanding $500 on pain of death. He then presented himself to his sweetheart as a private detective and offered to track down the extortionist. Frances deemed it a good idea and said "The Eel" should be killed for writing such notes to her father.

REPORT OF CAPTURE OF REBEL GENERAL AGUIRRE

MEXICO CITY, March 20—(AP)—An official report was received at Chapultepec Castel tonight that General Jesus M. Aguirre, principal rebel leader in the state of Vera Cruz, was captured at 5:40 p. m. today at Aguacatillo, Vera Cruz.

The capture was made by General Eliodor Hernandez and General Acosta, commander of the federals in Vera Cruz, said that the prisoner was on his way to the federal headquarters camp where he would be court-martialled.

General Aguirre's brother, Simon, also a rebel leader, was captured and executed about ten days ago.

The report said that General Aguirre was found hiding in a forest after a minor engagement in which several of his followers were killed.

LOANS TO BE SOUGHT FOR RELIEF OF FLOOD SUFFERERS

MONTGOMERY, Ala., March 20—(AP)—Two loans will be sought from the federal government, Gov. Bibb Graves announced today, for the relief of south Alabama flood refugees. One will be for the immediate emergency aid and the other a long term loan for rehabilitation purposes.

The governor and four members of the state's congressional delegation discussed plans late today but delayed action until word is received from each of the state's representatives and senators.

Charles A. Moffett, president of the state board of administration, announced he had placed $31,615 in the hands of Red Cross directors today, representing contributions received from radio appeals by Governor Graves and through the newspapers. The governor is to make another radio appeal tomorrow night.

Gov. H. S. Johnson Of Oklahoma Impeached

Senate Court Voted 35 For Conviction and 9 For Acquittal on Incompetency Charge.

OKLAHOMA CITY, Okla., March 20—(AP)—Governor Henry S. Johnston was convicted on the first impeachment charge, incompetency, voted upon by the senate court late today.

The vote was 35 for conviction and 9 for acquittal. Johnston's conviction automatically removes him from office. W. J. Holloway, lieutenant governor, succeeds to the governorship. He became acting governor when Johnston was suspended after the impeachment articles had been voted out by the house of representatives.

Johnston was acquitted on the next two articles, which were based upon the granting of a pardon to R. D. Crosthwaite, convicted murderer and fugitive from the state penitentiary and employment of J. W. (Buck) Eldridge as a special state investigator.

On two other articles charging illegal issuance of deficiency certificates for the employment of banking department attorneys, Johnston also was acquitted.

The next three articles considered, involving the employment of Kirby Fitzpatrick as a banking department attorney and the issuance of two deficiency certificates for the state issues commission, resulted in votes of acquittal.

Johnston also was acquitted on the two remaining charges based on the issuance of deficiency certificates to pay C. B. Cochran and D. H. Linebaugh, lawyers as friends of the state supreme court in the O. O. Owens controversy.

TAKES OATH OF OFFICE AS GOVERNOR OF OKLAHOMA

OKLAHOMA CITY, Okla., March 20—(AP)—W. J. Holloway, lieutenant governor, and acting governor since the suspension of Henry S. Johnston, became governor of Oklahoma for the coming two years when he took the oath of office from Chief Justice Charles W. Mason at 4:52 p. m., today, after Johnston had been removed by conviction of incompetency in the impeachment court.

CALVIN COOLIDGE TO DRIVE LINCOLN SEDAN

SPRINGFIELD, Mass., March 20—(AP)—Former President Calvin Coolidge registered his Lincoln sedan today by a messenger at the local automobile registry office, it became known today. The car was the one which Mr. Coolidge used in Washington while he was president and which he purchased from the government. The Massachusetts registration number of the machine is 284,420. Mr. Coolidge gave his occupation, in answer to a question on the application form, as "retired." The space asking whether or not the owner of the car had an operator's license was left blank.

YOUNG COUPLE FOUND SHOT TO DEATH IN BRONX

NEW YORK, March 20—(AP)—Thomas Jensen, 27, and his wife, Adelaide, 24, were found shot to death in the hallway of the latter's home in the Bronx tonight.

Police said Jensen fired two shots into his wife's body and then took his own life with a third bullet. The couple had been separated twice in the four years of married life. A letter found on the man's body said he could bear his troubles no longer.

OBITUARY

Roscoe Bradbury Jackson

NICE, France, March 20—(AP)—Roscoe Bradbury Jackson, president of the Hudson Motor company of Detroit, died here yesterday of heart disease. He was 55.

William L. Velie

MOLINE, Ill., March 20—(AP)—William L. Velie, acting president of the Velie Motors corporation, died today. He was 32 years of age and became head of the corporation at the death of his father, Oct. 24, 1928.

Heart disease was the cause of death.

Lindbergh-Morrow Marriage This June

They Have Not Decided Whether the Ceremony Will Take Place in Mexico or the U. S.

MEXICO CITY, March 20—(AP)—Colonel A. Lindbergh and his fiancee, Miss Anne Morrow expect to be married sometime in June, it is stated upon the highest authority. Place of the ceremony has not been decided.

Anne Morrow will be a June bride, but she and Col. Lindbergh have not yet decided whether the marriage shall be solemnized in Mexico City or in the United States. The colonel is expected to fly back to Mexico City at least once, and maybe twice, to visit his fiancee before June.

18 PERSONS KILLED IN WRECK ON CAN. NATIONAL RAILROAD

TORONTO, Ont., March 20—(AP)—A head-on collision of two express trains on the Canadian National railroad caused the death of 18 persons and injuries to an undetermined number of others shortly before down today, at Drocourt, near Parry Sound, Ont. The wreckage caught fire immediately after the crash.

A statement issued this afternoon at the railway offices said 17 died at the scene of the wreck and one, a fireman named Smith, died while being taken to a hospital.

Most of the victims died in a flaming coach of the west-bound train, the engine and four cars of which were lifted from the rails. The engine and two cars of the second train left the track but the remaining cars were shoved by survivors from proximity to the burning debris. Both trains were made up of steel cars.

It was the worst train wreck in Canada since 1910, when 63 persons were killed in a derailment at Sault Ste. Marie, Ont.

CLAIMS THAT BEE-RAISING "SWEETENS PEOPLE" UP

HARTFORD, March 20—(AP)—To "sweeten up" the appropriations committee of the legislature bee-raising was suggested by Rev. William C. Prentiss, of Plainfield, at a hearing in the state capitol today. "It is a great thing for a man; better than golf," he said. "It makes good exercise and sweetens people up."

"The committee would be stronger and more brainy if they ate honey," he asserted Rev Mr Prentiss, with other members of the Connecticut Beekeepers' association, advocated an annual state appropriation of $1,500 to the association for the spreading of information regarding the proper methods of bee raising. Jars of honey were distributed among the committee members, despite the assertion of House Chairman Elwyn T. Clark that it was "too late."

72 YEAR OLD WOMAN LOST LIFE SAVINGS IN "FLIM-FLAM" GAME

NEW HAVEN, March 20—(AP)—A 72-year-old woman today lost her life savings of $900 through a "flim-flam" game worked by two men one of whom represented himself as a jeweler. Mrs. Rebecca Spivak, the victim, was persuaded by the man who said he was a jeweler to loan him her savings to buy a lot of diamonds from the second stranger.

He said the sale was exceptional and as the price asked was $1200 and he only had $300, the woman consented to loan him her savings. The "jeweler" after receiving the funds from the woman said he would call at her home tonight to make remuneration and would give her some additional cash for her troubles. As he drew away from her the thief handed her a bag, presumably containing the diamonds, but which turned out to be nothing but glass.

The body of Ernest P. Spencer, 53, a traveling salesman of Malden, Mass., was found in his hotel room in Biddeford, Maine, with a bullet hole through the head.

DETAILED REPORT OF GENERAL ASSEMBLY

(Special to The Bulletin)

HARTFORD, March 20—The house was greeted this morning with the largest calendar of the session. On road matters the bill reported last week authorizing an additional trunk line section in Lebanon was passed. The bill provides that the highway beginning at the Jonathan Trumbull highway in the town of Lebanon, at or near the Baptist church, extending in a northerly direction to the Village Hill school; thence northeasterly to connect with Mountain street at the Willimantic city line, is included in the trunk line system of highways.

Of interest to the sportsmen were the bills concerning the tarining of hunting dogs. Heretofore it has been unlawful to take dogs into the woods or fields where game is found. No opportunity was given to train young dogs and before the hunting qualities of the dog was an unknown quantity until the hunting season opened. The bill will permit of field trials being held. The provisions of the bill are:

The state board of fisheries and game may, upon application, issue to any person holding a hunter's license a permit to train, exhibit or make trials of hunting dogs in the field during any close season on any day except Sunday, under such rules and regulations as said board may prescribe. Any such permit may be revoked by said board at its discretion.

The coon hunters will also have an opportunity to try out their dogs before the season opens. Many of these dogs cost a large sum of money, and some of them when given a trial are found worthless. The provisions are:

The state board of fisheries and game may, upon the application of any prospective purchaser of dogs trained to hunt raccoon, issue a permit to test or try out such dogs from August first to October twenty-first, provided said board shall assign a fish and game warden to be present at such trial and the actual cost of the services of such warden thereat shall be paid by the holder of such permit.

The amended bill concerning the town court of Waterford provides for the appointment of a judge and a deputy judge to be appointed by the general assembly, the deputy judge to act in event of a vacancy or inability of the judge to act.

The judge shall appoint a prosecuting attorney who shall be a legal resident of Waterford and who shall act as clerk. The judge is to receive a salary of $600 per annum and the deputy judge $5 for each day he shall be called upon to preside over said court. The salary of the prosecuting attorney shall be $600 per annum and the assistant shall be $5 per day for each day he prosecutes. The salaries to be in lieu of any other compensation.

New London is to have a small claims court as provided in the bill passed in the house this morning. The bill provides:

"Section 1. The judge of the city court of New London as soon as may be practicable, shall make uniform rules, applicable to said city court providing for a simple, informal and inexpensive procedure for the determination, according to the rules of substantive law, of all claims for money damages, except claims based upon slander and libel, in which the plaintiff claims as debt or damages forty dollars or less. Such procedure shall include notice by mail instead of the mode of legal service heretofore required, provisions for early hearing or actions thus begun and provisions for the beginning of such actions with the payment of an entry fee of one dollar. Such procedure may include the modification of any existing rules of pleading, practice and evidence, and a stay of the entry of judgment or of the issue of execution, upon such reasonable terms as the court may prescribe."

"The rules for such procedure may provide for the elimination in whole or in part, in the discretion of the court or by rule, of any or all fees and costs fixed by law except that the prevailing party shall pay a judgment fee of two dollars which shall be taxed against the losing party, in causes begun under such procedure, the clerk may, on application for cause shown, issue writs

(Continued on Page Nine)

BRIEF TELEGRAMS

Grain exports from the United States last week were 1,841,000 bushels, compared with 2,366,000 bushels the previous week.

Howard G. Ramsey, 47, for 25 years an electrical contractor, and a prominent fraternity man died at his home in Uxbridge, Mass.

Miss Katherine A. Nettleton was elected state regent of the Daughters of the American Revolution at the 36th annual conference of the society in Windsor.

Two men were burned to death and three others seriously burned in a fire at the Sun Oils Co. plant in Marcus Hook, Pa., after an explosion in an oil distillery.

The Waterbury Fastener company of Waterbury, is to merge with the U. S. Fastener company of Boston, according to reports. The Boston concern is capitalized for $1,000,000.

A cut of 60 cents a ton in the domestic prices of anthracite has been announced in Wilkesbarre, Pa., by a number of producers. The reduction will take effective April 1.

Scientific steps necessary to develop a light which will burn indefinitely, without heat, feeding on its own ashes, were described at a meeting of the American Institute in New York.

A $10,000 personal injury suit brought by V. Capellaro, an insurance agent of Bethel, against Chester Whitehead and the Packard Motor Co., of Danbury, was settled out of court.

Lieutenant Herbert H. Mills, finance officer and assistant engineering officer of the 43rd division air service, was appointed general manager of Brainard field, municipal airport in Hartford.

Secretary Mellon probably will be called before the senate judiciary committee when it undertakes its inquiry into his right to continue as head of the treasury with President Hoover.

Edward H. Calvin, Red Cross worker, telegraphed to Atlanta, Ga., that he had been sucessful in warning the residents of the Apalachicola river valley in Florida of the coming flood waters.

A stone hurled by the tire of a speeding bus struck and fractured an ankle of Miss Catherine Moriarty, 33, as she was passing along Hamilton street, Southbridge, Mass., on her way to church.

Arrangements were completed for the burial services for Melville E. Stone, former general manager of the Associated Press, whose ashes will be entombed on Saturday in the Washington Cathedral.

Goods to the value of nearly $2,000 were taken by burglars who entered the Square Deal Dry Goods store, at Rose and River streets, Danbury. The principal loot was nearly 2,000 pairs of women's silk hose.

Burton C. Patterson, 89, for over 60 years a resident of Torrington, during the first 45 of which, he conducted a successful dairy farm, died at the Lawrence and Memorial Associated hospitals in New London.

Frank Gurley of Stamford appealed to the superior court for an injunction to restrain the Federal Bakeries company of that city from using its ovens in a store in the Fessenden building, on account of smoke.

Oscar Morales Lopez, until recently a major, is now a lieutenant colonel in the Guatemalan army air force. The aviator, who soon is to attempt a flight from Texas to Guatemala by way of Mexico City, was notified of his promotion.

An increase of $124,901,510 in income tax collections on last Monday over the amount reported on last Saturday sent the total for the fiscal year starting last July to $32,235,042.3 more than was collected in the same period of the previous year.

The National Broadcasting company and the Columbia Broadcasting system announced that their nation-wide networks would broadcast the address of President Hoover at the luncheon of the Associated Press in New York on April 22.

Marshal Ferdinand Foch, who died in Paris yesterday, was one of two honorary national commanders of the American Legion. The other is General John J. Pershing. Both were voted the title by the National Legion convention held in Philadelphia in 1926.

A joint expedition by Peabody museum of Yale university with the National museum at Washington, into New Mexico, will be started Monday to excavate the extinct fumarole in which the fossil of the Yale ground sloth was found.

The latest note of the French government in connection with the prolonged negotiations between France and the United States on tariff questions, has been received by the state department and is being studied by department officials.

The Very Rev. Edmund T. Shanahan, 61, S. T. D., Ph. D., J. C. L., pastor of the Sacred Heart church of Watertown and for many years professor of theology at the Catholic university at Washington, died at St. Elizabeth's hospital, Brighton, Mass.

The result of operation of the receivers of the Central Vermont railway and its subsidiary, the Central Vermont Transportation Co., shows a net income for February of $104,517. This is the best showing for any February in the history of the company.

State's Attorney Samuel E. Hoyt of New Haven will act as prosecutor against Attorney Joseph C. Guilfoile it was made known, when the Waterbury lawyer defends himself from five charges brought by the New Haven County Bar association grievance committee.

The navy department is planning to install on all its submarines the "lung" escape device recently tested off the Florida coast. Each member of the crews of submarines will be provided with two of the appliances which enable men to breathe while rising from sunken ships.

The death yesterday of Marshal Ferdinand Foch removes the second of three distinguished Europeans who were made honorary members of the Knights of Columbus in the post war years. Of the trio only King Albert, of Belgium, remains. Cardinal Mercier was the first to meet death.

WOMEN FIGHT FOR RIGHT TO SERVE ON JURIES IN STATE

Before the Legislative Judiciary Committee the Measure Was Supported by the League of Women Voters, the W. C. T. U., Various Women's Republican Organizations and the State Federation of Women's Clubs—Chief Opposition Came From Women Members of the House—Not a Man Appeared For or Against the Bill—Committee Indicated That It Was Opposed.

STATE CAPITOL, Hartford, March 20—(AP)—Women fought women today in an effort to obtain the general assembly judiciary committee's approval of one of two bills which would give women equal right with men to serve on juries. It was the fourth attempt to obtain passage of such a measure, but the judiciary indicated it was opposed.

Support for one measure, introduced by Senator Weaver, of New Milford, came from the League of Women Voters, the W. C. T. U., various women's republican organizations and the State Federation of Women's clubs, while the chief opposition came from women members of the house. Not one man appeared for or against either bill. Similar to Senator Weaver's bill, in that it would accomplish the same result, was that of Mr. Schreiber, of Redding, which would remove the disqualification for jury duty because of sex. Support was given this by the National Women's party.

The support, well organized, was headed by Mrs. William F. Worrall, of Meriden, chairman of the legislative committee of the League of Women Voters. In her introductory address, Mrs. Worrall recalled that similar opposition arguments were presented in previous legislatures, and, answering a contention that women would not be competent on juries hearing motor vehicle cases, said that motor vehicle department figures for 1925, 1926 and 1927, show that only five per cent of women drivers figure in accidents, while 15 to 16 per cent of men. She looked upon this fact as proof that women's knowledge of motor vehicle operation is as good as men's.

The general arguments of the proponents were that the jury right is a natural accompaniment of the right to vote, that women are competent, willing and able to serve on juries, that they want to serve, and that if they have the right to participate in social, economic, religious and other affairs, they are entitled to the right to participate in judicial. One speaker pointed out that in some counties women already serve on grand juries, and thought general jury service was only an extension of grand jury.

The opposition insisted women did not want to serve on juries, that they regarded the work as onerous, that they felt their homes and children would be neglected if they were called on to serve, and that they have no interest, other than that of a spectator, in judicial proceedings.

Mrs. Sarah B. Crawford, former representative from Westport, made the major support speech, while Mrs. Russ, representative from Shelton, made the chief opposition talk. Mrs. Crawford, after advancing the general arguments, said women regarded jury duty as a way to complete their citizenship, that women would increase the number of available jurors, as the judicial council recommended, and that women, because they are "cross sections of life," would "make for surer justice." She said the question did not revolve upon whether or not women desired the jury service right, but on law and justice and since the law does not consider personal preference in other matters, it should not make any discrimination in favor of personal distaste for jury duty. She pointed out that men regard jury work as unpleasant and would shirk it if they could, but she thought women were willing and would "never shirk any political duty." If women are to be conceded the right to political freedom, she declared, they should be allowed the jury service privilege.

Others who spoke in favor included Mrs. Emory, of Stamford, Senator Weaver, who declared the state needs women as jurors more than women need jury service; Mrs. Lewis, of Stratford, Miss Davids, of Greenwich, Miss Cheney, of Manchester, Mrs. William T. Honiss, of West Hartford, Mrs. Robert M. Gadd, legislative chairman of the Federation of Women's clubs; Mrs. A. M. Fechheimer, of South Norwalk; Mrs. John Pettibone, of New Milford, who quoted Dr. Harris Cook, of that place, on the success of women jurors in Kansas; Mrs. Charles M. Williamson, of Darien, former state factory inspector, and Miss Maher, of New Haven. Mrs. Edith Valet Cook, of New Haven, sent a telegram endorsing the bill, in which she said jury duty is a natural consequence of the right to vote.

Mrs. Russ, in her attack on the bills, said the majority of women are opposed to jury duty, and that specifically most of the women in the Federation of Women's clubs did not endorse the official action of the delegates to the convention in New Haven at which jury service was favored. Mrs. Russ said that the average woman was opposed, but not the political women, and that the latter were not sufficiently representative of all the women. Others who opposed the bills were Miss Coe, of Winchester, Mrs. Goodrard, of Bolton, Mrs. Platt, of Milford and Mrs. Buckingham, of Oxford.

In rebuttal, Mrs. Ruth M. Dadourian, of Hartford, as legal state's chairman of the League of Women Voters and Mrs. Worrall attacked the women legislators for their opposition to jury service. Both said they could not understand why a woman who sits and makes laws would not want to participate in their execution. Both pointed out that women in the general assembly serve in capacities similar to jurors. Mrs. Russ, in reply, said the women legislators preferred to make legislation protective to women, not the sort that would place them in positions repugnant to their natures.

GANGSTER SAM SACCO AND HIS WIFE SLAIN

NEW YORK, March 20—(AP)—Sam Sacco, who once bungled a murder job, was himself put on the spot today by a gang more expert in gunnery than he.

He was killed and so was his wife, both trapped as they slept in mock security behind a bullet proof door.

Twelve years ago Antonio and Dominick De Lucca were standing outside a Second avenue saloon when two men fired on them from a passing taxicab. Antonio shot into the cab and killed Joseph Sacco, for which he was tried and acquitted. Sam Sacco, arrested as the second occupant of the cab was convicted of assault with intent to kill, and, because he already had served a prison term for burglary, was sentenced to 20 years as a second offender.

After receiving his freedom about six months ago, he married and moved to the Astoria apartment where he and his wife were killed today. Apparently knowing that he walked in the shadow of sudden death he had the apartment door sheathed with iron and fastened with extra bolts.

The gunmen however, went through the door so hard they carried it off its hinges. Sacco evidently had a moment's warning, for police found him on the floor with a pistol in his hand. All of its chambers were filled, however, and he had had no chance to open fire before his enemies mowed him down.

Mrs. Sacco was found on the bed, four bullets having penetrated her back, as she apparently huddled at one end in fear of the violent death that was to be hers.

HENRY L. STIMSON HAS ARRIVED AT SAN FRANCISCO

SAN FRANCISCO, March 20—(AP)—Henry L. Stimson, governor-general of the Philippines, who, as secretary of state, will direct the foreign policy of the United States under President Hoover, arrived today from Manila en route to Washington.

After a year in the Philippines, from which vantage point he studied not only this country's colonial problems, but its relations with the entire Far East as well, Mr. Stimson came home eager to assume the new duties to which President Hoover has assigned him. But he said that his coming was not wholly devoid of regret, as he left behind him many fine friendships made during his tour of duty.

The new cabinet chief asked to be excused from discussing the future. To talk of that before he has even taken his oath of office or personally discussed with his chief his approaching tasks would, in his opinion, be unseemly.

DECREASE IN BORROWINGS AGAINST STOCK COLLATERAL

NEW YORK, March 20—(AP)—Total borrowings by members of the New York Stock exchange against stock collateral on March 1, amounted to 9.29 per cent of the market value of all listed shares, compared with 9.48 per cent on February 1, a decrease of .19 per cent during the month.

"SCARFACE" AL CAPONE HAS RETURNED TO CHICAGO

CHICAGO, March 20—(AP)—"Scarface" Al Capone, in pearl gray spats and clothes with swank of exclusive tailoring, came back from Florida today to tell the government about the liquor business, may be.

The stock, black-eyed, black-haired ruler of vice should have felt at home with the boom-boom of flash lights in his ears and smell of powder in his nostrils. The explosions, however, upset the federal building which had been awaiting his arrival for hours.

Stenographers screamed and men came running from offices as the photographers finally cornered Capone and convinced him of the necessity for pictures. George E. Q. Johnson, the district attorney leaped from his chair, knowing Capone was in the building and fearing trouble, and demanded an end to the confusion.

Hundreds of curious persons followed Capone as he left the federal building after cooling his heels for most of the morning without having appeared before the grand jury. He had declined to talk to newspaper men, the two livid marks on his left cheek, which gave him his nickname, wrinkling as he shook his head negatively and repeated "I don't care to answer."

Just before he was led to the grand jury waiting room, however, he said he knew nothing of the liquor racket in Chicago Heights, which he was subpoenaed to tell the grand jury about. In fact, he said, he had been in Florida for most of the last year and a half and was out of the liquor racket now.

COOLIDGE IN NEW YORK AS A PRIVATE CITIZEN

NEW YORK, March 20—(AP)—Calvin Coolidge arrived in New York tonight apparently determined that as a private citizen he should continue his custom of using words sparingly.

To reporters who accompanied him from his train at the Grand Central terminal and rode with him in an elevator to a suite at the Commodore hotel he gave no information as to the purpose of his trip to the metropolis.

The only response their questions brought was a faintly noticeable tightening of Mr. Coolidge's lips.

Hotel officials said he was in New York on a "matter of business" and that they expected him to stay until "about Friday."

$3,000 DAMAGE BY EXPLOSION IN NEW BRITAIN FACTORY

NEW BRITAIN, March 20—(AP)—An explosion late today in the Landers, Frary & Clark factory blew out the side of a compartment, connecting two buildings, causing $3,000 damage. Two girl employes were slightly bruised but did not need medical attention.

The blast occurred in an annealing over from an undetermined cause. The fire department responded and an ambulance from the New Britain hospital went to the scene. The factory manufactures aluminum home appliances.

WILLIMANTIC

Office 824 Main Street Telephone 1131-2

REVALUATION QUESTION BEFORE TOWN MEETING

(Special to The Bulletin)

WILLIMANTIC, March 20—Interest in the special town meeting to be held in the town building at 8 o'clock Thursday night is centering on the clause in which the electors will be requested to vote on the proposition of employing the services of experts to conduct a complete revaluation of property in the town during 1930 and to make an appropriation for this work. While the town officials look forward to heavy opposition there appears to be general confidence that the proposition will be adopted. The town selectmen have been virtually forced to take this step following word from the tax commissioner's department that property in Windham must be revalued to comply with the law.

The vote on the revaluation question will allow the manner in which the work will be done and by whom entirely with the electors. The choice will be between the board of assessors with assistance or by hired experts. Local men serving on the board of assessors in 1911 conducted a revaluation that more than doubled the town tax list and has since been maintained with slight yearly increases. Other towns in the state, however, have found it profitable in the long run to employ experts who are not only highly trained in placing valuations and giving properties their proper apportionment of the tax burden, but who have an advantage as strangers in pursuing their efforts without bias or endangering of friendships.

The levying of a tax rate on the 1928 grand list is to be taken up in the first clause of the warning for the meeting.

Liquor Case Continued

A second continuance was ordered in police court today in the three liquor cases that are the result of police raids staged Saturday evening and which were first presented before the court last Monday morning.

In the case of John Markowski, of 130 Union street, charged with keeping with intent to sell, Attorney Arthur T. Kelley stated that his client was under the care of a physician and the continuance was granted on those grounds, until March 27.

The case of Melik Steiger was continued until April 1 on request of his counsel, Attorney Samuel B. Harvey, who claimed that he did not know until the complaint was read in court this morning by Prosecuting Attorney H. S. Gaucher, that his client was charged with reputation for selling liquor as well as with keeping with intent to sell.

The case of Zigmund Sokolowski was ordered continued until April 8, on motion of Attorney J. T. Barry, of Jewett City.

John Leduc, of 13 Coal street, Waterbury, was presented before the court on two charges, overloading a truck and operating a commercial vehicle with a load in excess of 26,000 pounds without having a special permit. On recommendation of the prosecutor the second count was nolled. Leduc pleaded guilty to the first charge and Judge F. H. Foss imposed a fine of $50 and costs.

Clarence Chamberlain, 17, of South Windham, was charged with petty theft. He entered a plea of not guilty through Probation Officer William V. Palmer, Sr., and was given a five-day sentence which was suspended, the youth being placed on probation for three months.

Prof. H. A. Seckerson, of Connecticut Agricultural college where he is head of the English department, gave an interesting treatise on The Essentials of Poetry at the mid-monthly meeting of the Woman's club held in the rooms Tuesday afternoon. Professor Seckerson's illustrations of the history of poetry through the ages carried a wealth of quotations from Shakespeare, Wordsworth, William Lyon Phelps and John Mansfield. He also gave Aristotle's early interpretation of poetry.

Before the opening of the meeting a food sale was conducted under the auspices of the ways and means committee with Mrs. Albert E. Welch chairman. President Mrs. F. R. Noble was in charge of the meeting and Mrs. D. E. Abel read the minutes in the absence of the secretary, Mrs. W. A. Buck. It was announced that Miss Dainton would speak to the club May 7, Mrs. Walter Abbe, vice-president of the state federation for Windham county, announced that a tri-county gathering would be held at New London in April. Entertainment was provided by Miss May Shepard, pianist, who favored with Scherzo by Mendelssohn and, as an encore, Romance by Schuman.

FUNERAL
Mrs. Dubice M. Berard

Leaving from the home, 50 Willowbrook street, this morning, the funeral of Mrs. Dubice M. Berard was held with a solemn high mass of requiem in St. Mary's church at 9 o'clock. Rev. Edward A. Mathieu was celebrant; Rev. Hormisdas C. Belec deacon, and Rev. J. J. Papillon, sub-deacon. A delegation from the Society of the Ladies of St. Anne met the remains at the entrance to the nave and acted as an escort to the sanctuary rails. The banner was borne by Mrs. Gedeon Cote, Mrs. Martin Deblois and Mrs. Henrie Girard. The canopy bearers were Mrs. Joseph Girard, Mrs. Napoleon Normandin, Mrs. Joseph Caillouette and Mrs. Joseph Cardinal. With Mrs. Joseph F. Gaudreau at the organ the choir rendered special singing. Burial was in the family plot at St. Joseph's cemetery, where Rev. Father Papillon conducted the committal service. The bearers were Clement Lussier, Napoleon Gingras, Joseph Gingras, Salvini L. Cardinal, Joseph P. Gingras and Florimond Bergeron. Arrangements were in charge of the Martineau-Bacon Corp.

A chicken pie supper was held by the Fellowcraft club minstrel troupe of this city in Hampton Tuesday evening, the repast being served by the women of Little River grange. Music was furnished by the Honey Boy Harmonists, including J. Atkinson, piano; Leslie Culpin, banjo; W. Gillias, violin; Joseph Bernet, banjo; and Fred Haddad, banjo. Vocal selections were by Arthur Small, Joseph Bernet, Francis Ryan and Edgar S. Butcher. Attending the affair were: J. Atkinson, Joseph Bernet, Edgar S. Butcher, Fred Haddad, Leslie Culpin, Dr. E. J. Morgan, Lester Hartson, W. Gillias, Norman Pultz, Carl B. Jewett, J. Homer Hawkins, L. F. Hartson, A. Fitts, Willis Ridgeway, A. L. Clark, Lester H. Bliss, Arthur Small, Albert Young, William Dean, Percy Willmot, Frank H. Sears, Lewis Dean, Francis Ryan, Lewis Moseley, B. L. Larned and John Phillips.

A minstrel previously given was repeated under direction of Dr. Morgan.

Rev. Harold H. Critchlow, pastor of the Methodist Episcopal church, will observe the 20th anniversary of his ordination into the ministry next Sunday. The Epworth league of the church will unite for the evening service when an appropriate program will be carried out in noting the event. Rev. Mr. Critchlow will deliver a sermon on the subject, Thus Far the Constant Christ.

Coincident with the rousing of public interest in town property revaluation in connection with Thursday night's special town meeting, a report has just been filed by the revaluation committee of the city planning commission which recommends a revaluation. The report now rests at the chamber of commerce offices, but the full contents will not be disclosed until it has been taken up for final action by the planning commission. The recommendation, which followed a study of real estate values by the committee, embodies a suggestion that the work be done under modern and highly skilled scientific lines.

Miss Florence Fitch, daughter of Mrs. Florence Fitch, of South Windham, appeared in one of the leading roles in the senior play, Quality Street, presented at Lasell seminary, Auburndale, Mass., recently. This year's senior class at the seminary is one of the largest in the history of the institution, numbering more than 100 students.

Mrs. Ida Davis, past noble grand, of Collinsville, and Miss Christabel Gifford, past noble grand, of Putnam, were guests at the regular meeting of Violet Rebekah lodge held in Odd Fellows' hall Tuesday evening. The 110th anniversary of the Odd Fellowship will be observed with an entertainment at the next meeting.

Robert C. Rice, physical director of the New London public schools, spoke on Physical Education and Why, at a luncheon meeting of the Social Workers' council of New London and Windham counties, held in a tea room here Tuesday. About 20 workers were in attendance.

The Congregational Church Brotherhood will hold a Transportation Night program at the regular monthly meeting to be held with a supper at the church house Thursday evening. President Roland B. Jordan stated today that the meeting will be conducted so that an adjournment can be taken to attend the special town meeting at the town hall. The speaker will be Leslie H. Tyler, of the public relations department of the New York, New Haven & Hartford railroad, whose topic will be The New Haven Railroad, a Pioneer in Transportation.

Two flocks of wild geese have been seen in this vicinity on their northward trek to the Canadian lakes. John D. Gallivan, who resides in Lebanon near the city line, saw a flock of several hundred winging northerly Tuesday and Burrill Baker, of South Windham, reported seeing a large flock this morning.

With spring officially scheduled to arrive at 9:35 o'clock this evening, according to the national weather bureau at Washington, D. C., weather conditions suitable for the event have prevailed here for the past two days, with the temperature climbing to 69 degrees in open places. Robins were heard and seen in several places about the city today.

Quick use of chemicals by members of Engine company No. 1 prevented damage of any consequence Tuesday evening when a Studebaker automobile owned by David Monroe, of 86 Chestnut street, caught afire from defective wiring while the machine was on Pleasant street.

Card playing will be in order following the regular meeting of A. C. Tyler camp, U. S. W. V., Thursday evening in G. A. R. hall. The prize has been donated by Commander David Loree.

Members of the Tri-C club presented a one-act play entitled The Color Line, at the Church Night held in the First Congregational church Tuesday evening. Miss Violet Mayanka, of South Africa, delivered an address.

Mr. and Mrs. M. Eugene Lincoln, Mrs. Fred D. Jordan, Mrs. Alma Shales and brother, E. E. Lincoln, of this city, have left Lakeland, Fla., where they have been for several weeks, and gone on to Eustis, Fla.

The Ladies' society of the Congregational church held an all-day sewing meeting in the church house today. Considerable work was accomplished for the Welfare bureau.

Roland Smith, of Columbia, was admitted to St. Joseph's hospital today for observation.

Justice and Mrs. George E. Hinman are spending a few days in Boston, Mass.

Mrs. Florence H. Fitch, of South Windham, who is in California, where she joined E. C. Winchester and party of New London, will sail with them this week on the S. S. Virginian to return home by way of the Panama canal.

Mr. and Mrs. Stanley C. Washburn and infant daughter have removed their household goods from Windham road to Providence, R. I.

Letter Carrier William Podbersky is entertaining Bernard J. Sheridan, of New York city, at his home on Village Hill.

Supt. Albert Caufield, of the American Thread company, and Mrs. Caufield today removed their household goods from 214 Jackson street to the former Moxon residence on Fairview street.

Mr. and Mrs. Fred L. Avery and Mr. and Mrs. Otto B. Robinson attended the flower show in Boston, Mass., today.

Mrs. Ellen Kelley, of Jordan road, has been entertaining Edward Geary, of New York city, and Mrs. May Fitzgerald, of New Haven.

Atty. and Mrs. E. Frank Bugbee, who have been at DeLand, Fla., for the winter months, are now touring to the west coast of that state.

COLCHESTER

SPECIAL TOWN MEETING TO DECIDE ROAD PROJECTS

A special town meeting is to be held March 26, for the purpose of considering the question of authorizing the selectmen to enter into an agreement with the state of Connecticut, for the construction of a section of highway leading from North Westchester toward Moodus Falls, beginning at the end of the present improved section of state road and extending southerly, also to appropriate not to exceed thirty thousand dollars for the construction of said road, and to authorize and empower the selectmen to borrow this amount.

The meeting will also be asked to decide what action shall be taken to repair the roadway on Pleasant street. An appropriation of not to exceed seven hundred dollars is to be voted upon for this project.

A large number of the taxpayers doubtless will be on hand to vote on the new road projects, since coming as they do only a few days after the recent adjourned town meeting at which $4,563 was added to the budget, the opinion prevails that special care and good judgment should be used in adding any further burdens to the shoulders of the taxpayers. There is no question about the need of making repairs to the road from North Westchester toward Moodus Falls and the roadway on Pleasant street has been in a deplorable condition during the past few weeks. However, several residents are of the opinion that in making a thirty thousand dollar appropriation for the Westchester road and seven hundred dollar appropriation for the Pleasant street section, only two small sections of the town will be benefitted. A suggestion has been made that the town road repair problem would be best solved by having the selectmen purchase several carloads of trap-rock which could be applied to the bad, swampy stretches of road in the various sections of the town. In this manner, people in all parts of the community would be benefitted.

John M. Riley, Joseph Agranovitch and Edward Agranovitch, of Colchester and William T. Curry and Edward Jones of Goshen attended a Masonic meeting in Springfield Tuesday evening.

Edward A. Mitchell and Guy B. Clark, Jr., of Salem were callers on friends here Tuesday.

Coach Goodrich had a number of the Bacon Academy boys out on the park ball diamond Wednesday afternoon for battery practice for the school baseball team.

At the mid-week bible and prayer meeting to be held in the Congregational chapel this (Thursday) evening, William E. Adams and Mrs. H. H. Tompkins will be the leaders. The topic for discussion will be "Ancient Industries." These meetings are public.

Employes of the state highway department from the Hartford office were in the village, Wednesday staking out the state boundary line along the roadway on Hayward avenue and Norwich avenue, preparatory to setting the concrete boundary markers.

ROAD SOCIETY

The grange meeting was held in the church parlors Friday evening.

Mrs. Emmeline Allyn, of Quiambaug, is recovering from a severe cold.

William Hine, of Tenefly, was at his summer home for the week-end.

Mrs. Liance Cottrell recently called on her cousin, Mrs. Elliot H. Peabody, in Mystic.

Mrs. William Billings was at the home of her aunt, Mrs. William Austin, in Westerly, this week.

Several flocks of wild geese have been seen passing northward.

Mr. and Mrs. Jack Williams and two children, of Hartford, were at Mr. and Mrs. Ralph C. Wheeler's Sunday, as was also Richard Wheeler, of Putnam, and a friend.

Miss Dorothy Clark, of Westerly, was a week-end guest of Miss Sylvia Palmer.

Seth N. Williams met with the committee at the town hall in the borough on Monday, preparatory to their work on re-valuing the property in the town.

Thomas Lihou, of Westerly, who has been ill, has so far recovered as to be a guest of his daughter, Mrs. Varian York.

Mrs. Robert Allyn returned this week, to her home in Westfield, Mass., after several weeks spent with her mother, Mrs. Emmeline Allyn.

Irving E. Dawley, of Plainfield, was at Gustave Peuke's Monday, as he is moving his household goods here.

Miss Sylvia Palmer returned to Willimantic, Monday, after spending the week-end at home.

A large grass and brush fire on the Highland farm was seen Monday afternoon and the huge volume of smoke seemed to indicate buildings blazing. A number of men assembled to subdue the fire which burned over a large tract.

Mrs. Arthur G. Wheeler attended the Farm bureau meeting held in Mystic Thursday.

Miss Linda Wheeler returns from Wellesley, Friday, for the Easter vacation.

Herbert Palmer, of Cleveland, is a guest of his cousin, Noyes Palmer.

Mr. and Mrs. Sanford N. Billings have moved to their new home at Darling hill.

George Stewart was in Providence recently.

The country roads are in rather bad condition so that many cars get stuck and have to have the help of teams to get them through.

Miss Mary Cavanaugh who has been at New London hospital for some weeks, is much improved and will return to her home soon.

JEWETT CITY

CAT CATCHES FIRST SNAKE OF THE 1929 SPRING SEASON

Midget Gray, a gentleman cat, owned by Thomas Gray, heralded the near aproach of spring by catching his first snake of the season Wednesday. Midget can qualify for an expert snake catcher with a record. Last summer he caught seven, all of which like the one nabbed Wednesday, he proudly brings to the house for his mistress' approval. Midget is in no hurry about dispatching his wriggling victims, but permits their near approach to the garden wall and freedom, only to pounce upon them. The cat often lies down on a lively 4-footer and appears to doze. Then when Mr. Snake slowly attempts escape, an outstretched claw grabs him by the tail. The women folks are terrified by Midget's successful snake hunting trips. At night Mr. Gray buries the victims.

Recovers from Illness.

Many friends were pleased Tuesday morning to see Paul Geist of Lisbon, back on his route, after a few weeks' lay-off on account of illness. Mr. Geist established his Jewett City route in 1890 and began a service, which he has kept going without a break for practically 40 years. Barring a few lay-offs he has been on the job 365 days in the year, which means 14,600 trips.

The committee of arrangements for the Masonic banquet and ladies' night has engaged that the ladies' society of the Newent church will furnish a real, old fashioned, country chicken supper and that's the last word.

Miss Cecilia C. Leonard, R. N., of Willimantic has been the guest of Mr. and Mrs Henry Ballou of Lenox avenue.

Lost, Female Boston bull terrier puppy; answers to the name of Speed. Reward if returned to L. M. Carpenter, 1 Wilson street, Jewett City.—adv.

Red wing blackbirds were at Tadpole in considerable numbers, Wednesday. The black alder growth that fringes the eastern border of the upper pond, affords them ideal housekeeping quarters. Two men who were there during the early part of the week, recalled the fact that 40 years ago, red wing blackbirds often built their nests in the low grassy bogs, that rise above the shallow water. Tadpole pond is the natural home of the common water snake. For a 5-foot diamond back wiggler, the finding of a black bird's nest in a handy bog, meant a squab dinner in five sections. Now in late years the generations of red wings have gotten wise, with the result that their nests will be located up near the top of a tall black alder.

State troopers were at the Quinebau bridge Wednesday checking up on motor vehicle registrations.

Another case of small-pox has developed in Pachaug. The patient is Mrs. Stanton Brown, who was exposed to the disease by holding the Holmes child in her lap, while calling at the home. Her case is very light.

Two books of importance have been added to Slater library. One is The Newer Knowledge of Nutrition or the use of foods for the preservation of vitality and health, by E. V. McCollum, Ph D., Sc. D., professor of chemical hygiene in the school of hygiene and public health in Johns Hopkins university and Nina Simonds Sc. D (hygiene) associate in chemical hygiene in the same institution. The second book is Child Hygiene, by S. Josephine Baker, M. D., D. P. H.

SOUTH KILLINGLY

Mr. and Mrs. Milan Whitaker and Mrs. Byron Place were in Olneyville, one day recently.

Local people met at the home of Mr. and Mrs. John Crowley, Tuesday afternoon, to form a community club. Hilltop club was the name chosen and the following officers were elected: Mrs. Patrick Coffey, president; Mrs. Luther Cole, vice president; Ruth Coffey, secretary, Mrs. John Crowley, treasurer. All the women in the community have the privilege of becoming members. The object of the club is to promote community sociability. There is a plan to dispose of work done at the meetings, thereby earning funds to be used for the benefit of the church or community. The next meeting will be Tuesday, March 26, from two to four, at the home of Mr. and Mrs. A. E. Hall.

Mrs. Charles Spaulding, of Auburn, R. I., spent Sunday with her sister, Mrs. William Barlow.

Services in the local church have been discontinued for the remainder of the month.

Mr. and Mrs. A. E. Hall, Mrs. Patrick Coffey and daughter, Beatrice, attended services in Westfield Congregational church, Danielson, Sunday morning.

Iva Cole is spending a few days with her grandmother at Hopkins Mills.

Grant Slater has returned to school after being ill at his home with a severe cold.

Pupils of the local school have sent a pot of tulips to their schoolmate, Virginia Gates, a patient at Day Kimball hospital.

Lillie May Young was in Norwich, Sunday, to visit her twin nephews, at Backus hospital. They are sons of Mr. and Mrs. Raymond Humes.

Country roads are a doubtful proposition these days. It would seem an auspicious time for the selectmen to look over some of these roads, as it would be an easy matter to decide where some of the extra road money might be advantageously expended.

Henry Leonard and family, of Valley Falls, spent Sunday with local friends.

WARRENVILLE

Sunday morning at the Baptist church Rev. E. B. Verney preached about the reasons that God permits suffering in the world. Using the title "Olivet" he showed that Christ was oblized to pass through His hour of greatest anguish in order to reach the culmination of His mission to earth. From this Mr. Verney brought out the point that Christ's disciples also are incapable of reaching the highest usefulness in the world till they, too, have passed through their hours of suffering. In his talk to the children Mr. Verney gave an exhibition of rope throwing from which he drew the lesson that we need to keep the "Kinks" out of our dispositions if we want to succeed in the world. In the contest for attendance at the Sunday school, Gordon Whitehouse and his team of "Blues" had the best showing this week, almost overcoming the lead gained by the "Reds" during the past few weeks. Monday and Tuesday Rev. Alexander Kinda of South Norwalk was the guest of the local church, spending the time in visiting the Hungarian homes in this vicinity in company with Rev. E. B. Verney. Mr. Kinda is the pastor of the Hungarian Baptist church at South Norwalk and well known to Hungarian Baptists throughout the state.

Robert Harzeit returned from Hartford hospital last week Wednesday.

Mrs. May Weeks returned home last week, after spending two months at the Bebbington homestead.

Maurice Bicknell of West Hartford visited his parents over the week end.

Miss Henrietta Zeller of Hartford was home over Sunday.

Elim Tautenhaun has been in Brooklyn, N. Y., for several days.

Mrs. Grace Albee is staying with Mrs. Lena Durkee, while Miss Gertrude Martin is having a vacation at her home in Chaplin.

Jack Arnold is driving truck for Harry MacWay.

Bert Gardner and Leon Gardner were in New Haven on business two days this week.

Whatever the moon consists of, it is some very porous material similar to volcanic ash on the earth, and not at all like any solid rock of which we know, says Dr. Paul S. Epstein, of the California Institute of Technology, after using data furnished by measurements of the moon's temperature during a recent lunar eclipse by Dr. S. B. Nicholson and Dr. Edison Pettit, of the Mt. Wilson observatory.

EASY PAYMENTS GLADLY ARRANGED

"Wilbur Coon Shoes"

"Foot Troubles" are Usually "Fit Troubles"

CORNS, callouses, bunions and weak arches can be traced usually to shoes that do not fit properly. Yet these ills can be relieved.

They will respond promptly when you wear the right shoes, fitted right.

To fit perfectly, a shoe must grasp the body or trunk of the foot firmly, cling to the heels, and fit freely across the toes.

That is the way Wilbur Coon Shoes fit. They are available in special measurements that make it possible for us to fit your feet perfectly. Made in over 200 sizes....1 to 12, AAAA to EEE.

May we show you the Wilbur Coon Shoe that meets your individual fitting problem?

Tongren's Shoe Store

Now Located in Their New Store

11 Bath Street.

A MADE-TO-MEASURE FIT IN READY-TO-WEAR SHOES

Greater than ever with *Straight Eight Power!*

Studebaker's famous COMMANDER

AS AN EIGHT $1495 – AS A SIX $1350 at the factory

COMMANDER EIGHT CONVERTIBLE CABRIOLET, *$1645. With six-cylinder motor, $1495. Six wire wheels and trunk rack standard equipment.* COMMANDER EIGHT COUPE, *$1495.* COMMANDER SIX COUPE, *$1350. Prices at the factory. Bumpers and spare tires extra.*

THE fine and final touch of modern motoring—straight eight power—now lends its liquid fluency to Studebaker's famous Commander!

The new Commander, now available as either an eight or a six, worthily succeeds to the renown of its illustrious predecessor, which sped 25,000 miles in 22,968 minutes.

The Commander's potent appeal of tireless speed is admirably matched by youthful, vivid style. Lines are lower and longer because of Studebaker's costly double-drop frame. Even in repose, you sense The Commander's fleetness, its power, and its brilliant deportment.

Restful riding, such as motoring never knew until Studebaker introduced ball bearing spring shackles, is still further enhanced by hydraulic shock absorbers.

A easy coupe or a racy roadster—quickly and at will

The sum of the new Commander's qualities, make it now, more than ever, "the greatest motor car ever built and sold at its low One-Profit price."

STUDEBAKER MODELS AND PRICES

The President Eight	$1785 to $2575
The Commander Six or Eight	1350 to 1675

DANIELSON

THREE DOGS BITTEN BY RABID DOG ARE KILLED

(Special to The Bulletin)

DANIELSON, March 20—Three of the five dogs that were bitten recently by a rabid dog in the town of Brooklyn were despatched today by Special Deputy Chauncey Ganung of the commissioner of domestic animals and two others are to be killed before the week is out. Deputy Ganung spent much of his time today cruising over various sections of Brooklyn and Hampton in his car in an effort to locate the owner of the rabid dog that created the latest furore, as to rabies, over in that town. His search for the owner was without success. No one was located who even remembers ever having seen the rabid dog until the recent day it appeared in Brooklyn and began attacking dogs that were in quarantine. The animal would come into a yard and attack a dog chained or otherwise hitched, in each instance biting the other animal in the throat. Three of the dogs so bitten were the ones killed today.

An accident of handling the dog situation is the danger of infection the enforcing officials are facing in dealing with the animals. Deputy Ganung already has been bitten and has taken the Pasteur treatment. It is almost a daily occurrence for these men to have a dog jump for them and snap at them, in attempts to bite. In cases where such a situation arises the officials have to kill the dogs as best they may, instead of in the quick and merciful manner in which they desire to perform this part of their work.

Friday evening at Killingly high school there is to be a gymnasium exhibition, demonstrating the abilities and achievements along athletic lines of students who are pursuing such courses of instruction at the school. Admission cards for the exhibition have been issued to the students who are participating. In addition to these tickets some additional tickets may be had by applying at the office of Principal Ernest R. Warren of the high school. It was said at the school this afternoon that if after 8 o'clock Friday evening there is still space for additional spectators they will be admitted up to the seating capacity of the gymnasium.

The gymnastic exhibit is promised to be well worth seeing. Boys and girls will participate. Those who will have a part in the exhibition have done particularly well in their courses, and are honored by being selected for places in the exhibition arranged.

Through continuing to check for drivers operating motor vehicles without having proper licenses to do so, state officers from the Danielson barracks apprehended two more men, in Brooklyn, today, Alfred J. LeFevre, of Dayville, and Robert Langdon, of Avon, this state, are the men ordered to court. Neither was able to produce a license good for operating from March 1, for a period of one year. Within the past fortnight a number of drivers have been picked up in the same manner in various towns in Windham county and have been presented in court. From day to day it is being demonstrated that it is unsafe and expensive, to operate cars without the proper credentials. On the other hand, scores of drivers who have been checked up by the officers were able to produce the new operating licenses, indicative of the fact that the great majority are obeying the law.

The matter of making daylight saving more or less official for Danielson will be one of the matters before the April meeting of the chamber of commerce. Danielson has adopted the fast time for the past two years, not necessarily because it loves it so much, as for convenience in transacting business with large centers of industry and finance with which concerns here are in almost constant communication every day. Mills and banks here find themselves particularly inconvenienced if their business days are not synchronized with those of commercial and financial concerns in New York, Boston, Hartford, Providence and various other centers that do business from late April into September on daylight saving time.

As indicating what an asset the poultry business has become in this immediate section it may be mentioned that down at Amasa D. Pierce's poultry plant on the Squaw Rocks farm, Mr. Pierce has a hatching plant capable of caring for 18,000 eggs at one time. Already this season he has disposed of thousands of chicks. His stock today was depleted to 2,000, but it is not unusual for him to have 10,000 at one time. Consider, for instance, one order that calls for the delivery of 3,000 chicks every six weeks to one customer. And again of interest is the fact that practically all of the chicks hatched are sold locally. Yet Mr. Pierce is only one of a very considerable group of men in eastern Windham county, who are hatching chicks by the thousands, and this is their rush period of the year.

At the home of Mr. and Mrs. Albert Redman on South street last evening about 20 of her friends assembled at a party and gift shower in honor of Miss Marie Taylor. Whist was played, there was a period for music and delicious refreshments were served. Her friends presented Miss Taylor with a set of dishes and various other gifts. The evening was a very delightful one for all assembled.

If those who attend the special town meeting next week insist upon a full and complete reading of the report made to a committee of the town by certified public accountants who made an audit of town accounts in December they will be listening to an earful. There are scores of typewritten pages to the report, and it is a safe bet that it would take at least two hours of anyone's time to read it through and study the attached tabulations only casually, not to mention making a careful analysis of it. This is not intended to be in any way discouraging to anyone who would like to wade through it, though it is for the most part statistical and bone dry. In a word, it is so complete as to be a bit appalling. The committee, through its spokesmen, will be prepared to make a comprehensive statement relative to the report, and the assurance is given that all the time desired will be given to those who wish to hear details of the report and explanations of them.

Mrs. Vera Anderson, of Broad street, is visiting with relatives in Naugatuck.

C. F. Alexander, of Powdrell & Alexander, is ill at a hotel in Chicago, where he went on a business trip.

The committee of the town on audit of town accounts is to present its report at a special town meeting called for next Monday evening.

F. E. Eltgood was reported today as resting comfortably at the Charles-rate hospital in Boston, after undergoing a second operation. The previous one was performed about a month ago.

The public is showing special interest in the efforts of the town school committee and the superintendent of schools in arranging for consolidation of certain schools and the making of other changes that will result in a considerable saving of money.

A three days' retreat for English-speaking members of St. James' parish will close on Thursday evening.

Arthur Phiah, injured in an automobile accident on Main street, was reported today as resting comfortably.

It is estimated—there are no accurate figures—that between 40 and 50 dogs have been killed or have died in Killingly since the first case of rabies was discovered here a few weeks ago. The dogs have been disposed of by quarantine enforcement officials, by veterinarians and by owners. This will mean some loss in revenue when dogs are again registered in May.

Probably as long as two months will elapse before Powdrell & Alexander complete the renovation and reequipment of the Connecticut mill, of which they are now the owners and which they are to operate when it is ready for the purposes for which they are to use it.

Chauncey Ganung, special deputy of the commissioner of domestic animals, mentioned while here today that 21 dogs have been killed in Norwich since a case of rabies appeared here.

All Heller Five (brothers) vs. Danielson, basketball, Town hall, Saturday eve.—adv.

Miss Jeanette C. Walsh, of Littleboro, is visiting with friends in Danielson for a few days.

Special services in observance of Palm Sunday will be held in some of the churches in Danielson next Sunday.

Miss Katherine T. Thayer, of Putnam, was a visitor today with relatives in Putnam.

Business men are inquiring just when Main street is going to be brushed up a bit, after being sanded repeatedly during the ice season. The ice has gone but the sand is still there, and it blows about in an annoying way these windy March days.

PUTNAM

LARGE NUMBER ATTEND ST. PATRICK OBSERVANCE

(Special to The Bulletin)

PUTNAM, March 20—Over 440 men and women, representatives of all religious denominations of the city, gathered in St. Mary's hall Tuesday evening to take part in the St. Patrick's night exercises which were featured by a turkey supper. The event, one of the largest social affairs on a St. Mary's church calendar, was sponsored by the Rosary society, assisted by the pastor, Rev. U. O. Bellerose, and the curates Rev. Joseph J. Casey and Rev. Ernest J. Bellisle. The large basement hall of the church was filled to its capacity. A delightful programme of music and speaking followed the serving of the supper. The address of the evening was delivered by the Rev. Thomas Benjamin Powell, pastor of the Second Congregational church at Woodstock Hill, and the musical selections were furnished by talented artists from Bristol, Norwich and Putnam.

The decorations in the hall and upon the tables were in keeping with the day, even to the slightest degree. The background of the speaking platform in the auditorium bore the green banner surmounted with the Golden Harp, symbolic of the Irish colony, before the establishment of the Irish Free State government. The dining tables were prettily decorated with white table cloths with green borders. A unique effect was obtained by the presence of green candles set in imitation English hand wrought holders, typical of the medieval ages. During the courses of the dinner the guests were given novelty "Tim Dexter" plug hats, which tended to add to the merry making.

The menu served was as follows:

Salted nuts, rolls, roast turkey, mashed potatoes, cranberry sauce, celery, coffee, ice cream, turnips, giblet sauce.

The following musical and speaking programme was presented, each number being highly received: La Boheme (Puccini); Spring's Awakening (Sanderson), Mrs. William Duttin of Bristol, accompanied at the piano by Mrs. Eveline Wolsard, also of Bristol.

Mrs. Leslie Beebe, accompanied at the piano by her sister Mrs. Iver Nelson rendered the following numbers, "Mother Machree," (Ball); "Smiling Through," (Penn); Mr. A. K. Fulkerson, tenor, sang the following numbers, "In the Garden of My Heart," (Ball) and "Why My Caravan Has Rested," (Lohor). Miss Elenor Irving, talented violinist rendered a violin solo.

"The Needs of a Saint" was the subject of an address by Rev. Mr. Powell of Woodstock. Mr. Powell is widely known in New York state as an orator and previous to his acceptance of the Woodstock parish was an official of the federation of churches in New York city. In his address Mr. Powell classed the struggling immigrants from Europe, who came to America penniless, overcame telling handicaps that burdened them in the new world, as saints on earth. The five factors of the saint as stressed by the clergyman in his talk were: True to the faith, accomplishment, of the impossible, indominable courage, rational love and absolute self-sacrifice. Mr. Powell touched upon the wit and sense of humor, a characteristic always to be found in the Irish, which he claimed is one of the greatest necessities of life and is fast disappearing in the majority of American citizens. He attributed much of the success of the nation in world affairs to the desirable foreign element of the population, who have become true Americans and who stand loyal to their adopted land in the face of threats against her flag by their fatherlands. As an example of this loyalty Mr. Powell named the American sons of Germany, when they answered America's call to defend her from the Germany across the seas in 1917.

The programme continued with two vocal selections by Miss Katherine Thayer, daughter of Mr. and Mrs. Charles T. Thayer of this city. Miss Thayer's numbers were "The Rosary" (Nevin) and the "Land of the Sky Blue Water" (Cadman). Miss Thayer was accompanied at the piano by Mrs. Wolsard of Bristol.

The concluding number on the evening's programme was the appearance of R. F. Sullivan of Norwich who sang three tenor vocal selections, "The Valleys Lay Smiling Before Me," "The Little Town in the Old County Down," and "Ireland Must Be Heaven for My Mother Came From There."

Visiting clergymen present were Rev. James F. English, pastor of the Congregational church of this city, Rev. John C. Mathieu, pastor of St. Joseph's church in North Grosvenordale and Rev. Leo Lavallee, curate at St. Joseph's in North Grosvenordale.

A programme of music followed the weekly noonday luncheon meeting of the members of the Putnam Rotary club held this noon at the Putnam Inn. A number of selections were rendered by Mrs. William Dutton and R. F. Sullivan of Norwich, accompanied at the piano by Mrs. Eveline Wolsard of Bristol. The three artists appeared the preceding evening at the St. Patrick's night programme at St. Mary's church. Their presentation was highly received by the Rotarians. Visitors at today's luncheon were Rotarians Sidney Marland and Van Thompson, both of Danielson.

Raymond Menoche, 16 year old son of Mrs. Ophile Menoche of North Grosvenordale is dangerously ill at the Day Kimball hospital where he was taken last evening after he had fractured his spleen in a tussle with his younger brother. The young boy was operated upon at the hospital today in an effort to reduce a rupture.

Young Menoche is the son of the late Harris Menoche of North Grosvenordale who died about a month ago, within six days of the deaths of his three brothers. Since the death of the first member of the Menoche family, who was a victim of influenza, the family has sustained great misfortune and seems unable to escape. At the hospital this afternoon this was to the effect that he was doing well as could be expected.

Hundreds visited the Elks hall this afternoon and evening, where a style show was being held. The show was in the form of a spring opening at which was a display of the latest spring fashions. Exhibitions were arranged by the various merchants of the city.

Edward E. Authier, son of Mr. and Mrs. Frederic Authier of Chapel street has received word from the navy department that he has successfully passed the entry examinations as specified by the board of faculty of the United States Naval academy at Annapolis. The message from the government received by the boy today contained a clause ordering him to be prepared to leave for the academy in June. Authier is a graduate of Putnam high school class of 1927. About a year ago he took the preliminary exams for admission to the academy, upon an appointment received from Congressman Freeman. The boy today received the hearty congratulations from his friends and classmates at Putnam high school, all who wished him success in his venture.

Many wondered why "Old Glory" flew in the balmy spring air this morning from above the door of the local post office, and many passed it by without enlightening themselves on the subject. As a matter of fact the stars and stripes were turned to the breeze this morning in commemoration of the 30th anniversary of the return of the soldiers of the Spanish-American war. Thirty years ago today the local "boys" arrived home after several months of training in the camps about the country and for some after months of fighting in Cuba, after they had abolished the last of the Spanish rule in the New World.

The comprehensive report of the board of water commissioners to be submitted to Mayor Charles A. Richard and the board of aldermen for their approval is not prepared and consequently the adjourned meeting of the council set for Thursday evening has been postponed until the regular meeting of April 2. Chairman Thurston of the board said this afternoon the reconstruction plans have not been entirely completed and it was at his request that Mayor Richard ordered the meeting postponed until the first Tuesday of April.

Rufus Coman of Thompson was arraigned before Judge P. P. Tourtellotte in town court in Thompson this afternoon on a charge of driving while under the influence of intoxicating liquors. Coman was arrested Tuesday afternoon by State Trooper John Murphy of Danielson barracks, after the man had figured in an auto mishap in Mechanicsville. In court this afternoon he pleaded guilty to the charge and was fined $100 and costs of court. After a plea of leniency by the defendant Judge Tourtellotte remitted $00.00 of the fine. Comus told that he had sustained many set backs in his family because of illness of his wife and children and was unable to pay the heavy fine demanded by the state.

The local telephone office building on lower Grove street was today adorned with the beautiful sign to replace the Bell System flag, which previously has flown daily from the building. The new sign is of a blue enamel on a white background and contains the emblem of the system.

Sheriff Charles A. Gates of Willimantic was in this city today to open the adjourned session of superior court.

Samuel B. Harvey of Willimantic was in Putnam today on business.

Chauncey C. Talbot of Mechanics street, a patient at St. Vincent's hospital in Worcester is making a satisfactory recovery after a major operation.

Judge Arthur P. Ellis of Middletown was in Putnam today to preside at the adjourned civil session of superior court. Only two cases, both of minor importance came to trial today. The first was a damage suit against the Ward Baking company by James C. Moran of East Brooklyn. Moran figured in an auto accident near Danielson about three years ago. The case brought for superior court two years ago, but has since been on the docket. Practically the same testimony that was entered in the first trial was brought out by the opposing attorneys today. Representing the plaintiff were Attorneys Arthur G. Bill and Elbert Darble, both of Danielson, and for the defendant were Lawyers William A. King of Willimantic, and Harry E. Back of Danielson. Following the completion of the testimony and the presentation of all evidence Judges Ells informed the counsel that he would reserve decision until a future date.

Cournover vs. Ranson

A second case which grew out of an automobile accident in Putnam a few months ago between Napoleon Cournover of this city and Ransom Liner of Danielson was brought to trial today. The case was to determine the fixing of responsibility. Judge Ells, as in the preceding case announced that he would make a decision at a future date. The session will be resumed tomorrow morning at 10 o'clock. Case listed for trial are:

Court cases—Charlotte M. Bennett vs. Harley B. Perrin; Commercial Investment Trust Inc., vs. Chauncey E. Macfarlane; Mildred R. Rathburn vs. William J. Rathburn; Mary A. Vertefuille vs. Moise Vertefuille; Arnold C. Kent vs. Andrew Dominick; Diego Zagra vs. Beiga Zagra; Valentine L. Murphy vs. City of Willimantic; Fred Gee vs. Noel A. Millane; Rachel Stein et al vs. Jacob Tropp; The Jordan Hardware Company vs. William L. Chmeelk et al; The Jordan Hardware Co. vs. Nathan Gilman; Alfred J. Goulet vs. Amedee Proulx; Mary F. Potter vs. Charles H. Potter, Exr.

Jury cases—Interstate Trucking Co. vs. N. Y., N. H. & H. R. R. Co.

Elaborate preparations are being made by the senior class of Tourtellotte Memorial high school of North Grosvenordale this week for their annual trip to New York and the national capitol in Washington. The students will leave the school on Friday evening in a specially chartered bus for New London where they go by boat to New York. The sight-seeing trip will be in charge of Miss Louise Drude and Miss Sybil Gilman members of the school faculty. On Saturday afternoon the party will leave for Philadelphia, where a tour of all the historical sites in the Quaker City will be made. The students will remain in Washington from Monday until Thursday, at which time they will begin the return journey. A return visit to New York city is included in the itinerary. Twenty-nine pupils will make the trip.

The short calendar session adjourned two weeks ago will be resumed in Putnam Wednesday morning at 10 o'clock with Judge Ells of Middletown presiding. A number of important cases are slated to be tried tomorrow.

The board of water commissioners will occupy the floor outside the rail Thursday evening when their report is submitted to Mayor Charles A. Richard and members of the common council as to the tentative plans for the reconstruction of the water department. A private meeting of the city water commission with Mr. Sharnock of the board of New England fire underwriters is to be held before the report will be presented to the commission to act upon.

The state trade school "open night" which has come to be an annual event in this section patronized by hundreds from all parts of the county, will be held this year on the afternoon and evening of April 25th. The afternoon session is planned to help alleviate the congestion which occurred last year in the evening hours. It is thought that many who can so conveniently arrange would prefer to visit the school during the afternoon hours and this would operate to spread the numbers over a longer period and make the occasion more pleasant for all who attend.

He—I threw myself away when I married you.

She—Well, I never knew you to throw away anything that was worth a cent.—Los Angeles Times.

Pimples

If you want to get rid of ugly, disgusting pimples in a hurry, try the harmless new remedy, in convenient tablet form called Kitagran. It gets rid of the impurities in the blood so quickly that the skin clears up right away—often within 24 hours. You can get Kitagran from Lee & Osgood Co. and leading druggists who will return your money if you are not thoroughly satisfied.

FADA Radio

The Single Dial

FADA 16

Sounds like a million — but costs only $110

THAT you can buy a radio for $110 is no startling statement. But that you can buy a radio with push-pull amplification — phonograph attachment—using a Fada dynamic speaker and heater element tubes for only $110 . . . that is a statement to make anyone sit up and take notice.

It means that truly fine radio performance is now within reach of everyone. For the Fada 16 is radio developed to a degree never before offered at so low a price. It will be a constant source of pleasure and entertainment in your home for years to come — giving you a *true* reproduction of all the fine programs on the air today.

Go to any Fada dealer's and hear a Fada 16. Then you'll know why the radio buying public has proclaimed this set the greatest value radio has ever known.

Uses Fada dynamic or magnetic speaker—Uses 8 tubes, including two 171-A tubes and rectifier—Using heater element tubes—Smooth volume control—Illuminated single dial—Single tuning knob—Phonograph attachment—Reproduction not affected by line voltage fluctuations. Completely self-contained in a handsome metal cabinet—Operates from A. C. light socket (90-130 volts, 50 to 60 cycles). Yes; it's a neutrodyne! **$110** WITHOUT TUBES

The same model designed for use with direct current is known as Fada 18, price $120 without tubes.

The Single Dial

FADA 32

WITH DYNAMIC SPEAKER

Uses 8 tubes, including two 171-A tubes and rectifier—Using heater element tubes—Smooth volume control—Illuminated single dial—Single tuning knob—Phonograph attachment—Reproduction not affected by line voltage fluctuations. With famous Fada Dynamic Speaker. Self-contained in a beautiful burl walnut console—Operates from A. C. light socket (90-130 volts, 50 to 60 cycles). Yes, it's a neutrodyne! **$225** WITHOUT TUBES

FADA 15

DYNAMIC SPEAKER

Mantelpiece model, walnut cabinet. Artistic approved electro-dynamic speaker with a 7" moving voice coil and 7" cone. Built-in power supply, self-contained as illustrated, for operation on 90 to 130 volt A. C. lines, 50 to 60 cycles only. If a service man who has proper factory instructions makes the installation, this speaker can be operated from D. C. power lines or with a 6 volt storage battery. **$55**

UNIFORM TRAFFIC LAW.

In the efforts to establish effective traffic regulations recognition has been given in every state to the lack of uniformity. It is realized that conditions in every city are different and yet there is an opportunity for uniformity in many particulars, and great help would be given to the visitor to other cities if such existed.

Travel through the state of Connecticut and there will be encountered all kinds of signals for the regulation of traffic. The object of these devices is the same but there is a strangeness about them to those who are familiar with something else that creates doubt and uncertainty.

Signal systems quite generally prevail but they are all different. Lights may be overhead, at the curb or in the center of the street. It is possible to find all three of these kinds in some of the cities with the result that one can hardly be blamed for not seeing the curbstone signals when looking for such information overhead or in the center of the street. Likewise if he expects to find the lights at the curb he can hardly be blamed if he doesn't look all round the horizon for a hidden signal.

It is the same way in regard to making turns on signals and in going in front of, or back of, a traffic cop. It is one way in some places and the other way in others, the result often being a call down because the stranger hasn't guessed right in trying to interpret quick fire signals.

Thus there should be much sympathy for the general purpose of the measure providing a state uniform traffic law for Connecticut which comes up for a hearing before the committee on motor vehicles of the general assembly at Hartford this afternoon.

There is recognition of the fact that every community has its own problems, but there is a chance for general uniformity in many respects throughout Connecticut. It gives consideration to the pedestrians and hits at the practice of jay walking. There are features of the bill which if adopted would do away with many annoyances to many drivers and be of much aid to traffic in general.

GENERAL FOCH.

The outstanding figure of the World war was unquestionably General Ferdinand Foch. He was the man into whose hands the supreme command was placed after it had been demonstrated through too long practice that the divided control of the allied forces was a great mistake.

When the allied countries had been convinced that even though they were superior in numbers and equipment they were fighting with their backs to the wall, they were ready to take the step that should have been taken long before. Instead of several leaders directing an unorganized advance there was need of a central figure. Could that necessity have been seen long before it was there would have been far less disastrous results. It was a lesson in unity that will never be forgotten in war-making. It was a lesson in unity that may well be applied to the maintenance of peace.

Forced to acknowledge a change must be made the allies agreed upon General Foch and it was soon evident that no mistake had been made. As is often the case there was raised the objection that he was too old, that a younger man should be invested with such great authority. General Foch was thoroughly grounded in the science of modern warfare, and it was particularly fortunate that the conduct of the war was placed in his hands. He knew the game, his years were no handicap and although considered too old then he survived the war by more than a decade, and for the most part in vigorous health.

His was a great personality, and admiration not only for his accomplishment but for the man has been world wide. The death of the great leader means much to France but it also means a loss to the world. His name in history will vie with those of other days.

WITH THE POLE SEEKERS.

Within the past few years there has been evidence of the dangers attending those who fly in the polar regions. It has been successfully demonstrated that it can be done both by airplane and by airship, but there are perils attending it.

The news that three of the members of the Byrd party, who had been missing on a flying trip into the mountains of Antarctica, have been found and some of them returned to headquarters is gratifying. That they experienced the fury of a storm in that region was no more than might have been expected but it is particularly fortunate that they are alive to tell about it. Inasmuch as it isn't safe to venture forth without telling where you are going when moving about in the polar region, it was known where to search for the missing men, which was not the case when the Italia disappeared on its return from the north pole, but those who set out on such a quest must do so with fear of what the revelations, if any, may be.

Thus far the Byrd expedition has been particularly fortunate. It was organized with the idea of eliminating the hazards as much as possible by providing all possible facilities for meeting emergencies but it has been made aware of the difficulties of combatting climatic conditions on various occasions.

To be wrecked in an airplane flight in the polar region is one thing and to be left stranded at a point where explorations were being made by having the plane smashed is another, but it could have been no pleasant experience by the stranded men when they saw their means of transportation splintered and realized their helplessness under distinctly adverse conditions. Naturally they would expect the others to hunt for them in due time but even so the position of the men was far different than as if they had gone there with plenty of supplies and were prepared to make their return afoot.

It is simply another illustration of the many uncertainties which are bound to be encountered by those who go into the polar regions. Without doubt there will be many instances when they realize that they are elsewhere than in some bleak New England neck of the woods.

LONE BUT VALUABLE VIGIL.

It will not be long before this country sends two of its revenue cutters to the north Atlantic for the annual cruise in search of icebergs and the broadcasting of such information for the protection of shipping. This is an international service rendered by this country with other nations sharing in the expense and it provides mariners with advance knowledge of where ice may be expected that they may maneuver their ships accordingly.

It is only a matter of comparatively few years that this patrol has been maintained, it having been the result of the loss of the Titanic which is supposed to have been ripped open as it struck an iceberg a glancing blow. It demonstrated the great danger that was involved in operating ships in steamship lanes where bad ice might be encountered and in the interest of greater safety it was decided to establish the patrol. It has been such a success that it has been maintained ever since.

This vigil which is constant from the time the season opens, one of the cutters being on the lookout all the time, is not the pleasantest task to which a cutter might be assigned. The steady search of the cold Atlantic, with the blowing up of some bergs, the watching of others and the sending out of information to ships is more or less monotonous. There are storms and the dangers that go with them but there is the protection of human life to be considered and such reports as the cutters furnish of the north Atlantic conditions makes it possible to prevent disasters on the high seas.

There have been no more Titanic disasters because navigators understand they can put reliance in the scout work done by the cutters. There have been instances where vessels have bumped bergs but those were cases where they were going through ice fields and taking chances of doing it successfully. They were aware of what could be expected, except they were not equipped with wireless. Passenger carrying vessels are required to carry such equipment and the cutters serve as the far-seeing eyes for these vessels and their human cargoes.

THE EXTRA SESSION.

In a little over three weeks there will open the special session of the 71st congress. This has been called for the purpose of dealing with the question of farm relief and making some changes in the tariff. Further than that there is uncertainty as to what will be done, or will not be done.

If we can judge by the number of committees it is planned to organize the effort is to be made to hold the session to the subjects mentioned but that is difficult to determine in advance.

Ever since it became apparent that the reapportionment bill could not be passed by the last congress there has been a demand that the extra session take it up. It is a matter that ought to be passed. It ought to have been given the needed approval by the last senate. It is a ridiculous situation to think that congress can continually flaunt constitutional requirements. There has been a sufficient demonstration already to show the need of legislation that will make such a situation impossible in the future and none should realize that better than the members of congress.

Thus, inasmuch as the measure died with the last congress and should get attention without further delay there is sufficient reason for urging that it be included among the business of the coming extra session. The difficulty connected with such a move generally is that once there is a new matter taken up there is no stopping others and it opens the way to a lot of log rolling that may be next to endless. Thus it is often that the most meritorious suffer unjustly.

EDITORIAL NOTES.

The wild geese and the Mexican rebels are headed in the same direction this spring.

The man on the corner says: Everything indicates that the sun got over the line successfully.

The government income continues to increase, but that is what will happen to government expenditures if congress has its way.

Whether we look upon the breaking of auto speed records as wise, or otherwise, it will make little difference to the record seekers.

If the peeping of the frogs and the honking of the wild geese mean anything you might as well get ready to put in the early peas.

A LITTLE BROTHERLY ADVICE

"If you wouldn't chew your pencils you could think better," said Brother Craig.

"If you'd sit up straight you wouldn't get round shouldered," said Brother Vincent.

"If you let your hair grow you might be in style," said Brother Curtis.

"If you'd stop to think before speaking you wouldn't say half the things you do say," said Brother Norris.

"It isn't nice to stick your tongue out when you do sums," said little Brother Benjamin.

They didn't say all these things at once, but they were saying things like them all the time. What they did say at once and separately yesterday, today and tomorrow expressed in word, look, tone, gesture and even action, was this: "Don't have anything to do with that utterly contemptible rodent, James Bartlett Connors."

Any girl will tell you that having five brothers and not a single, solitary sister is no joke. Marjorie could tell you with a passionate sincerity that would bring a lump to your throat. Five brothers of assorted ages, and all of them aspirants for the world's championship at nonstop advice bestowing!

You would have thought Marjorie were an orphan to bear her brothers, and that if they didn't bring her up in the way she should go there was nobody else to do it. On the contrary, Marjorie had a complete quota of parents, the usual one of each. Mother and dad, when they could get a word in edgewise, really tried to do to Marjorie as daughters should be done by. But they rarely got a chance to offer much counsel. The boys were always so much quicker than they were.

It seems that James Bartlett Connors was a name not to be mentioned in polite society, at least not without an expletive. To look at him you would never guess why, because he seemed a presentable enough stripling, and his manners were quite nice. You would have to know that Lonawood high had lost the basketball championship that year and that James Bartlett Connors had been captain of the team. And that the evening before the Big Game James Bartlett having been invited to dinner at the home of an aunt had succumbed to temptation and misguided persuasion, and consumed two large pieces of cherry pie a la mode. It simply isn't done. James Bartlett Connors was unspeakable.

And yet Marjorie liked him. She had invited him to call on Friday evening. He had come. The boys had one and all insulted and snubbed him. Little Benjamin had peppered his cigarettes.

James Bartlett had stuck it out miserably until the hour of departure which was, according to prescription, at 11 o'clock. He had even asked to be allowed to come again, Marjorie had told him she hoped he would. And she really meant it.

"Next Friday?" the brave lad had said, promptly.

"Yes, that will be fine," Marjorie had said. And her brothers had talked of nothing else since.

"Let Friday be the last time," each one had advised her separately.

It was Friday now. He would either come in the next half hour or he would not come at all. Perhaps he would be weak, as he had been before the big game. Marjorie hoped he would be strong, like the heroes of the books she was always reading.

The bell rang and the boys sighed audibly and critically, with a warning glance at Marjorie. It was James Bartlett, very neatly attired indeed. He came in, running a gauntlet of eyes. Marjorie's suffered for him.

She did her best to entertain him. She could feel how grateful he was for it. But he was necessarily ill at ease, nervous. The boys kept coming in and out, greeting him superciliously, making no pretense at liking him. He was letting himself suffer agonies for her.

At 9 o'clock she detected that the boys were holding whispered conferences. A pang of fear smote her. She expected the worst. At 9:30 it arrived. Brother Vincent came in, followed by the others. He carried a huge cherry pie. Brother Curtis had a quart of vanilla ice cream which he was prepared to serve atop portions of pie, as required.

James Bartlett was only human. He refused the pie and the ice cream together and severally. So did Marjorie. All of the others ate, and with gusto. They made remarks about being "in training." They rubbed it in, as only young savages can.

It was 11 o'clock.

"May I come again?" asked James Bartlett, "next Friday?"

And Marjorie, who had never done such a thing before in her life, let this reprobate, this worm, this pariah, hold her hand just a fraction of a second when she said to him, in a tone she had never before used in her life: "Please come, Jim."—Exchange.

YOUR HEALTH

"The Cow's Your Friend for Vita A; "Brown Bread is Full of B"

By Kate C. Mead, M. D., London, England

It has often been said during the last few years that to have a fit mind in a fit body one must eat vitamins. But how can we remember what foods contain vitamine—A, B, C and D? How can we teach the mothers of the nation to feed vitamin-containing foods to the children without a more intense propaganda of education? Boards of health and of education, social organizations and visiting nurses, newspapers and magazines, all are working to this end, but still the end is apparently far off.

People will eat what they like, when they like and as they like. How can they be taught to eat what they do not like? By making each child swallow a spoonful of cod liver oil if he goes to school without a breakfast of vitamins? Would the board of health and the board of education furnish the oil and a paper spoon? The suggestion is worth trying.

The next question is, when does childhood end? When might we stop this dose? What about the girls who are afraid of getting fat? While girls abstain from gravies and salad dressings they should not "cut out" butter, which contains Vita A. How about the children who like cod liver oil and would purposely eat no breakfast for the sake of luxury? How, except by daily repitition in school, can children be taught what are bone-making muscle-building, nerve-strenthening materials? Vegetables alone are too bulky if they are eaten especially for their vitamins. Meat alone does not properly supply the fuel needs, and sweets alone could never build up the tissues.

A well balanced ration is, therefore, the only adequate tissue-builder and source of energy. If one will remember the following little jingle, written by an octogenarian, in England, and use it as a daily guide in his diet, then neither children nor adults so fed can fail to build up their bodies and minds, and avoid the need of cod liver oil or artificial sunlight.

The cow's your friend for Vita A,
Brown bread is full of B,
Peas, spinach, cabbage, give you C,
And liver and eggs yield D.

If such you spurn and thus are pale
Cod liver oil then drink wholesale.

IN THE DAYS NEWS

Strange Menus of Other Lands

"Uncooked monkey brains on the half skull, pickled water beetles, fried locusts, and cobra and python steaks are specimens of the many strange and unusual foods which grace the world's dinner tables," says a bulletin from the Washington, D. C., headquarters of the National Geographic society.

"Pigskin and birds' nest soup are popular Chinese appetisers, in some portions of the republic. Silkworms are eaten after the cocoon has been unwound. Horses, donkeys and camels, after they have lost their usefulness as beasts of burden, are consumed by some Asiatic tribes. Caterpillars, frogs and snails are relished when obtainable.

"New Guinea natives find China a good market for sharks' fins from which the Celestials make a delectable soup, and also for beche de mer, a large sea worm found in New Guinea waters.

"The New Guinea natives themselves are fond of the pith of sago palms, potatoes and banas; and dog, snake and lizard flesh vie with that of the pig. The womenfolk gather beetles, grubs and larvae from trees to grace the festive board.

"Eel meats are as popular among Japanese as are Maryland chicken dinners in Baltimore. In some Japanese cities, eel houses are nearly as numerous as weiner stands at a country fair. When the diner enters an eel house he is led to a large tub of live eels. He makes his choice of the wriggling creatures, it is speared, split along the back, cut into small pieces, and with soy sauce, is cooked over a charcoal fire.

"At Japanese inns, the traveler is told that 'Bombay duck' can be had at a reasonable price. The hungry customer visions a fat fowl but the waiter brings in pieces of smoked fish about two inches long and as thick as a dime. The menu also includes pickled seaweed, seaweed jelly, and chutney which resembles pickled citron, but is almost as hot as Mexican chile. More raw than cooked fish is eaten by Japanese. Raw baby octopuses are particularly popular. 'Japanese Limburger' is not a cheese but a Japanese pickled daikon or long white radish.

"Koreans, like many orientals, live mostly on rice. They cook their seaweed in oil and serve it with slices of red peppers. Kimshee, a kind of sauerkraut, is a favorite Korean dish.

"To the north, the natives of Kamchatka relish the tongues and the marrow of the bones of reindeer, but the piece-de-resistance is the meat of unborn fawns. From the stomach of the reindeer the natives obtain their greens-half digested balls of moss. A delectable native dish is reindeer sausage which has been surrounded by dough and dropped in boiling water. On the lower end of the peninsula where salmon are plentiful, dishes of boiled fish eyes are considered a delicacy.

"Perhaps few people live as close to nature as the pygmies of the Belgian Congo. Tender roots are staples, but birds, small game, rodents or caterpillars are not objectionable. A dish of white ants is prized highly by these diminutive people, while a slice of raw elephant meat makes a feast.

"In addition to many viands on the pygmy bill of fare, the Madagascar natives eat spiders, silk worms, grasshoppers and dried locusts. When a 'cloud' of locusts settles on a crop, a sufficient number of them are collected to offset the loss of food which the insects consume. Every good Madagascan housewife has in reserve a supply of dried locusts to sustain the family in times of famine.

"Yak cheese is a staple in the Mull kingdom of western China and would not be objectionable to the western traveler if it were not for the numerous yak hairs in the substance.

"On the table of the Corsican, a traveler might see half of the head of a lamb with tongue, cheek and brain in place. About the time the American appetite is whetted for Thanksgiving turkey, Corsican fishermen are catching eels for home consumption and for shipment to Nice and Naples where they are a delicacy. A diner in a restaurant in Spreewald, Germany, whose order did not include eels would draw a curious glance from native patrons. Eels, cucumbers and cherry pie there are 'national dishes.'

"The varied bill of fare of the Frenchmen includes foie gras—a paste of fatty goose liervs. Truffles are rare delicacies. French farmers are frequently seen leading their pig and dog 'truffle sniffers' over the fields. Truffles are underground fungi which grow six inches below the surface, and are located by the sensitive noses of the animals. Basques about Bilboa, Spain, relish white, transparent worms about two inches long. They are fried in oil and are served hot.

"One unusual meat is served not far from the American border. The Indians of Mexico prefer Iguana flesh to chicken. The appearance in the markets of the green lizardlike body, bedecked with a crest of spines running down to a long alligatorlike tail, dulls the appetite of the hungry alien shopper."

A Washington Bystander

By KIRKE L. SIMPSON
Associated Press Staff Writer

WASHINGTON, March 20—Budget making is not a job calculated to make for popularity. General Lord who seems anxious to unshoulder his difficult duties, could tell a good deal about the troubles of the post from that respect if he would.

The budget director is a presidential scapegoat in a way. He has to prune off many a departmental project undesirable only because of its cost and to pick and choose between rival claims of national urgency in more or less arbitrary fashion.

Harsh words as to his judgment from disappointed departmental officials have been the natural order of things for him. The mere fact that they could not be said publicly without arousing presidential wrath by no means prevented private explosions.

Wins Respect

Yet the fact is that General Lord, despite his nearly 70 years, has managed his extraordinarily difficult task in a way to win for him admiration and respect among the departmental budgetary officers with whom he deals.

The Bystander has had the good fortune to know several of these officials fairly well. And without exception they have told him repeatedly that Lord was a fair, reasonable man. They might disagree with his ultimate action at times, but generally they reported him as always ready to listen with an open mind to pleas they had to present.

As one budget officer put it, Lord always could be convinced if the presentment of fact warranted the project. No departmental officer with a strong case to put forward who had prepared himself sufficiently with the facts which underlay his plea was ever denied full and sympathetic hearing by the budget director, it was insisted.

It is a flattering picture of the reasonable exercise of almost arbitrary powers that these commentators paint of General Lord in action. And as those with whom the Bystander is acquainted are for the most part of the army or navy groups, which have suffered most heavily—as they see it—in post-war years from budgetary restrictions their testimony is all the more convincing.

Klein Rumored

Rumor credits Julius Klein of the commerce department with possible selection ultimately to succeed Lord. He was a very important cog in the Hoover mechanism in that department and without doubt enjoys Mr. Hoover's confidence to a marked degree.

This is a very essential consideration for the president in naming a budget director. His other duties make it impossible for the president to go in detail into budget matters, and yet his cabinet officers, whose departments are vitally concerned with budget decisions, always hav the presidential ear for a last word.

It would cause endless confusion unless the president could stand squarely on the findings of his budget director, certain that no essential facts had been overlooked or given too hasty consideration. A man like Lord is needed

Topic
"LENT AND MY GOD AND FATHER"

Memory Verse For Thursday

"For whom the Lord loveth he chasteneth" (Hebrews 12:6). (Read: Hebrews 12:1 to 13).

MEDITATION: I suffer acutely when I see a child punished. And yet what is more unlovely or more pitiable than an indulged, undisciplined child? And I see some men and women with whom God seems to delay His discipline. Indulged, prospered, they have all that heart can wish. How unlovely they are! God's spoiled children! I begin to understand a little. With breaking hearts we ask "Why? why?" In uttermost anguish I have asked it myself. I must still my rebellious heart with the remembrance that infinite love is behind the seeming good. I must learn my lesson so far as I can, and trust for the rest. I am warranted in my trust: for the glorified spirits that I know are, all of them, great tribulation. In good time I shall see more clearly what is now dark or dim to my sight and know that all things work together for good.

PRAYER: Our Father which art in heaven, hallowed by Thy name. Thy kingdom come. Thy will be done on earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation but deliver us from evil; for thine is the kingdom and the power and the glory, for ever. Amen.

How The World Is Governed

By BATES RANEY
(Associated Press Feature Editor)

U. S. President Held in Check by Constitution

President-elect Hoover will assume an office on March 4 which is one of the most powerful within the gift of enfranchised peoples.

If his executive position is compared with any corresponding office in England it is necessary to consider him occupying both the holes of king and prime minister.

In spite of this immense authority, however, it would not be easy for any American president to abuse his power. The constitution of the United States has placed two very strong checks on executive authority. They are the legislative side of the government, which is congress, and the judicial side, which is the United States supreme court.

These three branches of government the executive, legislative and judicial, all exercising what amounts, broadly speaking, to equal authority and checking each other, govern the people of the United States.

No one but a natural born citizen of the United States is eligible for the presidency. A candidate must be at least 35 years old and a resident within the United States for 14 years.

When he assumes office he becomes commander-in-chief of the United States army and navy.

The administrative business of the United States is carried on by the president's cabinet, which is composed of 10 executives. These cabinet members, although chosen by the president, must be confirmed by the senate. This is one instance where the legislative side of the government checks the executive side. Each cabinet member is paid a salary of $12,000 a year.

The constitution invests the legislative power of the government in congress, which is divided into the senate and the house of representatives. There are two senators from each state in ithey serve six-year terms.

The senate has the power of supervising all treaties made by the president with foreign powers and the constitution requires that a two-thirds majority of senators present is necessary to ratify any treaty. It is a high court of impeachment in that it has the power to disqualify and remove from governmental office, particularly in regard to the presidency. However, the house of representatives has the sole power of prosecuting an impeachment, the senate acting as judge and jury.

Members of the house of representatives, who are coloquially called "congressmen," serve two year terms. Their number is based on population, there being one representative for every 210,415 persons, which under the 1920 census numbers 460.

The United States supreme court, the judicial branch of the government, consists of a chief justice and eight associate justices, all appointed by the president for life, with the advice and consent of the senate. Their main function in government is to decide questions affecting constitutionality of any law or executive order.

Little Talks on Thrift

Happiness Through Work Splendid Type of Thrift

It is well to bear in mind that one of the greatest sources of human happiness is work. And this is a truth that could be more widely learned to advantage.

Too many follow the rule that the more work they can avoid the greater will be their happiness.

There is no true happiness in an idle life. Waste of time is a form of thriftlessness that is as destructive of rightful pleasure as waste of money or waste of health.

Work alone brings happiness, because work is creative and upbuilding.

All the instincts of the human race which have been responsible for humanity's development have found their fulfillment only in work.

In every realm of man's activities, whether it be spiritual, mental or physical human experience has shown that progress alone has come through work.

This does not mean that there is no rightful place in life for play, or that diversion is not in accordance with good thrift. It is a matter of common sense, that life cannot be made up entirely of labor. There would be little if any progress in a material way under such a condition, and in the finer things of life, there would be absence of all development.

You cannot transform a man into a machine and get human results. But, within the average routine of life, work brings the most satisfying happiness—work that is right, upbuilding and helpful.

Do not allow an ambition for idleness to spring up in your heart. Wasting time, never, under any circumstance, can bring lasting joy. It is not dissimilar to every other unthrifty practice.

Happiness through work is one of the fundamentals that can be continually counted on. It is a splendid type of true, constructive thrift.

—By S. W. Straus, President American Society for Thrift.

Stories That Recall Others

Where?

During a rush hour a small girl with her mother got on a trolley which was filled, although no one was standing. The little girl stood still, looked from one end of the car to the other and then queried of her mother in a high, shrill little voice: "Mother, where's my place?"

The Best Buy

It was a busy day and a jostling crowd. One woman of ample proportions, but a less ample pocketbook, hurried from counter to counter seeking bargains.

A basket of shiny rosy-cheeked apples caught her eye and quickly she pushed her way toward them.

"How much?" she inquired of the elderly woman attendant.

"Seven cents da pound," was the answer, "an' ver' ver' nice ones, lady!"

The other shook her head. "But the woman over there sells them at six cents a pound," she objected, "and they're as nice as these, too!"

The old lady shot an angry glance at the woman in question. "Bah!" she snapped. "No buys from her! They're so cheap, I bet she buys 'em second-hand."

As Graduation Day Draws Near

parents are thinking more and more of the enormous expense that day means. Having that fact in mind I am offering you a decided reduction on Graduation Portraits. Up to July 1st I will make one dozen large size easel portraits and one enlarged portrait, 8x10 in size, for $6.00. These portraits are priced $12 the dozen everywhere else. As Mr. Desmarais personally will make these portraits, his 40 years experience in photography assures you of the quality. As a further guarantee, proofs shown until you are satisfied, at no exra charge. You can't help but get good portraits on those conditions. Service is unequalled also.

DESMARAIS STUDIO
325 Main Street, near Y. M. C. A.
The Studio you will eventually patronize, why not now?
"Because an article is high priced, it does not necessarily follow that it is good."

Get behind the wheel and get the facts . . . .

Just Drive—Just take the wheel—then you'll know why Buick is winning more than twice as many buyers as any other car priced above $1200!

Buick MOTOR CARS

IT'S NOT HARD TO GROW THIN

People all about you can testify to that. Most of the slender figures seen today have been won, in easy ways. Many have been won by Marmola prescription tablets, based on a modern scientific discovery. People have used Marmola for 20 years—millions of boxes of it. Now slender figures in almost every circle show what Marmola does.

A book in each box of Marmola gives the formula and states the scientific reasons for results. So users realize how and why effects are beneficial. A way which has done so much for so many serves a test from you. Make it now, watch the results for a little while, then decide. Ask your druggist today for a $1 box of Marmola.

SEEDS SEEDS SEEDS

Let's drop in at 129 Main Street and select our seeds now. Beans are very scare and you should buy this week. We have Rice's and Woodruff's best and the price is right. With regard to Onion Sets: Well, we are strong on those.

Restless Nights

Is Nature's Signal of "Danger Ahead."

Mrs. B. R. Ball, Olean, N. Y., says, "Come or write to 483½ N. Union St., and I will tell you my full experience with Lithiated Buchu (Keller Formula)." It acts on bladder as epsom salts do on bowels. Drives out foreign deposits and lessens excessive acidity. This relieves the irritation that causes getting up nights. The tablets cost 2c each at all drug stores. Keller Laboratory, Mechanicsburg, Ohio, or locally at Lee and Osgood Co.

Puts An End To Bunion Pains

No Need to Suffer Another Day

There is one simple yet inexpensive way to reduce inflammation of swollen toe joints and help get them down to normal and that is to apply Moone's Emerald Oil night and morning.

Ask Lee & Osgood Co., or any first class druggist for an original two-ounce bottle of Moone's Emerald Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces lasts a long time and furthermore if one bottle Emerald Oil does not give you complete satisfaction you can have your money refunded.

Special note: People who want to reduce swollen or varicose veins should get a bottle of Moone's Emerald Oil at once. Applied night and morning as directed they will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Piles Go Quick

Without Salves or Cutting

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonhardt found the remedy and called his prescription HEM-ROID. He tried it in 1000 cases with the marvelous record of success in 96 per cent. and now it is sold by druggists everywhere under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Lee & Osgood Co. today. It has given safe and lasting relief to thousands and will do the same for you, or costs you nothing.

BODY OF MRS. EVA A. SIMS CREMATED AT SPRINGFIELD

Dr. Clarence P. Capron, of Norwich, was in Springfield, Mass., Wednesday, accompanying the body of his aunt, Mrs. Eva A. Sims, for cremation. Undertaker J. J. Lyons, of Norwich, had charge of the funeral arrangements.

FUNERAL NOTICE

MATHEWS—In Hartford, March 20, 1929, Ima J. Mathews, of South Willington.

Funeral will be held Saturday afternoon at 2 o'clock from Hall Memorial church.

DIED

MARRIOTT—In Denver, Col., at the Fitzsimmons General hospital, March 19, 1929, Albert J., son of Mrs. Mary Marriott, of Plainfield, Conn., in his 36th year.

Notice of funeral hereafter.

PALMER—In Westerly, R. I., March 20, 1929, Leonia, wife of Gideon Palmer.

BORN

RANDALL—In Jewett City, March 20, 1929, a son, to Mr. and Mrs. Charles Randall, of Jewett City.

Feel Good

Most ailments start from poor elimination (constipation or semi-constipation). Intestinal poisons sap vitality, undermine health and make life miserable. Tonight try NR—NATURE'S REMEDY—all-vegetable corrective—not an ordinary laxative. See how NR will aid in restoring your appetite and old joy of feeling. Mild, sure, purely vegetable—25c

VARIOUS MATTERS

Light vehicle lamps at 6:30 this evening.

The sun does not set until 6 o'clock today, the 21st.

Pinochle this evening at Colonial club. 35c.—adv.

Iris, crocuses and other hardy shoots are well above ground already.

A new Wallace Nutting book at the Otis library is his "England Beautiful."

Tonight, Pinochle at Pulaski hall. The 4th game of series, at 7:45 p. m.—Adv.

Redwing black birds have been seen at Lord's Hill since the 13th of this month.

Miss Marion Yeomans of Woonsocket has been a visitor at her home in Attawaugan.

The delicate violet shades of Easter decorations are making many of the store windows very attractive.

Dealers in wall paper are setting forth some unusually appealing designs which catch the eye of housewives.

Wednesday night there was a meeting for 4-H work in Rockville, Vernon and Tolland at the farm bureau office.

At Groton, Mr. and Mrs. Alfred Marquardt of Thames street moved Tuesday to their new home in Spicer avenue.

Mentioned among Voluntown callers are William Hassler and family, of Occum, Mrs. James Campbell and son Allen, of Mystic.

In some instances colleges and preparatory school students will begin to arrive home at this week end for the Easter vacation.

The Moosup Thursday club meeting will be held today, March 21 with Mrs. Agnes Salisbury, with Mrs. Salisbury and Mrs. Potter readers.

A Central Village man, William Newport is recovering from an injury to his foot in which a bone was broken while he was employed at Plainfield.

Florists are receiving biz orders not alone for flowers for church adornment for Easter but for remembrances to institutions and individual friends.

Annunciation day this year follows Palm Sunday, so that the florists are featuring their stocks of annunciation lilies at a much earlier date than is usual.

Pinochle tonight, Duwell club, at 8 o'clock; 6 prizes.—adv.

An open meeting of the auxiliary of Earl W. Green post, No. 52, American Legion, is to be held at Mansfield Center at Echo Grange hall Friday evening.

Scores of people about Norwich have not yet learned how to mail a letter properly, but will slip it into a box endwise, often blocking the slot for the next comer.

At the fifth in the series of Lenten services held Wednesday night at the Sacred Heart church Groton, Rev. J. M. Raniszewski of New London was the preacher.

Red & White, Norwich Free Academy, announces that the new members of Sigma Beta Phi sorority are Margaret Gorman, Dorothy O'Neill and Nettie Koalchik.

The current Red Book contains a picture of Miss Edith Curtis, the work of Garrett Price, who has a picturesque home on Mystic Island which he occupies summers.

Mrs. Raymond Humes and twin sons have been dismissed from Backus hospital, Norwich and have gone to their home in South Killingly, the babies thriving steadily.

Franklin chapter, No. 4, R. A. M., works the P. M. and M. E. M. degrees at Masonic temple at 7:30 tonight.—adv.

Those who have heard Dr. Gerard E. Jensen in the course of Literature arranged by the Woman's Federation of Park church, regret that the final lecture comes this week.

The 43rd anniversary of Konomoc Grange, No. 41, P. of H., of Waterford was served Wednesday night at the meeting at Firemen's hall in charge of the master, Arthur H. Davis.

A mild day like Wednesday, even with intermittent sunshine, serves to coax out the shut-ins, while the procession of baby coaches monopolizes a good part of the walks.

Consignments of day-old chicks grow larger, coming into the local post office. Rural carriers are delivering many hundreds of the feathered orphans along their routes each week.

The report of Waterford Public Health nurses for February shows that the nurses had a total of 169 patients during the month and that a total of 192 visits were made by them during that time.

Pruning, cleaning up grounds, giving worn places in lawns the needed turf fertilizing, starting on plans for flower beds and similar chores are keeping owners of gardens and yards busy in their spare hours.

The grass planted late last fall on the new nine holes at Winnapaug Golf club, Westerly, is making its appearance. The greens and the tee stands already show green, and the grass is of thick quality. The fairways are also showing up well.

At a meeting of Ellington fire department it was voted to hold a firemen's ball during April. The arrangements are in charge of the social committee. Carl A. Goehring, chairman; Horace S. McKnight, F. H. Arens, G. F. Berr and Charles H. Bancroft.

Philadelphia papers have discovered a letter dated Nov. 30th, 1908, written by President Woodrow Wilson and suggesting the appointment as chancellor of the University of Nebraska of Dean Josiah H. Penniman, now president of U. of Penn., a distinguished man of Norwich ancestry.

TO PRESENT PLAY AT CENTRAL BAPTISH CHURCH

Announcement was made Wednesday evening that the Every Other Monday club will present a play, The Commander-in-Chief, at the assembly hall of the Central Baptist church, on Friday evening. There will be no charge for the play but an offering will be taken. The cast will be as follows:

Thomas Kean, father, Mrs. Alice Phillips; Mrs. Kean, mother, Miss Nancy Patridge; Bobby Kean, child, Mildred Cass; Mildred, Grace Taft; Virginia, Elene Seabery; Ruth Kean, older daughter, Marion Royce; Harold Boyce, young minister and suitor of Ruth, Alma Taylor; Mrs. Parker, a friend, Viola Hill; Patsy, the maid, Gladys Nevins; Dawson and Jones, Bootleggers, Tmie March and Elsie Schelin. The music will be furnished by Joseph Adams and the members of his orchestra. The play is to be given under the auspices of the Woman's Crusade.

Mrs. Gideon Palmer

WESTERLY, R. I., March 20—Mrs. Leonia Palmer, wife of Gideon Palmer of Union street, died Wednesday afternoon at Westerly hospital. She was born in Woodville, R. I., a daughter of Hezikiah Bates and Sarah Wright. She had ben a patient at the hospital for several weeks.

PERSONALS

Miss Belle Strong has returned to Colchester after three weeks' visit with her sister, Mrs. Hattie Reynolds, in Norwich.

Mrs. Michael Griffon of Norwich, has been a visitor at the home of Mr. and Mrs. Ernest Herbert of Voluntown.

Mr. and Mrs. Harry Koski and children of Norwich were recent guests of Mrs. Koski's aunt, Mrs. Homer Wood of Windham.

Mary Chappell, who is employed in Montville, has been at the home of her parents, Mr. and Mrs. G. T. Chappell, at Liberty Hill.

Miss Mary Burgoyne has returned to her home in South Coventry after spending several weeks in Hanover with her sister and the latter's family, who have been ill.

FILES $3,000 SUIT FOR RECOVERY OF PROPERTY

Deputy Sheriff George H. Hoxie of Lebanon has filed suit for 3,000 damages against Isadore Fishbone of Norwich and Isadore Fishbone of Bozrah, according to papers filed with the clerk of the superior court in this city. Sheriff Hoxie, in connection with a suit brought against the Norwich man, attached a grocery store conducted by Isadore Fishbone of Norwich at the corner of Lafayette and Sachem streets and on a surety bond entered into by both Fishbones, he releases the attachment with the understanding that he was to receive $2,500 or a re-delivery of the attached property in place of the judgment, according to the complaint. Judgment has been rendered in the case and the sheriff has demanded the re-delivery of the property attached, which, it is claimed the defendants have refused to give.

L. W. C. CLASS HOLDS ITS ANNUAL ELECTION

Miss Myrtle Connors was elected president of the L. W. C. of the First Baptist church at a meeting held Tuesday evening at her home on Washington street. The other officers elected are: Vice-president, Miss Edna Sandberg; secretary, Miss Emmeline Sandberg; treasurer, Miss Olive Rathbun. The chairmen of the committees were appointed as follows: Social, Miss Grace Mitchell; lookout, Miss Edith Pulsifer, and invitation, Miss Velda Murray. After business session dainty refreshments were served by the hostess.

LEWIS HOLDS LEAD IN PINOCHLE TOURNEY

Although he made but fourth highest score for the evening, Wednesday, Dr. N. B. Lewis held his lead in the West Side Pinochle club tournament. High score for the evening 6,865, was made by H. H. Pettis, who is in second place in the tournament standing. The score Wednesday evening: Pettis 6865, Peckham 6800, Schuler 6790, Lewis 6710, J. Jordan 6600, A. Jordan 6450, Underwood 6400, Bailey 6270, Boynton 6175, McNaught 6005, Parker 5730, Ellsworth 5265.

The standing to date.

Lewis, 20,935; Pettis, 20,855; Peckham, 20,175; A. Jordan, 20,020; Schuler, 19,675; Parker, 19,620; J. Jordan, 19,450; Bailey, 19,080; Boynton, 18,850; McNaught, 18,730; Underwood, 18,540; Ellsworth, 17,505.

NORWICH "COOTIES" PLAN INITIATION NEXT MONTH

Norwich Pup tent, Order of the Cootie, is making plans to hold an initiation on the evening of April 16th. Candidates from all pup tents in New London county will be initiated by the New London degree team. A feature of the initiation will be a street parade and following the degree work there will be refreshments.

FUNERALS.

Mrs. Charles H. Potter

The funeral of Mrs. Charles H. Potter was held at 2 o'clock Wednesday afternoon at her residence, No. 224 Central avenue with many relatives and friends present including people from Boston, Providence and other places. The services were conducted by Rev. Charles H. Ricketts, pastor of the Greeneville Congregational church, and the floral tributes were most beautiful. Burial was in Yantic cemetery, where the committal service was read by Rev. Mr. Ricketts. The bearers were L. O. Potter, Fitch Dolbeare, William A. Pitcher, and Orrin Judd. The funeral arrangements were in charge of Undertakers Henry Allen and Son.

Mrs. Charles N. Rogers

At 2 o'clock Wednesday afternoon the funeral of Mrs. Eva Parthenia Champlin Rogers, widow of Charles N. Rogers, was held at the residence of her son, Fred Rogers, in Montville. The services were conducted by Rev. Charles H. Smith, pastor of the Uncasville Methodist church, and were attended by a large gathering of relatives and friends. There were beautiful floral tributes.

Burial was in Comstock cemetery, Montville, and the committal service was read by Rev. Mr. Smith. The bearers were Richard Johnson, Ambrose Sullivan, Floyd Monroe, E. L. Dickerson, Ernest Rogers and Carl Champlin. The funeral arrangements were in charge of Undertaker George G. Grant, of Taftville.

Mrs. Dan Clarke

WESTERLY, R. I., March 20—Funeral services for Mrs. Jeanette Clarke, widow of Dan Clarke, were held Wednesday afternoon at 2 o'clock at her home on Canal street ext. The services were conducted by Rev. Clayton A. Burdick, D. D., pastor of the Seventh Day Baptist church, who also read the committal service at the burial in Oak Grove cemetery, Ashaway. The bearers were Alfred Johnson, Charles Billings, Clarence Carrington and Leo Billings.

OBITUARY.

Elmer J. Mathews.

Elmer J. Mathews of South Willington, died Wednesday at Hartford. He is survived by his wife, a son, George Mathews, and a daughter, Miss Sarah Mathews, all of South Willington. Mr. Mathews was a member fo Oliver Carey post, U. S. W. V. of Stafford Springs.

Four Fold Club Supper.

A supper party was given in the girls' club room at the Central Baptist church Tuesday evening by the Four Fold club. After the supper games were enjoyed. Those present were: Katherine Adams, Anita Aycrell, Helen Bellows, Emeline Chapman, Marian Denison, Elizabeth Noyes, Dorothy Parker, June Woods, Doris Racine, Nathan Sears, Shepard Palmer, Ted Levitsky, Arthur Armstrong, Harold Davis, Eldred Coles, Frank Dodge, Lloyd Potter and Donald Royce. The committee in charge were ElizabethNoyes and Dorothy Packer.

Name Was Albert La Barre

The liquor law violator presented and fined in the city court Tuesday morning was Albert La Barre of Taftville and not Alfred La Barre.

Gave Magical Exhibition

An entertaining feature of "Club Night" observed Tuesday evening by the Norwich Fish and Game association at Buckingham Memorial was the exhibition of sleight of hand given by Charles E. Hall, colored magician.

ST. MARY'S PLAYERS AGAIN SCORE HIT IN THEATRICAL PRODUCTION

St. Mary's Players presented the farce, The Whole Town's Talking, in three acts, Wednesday evening at the Palace theater before an audience of over 1,200, for the benefit of St. Mary's Memorial parish. The presentation exceeded the expectations of the capacity audience, who showed their appreciation of the players' efforts with almost continuous laughter. The players eclipsed their previous endeavors in the theatrical line and the production ranks in merit among those given here by professionals.

The comedy was given under special arrangements with Longmans, Green and Company, New York, and was produced under the personal direction of James E. Murphy, principal of the Greeneville grammar school. The cast of characters, Mr. Murphy and the general committee in charge are to be complimented upon the splendid manner in which the play was presented. It was said by many after the show that if it had not been announced as an amateur production it would have been difficult to tell it from a professional play.

Between the second and third acts, Rev. Frederick M. Coholan, one of the business managers, in behalf of St. Mary's Memorial church, thanked the audience for the splendid turnout. Rev. Fr. Coholan also extended thanks and congratulations to the cast of characters, the committees in charge, etc. In conclusion Rev. Fr. Coholan expressed the hope that the productions to be given in the future by St. Mary's Players will be equal to that of Wednesday night.

The comedy opened in a beautiful setting, painted by Michael J. Farrell, interior decorator, in the living room of the Simmons' home at Sandusky, Ohio, at 11 o'clock in the morning in early summer. In the early part of the play Mrs. Simmons (Padmelia O. Derosier), learns from a taxi driver (James Barr), that her husband, Mr. Simmons (Edward T. Connelly), was out with another woman the previous evening. The taxi-driver presents Mrs. Simmons with a hand bag left in the cab by the woman, who happens to be his dancing teacher, Sadie Bloom (Mary R. Keenan).

Mr. and Mrs. Simmons' daughter, Ethel Simmons (Teresa R. Portelance), returns home from college at Chicago with Roger Shields (Robert L. Enright). The daughter asserts that Mr. Shields was a worthy man and was to her liking. Her father does not favor him as his son-in-law, and introduces his partner in business, Chester Binrey (Dr. Andrew J. Sullivan), whom he intends to have his daughter marry. Mr. Binney appears slovenly dressed and is informed by Mr. Simmons that he wishes him to marry his daughter, to whom Mr. Binney later proposes. Miss Simmons flatly refuses Mr. Binney with the statement that he would make a nice husband, but not for her.

Mr. Simmons then confers with Mr. Binney and a plan is arranged whereby it is made known that Mr. Binney has a love affair with a renowned motion picture actress, Letty Lythe (Eileen A. Hinchey). Miss Simmons then becomes engaged to Mr. Binney after many entanglements, in which Mr. Binney is generally the "goat" through the "fixings" of Mr. Simmons. Everything then goes along fine for a time until it is announced that Miss Lythe, whom Mr. Simmons picked as having a love affair with Mr. Binney, is to appear in person at a local theater. A photograph with inscription of the movie star is on exhibition in the Simmons' home as proof that Mr. Binney was really the lover of Miss Lythe.

It develops on the arrival of Miss Lythe, with her fiancee, Donald Swift, a movie picture director (John N. Keenan), that Mr. Swift finds the picture of Miss Lythe and becomes jealous. He is anxious to lay hands on Mr. Binney. In the meantime Miss Lythe appears at the Simmons' home and states that she has spent many happy hours with Mr. Binney.

Mr. Shields, who courted Miss Simmons before she fell in love with Mr. Binney, and Mr. Swift arrive at the Simmons' house, the latter looking for Mr. Binney. Mr. Swift intends to kill Mr. Binney, but he suggests that they fight in the dark. The lights are turned out and a terrible fight ensues. When the lights are turned on again, Mr. Binney is perched on the chandelier with Mr. Swift and Mr. Shields out on the floor.

Miss Simmons then enters the room with several others and finds Mr. Binney a hero standing over the two unconscious men. She runs into his arms and the curtain falls, a happy ending.

The cast: Mrs. Simmons, Parmelia O. Derosier; Annie, a maid, Doris D White; taxi-driver, James Barry; Mr. Simmons, a manufacturer, Edward T. Connelly; Ethel Simmons, the daughter, Teresa R. Portelence; Roger Shields, a young Chicago blood, Robert L. Enright; Chester Binney, Simmons' partner, Dr. Andrew J. Sullivan; Lili Wilson, Sally Otis, friends of Ethel, Veronica M. Roberts, Mary F. Weller; Donald Swift, a motion picture director, John B. Keenan; Letty Lythe, a motion picture star, Eileen A. Hinchey; Sadie Bloom, a dance hall proprietor, Mary R. Keenan.

The scenes were: Act 1, the living room of the Simmons' home in Sandusky, Ohio. Eleven o'clock in the morning, early summer; Act. 2, the same scene, but one week later; Act 3, same as Act. 2, but nine o'clock that night.

The program committee comprised: Rev. Frederick M. Coholan, chairman; John J. Sheehy, secretary, Mrs. Lucien R. Bisonette, Mrs. James J. Brady, Mrs. George E. Boyesen, Mrs. A. Edward Brodeur, Mrs. Francis Cote, Mrs. Francis P. Donnelly, Mrs. Dennis Donovan, Mrs. M. Frank Leonard, Mrs. Laurence E. Millea, Mrs. Silas W. Sandberg, Miss Margaret C. Counihan, Miss Mary C. Nolan, James J. Brady, John F. Carroll, Joseph A. Donnelly.

Executive committee: Business managers, Rev. William A. Keefe, Rev. Frederick M. Coholan; stage manager, Cornelius L. Crowley; prompter, Miss Isabelle W. Leonard.

The committee in charge of the evening's play acknowledged the many courtesies received from: Al Unger, manager The Palace Theatre; the Palace theatre staff of employes; M. J. Levinson, manager Broadway Theatre; Elijah S. Burdsall, M. D., superintendent, Norwich state hospital; the Plaut-Cadden Co., O'Neil Electric Co., Mara's Pharmacy, Reardon's Pharmacy, The Connecticut Co., The Southern N. E. Tel. Co.

The program boys were John Leary, Wilfred Roberts, George Constandi and Thomas Kirby.

HISTORY OF K. OF C. CLASS INITIATED IN 1915

At the regular meeting of White Cross council, No. 13, K. of C., the history of the class of candidates initiated in 1915, was related by Thomas H. Beckeley, president of the class. Mr. Beckley paid tribute to the class members and related a number of interesting accomplishments of the class. Other members of the class, Michael J. Curran, William J. McKnight, Louis A. Combies, Charles J. Riordan, P. J. Desmond, C. J. Downes and William J. Fitzgerald also spoke briefly in relation to that particular body which comprised the following:

James Duggan, Maurice P. Fitzgerald, Michael J. Curran, John T. Drew, Daniel J. Mullin, Francis McNamara, Patrick H. Connelly, John A. Dunn, J. E. Marshall, James F. Gallagher, Jeremiah Fitzgerald, William J. McKnight, Patrick F. Kennedy, Louis A. Combies, Charles J. Riordan, Joseph T. Farrell, Daniel P. Cummings, Frank M. Harrington, P. J. Desmond, Patrick J. Kelley, Jr., Herbert Riley, Thomas E. Murphy, B. W. Ryan, L. J. Pendergast, Frank W. Stritch, C. J. Downes, William J. Fitzgerald, Charles J. Connell, Patrick J. Caples, Joseph H. Sheridan, N. J. Spellman, Thomas A. Sheehan, William J. Gallivan, James R. Kearns, Frank B. McMahon, James McCarthy, James Looby, D. Joseph Barry, Patrick T. Connell, Thomas H. Beckley, C. A. Collins.

During the meeting announcement was made that the organization would conduct a public pinochle party at the K. of C. home Friday and other routine business was disposed of. Following, an oyster chowder was served and an interesting program of entertainment provided. On Monday night the K. of C. members conducted a tourney among themselves and later enjoyed refreshments.

PROFESSIONAL WOMAN'S CLUB HAS MONTHLY MEETING

The regular monthly meeting of the Norwich Business and Professional Woman's club was held on Monday evening at the nurses' home of the W. W. Backus hospital, many members and guests attending. Aside from a short business session presided over by Miss Lucy B. Abbott, the meeting was purely social. Several games and contests requiring both skill and agility were entered into with great zest and appropriate prizes were awarded the winners in each case.

The main feature of the entertainment consisted of a musical program given by Edward T. Connelly and his group of entertainers. In honor of St. Patrick, Irish songs and stories played a prominent part in the program. These were all received with much enthusiasm on the part of the audience.

The reception hall in which the party was held was decorated in green and white and refreshments, served at the close of the program, affected the same appropriate color scheme.

The affair, which was one of the most enjoyable the club has had, was arranged by Mrs. Aaron Hardy, chairman of the social committee.

Announce Daughter's Engagement.

Mr. and Mrs. D. Gurevitch of Louisville, Kentucky, announce the engagement of their daughter, Mollie E., also of Louisville, to Julius Moskowitz of Jewett City.

Wreath From Mill Employes

Among the beautiful floral tributes sent to the funeral of Lydia Freestone held Tuesday afternoon was an attractive standing wreath from the employes of the cloth room of the Ponemah mills.

SMALL POX VICTIMS NOW NUMBER FIVE

Henry Karkutt, 23, of No. 10 Page street, is the latest victim of the small pox and his is the fifth case to be reported to City Health Officer E. J. Brophy. Karkutt is said to have contracted the disease from a Jewett City man, suffering with the disease.

In a statement issued by Dr. Clarence M. Thompson, city milk inspector, to the milk dealers of the city he urges them to become vaccinated as soon as possible because of the cases prevalent here.

Among those confined to their home is Miss Rose Durr, of Norwich Town, supervisor of school nurses. She was exposed to the disease as a result of a visit to the home of Mr. and Mrs. Kurt Seifert on Hamilton avenue. Their two children are afflicted with the disease.

In regard to the outbreak of smallpox in this city, a statement issued by the state department of health says:

On March 14 it was learned in the office of the state department of health that smallpox had been present in the eastern part of Connecticut since January 24. On that date a man who had been traveling about the country installing machines in manufacturing plants came to his home in Lisbon ill with smallpox. His brother and father contracted the disease from him, and a man residing in Norwich who worked for the family also contracted the disease.

A child from Jewett City who visited the family in Lisbon about February 8 became ill with smallpox on February 13. The father of this child contracted smallpox from him and became ill March 5. Two children from a family in Norwich who visited the Jewett City family on February 23 became ill with smallpox March 5 and 7 respectively.

Thus smallpox spreads among unvaccinated persons. None of these people would have had smallpox if they had been protected by a recent vaccination. Persons who have been successfully vaccinated recently need not fear smallpox.

CAPT. O'HAY SPEAKER AT ROTARY LADIES' NIGHT

Capt. Irving O'Hay, world-famed humorist and soldier of fortune, is to be the speaker and entertainer at the Ladies' Night of the Norwich Rotary on April 3, according to an announcement made Wednesday noon at the weekly meeting of the club by Dr. Hugh B. Campbell, chairman of the entertainment committee. In speaking of Captain O'Hay, Dr. Campbell said that he was the best one-man entertainer in the world, with the possible exception of Will Rogers.

President Edward W. Jewett presided at the business session and Frank D. Davis was the song-leader. Among the musical features was a selection, Moonlight and Roses, by F. Russell Smith, Joseph C. Worth and Frank R. Murdy.

An invitation from the Women's City club for the meeting on March 27 was read. Two forestry experts connected with the state department are to be the speakers.

It was suggested that the Rotary club sponsor a junior baseball team, the same as last year, and the matter was left with Dr. A. C. Freeman as chairman of the boys' committee.

Charles J. Twist, chairman of the program for the month of March, introduced H. Bentley Mackenzie, consultant attache connected with the New York district office of the bureau of foreign and domestic commerce, Mr. Mackenzie, who recently returned from active service in South America, spoke on Foreign Trade.

In opening his talk, the speaker said that foreign trade was a very old subject with New England people, as they were the pioneers in foreign commerce long before the Revolutionary war. In the early days the larger part of the trade was on the import side of the ledger but as the country developed there came about a large export trade. The bulk of this export trade was in agricultural products.

When the World war broke out our export trade in both agricultural and products and manufactures began to mount. There was a cry that it would fall off as soon as the war was over and European countries got on their feet. Instead of falling off it increased. The industrial capacity of the nation had been increased and some outlet had to be found for the surplus goods. In the last year our exports increased by over two billion dollars, while our imports increased three billion. Today we are exporting ten per cent of our goods. Of this ten per cent, 42 per cent is in manufactured articles. Ten per cent of the automobiles manufactured in America are exported, 49 per cent of the typewriters, and 59 per cent of the motorcycles.

Today all staple American articles of clothing, food, tobacco and other commodities are to be found in every port in the world. The foreigner is adopting our methods of advertising and many of the old world business men are coming to America every year to get new ideas. American exports have changed the life of the foreign people and even the appearance of foreign cities. Streets in foreign cities have been paved and widened for the automobile, stores and office buildings patterned after those of America have been built. Even the mode of living of the foreigner has been raised through the contact with America through foreign trade. All this tends to make the world much smaller and promote a better feeling between nations.

Mr. Mackenzie was given a hearty vote of appreciation for his talk. The meeting closed with the singing of the Star Spangled Banner.

LOCAL JEWISH RESIDENTS WILL OBSERVE PURIM

The Jewish residents of Norwich will celebrate the feast of Lots, known in Hebrew as Purim, next week. The celebration will start Monday evening. It is a one day festival, marked by joy and feasting.

Though it ranks but as one of the minor holidays of the Jewish calendar, its message assumes great importance in every land and generation. The story of the Book of Esther is the basis of this festival and whether historically true or not, it typifies the perennial experiences of the Jewish people with hatred and prejudice.

Win College Honors

Helen A. Sparrow, of Woodstock; Virginia Paine, of Abington; Frances E. Miller, of Danielson, and Winifred A. T. Bogle, of Westerly, are among the 52 students who have won places on the "dean's list" at Pembroke college in Brown university, Providence.

NO OPPOSITION TO PROPOSED HIGHWAY

(Special to The Bulletin)

HARTFORD, March 20—(AP)—The finance committee held hearings today on bills affecting several bond issues. Permission is asked to redeem court house bonds maturing in 1931, a total of $140,000 being asked for this purpose.

In regard to the gas and electric bonds, two issues, $60,000 and $280,000, totaling $340,000 is asked for. Permission is asked to redeem water bonds maturing in April 1921.

Mayor Lee Roy Robbins and Corporation Counsel Edmund W. Perkins represented the city of Norwich. Representatives Avery and Connell, with Senator Lillibridge were present and gave their support to the bills. No opposition was offered.

The committee on rivers, roads and bridges had among the bills before them, a bill introduced by Senator Lillibridge, an act that would include in the trunk line system the road running north from Preston Plains to Jewett City. Among those present in support of the bill were Senator Lillibridge of Norwich, Town Clerk Arthur E. Shedd of Preston, and Representatives Benjamin and Smith and Walter E. Tarbox of Preston, Daniel Finn, first selectman and Representative Boucher of Griswold and Representative Ross of Lisbon were also present in support of the bill.

THREE CALLS FOR LOCAL FIRE DEPT. WEDNESDAY

The fire department responded to calls for three fires, two grass and one brush, Wednesday, all of which were extinguished with water tanks and chemical. The first call was at 10:59 a. m., for a grass fire in the rear of No. 33 Summit street, Engine 6, Squad A and Acting Chief Henry R. Taft responding.

The other grass fire broke out at 4:01 p. m. on land off Whittington avenue and required the services of Engine No. 2, Squad A and Acting Chief Henry R. Taft. At 7 p. m., Engine 2, Squad A went to a brush fire, which threatened several houses for a time, on land off Mowry avenue.

EXPRESS HORSE SLUMPS INTO A WESTERLY DRAIN

(Special to The Bulletin)

WESTERLY, R. I., March 20—While headed down Main street late Wednesday afternoon the horse attached to the express delivery of the Railways Express Agencies Inc., Herbert Senior driver, went through the road surface, near the Elite Cleanink Works. Highway Engineer A. L. Leon was called to help in the removal of the horse and make repairs to the highway which had broken through into a drain. The horse was not seriously injured.

TO SUPPRESS COMMUNIST PROPAGANDA IN INDIA

NEW DELHI, India, March 20—(AP)—All the powerful forces of law and authority have been suddenly invoked by the Indian government to suppress increasing Communist propaganda and active agitation in Bombay, Calcutta, Poona, Dacca and other large cities of India.

This agitation is regarded as responsible for many of the recent labor disturbances in cotton manufacture and other industries at Bombay and elsewhere.

Preparations for the police raids were carried out with great circumspection by the magistracy, military forces and armed police were quietly mobilized over a wide stretch of territory and armed with the necessary warrants.

WOMEN HOLD MAJORITY OF VOTES FOR TAMMANY LEADER

NEW YORK, March 20—(AP)—While the men were counting noses for their favorites in the struggle for leadership of Tammany hall, it developed today that the women will have a majority of the votes in the meeting to select a successor to George W. Olvany Friday.

The women district leaders have 11 1-2 votes. Ordinarily the men have an equal number, but now they have only 11, due to the fact that no successor to the late James J. Hagen leader in the seventh assembly district has been chosen.

Thus the women will have nominal control of the vote.

Put On More Weight You Skinny Folks

Tens of thousands of exceedingly thin men and women have put on good healthy flesh with McCoy's Tablets.

There's nothing in McCoy's that can hurt you—they will not only help you to take on weight you need, but will make you stronger, more energetic and vigorous.

McCoy takes all the risk—Read this ironclad guarantee. If after taking 4 sixty cent boxes of McCoy's Tablets or 2 One Dollar boxes any thin, underweight man or woman doesn't gain at least 5 pounds and feel completely satisfied with the marked improvement in health—your money will be refunded.

Just ask for McCoy's Tablets at Lee & Osgood Co. or any drug store in America.

Most Amazing Guarantee Ever Made to Pile Sufferer

Because there are still thousands of men and women needlessly suffering the torture and discomfort of itching, bleeding, burning piles, Peterson of Buffalo asks every druggist to broadcast his remarkable offer.

He says—"Tell every one of your customer that it doesn't make any difference what they have tried before or what lack of success they have gotten from any internal or external remedy for piles—I want them to give Peterson's Ointment a fair trial. Tell them they make this trial at my expense for if the mighty healing power of my ointment doesn't stop itching and burning and dry up piles quicker and better than they ever hoped for—their money will be returned." Generous box—35 cents.

CURE FOR LOCO POISON SOUGHT BY CATTLE MEN

COLLEGE STATION, Tex. (AP)—Relief from the poisonous "loco" weed, scourge of the cattle country, is sought by the experiment station of Texas Agricultural and Mechanical college. An annual appropriation of $30,000 for research during the next biennium has been asked of the state legislature.

Common on range land, the weed is the only green vegetation in winter and a special lure for livestock. It contains a drug to which animals become addicted, causing extreme emaciation and eventually the "loco" or mad condition which frequently results in death.

CAREY TAKES LEASE ON YANKEE STADIUM AND POLO GROUND TO STOP COMPETITION

NEW YORK, March 20—(AP)—The administration of William F. Cahey, new president of Madison Square Garden corporation, got under way today with a drive that swept all opposition from the outdoor boxing field for at least a year to come.

Celebrating his first full day on the job Tex Rickard made famous, the relentless railroad builder negotiated one year leases for both the Yankee stadium and Polo grounds, only major open air stadiums in New York city, stifled any outdoor competition that might have risen from either Humbert J. Fugazy or Jack Dempsey, and laid out the ground plan of the bouts he believes will produce a heavyweight champion.

While the lease of the stadium home of the Yankees, was expected, the hiring of the Polo grounds marked the close of an underground struggle of half a dozen prominent fight factions for control of the Giants' ball yard. The deal also indicated a renewal of recent negotiations wherein Carey sought to purchase the National league franchise and property for $4,000,000 from Charles A. Stoneham and his associates.

Humbert Fugazy, rival of the Garden in the promotion of outdoor battles, believed several weeks ago that he would obtain the Polo grounds lease. Jack Dempsey, in announcing recently that he would promote a lightweight title match between Sammy Mandell and Ray Miller this summer said the bout would staged "either in Detroit or New York." He also was known to have sought the lease. Fugazy hopes to obtain Ebbets field, home of the Brooklyn Dodgers, for open air shows.

With the battlegrounds definitely staked out, Carey swung into the business of clearing the muddle in the heavyweight division left by the retirement last fall of Gene Tunney, the titleholder. He said he has Max Schmeling, the clouting Teuton, lined up with Paulino Uzcudun, burly Spaniard for a tussle in Yankee stadium, June 27, with the winner to meet Jack Sharkey on the same field in the final match in September.

Champions in other divisions will furnish the opposition in four other outdoor shows to complete the most ambitious open air schedule the Garden has ever tackled. The program includes a welterweight title go between Joe Dundee and Jimmy McLarnin, a flyweight battle between Spider Pladner of France and Izzy Schwartz, the New York champion, and a featherweight title defense by Andre Routis against the best available opponent. An outdoor show is planned for every three weeks of the summer season.

GRAND NAT'L. STEEPLECHASE TO BE RUN ON FRIDAY

LIVERPOOL, England, March 20—(AP)—The spotlight of English horse-racing turns from Lincoln to Liverpool tonight and for two days revolves around the famous Aintree course where on Friday afternoon one American-bred horse, Billy Barton, and seven other American-owned jumpers, match their ability and racing luck with perhaps 50 others in the contest for high turf honors and stakes of $60,000 in the Grand National steeplechase.

They are calling it the "Grand International" this spring because there are more American-owned horses competing than comprised the entire field back in 1837 when only six chasers lined up to start. France is also represented.

This year as last Billy Barton, owned by Howard Bruce, of Baltimore, carries the chief American hopes and money, although in the latter, respect J. H. Whitney's Easter Hero has substantial support.

Easter Hero remains the favorite in betting at odds of 10 to 1 with Billy Barton and Great Span, English horse, quoted at 100 to 7 each. These odds are likely to shorten, although the start of probably 60 horses makes the race more of a gamble than ever.

Billy Barton reached Aintree today and was declared to be in tip-top form.

The race crowds had their first thrill today when the Lincolnshire handicap, first big event of the flat-racing season went to Elton, a total outsider, at 100 to 1. As a result the enthusiasm for the long shots in the Grand National has increased.

ATHLETICS DOWN REDS IN EXHIBITION GAME

ORLANDO, March 20—(AP)—The Philadelphia Americans resumed their exhibition series with Cincinnati today, and defeated them, 7 to 5.

Hassler, Athletics, got a double and a triple. Walberg, Athletics pitcher, held Cincinnati to four hits in six innings. The score:

Philadelphia (A)	013 000 201—7	13 2
Cincinnati (N)	202 000 000—5	12 0

Breckenridge, Walberg and Perkins; Donohue, Kolp, Johnson and Sukeforth.

FAST GAME EXPECTED WHEN ALL-HELLERS PLAY DANIELSON

Eastern Connecticut basketball fans are to have another big treat Saturday night when the famous All-Heller Five will play against the Danielson Towners in Town hall, Danielson.

The All-Heller Five consists of five brothers who are all collegian stars and who have defeated practically everything in this part of the state and have not been beaten by more than three points by any team this year except the Philadelphia Colored Giants, which beat them twice by five and seven points, respectively. This gives one the idea of just what sort of calibre this team is composed of.

The All-Heller Five played the famous Plymouth, Mass., team a three-game series and at the third game, which they won by two points, there were over 250 fans turned away.

The Danielson management have been very fortunate in booking up this team and were forced to do it through a Boston booking agency, so hope the fans will appreciate this team playing in Danielson by turning out strong.

Two new rows of bleachers are being installed to accommodate the crowd.

CHAPMAN AND BULKELEY MEN ENTERED IN SWIM

NEW HAVEN, March 20—(AP)—Thirteen high schools of the state will be represented in the interscholastic swimming meet to be held Saturday in Carnegie pool, according to an announcement made tonight by President Walter B. Spencer, chairman of the Connecticut Interscholastic athletic conference. The preliminaries will be held in the morning and the finals in the seven events at 3:30 in the afternoon. A total of 138 entries have been received.

The schools represented are: Commercial and Hillhouse of New Haven; Hartford Public high school; Bulkeley, of New London; Central and Warren Harding, of Bridgeport; Crosby, of Waterbury; Bristol; Chapman Tech, New London; Torrington; Wakefield; Darien; Manchester and Wethersfield.

The events are. 200 yard relay; fancy dive; 50-yard free style; 100-yard back stroke; 220-yard free style; 100-yard breast stroke and 100-yard free style. All entrants are confined to two events.

BROKEN STEERING QUADRANT PUTS WOOD OUT OF RACE

MIAMI BEACH, Fla, March 20—(AP)—Luck broke against Gar Wood, ace of American speed boat pilots, and his Miss America VII today and Major H. O. D. Segrave, British driver, in his Miss England loafed to an easy victory in the first heat of their match. His average speed for the twelve miles was 59.228 miles per hour.

A broken steering quadrant forced Miss America VII, which holds the world's record for speed boats of 92.835 miles per hour, out of the race on the back stretch of the two mile course on the third lap. Wood than had a half lap lead over the invader who seeks to dethrone him as king of speedboat pilots.

Seeing his opponent disabled, the Englishman throttled down his roaring motors and finished in 12 minutes, 9.38 seconds.

Wood announced tonight his craft would be in shape by the time the starter's gun boomsomorrow.

PIONEERS WIN FROM THE BALTIC SPEEDBOYS

At the Baltic Social club gym last night the Pioneers of Norwich won an easy victory, 35 to 16 from the Baltic Speedboys. Lambert and McNeil of the Pioneers featured. The score:

Pioneers

Referee, Ellison. Score at half time, Pioneers 11, Speedboys 6.

Gets Letter at Holy Cross

Among those receiving HC for Holy Cross basketball the past season at the meeting of the athletic association at the Worcester school was Manager Edmund Fanning of this city. Mr. Fanning is a graduate of Norwich Free Academy.

HEYDLER PREDICTS GREAT SEASON IN NATIONAL

ORLANDO, Fla., March 20—(AP)—John A. Heydler, president of the National league, wound up his tour of the Florida training camps of his league today with the prediction that the race in the senior circuit this year would be closer and harder than ever.

"The teams down here have all had good weather and are far advanced on a most successful training season," he said. "Of course one of our most powerful teams are training in Texas and on the Pacific coast and I know nothing of their progress except by hearsay, but from what I have seen here, we should have our greatest season."

The Chicago Cubs and the St. Louis Cardinals look like the real contenders for the National league pennant to the president. "There is a lot of power in the Cardinals," he said," and Southworth seems to be getting along splendidly as manager. Their new keystone pair, Selph and Gelbert and Hallihan and Bell on the pitching staff will mean a lot to the team this year."

The Phillies and Braves should be better is another prediction.

"The Phillies have an improved team. Of this there can be no doubt. If they get some good pitching they will make a lot of trouble. Evers has the Braves hustling and it looked impressive in the games I saw in St. Petersburg. There are some good pitchers on that club and it should do better than last year.

"The Reds have the spirit and skill and pitching staff to again make them contenders. Hendricks has two promising young outfielders in Swanson and Crabtree and Kolp seems set to help him in the box this year. Donohue seems to have recovered his fast ball, and if this great pitcher's arm is right the Reds should be in the race all the way."

KOZIOL HAD HARD LUCK IN N. E. CHAMPIONSHIPS

Al Koziol, former R. I. state lightweight champion, had all kinds of tough luck in the New England amateur championships at Boston recently according to those who saw the bouts. Without accusing the judges of partiality those who were at the ringside say that they knew more about the Einstein theory than they did about boxing.

Koziol in the first round bouts flattened his man in the first round and was slated to meet a boy by the name of Collins in the next bout. A last minute shift was made and Tommy Rawson of South Boston was substituted for Collins who was known to have very little power in his punches. When Koziol and Rawson met, the local downed the Rawson kid in the first round for a nine count. After that Rawson brought on his bicycle and did some pretty pedalling to keep away. When he was not on the run he was holding. However, the judges decreed that Rawson was the winner. When the judges turned their thumbs down Koziol went out of the tourney.

Then came Catalano of Providence Catalano boxed the Rawson boy to a standstill yet the judges saw the three rounds as a draw. When the fourth came Catalano had this by a wide margin but the same judges by their own unique way of scoring found that Rawson had won the championship. So goes the tough game of boxing

M'NAMARA AND HORAN HOLD LEAD BY 47 POINTS

CHICAGO, March 20—(AP)—By the scant margin of 47 points, Reggie McNamara and Harry Horan clung to their lead in Chicago's international six day bicycle race at the end of 68 hours of wild riding and jamming tonight.

The American team's record was 1,061 miles, nine laps and 134 points. Otto Petri and Norman Hill, the German-American duo, were second with, 1,061 miles, nine laps and 87 points.

McNamara and Horan reached the top by consistent jamming and to hold their lead, they have been pedaling their bikes at a terrific speed. Rail birds expected McNamara to "crack" after the 48th hour, but he appears to gain in speed.

The riding of Hill also has surprised the throngs. Hill was forced out of the recent New York race by an attack of appendicitis but is carrying on in this race with determination and speed.

McLARNIN HAVING TROUBLE IN MAKING HIS WEIGHT

NEW YORK, March 20—(AP)—While Jimmy McLarnin, socking Celt, toiled with pulleys, punching bags and sparring partners today to reduce to 149 pounds, little Ray Miller quit work today in an effort to add as many precious ounces as possible before the ten round struggle in Madison Square garden Friday night.

Miller, decidedly handicapped in the weights, is endeavoring to build himself up to 133 pounds while McLarnin, growing steadily, is hard put to stay below the welterweight division. The Irish punching sensation from Vancouver intends to fight in the future as a full fledged 147 pounder.

Although Miller, a numbing left hand puncher from Chicago, scored a technical knockout over McLarnin in the seventh round of their recent bout in Detroit, the sturdy Celt with the long knockout record rules an 8 to 5 favorite in the heavy wagering.

BROWNS BEATEN FOR FIRST TIME THIS YEAR

LAKELAND, Fla., March 20—(AP)—The St. Louis Browns suffered their first defeat of the spring training season here this afternoon. They were nosed out by the Columbus team of the American association, 3 to 2. A double by Weis, Columbus centerfielder, followed by two sacrifices gave Columbus the winning run in the sixth. Schulte, outfielder, was the star performer for the Browns, collecting three of his team's six hits. Score by innings:

St. Louis	0 2 0 0 0 0 0 0 0—2	2	1
Columbus	0 0 2 0 0 1 0 0 x—3	8	0

Collins, Ogden and Ferrell, Manion; Jablonowski, Harris and Shinault, Dankratz.

WILLIAMS EQUALS MARK FOR INDOOR 60 Y'D. DASH

HAMILTON, Ont., March 20—(AP)—Percy Williams of Vancouver, Canada's double Olympic winner, returned to competition tonight to equal the world's indoor record for 60 yards in the annual indoor meet of the 91st regiment here. Williams covered the distance in 6 1-5 seconds, beating out Johnny Fitzpatrick of Hamilton, another Canadian Olympic star, by a narrow margin. Leigh Miller of Hamilton was third.

MOROTRA AND HUNTER REACH THE FIFTH ROUND

NEW YORK, March 20—(AP)—Jean Borotra and Frank Hunter, French and American favorites in the National indoor tennis championship, forced into the fifth round of the tournament today. Borotra defeated Merritt Cutler of New York, 6-1, 6-3, while Hunter won three matches, winding up with a 6-3, 6-2 victory over Weller B. Evans of Princeton.

PLAINFIELD SWAMPED WHEN COLORED GIANTS DISPLAY BRILLIANT ATTACK

(Special to The Bulletin)

PLAINFIELD, March 20—It was a disasterous evening for Plainfield basketball tonight at the Community house court as the Plainfield Pros were completely swamped by the Philadelphia Colored Giants, 48 to 25, and the Plainfield Buddies lost their first game of the season, Willimantic winning 31 to 29 in a hard-fought contest. It might be said of the Buddies that an entirely new team was on the floor with the exception of Eaton at center. However the Buddies are not trying to alibi themselves out of the defeat and still feel proud of their showing against an admittedly strong team.

The Pros were decidedly off form while the Giants played like champions throughout the game. Taking the ball at the initial tap the colored boys started to pile up points and at the half held an 18 to 12 lead. In the second half they broke loose, dropping in baskets from all angles and from every part of the floor. It seemed that any ball thrown in the direction of the basket would drop through the hoop. The visitors give a wonderful exhibition of basketball and although Plainfield was beaten the crowd gave the visiting team a great hand. Chambers and Berthard were the stars for the visitors while Pop Williams starred for the Pros.

The summary:

Plainfield Pros.

	G.	F.	Pts.
Kasper, rf	2	0	4
Reidy, rf	0	0	0
Brusso, lf	1	1	3
Tisdale, lf	0	1	1

Referee Alexander. Score at half time, Willimantic 16, Buddies 12.

PHILLIES BREAKS LOOSE IN EIGHTH TO BEAT ROBINS

CLEARWATER, Fla., March 20—(AP)—Making their 1929 debut in the grapefruit circuit here today, the Brooklyn Robins succumbed by a score of 6 to 5 as the Phillies broke loose in an eighth inning rally good for five runs. Moss was pounded for three hits in the big Philadelphia inning, and was the victim of two errors. The score:

Philadelphia (N)	000 100 050—6	8	4
Brooklyn (N)	200 000 030—5	7	3

Sweetland, Durham, Green and Davis, Susce; Clark, Moss, Koupal and Deberry Henline.

LIND'S SCRATCH HIT WINS FOR INDIANS IN NINTH

NEW ORLEANS, March 20—(AP)—Carl Lind's scratch hit with two men down in the ninth inning, brought in the score that gave the Cleveland Indians a 4 to 3 victory over the New Orleans Pelicans today, it was the third straight defeat of the Pels.

Earl Averill, however, played the stellar role consistently, driving in two runs on a double and a single and playing sensationally at centerfield.

Score:

N. Orleans	0 0 0 0 1 0 1 1 0—3	10	0
Cleveland	0 0 1 1 0 0 0, 1 1—4	10	2

Hotard, Behler and Mondino, Simmons; Brown, Miller, Zinn and Hartley, Myatt.

Danielson Pleased

Sporting Editor: Relative to Plainfield series. Manager Salisbury's letter in The Bulletin came to our attention this morning in regards to a basketball series between Plainfield and Danielson, and we noticed he said "Fine, let's go." Well, that is just the answer we wanted and believe us or not, if satisfactory arrangements are made we feel quite confident that Plainfield will feel they have been going some if they ever beat us and will say, "Let up" instead of "Let's go."

When Plainfield commences to worry about our lineup I think perhaps they are taking on an extra burden and getting a little too presuming when they think it better for us to strengthen our team. However, we expect to give the basketball fans of eastern Connecticut a good team and a good game, as we always have done, and shall govern ourselves accordingly in a series.

Of course we realize Plainfield has been playing good teams and so have we; in fact, we have played some of the same teams, for instance, the Philadelphia Colored Giants.

When it comes to a walkaway for Plainfield in any series with Danielson, why, that's absurd! Anyway, we think so and from the lineup we intend to put on the floor Plainfield will be making "whoopee" most of the time to keep track of our boys.

And one word for the public—If Manager Salisbury decides he wants to play us a series you will have justice and see some good, fast, clean basketball.

Signed:

DANIELSON MANAGEMENT.

JARVIS TO GO WITH HOLY CROSS TO SOUTH

Lloyd Jarvis, former Academy baseball star, will be taken by the Holy Cross varsity nine on their coming southern trip, which starts next week. Lloyd, who graduated last June at the local school after four years of brilliant deeds on the diamond for the Red and White, will not be able to participate in any intercollegiate games because of the freshman rule but will get much valuable experience.

Jarvis practiced with the varsity last fall in the fall practice and showed up very well.

The freshmen team, for which the ex-Wildcat star will be a candidate, will start practice soon.

ST. JOSEPH CLUB TO PUT TEAM IN FIELD THIS YEAR

The St. Joseph's club will have a baseball team again this year, it has been announced. This is the first definite announcement from industrial league teams concerning the coming campaign.

Mike Panek will again manage the club and he is already booking games for the season. Among those now arranged are six with the Riverview club of the state hospital.

The Saints, who were entered in the Dusty league last year for the first time, expect to have a strong team on the field.

CUBS FIND TIGERS TO BE EASY VICTIMS

LOS ANGELES, March 20—(AP)—The Chicago Cubs clawed up the Detroit Tigers to the tune of 13 to 3 here today in the opening game of a series of five exhibition contests between the two major league outfits. The National leaguers slashed two Tiger hurlers for 17 hits.

Dartmouth Plays Princeton Twice

HANOVER, N. H., March 20—(AP)—The Dartmouth athletic office announced today that the Green's baseball team would play two games at Princeton on April 8 and 9. This two game trip, it was said, would serve in the place of the annual southern trip which was cancelled for the Dartmouth nine this year.

Local Boy Wesleyan Manager

Donald A. Gilbert, of this city, has been elected assistant manager of baseball at Wesleyan university for the coming season. The announcement was made by the Wesleyan university college boy. Mr. Gilbert is a member of the sophomore class and a graduate of N. F. A.

Aetna Bowling Alleys. Three-Man League.

Harwood	93	118	106	317
B. Hull	103	121	120	349
Keller	95	141	121	357
	296	378	345	1019
Brumme	101	100	103	304
Bjorn	103	100	116	319
Peckham	103	134	137	373
	306	334	356	996

It may develop the New York state athletic commission was a trifle hasty in extending recognition to "Spider" Pladner, the sensational little Frenchman, as flyweight champion of the world, not that the Spider has failed to earn this recognition in beating Schwartz, Hill and Genaro, but it is doubtful whether he can any longer make the 112-pound class limit.

The word from Paris, in fact, is that neither boxer actually made this limit for the fight in which Pladner scored a 47-second knockout over Frankie Genaro of New York. The official weighing-in was secret, by mutual agreement. Pladner, say the French critics, will fight henceforth as a bantam. Regardless of his weight, however, he retains a wallop.

ACADEMY CLOSES SEASON TONIGHT AGAINST COACHES; GIRLS TEAM PLAYS

The local basketball season comes to a close tonight at the Y. M. C. A. courtw hen the Academy and a team of basketball coaches clash for the benefit of the Y Seniors who leave tonight for a trip to New York as a reward for their season's work. This game closes the season for the Academy and also for the coaches. It will be remembered that when these two teams met several weeks ago it was a real bang-up good game going into three overtime periods before the Academy won by 2 points, 50 to 48.

Tonight's game is expected to be equally as exciting and just as close although the Academy team has greatly improved since the last encounter. The Coaches, include Coach Demarest of the Y Seniors, Coach Conklin of Y Emps, Coach Whitney of the Academy, Coach Davis of the C. F. C. and Coach Ellison of the Baltic Independents. Each member of this quintet has seen and played plenty of basketball and when they get working can give a good account of themselves. The Academy will use its regular lineup.

Girls Game as Preliminary

For the preliminary the local Y. M. C. A. girls team clashes with the Girls team of the New London Y. M. C. A. which in reality is the W. M. I. team of New London. The local girls under the direction of Mrs. A. P. Streeter and Mrs. Randy Whanles have been made into a fast combination and should give a good account of themselves in tonight's encounter. The team has been practicing every Wednesday night for the past few weeks. This is the first girls team ever to play at the local Y. M. C. A. and it is expected that there will be a large crowd at the contest.

The lineup for the local girls is:

Meriam Grover, center, Eleanor Gadbois, side center; Julia Kalazek and Chrystal Whitney, forwards; Ethel Crooker and Maude Wooley, guards. The substitutes will be Harriet Williams, Ruth Muller, Eva Raille, Loretta Leonard, Sylvia Golub and Iola Shaw.

The preliminary game will start at 8 o'clock and the Coaches-Academy game at 9 o'clock.

CHAPMAN AND WINDHAM PLACE TWO EACH ON ALL-LEAGUE BASKETBALL TEAM

First Team	Position	Second Team
Meikle (Wind.)	Forward	Leo (Put.)
Quinn (C. T.)	Forward	McKelvie (C. T.)
Shann (Put.)	Center	Berghinzo (N. F. A.)
Johns (C. T.)	Guard	Brown (Ston.)
Monast (Wind.)	Guard	Chlhowski (C. T.)

Honorable mention—Cody, Putnam, Luciani, Windham, Henschel, N. F. A., McKelvie, Chapman Tech, Lamson, Windham, Goyett, Stonington LaCroix, N. F. A.

The Bulletin's All-Eastern Connecticut-Western Rhode Island Interscholastic conference basketball team published today lists two of the Chapman Tech champions, two from Windham and one from Putnam high on the first team; two again from the Tech champs, and one each from Putnam, N. F. A. and Stonington on the second team. There are five teams in the conference, two, Stonington and N. F. A. failing to place on the first team.

What a great team Meikle, Quinn, Shann, Johns and Monast would make could they but be banded together for a season. There would be little doubt where the state title would rest with such a five. In this quintet we would have a high-powered offense, especially in the clever Artie Meikle, a smart point-getter in Joe Quinn, a tower of strength in Bill Shann at center, a good bet in both an offense and defensive way and at guards the burly Edgar Johns and Walter Monast. Johns was captain of the Tech team, being greatly instrumental in their successful drive for the championship while Monast was Windham's main gun until he dropped out of school at mid-season.

Monast Eligible

Some will probably disagree on the Monast selection because of his not playing the season out but as selections on the team were made for the playing in one or more games, Monast is eligible to be chosen.

The second team, too, is quite an aggregation. Leo, of Putnam was one of the league's big scorers for most of the season. McKelvie had a very good year at Chapman although probably not up to his 1928 standard when he and Bill Nield ran away with the scoring honors. Chet Berghinzo was the Academy's only bright spot in an exceedingly dismal campaign. Chlhowski ranked closely behind Johns in holding opposing forwards in check while Tech won 18 out of 22 games and Brown of Stonington, although not playing the full schedule, showed to perfection when in the Brown and White lineup.

Maybe Some For All-State

There were no stand-out players this year, that is, no boys who rose head and shoulders above the pack, although had the league a representative in the state tourney at Yale it is not at all improbable that some of the athletes would have been selected for all-state honors. Probably as it is, one or two are eligible, but we won't name any.

Every Journey . . .
is a joyous adventure
behind the wheel of a
DE SOTO SIX
CHRYSLER MOTORS PRODUCT

DeSoto

SAY GOODBYE to the commonplace when you sit at the wheel of a De Soto Six. Here is exhilaration that adds to each routine journey the tingle of a fresh adventure.

See for yourself how easily De Soto Six slips through the snarl of traffic, how it darts ahead when the green light beckons—how easy it is to park. Try De Soto on the open highway. "Step on it" and watch how smoothly, swiftly and gallantly it eats up the miles.

Give De Soto Six its way on the steep and twisty grade. Note how easily it climbs; how surely it wings its way around the sharpest turns; how proudly and eagerly it passes to the head of the line; how snug and determined is its grip of the road. Enjoy the unrivaled safety of De Soto's four-wheel weatherproof hydraulic brakes!

Performance which is distinctly De Soto's—linked with that vivacious beauty and that subtle savor of distinction that are De Soto's own, and De Soto's alone—these give to this fine car an unmistakable individuality and personality which lend supreme distinction.

WESTERLY

HEAVY FINE AND JAIL FOR DRUNKEN MOTORIST

(Special to The Bulletin)

WESTERLY, R. I., March 20—Frank Salim, 46, a painter, of Potter Hill, was before Judge William A. Wilcox Wednesday morning in Stonington town court on complaint of Prosecutor George R. McKenna, charged with driving an auto in Pawcatuck Tuesday night while under the influence of liquor. He was adjudged guilty and was fined $100, $50 of which was remitted, also was sentenced to New London county jail for 15 days. The costs added to the fine totaled $32.15. Patrolman Adin R. Sheldon, of Pawcatuck, who made the arrest, took him to Franklin street jail, New London. Officer Sheldon Tuesday night received a complaint from an automobilist that his car had been driven off the highway on Mechanic street by the operator of a touring car who appeared to be under the influence of liquor. Officer Sheldon went to Mechanic street near the Lorraine boarding house where he found the defendant with his car partly on the sidewalk and partly in the street. On his demand for the keys to the auto he was met with a refusal and force had to be used by the officer to recure them. Taking Salim to the Liberty street lockup, Dr. Richard O'B. Shea was called. He pronounced the man badly intoxicated and he was locked up for the night. In court the defendant stated that he had purchased liquor "up Liberty street" and a pint "down Mechanic street" and that he had taken the latter. The accused claimed not to understand English and Amos Elson of Pawcatuck acted as interpreter. Officer Sheldon testified that Salim not only was intoxicated but had made a nuisance of himself and was quarrelsome and abusive.

December 5, 1927, Salim, who is a Finn, was thrown out of a Pierce street store in Westerly and got a knife wound in the neck, for which Demetrio Servidio appeared in both district court and superior court in Westerly and served a term in jail, for assault with a dangerous weapon.

Other business in Westerly probate court was disposed of by Probate Judge Edward M. Burke as follows:

Estate of Grace E. Burgoyne. Inventory received, allowed and ordered recorded.

Estate of Nathan L. Langworthy. First and final account continued to April 2nd session.

Estate of Daniel H. Champlin. Petition received for the filing and recording of foreign will, signed by Anna L. Champlin; continued to April 2nd meeting with order of notice.

The ambulance of Westerly Sanitary corps returned to Westerly Wednesday afternoon from the Chelsea hospital, Boston, with a World war veteran, Vincent Champlin. He was returned to his home in Avondale after a hospital visit for observation and treatment.

GEORGE GIBSON HOME FROM NICARAGUA WAR ZONE

George Gibson, stationed on U. S. S. Rochester, which just arrived in New York from the war zone in Nicaragua is visiting at the home of his mother, Mrs. Celia Gibson, 151 Canal street. Mr. Gibson expects to be transferred to U. S. S. Ocilala at Boston upon the termination of his leave. Mr. Gibson has many souvenirs of the war zone, one especially, a picture of General Sandino's flag. His many friends in Westerly are pleased to see him once more. Mr. Gibson was one of the detachment which was landed at Corinto, Nicaragua.

OBITUARY.

Charles W. Murphey.

Charles W. Murphey, 45, a former Westerly resident, died in Newport, R. I., hospital, Tuesday, following a week's illness with pneumonia. Mr. Murphey was born in Pawcatuck, Dec. 8, 1884, the son of Charles H. and the late Josephine Murphey. He spent his early life here and learned his trade at the C. B. Cottrell & Sons Co. About eleven years ago he went to reside at Newport, and was employed there for about ten years. He again entered the employ of the C. B. Cottrell & Sons Co., here about a year ago. He was a member of the Modern Woodmen and the American Mechanics, also an honorary member of the Cyclones of the Westerly fire department. He is survived by his wife, Mrs. Nellie Kerr Murphey, three children, Charles, Rita and Helen Murphey, all of Newport, his father, Charles H. Murphey of this town, and three brothers, Harold B. and Leon A. of Westerly and George W. Murphey of Ashaway.

Harry S. Dixon.

Harry Stewart Dixon, who conducted telephone and electric utilities in Wickford for a period of years before selling out to larger companies, died Tuesday, at the Rhode Island hospital, Providence, following an illness which resulted from a cold contracted about two weeks ago. Mr. Dixon wasa leader of the democratic forces in North Kingstown. He was born in South Kingstown, June 17, 1876, but since an early age had made his residence in North Kingstown. Besides his wife and son, he is survived by his mother, Mrs. Francis C. Dixon, superintendent of the Stonington Home, Conn.

Charles Crossman.

Charles Crossman, 91, a Westerly resident for five years, died early Wednesday morning, at the Anderson hospital, where he had been a patient for eight days. He was born at Prince Edward Island, Canada, and spent the greater part of his life there. From there he went to Lewiston, Me., where he lived for a time before coming to Westerly five years ago. Besides his wife, Anna Campbell Crossman, he is survived by four sons, Archie and Horatio of Woonsocket, John of Providence and Harry of Westerly and two daughters, Mrs. Elizabeth DePerry of Westerly and Mrs. Clovis Hanault of Masonville, Conn. There are twelve grandchildren and eleven great-grandchildren.

K. OF C. COUNCIL PLANS FOR VISIT OF SUPREME KNIGHT

Supreme Knight Martin H. Carmody of Grand Rapids, Mich., has accepted the invitation of Narragansett council, No. 21, K. of C., to be the speaker at the 44th anniversary banquet, on the evening of April 16. District Deputy James McCormick is chairman of the banquet committee. This will be the first appearance of the supreme knight in this vicinity, and it is expected that delegations from the councils of Norwich, New London, Mystic, Stonington and Wakefield will attend the banquet.

The committee in charge of arrangements, James McCormick, John H. McGuire, Angelo Pucci, Cornelius Murphy and Marcus Driscoll has announced that other speakers will be Charles P. McAlevy of Pawtucket, member of the supreme board of directors, State Deputy Edward P. Quigley of Providence and Judge John W. Sweeney of the R. I. supreme court. Grand Knight Theodore Cote will preside at the banquet.

The Earl S. Savier cup for general excellence was awarded Troop 4, Westerly Boy Scouts at the meeting Tuesday evening of the 12th annual Camp-o-ree in the auditorium of the Westerly high school, before a large audience. A second cup, offered by Mr. Savier to the second best troop, was presented Troop 1, also of Westerly. Presentations were made by D. H. Rogers of Westerly, who holds the distinction of being one of the two oldest members of the state executive board. Mr. Rogers is entering his 19th year of active service. J. Harold Williams, scout executive of Providence, spoke on Camp Yawgoo and its enlargement for the coming season. A group of six Providence Boy Scouts gave an exhibition of Indian dances in full Indian costume. The program was under direction of Deputy Scout Commissioner Wilfred Utter of Westerly.

To Conduct Clinic.

Dr. John Rosenblock of Providence will conduct the clinic at Westerly Visiting Nurse headquarters, 111 High street, Friday from 10 a. m., until 1 p. m.

March 19, Arthur G. Smithurst sold to Robert B. Meikle, 2nd and wife, Elizabeth Meikle, land on the east side of George street, adjoining land of Harold F. Doyle and wife; conveyed to grantor on Dec. 1927 by Charles McH. Duffus.

Westerly Square and Compass club, No. 176, National League of Masonic clubs is to hold its annual dinner this (Thursday) evening in the armory banquet hall of Narragansett commandery, No. 27, K. T. Following the dinner adjournment will be taken to the club rooms where a program by entertainers from Salem, Conn., will be followed by pool and card games.

Postmaster Clifford W. Barber of Potter Hill, has been ill the past few days.

Miss Esther Sherman has returned from a lengthy visit in New York.

Mrs. Kate Parker Scott has returned home from a four days' pleasure trip to Boston.

Dr. Walter J. Grenolds is a patient at Westerly hospital, in a critical condition suffering from an infection of the jaw.

William Mitchell has returned from New York.

Miss Florence Jennings, R. N., having suffered a nervous breakdown has returned to the home of her parents, Mr. and Mrs. Paul Jennings, in Pawtucket, R. I.

STONINGTON

The revaluation board which will conduct the reassessment of the property of Stonington began work on Tuesday morning. Charles R. Johnson of Pawcatuck was chosen chairman and Ira F. Noyes of Mystic clerk.

Ocean View Commandery, No. 620, U. O. G. C. met in Muller hall Wednesday evening.

Nina Circle, D. of I. met at the Holy Ghost society's home Wednesday evening.

Judge John E. Pryor and John E. Gallup of Moosup were callers here Monday.

W. Averill Pendleton of Brooklyn, N. Y., is the guest of relatives here.

Miss Carolyn Derricks has entered the employ of the Atwood Machine Co.

Charles H. Cowan 3rd, has returned to Boston following a visit with relatives here.

Senator C. J. Littlefield and Representative Giles P. Dunn of Block Island visited here Monday.

Capt. Louis Munson of New Haven is visiting in the borough.

A meeting of the Ladies' Aid society of the First Baptist church was held in the church parlors on Wednesday evening.

William Doll of Providence visited here Tuesday.

MYSTIC

FORTY IN ATTENDANCE AT RELIEF CORPS MEETING

Williams Woman's Relief corps met Tuesday evening in G. A. R. hall with an attendance of forty. Mrs. Elinor Lucy the president presided. Contributions were voted for the state meeting which will be held in the First Baptist church, New London in May. The next meeting of the sewing society will be held with Mrs. Gardner Tuesday.

After business was considered a program was given under the direction of Mrs. Leota Wilcox, including: Song, Mrs. Alberta Hammond, with encore; humorous reading, Mrs. Lucy Burdick, with encore; reading, Mrs. Anna Hixbee, with encore. Mrs. Abbie Phillips gave a report of her trip to Florida. A special table with a birthday cake is arranged at the last meeting each month for those having a birthday during the month. Those seated at the table were Mrs. Syben, Mrs. Goodman, Mrs. Phillips, also Mrs. Ella Gethell, as guest of honor, as she is soon to move to Boston and will be greatly missed. Mrs. Harriet Paine of Bristol, R. I., was present and gave an interesting account of the work of her corps. Ice cream and cake were served.

Members of the society United States Daughters of 1812 have received notice of the winter meeting to be held at Hotel Stratfield, Bridgeport, Wednesday, March 27. Prize essays on Old Ironsides and her part in the War of 1812 will be read by the winners. The speaker is to be Robert C. Deming, director Adult Education, state board of education.

Mrs. Louis J. Phillips of New London was in the village Wednesday.

Mr. and Mrs. William Clark and children, Louis, Billy and Christabel are moving from Mystic to Trenton, N. J.

When Social Corner club No. 6, of the Norwich Bulletin met in Mechanics Hall, Westerly, Tuesday, for the Third anniversary of the club, Mystic members in attendance were Mrs. Harry Cook, and Mrs. Wallace Phillips.

Invited to Ashaway

The sisters' degree team and drill team of Mystic grange met for rehearsal Tuesday evening. They have been invited to confer the third and fourth degrees on a class at Ashaway grange, Monday evening, April first, with Rhode Island State Master Curtis Hopkins, a former Mystic boy witnessing the work.

At Windsor Conference

The annual two day sesion of the D. A. R. preceding the national meeting held in Washington, D. C., the middle of April was held at Windsor Tuesday and Wednesday. Mrs. Estella Bradley Bailey, regent of the local chapter accompanied by Mrs. Gertrude W. Thompson and Mrs. Elsie P. McGaugh attended the Tuesday session and Wednesday Miss M. Josephine Dickinson, Mrs. Eliza D. Schoonover and Mrs. Abbie B. Phillips with the regent attended the session.

The B. Y. P. U. of Old Mystic Baptist church, met with Mr. and Mrs. Horace S. Williams, Tuesday evening. The meeting was called to order by the president, Kenneth R. Williams. Following the meeting games were played and sandwiches, cake and coffee were served. Others present were Mr. and Mrs. G. E. Robinson, Mary Ellen and George Robinson, Mr. and Mrs. James Stanton, Miss Agnes Austin, Miss Dorothy Beckwith, Mrs. Emily Holmes, Kenneth Buddington, Harold Austin, Orris Norman and James Norman.

Holy Week Services

The board of stewards, at the February meeting, moved to hold a series of meetings during Holy Week at the Old Mystic Methodist church. The first meeting is to be held Monday, March 25, at 7:30 p. m., in the parish house. Several speakers have been secured for the week.

Mr. and Mrs. Edward A. Smith and son Raymond of Fair Acres motored to Boston Wednesday to attend the flower show.

Members of the revaluation board commenced their work of reassessing property in the village, Tuesday. O. L. Main is the representative for Mystic.

A good number of the members of Royal Neighbors were in New London Tuesday and Wednesday evenings, attending the state convention of Royal Neighbors of America. The Tuesday evening's session began with a banquet.

The annual inspection of Benevolence chapter, No. 21, R. A. M. is to take place this (Thursday) evening. Supper is to be served before the meeting. Officers of the New London chapter have been invited to attend.

William D. Beckwith has returned to his home, following surgical treatment at Lawrence Memorial hospital, New London.

CHAPLIN

The Hamilton place in the village has been sold to a Mr. Woodward, of New York.

Roland Powe, of North Windham, recently bought from Fred Fitts, the mowing lot south of his place on the west side of the state road.

Mr. and Mrs. Charles Perry, Miss Ruth Perry and W. B. Gallup attended church at North Windham Sunday morning and listened to a fine sermon by Rev. John H. Knott, of Willimantic, a former pastor in Chaplin and North Windham. Mr. Knott's text was John 4:28,29.

The play, Mrs. Tubbs of Shantytown that has been given in several places, is to be repeated at the Congregational church.

Natchaug grange plans to give a supper in the church vestry.

Special meetings will be held in the vestry next week in observance of Lent. The first meeting will be held Monday evening, at 8 o'clock, and continuing until Friday evening. Special music is being arranged for the meetings. Rev. P. B. Sauger will also conduct special meetings at the North Windham church next week at 7 o'clock each evening.

NOANK

REPAIRS HAVE BEGUN ON THE BOAT EMILY H

Fred Fitzpatrick and Arthur McDonald are employed at the Noank shipyard.

Repairs are being made to the Emily H., at the local shipyard. This boat went ashore a short time ago on Block Island and put a hole through the bottom of the craft. A force of men started to work Wednesday on the repairs. Several government boats are expected in a few days and will probably keep the men busy for some time.

Entertainment and dance Jr. O. U. A. M. hall, Noank, Mar. 21, at 8 o'clock. Premier appearance Dark Town Broadcasters. No frills. Plenty of thrills. Adm. 35c.—adv.

Francis Bishop has returned to New Haven, after spending a few days at the home of Mr. and Mrs. Duncan McDonald.

William Tourjee has returned to his home after a brief trip to New York.

Harold Rathbun of Port Chester, N. Y., called on relatives in the village Tuesday.

Charter Remains Open.

The auxiliary to Harrison Morton Ward post, American Legion, held a meeting in the legion quarters Monday evening, the president, Mrs. John Jenssen, presiding. One cadidate was admitted and the charter remains open for all eligible to join. There was a good attendance at the meeting.

John Tourjee was a business caller in Hartford, Tuesday.

Mrs. Harry Elde entertained relatives from Saybrook Tuesday.

Sold at Auction.

The merchandise and fixtures of the Noank public market, formerly owned by Fritz Whilhelm, were sold at public auction Tuesday by Deputy Sheriff Nelson Brown. A number of out of town merchants were among the bidders.

Hugh McLeod has returned to his home in Providence, after spending a few days with his mother, Mrs. Margaret McLeod.

Miss Ellen Watson of Old Mystic, local teacher, is confined to her home by illness and Miss Roswell P. Sawyer is substituting.

The Thursday evening prayer meeting of the Methodist church is to be held at the home of Mrs. John Jenssen.

W. H. Myers has returned to his home in Jamaica, after spending several days at his home, Cone Nook farm.

Mrs. Floyd Brown of Prospect Hill, who has been ill, is able to be about.

If the Lexington, the world's largest aircraft carrier, were stood on end she would overtop the Woolworth building, tallest building in New York city, by ninety-six feet.

The World's Loveliest Clothes... *say these greatest experts*

"actually Re-Newed by Lux"

Amazing experience of

All Great Movie Studios
New York Musical Shows
Famous Dressmakers
Buyers for 132 Great Stores

HERE are the world's greatest authorities on lovely modern clothes—with experience to help *you!*

Caring for million-dollar wardrobes, these big organizations tested many different cleansing methods and soaps.

And they have found that—"The original loveliness of fabrics can actually be *Re-Newed* again and again with Lux—and with Lux they last *more than twice as long.*"

Following the same tested rule—cleansing all nice things in the lovely, magical Lux suds—you, too, can keep them enchantingly new so *very much longer!*

Every Musical Show

In New York uses Lux to *double* the life of stockings. (Above) Harriet Hoctor, lovely dancer in "The Three Musketeers." All the stockings of cast and chorus of "The Three Musketeers," like those of every musical show on Broadway, are cleansed with Lux.

Fifth Avenue Dressmakers

Insist upon Lux to keep stockings and lingerie worn by mannequins with the smart costumes they model, like new *twice as long.* (Above) A charming mannequin models a suit in gingham checks—an important Bergdorf-Goodman design for spring.

Million-Dollar Wardrobe Test Proves Lux Most Economical

Above, wardrobe mistress and costume director discuss tests involving million-dollar movie wardrobes. "A box of Lux seems like a small thing," Metro-Goldwyn-Mayer officials say, "Yet it stands for dollars upon dollars saved in the studio." ... Lux saves clothes and money because, made of the purest materials known, it has *no harmful alkali* ... and with Lux there is *no rubbing* to weaken or strain.

Great Movie Studios

all use Lux to *double* the life of lovely clothes, such as this enchanting negligée of chiffon and satin, worn by Billie Dove, First National Star. Billie Dove, like other stars—and all the big movie studios—trusts fine things only to Lux!

Department Buyers

92% of those interviewed in 132 leading stores—insist on Lux for their own things! (Above) A clever buyer selecting filmy imported lingerie. Knowing how important the right cleansing is, these experts choose Lux!

Greatest groups of experts ever consulted find

"LUX DOUBLES THE LIFE OF FINE FABRICS"

Burgess Bedtime Story

A Queer Interruption

By Thornton W. Burgess

He who first for safety tries
Proves that he at least is wise.
—Peter Rabbit.

Peter Rabbit had been sitting for some time near the old stone wall on the edge of the Old Orchard, gossiping with Wanderer the Evening Grosbeak. Wanderer had been telling Peter of some of the people he had met in his travels and Peter had been so interested that he had quite forgotten where he was. Suddenly he was startled by a noise. It was an odd noise. Some one was coming along through the bushes and making a lot of noise about it. Peter looked around hastily. He caught sight of some one moving close to the old stone wall. He bounded away to a certain hole between the stone of the old wall. Not until he reached it did he sit up to see who it was that had frightened him.

Peter learned when he was very young that the one thing and the only thing to do is to make sure of safety

first and investigate afterward. He could safely sit up beside that hole and satisfy his curiosity. If it was no one he needed not to fear, it would be all right. If it was an enemy it would be all right, too, for he would be where he could dive down to safety.

Peter blinked. He blinked several times. He looked back over to the tree where Wanderer the Evening Grosbeak was sitting, and Wanderer was blinking. Then Peter looked back at this noisy intruder. He didn't know whether to be afraid or not. The tail looked like the tail of Jimmy Skunk. So did the coat look like Jimmy's coat. But this visitor's head was unlike any head that Peter had ever seen anywhere. He didn't know what to make of it at all. He crept down into that hole between the stones. Then he turned with just his head out and watched this strange creature.

Never had Peter seen any one act as this stranger was acting. He would back up until he backed into a bush or a little tree, then he would paw at his head with his two front paws. Then he would move ahead. But as he moved he continually bumped into things. Every few minutes he would stop to paw at his head. Truly, it was a strange and rather frightening creature than Peter was looking at.

Peter's fears soon were overcome by curiosity. Apparently this stranger wasn't paying any attention to anything or anybody except his own affairs. Suddenly Peter's eyes flew very wide open. That was Jimmy Skunk! There wasn't the least bit of doubt about it—that certainly was Jimmy Skunk! Peter could see him clearly now. It was Jimmy Skunk with something on his head.

Peter hopped out. He was no longer afraid. "For goodness sake, Jimmy Skunk, what has happened to you?" demanded Peter. "What are you acting this way for?"

But Jimmy made no reply. He couldn't. Furthermore, he hadn't even heard Peter. You see, Jimmy had a glass jar slipped over his head. His whole head was inside that jar. It was a small jar and his head pretty well filled it. He had been able to push his head in, but now he couldn't pull it out. Was ever any one in worse trouble? Peter, looking through the glass, could see Jimmy Skunk's head inside. He could see the misery and fright in Jimmy's eyes. He could see just how hopeless he looked. And any one could see how helpless he was. It was a strange interruption to Wanderer's talk about the little people of the West. And Wanderer knew no more about what to do than Peter did. Neither of them could help Jimmy Skunk.

WINDHAM

Mrs. Harold Leffingwell entertained Grenfel society Monday afternoon.

Last Sunday Rev. E. F. Smiley preached on Fatherhood of God. Next Sunday his subject will be the Brotherhood of God.

The Fish and Game club met in the school hall Monday evening.

An auction sale of household effects was held at the home of the late Mrs. Thomas Lewis Thursday. Mr. Lewis is visiting friends in Willimantic before going to Hartford to make his home with relatives, for the present.

Mr. and Mrs. Harry Koski and children, of Norwich Town, were guests Sunday, of Mrs. Koski's aunt, Mrs. Homer Wood.

Several members of the local League of Women Voters were at the capitol, in Hartford, to hear the debate on the woman jury bill.

Mr. and Mrs. Harold Eldredge, who have been at home for a few days, returned to New York Saturday. Mr. Eldredge underwent a second operation Monday, which, it is expected will restore him to health.

Rev. and Mrs. E. F. Smiley entertained Mrs. Smiley's parents, Mr. and Mrs. Norton and her sister, Miss Sylvina Norton, Sunday.

Rev. J. F. Cobb, of South Windham, is the leader chosen for the C. E. meeting Sunday evening.

LIBERTY HILL

P. J. Griffin and family, of Southington, were guests, Sunday, of Mrs. Griffin's parents, Mr. and Mrs. J. A. Choquette.

Selectman Leslie P. Clarke was in Springfield Friday on town business.

Winthrop D. Davoll had an incubator batch of 1,335 Rhode Island Reds Saturday.

On account of bad traveling Everett C. Payson is gathering milk with his two-horse team.

The mercury was on the sliding scale Saturday night when it dropped from 55 to 24. Sunday morning the ground was solidly frozen and it continued cold and windy all day. Monday morning the mercury stood at 22 above zero.

Robins, blue birds, and larks are on hand. They know that spring is in the air.

A. O. Switzer received 2,000 chickens last week.

Friends of Mrs. Edna Stiles are glad to learn of her improvement in health. She underwent an operation in Springfield hospital.

GURLEYVILLE

Mrs. Lottie Geissler is visiting relatives in Abington.

The remarks of a crusty old bachelor are likely to be very tart.

THOMPSON

The Girl Scouts are to meet Saturday afternoon with Elora Law.

There is to be a cottage prayer meeting at the home of Mrs. Edna Bell this (Thursday) evening at 7:30.

Officers of the Worcester church, of which Mr. Lyon was formerly pastor, installed the new C. E. officers here, Sunday evening. From Webster, Sumner Hall, vice president of the Southbridge union, was also present and spoke.

There was a cafeteria supper in the church Tuesday.

The Howe-Marlot school closes this week for the Easter vacation.

The senior class of T. M. H. S. leaves Friday for its Washington trip. Public schools here will be closed the following week for the spring vacation.

UNION

Summer birds began to arrive in the rain and fog of last week. Robins were hopping around on snowbanks, bluebirds were flitting from tree to tree, song sparrows were trilling their sweet songs, while the winter friends were still taking their daily rations chickadees, sparrows and nuthatch, from the windowsill. The cold winds and frozen ground of Sunday and Monday did not seem to discourage the new arrivals in the least.

Mr. and Mrs. Henry Leffingwell and children, Miss Evelyn, Muriel and Robert, motored over from their home in Oneculville and attended church here, Sunday morning. In the afternoon they were guests of Mrs. Leffingwell's mother, Mrs. Mary L. Horton and family.

Mr and Mrs. Luman Turner, Jr., of Charlton, Mass., spent a day recently with Mr. and Mrs Alva Sands.

Mr. and Mrs. Howard G. Barber went to Ellington, Friday, to visit their daughter, Mrs. George W. Coolidge and family.

The rains and high temperature of the latter part of last week carried away a large part of the snow and ice and left the dirt roads rather difficult. Cars dropped in deep in some spots Saturday. Sunday morning the mercury was in the teens and the ground was frozen hard again.

The town's senior representative, in the general assembly, L. M. Reed, was one of the guests at the reception and banquet held at Nathan Hale hotel, Willimantic, Thursday evening, March 14, when the Windham county commissioners, Messrs. LaFrance, Keith and Johnson, entertained nearly 150 guests, largely from Windham county. Representative Reed enjoyed the interesting speakers and the pleasure of meeting friends, old and new. He remained in Willimantic Thursday night and returned to Hartford Friday morning.

MONTVILLE

Mrs. Almira Watt entertained at dinner Sunday at her home on Rockland avenue. Her guests were Mrs. Harriet Edmonds and Mrs. May Webster. The dinner was given in honor of Mrs. Edmond's and Miss Susie Wood's birthday but owing to illness, Miss Wood was unable to be present.

At the last meeting of the Women's Christian Temperance union held at the home of the president, Miss Nellie Starr, in Uncasville, it was voted every member to bring a new member. This campaign has begun and one new member has already been present at the meeting.

The Misses Minnie and Lucy McArdle, and Clarence McArdle of Gay Hill were in Pawtucket, R. I. Sunday, attending the funeral of Thomas McArdle, a relative.

Miss Justine Chapel of Hyde park has been visiting her aunt, Mrs. Luther Davis and family of New Haven for the past week.

Mrs. Mae E. Speirs of Oakdale was a visitor at the home of Mrs. O. J. Favro of Oak avenue Friday.

Walter Staubley has moved from the Landphere place to the George Beckwith place.

Mr and Mrs. Harry Bogue entertained at dinner recently Mr. and Mrs. Fred Lathrop and daughter of Uncasville.

Miss Beatrice Sharp won second prize for making the best poster in the Palmer Memorial school and Miss Dorothy Mackenzie won first prize in the Uncasville school for the poster.

Mrs. Melvin McOmber of Port Jefferson, N. Y., is the guest for a week of her parents, Mr. and Mrs. C. E. Chapman of Main street.

Mr. and Mrs. Walter Maynard and daughter, Dawn, and Mrs. Maynard's mother, Mrs. Richard Allen, were the guests of Mrs. Allen's brother recently in Hartford.

LEONARD BRIDGE

Mrs. Nellie Bailey has returned, after two months' stay in Moosup and is visiting her son, John G. Kneeland.

Harold D. Kneeland received four hundred day-old chicks from a Coventry hatchery this week.

Butterflies, chipmunks and robins made their appearance last week, a sure indication that spring is near. The colder weather of the week-end made traveling on the country roads somewhat better. Thursday and Friday the mud was at its worst and most cars stayed off dirt roads or else got stuck.

Mr. Cooper, who has been at the Vinograd farm, is in Maine, where he recently secured employment.

Robert Brewster concluded his duties at Auerfarm, Bloomfield, March 15th, and has returned to Rexford E. Cummings', where he will be employed this season.

Custom is a poor excuse for making the same error twice.

DETAILED RPPORT OF THE GENERAL ASSEMBLY

(Continued from Page One)

of attachment on property as in causes begun by writ and complaint.

"Sec. 7. The judge of the city court, for his services as judge of the "small claims" court, shall receive an annual salary of one thousand dollars over and above the annual salary that he receives as judge of the city and police court of New London.

Sec. 8. The clerk of the said "small claims" court shall receive as a salary for services as clerk of said "small claims" court, the sum of one thousand dollars per annum, in addition to such salary as he receives, at the time of the passage of this act, as clerk of said city and police court."

Bills passed permit the Connecticut General Life Insurance Co., The Connecticut Fire Insurance Co., The Hartford Fire Insurance Co., The Phoenix Insurance Co., and The Hartford Accident and Indemnity Co. to fix the number of shares and the par value of the same at a sum not less than ten dollars per share.

The act providing for the prevention of tularamia is one that concerns wild rabbits. The disease is fatal to rabbits and often to man. The disease first appeared in Texas and has spread rapidly towards the east.

The bill provides that the state board of fisheries and game may quarantine any wild hare or rabbit imported into this state and no person shall import into the state any wild hare or rabbit, without a permit from the state board. Violation of the law carries a penalty that may be $100 and 30 days in jail or both.

House bill 266, an act that concerns slaughter houses, on motion of Mr. Hankin of Newington, was reconsidered and was recommitted to the committee on public health and safety. The bill concerning reports to registrations of adoption of children was also recommitted to the same committee. Since the bill was favorably reported several of the probate judges have written to the committee that the bill will complicate matters and will not improve present law.

A bill that provided pensions to two women employes with thirty or more years of service in the city of Bridgeport was objected to by Miss Cheney of Manchester as it did not give the number of years of service. This was also recommitted to the cities and boroughs committee. When the calendar was reached Mrs. Lewis of Stamford was called to the chair and conducted the reports in a very efficient way. At this time Mr. Noonan of Bridgeport arose and stated that many of those explaining the bill's spoke so low or mumbled their voices that it was impossible for those in the rear of the house to hear what was said. He was vigorously applauded and from then on there was no cause for complaint. The bill repealing the charter of the Thames Street Union Evangelical society of New London was rejected. The bill that includes in the trunk line system a short length about two miles, in the highway leading toward Worcester was passed without opposition.

HOUSE.

The house was called to order at 11.18 and prayer was offered by the chapiain. Business received from the senate had concurrent action. A large number of favorable reports were received and were ordered placed on the calendar. The judiciary committee reported unfavorably on a large number of bills and they were rejected. Bills on the calendar disposed of were:

Substitute for H. B. No. 130. An act amending the charter of the Century Indemnity company.

Substitute for H. B. No. 497. An act concerning abolishing the board of assessors of the town of Darien as at present constituted and establishing a single assessor for said town of Darien.

H. B. No. 422. An act amending an act creating the veterans' home commission and establishing certain privileges and rights of veterans and their families.

H. B. No. 634. An act amending an act establishing the town court of Waterford.

Substitute for H. B. No. 3. An act amending the charter of the Mechanics Savings bank of Winsted.

Substitute for H. B. No. 87. An act amending the charter of the Farmington Savings bank.

H. B. No. 136. An act amending an act establishing the town court of Seymour.

Substitute for H. B. No. 241. An act concerning procedure for the hearing and determination of small claims in the city court of New London.

Substitute for H. B. No. 311. An act amending the charter of the Merchants Trust company.

Substitute for H. B. No. 362. An act providing for the issuance of permits to train or exhibit hunting dogs during the closed season.

Substitute for H. B. No. 363. An act concerning fishing through the ice in Cream Hill Lake in the town of Cornwall.

H. B. No. 364. An act concerning forfeiture of fishing license or registration.

H. B. No. 365. An act amending an act concerning forfeiture of a hunter's license.

Substitute for H. B. No. 463. An act empowering the bank commissioner to apply for equitable relief against institutions under his jurisdiction.

H. B. No. 457. An act providing a limitation of time in which a bank or trust company may be organized.

H. B. No. 543. An act amending an act concerning the licensing of commercial fisheries.

Substitute for H. B. No. 582. An act concerning permits to train dogs to hunt raccoon during the closed season.

Substitute for H. B. No. 613. An act concerning the making of rules of procedure by judges of the superior court and the adoption of such rules by municipalities.

Substitute for H. B. No. 681. An act including in the trunk line system a highway from the town of Brooklyn to the village of Newent.

Substitute for H. B. No. 710. An act dividing the town of Greenwich into voting districts.

Substitute for H. B. No. 758. An act prohibiting fishing through the ice in Pine Point Lake in the town of Enfield.

Substitute for H. B. No. 794. An act concerning certain conditional sales.

Substitute for H. B. No. 877. An act including in the trunk line system a highway between the town of Lebanon and the city of Willimantic.

H. B. No. 885. An act amending an act concerning mortgage loans by industrial banks.

H. B. No. 889. An act concerning the prevention of the spread of tularaemia.

S. B. No. 63. An act establishing an industrial fund for the Connecticut School for Boys.

S. B. No. 71. An act amending an act concerning the public library in the city of Bridgeport.

Substitute for S. B. No. 204. An act concerning misrepresentation for the purpose of inducing change of insurance.

Substitute for S. B. No. 207. An act amending the charter of the Connecticut General Life Insurance company.

Substitute for S. B. No. 206. An act amending the charter of the Connecticut Fire Insurance company.

Substitute for S. B. No. 208. An act amending the charter of the Hartford Fire Insurance company.

Substitute for S. B. No. 209. An act amending the charter of the Phoenix Insurance company.

Substitute for S. B. No. 210. An act amending the charter of the Hartford Accident and Indemnity company.

S. B. No. 493. An act amending an act concerning disinterment permits.

The house adjourned at 12.23 till Thursday at 11.15.

SOMERS

The speaker at the Sunday evening meeting was Rev. Harris C. Beebe, of West Stafford.

An open meeting of the W. C. T. U. was held at the Somers church Monday evening with the state president, Mrs. Mary Wilson, of Hartford, speaker. The music was by Mrs. Forrest Avery.

The Ladies' Aid society is to give a community supper. The hostesses are Mrs. John Hendrickson, Mrs. Herbert Stebbins, Mrs. H. Hanks and Mrs. F. E. Kibbe. Following the supper Miss Adele King's pupils, of Springfield, will give a one-act play.

Norman Wilson, who has been at Stafford hospital over two months and has had two surgical operations, is gaining steadily and expects to return home soon.

John Hunt was in Willimantic to attend the meeting of forest fire wardens of Tolland and Windham counties.

Mrs. C. S. Williams, of Florida, is spending several weeks with her sister, Mrs. Walter B. Whitlock, at the "Arlock."

Judge Ernest S. Fuller has returned from a visit of several weeks in Florida.

The tobacco warehouse has been closed for the season.

Dr. Henry W. Gillette, of New York and Somers, is seriously ill at his New York home.

Mr. and Mrs. Alonzo B. Root have returned, after wintering in Florida.

Willard Prior, of Worcester, has been spending several days with his mother, Mrs. Henry Prior, of Springfield road.

PRESTON

A committee of the C. E. society met Saturday evening to plan for a Poverty social to be held Friday evening next at the church and which will be public.

The Baptist Ladies' Aid society met Wednesday for an all-day session at the church.

THE SPORT SHOP
Plant Building New London

Feel at Home In This Store

MANY women come every few days to look around the store. Many times they buy—sometimes they do not. But all are welcome. They wish to see the new merchandise as soon as it arrives and we are only too glad to show it. Our customers know we like to have them visit us and we try to make them feel at home. Smiling courtesy is the prevailing characteristic. And though you may not need any immediate purchase you will find us ever-ready to display for you the newest arrivals in any department. We invite you to come and look around and inspect the lovely things of every kind, for we gather all this varied merchandise for you.

The Sport Shop New London

Here it is . . .
A NEW FRIGIDAIRE
at the lowest price in Frigidaire history
. . and equipped with the Cold Control

only $195 Delivered complete plugged in and working in your home. (Very easy terms if you prefer).

And a cabinet which adds beauty to any kitchen . . . all machinery completely enclosed . . . built of steel with a permanent Duco finish . . . and with the *added* value of a *seamless porcelain enamel lining*, as easy to clean as chinaware. 4 cubic feet food compartment; 8 square feet of shelf space.

HERE is the greatest value ever offered in the history of electric refrigeration . . . a new Frigidaire at a price so low that *no one* need delay any longer.

And it has *every* essential Frigidaire feature.

It even has the famous Frigidaire Cold Control . . . the exclusive new Frigidaire development which enables you to regulate *at will* the time required to freeze ice cubes and to make possible dozens of new desserts that require extreme cold.

Stop in and see this latest Frigidaire development. You need Frigidaire. Now is the time to buy. See this new Frigidaire today . . . in our display room.

STOCK MARKET WAS UNSETTLED BY NERVOUSNESS OVER CALL MONEY

NEW YORK, March 20—(AP)—Extreme sensitiveness of the call money market thoroughly unsettled the stock market today, although industrial news in the main continued highly favorable, and pools were able to make substantial headway in some parts of the list, particularly the oils.

Call money renewed at 9 per cent and rose to 10, although calling of loans was nominal. Such scarcity of money, with slight withdrawals, caused considerable apprehension as to what would happen should banks or corporations find occasion to withdraw large sums.

It is feared that heavy calling of loans might result from higher Federal Reserve rediscount rates, and while no increase is looked for in the New York rate tomorrow, reports emanating from Chicago banking circles had it that such a raise may be made in the Chicago rate on Friday. If higher rates are to come, Wall street would not be surprised to see them initiated at Chicago as the Chicago Reserve bank's reserve ratio had fallen to about 62 per cent, while the New York bank's ratio was above 80 last week.

The copper market again was unsettled by the attempt of one seller to put the price up another cent to 23 cents a pound. Large producers, who followed the last rise of 1 cent to 22 cents only after a day of indecision, refused to follow this move, however, as reports were circulated that consumers here and abroad are considering the use of copper substitutes where possible. Other nonferrous metals continued to advance, lead jumping a quarter of a cent a pound for the second successive day, to 7 3-4 cents a pound, and zinc moving up $5 a ton.

An important feature of the day's news was the final government 1928 cotton crop report, which was lower than expected, and resulted in advances of $1.50 to $2 a bale in cotton futures, which, however, brought out heavy profit-taking. The steel trade reviews were again highly optimistic, reporting operations at peak levels in several centers, and orders sufficient to keep mills busy through April. A less favorable development was a sharp reduction in freight car loadings for the week ending March 9.

A curious development of the day's trading was that the old Radio stock, in which trading will be permanently discontinued Friday, failed to appear on the tape, probably for the first time since it was listed. The nearest it came to a sale was 480 asked and 128 bid, as compared to yesterday's close of 485. Most of the issue has probably already been converted into the new stock, which sold down about 4 points to 92 1-2, but closed at 94.

In the oils, which were stimulated by reports that the curtailment measure in the California legislature is expected to pass within 60 days, and expectations of progress in curtailment plans for both domestic and foreign fields, Standard of California mounted about 5 points to a new peak and Standard of New Jersey and Shell Union nearly duplicated their previous highs for the year. Barnsdall A improved in expectation of declaration of an extra dividend at the April meeting. Indian Refining and Houston were run up 6 and 9 points.

In the coppers, unsettled by confusion in the red metal market, Anaconda sold up nearly 6 and Chile 5 points to new peaks, while Greene Cananea sold down about 4 points at one time, and Kennecott 3. National Lead rose 6 points to a new peak, but St. Joseph encountered profit-taking. Advance Rumely common was again heavily bought, soaring 11 points, and selling above the preferred. Otis Elevator and American Express rose 9 and 10 points. International Telephone rose 11 points to a new peak. American Can was bid up 4 points to a new high at 127, and the move was attributed to a powerful pool.

Steels, motors and rails were inclined to heaviness. U. S. Steel sold off about 2 1-2 points, but rallied somewhat. American Radiator, Crosley Radio, Chrysler, General Electric, Goodyear, Lambert, Montgomery Ward, National Surety, Victor and Woolworth were among issues losing from 2 to 5 points. Macy dropped 2 points to a new low at 169.

Commodity markets were irregular. Crude rubber futures dropped about 1 1-2 cents a pound in a break precipitated by lower prices in London. Grains moved in a narrow range.

Foreign exchanges were easier, with sterling sagging a fraction. The Spanish peseta rallied nearly 1-3 of a cent.

Common Beneficial Ownership Certificates	*600,000

*150,000 reserved for the exercise of warrants attached to the preferred. (This issue.)
100,000 reserved for convertible preferred.

BUSINESS—The Guardian Investment Trust is a Trust, operating under the laws of the State of Connecticut, and in accordance with its own trust agreement. It is a Trust, not a corporation or association. It constitutes a general management trust of the British type, investing and reinvesting its funds in a widely diversified field of domestic and international securities as dictated by a constantly informed, alert management.

PURPOSE—Its primary purpose is to afford in its preferred certificates a sound investment for the investor who wants security and a fixed, fair return in dividends, together with ready marketability; its secondary purpose is to afford in its common certificates an investment based on appreciation, as re-invested surplus and profits build up reserves and provide ultimate attractive market value and dividends.

SOURCES OF INCOME—The income of The Guardian Investment Trust is derived from dividends and interest from investments; appreciation in market value of securities held in the portfolio; participation in underwritings; re-investment of surplus and profits; the exercising of subscription rights and similar financial operations made possible through skillful management of large amounts of capital.

PERSONNEL OF BOARD—The trustees are as follows:

Edmund S. Wolfe, President. President, First National Bank, Bridgeport, Conn.; trustee, Bridgeport Peoples Savings Bank; director, Morris Plan Bank, Bridgeport, Conn.; president, Bridgeport Housing Company; director, Washington Mechanics Bank, Washington, D. C.; director, Bridgeport Hydraulic Company; director, Farmers' Dairy Company; Connecticut member, Executive Council, American Bankers Association; member, Executive Council, National Bank Division, American Bankers Association.

Frederic E. Kingston, F. E. Kingston & Company, Hartford, Conn.

Chauncey P. Goss, Jr., director, Scovill Manufacturing Company, Waterbury, Conn.

Frederick C. Burroughs, Vice-President. President, National Tradesmens Bank and Trust Company, New Haven, Conn.; treasurer, Elm City Building and Loan Association; director, Fidelity Mortgage & Investment Company; vice-president and director, Langrock & Co., Inc., New Haven, Conn.

William E. Burnham, director, First National Bank of Bridgeport, Conn.; president, Board of Apportionment and Taxation; also Board of Contract and Supply, Bridgeport, Conn.; director, Bridgeport Chamber of Commerce; president, Pacific Iron Works, Inc.; director, Automatic Machine Company, McNab Company and Collins Valve Company.

Harold E. Kingston, F. E. Kingston & Company, Hartford, Conn.

Martin Lee, cashier, West Side Bank, Bridgeport, Conn.

Counsel—Day, Berry and Reynolds, Hartford, Conn.

MANAGEMENT—The trustees have contracted with F. E. Kingston & Company to act as fiscal agent for the term of five years. The fiscal agent manages the financial operations of the Trust under the supervision of the trustees, who review his operations in detail once every month and have placed before them individually a detailed weekly report of his transactions; he further is under the direct supervision of an investment committee of trustees which passes upon each new investment before it is consummated. Within the prescribed percentage limitations, and subject to the above supervision, the management buys and sells for the portfolio at its own discretion from a list of securities previously approved by the trustees, or in emergency cases, approved by the investment committee.

INVESTMENT SERVICE—The management has at its disposal for the constant determination of present and future values of securities under consideration, a particularly well equipped research and statistical organization, fully provided with all the necessary statistical data, records, reports and the best financial investment service publications. Through New York and Boston contacts and affiliations, a reliable and timely fund of information is available for the benefit of the Trust.

Net Profits Estimated	26,603.48	102,873.15	140,314.36	207,281.38	402,949.88

PROVISIONS OF PREFERRED CERTIFICATES—The cumulative preferred beneficial ownership certificates of The Guardian Investment Trust are entitled to cumulative dividends at the rate of $1.50 per annum, payable quarterly on January 1, April 1, July 1, and October 1; have priority as to assets and dividends over common certificates; subject to redemption at $30 a share plus all accrued dividends and, in case of liquidation, entitled to $30 a share and all accrued and unpaid dividends. Dividends free from the normal Federal income tax.

RIGHTS UNDER WARRANTS—The preferred beneficial ownership certificates carry non-detachable option warrants entitling the holder to subscribe for an equal number of shares of common beneficial ownership certificates at $30 per certificate during the calendar year 1929, at $35 per certificate during the calendar year 1930 and at $40 per certificate during the calendar year 1931.

DIVIDEND RESERVE—No dividends can be paid on the common certificates in excess of 85% of the reserve of net after preferred dividends, until such reserve is equivalent to at least five-years' dividends on the outstanding preferred certificates.

NO BONUSES—There can be no gratuitous distribution of certificates and no organization expenses for the Trust. Both the organizers and managers of the Trust are putting their own capital into the purchase of its securities, as well as their time and energy, and they can be rewarded only by making the Trust such a complete success that these securities will be materially enhanced in value.

RESTRICTIONS—The fundamental Trust agreement prescribes rigorous limitations as to percentages of investments in various classes of securities.

EXPENSES—The overhead of the Trust is negligible. Practically all income, after taxes, accrues to the benefit of the certificate holders. The fiscal agent has contracted to bear all expenses of the Trust for a five-year period except taxes, salaries of officers and employes of the Trust, and trustee and counsel fees. These salaries and fees are nominal.

AUDITS—Hadfield, Rothwell & Soule, certified public accountants of Hartford, Connecticut, supervise the accounting of the Trust and audit its accounts annually. Intermediate audits are made by designated trustees and reported to the board. The president makes a monthly audit and report of the contents of the portfolio. Legal matters in connection with the issuance of this issue of preferred beneficial ownership certificates have been approved by Messrs. Day, Berry and Reynolds, Hartford, Connecticut.

INFORMATION FOR CERTIFICATE HOLDERS—The Trust will make available to any certificate holder on reasonable demand complete information as to the contents of the portfolio at any given time. Balance sheets and earnings statements are issued semi-annually.

DIVERSIFICATION—SAFETY—The Guardian Investment Trust affords investors of all classes expert management of funds placed in its care and world-wide diversification in investment, in practically every essential industry showing suitable progress and return and we recommend and offer, as sound investment, the

BOND MARKET.

NEW YORK, March 20—(AP)—With few exceptions, bond prices drifted lower today under the influence of tightening money rates and predictions of an early increase in federal reserve rediscount rates. The combined average of 40 bonds compiled by the Associated Press, dropped to the lowest level in more than three years. Despite Secretary Mellon's recent advice to prudent investors to buy bonds in preference to stocks, there seems to be a rather general feeling in investment circles that easier money rates are still a necessary prelude to higher bond prices.

Today's buying centered largely in the convertible issues. Anaconda Copper ran up 10 points to a new high at 266 but lost about a third of their gain. International Telephone convertible debentures failed to follow the stock into new high ground, although they closed a point higher at 117 after having touched 118 3-4.

U. S. government issues moved within rather narrow and irregular limits, with the new treasury 4 3-4s being offered at a slight discount, while the old 4 3-4s and tax exempt federal land bank long maturities yield over 5 per cent.

Railroad bonds, many of which yield only 4 1-2 to 5 per cent, disclosed marked irregularity. Norfolk & Western convertible 6s sank to a new low level for the year, and net declines of a point or more were registered by Canadian National 4 1-2s, Denver, Rio Grande & Western General 5s, New Haven convertible debenture 6s of 1948.

Seaboard Air Line adjustment 5s, Baltimore & Ohio first 5s, Central of Georgia consolidated 5s, Chicago Railways 5s, Illinois Central 4 3-4s and New Haven convertible debenture 6s of 1948 closed a point or so higher.

Traction shares were weak. Interboro Rapid Transit 6s and refunding 5s, Third Avenue refunding 4s, and Hudson & Manhattan refunding 5s all selling at new low prices for the year.

Oil company liens held firm in sympathy with the higher stock prices. Public utilities were irregular, establishment of a new high by Syracuse Lighting 5s of 1951 being one of the few features.

In the industrial division Virginia Iron Coal & Coke 6s broke 7 1-2 points on a couple of sales. Container Corporation 6s also sank into new low ground while American Ice 6s were marked up 1 1-2 points, duplicating the year's high.

Foreign bonds were churned about in rather erratic fashion, with final quotations irregular.

CHICAGO GRAIN MARKET.

CHICAGO, March 20—(AP)—Wheat scored advances in price today at the last, notwithstanding that earlier the market had undergone a sharp setback. Indications were that the larger holdings of wheat had not been dislodged by the breaks in values, crop news early was bearish, but subsequently more two-sided.

Closing quotations on wheat were nervous at a shade to 3-8 a 1-2c net gain. Corn finished 1-2c to 3-4c down, oats unchanged to 3-8c off, and provisions unchanged to 12c decline.

After many standing orders to leg to of wheat future deliveries had been executed today for holders who wished to stop losses at various set limits the pit became relatively bare of offerings. Speculative sellers quickly turned to the buying side of the market, and here was also a good deal of new purchasing, together with reinstatement of lines for pregious owners. Meanwhile, too, talk was current that Argentine exports of wheat had fallen off somewhat, and that pressure of domestic wheat also was considerably diminished.

Helping to promote the late upward swing of the wheat market were Kansas advices that any high winds during the next ten days would be likely to prove very destructive to wheat.

Besides, a leading Chicago expert sent word that he did not remember ever having seen a poorer showing for Kansas wheat at this time of year in McPherson, Reno, Sedgwick, Sumner, Harper Pratt and Kingman counties—nearly 20 per cent. of the entire Kansas acreage.

On the other hand, trader's attention in the first part of the day was chiefly focussed on assertions widely circulated that for the most part winter-king of wheat southwest has been of normal extent only. There were also advices that throughout central Illinois the wheat crop outlook left nothing to be desired, with fields greening up completely and no indication of winter-killing even where land was low.

Corn developed less rallying power than wheat did, although there was a marked improvement in corn shipping demand here, with purchases amounting to more than 300,000 bushels, the largest day's total for some time past. The principal bearish influence was fine weather throughout the corn belt, a circumstance which led to heavy liquidating sales at times, carrying the market down to about 8c a bushel under the recent top level. Oats sympathized with corn, September oats selling at a new bottom price record for the season.

Provisions reflected lower quotations on hogs.

COTTON

NEW YORK, March 20—(AP)—Cotton futures closed steady, 8 to 12 points higher. Spot steady; middling 21.25.

Treasury Balance

WASHINGTON, March 20—(AP)—Treasury receipts for March 18 were $421,245,819.92; expenditures, $415,961,868.59; balance, $404,641,245.56.

General Spring Bumper corporation, Detroit, has acquired control of the Biflex Products corporation, Chicago, manufacturer of automobile bumpers.

THE CURB MARKET

NEW YORK, March 20—(AP)—Stiffening money rates again cast a damper on bullish enthusiasm in today's curb market, which closed extremely irregular. Professional traders confined their operations to a few oils and specialties, with the general public showing a tendency to lighten commitments or keep out of the market entirely on revived rumors of an increase in federal reserve rediscount rates.

Bullish operations in the oils were based on the ending of the Pacific coast gasoline war, the prospect of restrictive drilling legislation by the California legislature and the drop in crude oil production. Humble and Gulf of Pennsylvania each ran up about 6 1-2 points, the former touching a new high record at 108 1-2. Sharp gains also were recorded by Standard Oil of Indiana, Vacuum, Ohio and Missouri-Kansas Pipe Line.

Wide fluctuations in Ford of Canada, which closed 11 points lower at 959 or 116 points below last week's close, and a revival of speculative activity in Auburn, which closed a point higher divided interest in the automobile group. Aviation shares were mixed. National dropping 3 points, Keystone 2 and Alexander Industries 1, while Curtiss Aero Express advanced a point and Aero Supply B moved into new high ground.

Newmont dropped nearly 11 points and rallied 4 but the other mining shares received good support on predictions of further increase in the price of the red metal. United Verde ran up more than 6 points to a new high at 26, in reflection of an increase in dividend but lost about half its gain.

Arcturus Radio Tube was a strong feature, advancing 11 points to a new high at 41 but yielding about half its gain on realizing. Rolle Royce preferred and Servel preferred moved into new high ground.

Establishment of a new low level for the year by Mohawk & Hudson Power at 52 was the only feature in the public utility group, most of the shares in which lost ground. Singer Manufacturing broke 29 points on one odd lot sale.

LEGAL NOTICES

NOTICE

Notice is hereby given to all persons liable to pay taxes in the Town of Lebanon that I have a Warrant to levy and collect a Tax of twenty-five (25) mills on the dollar on the Grand List of the said Town of Lebanon, as last perfected, and that said Tax is due and payable on the first day of April, 1929.

For the purpose of collecting said Tax, the Collector will be at the Town Hall at Lebanon Center on Monday, April 1, 1929, from ten o'clock A. M., until two o'clock P. M. On Saturday, April 6, 1929 he will be at Choquette's Store, in the North Society, from two o'clock until four o'clock P. M. On Saturday, April 13, 1929, he will be at the Waterman School from two o'clock until four o'clock P. M.

All Taxes under this Levy and Warrant not paid within thirty (30) days after the date on which they become due, will be subject to an interest charge at the rates fixed by the Act of the General Assembly, Approved June 8, 1927. (See Chapter 200 of the Public Acts of 1927.)

The Statutes of the State of Connecticut which apply to the levy and collection of taxes will be strictly enforced as to all persons neglecting this notice.

Later at Lebanon, Connecticut, March 4, 1929.

GEORGE E. BRIGGS,
Collector of Taxes.
3t Th mar7 Town of Lebanon.

TAX NOTICE

All persons liable to pay taxes in the Town of Franklin are hereby notified that I have a warrant to levy and collect a tax of twenty (20) mills on the dollar laid on the last perfected list; said tax being due and payable April 1, 1929.

For the purpose of collecting said tax, I will be at the Town Hall in Franklin on Monday, April 1, 1929, from 10 a. m. to 12 noon; at Burdick's Store, Franklin, on Thursday, April 4, 1929, from 10 a. m. to 12 noon; and also at my house on Monday, April 8, 1929, from 10 a. m. to 12 noon.

Legal fees and interest will be added to all taxes remaining unpaid after 30 days.

F. I. DATE,
Collector of Taxes.
Dated at Franklin, March 11, 1929.
3t Th mar14

WARNING!
SPECIAL TOWN MEETING

The legal voters in Town meeting of the Town of Norwich, are hereby warned to meet in Special Town Meeting to be held in the Town Hall, in Norwich, on Monday, March 25th, 1929, at 8:00 o'clock P. M., to hear and act upon the following matters:

To give authorization to the Board of Selectmen to sell in and for said Town the land and buildings heretofore occupied and used for the Bean Hill School, so-called, located on West Town Street, in said Town of Norwich.

Also to act upon a petition signed by more than twenty legal voters requesting that the Town accept Julian Street as a public highway.

Also to act upon a petition requesting that the name of Tanner Street so-called, in the Town of Norwich, be changed to John Birchard Lane.

Also to act upon a petition signed by more than twenty voters requesting the calling of a Special Town Meeting to take such action as it may see fit on the grand list as left by the Board of Relief.

Dated at Norwich, Connecticut, this 19th day of March, 1929.

WILLIAM S. MURRAY,
CHARLES P. BUSHNELL,
PATRICK T. CONNELL,
Selectmen of the Town of Norwich
5t mar20

NOTICE!

Notice is hereby given that, upon application of Anthony J. Bernard, of Norwich, Conn., for the approval of four extra pumps to be placed at his station previously approved by law for the sale of gasoline and oil, which station is located at No. 646 Boswell Ave., in the City of Norwich, Thursday, April 4th at two o'clock in the afternoon thereof is set as the time for a hearing at my office in the court house in said Norwich upon said application.

LEE R. ROBBINS,
3t mar20 Mayor.

TO WHOM IT MAY CONCERN:

Whereas, an application has been made to the Board of Selectmen, by the Ideal Service Station by Bernard and Gilman for permission to install four additional pumps in established gasoline station upon their premises located at 59 Town Street, Norwich Town, Connecticut.

All persons who may be concerned are hereby notified that a hearing upon said application will be held by the Board of Selectmen of this town at the Selectmen's office in the City Hall, Friday, March 29th, 1929, at 10:30 A. M.

The foregoing hearing is held in accordance with the provisions of a certain "Act Entitled An Act Concerning Location of Gasoline Stations" passed by the General Assembly Session of 1927.

Dated at Norwich, Conn., this 19th of March, 1929.

WILLIAM S. MURRAY,
CHARLES P. BUSHNELL,
PATRICK T. CONNELL,
Selectmen of the Town of Norwich.
3t mar20

SPECIAL TOWN MEETING

The legal voters of the Town of Killingly are hereby notified and warned to meet at the Town hall Danielson, in said Killingly on Monday, March 25th, 1929, at 7:30 o'clock, p. m., for the following purposes:

To wit: Article 1—to hear and act on the report of the committee appointed to take charge of the special audit of the town accounts.

Article 2—To do any other business proper to be done at said meeting.

Dated at Killingly this 19th day of March, 1929.

C. A. TILLINGHAST
A. D. SAYLES
NAPOLEON P. GINGRASS
Selectmen of Killingly

THREE NEW LONDON COMPANIES FIGHT BRUSH FIRE WED. NIGHT

(Special to The Bulletin)

NEW LONDON, March 20—The fire department tonight was called upon to battle with the most serious brush fire in this city in several years. For a short time until the firemen arrived, it was believed that houses would be badly damaged. The large acreage lying between the Cohanzie road and Bayonet street, was discovered ablaze shortly after 7:30 o'clock and fanned by a southwest wind, the fire gained in intensity. When property was endangered, a telephone message was sent to fire headquarters and Deputy Chief Calvin Edmunds and Northwest Hose company responded. So serious was the blaze that the Thomas Hose company and the Nameaug Engine company were also summoned. The combined efforts of the fire-fighters for a half hour resulted in the subduing of the fire and without dwellings being reached by the flames.

FORMER NORWICH MAN HEADS DETECTIVE AGENCY

(Special to The Bulletin)

NEW LONDON, March 20—The Johnson Detective agency has opened offices in this city with George W. Johnson, formerly of Norwich, at its head. Mr. Johnson is a brother of State Police Officer Fred Johnson, of Groton barracks, and was for four years in the federal service, latterly as a marine. On his discharge from the service, Mr. Johnson resumed his vocation as a detective and investigator and recently decided to locate in New London. Mr. Johnson, during his course of detective work, has been engaged on cases connected with the government, among which was the Tea Pot Dome scandal. He was for three years connected with the office of the William J. Burns Detective agency and has been engaged on investigations for both the states of Connecticut and Maine. Mr. Johnson is a finger print expert, and is called on from time to time to apply his talents to this important branch of identifying criminals.

The New London police tonight were requested by the police of Hartford to be on the lookout for the driver of an automobile who is wanted in the latter city on a charge of fraud. The car is a Chrysler and carries Connecticut registration, 44622.

The tramp room at police headquarters sheltered more vagrants during the first half of March than it did for any month during the winter. The second week of the month about 60 wanderers were provided a place to sleep and there is seldom a night, even with mild weather now prevailing, that wanderers do not seek and obtain a bunk for the night.

The work of replacing the brick on State street where the Connecticut company recently installed a new switch, was completed late today. The brick had not been put back in place, except in sections, since the switch was put in position Sunday morning.

FORGOT PARKING PLACE—STARTED STATE ALARM

(Special to The Bulletin)

NEW LONDON, March 20—The police were given uncalled for and aggravating annoyance today when Morris Itzcowitz, a Main street merchant residing at 93 Squire street, notified headquarters that his Bay State sedan had been stolen from its parking place on Masonic street, only to report back a half hour later that the car had not been stolen, but was found where the owner had left it, on State street. Itzcowitz informed the police at 11.30 o'clock that the theft had been committed and while traffic and patrol officers were seeking to find the machine, and the state police and police of surrounding towns were being notified of the theft of the auto, Itzcowitz reported that he had forgotten where he had parked the auto and that it was where he had left it.

This Car Taken.

William Jeckel, 48 Golden street, reported to the police last night that his Buick automobile, 1926 model had been stolen. Jeckel said that he drove the car to Washington street where he parked it and when he returned the car was missing. A request has been made of the state police and the police of Norwich, Willimantic, Westerly, New Haven, Hartford and Middletown to be on the lookout for the stolen machine.

From Brig to County Jail.

William Griffin, U. S. Coast Guard, who has been a prisoner at the state pier several months, was liberated today, but his liberty was of exceedingly short duration. Griffin was delivered to the custody of civil officers, who escorted the prisoner to the county jail where he will be confined about 14 months. Griffin's jail term is the result of his having been convicted Aug. 8, 1928, in the police court of a charge of driving while under the influence of liquor and fined $100 and costs. At that time Griffin was subject to court martial and was sentenced by the military court. His term was concluded this morning and his re-arrest resulted.

FUNERAL.

Miss Georgie E. Reeves.

The funeral of Miss Georgie E. Reeves was held this afternoon at 2.30 o'clock at her residence, 106 Blinman street and was attended by a large gathering of mourners. The services were conducted by Rev. Chester H. Howe, pastor of the First Baptist church. The bearers were Henry L. Watrous, C. H. C. Pittman, E. Frank Morgan, Harry H. Keeney, Ricardo Morgan and William H. Reeves. Burial was in Cedar Grove cemetery.

There was no session of the police court today, something that has not occurred in many weeks.

Frank C. Pierce has transferred title in a house and lot on Lester street to Myra E. Pierce. The deed was received for record at the office of the city clerk today.

The Pequot Realty company has sold a building lot, corner of Pequot avenue and Guthrie place, to Walter S. Garde.

Archibald S. MacFarlane has sold a building lot on Ledyard street to Frank Loiacano.

Police Sergeant Patrick Murphy, who has been confined to his home and in a private hospital a week for excessive nose bleeding, resumed duty today, taking charge of the 7.30 o'clock detail of patrolmen.

Leaves for Westport.

Lieut. Henry J. Albright, until recently in command of the Groton state police barracks and who was transferred to command of the state police barracks at Westport last Monday, assumed his new duties today. The Groton barracks is now in charge of Sergeant George Webber.

Lumber Company Sues.

The Groton Lumber company today brought suit against Richard Pugh for damages of $5,000. Five building lots owned by the defendant on Sherman street were attached. The suit is returnable before the next term of the superior court. It is claimed that the defendant purchased building material of the plaintiff for which payment has not been made.

Woman Had No License.

The chamber of commerce today made complaint to the police that a woman was soliciting about the city and that a permit to carry on her work to sell merchandise had not been obtained. The woman was not found. The chamber received information that the woman was endeavoring to sell shaving cream in a house to house canvass.

NEW LONDON, March 20—City Manager William A. Holt this afternoon issued a call for a special meeting of the city council, which will be held tomorrow evening at 7:30 for the purpose of discussing the petition of the Connecticut Power company that the city furnish water to the power company and at the latter's service station in Waterford. The plan requested calls for the supply of the water through an eight-inch pipe from Ocean avenue, across land of the power company to the service station. The petition of the company, which was presented to the council last Monday evening and referred to a committee, was prepared by counsel for the company and was ratified by Director of Law Thomas E. Troland. However, the matter was not disposed of then, for it was deemed advisable that the counsel enter into all details of the facts presented in the petition and with that purpose in view the matter was referred to committee and now will go to the council for final disposition.

Water No Longer Offensive

The city's water supply at Lake Konomoc, which has been extremely nauseating because of the existence of organisms in the lake, is now such that consumers can drink of the supply without experiencing distaste. The improvement is the result of the quantity of sulphide of copper deposited in the lake yesterday by employes of the water department. It is the opinion of officials of the department that no further trouble with the water will be experienced.

EARLY MASTER STATE GRANGE BURTON C. PATTERSON DIES

(Special to The Bulletin)

NEW LONDON, March 20—Burton C. Patterson, 90, formerly of Torrington, died late yesterday at Lawrence-Memorial hospital, where he had been a patient about a year. He is survived by three sons, E. B. Patterson, of this city; B. M. Patterson, Torrington, and S. B. Patterson, Monroe, N. Y. Mr. Patterson was one of the first masters of the Connecticut State grange and under his direction of its affairs the grange prospered greatly. A prayer service was conducted this evening at 48 Sharon street and the body was forwarded to Mr. Patterson's former home in Torrington for burial.

Ninety-seven dollars was netted from the apron, fancy work and home-cooked food sale held yesterday by W. W. Perkins Woman's Relief corps in Union lodge rooms. A dinner was served at noon under direction of Mrs. Adelaide West, assisted by Mrs. Anna Kenerson, Mrs. Frances Parker, Mrs. Delphine Rogers, Mrs. Mary Cone, Mrs. Verna Conary, Mrs. Minnie Blake and Mrs. Alice Burnes.

Mr. and Mrs. Frederick Merritt Clark, of Milford, have announced the marriage of their daughter, Josephine King, and Joseph Lawrence Pond, of New York city and Milford. The ceremony was performed in the American cathedral at Paris on March 18.

Mrs. Hamilton E. Haynes, of Blackhall street, gave a party for her son, Hamilton, Jr., yesterday afternoon on his third birthday.

Joseph Barone, of 39 Montauk avenue, has returned from Europe, where he has been visiting for three months.

Members of a local bridge club gave Mrs. Arthur M. Beckwith a surprise last night at her home in Lincoln avenue. Each member came with refreshments or gifts.

The Sorores club held a St. Patrick's party last night at the Y. W. C. A. Games played were under direction of Jean Anderson and Grace Moody. Preceding the games there was a supper and at the conclusion of the affair cookies and punch were served.

Members of Orient Rebekah lodge will hold a social hour following the business meeting tomorrow night.

At a meeting tomorrow night of St. Joseph's Women's society, at St. Joseph's hall, the social hour will be in charge of Mrs. Thomas F. Moran.

Surprised on 90th Birthday

Mrs. Mary Jane Chapman was given a surprise party yesterday afternoon at the home of her daughter, Mrs. Arthur H. Green, of School street, in celebration of her 90th birthday. Four generations of the family were present and an enjoyable program of music was carried out. The hostess served luncheon. Mrs. Chapman was the recipient of a large birthday cake, candy and many flowers.

Nine tables of bridge were in play yesterday afternoon at a meeting of the Faire Harbour club. Mrs. C. D. Carroll won the prize. Mrs. E. L. Whiton and committee served refreshments.

When a tea and whist is given by the social service committee of the Women's club at the home of Mrs. Benjamin Bunn, the hostess will be Mrs. William Whitcomb.

FIVE VESSELS AND 5 SUBS TO BRING ABOUT 700 MEN

(Special to The Bulletin)

NEW LONDON, March 20—The number of enlisted navy men in this port will soon be increased by about 700. Orders have been issued directing that the five vessels of the mine squadron at Gloucester, Mass., and five submarines formerly stationed at Coco Solo make their base here after May 1.

Will Go To Norwich

Members of New London Pup Tent, Order of the Cootie, are planning to attend a public initiation in Norwich April 15. The matter was discussed at a meeting held last night. After business there was a clam chowder supper.

"P. BARRY" IS A FRAUD, CHAMBER IS WARNED

The New London chamber of commerce has received warning of a man operating in New England who claims to be a representative of the Atlas Match company of Trenton, N. J. His scheme is to sell merchants and business men cases of book advertising matches, collecting a part payment in advance. The matches are never seen nor is P. Barry, as he names himself.

Patients dismissed today at the Lawrence Memorial hospital were: Frank Genter of Section Base No. 4, Coast Guard, and Gustave Dahle of 29 Eighth street.

Mrs. J. Reed Johnson and daughter of 95 Gardner avenue and Mrs. Laura Eccleston, of Stonington were dismissed at Home Memorial hospital today.

The state Royal Neighbors of America wound up their two day convention at the hotel Mohican today. Visitors were greeted by Mrs. Anna K. Barnes, oracle of Clara B. Woods camp of this city. Last night a dinner was given at the Garde ballroom in hofior of the state officers, following which degree work was exemplified. Today's session was chiefly devoted to business. At noon lunch was provided.

DISTINGUISHED SPEAKER AT DIOCESAN BUREAU

More than 100 listened to an address delivered by Dr. Frederick J. Kinsman, nationally known author and lecturer, at the Diocesan Bureau of Social Service, in Jay street, last night. He took as his subject, the Confessions of St. Augustine and St. Patrick.

Thos. A. Sinclair Recovering

Thomas A. Sinclair of 597 Ocean avenue, who was seriously injured a few weeks ago when struck by a truck just as he was entering his car is reported at the Lawrence Memorial hospital as being greatly improved. Besides having six ribs fractured, a broken arm and severe abrasions, he was injured internally.

The large oil painting of James Otis is again seen on the wall of the municipal building. Some time ago the painting was taken down while repairs to the building were being made.

ANNOUNCEMENTS

Broadway Theatre

"Revenge," the new Dolores Del Rio starring vehicle, starting today at the Broadway theatre, in the opinion of Producer-Director Edwin Carewe, presents Miss Del Rio in the type of role which would spell failure for the average leading lady. Yet to the Mexican player it offers her the greatest opportunities she has known.

Carewe has a staff of research experts and readers whose chief duty is to find material that may be suitable for the Mexican star. No story is considered that has not an original treatment and offers the star a romantic character role entirely different from her previous portrayals.

Finis Fox, who wrote the scenarios for "Resurrection" and "Ramona," while searching for a likely plot for Miss Del Rio found a little story in a book called "The Bear Tamer's Daughter."

The story dealt with the life of an untamed, wild spirited gypsy girl, the daughter of the Rumanian king of the gypsy bear-tamers.

Carewe purchased the story from Bercovici and commissioned Finis Fox to write a scenario around the idea so as to take full advantage of Miss Del Rio's versatility. Fox, who had written two former stories for the Mexican star, knew her needs and immediately set himself upon the task of writing a colorful story of gypsy lure. The result is that "Revenge," produced and directed by Carewe for United Artists with Miss Del Rio in the fiery role of Rascha, the gypsy queen of bear tamers.

A specially prepared sound accompaniment is a feature of the presentation of "Revenge." The musical score and sound effects personally devised by Nathaniel Shilkret, celebrated composer and conductor, are given by the Shilkret orchestra through the medium of the new sound reproducing apparatus installed for the benefit of Broadway patrons. Perfect synchronization between action and sound is achieved throughout the entire exhibition.

Breed Theatre

Can the Jews outwit the Irish or the Irish outfight the Jews? This age old paradox is the question settled by George Sidney in his latest screen comedy for FBO, "Clancy's Kosher Wedding," which will open at the Breed theatre on Friday.

As "Hyman Cohen," proprietor of a small clothing store on the East Side of New York, Sidney struggles to outwit his next door neighbor and rival in business, "Timothy Clancy," played by Will Armstrong. Matters are further complicated by the love of young Tom Clancy for beautiful Leah Cohen.

A prize-fight between Tom Clancy and Izzy Murphy for the hand of Leah and the financial difficulties that arise from the betting by the Clancys and the Cohens settle the relative merits of the sons of Abraham and St. Patrick.

In his portrayal of Cohen, Sidney is said to have given the best characterization of his long career on stage and screen, while Armstrong has received high praise from many critics for his rendition of the "fightin' Irishman."

Others of the cast of "Clancy's Kosh Wedding," directed by A. E. Gillstrom include Ann Brody, Mary Gordon, Sharon Lynn, Rex Lease, Ed Brady and Jesse Devorska.

Palace Theatre

An entire new bill of five acts of Paramount vaudeville is being offered at the Palace theatre starting today. This program is headed by Hattie Althoff Revue a new and novel offering with six clever artists and beautiful scenic effects. Bobbe and King, one of the best two men hokum comedy acts in vaudeville. Hall and Moore, in Bungle Love, Musical Rowelys in a European novelty variety offering and Charles Deighan equilibrist supreme.

"The Spirit of Youth," the Tiffany-Stahl production featuring Dorothy Sebastian and Larry Kent, that is the feature attraction today to Saturday at the Palace theatre, is the story of an unknown youth's rise to fame and public acclaim. Starting as a sailor who spends his off hours sparring with whatever fighter comes along, he reaches the heights of a Gene Tunney—holder of a world championship title. And, like Tunney, he has a chance to marry into society and wealth.

Larry Kent plays the role of fighter who is dazzled by sudden notoriety and almost loses his head in the unaccustomed social grandeur and adulation. Dorothy Sebastian takes the part of the girl who sees the common sailor that she loves grow beyond her socially, but who is standing by when his tinsel-decked world rocks beneath his feet.

Other in the cast include Betty Francisco, Douglas Gilmore, Maurice Murphy, Charles Sullivan, Sidney D'Albrook, Donald Hall and Anita Fremault. The picture is from an original story by Eve Unsell and Elmer Harris, and was directed by Walter Lang.

Who else wants to save money?

"PUTTING children through school is expensive and calls for greatest economy. Girls need the pretty things others have, and, thanks to Sunset Dyes, I was able to give my children more than they could have had without them.

"My daughter was getting ready to leave for her first teaching position. She had a white dress and took it to the dyers. He wanted eight dollars, so we decided to try it ourselves. We dyed it the loveliest shade of dark green and were delighted.

"If there is ever a time when Sunset Dyes are appreciated it is after death in the family. My son died just before my daughter left for her school work. I had a brown suit which I dyed black. Then I dyed my print dresses.

"I never wear anything shabby or the least faded now. Sunset Dye makes them bright and pretty again. I dyed old silk handkerchiefs for trimming a house coat I made. I quilted the trimming and it was the prettiest house coat I ever saw.

"We make slips from our worn silk dresses and dye them to match some dress. I coild go on and on but it would just be repetition. Sunset Dyes are to me almost a bank account. They keep us well dressed." From a satisfied Sunset user in Fayetteville, N. Y.

For fast dyeing use Sunset Soap Dyes, 15 cents a cake. For beautiful tinting use Dytint, the wonderful new tint, in the big box, only 10c!

YOUR HOUSE NEED PAINT? . . . THEN CONSIDER—

Write our nearest branch for new booklet on painting—"The House We Live In."

BOTH ends of the PAINT BRUSH

You need a skilled painter on one end—
pure lead paint on the other

TO weather-proof your house, your first need is a master painter . . . a craftsman skilled in paint mixing and application. Your second is—pure lead paint.

These two age-old partners insure a superior paint job—one that always saves you money in the end. With lead paint, made with Dutch Boy white-lead, the painter applies a protective film—tough, elastic, wonderfully long-lasting. And, because this paint does not crack or scale, you are not faced with the cost of burning or scraping off old, scaly paint when repainting time finally does arrive—an *expensive* job.

Paint with LEAD.. DUTCH BOY WHITE-LEAD

Got the Spring Fever and Got It Bad

Exhausted and all run down? No pep, no ambition? Just want to sit around all the time, drowsy, dozy, doing nothing? That's fine if you're rich and independent. But if you've got to work for a living, or keep the housework going, it's not so good.

Listen, you can't go around in this listless fashion—take Mother's Tablets to get back your health and strength. They contain an amazing ingredient that will purify your blood, vitalize your nerves, help digestion and appetite, and fill your whole system with vigorous strength and energy.

Don't go around feeling miserable and unhappy, when Lee & Osgood or any handy drugstore can supply you with these safe, pleasant effective tablets. 60 tablets—60c.

FAIR, WARMER TODAY; RAIN AT NIGHT

Norwich Bulletin

1780 1929

NORWICH, CONN., WEDNESDAY, MARCH 20, 1929

FULL ASSOCIATED PRESS DISPATCHES

The Bulletin.

Norwich, Wednesday, March 20, 1929

THE WEATHER

Conditions

Pressure remains low from Greenland to southwestward to Maine and Nova Scotia and over the Hudson Bay region. There will be increasing cloudiness over the states east of the Mississippi river Thursday followed by showers in the Atlantic states during Thursday night or Friday. The temperature will fall Friday quite generally east of the Mississippi river.

Winds

North of Sandy Hook: Diminishing west backing to south winds increasing by Thursday night and fair weather Thursday.

Sandy Hook to Hatteras: Moderate shifting winds becoming southerly and increasing by Thursday night and fair weather Thursday.

Forecast

For southern New England, fair with mild temperature Thursday, followed by rain Thursday night or Friday; colder Friday.

Observations

The Bulletin's observations show the following changes in temperatures and barometric changes Wednesday:

	Ther.	Bar.
6 a. m.	31	29.60
12 m.	41	29.60
6 p. m.	36	29.50

Highest 44, lowest 30.

Predictions for Wednesday: Cloudy, possibly light local rains, colder at night.

Wednesday's weather: Fair, continued warm, south to west wind.

Four hours after high water it is low water, which is followed by flood tide.

GREENEVILLE

TROOP 21 HOLDS WEEKLY MEETING WITH 15 PRESENT

Monday evening at 7.15 o'clock the Boy Scouts of Troop No. 21, held their weekly meeting in the hall of the Third Baptist church. Fifteen boys attended. The evening was spent in drills, games and first aid instructions, which included the treatment of persons suffering from various kinds of bleeding, shock, fainting, bruises and artificial respiration. The tenderfoot scouts in the troop are now qualifying for second class scouts. There is an opening for one more boy in the troop when the full quota for the present time will be reached.

On Tuesday evening the Mission study circle of the Third Baptist church met at the home of Mrs. Herbert J. Peckham, East Great Plain. The fourth chapter of the book "The Churches at Work," was studied and discussed.

Prizes won at the card party held Monday evening by the Polish-American Veterans held in Pulaski hall follow: Women, Mrs. W. Pianko 7270; Mrs. Clifford 7370; Mrs. Scott 7280; men, Mr. Liberty 7000; Mr Shelly 7490; Mr. Patrowski 7470.

FUNERAL.
Mrs. Charles H. Potter.

The funeral of Mrs. Anna M. Otis, widow of Charles H. Potter was held Wednesday afternoon at 2 o'clock from her late home, 224 Central avenue. Rev. Charles H. Ricketts, pastor of the Greeneville Congregational church, officiated at the services. Burial was in the family plot in Yantic cemetery where Rev. Mr. Ricketts conducted the committal service. The bearers were Fitch Dollcare, William Fischer, Orrin L. Judd and Louis O. Potter of this city. Among the large attendance were mourners from Boston, Providence and Plainville. The floral tributes were both numerous and beautiful.

The topic at the mid-week service of the Third Baptist church on Thursday evening will be "Our Helpers."

At 2.30 o'clock on Friday afternoon the Ladies' Aid society of the Third Baptist church will meet at the home of Mrs. James Spicer on Prospect street.

Church Benefits from Will.

One hundred dollars has been received by the Third Baptist church, a bequest in the will of the late Lucretia W. Hurlburt of Montville.

The many Greeneville friends of Mrs. Roswell S. Butler were sorry to learn of her death. Mrs Butler resided in Greeneville many years. A number of years ago Mr. and Mrs. Butler conducted a bakery shop which was located on Central avenue.

METHODIST SCOUTS HOLD THEIR SECOND MEETING

Tuesday evening, Troop 6 of the Trinity Methodist Episcopal church held their second meeting. In the course of the meeting three boys, James Caughlin, Edward Brodeur and William Nickison became scouts, passing the tenderfoot test. Following the tests a short drill was held. The meeting then closed with the singing of a few scout songs.

TWO VERDICTS TOTALLING $1,474 RETURNED AGAINST NORWICH CONCERN

Verdicts totaling $1,474 were returned Wednesday afternoon by a jury in the superior court at New London in favor of Michael Petrosky, a minor, and his father, Daniel Petrosky, in their suits against the Consolidated Rendering Co., of this city. The boy was given a verdict of $1,100 and the father, $374. The plaintiffs reside in New London.

Suit for $10,000 was brought by Mr. Petrosky in behalf of the boy, claiming that a truck belonging to the defendant, struck the bicycle he was riding in Douglass street on Nov. 23, 1926.

The father sued for $5,000 for money alleged to have been expended for medical and hospital care and attention and for money which he claimed he would have to spend in the future for this purpose.

OLDER BOYS' CONFERENCE PLANNED FOR APRIL

The New London area older boys' conference is being planned for Saturday, April 20th, and will be held in the New London Y. M. C. A. So far as can be recalled, the conference has never been held in New London, although the state conference has been held in that city in the past.

Hillman Marshall, New London, is president of the 1929 area older boys' conference, and the other officers are Melvin Hewitt, Groton, vice president; Roger Coffey, Montville Center, secretary. An advisory committee composed of Herbert W. Hicks, New London Y. M. C. A., J. Morgan Adams, Groton, Rev. William D. Barnes, Salem, Rev. J. S. Pennymacker, Niantic and David S. Bennett, Mystic, make up the executive committee. In addition a publicity committee, composing one older boy from each church, whose duty it will be to secure attendance from his church, has been appointed.

On it are found the names of William Caird, New London, First Congregational church; David Beebe, New London M. E.; Robert McKelvie, New London First Baptist; William Davis, New London Second Congregational; Rudolph E. Jacobus, Groton Congregational; Milton Hewitt, Groton Baptist; Morris Bennett, Mystic Baptist; Francis Rogers, Quaker Hill Baptist; Dana Dart, Uncasville M. E.; Clinton Sharpe, Montville Baptist; Austin Johnson, Montville Center Congregational; Roger Coffey, Salem Congregational; Charles Dimmock, Jordan Baptist; James Hayes, Niantic M. E.; William Smith, Niantic Congregational; Tracy Beckwith, Niantic Baptist and Clifford Hall, Hamburg Congregational. Other names will be added to represent the other churches in the area.

Plans as outlined to date include the assembling of the boys at 10 the morning of April 20th, and the conference will continue until 4. Following that there will be a period of mass games on the gym floor and a swim for all, and in the evening it is hoped to be able to plan a mass meeting to be open to all interested in the work of the town and country branch Y. M. C. A.

The program for the conference calls for addresses, group conferences and stunts to be put on by groups of boys who attend. Ray Bigelow, of Old Lyme, a lawyer with offices in Deep River, has consented to speak immediately following the dinner. Mr. Bizelow was a member of the Yale 'varsity crew in 1996 and captain of the Yale 'varsity football team in 1997. He has a fine personality and his message to boys is always thoroughly enjoyed.

TAFTVILLE

OBITUARY.
Miss Ethel Roy.

After a very short illness, Miss Ethel Roy, daughter of Mr. and Mrs. Arthur J. Roy of Merchants avenue died Tuesday evening about 10 o'clock at the William W. Backus hospital. She was 18 years of age, and was born in Taftville, July 24, 1911. Up until the time of her illness she had been employed at the plant of the Carpenter Manufacturing company of Norwich. Surviving are her parents, one brother, Emery, and a sister, Miss Hortense Roy. Her many friends mourn her loss.

Arrangements have been completed for the installation of the newly elected officers of Peter Gallan post, American Legion, and of the Ladies' auxiliary. The installing officers will be State Commander Page Seeton of Hartford for the legion, and Mrs. Lillian Yerrington, the state president, for the auxiliary. The commanders of the various posts attached to the fifth district have been invited to attend, with their wives, as have the auxiliary presidents and their husbands. A social hour with dancing and refreshments is planned after the ceremonies. The post committee which is arranging the event consists of Commander Napoleon J. Penin, Ernest Colburn, Arthur N. Bessette and Stanislaus Benac. The auxiliary committee includes Mrs. Clara T. Caron, chairman; Mrs. James Emerson, Mrs. Theodore J. Belval, Mrs. Thomas Perkins Sears and Miss Aurette Fornier.

The members of Ladies auxiliary, Ancient Order of Hibernians gave a St. Patrick's whist and bridge Friday evening in St Theresa's hall, which was a success socially and financially. At whist the first prize for ladies was awarded to Mrs. Louis Gregory; the second to Mrs. Gabriel Paquette and the consolation to Miss Loretta Sullivan. Ray Beaudoin was the winner of the first prize for gentlemen; the second going to George Durr and the consolation to Romeo Girard. At bridge, the first prize for ladies went to Mrs. Thomas Crowe, the second to Mrs. Andrew White; Edward Kelley won the first prize for gentlemen; and Ray Harris of Norwich was awarded the second prize. Following cards those present were entertained by Frank Rourke of New Haven, who gave popular selections and vocal solos. The committee which arranged the successful affair included Mrs. William J. Malone, chairman; Mrs Sarah Nolan, Miss Mary Nolan and Miss Katherine Malone. The scorers were Miss Pauline Hasler, Miss Anne Daley, Miss Julia Chappell, Miss Margaret Nolan. The tickets were in charge of Joseph Phalen and the checking room was taken care of by Mrles Fitzmaurice and Martin Waldron.

At the business session of the monthly meeting of the members of the Ladies' Benevolent society of the Taftville Congregational church held Wednesday afternoon in the church parlors, Mrs. Richard B. Snow, the president, presided. A social hour followed and refreshments were served by Mrs. George J. Meyer, Mrs. Clarence J. Nagle and Mrs. Thomas Perkins Sears.

Peter Lukoff of North Third avenue was in Jewett City on Wednesday.

Mrs. Alfred Porter Staebner and her little daughter, Ann Porter Staebner of Mansfield, are guests of Mrs. Staebner's parents, Mr. and Mrs. Arthur E. Atkins of South Second avenue.

Her 88th Birthday.

Mrs. Susan Lewis, formerly of Moosup, will observe her 88th birthday today (Thursday) at the home of her daughter, Mrs F. E. Henderson on West Main street.

AUTO TRUCK AND TROLLEY FIGURED IN COLLISION

A collision between a Rhode Island truck and a Boswell avenue trolley car, on Franklin street, near The Bulletin building, tied up traffic for about 15 minutes early Wednesday evening. The trolley car, which left Franklin square at 7.30 o'clock collided with the truck, owned by the Autocar Co., of Providence, and driven by Joseph P. Therrien of New London. The truck became wedged between the trolley car and a Hupmobile sedan, parked by the curb and owned by William E. Wilson, of No. 148 Broad street. Two fenders on the truck were damaged, paint was scraped from the side of the trolley car and slight damage was done to Mr. Wilson's machine.

The trolley car backed away from the wedged machines which were then quickly separated. After reporting the accident at police headquarters Therrien started to drive the truck to New London. Going up the Main street hill the rear end gave way and trolley traffic was tied up until a wrecker was secured to tow away the stalled machine While waiting the arrival of the wrecker, trolley passengers were transferred around the stalled truck.

BIBLE STUDY CLASS HAS WEEKLY MEETING

Wednesday evening, the Men's Bible study class held its weekly session at the local Y. M. C. A. The scripture used was Matthew 5:1-16. The topic was "The Value of Good Influence." Among the points brought out in the discussion were the following:

Comparatively few men appear to be deeply interested in what Christ called "the Kingdom of God." To live the Christ life calls for some sacrifice; it means forsaking selfishness, and at times it means the loss of popularity. The real remuneration a man gets for living the unselfish life is the personal satisfaction of doing right and of helping others.

Jesus called His disciples "the salt of the earth," because they acted as a preserving influence in society. We can lose the salt-like qualities of our lives if we fail to use our good influence in behalf of others; by looking after ourselves and our families only, we become narrow and selfish.

Jesus also called His disciples "the light of the world"; light shows the way. The double purpose of our doing good is to help other folks and to please God. The man who helps another oftimes receives a greater blessing than does the one he has helped.

The following of Christ calls for the elements in a man's character: unselfishness, courage and love, and the having of a real purpose in life. Every man owes it to society and to God to serve not only himself but others. The man who fails to serve others is not a high type of citizen.

STATE HIGHWAY WORK TO BE SPEEDED

According to an announcement made Wednesday by State Highway Commissioner John A. Macdonald, there will be important changes in Connecticut highway department contract specifications, intended to accelerate all construction and reconstruction work done on state roads in the future. The changes are incorporated in contracts to be awarded shortly upon the basis of bids received at department headquarters this week.

The most important alteration in Connecticut's standard contract which is already conceded by highway officials throughout the country as among the best and most air-tight documents in use in any state, eliminates the former damage and bonus charge and substitutes for it a time charge which makes it to the advantage of every contractor to speed his work as much as possible and which penalizes him for all time required beyond the estimated time of completion of the contract.

SCOUTS TO HIKE TO FORT SHANTOK

The Scouts of Troop 12, B. S. A. held their weekly meeting Tuesday evening from 7 to 9 o'clock o'clock at Park church. The meeting was under the direction of Scoutmaster Johnson. There were 15 scouts and three visitors present. The meeting was opened by the scout oath and law, followed by an inspection. Following this there was a brief session, during which the scouts voted to hike to Fort Shantok on Saturday, March 23.

They are to meet at the Otis library at 10 a. m. After the business session tests were instructed and passed by the patrol leaders. Jordan passed hiking and knife-and-ax. Prothero passed compass and knife-and-ax. The last half hour was spent in playing games. The meeting was closed by the scoutmaster's benediction.

STREET DEPARTMENT PUTTING HIGHWAYS IN CONDITION

The usual spring cleanup of the city streets has been launched by employes of the street department under the direction of Street Commissioner Herbert B. Wightman. A number of streets in the city, left in a ragged condition by the winter weather have been scraped, holes filled up and the streets resurfaced. Hamilton avenue and Asylum street were in bad condition and the scraper was used twice on these thoroughfares to put them in shape. No extensive improvements to the streets are expected to be carried out.

About ten trees located in various parts of the city which are in a dangerous condition will be removed by the department this spring. A dozen young trees will be planted. A tree located at Broad and Lake streets has been removed by the department on order of the common council, as the owner claimed that it interfered with his driveway.

SHIP AND ENGINE APPEAL IS WITHDRAWN

According to papers filed Tuesday with the clerk of the superior court in this city, an appeal recently taken to the supreme court of errors by counsel for the New London Ship and Engine Co., following an adverse decision in the superior court in favor of the Textile Finishing Machinery Co., of Providence, has been abandoned.

Judge Allyn L. Brown of the superior court in a decision handed down last June, gave judgment for $41,415.-52 against the New London concern. The suit was the result of a dispute over 16 alleged defective 14-ton hydraulic cylinder castings, delivered by the defandant under a contract with the plaintiff. It is understood that a settlement was made.

SHOW LIVE TROUT IN RUNNING BROOK

In the Bath street window of the Hanover-Curland Co., store there will appear this (Thursday) morning a running brook with live trout. The exhibit, 14 feet long, will show a sportsman fishing in a running brook containing live trout.

Eastern Connecticut Health.

The weekly morbidity report issued by the state department of health for the week ending March 16, shows the following cases of communicable diseases reported from towns in eastern Connecticut for that week:

Diphtheria—Rockville, 1.

Whooping cough—Norwich, 17; Stafford Springs, 1; Danielson, 1.

Small pox—Griswold, 2; Lisbon, 3; Norwich, 3.

Scarlet fever—Groton, 3; Columbia, 1; Stafford, 2.

Measles—Groton, 3; New London, 27; Chaplin, 1.

At Punta Gorda, Florida.

Among the prominent visitors in Punta Gorda, Florida, this week are Francis P. Bent, former acting mayor and alderman of New York, now associated with the New York Life Insurance Co.; Edward J. Crawford, vice president of the Chas. F. Noyes Co.; Howard C. Russ, president of the Beach-Russ Co., all of New York city, and all former Norwich residents.

Discharged From Hospital

The following patients were discharged from the W. W. Backus hospital Wednesday: David Gruduski, Versailles; Blanche Parkinson, 158 Main street, Baltic; Rita Peloquin, 26 Fowler avenue; Mrs. Phyllis LaCourse, Plainfield, and Charles Lach, 240 Asylum street.

Forest Service Exam Here

The United States civil service commission announces that an open competitive examination will be held in Norwich and various other places in New England, for the position of forest field clerk in the forest service, at an entrance salary of from $1,800 to $2,100 a year.

INCIDENTS IN SOCIETY

Wednesday, Mrs. Witter Kinney Tingley, of Broad street, a chairman for the hospital benefit card parties, entertained the graduate nurses at a bridge tea. Mrs. Harrison Gray was at the tea table. Prizes were won by Mrs. William A. Pitcher, Miss Maude Delaney and Miss Agnes McKenna.

A springtime luncheon bridge was given Wednesday at Lighthouse Inn by Mrs. William H. Oat, of River avenue. Mrs. Harry E. Prentice, Mrs. Charles J. Twist, Mrs. Harvey M. Briggs and Mrs. John F. Rogers were the prize winners.

Mrs. Alfred M. Haring, of Laurel Hill avenue is leaving today (Thursday) for Providence, where she will be a guest at The Biltmore for several days.

BEACHDALE COMPANY HAS FILED CORPORATION PAPERS

The Beachdale Co., of Griswold, has filed corporation papers with the secretary of state. The company has been organized for the purpose of manufacturing, buying and selling cotton and silk fabrics. The amount of authorized capital stock is $150,000, divided into 1,500 shares of the par value of $100 and 20,000 shares of no par value. Paid in, $50,000. The incorporators are Alexander F. Shaw, Jr., Benjamin G. Stanton and Arthur M. Brown, all of Griswold.

NORWICH TOWN

JUNIOR EPWORTH LEAGUE ENTERTAINS AT M. E. CHURCH

Standing room only was the condition Monday evening in the vestry of Norwich Town Methodist Episcopal church, when the Junior Epworth league gave an entertainment. The affair was in charge of the junior superintendent, Florence M. Bennett, assisted by Beulah Rogers and Helen Haviland Potter. The entertainment was a big success and a good sum was netted for the world service fund. The program follows: Piano solo, Doris Rose; duet, "O, That We Two Were Maying," Mrs. Reuben Potter and Frederick J. Maples; reading, "The Soldier Tramp" Capt. W. G. Tarbox. The following tableaux were given by the Juniors: Bridal Scene. A Couple of Kids. Three in One. A Bunch of Roses. Keep the Home Fires Burning. Vocal solo "Smiles and Frowns" Mrs. Herbert Richardson; reading "How We Hunted the Mouse," Capt. Tarbox; vocal solo "Tell Her I Love Her So," F. J. Maples; reading "A Smack in School," Capt. Tarbox; vocal solo, Mrs. Richardson. "The Flag That Makes Us One"; vocal solo "A Love Song," Frederick J. Maples; Miss Louise Fuller was accompanist. The Juniors gave a play entitled, "America for Americans" with the following cast. Helen, Virginia Ward; Elizabeth, Margaret Phillips; superintendent of baggage agents, Albert John Gallagher and Donald Olsen; Indians, Walter Kelley and Florence Gembel. At the close, the pastor, Rev. George Warren Potter thanked all who gave their services. Ice creame and cake were on sale after the entertainment.

Will Speak at Jewett City

The Quinnebaug Circuit Epworth League is to be entertained Friday evening in Jewett City Methodist Episcopal church by the league chapter there. The speaker will be the pastor of the Norwich Town church, Rev. George Warren Potter, subject, "Where, the Perfect Epworth League?" Many from the C. E. society here are to attend and Lewis E. Aldrich, the president, is making the arrangements.

To Receive Certificates

At the meeting of Troop 2 Boy Scouts connected with the Methodist Episcopal church this (Thursday) evening the members who have passed their tenderfoot test are to receive their membership certificates from national headquarters.

WHITE SIDE PROVIDES FEAST FOR CONTESTANTS

A banquet was given by the Whites of the Christian Endeavor to visitors who were on the White side during the recent contest. Covers were laid for 130. Rev. G. F. Bailey said grace. Miss Louise Story played several piano selections. The menu was: Grapefruit entree, olives, nickles, native boiled ham; escalloped potato, egg and lettuce salad; raspberry desert, a la creme demi tasse.

Mrs. T. E. Browning and Mrs. Geo. Peck were in charge of the kitchen, assisted by the following waitresses and waiters: Lucille Browning, Rose Durr, Helen Schwenk, Louise Story, Elinor Moore, Mrs. Burton Jopson, Eleanor Smith, Esther Durr, Crosby Peck, Burton Jonson and Harry Couterman. The banquet was a success and all had a very enjoyable evening.

Month's Mind Mass.

At Sacred Heart church Wednesday morning at 7.30, the pastor, Rev. Edward J. Quinn, celebrated a month's mind requiem high mass for the repose of the soul of Mrs. Margaret Keating. At the offertory, Miss Mary Buckley sang De Profundis and for a waiting hymn she sang Abide With Me. Mrs. William A. Murphy was in charge of the music. There was a large attendance of relatives and friends.

NEW BASEBALL TEAM OF CATHOLIC BOY SCOUTS

The Boy Scouts of the Sacred Heart church held a special meeting Tuesday evening in the basement of the church from 7 until 9. The meeting was for the purpose of forming a baseball team.

The following officials were elected: Scoutmaster William Burns, coach, John Fields, manager, Richard Cormier; captain, Raymond Connel; water-boy, It was decided to hold first practice Wednesday afternoon, after school, to try out the candidates for the various positions.

While en route to the anniversary dinner of the Shore Inc club, No. 8, Social Corner, held Tuesday at Westerly, Mrs. E. M. Weeks, of Willimantic, was a caller on Dr. and Mrs. Charles H. Lamb, of Norwich Town.

Hartford Lady Was Guessing

When your child is underweight, pale and listless, is bilious, sallow, feverish fretful, with bad breath, coated tongue and no appetite, nine times out of ten it's a sure sign his little stomach and bowels are weak.

Don't experiment in cases of this kind. Just follow the example of the millions of mothers who are using California Fig Syrup to regulate their children's stomach and bowels and give tone and strength to these organs so they continue to act normally, of their own accord.

Mothers all over Connecticut are eager to tell how this rich, fruity pleasant-tasting preparation clears up the most stubborn cases of constipation and makes pale, lifeless children rosy-cheeked, bright-eyed and full of energy again. Mrs. J. C. Fantone, 72 Capitol Ave., Hartford, says: "From the very first my little son, James, had trouble with his stomach and bowels. It had me guessing until we decided to give him some California Fig Syrup. Soon he started gaining weight and now he's the picture of health."

See that the Fig Syrup you buy bears the name "California," so you won't be imposed on by imitators.

The Holiday Goodies

SALE OF THE U. S. LINES AND AMERICAN MERCHANT LINES

Final Steps Taken in One of the Largest Ship Sales in Maritime History—Eleven Vessels in the Deal, Including the Leviathan and Five Other Passenger-Carrying Steamers—Lines Taken Over by Paul W. Chapman, Inc., For $16,300,000—Sale is in Line With Policy of Disposing of the Government Merchant Marine to Private Interests.

WASHINGTON, March 21—(AP)—The final step in one of the largest ship sales in maritime history was taken today with the formal transfer of the United States Lines and the American Merchant Lines to Paul W. Chapman, Inc., of New York, for $16,300,000, Chairman T. V. O'Connor signed for the shipping board and Paul W. Chapman, for the firm of Paul W. Chapman, Inc.

Eleven ships were included in the deal, six of these, the Leviathan, George Washington, America, Republic, President Harding and President Roosevelt, all passenger-carrying vessels, belonging to the United States Lines have been called the 'pride of the American merchant marine." The five others, combination passenger and freight-carrying ships, were the American Banker, American Trader, American Shipper, American Farmer, and American Merchant. All the vessels were in the north Atlantic trade.

The purchase price was $16,082,000 for the ships and $218,000 for leaseholds on offices and terminal facilities now maintained by the board. The shipping board announced that the contract stipulated that there would be no interruption of service of either of the lines and that the Chapman firm had obligated itself to build two first class vessels of high speed to supplement the Leviathan in a fast weekly mail service from New York to English channel ports.

Plans for the new ships are to be submitted to the shipping board within a year and they are to be in operation not later than February 13, 1932. The Chapman firm is to have the privilege of the use of money from the construction loan fund set up by the Jones-White law which provides for loans up to 75 per cent. of the cost of the ships at a low rate of interest.

The sale is in line with the policy of disposing of the government merchant marine to private interests and in congratulating Mr. Chapman, Chairman O'Connor said he felt that the "United States Lines and American Merchant Lines are in safe hands.

"I have accepted accountability for the maintenance and expansion of the American merchant marine service in the North Atlantic," said Mr. Chapman. "I do so with profound judgment that the American people of today are of determination to recapture our national self-respect on the high seas. That I and those about me are given the privilege to be the agency through which such determination is to find material expression and accomplishment is most gratifying."

BREAK IN THE MISSISSIPPI RIVER NORTH OF QUINCY

QUINCY, Ill., March 21—(AP)—The furious waters of the Mississippi broke through the battered Indian Graves levee north of Quincy today and poured a flood over thousands of acres of rich farm land.

The levee break had been expected for several days and most of the farmers were prepared for it. Virtually all of them had moved their livestock, grain and household goods back to the bluffs and safety. Crews of relief workers, however, were on hand aiding any who failed to evacuate in time, and assisting the levee patrols in the tasks of re-enforcing other retaining walls which are weakening before the strain of pounding water.

Most of the flooded farms were planted with crops and the loss from the swirling water is expected to amount to thousands of dollars. The break was below the Rock Creek levee but little hope was held that the Rock Creek levee would last long now with churning water all around it.

While the flood was appeasing its wrath north of the city, districts south and west were feeling the benefit. When the levee gave way, it released so much water that the river stage at Quincy fell four inches and relieved exceedingly a tense situation there.

Residents had moved out of the South Quincy Gardens, a new home site community, but the flood breaking north of the city has saved the south from similar peril.

ELECTION OF TAMMANY CHIEFTAIN DEFERRED

NEW YORK, March 21—(AP)—District leaders of Tammany Hall today, without even the formality of a vote, deferred until tomorrow the selection of a successor to George W. Olvany, who resigned as Tammany chieftain last week because of ill health.

Political wiseacres were widely at variance in their interpretations of today's failure of the men leaders to act. Some were of the opinion that it forecast a deadlock at tomorrow's executive committee meeting and that a "steering committee" would direct the activities of Tammany until after the mayoralty election.

Six avowed candidates for the leadership attended the caucus. They were Edward J. Ahearn, John F. Curry, Michael J. Cruise, Martin J. McCue, Stephen A. Ruddy and Peter Hamill.

WAR CLOUDS LOOMING IN SEVERAL PARTS OF CHINA

LONDON, March 21— (AP) —War clouds in China, never long absent from the horizon since the turn of the century, loomed today in reports from Nanking, Peking and Hankow. The nationalist government, with a s'umbering military revolt already on its hands in Shantung, was at loggerheads with the faction controlling the rich and powerful Wuhan cities of Hankow, Wuchang and Hanyang.

Both sides believed war was inevitable and from Peking came word that nationalist troops from the province of Anhwei had reached Lotienhsien, 40 miles northeast of Hankow, indicating that the outbreak was imminent.

FERRYBOAT AND A TUG COLLIDED OFF BAYONNE, N. J.

NEW YORK, March 21—(AP)—Forty-five ferryboat passengers were shaken up and one passenger of a tug was thrown overboard as the two craft collided off Bayonne, N. J., tonight as a result of confused signals.

The tug, "Winthrop," of Providence, R. I., struck "Private Ferries No. 1," plying between Staten Island and Bayonne near Bayonne pier. Charles Kerrigan, of Brooklyn, was thrown into the water and rescued by the tug crew. He was suffering from submersion and was taken to a Staten Island hospital.

The Winthrop is owned by the J. S. Packard Dredging company of Providence.

AWARDED $10,000 AGAINST HER MOTHER-IN-LAW

NEWARK, N. J., March 21—(AP)—A supreme court jury today awarded Mrs. Eleanore Ciaglia $10,000 in her suit against Mrs. Antonia Ciaglia, her mother-in-law, and Joseph and Andrew Ciaglia, brothers-in-law, for alienating the affections of her husband. Mrs. Ciaglia suing for $25,000 claimed her husband's relatives, who reside in New Milford, Conn., began making "malicious attacks" on her shortly after she was married in January, 1924.

TESTIMONY IN DIVORCE SUIT OF WALKER P. INMAN

RENO, Nev., March 21—(AP)—An alleged affair between Mrs. Helene Garnet Patton Inman and John Steele, vaudeville actor, was described in court here today in support of the divorce plea of Walker P. Inman, wealthy heir to a portion of the James B. Duke tobacco millions.

Inman, the son of Mrs. James B. Duke, widow of the tobacco magnate, had named Steele among others in the complaint against his wife, the daughter of a Kokomo, Ind., clergyman.

Mrs. Beatrice Cooper, Negro cook for the Inmans in New York before the couple separated in 1927, testified that one morning she found Mrs. Inman and Steele together in Mrs. Inman's bedroom.

Two other men were in the apartment at the time, the witness said, adding that she later served breakfast to all in the bedroom.

Two unsigned letters were introduced and Mrs. Cooper told the court that Mrs. Inman had read extracts from the missives to her, remarking that "John Steele was some lover."

The cook told of several occasions on which she said she saw Mrs. Inman intoxicated. One morning, she related, she found Mrs. Inman with her nose injured and was told Inman was responsible. "I'll get him," she quoted Mrs. Inman as saying. Thereupon, Mrs. Inman attacked her husband with a glass, slashing his face.

As the case went to trial, Mrs. Inman filed an amended answer and asked that she be given a decree and a property settlement of $250,000. In her original answer she contested her husband's action but did not ask for a divorce herself.

COOLIDGE IN SECLUSION IN HOTEL IN NEW YORK

NEW YORK, March 21—(AP)—Calvin Coolidge was in town today, but for all that New York saw of him he might just as well have been in his little flat on Massasoit street, Northampton, Mass.

The former president, who arrived last night on personal business, remained in seclusion in a two-room suite at the Hotel Commodore. Just what that business was remained Mr. Coolidge's secret and that of Frank W. Stearns, his personal friend, who spent the day with him. Two or three other gentlemen may have had knowledge of what went on behind the guarded doors, for Mr. Coolidge was known to have had some visitors during the day, but who they were or why they called was not divulged. It was the former president's first excursion from his home city since he left the white house, but apparently he didn't choose to make it much of a holiday.

26,000 PERSONS MADE HOMELESS BY FLOODS

MONTGOMERY, Ala., March 21—(AP)—Red Cross officials in Washington estimated today that 26,000 persons had been made homeless by floods in south Alabama and northern Florida and reports of additional scores of refugees were received at Maxwell field, government flying field here. The fliers have been taking a leading part in relief work.

The additional reports came from towns along the Alabama river, which is far out of its banks.

Maj. W. R. Weaver, commandant of the army post, said planes flew over the section around Selma, dropping provisions and blankets to marooned families.

HIGH RECORD IN LOANS TO BROKERS AND DEALERS

WASHINGTON, March 21—(AP)—Loans to brokers and dealers held by New York Federal Reserve member banks for the week ending March 20, were announced by the Federal Reserve board today as $5,793,000,000, representing an increase of $166,000,000 as compared with the preceding week and establishing a new high record.

MISSIONARY HELD BY MEXICAN REBELS

FORT WORTH, Texas, March 21—(AP)—Miss Oline Gregory, of Van Alstyne, Texas, has been informed that her brother, Rev. E. J. Gregory, missionary in Mexico since his graduation from a seminary in 1923, is held captive by Mexican rebels at Culiagan, Sinaloa, Mexico.

CABLED PARAGRAPHS

GENEVA, March 21—(AP)—Elihu Root planned to leave here Friday for Paris, sailing for the United States on the Ile de France April 10.

LONDON, March 21— (AP) —The Daily Express said that Stanley Baldwin, prime minister, intended to appoint Sir Cecil Hurst, who was active in the recent framing of the Root formula for American adherence to the World Court, to the position in the tribunal made vacant by the recent death of Viscount Finlay.

"MR. COOLIDGE" HAD PHONED FOR AIRPLANE

CURTISS FIELD, N. Y., March 21—(AP)—Feverish preparations were begun and great excitement spread over Curtiss field today after "Mr. Coolidge" telephoned requesting that a plane be prepared immediately for a trip to Boston.

Reporters and cameramen flocked to the flying field and Randolph Winslow, chief pilot of the Curtiss Flying Service, was called to pilot the plane on the important air jaunt.

The last detail of the arrangements had been completed when a quiet young man carrying a suit case walked onto the field and inquired: "Is my plane ready? I am Mr. Coolidge."

Field officials, knowing that the former president was in New York, had believed that the telephone call was from him, the photographers silently folded up their cameras and reporters pocketed their pencils and departed after ascertaining that Mr. Coolidge's first name was Avery and that beside the name he had nothing in common with Citizen Calvin Coolidge.

THREE SLIGHT CASES OF SMALLPOX IN NEW HAVEN

NEW HAVEN, March 21—(AP)—Three slight cases of smallpox were reported to health officials here today bringing the total number of cases in this city for the year to eight. Two of the new cases were in the same family. To guard against spread of the malady the premises were quarantined.

Those who have been placed in quarantine are Mrs. Robert McKenzie and Mrs. James McKenzie, 1208 State street and Steven Ambrose, 77 Middletown avenue. The health department urged that physicians report any symptoms of the mild type of cases as a precautionary measure. The cases discovered have been traced as coming from Maine.

MICHIGAN REPEALS ITS "LIFE FOR A PINT LAW"

LANSING, Mich., March 21—(AP)—Michigan's "life for a pint" law, under which bootleggers were subject to life imprisonment for a fourth offense, was repealed today by the state legislature.

The amendment will exempt approximately 120 minor felonies, including such "crimes" as wearing a lodge pin without authority from the class of potential life sentence offenses.

Only felonies for which a maximum sentence of at least five years upon first offense is prescribed now are subjected to life imprisonment. The maximum sentence for first liquor offense is four years.

MARK SULLIVAN TO GIVE BROMLEY LECTURES AT YALE

NEW HAVEN, March 21—(AP)—Mark Sullivan, journalist and author, will give the Bromley lectures at Yale this year, speaking here March 26 and 27, on "Journalism and the Historian," it was announced today. The Bromley lectureship, founded in 1900 in memory of Isaac H. Bromley, B.A. Yale 1853, provides for an annual course of lectures on journalism, literature and public affairs.

114 DEATHS IN FIRE IN WOODEN MOVIE THEATRE

MOSCOW, March 21—(AP)—Fire in a wooden motion picture theatre that had only one exit, caused the deaths of 114 men, women and children in the village of Igolkino. The film caught fire and the flames spread rapidly.

In addition to the dead, 11 were severely injured and six slightly hurt.

First reports attributed the fire to carelessness of a drunken projection operator.

MARINES IN CLASH WITH NICARAGUAN INSURGENTS

TEGUCIGALPA, Honduras, March 21—(AP)—The government was informed today that a Honduranean resident was killed during a border clash by American marines and Nicaraguan national guards with outlaws. About 100 followers of Augustino Sandino were said to have been so closely pushed by the military that the fighting was carried into the town of San Marcos, Honduras. The opposing combatants soon recrossed the border and disappeared.

CLERK FOUND BODY OF MAN IN NEW HAVEN HOTEL

NEW HAVEN, March 21—(AP)—A hotel clerk today found the body of Charles Samesone, of this city, lying on a bed in a room after having registered under the name of Frank Spriotti. Investigation disclosed the address given on the register was fictitious and that the description corresponded with a missing person reported at headquarters today. The man was believed despondent and ended his life by drinking poison.

NO ONE ARRANGING FOR TRANS-ATLANTIC FLIGHT

NEW YORK, March 21—(AP)—On this first day of spring it looks like a pretty soft summer for Dr. James H. Kimball, meteorologist of the weather bureau, and unofficial starter for trans-Atlantic flights.

He said today that not one single person had approached him as yet to arrange for weather information incident to an ocean flight and so far as he knows there aren't going to be any such flights this year.

BLOW TO PERIODICAL "THE HARVARD PROGRESSIVE"

CAMBRIDGE, Mass., March 21—(AP)—A venture of under-graduate socialists at Harvard university into the periodical field met with its first reverse today. A corps of news boys engaged to deliver their new magazine, "The Harvard Progressive," announced their withdrawal from the socialists' employ. They had been warned that they would lose their regular employment if they undertook the new jobs, they said.

Mex. Federals Await Attack From Rebels

Scene of Battle Will Be Mazatlan, Key City in the West Coast Campaign.

(By The Associated Press)

The long-heralded rebel counter-offensive seemed about to sweep down on the federals Thursday with arrival of troops under General Iturbe before the defenses of Mazatlan, key city in the west coast campaign.

For the first time, the federals were awaiting attack from a strong body of rebel soldiers.

Reinforcements for Mazatlan from the main Calles army at Torreon were promised by Mexico City authorities, who announced that 6,000 men under General Cardenas would be sent to crush the rebel movement in Sinaloa. Meanwhile the government thought that General Carrillo could hold Mazatlan against the 3,000 rebels besieging it.

Stray shots were fired Thursday morning after the rebels had summoned the city to surrender, but telegrams from General Carrillo said that the rebel main attack had not materialized.

Rebels claimed to have captured a town 100 miles south of Mazatlan. Over the mountains to reach Mazatlan, which is difficult of access from Torreon, in combination with a railroad journey through the state of Durango. By rail and without marching, they have a journey of nearly 1,000 miles.

General Escobar, rebel commander-in-chief, arrived yesterday at the border city of Juarez, at the same time it was reported that federals defending cases in this city for the year to eight. Two of the new cases were in the same family. To guard against spread of the malady the premises were quarantined.

Those who have been placed in quarantine are Mrs. Robert McKenzie and Mrs. James McKenzie, 1208 State street and Steven Ambrose, 77 Middletown avenue. The health department urged that physicians report any symptoms of the mild type of cases as a precautionary measure. The cases discovered have been traced as coming from Maine.

General Calles was last reported at Torreon by government officials though rebels declared he had gone into central Mexico to face a revolt which had seized several cities there and was threatening his communications with Mexico City.

In the forests of Vera Cruz province, the picturesque, Spartan-like rebel general, J. M. Aguirre, was taken before a drumhead court martial and executed. Aguirre, who led the revolt at Vera Cruz, had been a notable soldier in the rolls of the Mexican army.

MEX. GOVT. NOT ALARMED BY SIEGE OF MAZATLAN

MEXICO CITY, March 21—(AP)—The Mexican government is not alarmed by the rebel siege of Mazatlan, Sinaloa, although the water supply was reported to have been cut off by the attackers. This information was obtained from an official quarter which was confident that the garrison troops can hold the city against any force of invaders for many months, although General Cardenas at the head of 6,000 troops will start shortly to its relief from Torreon.

It was learned that the government had close contact with Col. Jaime Carrillo, the federal commander in Mazatlan. No attack had been made on his position up to tonight. Carrillo had rejected the demand for his surrender made by rebel General Iturbe and early this morning a few scattering shots were fired across the town.

REBEL CHIEF WOULD DISDAIN ANY OVERTURES OF PEACE

JUAREZ, CHIHUAHUA, Mexico, March 21—(AP)—War to the end with no overtures for peace to the regime of President Portes Gil was the policy enunciated today by Gen. Jose Gonzalo Escobar, commander-in-chief of Mexico's rebellious movement.

In a special train under guard of 200 soldiers, the revolutionary chieftain came within a stone's throw of the Rio Grande to the rebel stronghold of Juarez and in an interview with newspapermen freely expressed his aims and purposes and assailed Gen. P. Elias Calles as the real power behind the Mexican government.

President Portes Gil is a "mere clerk," he declared, "in the hands of Calles." General Escobar said the president was unable to name even a single doorman without the approval of the former president, who as secretary of war is the generalissimo of the government's main army waging the campaign to conquer the rebellion.

"We will not expect to make peace with the Calles government and we will not attempt to make any," the rebel commander announced.

DETAILS OF EXECUTION OF GENERAL AGUIRRE

MEXICO CITY, March 21—(AP)—The details of the execution this morning of General Jesus M. Aguirre for leading the rebellion in the state of Vera Cruz were published in an official bulletin tonight.

As he faced the firing squad he said: "At this solemn moment when I am going to die I wish to be an example for the army. I die tranquilly filled with the knowledge that I did what I believed my duty. But I counsel all not to follow the course that I have. Now, boys, shoot here (covering his heart with his hand). Don't hit my face."

Bodies Of 21 Miners Found By Rescuers

All Were Badly Burned in Mine Near Parnassus, Pa.—Six Men Are Missing.

PARNASSUS, Pa., March 21—(AP)—The bodies of 21 miners, all badly burned, were found in the Kinloch mine tonight by rescuers. The bodies were located at the foot of the main slope, scene of a disastrous gas explosion this morning. Rescuers continued to push forward in an effort to find six missing men. Two hundred and twenty-three others, in the mine when the death-dealing blast swept the workins, saved themselves by making their way out of an old entry, five miles from the main drift.

The rescuers who located the 21 bodies said they were burned so badly that it would be difficult to identify them.

They reported that at the foot of the main slope and back several hundred yards, the mine was wrecked, indicating that the origin of the explosion would be found deeper in the workings. They encountered no caves, and said that the work of bratticing so as to carry in fresh air was progressing rapidly.

The explosion occurred in the mining village of Kinloch, near here, shortly after the day shift of almost 300 men went to work. A sheet of flame came ripping up the shaft, setting fire to the tipple and wrecking the fan building. Six men on the tipple were badly burned. Railroad rails, on which the coal conveyors and cage carriers operated, were twisted by the force of the explosion. Sections of sheet metal on the tipple were ripped. Windows throughout the village were blown out.

Within a minute the quiet village became a beehive of activity, mine officials rushed about, gathering volunteer rescue crews. Men, women and children of the village gathered at the drift mouth, some crying hysterically, others mute and staring with wide open eyes at the black pit, behind which their men folk were at work. Fire departments from nearby towns rushed to the scene. State troopers and highway police established lines several hundred feet back from the shaft mouth.

The work of rescue was started when state mine inspectors and experts of the United States bureau of mines, Pittsburgh station, arrived in special trucks. George Maccaa, bureau safety expert, took command and, in a very short time had crews of men ready to go down.

WOMAN INDICTED FOR MURDER OF A PRIEST

CANTON, Ohio, March 21—(AP)—An indictment charging first degree murder was returned by the county grand jury today against Mrs. Mamie Guerrieri, mother of four children and the confessed slayer of Rev. Father Joseph A. Riccardi.

The priest was shot down at the doorway of his church here on Sunday, March 10, a few minutes after he had finished saying mass. Mrs. Guerrieri, still holding a revolver, surrendered to the police when they arrived.

In a confession, she is alleged to have signed, the woman said she shot Father Riccardi because her little daughter had been mistreated at the parish school which she attended. In a death bed statement, Father Riccardi denied that he had ever mistreated Mrs. Guerrieri's child.

PATROLMAN GALLAGHER OF SPRINGFIELD PROMOTED

SPRINGFIELD, Mass., March 21—(AP)—Motorcycle Patrolman Raymond P. Gallagher, who was largely instrumental in the arrest of Lalone and Raymond, now serving life terms in Connecticut for the murder of State Trooper Irving H. Nelson at Pomfret, Conn., was today promoted to the police detective bureau and will take a special course in New York to train himself as fingerprint and identification expert. Gallagher's testimony was a large factor in the conviction of the so-called "ice-box bandits," who prior to the Nelson murder operated in this vicinity.

GAY THRONGS IN OSLO FOR ROYAL WEDDING

OSLO, March 21—(AP)—The first royal wedding here in 340 years today united the reigning families of Norway and Sweden, neighbors of the Scandinavian peninsula who have shared the same king in the past. Crown Prince Olaf of Norway took as his bride Princess Martha of Sweden amid festival gaiety of throngs of their future subjects.

When the couple entrained tonight for their honeymoon they still were pursued by the popular acclaim which had been given them through three days of state and social observances.

FOUR BOMBS AND SHOTGUN FOUND IN MAIL PACKAGE

NEW YORK, March 21—(AP)—Four bombs and a sawed-off shotgun were discovered in a package mailed at the Grand Central post office late today. The package of bombs was addressed to a person in Chicago, whose identity federal and city investigators declined to reveal.

STRENUOUS DAY IN STATE LEGISLATURE

(Special to The Bulletin)

HARTFORD, March 21—The day in the house was uneventful. The expected debate upon the "old age pension" bill failed to appear to any great extent.

When the bill was reported as rejected from the senate, Mr. Donnelly of Bridgeport protested the report of the committee. He contended that the general assembly should make the proposed investigation and not the manufacturers' association. A short explanation was given by House Leader Johnson. The bill was rejected without any other objection.

The report of the committee on cities and boroughs on a bill concerning the collection of tolls in the town of Groton was approved. Where there were fourteen collectors, receiving the taxes for town, borough, fire district and school districts, there will now be one who is to be elected for a term of two years. He is to have a salary of three thousand dollars per year with twelve hundred dollars for clerical assistant and the time required for the performance of his duties shall be fixed by the board of selectmen. He shall have no other occupation.

The bill amending zoning district law relating to Norwich was passed from the calendar. It provides for a fee of fifty cents on each thousand dollars on the value of the building or buildings to be erected and no fee shall be less than one dollar.

The motor vehicle committee were holding a hearing on an act concerning a uniform traffic law. The committee on education heard two bills which contain radical changes from the present laws. The bills are:

S. B. No. 398. (Senator Durant). Providing for the vocational rehabilitation and placement of physically

William J. Leslie, of Worcester, Mass., was taken to the Hartford hospital suffering from what is understood to be a heart attack.

Secretary Kellogg signed treaties of Rumania and thereby brought to eighty the number of treaties to which he has given his signature.

State's Attorney Walter Holcomb, of Litchfield county will act as prosecuting lawyer against Attorney Joseph C. Guilfoile of Waterbury.

Irving A. Andrew, 46, a farmer and dairyman of Orange died at Griffin hospital in Derby the immediate cause of death being a paralytic stroke.

Work on a new 130-foot, all steel diesel yacht for Edsel B. Ford, of Detroit, will be started soon by George Lawley & Sons, Neponset, Mass., shipbuilders.

How Marshal Foch strictly observed the prohibition law while on his trip through the United States in 1921 was recalled yesterday by those who traveled with him.

At the Worcester County Universalist conference in West Upton, Mass., resolutions were adopted urging closer relationship with the Congregationalist church.

Doctors, nurses and volunteers have united to wage a battle against an epidemic of scarlet fever numbering 350 cases amonog 3,000 students at Berea college, Berea, Ky.

Aroused by the crying of an infant Mr. and Mrs. Walter Lowell and their two children of Conantville were forced to flee for their lives when fire was discovered in the home.

W. J. Hollowa · yesterday was Oklahoma's fourth governor in six years, following the removal from that office of Henry S. Johnston by a senate court on a charge of incompetency.

Arthur Deineen, of West Roxbury, 16, was drowned in the first canoe fatality of the season on the Charles River in Dedham, Mass. A companion, Francis J. Corbett, swam to shore.

One American marine was killed and another wounded in a fight with outlaws March 17 near Pavona, Jinotega, Nicaragua, reports received by General Logan Feland, commanding officer.

Five members of the family of James Kunik, insurgent mine leader in the Southeastern Ohio coal fields, escaped death when a bomb wrecked their home at Brookside, near Bridgeport, Ohio.

The Bigelow Hartford Carpet Co., Thompsonville, announced that they had shipped the first carpet from a loom that produces the largest size in the textile industry. The carpet is 40 feet in width.

The Internal Revenue bureau reported that production of cigarettes in February amounted to 531,000,000 more than the same month last year, the total 8,062,499,320 providing a tax of $24,195,621.

George Weidemann, 51, of West Haven who was struck by an automobile by Benjamin Dodd, Jr. of New York city and a student at Sheffield Scientific school of Yale, died at the New Haven hospital.

Phyllis Haver, actress, has announced at Hollywood that her last motion picture will be completed in April after which she will marry William Seaman, New York business man, and retire to private life.

Mrs. Ann Langrock Teisler, 24, who sang over the radio under the name of Ann Lang, was found dead in her gas-filled apartment in midtown Manhattan. Police said she had committed suicide. No notes were found.

Miss Elizabeth G. Brown, daughter of Mrs. Herbert W. Brown of Duluth, Minn., and Frederick Vanderbilt Field, son of Mr. and Mrs. William B. Osgood Field, were married Wednesday at the Field home in New York.

Ambassador Herrick was designated by President Hoover to be his personal representative at the state funeral of Marshal Foch. General Pershing was designated by the war department to represent the army.

A committee of the board of visitors of Virginia Military Institute, Richmond, Va., announced that Major General John A. Lejeune, former commandant of the marine corps, had accepted the super-intendency of the institute.

A 14-year-old school girl, Thoreau B. Raymond of Taunton, received from former President Calvin Coolidge a letter congratulating her on her poem entitled "Calvin Coolidge" published recently in a children's magazine.

The Bank of America and the Bancamerica corporation its affiliated Security company, of New York, both controlled by A. P. Giannini interests of San Francisco were merged with the International Banking House of Blair & Company.

Reports that the Atlantic Coast Fisheries with headquarters in Connecticut, are buying out the Maritime Fish corporation, are substantially correct according to Alfred H. Brittian, vice president and managing director of the latter firm.

The Leviathan sailed on her last eastward voyage as the flagship of the United States lines. When the big liner returns it will be taken over by Paul W. Chapman and company, which has purchased from the shipping board both the United States and the American merchant lines.

LEADERS OF NATIONS PAY TRIBUTE TO MARSHAL FOCH

Kings and Presidents, Generals and Ministers Do Honor to the Dead Warrior—From Every Land Are Being Received Expressions of Admiration and Love—On Tuesday the Great Soldier Will Be Given a National Funeral—On Sunday His Body Will Rest Beside That of the Unknown Soldier.

PARIS, March 21—(AP)—The wide world mourned today with France at the bier of Marshal Foch.

King and president, general and minister of state came to pay him tribute while thousands of the more humble crowded into the courtyard of his house to inscribe their names in the register of those who came to do him honor.

Representing Belgium, which was the first to feel the wounds of the great war, came King Albert to pay tribute to the man under whom he had served in Flanders as head of the Belgian army in the last days of 1918. Gen. John J. Pershing, commander-in-chief of the American Expeditionary force, also came. President Doumergue, Premier Poincare and former Premier Clemenceau, "the father of victory," were there, too.

Across every land and every sea expressions of admiration and love have come winging their way to the home of the modest, devout Frenchman into whose hands millions of people placed their national destinies during the World war.

The great men of France followed one another into the marshal's home while soon after came King Albert, who knelt in prayer beside the marshal's body for a full five minutes, spoke a few words to the marshal's widow and then returned immediately to his own capital.

Present also were military officers from Italy and other countries over whose soldiers the marshal had held supreme command.

On Tuesday France will give her great warrior the tribute of a national funeral.

On Sunday and all Sunday night, his body will rest under the Arc de Triomphe beside that of the Unknown Soldier and the next day he will be moved to the cathedral of Notre Dame, where the church to which he gave daily devotion during all his life, will hold services over his body before he is taken away to rest forever with Napoleon under the dome of the Invalides.

Until the marshal is placed beside the tomb of the Unknown Soldier on Sunday, his body will lie in state at his own home, where this evening 5,000 persons passed by his catafalque, leaving as many more waiting their turn in line when the doors closed for the night.

Tomorrow the slow and silent march past the candle-lit catafalque will be taken up again, to continue throughout the day.

While the public in Paris paid its tribute in person today, kings, presidents and princes sent messengers to the Foch home and to the presidential palace to express their admiration for the marshal and their sympathy for the widow and nation which have lost him.

To mourning France and to the grief-stricken widow there also came from all ends of the earth untold thousands of messages expressing deep love and affection for France's most honored soldier since Napoleon.

$420,000,000 SET FOR ANNUAL REPARATIONS PAYMENT

PARIS, March 21—(AP)—One billion seven hundred and fifty million marks (approximately $420,000,000) is the irreducible minimum which Germany's creditors will accept as her first annuity payment under any new reparations plan.

Experts representing the allied nations today reached this definite point in the long negotiations leading up to revision of the Dawes plan, and so informed Dr Schacht, chief of the German delegation.

Tonight Dr. Schacht left for Berlin with a reduction of 700,000,000 to 800,000,000 marks over present annuities as an inducement to the German government and German financiers to come quickly to terms with their allied creditors.

There were other conditions, notably definite of the amounts payable in subsequent years and the number of payments. But what these were, Dr. Schacht and his colleagues of the second Dawes committee kept carefully concealed.

Dr. Schacht has received nothing resembling an ultimatum. But his associates of the allied colintries, who always have found him open to free discussion of every aspect of the reparations problem, have pointed out to him urgent reasons why Germany should accept the figure communicated to him today.

They have made it plain, with the utmost clearness that Germany's creditors have gone to the limit in making relatively convenient terms of payment.

GANG OF COUNTERFEITERS BROKEN UP BY FOUR RAIDS

BUFFALO, N. Y., March 21—(AP)—A gang of western New York counterfeiters has been broken up as the result of four raids made here today by U. S. government operatives. Eight men and two women are under arrest, the former held in $25,000 bail each and the women in $1,000 bail. Much paraphernalia for the making of spurious money was seized with a large quantity of the finished product in $10 bill denominations. The raids culminate a four weeks' investigation by the government operatives.

One of the places raided was a photo engraving plant, another a storehouse containing $80,000 in counterfeit money, a third contained a printing press and a quantity of notes and the fourth another printing press and a complete counterfeiting plant. All the prisoners are residents of Buffalo.

The coup was made by a squad of operatives from Boston, Chicago, New York and Detroit, in co-operation with local agents. Government men contend that none of the thousands of $10 bills which were manufactured had been put into circulation.

HEARING ON CHANGE OF TRAFFIC CONTROL SIGNALS

HARTFORD, March 21—(AP)—Elimination of the yellow caution light in traffic control signals, suggested as an amendment to the uniform traffic bill under consideration by the motor vehicles committee of the legislature, met with the approval of police chiefs present at a hearing before the committee in the hall of the house of representatives today.

Chief Garrett J. Farrell, of the Hartford police, said that it was his personal opinion that the yellow light could as well be done away with, although the Connecticut Association of Police Chiefs, sponsor with the state motor vehicles department of the bill, had taken no stand on the matter.

"I never can see any benefit from the yellow light," asserted Supt. of Police Charles A. Wheeler, of Bridgeport. "We only use it because it comes with the rest of the equipment."

ANNUAL DINNER OF NEW HAVEN COUNTY BAR ASS'N

NEW HAVEN, March 21—(AP)—Two hundred and fifty members of the New Haven county bar, with judges of the supreme, superior and other courts, attended the annual dinner tonight of the County Bar association. Dean Robert M. Hitchins, of Yale Law school, spoke on the accomplishments and the new work and aim of the law school.

HOOVER'S FIRST APPOINTMENT TO FED. RADIO COMMISSION

WASHINGTON, March 21—(AP)—President Hoover has selected Major General Charles McK. Saltzman, retired, former chief of the army signal corps, fo rappointment to the federal radio commission from the fourth zone, and now is casting about for a man qualified to represent the first zone upon the commission. The fourth zone comprises mid-western states while the first zone takes in the New England and middle Atlantic area.

Formal announcement of the Saltzman appointment is being withheld until the first zone member, who must be a democrat, is decided upon. The president will not submit to the senate the names of Arthur Batchelder and C. M. Jansky who were selected by President Coolidge for these two places but whose nominations failed of confirmation at the last session of congress.

In making this, his first appointment to the radio commission, Mr. Hoover chose a native of his own state of Iowa. General Saltzman served with distinction over a long period in the army signal corps.

The president was busy today with numerous callers who discussed among other subjects the questions of flood relief in Alabama and farm relief. In addition he received large delegations from the Association des Croix de Guerre and from the geological survey, which was celebrating the fiftieth anniversary of its establishment.

CONSIDERING SUIT TO HAVE MARRIAGE ANNULLED

BRIDGEPORT, March 21—(AP)—Judge Carl Foster, in superior court this afternoon, took into consideration the request of Elsie L. Krompinger Dowling, 23, a Danbury telephone operator, to have annulled her marriage fo Edward B. Dowling, an East Norwalk druggist. The request for annulment was based upon an allegation that she was forced into the marriage contracted on Jan. 7, 1928, in South Salem, N. Y., under threat of imprisonment for the alleged theft of Dowling's automobile.

The girl accused Officer Henry C. Webb, of the Norwalk police department, as being the officer who threatened her with arrest and who suggested that the marriage to Dowling would forestall criminal action carrying with it an implicated penalty of several years in state's prison. Brought face to face with his accuser, Webb denied having ever seen Mrs. Dowling before her appearance in the court and Mrs. Dowling was weak in her identity of the policeman, declaring that she "might have been mistaken."

TO HALT SPECULATION IN COTTON TRADING

NEW YORK, March 21—(AP)—Coincident with the growth of speculative interest in cotton trading, the New York Cotton exchange has acted to tighten the credit requirements for dealing on the exchange. The board of managers posted a notice today announcing that beginning May 16 members shall not extend credits to customers amounting to more than $5 a bale of to a maximum of more than $10,000 to any one customer.

The notice states, "The extension of credits directly or indirectly to any person, firm, corporation or association in excess of $5 a bale of exceeding a maximum of $10,000 is declared to be an act detrimental to the best interests of the exchange, and is hereby prohibited. Any member violating this rule shall be subject to suspension or expulsion."

INDICTMENTS RETURNED AGAINST POLICE FORCE

CAPE MAY COURTHOUSE, N. J., March 21—(AP)—The Cape May county grand jury late today returned indictments against Mayor Joseph O. Champion, of Ocean City, Chief of Police Howard Johnson and 18 members of the Ocean City police force.

All were charged with nonfeasance and malfeasance in office. The grand jury also has made a comprehensive survey of vice and gambling conditions in Ocean City. It is expected owners of 27 places also may be indicted.

WILLIMANTIC

EARL J. ARNOLD RESIGNS AS C. OF C. SECRETARY

(Special to The Bulletin)

WILLIMANTIC, March 21—Earl J. Arnold, executive secretary of the Willimantic chamber of commerce since February 15th, 1928, tendered his resignation at a special meeting of the board of directors of the chamber held in the Nathan Hale hotel this afternoon. Upon motion, the resignation was accepted with regret to become effective not later than April 13, when Mr. Arnold will assume the position of executive secretary to the chamber in Waltham, Mass. He was elected to his new position recently by a unanimous vote of the members of the Waltham chamber.

The resignation offered by Secretary Arnold states that Mr. Arnold has been presented with several opportunities in other cities during the year, but for a time these were overlooked owing to the short period of time he had been engaged in work here and also to the fact that considerable work remained to be done.

Secretary Arnold took occasion in his resignation letter to commend Willimantic on re-organized and re-energizing its chamber of commerce and in pointing to the success of such an endeavor he recommended that the operation of the chamber under a paid secretary be continued. He expressed appreciation for the co-operation given him by members of the chamber and the citizens at large.

Upon the acceptance of the resignation President Frank P. Fenton was empowered to appoint a committee of three to make arrangements for the engagement of a new secretary and also to draft appropriate resolutions of regret upon Mr. Arnold's departure.

In a public statement made after the meeting Mr. Arnold said, "My associations while in this city with the public, the board of directors and contributing agencies, including the newspapers, have been unusually pleasant and it was only after much consideration that I was prompted to accept the new position as a field of opportunity to myself."

Mr. Arnold said that at least four

EARL J. ARNOLD

definite propositions have been presented to him for positions in larger cities of late. Wattham has a population of about 28,000 and is near Boston. Mr. Arnold came here as the first executive secretary of the chamber of commerce at a time when the organization was reorganized and put on a paying basis. Under the general direction of the secretary many new fields of work have been developed and the progress made in the past year has been remarkable.

As part of other business taken up during the special directors' meeting it was voted to present the Natchaug Grammar school with a framed portrait of its late principal, James L. Harroun, as well as two approximately framed statements in regard to his death and what he accomplished during his extended educational career.

A committee was appointed to devise ways and means of raising necessary funds for bringing to this city two silk plants, including the Willimantic Silk, Inc. The directors also voted to extend assistance and co-operation to the state officers of the Christian Endeavor union in staging the state convention of the Connecticut unions in Willimantic April 5-6 and 7. This action was taken at the request of the state officers in view of the death of Mrs. Merton C. Andrews. Willimantic chairman of the convention committee, with whom the chamber had been co-operating. President Fenton was elected national councillor to represent Willimantic for the United States chamber of commerce.

H. C. MURRAY CO. CELEBRATING ITS FIFTIETH ANNIVERSARY

(Special to The Bulletin)

WILLIMANTIC, March 21 — The fiftieth anniversary of the founding of the H. C. Murray company, the largest department store in Windham and Tolland counties is being observed by the firm. In March, 1889, H. C. Murray and Mr. McCracken opened a dry goods store in the old David Card building on Union street and named the business the Boston store, which name has been retained to the present time. One year later Mr. Murray purchased the interest in the firm and during the same year moved the business into the new Loomer Opera House block on Main street. He purchased the old Brainard House on Main street in 1893 and that year erected the present Murray block which was opened for business on March 17, 1894.

Under the name of the H. C. Murray company, the business was incorporated in 1905 with the late Mr. Murray as president and the late James P. Bath as secretary and treasurer. Owing to failing health, Mr. Murray retired in February, 1918, and his death occurred shortly afterwards. Mr. Bath, who had been in the employ of the Boston store since boyhood, became financial head of the concern and continued in that position until his death on November 26, 1927. Following the precedent of business energy and high principle established by the founder, Mr. Bath contributed much to the expansion of the business. His brother, Robert Bath, who had been with the concern for many years, retired in May, 1928.

The present officers of the H. C. Murray company are: Joseph B. Riordan, president and treasurer; Luke P. Allain, secretary; Miss Ruth E. Adams, assistant secretary and treasurer. There are 15 departments in the store, each department being conducted as individual unit. A total of 35 people are employed in the establishment which covers in all 31,250 square feet of floor space, with daily elevator service to the various floors.

TENANTS FLED FROM BURNING CONANTVILLE HOUSE

(Special to The Bulletin)

WILLIMANTIC, March 21—Fire of undetermined origin was discovered between five and six o'clock this morning in one of the dwellings owned by the Max Pollock Thread company in Conantville, three-quarters of a mile north of the city line in Mansfield. It forced the occupants to flee for their lives and destroyed the structure. The house was occupied by Mr. and Mrs. Walter Lowell and their three children. Mr. Lowell, who is foreman of the dyeing department of the Pollock company was awakened about five o'clock by the cries of one of the children. He detected a strong odor of smoke and heard a crackling noise on the lower floor. Rushing down the stairs he found the front room a mass of flames and he returned quickly to take his wife and family to safety.

From the home of a neighbor the villagers were summoned and a request was also made for assistance from the local fire department. When it was learned here however, that the flames had made such headway that there was no hope of saving the house or contents and that the building was located outside of local jurisdiction, the department made no response.

The house and all the contents burned to the ground causing a total loss estimated at about $6,000 with the Lowell family claiming between $3,500 and $2,000 of this loss on the contents. Mr. Lowell is unable to account for the origin of the blaze as the only fire in the building was in a boiler in the cellar, and the front room, where the fire evidently originated, is located away from the chimney.

OBITUARY

Miss Lydia F. Crookes

Miss Lydia Floyd Crookes of South Coventry died at the Willimantic General hospital Wednesday afternoon. She was born in New York city, September 23, 1667, a daughter of Edwin and Lydia Edmonds Crookes. The deceased leaves one sister, Mrs. Ray Krombie of South Coventry; a brother, Edwin Crookes of East Hartford; and several nephews and nieces.

Elmer J. Mathews

Elmer J. Mathews of South Willington died in a Hartford hospital Wednesday. He leaves his wife, a son, George Mathews, and a daughter, Miss Sarah Mathews, all of South Willington. The deceased was a member of Oliver Carey Post, U. S. W. V., of Stafford Springs.

The following committee has been appointed to have charge of the 1929 Elks' Country fair staged annually early in September by Willimantic lodge, No. 1911, B. P. O. Elks: Aime J. Martineau, John H. Wilcox, George W. Hickey, Robert Casey, H. C. Higgins, Lester M. Shea, William H. Smith, Edgar W. Jacobs, Gilbert P. Flynn, Nelson A. Daniels, Harry S. Taucher, William B. Sweeney, Jerome L. Piche and Charles H. Palmer.

Engine Company No. 1 responded to a call for a fire in a shed in the rear of 380 Ash street this morning. The shed was the property of Jeremiah P. Lacash. One side of the structure was damaged from a fire started when a heap of papers in the yard was ignited and the sparks ignited on rubbish adjoining the shed. In connection with this blaze Fire Chief Wade U. Webster again stressed the necessity of securing a permit before burning rubbish or grass within the city limits.

FUNERAL

Mrs. Nellie Scheron

Funeral services for Mrs. Nellie Scheron were held at 31 Union street this morning with a requiem high mass in St. Joseph's church at 9 o'clock. Rev. Francis Duch was the celebrant. Burial was in St. Joseph's cemetery where a committal prayer was read by Father Duch. Arrangements were by the Martineau-Leon Corp.

Special services are prepared in the various churches for Palm Sunday. At St. Joseph's and St. Mary's churches impressive high masses will be celebrated at 10:30 o'clock with the procession of priests and altar boys attending the blessing of the palms which will be distributed to these masses.

A tea was given to faculty members by the junior class of the normal school Wednesday afternoon. The Misses Muller and Sheehan poured and the Misses Margery Robshaw and Hazel Haire sang selections. Arrangements were in charge of the Misses Kennedy, Sullivan, McGaughey, Sampson and St. Germain.

Captain Ellison S. Smith and the non-commissioned officers of Company C, 169th Infantry, C. N. G., attended a school on military matters at the state armory in Hartford Wednesday evening. Rifle marksmanship was the principals study.

While working in his place of business today, Harry Kaufman found an issue of the New York Evening Telegram which happens to be the date of his birthday, Monday, June 10, 1901. The newspaper was in good condition.

Mr. and Mrs. Joseph Orlomoski and son left from New London Wednesday for Joliet, Ills., where they will make their future home. Mrs. Orlomoski was formerly Miss Annie Butler, daughter of Mr. and Mrs. Walter W. Butler of Ash avenue.

Joseph D. Beladeau of Norwich has sold to George W. Moore a tract of land on West Main street, near the Pleasant Valley road, according to a warranty deed on file at the town clerk's office.

Mr. and Mrs. Jacob Cohen have returned from New York where they attended a play given by the Little Theatre Opera company of which their daughter, Miss Celia Cohen is a member.

Mrs. James W. Litterick entertained the Ladies' society of St. Paul's parish at her home Wednseday afternoon. Sewing was accomplished.

Byron S. Hawkins is improving at his home on North street where he has been critically ill.

Mr. and Mrs. Thomas J. Little have been entertaining their daughter, Mrs. L. E. Kinney, Mrs. Keys and daughter Miss Gladys Keys of Mystic.

Mrs. John A. Lutton left today to spend a week with her brother, Robert Atkins in Providence, R. I.

Miss Jessie M. Baldwin writes that on March 4 she was nearing Constantinople and was enjoying the trip despite the cold and rough weather.

The Misses Lucy and Jennie Chandler of the faculty of the faculty of the Misses Masters' school at Dobbs Ferry, N. Y., are at their home for the spring vacation.

Mrs. William R. Harmon entertained with an informal bridge party and luncheon Wednesday evening. Three tables were in play.

WINDHAM VOTES FOR REVALUATION; TAX 14 MILLS

(Special to The Bulletin)

WILLIMANTIC, March 21—About 400 people turned out for the special town meeting held in the town building tonight and voted unanimously to cause a revaluation of the town property at an expense not to exceed $18,000. Provision is made that this work be done by October, when the list is entered for taxation.

By a standing vote of 118 to 68, the meeting voted to maintain the 14 mills tax rate, which prevailed in 1928. Town officials pointed out in the discussion that a 14 mills rate would not meet the expenses which had been unexpectedly swollen by a county tax of over $23,000, which must be paid this month. The grand list amounts to $17,915,975 and a 14 mills tax on this will raise $250,920. The budget calls for $338,000, not including the county tax in full. There are, however, other forms of income other than taxation that are secured by high and grammar school tuition from other towns, personal taxes, rents, etc.

The tax rate was taken up in the first clause of the warning as read by Town Clerk Frank P. Fenton. Judge James F. Twomey was moderator. Robert O. Snow talked in favor of 14 1-2 mills but failed to secure anyone to second his motion and a motion for 14 mills, put by Eugene J. Randall, was adopted as stated. The matter of revaluation brought out a wealth of discussion, which continued for about an hour and a half. A resolution to have the work done by hiring an expert before Feb. 1, 1930, was presented by Town Counsel Arthur T. Kelley. A. L. Gelinas stated that he believed that local assessors should do the work. R. O. Snow predicted a forty per cent increase in the grand list as the result of an expert revaluation. Dr. F. E. Wilcox, one of the assessors who more than doubled the town tax list in a revaluation in 1911, stated that he did not look forward to any tremendous increase and suggested that local assessors do the work. George E. Gifford, member of the present board of assessors, who have just completed their work on the 1928 list, read a letter in which the local board went on record as recommending the employing of outside experts, to be followed by the establishment of a permanent tax office in order that the revaluation work could be sustained. It was pointed out that equalization of property values was sought in a revaluation, even more so than general increases. The speaker of the occassion was Tax Commissioner William H. Blodgett, who warned against the so-called "Pierce-Arrow" axe in which the towns of the state are now riding. He sounded a note of warning in this connection with a statement that constantly rising tax rates are likely to become repressive to citizens and industries. He cited figures to show that Windham was collecting in taxes and other formes of income an average of $451,000 a year which was spent in conducting the town business. The assessors responsible for this amount, receive in total about $1,500 a year.

He strongly urged an expert revaluation and the establishment of a permanent tax office to follow up this work. He pointed out that aerial photographs of the town with measurements of property by engineers proved the most adequate form of map to guide assessors in their work.

Commissioner Blodgett said that Windham ranked 23rd in the state in population; that it was 29th as to grand list total; and 110th for its per capita tax, which is $28.86, as compared to the state average of $41.16. Town Clerk Fenton read a report of the revaluation committee of the city planning commission in which a revaluation was recommended. The vote was then taken. The third and final clause in the warning was for the payment of a balance of $1,410, representing ten per cent of a bill due Contractor Oliver L. Willard for improvements to the trade school. This amount was voted paid. The meeting adjourned at 9:45 o'clock.

MARYLAND FARMS LOSE CLOVER SEED SUPPLY

COLLEGE PARK, Md.—(AP)—Failure of Maryland farmers to develop good seed has resulted in a steadily waning production of red clover, once a favorite crop on hundreds of good farms. University of Maryland agronomists say that what little home-grown seed there is is very weedy.

Seed from foreign countries and western sections of the United States is not adapted to Maryland conditions because of anthracnose, a disease to which red clover is susceptible.

In a period of years clover grown in Maryland and adjoining states will develop a certain resistance to anthracnose, but the production of high quality seed in these sections apparently has made little headway.

RAISES POTATO CROP WITH MACHINERY ONLY

LANCASTER, N. H.—(AP)—Fred W. Peaslee raised 11,300 bushels of certified seed potatoes on 25 acres without the aid of a horse. Relying wholly on motors to draw his plows, planters, cultivators, sprayers and diggers, he used only 84 hours of man labor for each acre—which is about half the average for the state.

The field was cultivated six times and sprayed seven times. About 28 hours were spent on each acre pulling out the diseased plants and wild mustard, a practice that is necessary only for state certification.

Wise is the young attorney who peruses old books.

Artificial means of warming the air over aviation fields can be used to dispel fog, but is not yet determined whether the expense is too great for practical purposes.

The Negro death rate in northern states has been higher than the birth rate, but recently there have been more births than deaths in a number of the cold weather states.

The greatest amount of fog recorded by any fog signal station in this country during the last fiscal year was at Moose Peak light station, in Maine, where the fog signal operated 1,934 hours, or 22 per cent. of the year.

The term "midshipmen" for cadets at the United States Naval academy, originated in the British navy about 200 years ago. The men who were going through a course of training to become officers were assigned to quarters amidships on the lower deck.

George Bell, seventy-six, has rounded out fifty-five years as a street car conductor in Chicago, serving on the same line from the days of horse cars and straw-covered floors to the present era of electricity. Bell recalled the days when deep snows forced the conductor to get out and push when his horses were unable to pull the load.

A mathematical expression of the way the moon cooled when it entered the dark shadow of the earth, and so received no heat from the sun, gave the value of 120. Dr. Epstein made similar measurements in the laboratory of the cooling of various materials. Granite gave a value of 16, which meant that it cooled more slowly. Basalt gave 24 and quartz sand 58. Pumice stone, however, gave values of between 160 and 150. As pumice is of volcanic origin, this appears to be action on the moon, which may have Petrosky in behalf of the boy, claim-formed the craters.

COLCHESTER

PRINCIPAL R. O. KENDALL GOING TO WETHERSFIELD H. S.

(Special to The Bulletin)

COLCHESTER, March 21—Raymond O. Kendall, principal of Bacon academy for the past two years, has been elected principal of Wethersfield, Conn., high school, his new duties to commence at the beginning of the school year in September. Mr. Kendall is a graduate of Murdock high school, Winchendon, Mass., class of 1917, and of Clark university, Worcester, class of 1920. During the summers of 1927 and 1928 he attended the graduate school of the University of New Hampshire. He has had considerable teaching experience. From 1920 to 1922 he was instructor at Monson, Mass., academy, and from 1922 to 1927 sub-master at Grafton, Mass., high school. Since 1927, Mr. Kendall has efficiently served as principal of Bacon academy in Colchester.

During the two years that he has been in charge at the academy, notable improvements have been made in the teaching system and the school activities have been more varied. Under his supervision several new courses of study were added to the curriculum. He supervised the organization of the school glee club, French club, science club, dramatic society and the Academy orchestra, all of which have been unusually active during the past year. Under Mr. Kendall's guidance, athletic activities have increased. Bacon academy basketball and baseball teams are fast, gaining a fine reputation among high schools in eastern Connecticut. At Wethersfield high school, Principal Kendall will be in charge of a staff of about 25 teachers and about 500 students. During their two years' residence in Colchester, Principal and Mrs. Kendall have made numerous friends who are indeed sorry to learn that they are to leave the community. However, their friends here are pleased to note that Mr. Kendall's unusual administrative ability is being recognized throughout the state, as is evidenced by the fact that he is advancing from the principalship of a high school of about 100 students to be principal of a school with about 500.

Grange Confers Degrees

There was a good attendance at the meeting of Colchester grange, No. 78, P. of H., Wednesday evening, with Worthy Master Gerhardt presiding. The recently organized degree team conferred the third and fourth degrees on five candidates, after which a fine supper of salads, pie, cake and coffee was served. Visitors were present from Columbia, Hebron, Groton, Woodbridge and Litchfield, Me., granges.

Mrs. J. J. Horwitz has returned home after several weeks' visit with New York relatives.

Prof. William J. McDonald, of Williston academy, Easthampton, Mass., is at his home on School street for the Easter vacation.

GETTING INTO THE COURT.

When Elihu Root went to Europe it was for the purpose of bringing about an understanding of the reservations by the United States which would result in its joining permanent court of international justice. Mr. Root was picked for his ability and his understanding of the situation and he was chosen in the belief that he would be able to succeed if anyone could.

As the result of his conferences at Geneva he has been able to present a plan that has been accepted by the representatives of the respective nations. This has resulted after a careful study of its provisions and an equally careful explanation on the part of Mr. Root. From all indications there appears to be a desire to have the United States a member and in this country that has long been a desire that we should be a member. This doesn't mean that there may be no objections on the part of other countries to the Root formula or that the plan will get the endorsement of the United States senate without opposition. Thus far the matter is one step nearer the test to determine what will be done.

The new plan is intended to clear up uncertainties. The trouble has centered about advisory opinions and it is provided by the Root formula that whenever the court is asked for an advisory opinion it shall notify this government in order that it may disclose whether it is interested or has any objection to the giving of such an opinion. If there should be no opportunity for this and the United States informs the court that it is interested it will serve to stay proceedings until the objection of this country can be presented and there has been an exchange of views upon the matter.

Should the court decide in spite of that that the advisory opinion should be given it would then be within the right of the United States to withdraw its membership in the court and it would not be regarded as a display of ill will or an unwillingness to cooperate generally for peace and good will.

This country as well as the others must ratify the action at Geneva and it is a question whether the opponents in the senate will be able to accomplish as much as they expect. At present it doesn't face clear sailing.

THE FOREST FIRE SEASON.

That we are entering upon a season of the year when much damage to property and woodland may result is evidenced by the calls of city fire departments to sections where grass and brush fires are in progress, where either accidentally or intentionally, fires have been started and gotten out of control, and by the calls to the country fire fighters to rally for the subduing of fires in wooded areas.

It is one of the accompaniments of spring, especially when the March winds dry up the leaves and underbrush and provide the best kind of kindling material for the discarded match or other firebrand. It would be most unusual to go through the season without many fires and considerable losses. They have come to be regarded as going with the season and yet it should be equally recognized that there is much valuable work that should be done in behalf of prevention.

Fighting fire is necessary. There isn't anything else if destruction is going to be stopped, and fire fighting is hard work. It is unfortunate that a similar amount of energy, or even more in view of the possibility of a greater number participating, should not be employed in preventing. That is much easier than fighting. It calls for a little thinking but not much work. With a bit of consideration given to what is being done fire prevention is simple and those who have experienced the losses from fire know that is preferable. It is worth while giving it a thought when placed where it can be put to good use. All that is necessary in most instances is to use an ordinary amount of common sense and display a bit of consideration for the property and rights of other people, especially if you are using them for your special pleasure.

MILLIONS VS. CARE.

In the Massachusetts legislature the creation of a commission for the study of the grade crossing situation in that state. The idea is to devise some means of abolishing them.

If the commission should be named and it should bring in a report to the effect that grade crossings should be removed through joint expense on the part of the railroads, the state and the respective towns it would be no different than has previously been urged. Already the state has provisions for the removal of such crossings, but any state knows that it involves the expenditure of a huge sum of money, more than the railroads have had most of the time, more than the states have had at times and more than many of the towns have wanted to stand. More eliminations have not taken place because of this financial feature.

It would be nice to have no railroad crossings quite the same as it would be to have a lot of unpleasant things removed over which we have to observe more or less care as long as they prevail, but what would be the thought of the Massachusetts legislature if its special commission should bring in a report to the effect that crossings are for the most part death traps only because of the manner in which they are used? What would be the reaction if it reported that the death traps could be eliminated by the exercise of a bit of care on the part of the highway users and that the erection of proper signals and lights at all crossings would meet the situation?

If such a report should be made it would involve no gigantic financial burden to accomplish the desired results. It is in fact within reach at the present time without any commission or any report. Not all crossings are alike, some are more dangerous than others, but if the necessary amount of care should be used at each and every one of them, if signals and warnings were obeyed, there would be very few of the deplorable fatalities which have occurred. Surely the part which care can play in eliminating the death traps cannot be entirely eclipsed by the desire to throw hundreds of millions into such construction work as would be involved in actually removing the crossings.

DANGER IN KINDNESS.

Frequently a person declares that he could not be so hard hearted as to refuse an appeal for a ride, such as is often sought along the roadside by many going from one point to another. This attitude is only what might be expected from a sympathetic person willing and anxious to help someone else. It is only the one that would be expected if every appeal were an honest one.

From all indications Alfred Kindberg of New Jersey was one of those individuals, for when driving along the Storm King highway he was accosted by a man who sought a ride. He yielded but as the result of his experience he has probably been converted to the wisdom of avoiding just such needless trouble.

It was not long after Kindberg had taken in the stranger that the latter offered to spell him at the wheel. Kindberg again yielded only to have the stranger draw the car up near a stone wall over a cliff, under pretense of trouble in the machine, and then followed a scrimmage in which the car owner was put over the wall and the car was driven off. That was the thanks he received for being willing to give a fellow a lift. Fortunately he was able to get in touch with authorities and recovered his car but even the most deserving is going to get a frosty reception when in the future he is asked to give them a lift.

His experience has been much the same as many others who have been singled out as victims and it is important that others should take these lessons to heart as a protection to themselves. It is because of just such happenings that drivers have ceased to grant rides. There have been all kinds of crimes committed under such circumstances, and prevention lies in paying no attention to those who are scheming harm. This means that many worthy appeals may be turned down but that is unavoidable when it is impossible to pick the good from the bad. The driver who makes up his mind to respond to no appeals, except they be from acquaintances, is taking a safe course, and in view of the too frequent serious consequences of doing otherwise it is the only wise thing for him to do in the interest of self protection.

DAYLIGHT PRIVILEGE REMAINS.

For a number of years the state of New York has been permitting its people to suit themselves in regard to daylight saving. If a community wants to get the benefit of it they have the right to do so. If others don't they are privileged to remain on standard time. It creates some confusion but in their respective localities everyone seems to be happy. Local option has been particularly satisfactory to the cities of the state.

Through the legislature a determined effort has been made this year to bring about the repeal of the local option privilege. The aim has been to require all communities to observe standard time and there was a feeling that the small towns would display sufficient strength to accomplish the change. Though such an advantage may exist, the first test, and perhaps the final one this year, has brought about the return of the bill to the committee. This doesn't kill the bill by direct action but it probably amounts to the same thing.

Thus there are nearly 200 communities in the state of New York which are not going to be deprived of a much cherished privilege. They have tried both times during the summer and they find there are advantages in daylight saving which they are unwilling to sacrifice, and it would have created a great distress of mind if the bill which the house turned back had gotten favorable action. New York has been an ardent supporter of daylight saving through its cities, and it is evident that it is not yet ready to throw over an arrangement that is becoming firmly fixed. That they would have greatly resented an upset seems plainly indicated.

EDITORIAL NOTES.

The man on the corner says: Have you completed all your plans for the first Monday in April.

Even though the sap is running Vermont will be more contented when the flood season is over.

Spring is coming so rapidly that some can almost hear the jazz for which the mosquitoes are famous.

No oversubscription of that $1,500,000 deficit piled up by the democrats in the last campaign has as yet been reported.

SHEER RUTHLESSNESS

"Wait a minute, Woozy!" called the girl from across the street, as the handsome young man slid into his roadster at the curb before his family residence. She dashed out from the shrubbery on her side of the avenue and made his car in what seemed like three leaps.

"I was just wondering what to do with myself," she confided, large-eyed, "and then when you came out I knew. It's a perfectly gorgeous afternoon for you to take me out to the Begonia Country club. Lemon squash on the terrace and we'll hunt up somebody for bridge—h'm?" The young man surveyed her dourly. She was chic, she was graceful, she was sufficiently pert—but having known her all his life she simply hadn't registered.

"How do you get that way?" he inquired with entire candidness. It seemed likely that this was to be a matter of some minutes, so he abandoned the wheel and got out his cigarette case.

"Thank you," she murmured absently as she reached for one.

"If there is one thing more than another that I dislike," he remarked with force, "it is a female who stands out in the middle of the street and smokes. Stop it!"

"You are quaint, aren't you!" she remarked with entire good will and no other reaction to his order. She climbed up on the running board sat on the side of the car and blew smoke toward him. The young man turned red with wrath.

"See here, Lizzie!" he said. "I've got a date if you must know it, and I'm already late——"

"It's time men began being late," she told him, nodding her head. "I should think you'd be tired waiting around for us women! My name, sir, is Elizabeth. Who with?"

"What's it to you? "rejoined the badgered young man rudely.

"Just my feminine curiosity," she admitted. "You didn't think I'd suddenly gone off my head over you and was jealous or anything, did you, Woozy?"

"I was christened Henry if it's anything to you," he told her tartly. "Honestly, I've got to go and I'm sorry, but I can't possibly take you out to Begonia——"

"Let's discuss it," the young person insisted perching more securely where she sat by means of laying a firm brown hand on one of his shoulders. She met his annoyed look with a charming smile. Even at the moment he noted with surprise how interesting was her face when she smiled.

"Look here, Lizzie!" he cried, bending to the clutch. "Jump down, that's a good child! I've got to go, I tell you."

"If you're in such a tearing hurry I can ride along with you and we'll talk as you travel," she suggested helpfully. With one curving swing of her legs she landed in the vacant seat beside him. "Let's go! If you're stopping at Marie's, I'd like to see her, too——"

"Not stopping at Marie's!" he told her shortly. "Nor at Lillian's nor Anne's. Why should I take you somewhere that I don't want to go?" Half mechanically he started up the car.

"Men so rarely know where they want to go," she explained to him. "And they never really realize when they're going to have a perfectly good time. This Begonia club is exactly what you need to complete the afternoon and put you in a better temper, Woozy. Did you know one gets an awful kick out of just being kind and accommodating when one doesn't feel like it? But if your date is with none of those girls, I'd like to know whom you've picked up now. Tell me about her!"

"Don't you wish you knew?" glumly.

"You'd better turn at this corner," she advised. "I'm beginning to believe you hadn't a date at all and grabbed at the idea just to get rid of me. I thought you liked me, Woozy!" His glance of exasperation faded out at the appealing innocent young face, although he was entirely aware she turned on her expressions as one turns a faucet.

"That was a wretched trick," she proceeded with dignity. "And a slam at my brains. Just what were you going to do?"

"Oh, confound it!" burst out the aggrieved young man. "You are worse than a gadfly; You——

"Goody!" she cried, settling back contentedly. "Call me all the names you want to and then hurry up and get on to Begonia! All the tables will be made up if you don't. You're taking me, Woozy, aren't you now?"

"I'd say," remarked the young man as he headed toward the country club in question, "that you were taking me and by the hair of my head at that. If you weren't so remarkably pretty, Elizabeth, I'd run over to the lake and drown you!"—Chicago News.

Fellowship of Prayer

DAILY LENTEN DEVOTION

BY REV. C. H. WILSON, DD.
Federal Council Churches of Christ.
Copyright 1929.

Topic.
"MY MASTER AND BROTHER"
Memory Verse for Friday

"But I know him; because I am from him, and he sent me" (John 7:29). (Read: Matthew 6:25 to 34.

MEDITATION: I will not confuse my mind just now with difficult questions. Here is the fact upon which I rest with great comfort, that Jesus knew God as none other has ever known him. All that I think I know of God from other sources is supplemented and corrected and illuminated by what Jesus tells me and shows me. He who lived as it were in the bosom of the Father may be trusted; He knew; And His own deep and luminous experience He puts at my disposal; I too, through Him, may know the fatherly love that knocks at the door of my heart, that presides, unseen, over my life.

PRAYER: O God, who has given me a sure and faithful guide through the wilderness of this world, give to me an obedient spirit that without doubt I may accept His words and without faltering I may follow where He leads. In His name. Amen.

YOUR HEALTH

A Case of Asthma Due to Rabbit Hair.

By Bret Ratner, M. D., New York City

A number of years ago a little boy suffering from asthma was discovered to be getting his attacks from the inhalation of rabbit hair. This rabbit hair was discovered in his pillow.

The boy was then taken to the laboratory and asked to play with a live rabbit. After five minutes he developed a terrific attack of asthma. A hair lodging in his eye quickly produced a tremendous swelling, and the boy had to be given an injection of adrenalin, which relieved his asthma and the swelling in his eye. All rabbit hair pillows were then removed from his house, and the boy has never suffered another attack of asthma.

There have been many such cases sensitive to rabbit hair reported since that time, and children have been found to be getting their attacks from pillows, fur toys, rabbit furs on clothing, rabbit hair robes, comforters, etc.

Upon investigation of the uses of rabbit hair, it was discovered that the entire felt industry, particularly the felt hat industry, uses the very soft fur next to the rabbit's skin for the manufacture of felt, and thousands of bales of the longer rabbit hairs are sent into the market to be utilized as stuffing the pillows and furniture.

This means, therefore, that a child sensitive to rabbit hair may get his attacks of asthma from a source that is not obvious. When these cases are discovered, a careful search must be made of everything in the house that is stuffed, and such things as contain rabbit hair must be removed from the environment.

Children may be sensitive to many other substances, such as feathers, furs, cotton seed, camel's hair, cattle hair, etc., from which minute particles are thrown off that float in the air and produce the dust in a room.

Children may also get their attacks of asthma from the ingestion of food. Any child with asthma should, therefore, be studied carefully by having all proteins from substances in the environment and food tested on his skin. When the offending substances are discovered, they should be eliminated from his environment, and as with rabbit hair, a complete cessation of attacks may be brought about.

Eczema, hives and hay fever are related to asthma and should be studied in the same manner.

Asthma in a child should not be neglected, as the old idea that it cannot be cured is not true. Chronic asthma may lead to the inability of an individual to live a successful life.

Burgess Bedtime Story

Jimmy Skunk Seeds Aid

By Thornton W. Burgess

E'en the bold and unafraid
Find themselves in need of aid.
—Jimmy Skunk.

Poor Jimmy Skunk! Can you imagine a worse fix than Jimmy was in? He had poked his head into a little glass jar in search of something to eat, and now, do what he would, he couldn't get that jar off. He tried to back out of it, but, of course, the jar went right along with him. He tried to push it off with his forepaws, but he couldn't budge it. He shook his head as hard as he could shake it, hoping in this way to shake the jar off, but it only made his neck ache. It was not only most uncomfortable, but it frightened Jimmy. It isn't often that Jimmy Skunk really is frightened. But he was frightened now and very badly frightened.

Jimmy could see through the glass, but he couldn't see clearly. The result was that he bumped into things. When Peter Rabbit hopped out beside Jimmy, Jimmy saw him. And he looked at Peter so mournfully that Peter, who naturally is tender hearted, felt a little lump come right in his throat. You see, those eyes of Jimmy's seemed to say, "Please help me, Peter!" And Peter couldn't help him. No sir, he couldn't help him a bit. He tried and tried and tried to think of something he could do to help Jimmy, but not a single thing could he think of. He couldn't think of anything that anybody could do.

"I never expected to see Jimmy Skunk helpless," said Peter to Wanderer the Grosbeak. "No sir, I never expected to see Jimmy Skunk helpless."

"Perhaps he isn't so helpless as he looks," said Wanderer.

"Yes, he is," said Peter. "If he should meet Reddy Fox, Reddy wouldn't have the least fear of him now.

It would be the same with Old Man Coyote. They could take him by surprise. They could jump on him before he knew they were near. I never expected to see Jimmy Skunk helpless. What he can do about it, I don't know. Oh dear, I'm so sorry for him."

But Jimmy Skunk was not quite so helpless as Peter thought he was. Jimmy Skunk has a long head, as the saying is. That means that he is smart; it means that he thinks. Of course, he couldn't talk to Peter and Peter couldn't talk to him, because that jar prevented hearing and talking. So Jimmy just kept on his way, bumping into this and stumbling over that, but making his way along all the time in one direction. Pretty soon he came out of the bushes into the Old Orchard, where there was nothing to interfere. Then he got along faster. He didn't get along very fast, but he got along faster. And he kept going in one direction, excepting when he would stop and try to back out of the bottle. He was heading up toward Farmer Brown's dooryard.

Peter Rabbit followed a little way behind. He just had to. He had to know where Jimmy Skunk was going. So he was only a little back of Jimmy when finally Jimmy reached Farmer Brown's dooryard. Peter stopped then, but he found a place where he could peep over the old stone wall and watch Jimmy. Jimmy kept on right straight across Farmer Brown's dooryard. Suddenly Bowser the Hound came around the corner of the house. Right away Bowser saw that something was wrong. He began to bark. He began to get excited. Jimmy Skunk's tail went up. Bowser backed away. He understood the warning of that tail, so he kept at a respectful distance, but barked and barked and barked. Jimmy Skunk paid no further attention to him. He just plodded along toward that dooryard. Jimmy was seeking old. Yes, sir, that was what Jimmy was doing.

Copyright, 1929, by T. W. Burgess.

The next story: "Gentleman Jimmy."

Stories That Recall Others

More Trouble.

Marjory and Donald were told of the arrival of a new baby brother. Donald greeted the announcement with a cheer, but Marjory seemed quite downcast.

The nurse asked whether she wasn't happy to have a new brother. "No I'm not a bit happy," said Marjory. "Why did they go and get another boy when they know I can't manage the one we have?"

His Position.

Grandfather had been a silent listener to a modern talk in regard to punishing children.

"Grandfather let us hear from you. What position do you take in the punishment of children?" asked one of the circle.

"Across my knee, face downward," replied the elderly man.

What Do You Know About Eastern Connecticut?

Questions.

1. When was the Boston Turnpike company incorporated?
2. In how many years afterward was the Boston and Hartford turnpike completed?
3. Through what eastern Connecticut towns did it run?
4. Where did it connect with the turnpike to Providence?
5—When the British closed the port of Boston what did the town of Windham do to relieve the distress of the Boston poor?
6—What did Pomfret and Brooklyn contribute?
7—When were these contributions made?
8—What other Windham county towns sent contributions?

Answers Will be Found on Classified Page

A Washington Bystander.

By KIRKE L. SIMPSON
Associated Press Staff Writer

WASHINGTON, March 21—That such a forceful debater as Senator Borah could hold the center of the senate stage for 11 days in discussion of the multilateral peace treaty and still find no opportunity to express his own views as to what he regarded as the essence of that pact, does not seem natural.

Yet so it was by his own showing. The senator told the foreign press correspondents at their anniversary dinner that he had been too busy answering questions of his senate colleagues to get in any general observations on the treaty on his own hook.

It was with this introduction that Mr. Borah launched into his thesis that the peace treaty embodies about the only hope small nations have of actual independence and freedom from domination by powerful neighbors. It is an interesting theory of the treaty and the Bystander could not help wondering what the British, French, German and other correspondents thought about it as they listened.

His Own Views

The foreign relations committee chairman was rather careful to make it clear that he was speaking his own views and not posing as a spokesman of the Hoover administration. His important connections with the Hoover election campaign and his obvious influence in regard to at least one Hoover cabinet selection might easily have created a contrary impression.

If the correspondents were aware, however, that on the same day Borah had given out a quoted statement on his old hobby recognition of Russia, they would have realized that his foreign relations views now are no more indicative of administration purposes and reactions than they were during the Harding and Coolidge regimes. Mr. Borah appears to enjoy being at least part way off the administration reservation all of the time.

What Borah had said about Russian recognition—and he said it for publication three days after Mr. Hoover took office—was that the soviet government of Russia would be recognized early in the Hoover administration.

"This is not based on anything that has been told me, but upon a study of conditions that exist," he said.

Recognition By Trade

That cleared him of any wish to be understood as voicing Mr. Hoover's views. He felt, however, that Hoover's foreign policy was to be "based on trade" and that Russian recognition was inevitable on that account.

Perhaps so, but the Bystander is inclined to await word from Mr. Hoover or his authorized spokesmen before joining the Idaho senator in his prediction. Three administrations, those of Wilson, Harding and Coolidge, have found it undesirable to have dealings with soviet Russia because of the attitude of that government toward foreign debts of the preceding regime. To about face on that policy now would involve very serious considerations for Mr. Hoover.

INCIDENTS IN SOCIETY

The Wednesday club met this week with Mrs. William B. Birge, of Huntington Place. The hostess had the paper, on Mr. Hoover's new Secretary of War, Henry L. Stimson. The previous meeting of the club was with Miss Ella M. Norton, of Washington street.

Mrs. Thomas W. Ball, of Old Lyme is visiting her sister, Mrs. Robert W. Perkins, of Broad street.

Miss Audrey Gernon leaves today (Friday) for several days' stay in New York.

Mr. and Mrs. J. Henry Carney motored back to Hartford early in the week, having been guests of Mr. and Mrs. Charles Tyler Bard at their new home at Gales Ferry.

Mrs. Arthur F. Howard and Miss Lucille L. Howard, of Lincoln avenue, who motored to Boston Wednesday accompanied by Mrs. Albert S. Comstock to attend the Flower show, returned Thursday evening.

Miss Lucie H. Davies, of Washington street, made a brief visit in New London during the week with Miss Millie C. Turner.

Mrs. Fred A. Fox, of Twelfth street is in Boston for a week, to attend the Flower show and visit friends.

The meeting of the Thursday Sewing club was held with Mrs. Charles A. Guzer, supper following.

After one girl has broken a man's heart some other girl comes along and mends it.

After exposure

UPON the first crick or twinge of pain after exposure, rub with *Hydroleum*. Because it penetrates *deeply* and is absorbed *quickly*, *Hydroleum* gives almost instant relief. Immediate application will forestall the agony of muscular aches. Even the severest pains resulting from drafts, dampness, exposure, etc., are relieved by a few applications.

So why suffer when *Hydroleum* gives such remarkable relief? Always keep a bottle in the house. Your druggist sells it—and *guarantees* it! Buy a bottle of *Hydroleum* today—now!

1790 1929

Norwich, Friday, March 22, 1929

VARIOUS MATTERS

Light vehicle lamps at 6:31 this evening.

Thursday was the feast day of Saint Benedict.

The last of the ice left Gardner lake on Tuesday. The lake is very high this spring.

The Lebanon division of the S. N. E. Telephone company now has a total of 240 stations.

In Connecticut there are 154 local Parent-Teacher clubs, with 10,500 registered members.

These are the days when the chocolate rabbit is making a big hit with juvenile shoppers.

Street thermometers in Norwich registered as high as 60 degrees, during the late afternoon Thursday.

At Saybrook Point a number of gold fish were caught in the cove the other morning, an unusual occurrence.

Dealers in Norwich Thursday were proffering for the Lenten Friday dinner good looking smelts, at 35c the pound.

Olcott's "Patriotic Plays for Young People" is among new books listed in the current bulletin of Peck Library, Slater hall.

The advance of spring is suggested by the appointing of Arbor day and Bird day in some of the states, on dates in April and May.

The first of the season's cocoanuts from Porto Rico were selling in Norwich Thursday at ten cents, and this for good sized ones.

Easter cards, novelties and artificial flowers at Florence's Gift Shoppe.—adv.

The number of radios set up by local dealers in homes in towns surrounding Norwich would astonish the public if it could be made known.

Officers and teachers of the United Congregational church held their March supper and conference at the Community House Thursday.

When Welcome Circle of the Central Baptist church meets this (Friday) evening in the mothers' room, a start will be made on May baskets.

Food sale at the Boston Store, 10 a. m. today. Benefit Y. M. C. A. aux. —adv.

The White Ribbon Banner, issued in Norwich, is reminding members of the W. C. T. U. that the goal for Connecticut W. C. T. U. this year is 5,000 members.

A Second sewing bee was held Thursday afternoon in the vestry of Trinity Methodist church. There is a project to raise funds to renovate the Sunday school room.

Food sale at the Boston Store, 10 a. m. today. Benefit Y. M. C. A. aux. —adv.

The coming Sunday is monthly communion Sunday for the Holy Name society of St. Patrick's parish and all the other men of the church who wish to join them.

Style in housewares has come in the wake of the general movement to make the home attractive. Color is an important factor in the sale of pots and pans, dealers declare.

The customary thousand heads of Florida palms have arrived, for distribution following the 10:30 high mass in St. Patrick's church Sunday next, Palm Sunday.

A former pastor at Taftville, Rev. Arthur Varley, now pastor of the First Congregational church at Portland, Conn., is preaching a special series of sermons this Lent.

Norwich Town store, Tel. 632 special for Friday and Saturday. Sliced ham 50c lb. Round steak 45c.—Adv.

The Tolland Study club met last Monday with Mr. and Mrs. I. Tilden Jewett of Rockville. The next meeting will be March 25, the subject being Radio and Television.

George Carpenter and men of Noank are building a wharf at the Lagoon at Groton Long Point. Two others are to be constructed there as soon as that one is finished.

The first peep frogs at East Great Plain were heard Thursday evening. According to tradition, they must be frozen in three times before real spring weather may be expected.

Another agricultural product finds a new use. This time it is honey. Honey, mixed with water, has been tested as an anti-freeze solution by private motorists and state agricultural colleges.

Everett Jenness has been appointed chairman of the nominating committee with power to select his assistants to prepare a slate of officers for election at the annual meeting of Groton Tennis club in April.

Now that the frost is out of the ground, the state highway department men were busy Thursday filling worn places with permanent mix. Up to this time sand, it is claimed, is the only filling practical to use.

Postmaster Clarence L. Clark, and Edward Hooper, of Lyme, accompanied by Harry Hirsch of New London, motored to Waterbury to attend the annual meeting of the corporators of Fairview, I. O. O. F. Home.

There is to be a United States civil service examination for operative, secret service for vacancies in the treasury department, at $2,300 to $2,600 a year, with allowance for subsistence and necessary traveling expenses.

S. M. D. Club whist and pinochle tonight. Foresters hall.—Adv.

Fifty dollars was voted toward the organ fund of Pequonoc Bridge Baptist church by the Lifters class of the church school, at a meeting this week at the home of Mrs. Edmund Belle Isle at Pequonoc Bridge.

It is noted in Norwich Art school news that Truey Rudd, N. F. A. has been for a number of years in the studio of the distinguished artist in glass, Charles J. Connick, of Boston, who lectured at Slater Hall recently.

POLISH-AMERICAN VETS HOLD PINOCHLE CONTEST

The fourth in the series in the pinochle tournament being conducted by the Polish-American Veterans was held Thursday evening at Pulaski hall. The prizes for the evening went to the following: Women—Mrs. Cooney, 7,680; Mrs. Hoffman, 7,410; Mrs. Driscoll, 7,340. Men—St. Zawislinski, 7,920; William Buchart, 7,840; T. Sulewski, 7,730.

The standing to date in the tournament: Women—Mrs. Cooney, 29,740; Miss J. Strout, 28,320; Mrs. W. Picinko, 27,540. Men—Alfred Hafner, 28,770; St. Zawislinski, 29,770; William Buchart, 29,120.

Sewing Circle Met.

The sewing circle of the First Lutheran church met at Mrs. Charles Dickermann's, Main street, Wednesday evening. A social hour was spent and at the conclusion a fine lunch was served by the hostess.

The members of the club also gave a surprise party for Mrs. C. Storek to honor her birthday, at her home on Franklin street. It was a complete success and greatly enjoyed by all.

PERSONALS

Mrs. J. B. Salern, of Old Lyme, was a visitor in Norwich this week.

Charles Johnston, of Westerly, has been a visitor with friends at Yantic.

Miss Dora Moran, of Norwich, was a recent visitor with relatives on Stillman avenue, Westerly.

Mrs. E. E. Reed of Stonington and guest Mrs. C. Libby of Portland, Me., were recent guests of Mrs. Lucy Stockett of Greeneville.

Bartlett Caffrey, of Attawaugan, has been a guest at the home of his daughter, Mrs. Harold Collings, at Tomaquag, R. I.

William Lyons of New York spent Tuesday with his parents, Mr. and Mrs. John Lyons of West Town street.

Mrs. Virgil G. Thomas and son, Herbert, of New York, are spending several days at their summer place near the Oswegatchie Hills colony.

FUNERALS

Mrs. Roswell M. Butler

With a large attendance of relatives and friends, the funeral of Mrs. Roswell M. Butler was held at 2:30 o'clock Thursday afternoon at the home of her daughter, Mrs. William E. Wilson, No. 148 Broad street. The services were conducted by Rev. J. Eldred Brown, rector of Trinity Episcopal church, and members of Sedgwick Woman's Relief corps, No. 16, also gave their service. There was a wealth of beautiful floral pieces. Burial was in the City cemetery and the committal service was read by Archdeacon Brown. The bearers were Anson R. Grover, William E. Wilson, John L. Moody and Frank B. Butler. The funeral arrangements were in charge of Undertakers Church & Allen.

OBITUARY

Mrs. Harriet A. K. Bennett

Harriet Adelia Kenyon Bennett, aged 98 years, died Wednesday night at the home of her daughter, Mrs. Fred A. Allen, on the Stonington-Westerly highway.

Mrs. Bennett was the daughter of Henry Dennison and Lucy Smith. She was born in Lebanon on Jan. 5, 1831, and moved with her family to Stonington several years later. Her father was a veteran of the War of 1812, he being one of the men who successfully defended the port of Stonington against the British fleet of Commodore Hardy in August, 1814.

Mrs. Bennett was twice married and is survived only by a daughter, Mrs. Allen, with whom she made her home. She was the last of a family of ten children.

BRUSH FIRE THREATENED SACHEM STREET BARN

At 2:25 o'clock Thursday afternoon the fire department received a call for a grass fire in the rear of No. 94 Sachem street on land owned by the Misses Nancy and Mary Lucas. The blaze, which burned over a large area, threatened a large barn. It was extinguished with the aid of water pump cans and chemical, Squad A, Engine No. 3, Acting Chief Henry R. Taft and Acting Deputy Chief Dennis J. Brennan responding. The blaze was caused from sparks from burning paper.

The second call of the afternoon was received by telephone at 4:18 o'clock, for another grass fire. This was on land owned by John Rogers off Sunnyside avenue and was extinguished with pump guns. Boys playing with matches were said to be responsible for the blaze. Squad A, the acting chief and acting deputy chief responded.

HONORS FOR DANIELSON AND PUTNAM BOYS

(Special to The Bulletin)

WORCESTER, Mass., March 21—Gerard Chartier of Danielson, Conn., and Raymond D. Valade of Putnam, Conn., are among five members of the varsity basketball team at Assumption college to be awarded their letters and charm for participation in this season's schedule.

Chartier, as captain, especially distinguished himself in athletics, and was recently voted the best all round athlete at the college. He is a member of the senior class and the college symphony orchestra.

Valade is vice president of the Assumption Literary society, and has served as advisor for the Assumption sodality. He is a member of the sophomore class.

WILL COMPLETE INSPECTION AT LOCAL ARMORY TODAY

The annual inspection of the ordnance equipment and other government owned articles is underway at the Norwich state armory. The work is being done by an officer from the First Corps area, Boston, and will be completed today (Friday).

BORAH SEES WHERE "WETS" MADE A VITAL MISTAKE

WASHINGTON, March 21—(AP)—Chuckling at what he considers was an oversight by the "wets," Senator Borah, republican, Idaho, "dry" leader, today pointed out a defect in the form of the eighteenth amendment which he believed might at one time have been used to advantage in an attack upon the constitutionality of that amendment.

Senator Borah disclosed, ten years after amendment has become operative, that he believed the provision in the amendment limiting the states to seven years in which to ratify the amendment was unconstitutional.

He held that if this point had been taken to the supreme court the constitutionality of the amendment might have been seriously questioned, because it attempted to lay down a rule not expressed by the constitution for the ratification.

Borah, contended with a smile, however, that it is too late for the "wets" to raise this point. He said it was about the only point that has not been raised against the constitutionality of the prohibition amendment, and, in his opinion, the only one which ever had a chance of success. The supreme court has overruled all other attacks upon the dry law.

The discussion was raised today as a result of an argument in the Rhode Island legislature that the eighteenth amendment was unconstitutional because it was not submitted to the votes of the people in constitutional conventions. Senator Borah and other constitutional lawyers in the senate take little stock in that contention. Borah said it is "legally unsound."

WEALTHY MAN SENTENCED FOR KIDNAPING CHILD

OAKLAND, Calif., March 21—(AP)—David A. Barnett, wealthy San Leandro manufacturer, formerly of Toledo, Ohio, was sentenced to Folsom penitentiary today for kidnaping five-year-old Eloise Windfelt. He was given an indeterminate sentence that may extend to 20 years in the discretion of the state prison board.

Air Race in August.

CLEVELAND, O.—(AP)—Cleveland has formed a corporation to finance and manage the 1929 national air races in which 10 types of planes are entered, and a non-stop race from the Pacific coast to the Cleveland airport will be a feature of the competition. The races are scheduled for August 24 to September 2.

START TRIAL OF SUIT RESULTING FROM ACCIDENT AT COLCHESTER

In the superior court at New London, before Judge Christopher L. Avery and a jury, trial was started Thursday of the $10,000 automobile negligence action brought by Lester John Benson, through his father, Edward L. Benson of New London against Edwin A. Dyson of Noank. According to the complaint, on November 5, 1927, while Lester was riding in his father's automobile on the New London-Hartford turnpike at a point where the Norwich-Colchester highway intersects with the turnpike, an automobile owned by Dyson crashed into it, causing great damage to the plaintiff car and injuring Edward Dyson.

By agreement of counsel for both sides, Edward L. Benson, who had been made a co-defendant in the case, was withdrawn as such as his son brings suit through his father.

WOULD RE-SUBMIT CHARTER PREPARED IN 1922

In a letter which he sent to legislative committee on cities and boroughs, Edwin W. Higgins styles the proposed codification of the city's charter as a "hodge podge and but little more than a re-enactment of provisions of the 53 year ago revision." In his letter, which was dated, March 13th, the day after the legislative committee hearing on the codification of the charter, Mr. Higgins suggested to the committee that the charter prepared in 1922 by a non-partisan committee of nine, and which was turned down by the electors of the city at that time, be submitted to the electors at the next annual city meeting and subject to a plurality vote for approval or disapproval.

The committee on cities and boroughs has reported favorably on the codification of the present charter and it will probably come up for action in the legislature early next week.

Mr. Higgins' letter to the committee follows:

March 13, 1929

Hon. Senate Chairman
Committee on Cities and Boroughs,
Hartford, Conn.

Dear Sir:—

The fiasco of attempting to properly consider a budget for this city which runs over $2,000,000 through and by a mass meeting of the electors of which there are about 7,000 in a hall where 1,000 people crowd it should stop.

The people that you want interested in public affairs will not attend such a meeting.

I am enclosing copy of the charter prepared by a nonpartisan committee of nine electors on which they worked over ten months.

I suggest this be submitted to the electors at the next annual city meeting and subject to a plurality vote for approval or disapproval.

The same form of submission can be used as appears in the codification of the present charter which has not been revised since the year 1876.

While it is becoming more and more difficult to get proper candidates for the court of common council as it is now constituted it would be much easier to get responsible and representative electors to serve on boards and commissions not related to the council.

Let the court of common council be and remain the legislative body and not as now both the legislative, executive and administrative.

The charter enclosed was unanimously agreed to by a commission of nine. It was unqualifiedly endorsed by both newspapers. I am enclosing the editorial endorsement of the Norwich Evening Record in its issue of March 25, 1922.

But two citizens appeared at the only public hearing advertised on the charter codification before you yesterday. I refer to the hearing held in this city.

The charter enclosed is in conformity with present day thought and experience and includes the best provisions of many charters of cities in this state.

The proposed codification before your committee yesterday is a hodge podge and but little more than a reenactment of provisions of the 53 year ago revision.

Very truly yours,
EDWIN W. HIGGINS

NORWICH RIFLE TEAM LOSES MATCH AT STORRS

The first team of the Norwich Rifle club met defeat Wednesday evening at the hands of the C. A. C. Rifle team at Storrs. The scores were made on a 50-foot range, 5 shots standing, 5 sitting and 10 prone. The team scores:

C. A. C. Rifle Team

Name	O.H.	St.	Pr.	Ttl.
Watson	43	46	98	187
Haverstat	40	48	98	186
Sabo	39	45	100	184
Pratt	36	49	99	184
Powerall	41	39	92	172
Totals	199	267	487	913

Norwich Rifle Club Team

Name	O.H.	St.	Pr.	Ttl.
Stebbins	49	43	98	190
Brand	41	44	99	184

Lucia	32	45	96	173
Totals	197	225	481	904

The Norwich Rifle club would like a return match with the C. A. C. at the Norwich armory.

CENSUS WILL COST $80,000 IN THIS STATE

The United States census bureau is preparing to spend approximately $80,000 on counting the population of Connecticut for the 15th national census. In taking the count in Connecticut in 1920, the government expended $77,543.13. In 1920, however, the population of Connecticut numbered only 1,380,631, while the census bureau is preparing to count approximately 1,800,000 persons for the 1930 census.

Connecticut will be divided into four districts and a supervisor, to be paid between $2,000 and $2,500, will be appointed for each. Under him will be one assistant supervisor and approximately 100 clerks and enumerators who will receive between six and eight dollars a day.

REV. ARTHUR C. ADAMS TELLS OF AFRICAN EXPERIENCES

The meeting of Comfort Circle of the King's Daughters was made especially interesting Thursday afternoon, when held at the home of the leader, Mrs. William H. Geer, on Washington street. The son of one of the chapter members, Mrs. Edward Adams, of East Great Plain, Rev. Arthur C. Adams gave a talk on his experiences of three years as a missionary in Johannesburg, South Africa.

The meeting opened with brief devotional exercises, after which Rev. Mr. Adams related his experiences in the Dark Continent, also describing his recent return trip to America. He had on display a most interesting collection of curios, pictures and the like, accumulated during his work as a missionary.

EXPECT CORONER'S FINDING ON SAILOR'S DEATH SOON

A finding will soon be returned by Coroner Edward G. McKay, this city, it is expected, on the recent death of Charles C. King, submarine base petty officer who was struck by a train on the Winthrop street railroad trestle, New London. Coroner McKay held an inquest into the death Tuesday afternoon.

NORWICH ZONING BILL PASSED BY LEGISLATURE

The bill amending an act authorizing the city and town of Norwich to create zoning districts was adopted in the state legislature at Hartford Thursday. The text of the bill follows:

The bill reads:

Section 1—Section twenty-five of an act authorizing the city of Norwich and the town of Norwich to create zoning districts, approved June 26, 1925, is amended to read as follows: No person shall erect, add to, move or place any building or other structure or addition thereto within the limits of the town of Norwich outside the limits of the city of Norwich, without having obtained from the first selectman of said town a written permit therefore; which permit shall specify the location, character and proposed use of such building or structure and the purposes for which it shall be used, and no such permit shall be issued to any person unless the proposed building or structure shall comply with regulations which shall be adopted by said town, and a copy of such permit shall be recorded by the first selectman in a book kept by him in his office for such purpose. The town shall be paid for the issuance and recording of each permit by the person to whom such permit shall be issued, fifty cents on every one thousand dollars of the estimated cost of any building or structure, but no such fee shall be less than one dollar nor more than fifty dollars. Any person violating any of the provisions of this section shall be liable to the penalties of section twenty-three of this act.

Section 2. Section twenty-six of said act is amended to read as follows: The regulations adopted by the court of common council of said city hereunder may provide that no building or structure shall be erected, altered or altered without a permit from an official of the city designated therein, and such official shall grant no such permit unless each building or structure so to be erected, constructed or altered shall comply with the regulations of said city, and such regulations may provide for a fee for the use of said city for the issuance of any such permit, such fee not to exceed fifty cents on every one thousand dollars of the estimated cost of such building or structure, but no such fee shall be less than one dollar nor more than fifty dollars and all moneys received for such permits by said city shall become a part of the firemen's pension fund of said city.

Section. 3. Said act amended by an act approved June 16, 1927, is amended by adding the following as section thirty-two thereof: In any case which shall have been appealed to said board of appeals, said board, provided no appeal shall have been taken from the decision, as provided in section twelve of this act, shall have the power to enforce its decision upon the appellant by instituting any civil or criminal proceeding against such appellant provided for under section thirteen of this act, by making complaint to the prosecuting attorney of the city court of Norwich in case of criminal proceedings and by an action at law brought in its own name or in the name of the city or town of Norwich in case of civil proceedings. All penalties or damages collected in such actions shall be payable as provided in section thirteen of this act.

NORWICH PYTHIANS TO ATTEND DISTRICT MEETING

Knights of Pythias lodges in Norwich, Mystic, Colchester and New London, will attend a district meeting to be held May 15th in New London. Supreme Representative Thomas H. Troland of New London is chairman of the general committee. Mr. Troland has appointed the following as a committee to plan particulars: Dr. S. M. Goldberg, past chancellor of Wauregan lodge of Norwich, chairman; Past Chancellor George Schiller of Wauregan lodge, District Deputy Grand Chancellor Clyde J. Clendennen of Mystic, Chancellor Commander W. H. Rollinson of Mistuxet lodge, Mystic; Chancellor Commander S. H. Kellogg and Chauncey G. Markham of Oliver Woodhouse lodge of Colchester, District Deputy Grand Chancellor Robert Levinson and Chancellor Commander William Cooper of Trumbull lodge. Dr. Goldberg and Mr. Cooper were chosen publicity men.

In addition to Norwich, Mystic, Colchester and the local lodge, the following will be invited to participate in the district meeting: Woodbridge lodge of Salem, Orient lodge of Danielson, Undaunted lodge of Jewett City, and Natchaug lodge of Willimantic.

COLONIAL CLUB HOLDS ENJOYABLE PINOCHLE PARTY

An enjoyable evening of pinochle was held Thursday at the Colonial club with 10 tables in play. The prizes were awarded as follows: Women, Mrs. Charles Williams, 7,410; Mrs. William Farrell, 7,010; Mrs. Harry Blackburn, 6,950. Men, J. Fallon, 7,580; F. Frink, 7,440; Mr. Rossoll, 6,740.

BRINGS SUIT AGAINST WIFE FOR HIS EARNINGS

William D. Lamphere of Westerly has brought suit, for $4,000 damages, against his wife, Minnie R. Lamphere of Pawcatuck. The suit has been brought in the superior court for this county. Mr. Lamphere claims that for a long time he has turned his wages over to his wife to be held in trust for them both and that the fund must be $5,000 by now.

He further alleges that he has, at her request, supported and maintained her son, for which he claims $3,000. He alleges that he is not the father of the boy.

MAY ESTABLISH LANDING FIELD IN NORWICH

Norwich is mentioned as one of several cities in the state in which it is proposed to establish airports and landing fields.

More than 100 manufacturers in Connecticut are making airplanes, airplane engines, parts or equipment for airplanes, and machines used in the construction of airplanes or parts, according to a survey made recently by local chambers of commerce, the Connecticut chamber, and the state department of aviation.

According to this survey, there are at least 12 individuals and companies engaged in aviation service which includes taxi service, sight-seeing, delivery, aerial advertising, flying and ground instruction, cross-country hops, aerial photography, servicing and repair work. Among these 12 are a number of airplane distributors who handle at least a dozen different makes of planes.

At the present time there are nine airports in Connecticut; there are 14 or 15 landing fields with six cities planning for the construction of airports within a short time.

U. S. HAS NO INTERNATIONAL POLITICAL ASPIRATIONS

PHILADELPHIA, March 21—(AP)—The United States has no international political aspirations that other peoples might be justified in viewing with disquietude, William F. Whiting, former secretary of commerce, declared tonight in addressing the "foreign students dinner" of the Philadelphia chamber of commerce.

Students representing nearly every civilized nation of the world were among the guests.

"One fears, sometimes," said Mr. Whiting, "because of certain foreign opinion and comment, that grave misapprehensions exist abroad, and to a disquieting degree, with respect to the commercial position and activity of the United States. Some foreign observers look at the wealth of this country and seem fearful of it. They are alarmed, perhaps, over what they regard as an undue concentration of monetary power.

"I am convinced, however, that there is no real justification for such sentiments on the part of other peoples, and that a clear understanding of the actual moods and motives of the American business men would dispel most effectually any such uneasiness."

PLANE USED TO FIND BREAK IN POWER LINE

TWIN FALLS, Idaho—(AP)—The power line "trouble shooter," who braves all kinds of weather to keep electricity flowing into thousands of homes and factories, has found a new aid in the airplane.

When L. C. Martyn, wire chief of an Idaho power company, was notified that a high transmission line was down somewhere between Thousands Springs and Jarbridge, he knew that many would be forced to do without power for days unless some unusual method of finding the break could be discovered.

He finally enlisted the aid of S. T. Stevens and his open-cockpit plane. Two company linemen, wearing electrically heated goggles, crawled into the ship. After breaking a runway through the snow and ice, the trio took off and skimmed low above the power line.

The trouble was located in a spot inaccessible even to dog teams. Stevens picked out a clearing, landed in the snow, and kept warm while the "trouble shooters" repaired the line. Service was restored in such a short time that few consumers realized their service had been interrupted.

ARROW HEAD CLUE TO MAN OF ICE AGE

WASHINGTON—(AP)—The younger generation is not half the worry to its folks that an ancient man, living 360,000 years ago, is to scientists.

Based on the slender evidence of a flint arrow head found in a sand pit in southwestern Oklahoma, now in possession of anthropologists at the Smithsonian institute, the existence of man in that region during the early ice age is said to be plausible.

If it were chipped by a man of the early glacial period, anthropologists have a distinct contribution to the early history of man in this country. They are hesitant in accepting the evidence, however, because they may have difficulty in making the history of man harmonize with that of the old world.

It has even been suggested that men of the early ice age were unable to produce an arrow head of such skillful make when similar arrow heads were not made in Europe until the late ice age.

To this Dr. Oliver P. Hay of the Smithsonian, who sees in the finding of the flint evidences of any early ice age man, answers:

"They ought to recognize the possibility that in eastern Asia there developed an earlier and more advanced technique and that this made its way into America far sooner than into Europe."

PEANUT NOW RANKS AS SOUTHWEST CROP

OKLAHOMA CITY, March 21—(AP)—The lowly peanut, once scoffed at by farmers in the southwest, now is a money maker in its own right.

From small patches, raised chiefly for farmers' children, the peanut has developed into a crop spoken of in terms of carlot shipments in some parts of Oklahoma, Texas and Arkansas.

Pushmataha county, Oklahoma, for example, shipped more than 30 carloads of peanuts in 1928. The growers received a gross revenue in excess of $30,000, which was in addition to a return of $20,000 in feed and cash from the peanut hay crop.

RICE SEED FOR 1929 GERMINATING POORLY

WASHINGTON, March 21—(AP)—Farmers who intend to plant rice this year should give more than ordinary attention to their seed, says Eben H. Toole of the United States bureau of plant industry.

Much of the rice seed received for testing by the seed laboratory of the department of agriculture and by the state and cooperative rice association laboratories has germinated very poorly, Eben declares.

In rice growing, he says, as in the production of all crops, the seed to be planted is the factor most easily controlled by the grower.

MINISTER WRITES "POEMS" IN LIGHT FOR SERVICES

DETROIT, March 21—(AP)—Church services at Highland Park Congregational church consist of "poems" which the pastor, the Rev. Charles Stanley Jones, creates with special lighting effects and stereopticon slides.

Ignoring his denomination's tradition of simplicity, Mr. Jones opens each night service with a ceremonial lighting of candles on a cross by altar boys. When the processional starts a stereopticon picture flashes on a screen above the chancel. There is something doing every minute from then on, the lights and pictures being designed to enhance the dramatic effect of each part of the service.

"Thesis and antithesis alternate throughout, as in a poem", the minister explains.

ELECTRICITY WRAPS NEW SAFETY VAULTS

NEW YORK, March 21—(AP)—A concrete skin full of electric nerves is the latest in burglar proof vaults.

It envelops the new security caves of the New York Life Insurance company here. The electric nerves are wires, built into the concrete, designed so that if the wall is broken or cut, they will turn on a sirine outside the building.

These same vaults, when closed, have no outside locks. The big fasteners are all on the inside, electrically operated. The wires that control them are built into the vault doors at the factory.

OLIVE SHEA

Wins Praise

The quality of her acting as the Private Secretary in "The News Parade" is winning the praise of movie fans everywhere for this lovely newcomer to the screen. At home in New York City, hundreds admire her charming personality and she has fairly "set the style" on Broadway by the way she dresses her hair.

"The simple method I use in caring for my hair," says Miss Shea, "has been of great help to me in my motion picture work, where one's hair must always look its best. It's just the thing for busy girls, too, because it is so easy. Most of the girls I know in stage and picture work are taking it up as soon as they hear about it. All you do is put a little Danderine on your brush every time you use it. It makes your hair so easy to dress and holds it in place wonderfully. It's ideal for girls who are letting their hair grow. It keeps my hair and scalp so clean and comfortable. I don't shampoo half so often, now. It gives my hair such a silky, soft, lustrous appearance that all my friends comment on it."

Danderine removes the oily film from each strand of hair, restores its natural color, gives it more lustre than brilliantine. It cleanses and invigorates the scalp, helps overcome dandruff. It is delightfully fragranced; isn't sticky or oily; doesn't show. Waves, "set" with it, last longer. All drug stores have it, in generous 35c bottles.

Former Wife of Ex-Kaiser's Son To Become American Citizen

UNDERWOOD & UNDERWOOD, N. Y.

New York.—Princess Alexandra Victoria Ruemann, former wife of the ex-Kaiser's son, Prince August Wilhelm, who intends to become an American citizen, to devote her entire time to painting. She will be the first member of the old German court to become an American citizen. She is the wife of former Commander Alexander Ruemann, of the Imperial German Navy, and by her own right is Princess of Schleswig Holstein. She divorced Prince August Wilhelm in 1920.

To Be In Charge Of Construction Of Boulder Dam

HENRY GILLER, WASH. D. C.

Raymond F. Walters, of Colorado, chief engineer of the Bureau of Reclamation, who will be in charge of the construction of the Boulder Dam project. Mr. Walters is considered one of the most capable irrigation engineers in the world and his selection has been approved by Secretary of the Interior West. The building of the dam will be one of the greatest engineering tasks in history surpassed only by the building of the Panama Canal.

If Mothers Only Knew

Thousands of Children Suffer from Worms, and Their Mothers Do Not Know What the Trouble Is.

Signs of Worms are: Constipation, deranged stomach, swollen upper lip, offensive breath, hard and full stomach with pains, pale face, eyes heavy, short dry cough, grinding of the teeth, little red points on the tongue, starting during sleep with troublesome dreams, slow fever.

Mrs. H. N. Roberts, 502 Asylum St., Flint, Mich., wrote: "My little girl is relieved of her worms." And in a later letter wrote: "Baby is fine and it was your Dr. True's Elixir that helped her."

Dr. True's Elixir

LAXATIVE WORM EXPELLER

A pure herb Laxative and not a harsh stimulator; quick, natural relief from constipation.

Family size $1.20; other sizes 60c & 40c.

When YOU WANT to put your business before the public there is no medium better than through the advertising columns of The Bulletin.

ACADEMY BASKETBALL TEAM CLOSES SEASON WITH VICTORY OVER COACHES

The Academy basketball season closed last night at the Y. M. C. A. gym in a blaze of glory when the wearers of the Red and White sent the Coaches Five down to a 35 to 33 defeat. It was a thrilling finale to an otherwise drab season, and, in fact, the Academy boys showed to better advantage than at any other time during the season.

The Coaches started out strong in the first half and when the half ended the Academy was on the short end of a 20 to 15 score. Entering the second half the Red and White team began to function with more spirit and determination and soon had pulled up to even terms with their elders. Gradually their lead increased but the Coaches hung tenaciously to their heels and were only one basket to the rear when the game ended. Barber, Berghinzo, Henschel and Stevens starred for the Academy, while Harris and Conklin were the shining lights for the mentors.

The Norwich Girls' team playing their first game did not fare so well against the more experienced New London girls, who took a 49 to 16 victory. The local girls seemed more or less nervous and although their playing was good it was hurried and frequent opportunities for scores were missed.

The summaries:

Academy.

BOROTRA HAS TOUGH TIME BEATING GIL HALL

NEW YORK, March 21—(AP)—Jean Borotra drew a little giant for an opponent in the quarter-finals of the national indoor tennis championship today and was pressed to the limit before he finally defeated the diminutive Gil Hall, of Orange, N. J., by scores of 10-8, 6-4.

With the fighting American youth who holds the Canadian indoor crown giving him stroke for stroke, Borotra had a harder time winning his way into the semi-finals than did either Bill Aydelotte, of New York, the defending champion, Frank Hunter, of New Rochelle, N. Y., or Julius Seligson, of Lehigh, the intercollegiate titleholder, who alone remain to bar his way to the championship.

Aydelotte, who plays the French Davis cup veteran tomorrow for the right to enter the final, chalked up his fifth straight set victory at the expense of Lawrence Kurzrok, a New Yorker who thrived on indoor play, 6-4, 6-3.

Hunter eliminated Herbert L. Bowman, of the New York A. C. by the same scores and Seligson qualified to play him tomorrow by crushing George Manzin, of Newark, N. J., 6-4, 6-2, in a match which was chiefly notable because the umpire fell off his elevated chair.

CARDS POUND EASY VICTORY OVER PHILLIES

AVON PARK, Fla., March 21—(AP)—The St. Louis Cardinals came out of their hitting slump today to pound out a 14 to 7 victory over the Philadelphia National league club in an exhibition game. Two great veteran baseball stars, Grover Cleveland Alexander and Gabby Street, formed the Cardinal battery the first inning. Street, former battery mate of Walter Johnson, and now a Cardinal coach, had asked to be paired with Alexander for an inning. The game was featured by Hafey's freak home run in the fourth with the bases loaded. He hit to deep left and O'Doul ran into a batting case in chasing the ball. He was not hurt. The score:

Philadelphia	202 012 000—	7	5 1
St. Louis	300 632 00x—	14	12 7

Ferguson, Benge, Willoughby and Davis, Susce; Alexander, Brown, Hallahan, Haid and Street, Jonnard.

SEGRAVE WINS MOTOR BOAT CHAMPIONSHIP

MIAMI BEACH, Fla., March 21—(AP)—Before a colorful crowd that lined the shores of Biscayne bay, Major H. O. D. Segrave of England, today won the world's motor boat championship, in listless fashion, although finished the 12 mile race one and three fourths laps behind his opponent, Gar Wood of Detroit.

Segrave's victory in the championship, which was sanctioned by the American Boat association, was computed on a point system in a two day competitive race between the two internationally known sportsmen, and had no bearing whatever on the mile straightaway record of 92.8 miles an hour now held by Wood's brother, George.

The British driver, piloting his trim single motored craft, Miss England, collected 400 points yesterday by finishing first, and 361 points today for second place, for an aggregate total of 761.

Wood was forced out of yesterday's event by a broken steering quadrant. He was unable to finish that race and was awarded no points, but today, he flashed across the course in a brilliant burst of speed to win first place and 400 points. Segrave, who had only to finish the race today to win the championship, put up a game but losing fight for the first three laps. At this point, his boat, damaged when it struck a log on the course yesterday, spring a leak and he was forced to slow down to almost a snail's pace to keep from ripping out the bottom of his craft. Automatic bailers, fore and aft, kept the boat from sinking, he said.

Wood took the lead at the starting gun and gradually pulled away from Segrave to finish almost two laps ahead at the final tape, covering the 12 mile course in 11 minutes, 45:05 seconds for an average speed of 61.272 miles an hour.

Segrave finished the race in 16 minutes, 50:4 seconds for an average speed of 42.755 miles an hour. His fastest lap today was his third, made at a speed of 55.045 miles an hour.

DREARY PROSPECTS FOR NAT. STEEPLECHASE TODAY

AINTREE, England, March 21—(AP)—Rain pouring all day long from leaden skies added a new and difficult hazard for Billy Barton and half a dozen other American owned horses due to start in tomorrow's steeplechasing lottery, The Grand National. Breaking a rainless spell lasting for more than a month, yesterday's drizzle soon became a steady downpour which soaked the turf of the course.

Fog—or what the English call a "ground mist"—added to the discomforts of the crowds. It was possible to see only the start and the finish on the Aintree course as horses faded away into the gray blanket of mist, a few hundred yards from the grandstands. If similar conditions prevail tomorrow, Americans who have crossed the ocean particularly for the Grand National may be able to see the horses take only a few hedges.

HORNSBY'S HITTING ENABLES CUBS TO WIN FROM TIGERS

LOS ANGELES, March 21—(AP)—Rogers Hornsby continued his heavy shelling today to help the Chicago Cubs to their second successive victory over the Detroit Tigers. Hornsby contributed a home run, a double and a single in five times at bat to the National leaguers' 8 to 4 exhibition win.

A home run by the slugging second sacker gave the Cubs a three run lead over their American league rivals in the opening frame. His single in the fifth helped the Cubs to pile up three more tallies.

Detroit shortened the Cubs' lead in the fifth when Martie McManus, third sacker, poled a circuit clout, bringing Rice and Gehringer in ahead of him.

PIRATES TAKE MISSION CLUB IN 10-INNING BATTLE

SAN FRANCISCO, March 21—(AP)—The Pittsburgh Pirates nosed out the San Francisco Missions, 5 to 4, today, in an exhibition game that took ten innings to decide the winner. Walter Tauscher, recruit who pitched the last five innings for the Pirates started the tenth with a home run over the right field fence and Adams scored on Comorosky's double. Fred Hoffman, Mission catcher, also hit a homer in the tenth, but the rally ended there. The score was tied at 3-3 from the fifth on. The score:

Pitts. (N)	100 020 000 2—	5	14 1
S. Fran. (C)	210 000 000 1—	4	4 1

(Ten innings).

Hill, Tauscher and Hargraves; Nelson, McQuaid and Baldwin, Hoffman.

YANKEES WIN EASY ENCOUNTER FROM BRAVES

ST. PETERSBURGH, Fla., March 21—(AP)—Aided by Babe Ruth's first extra base hit of the season, a double in the seventh scoring Combs and Koenig, the Yankees defeated the Braves here today by 10 to 1. The victory gave the Yankees four out of five in the series, with only one game remaining. Waite Hoyt made his first appearance on the mound, giving the Braves one hit and no runs in four innings. Roy Sherid allowed one hit and one run in five rounds. The score:

New York (A)	300 010 402—	10	15 0
Boston (N)	000 000 010—	1	2 5

Hoyt, Sherid and Dickey, Jorgens; Cunningham, Greenfield, Holshouser and Taylor.

McLARNIN FAVORITE TO BEAT MILLER

(By Edward J. Neil, Associated Press Sports Writer)

NEW YORK, March 21—(AP)—The thrills and dramatic possibilities hidden in the lithe frames of two youthful pounchers, the Celtic Jimmy McLarnin and Blonde Ray Miller, will lure close to 21,000 of the fight faithful to Madison Square Garden tomorrow night for a thorough testing of the ancient theory of a deadening left hook versus an eye glazing right hand.

It is a theory that has been argued in the ring before and undoubtedly will be threshed out again some time. There is nothing new in the situation for the youngsters themselves. They debated the matter once before in Detroit.

But there was a shock for ring students in the result that night when the hooker from Chicago battered McLarnin so badly that "Baby Face" could not answer the bell as the eighth round came up. The boys who watched Charley White, another Chicago star and probably the left hook king of all lightweights, try for years to crack one solid southpaw chin as Benny Leonard's chin, will gather to find out if such a thing is possible. If Miller can repeat his technical knockout victory there probably will be an official revision of the theory that "left hooks never beat straight rights."

Odds on McLarnin have steadily lengthened from 8 to 5 to 3 to 1. The weight element has had something to do with that for McLarnin, at 140 pounds or better, will have an advantage of from six to eight pounds. After fighting up through the flyweight, bantam, feather and lightweight divisions, Jimmy will be forced to battle in the future as a full fledged welterweight. Miller has difficulty building up to the 135 pound lightweight limit.

Regardless of the outcome both circuiters expect opportunities this summer to fight for championships. Jack Dempsey, in his first solo performance as a promoter, hopes to pit Miller against Sammy Mandell in a lightweight title match here or in Detroit. The Garden plans to bring together McLarnin and the welterweight king, Joe Dundee, in one of the big outdoor shows of the ball park season.

SPORT SLANTS

(By Alan J. Gould, Associated Press Sports Editor)

NEW YORK, March 21—(AP)—It requires no occult powers to gather that the lease obtained on the Polo Grounds for boxing by "Big Bill" Carey and his Madison Square Garden millionaires is the first step toward gaining control of the New York Giants as a whole.

There is more significance in this than the fact that the consequent monopoly obtained on the major outdoor arenas makes it very embarrassing for any open air plans hitherto projected by Humbert Fugazy, with or without the cooperation of Jack Dempsey.

It still is necessary to declare Charles A. Stoneham "in" on the deal, if the ownership of the Giants is to change hands. Mr. Stoneham happens to possess a majority of the ball club's stock. To the repeated rumors of a change in control he has issued consistent denials.

The Giants, franchise, ball players and park, are calculated to be worth nearly $5,000,000. Carey, backed by the wealthy Wall street directorate of the Garden corporation, is understood to have offered Stoneham, John McGraw and Francis X. McQuade about $4,000,000 for their combined holdings, amounting to around 75 per cent.

This looks like the year of the big migration for major league third basemen. To fill the gaps around the hot corner, shortstops, second basemen and outfielders are being rushed to the rescue.

Two of the best known shortstops, Mark Koenig of the Yankees and Joe Sewell of the Cleveland Indians, have been assigned to third base. Frankie Frisch of the Cardinals is slated to make the jump across the diamond from second base. But to offset this, Ossie Bluege of the Senators and Pie Traynor of the Pirates, who long have ranked among the best of third sackers, are trying the shift to short. "Gink" Hendricks, an outfielder by trade, seems slated to cover third for Brooklyn.

Practice for the Army football squad has been turned into a track meet, for the most part. Apparently West Point's gridiron men prefer to save their pigskin enthusiasm for fall.

Red Cagle, the artful dodger of the team and 1929 captain, thinks he can keep his forward passing arm in condition by tossing the 16 pound shot or javelin. Fullback Johnny Murrell for the high and low hurdles at this time of year, while Hutchinson, Cagle's understudy, is a pole vaulter. Messinger and Crabb, ends, also are shot putters, while Timberlake and Piper, backs are sprinters, developing speed for quick getaways through opposing lines next fall.

BRUINS TAKE SECOND GAME FROM LES CANADIENS

BOSTON, March 21—(AP)—The perfect defensive game of the Boston Bruins gave them another 1-0 victory, their second, over Les Canadiens here tonight. When the bruising struggle ended, the Bruins had a commanding lead over the international division winners and needed but another win to enter the Stanley cup finals of the National Hockey League.

Little Cooney Weiland repeated his hero stunt and caged the only score early in the first period. His score was made in almost the same manner as his winning goal of Tuesday night. He and Gainor rushed, the latter carrying the puck. Dutch broke through Mantha and Burke and launched a short straight pass at Hainsworth, who had to come out of his cage to make the stop with his hands. He was still out when the speedy Weiland swept in and flipped the puck back into his cage.

With a one-goal lead to nurse, the Bruins fell back on the defense and remained there during most of the time. Both of the visiting forward lines, with Howie Morenz and Pete Lepine applying the pressure, raged around the home goal but there was always a Brown Bear uniformed player spoiling their drives with a timely stick check.

During the last two periods the "flying Frenchmen" struggled valiantly but Bruins fought back just as hard and had the good fortune to take advantage of every break.

Though the struggle was the most vicious played here this season, there were but 14 penalties called, five of which were on Eddie Shore, who was a tower of strength for Bruins on defense. Morenz drew two, both being imposed in the opening period.

ACADEMY BASEBALL TEAM MUST DEVELOP TWO DEPENDABLE HURLERS

President Heydler's ten-man plan with a little reverse English would fit fairly well into the pre-season outlook of the Academy baseball team. Give the Wildcats a dependable pitcher who can pitch, and they will let anybody do his hitting.

The Academy baseball team, which has won the last two state championship and the last three league titles, is about ready to start work on another season. For the first time in four years a pitcher is needed. Lloyd Jarvis and Johnny Greene, two star boxmen since the season of 1925, will not be on hand to don the Red and White this spring, when the 19 game season opens Saturday, April 14, with the Alumni.

Otherwise, however, the team is practically intact from the club that won 19 and lost but one game in 1928. There are a few positions considered open but the material for them is so promising, it appears that there is no need for worrying along any other lines but that of pitching.

Hard Hitters

The Academy, this season, will probably have one of its hardest hitting teams in years. Last year seven of the nine regulars batted over .300. Five of those boys are back, along with Hal Cummings, who should have been in the select class, but just hit in too much hard luck.

A pre-season outlook shows the Academy in the following light:

Catchers—Bud Fontaine, reserve man for two years is about ready to don the mitt and take the job over as a regular but he will meet stiff competition in Russ Crowell, who was the varsity catcher for Goddard Seminary in Vermont last year, the school that turned out Whitey Witt. Pepin, a sub last year, is another prospect for the coming season.

Pitchers—Boots Greene, Johnny's brother, has plenty of stuff, but is inclined to be a bit wild and needs some coaching. Red Fagan, general all-round performer, gained some repute in an Industrial league game last summer and will put up a stiff fight. Lavarre, son of the old-time umpire, Charlie, is said to be a good prospect. Alex Arico, slick first baseman, may take a try in the box. Mike Abugle is a big boy with quite a little speed. Butsy Weisgraber may have learned enough from last season to make the grade. And there are others, probably some who will surprise everybody.

Infielders—Three positions on the infield appear to be fixed. They are Arico, at first, Buck LaCroix at second and Chubby Gibbs, at shortstop. Third base, which was guarded by Shorty Hamil and Capt.-elect Jack Marks last season, is a problem. There will be plenty of candidates, including Mickey Breen, who laved the dizzy corner in practice last year, Walter Navick, Buckley and others. There have been reports that Chet Berghinzo, second string first sacker in 1928, won't be on hand this spring but Chet will probably be there when work begins in earnest. Buck LaCroix might be moved from second to third, where he has played a bit, but that's up to Coach Earle E. Brigham.

Outfielders—Hal Cummings and Anso Tombari look like the leading outfield candidates at this time. Which fields they will cover is a matter of conjecture. Cummings, he of the four doubles in the Bulkeley game, hit only around .250 last year but he won some of the most important games of the year for the Wildcats by his timely blows, including the Deep River, Bulkeley and Harding contests. Capt. Marks may be shifted to the outfield, leaving he, Cummings and Tombari as the trio and Breen or somebody at third, but that's only a guess.

A few batterymen have been working outdoors this week after a large squad had practiced indoors at the state armory since the middle of February. Next week will see the entire squad out in earnest. There will then be three weeks remaining before the opening game.

The field has undergone quite a change since last season with the removal of the left field hill and this will not hurt the diamond in any respects. When the campus has been properly graded, the Academy will have one of the best high school fields in New England.

Schedule Changes

The schedule has undergone two changes since announced in The Bulletin in December. Naugatuck, they of the great scholastic teams, replace Hillhouse high of New Haven for the closing date, Saturday, June 8, and the annual Varsity-Faculty game will be resumed. The addition of Naugy does not make the schedule one bit weaker than if New Haven were coming. Hillhouse, which has had great teams the past years, lost practically its entire team by graduation, while Naugatuck has almost a veteran team and Pete Foley, the great coach, who each season turns out high-class teams in all sports.

Montville Wins

The Montville A. C. defeated the Baltic Maroons at Montville Wednesday night, in a game crammed full of action, the final score being 39 to 21.

In a fast preliminary Montville Seconds defeated the rejuvenated Mohegan A. C. 25 to 16. The summary:

Montville A. C.

SENATORS TAKE DODGERS WITH LITTLE TROUBLE

CLEARWATER, Fla., March 21—(AP)—The Washington Senators won easily over the Brooklyn Robins by 9 to 5 in an exhibition game here today, despite a Brooklyn advantage of 12 to 11 in safe hits. The Senators bunched six of their drives with two passes, an error and a wild pitch in the third and the eighth. Three runs were scored in each of the big innings. The score:

Wash. (A)	023 000 103—	9	11	1
Brook. (N)	011 000 030—	5	12	3

Brown, Campbell and Spencer, Tate; Elliott, Ballou, Dudley, and Henline.

Miss Turpie Takes Title

BILOXI, Miss., March 21—(AP)—Miss Marion Turpie of New Orleans, southern woman's champion, won the gulf states woman's golf title today from Mrs. Dalton Reymond, of Baton Rouge, La., in the finals of the annual tournament on the Biloxi course. The score was 4 and 3.

Massie Miller Three Strokes Back of Leaders

MIAMI BEACH, Fla., March 21—(AP)—Three comparative outsiders, Frank Ball of Atlanta, George Christ, Davenport, Fla., and Ed Dudley, Los Angeles, Cal., today tied with one of the favorite professionals, Al Watrous, Detroit, for medal honors in the qualifying rounds of the $15,000 La Gorce open golf tournament here. Each carded 142 for the 36 holes.

Close behind came Neal McIntyre, Indianapolis, and "Light Horse Harry" Cooper, Buffalo, another pair whose golfing fame does not compare with some of those who trailed today. They scored 143 each, while Tommy Armour, Washington, and Tony Manero, Washington, D. C., were deadlocked for the next two places with a pair of 144's.

Johnny Farrell, national open and defending champion, Walter Hagen, British open champion, and Young Horton Smith, Joplin, Mo., dropped from the limelight in the opening play, as did such other favorites as Gene Sarazen, Newport Richey, Fla., and "Wild Bill" Mehlhorn, White Plains, N. Y.

Smith divided his position at the 145 mark with Frank Walsh, Appleton, Wis., Al Espinosa, Chicago, Massie Miller, Norwich, Conn., and Jack Forester, Short Hills, N. J.

Among those who qualified were Lew Waldron, Boston with 151, Henry Ciuci, Bridgeport, Conn., with 152 and Louis Chiappetta, Hartford, Conn., with 153.

ATHLETICS SWAMP REDS WITH NINTH INNING RALLY

ORLANDO, Fla., March 21—(AP)—The Philadelphia Americans swamped Cincinnati today, 10 to 5. Although two hits and two errors gave Cincinnati hope and a lone run lead in the eighth, the Athletics squelched both with six runs in the ninth.

Foxx, Athletics, hit a home run in the sixth inning bringing in Simmons ahead of him. The score:

Phil. (A)	020 002 006—	10	11	3
Cin. (N)	300 000 020—	5	9	2

Yerkes, Hores, Jones and Perkins; Rixey, Lucas, Zahniser and McMullen.

Championship Bowling Match

The bowling match between the married men and the single men has created much interest at the American Woolen mill, in Thamesville. The single men were bragging about their bowling ability and Captain Amie Woods the champion of the "North Woods" said that he had a team right in the room that could beat them. His team consists of Marvin Tourtellotte, champion of Rhode Island state, Christian Baer, champion of Germany, Floyd Lambert, unknown and undefeated. He himself will make the fourth man and will captain the team. The single men will use Buffalo Taffel, Fuzzy Falcone, Delaware Pierson and Captain Clancy Falcone. The match will be played at the Aetna Bowling alleys tonight. They have secured the world's famous score keeper, Roy Nagle to handle the match.

Denny Murphy With Reading

Dennis J. (Dennie) Murphy, former Taftville boy, has signed his contract with the Reading club of the International club. Murphy, a catcher, was turned over to the Keys by the Chicago Cubs on option during the winter. He is generally believed to have the inside track for first string receiver with the Reading outfit. He has been ordered to report for spring training at Richmond, Va., at once.

Wesleyan Basketball Leader

MIDDLETOWN, March 21—(AP)—At a meeting of letter men of the Wesleyan basketball team tonight, T. W. Millspaugh, '30, was elected captain for next season. Millspaugh, who lives in Norwich, N. Y., is president of the junior class and has played football on the varsity eleven for two years.

Warner Named at Harvard

CAMBRIDGE, Mass., March 21—(AP)—Nathaniel Warner, of Cambridge, today was elected captain of the Harvard wrestling team for next year, when the squad sat for its official photograph. Warner wrestled in the 175 pound class this season and was runner-up in the recent New England championships.

Harvard Eliminates Yale

NEW YORK, March 21—(AP)—Harvard's powerful polo team eliminated Yale from further competition in the intercollegiate division of the national indoor polo championships, tonight, 12 to 7 1-2.

German Prince Opens New Type Of School

WIDE WORLD PHOTO

Prince Max of Baden, who became Bethmann-Hollweg, Chancellor of the German Empire during the War, did not stand up against Admiral von Tirpitz and prevent the submarine campaign which he knew would prove fatal, has established a school in his old castle at Schloss, Salem, Germany, where the future men of Germany will be taught to build up their will power, so that no such instance will happen again. Prince Max believes that Germany's men failed in the crisis of the war through improper training and through education in his school hopes to overcome the weak spots of the past.

TEXACO A. C. SWAMPS COMBAT TRAIN INDOOR TEAM, 26 TO 0

In a most one-sided indoor baseball game at the state armory last night the Texaco A. C. handed the Combat Train a whitewashing, 26 to 0. It was not until the sixth inning that the Combatants were able to get a man as far as third base, and he was the only one to get that far during the game. The Oilmen started off in high gear and kept their foot on the gas until fifteen runs had crossed the plate in the first inning. After this they ran along in slow speed scoring 1, 2 or 3 runs each inning with the exception of the fifth.

The lineups were:

Texaco A. C.—Goodrow c; Art Berberich p; Al Berberich 1b; Goodman rss; J. Greene 2b; Lafferty lss; O. Berberich 3b; L. Green lf; S. Sadinsky cf; Zeller rf.

Combat Train—Lavender c; Gusty p; Babbitt 1b; LaFluer rss; Nye 2b; Guy lss; LeBrie 3b; Fensler lf; Doolittle cf; B. Nye rf.

Score by innings:

Combat Train	000 000 000—	0
Texaco A. C.	1511 303 12x—	26

The Texaco team challenges any indoor baseball team in the city for a game. If challenge is accepted call 5122.

Birnie Elected Captain

HANOVER, N. H., March 21—(AP)—Walter H. Birnie, of Springfield, Mass., today was elected captain of the Dartmouth college swimming team for next year.

W. J. Harrison, of Erie, Pa., was chosen captain of the water polo team.

Hill Beats Jarvis

LONDON, March 21—(AP)—Johnny Hill of Scotland defeated Ernie Jarvis of Millwall on points in a fifteen round match for the flyweight championship of Great Britain here tonight.

Aggies Hold Out-Door Practice

STORRS, March 21—(AP)—Twenty-five candidates for positions on the Connecticut Aggies' baseball nine, were given their first outdoor practice today. A two hour batting drill was held which comprised the workout. Coach Sumner Dole with 11 veterans including eight letter men expects a good season.

Sandwina Loses on Foul

LONDON, March 21—(AP)—Fred Sundwina, German heavyweight, lost to Charlie Smith of Deptford, Eng., at Albert hall tonight when he was disqualified for a low blow in the seventh round.

Five theaters in the San Francisco day area are without union musicians, projectionists, and stage hands through a dispute between the musicians' union and theater managers.

FROM NINTH TO FOURTH PLACE IN SIX MONTHS!

World's *Finest* Lubricating System

Nash-Bijur Centralized Chassis Lubrication

FINALLY, a system of centralized chassis lubrication has been perfected which operates easily . . . immediately . . . and invariably.

Nash now offers it on every Advanced and Special model of the new "400" series . . . Nash-Bijur . . . the finest device ever produced to supply chassis bearings with necessary lubrication.

You simply press a convenient pedal (a child can do it), and twenty-nine chassis points . . . spring shackles, steering knuckles, clutch bearing and the like . . . are bathed in fresh, clean, wear-resisting oil.

Nash-Bijur centralized lubrication does away with all the bother and expense of old-fashioned chassis greasing. Press the pedal once a day, lubrication follows. Chassis squeaks are avoided, chassis wear is prevented . . . when the car you drive is the new and finer Nash "400".

The New NASH "400"

Leads the World in Motor Car Value

IMPORTANT "400" FEATURES—NO OTHER CAR HAS THEM ALL

Twin-Ignition motor
12 Aircraft-type spark plugs
High compression
Houdaille and Lovejoy shock absorbers (exclusive Nash mounting)
Salon Bodies
Aluminum alloy pistons (lower Strut)
New double drop frame
Torsional vibration damper
World's easiest steering
7-bearing crankshaft (hollow crank pins)
Bijur centralized chassis lubrication
Electric clocks
Exterior metalware chrome plated over nickel
Short turning radius
Longer wheelbases
One-piece Salon fenders
Clear vision front pillar posts
Nash Special Design front and rear bumpers

COMPETING WITH LOW PRICES

(Writen Specially for The Bulletin.)

Some years ago, when I was engaged in the struggle to make a living and perhaps a little profit from truck-gardening, I came constantly face to face with the problem of how to compete with low prices.

Even in those days, Bermuda sent onions and Florida sent spinach and California sent asparagus and Norfolk sent green peas and Jersey sent Lima beans and Long Island sent potatoes earlier than I could grow them and at prices which hardly equalled my costs for just raising them.

Of course, I could beat them all in quality and freshness, two characteristics highly desirable in green vegetables. Some of my customers were eager to pay even higher than the market rates in order to be assured of quality higher than the market standard. But other customers had to look twice at their dollars before buying. To these latter the lure of cheapness was practically irresistible. They couldn't bring themselves to pay me twenty cents a peck for spinach, even though it hadn't been cut two hours and was absolutely grit-less, when they could buy wilted and sandy Florida spinach for fifteen cents.

In order to get and hold their trade, I must find some way to grow spinach so that I could sell it at 15 cents. The only way to do that was to cut down in the cost of production.

Well, in truck gardening the biggest cost of production is labor, and the second big cost is fertilizer. I was already using all the labor-saving tools and devices I could hear of and further reduction along that line seemed impossible. So I turned to the fertilizer account to see if anything could be done with that.

It was clear, from the start, that I couldn't cut down in the amount or quality of the fertilizer I was using. If there's one thing surer than another, it is that a truck garden has got to be liberally fed, if the truck-gardener expects it to feed him. To stint a truck garden in plant-food is as poor policy as to stint a draft horse in provender. I simply mustn't consider for a moment any abatement in fertilization.

But wasn't it possible to get my fertilizer cheaper? Of course I could buy it at various prices. But the analysis showed me that the very highest-priced of all weren't any too rich in the nitrates and phosphates my soil hungered for. If I chose lower-priced mixtures, I got even less of those desirable nitrates and phosphates and more of the inert "filler." Clearly, such a move would be like jumping from the frying pan into the fire. What I wanted was even higher grade fertilizers but at lower prices.

It seemed a paradox, till the idea struck me of buying my nitrate of soda and my bone-meal and my tankage and my potash separately and mixing them with my own scoop-shovel, on my own barn floor, in varying proportions, according to the varying needs of different crops. I wanted a manure excessively rich in nitrogen for such things as asparagus, lettuce, etc., while peas and beans needed practically no nitrogen. If I bought a ready-mixed fertilizer, which was suitable for my asparagus, at least three-quatrers of its value was wasted on my pea-patch. And if I bought one mixed right for peas, it wasn't worth its weight in coal-ashes on the asparagus-bed.

So I bought a few loads of the raw materials and mixed 'em up myself, in quantities and proportions as wanted. In the first place, I found that this reduced the money-cost of my boughten fertilizer by fully a quarter: by at least $25 in $100. In the second place, I found that the labor of mixing, when undertaken in comparatively small lots, at irregular intervals, was much less than I had anticipated. It could be done during showers, or early mornings before the dew had dried off. In the third place, I didn't waste costly nitrates on crops which needed only cheaper potash. I was fitting the food to the appetite: adapting the medicine to the disease. At the end of the seeding season, I was able to figure the very neat saving of almost $15 a ton on the fertilizer I had used. And, at the end of the harvesting time, I found that I had never had any better crops in any line, nor so good crops in several.

In other words, home-mixing had saved me money and, on the whole, bettered yields. Which saving in cost and increase in production enabled me to take at least one step towards meeting the competition of cheaply grown, imported vegetables.

It was a paying experiment.

I've just cut out from a New York paper an article in which an expert of the federal bureau of chemistry and soils sets forth this same idea of home-mixing as one of the most practical forms of "farm relief." He cites all the advantages I have referred to, and one other which I hadn't thought of. In order to make a ton of fertilizer analyze the proper 4-8-4 ratio, for instance, the manufacturer has to add to the really fertilizing constituents of his mixture a considerable quantity of "filler," i. e., absolutely inert and useless weight. When the farmer mixes his own, he doesn't need to use a pound of this "filler,"—nor does he have to pay freight on it, as he must if it comes in his ready-mixed brands. That accounts for two more savings, one in money and one in labor.

This John Farmer's 25 years' old plan for reducing the costs of growing crops at last gets indorsement from the high muck-a-mucks at Washington. If I had sponsored it and written pages in exhortation and argument about it, who would have been interested enough even to give it a try-out? But when the department of agriculture O. K.'s it, perhaps some few may sit up and take notice.

I haven't quite got through with my own little story, yet. That first year, when I mixed up my own fertilizer, I was unable to figure exactly how much of this, that and the other ingredient, I would want. As a result, I had several hundred pounds of my own special formula for corn left over. This I sold to two other neighbor farmers at exact cost, they agreeing to try it on their own land in comparison with fertilizer bought ready-mixed at a considerably higher price. During the season both these neighbors went out of their way to tell me that the corn under which my dope had been used was manifestly much better than the rest of the fields. It came on earlier, grew ranker, eared better and glazed sooner.

But,—and here's the part that comes hardest to tell,—

When I suggested, next winter, that both join me in buying a car-load of raw materials and each one mixing all his own in his own way and at his own time, neither one was willing to risk the plunge. They hesitated and demurred and dallied, till spring came on and it was too late.

I don't, at this late day, recall what they said or on what pretexts they based their non-action. But I do recall with some bitterness the conviction which their conduct and manners enforced me to believe. That conviction was that, if I would take all the trouble of corresponding with material dealers, and order the stuff, and haul it from the station, and work out the proper mixing formulae, and do the mixing and bagging,—why, then they'd consider taking a few tons off my hands at net prices.

But it meant "too much trouble" for them to do the preparatory planning and work, themselves.

Which brings us, just as almost any economical discussion of almost any subject is sure to, back to the lazy and shiftless craving to avoid trouble and shirk responsibility, which seems to be a characteristic of "modern progress," not only in the cities but on the farms.

Some guy who has been looking over the figures of the 1920 census has recently published some highly informative facts relating to certain tendencies in domestic life, for just one phase. He finds, for example, that between 1900 and 1920, the number of restaurants increased four times as fast as the number of families. He finds that bakery production increased 660 per ent., while population was increasing 15 per cent. He finds that delicatessen stores increased 43 per cent., **while population was growing** one-third that percentage. And so on.

You see, it's easier and less trouble to eat at a restaurant than to cook at home; it's easier and less trouble to buy prepared breads and foods than to bake them at home.

There's no use in finding fault with the housewives of the land for taking this stand. They're simply following the same trail the rest of us have broken out,—the trail that aims at Easy street, not at Workaday road.

It seems to be rather widely admitted that something is wrong with human society, as at present ordered. One man complains of too much law, and another of too inefficient law-enforcement; one finds the trouble in lax moral standards, and one in fundamentalist bigotry; one sees the root of the evil in the universal greed for money, and one sees it in the equally universal grasping for luxury and soft living.

You and I are not appointed judges of all the earth. But we are, nevertheless, permitted to have and hold our own opinions.

And I frankly confess that the last mentioned tendency seems to me the most obvious and the most ominous.

When any people come to care more for being comfortable than for being right, it doesn't need a Daniel to see the handwriting on the wall.

THE FARMER.

GOSHEN

VARIOUS SPRING SIGNS NOTED THE PAST WEEK

As a sign of spring, March 11th., W. T. Curry shot the largest woodchuck ever seen in this locality. Mr. Groundhog was crossing an open field at Crystal Spring farm and was a tempting shot with the rifle. Standing on the back porch, with the first shot, Mr. Woodchuck turned a double somersault, dead. March 20th., pheobes and the wood pewee, also wood thrushes, meadow larks and butterflies were seen. The first peep frogs were heard at Norwich Town, March 16th.

The old time fiddlers are coming again soon, when country roads have dried up. There will be other attractions at Grange hall, the place of meeting. The date is not quite definite yet.

W. T. Curry is in Springfield, this week.

Miss Annie Gillette was in Windsor Tuesday, attending D. A. R. meeting. She spent the night with her cousin, Mrs. Sherman Fox, in East Hartford, returning home Wednesday.

Mrs. Clarence Thomas and son, Carleton, are guests, this week, of Mrs. Thomas' aunt, Mrs. Maria Price, in Rockville.

Henry Barrows, who lives with his aunt in Rockville, spent last week at the home of his parents, Mr. and Mrs. Edward Barrows.

Mr. and Mrs. J. A. Randall were luncheon guests of their cousins, Mr. and Mrs. Charles Buckus and Mrs. Mary Stark, at Norwich Town, Monday.

E. H. McCall, Jr., and Miss Dorothy McCall visited, Monday, at the home of their brother's family, in Saybrook.

The C. E. meeting Sunday evening was held at the home of Miss Clara Gillette. The pastor, Mr. Bushnell, showed a number of pictures on Joppa, with his new stereopticon, giving an account of Bible characters who once lived and preached there. The C. E. meeting is to be held at the same place next Sunday evening.

EAST HADDAM

Mr. and Mrs. James E. Bryan are entertaining Mr. and Mrs. Harry J. Dawson, of Brooklyn, N. Y.

Mr. and Mrs. Reginald Olmstead and daughter, of Westbrook, were guests Sunday of Mr. Olmstead's mother, Mrs. Charlotte Olmstead.

Mrs. John D. Shea, who has been confined to the house since last December, has improved sufficiently to get out of doors on pleasant days.

Mr. and Mrs. Aaron Greenberg and daughters, who have spent the winter in Florida, are expected home this week.

Mr. and Mrs. B. W. Talbot and son, accompanied by Mr. and Mrs. W. E. Smith, visited relatives in Westerly, R. I., Sunday.

The church Ladies' society is preparing for a pageant to be given Easter Sunday.

The East Haddam grange minstrel troupe was in Middletown Saturday evening and helped entertain the grange of that city.

Mr. and Mrs. William Simpson returned home Saturday from Camden, S. C., where they spent the winter.

OLD MARINE LANDMARK TO BE SIGNAL STATION

LONG BEACH, Cal. (AP)—Signal hill, marine landmark of early days, later famous for its cucumbers crop and now a forest of oil derricks, is about to live up to its name again. It will become a signal hill for aviators.

The city council of Long Beach which derives a handsome income from oil lands on the hill, has instructed the city engineering department to prepare plans for an aerial beacon, with a 150-foot tower, to cost between $20,000 and $50,000.

DANIELSON

B. AND L. TO ISSUE NEW SERIES OF SHARES

(Special to The Bulletin)

DANIELSON, March 21—Another series of shares—the 28th—is to be issued as of April 1, by the Danielson Building and Loan association. The association has just rounded another successful six months of business and has declared its semi-annual dividend at the rate of 5 per cent. per annum. In addition a considerable sum was added to the surplus account. Clifford H. Starkweather of the association said today that upwards of 100 shares of the last series of shares were subscribed for, and it is hoped that even a larger subscription will come in for the new series of shares. He also stated that the association has one file several applications for loans, and the demand for money for building purposes continues strong.

The association was formed here a few years prior to the entrance of the United States into the World war to help relieve a housing shortage. In the years that have since passed the money it has made available for home builders has contributed materially to the growth of Danielson. This fact notwithstanding, and though many new homes have been built with funds other than that of the association, Danielson needs more homes. There are very few rents available here, and a steady demand for modern homes or apartments.

The fact that Killingly has a higher tax rate than common this year is disturbing to numbers of people, but it probably will be cut to less than half within two years. It so happens that Danielson is facing the same situation as Windham. A general revaluation of the property of the town cannot be deferred beyond next year, and it is held that this revaluation is not to close to double the figures in the present grand list. If this proves true, the tax rate will be just about cut in half.

Discussions of revaluation of Killingly's property now being heard have to do largely with how it is going to be done. There are those who hold that it should be done by outside specialists in such work, while others contend it can be adequately done, and at much less expense, by local assessors. It is unlikely that anything will be done about the matter during 1929, though there is the prospect of there being much discussion about it.

Fixing the assessments on manufacturing properties is going to be about the most delicate of the tasks involved in a general revaluation. That is pointed out by those who have given thought to the revaluation processes. This part of the work will involve not only being fair to the town, but as well as to the manufacturer.

One point that will be stressed, it is said, with two manufacturing concerns who are considering locating here is the freedom of this territory from labor troubles. Strikes are practically unknown in this immediate territory. It is a matter of record that numbers of concerns have abandoned territory where their operations have been almost constantly harrassed by strikes or other difficulties with labor, and that they have looked with favor on localities free of such trying circumstances. Workers here, both union and non-union, have managed through the years to get along without going on strike, and the point is one regarded as worth talking about to representatives of firms considering this town as a location.

This morning the funeral of Mrs. Anastasia Melink was held from the home on the West Side, with funeral services at St. James' church. Rev. Joseph Bergin, M. S., being celebrant of the high mass of requiem, which many attended. Burial was in Holy Cross cemetery. The bearers were Matthew Misiaszik, John Ryzenikienicz, Wasyl Hewko, Michael Grvki, John Roiselle and Stanly Polanski. Louis E. Kennedy was in charge of the arrangements.

Willism Bennett, manager of the Danielson division of the Southern New England Telephone company 25 years ago, was here today calling upon old friends. Mr. Bennett, who after leaving here was for years connected with the New England Telephone company at Taunton, is now on the retired list of the company. It was recalled today that Mr. Bennett was manager of a basketball team during his stay in Danielson that rated close to the championship of New England. As a matter of fact it was entirely made up of professionals obtained from teams that had been in the old New England league, which disbanded. This team ranged up and down the line, meeting all comers, the other teams of the league also being made up of professional players, and it was the greatest league southern New England ever saw.

There are trout fishing enthusiasts, feeling the lure of the coming session who already are ranging the brooks, not to fish, but to scan favorite pulls and shaded bends to get a line on whether the trout are running up the brooks as yet, and, of course, on the look out for big ones. Most of these strollers report that the majority of the larger brooks are too high just now to permit of careful observation, though some fine trout have been seen.

This afternoon at 2.35 a "33" call brought out the Capt. Put Engine company to extinguish a grass fire burning over territory near the substation of the Eastern Connecticut Power company, west of Mechanic street and about opposite Westfield avenue. Chemicals were used to control the fire, a matter of a very few minutes. There was no damage to property.

Some additional narrow escapes from automobile collision at the junction of North Main street and Westcott road again bring attention to the need of reducing the danger of such accidents by improvement of the entrance to the road from the south. Some minor changes and at no great expense would remedy the present situation, it is held.

Kenneth H. Hamilton was reported as resting comfortably today at St. Vincent's hospital in Worcester after undergoing an operation for appendicitis Wednesday.

Rev. William C. Prentiss of Plainfield is to preach at the Congregational church in Brooklyn Sunday afternoon at 3 o'clock. Sunday school will be at 12 o'clock.

Friends here have received cards from Miss Margaret McBride, who has been spending the winter at Belleair, Fla., and will return here during April.

Mrs. Harry W. Clarke of Hutchins street will entertain members of the Roundabout club Friday afternoon.

Members of the medical unit stationed at the state armory here and his many other Danielson friends regret that Dr. E. F. Perry of Putnam has found it necessary to enter the government hospital at Newport for treatment. Dr. Perry heads the medical detachment of special troops at the Danielson armory, with the rank of captain. He was a medical officer overseas during the World war.

From South Killingly comes the report of Raymond Barlow finding cowslips in blossom on St. Patrick's day in a spring on the A. E. Hall farm.

William R. Spooner of North Sterling is a patient at the Day Kimball hospital in Putnam.

Some matters of local interest are on the calendar for consideration at the session of the Windham county superior court scheduled to be held on Friday.

In the early future the safety lanes across the street in the business section are to be repainted. They have been practically obliterated during the winter season.

Additional dogs, having been vaccinated and in quarantine for 21 days, are being released from day to day. This accounts for their being at liberty. They all have a special tag attached to their collars showing they have been vaccinated.

Both houses of the legislature have approved the measure increasing the salary of the judge of the town court of Killingly to $1200.

Mrs. Martin Wolfe of North Main street has been quite ill the past few days.

It is anticipated that work on the Danielson-Brooklyn state highway will be resumed within a month. Work on this stretch of highway proceeded through the greater part of last year, but could not be completed before real winter weather sets in.

JEWETT CITY

NOT A CASE OF SMALLPOX REPORTED IN THE BOROUGH

Newspapers and news items all through this section are telling every day about the small-pox cases in Jewett City. The facts are that there is not a single case of small-pox in Jewett City, nor has there been. The official reports mention Griswold as the town. A part of Voluntown, all of Glasgo, Pachaug and Jewett City are within the town of Griswold. Pachaug, the hamlet where the mild cases are reported, is three miles from Jewett City.

World Wide guild girls' food sale, Fri. 3 p. m., Baptist vestry.—adv.

New Looms at Ashland Mills.

The present shipment of new electrically operated looms for the Ashland Cotton Co., is being placed on the new floor where they are to be put into operation at once.

In record time Contractor E. E. Gilbert has completed the job, all the work being done in the winter months.

Finn's tonight, China night, also Lillian Gish and Ronald Colman in The White Sister with Photo Tone.—adv.

Rid of Stray Dogs.

William R. Palmer, dog warden for Griswold was making a final check-up on unregistered dogs Thursday afternoon. As a result of his giving attention to this matter, because of many complaints, the clean-up has resulted in an abatement of the nuisance of roving dogs.

Leased to Montville Man.

The Elias Anthony store in the Anthony block has been leased to Sam Florman of Montville, for a term of five years.

Some inquiry having been made here recently relative to the one-time counterbalance windmill, never seen at the present time, it is learned that the late Israel Mathewson once owned a wind mill of that type. Being balanced with a truss arrangement the mill could be brought to the ground for oiling.

Ruth T. Russell, home demonstration agent of Norwich, will address a meeting today (Friday) at the home of Mrs. A. M. Brown. The subject will be Protein Cookery. The time is 1.30, and there will be demonstrations of interest. The meetings are held in the line of cooperative extension in agriculture and home economics.

Slater Library Report.

For the last year the circulation totals at Slater library, prove the increased service: Total circulation 23,411, adult fiction, 12,899, junior books 9,443, non fiction 620, periodicals 449.

An item in the Jewett City column of The Bulletin 29 years ago reads: The new station of the New York, New Haven & Hartford Railroad company, at the foot of School street was formerly opened to the public Sunday. The structure is a modern railway station, steam-heated, lighted by electricity, and has all the conveniences that city water can supply. There are the latest improved facilities for handling baggage, express and the large passenger traffic with comfort and dispatch. It is constructed almost entirely of brick and stone, and is substantially built throughout. The fact that it was a real necessity so long makes it all the more appreciated by the traveling public, who will assist the railroad company in making a "thing of beauty and a joy forever." Olin F. Miller, the station-agent, with his able assistants, are courteous and obliging at all times.

GEORGE W. BROWN'S DEATH FOLLOWS THAT OF SISTER

George W. Brown, 81, died Thursday at the home of his son Henry, in East Hartford. Mr. Brown was born in Killingly, November 28, 1847, the son of Mr. and Mrs. John Brown. For years he was a resident in Jewett City and Pachaug. He was employed in the Slater mills years ago as a machinist, and is the last one of the old employes in that capacity. He is survived by his son Henry, two sisters, Mrs. Eva Burdick, of Mystic and Mrs. Ida Herrick of Norwich and two brothers, George of Hartford and Charles of Conimicut, R. I. He was a member of Reliance lodge, No. 29, I. O. O. F., of Jewett City. A sister, Mrs. Mary Whipple was buried here the first week of this month.

Mrs. Herbert Wyatt, who is very ill at her home on Palmer avenue, was more comfortable Thursday.

Mrs. W. A. Richardson leaves today (Friday) to spend several weeks at her cottage in Orange City, Florida. Her daughter Clara of the University of Maine, will spend the Easter recess with her.

PUTNAM

CONGRESSIONAL SUB-COM. PAYS VISIT TO PUTNAM

(Special to The Bulletin)

PUTNAM, March 21—Putnam was host to the sub-committee of the national committee of ways and means of the congress of the United States yesterday. The group of distinguished visitors spent several hours in this city, making a tour of inspection of the National Rhea company, Putnam fibre and rayon plant. The committee it was said are now travelling through New England inspecting the various plants with a view of collecting data to be directed to the prospective tariff revision bill which will soon be brought before congress.

The delegation included: Congressmen C. R. Chindblom, chairman of the sub-committee on silk and rayon; A. T. Treadway, chairman of the sub-committee on cotton; L. M. Davenport chairman of the sub-committee on paper; W. A. G. Clarke, chief of the textile division of the United States tariff commission; Chester H. Smith, chief of the U. S. tariff commission, paper and lumber division. The group of governmental executives were met at the mill by Treasurer H. N. S. Campbell of the National Rhea company. The chief interest of the officials seemed to be in the spinning of the fibre product.

The visit of the government men recalls the appearance in February of Treasurer Campbell of the National Rhea company before the ways and means committee of congress, where he stressed the need of an increased tariff on the manufacture of rhea, for the protection of the comparatively new industry in the United States. He outlined the injury being done to the newest textile by European manufacturers who with the cheap labor conditions in the Old World are shipping in the manufactured product at a much lower price. Competition with the foreign product of the same nature is impossible for the Americans, and unless the tariff rates are increased the National Rhea will have to go out of business.

The visit of the government officials yesterday will perhaps result in some action being taken to remedy the situation at the special session of congress to be called in April. At present the local plant of the National Rhea is running on a full time schedule and is employing many hands. The closing of the plant because of the European handicap would be an extreme blow to Putnam and it is believed every effort will be made to make matters satisfactory to the officials of the company or at least to make a compromise.

Charles A. Woodward of Lincoln street was in Boston yesterday where he took part in the broadcast of the New England Transportation Company orchestra from Station WEEI. Mr. Woodward is the trap drummer in the company orchestra.

The city highway department is now at work on the preliminary stages of repairing a number of the city thoroughfares. The highway ranks were at work in scraping Farrows street yesterday.

Funeral services were held this afternoon for Mrs. Lydia N. Andrews, who died at her home, on Florence street Monday. The service was held at the home and was in charge of Rev. J. F. English of Grove street, pastor of the Congregational church. Burial was in Dayville.

Lillian Lapire, 22, of North Grosvenordale died at the sanatorium of Uncas-on-Thames yesterday. Miss Lapire had been a patient at the hospital for a number of years. She is survived by two brothers who make their home in North Grosvernordale.

With the chimney fire crisis about passed the members of the hook and ladder company are now being forced to cope with another nature of minor blazes, that of the grass fire. This first of a series of grass fires was called to the attention of the firemen today when an open lot in the rear of the gas house on Arch street burned over. Deputy Chief Dumas and a number of members of the hook and ladder company spent several minutes at the scene before they extinguished the flames. No property loss resulted.

Supt. of Schools Leon M. Farrin made the announcement today that all schools in the city will close on Thursday March 28 for the Easter recess and will reopen again on Monday April 8.

A number of cases slated for trial today in superior court, civil session were crossed off the list when announcement was made to the effect that settlement had been reached. Judge Arthur F. Ells of Middletown therefore adjourned the session until a future date.

Of interest to sport fans in this city today was the appointments received by two Putnam players on the All-Eastern Connecticut teams and honorable mention for a third member of the Blue and White aggregation. A sports writer of the "Bulletin" placed Bill Shann, rangy Putnam center at this position on the Bulletin Eastern state team, and gave Carman Leo the highest scoring forward in the eastern section of the state the honor of forward on his second choice of five players. Captain Walter Cody of the local five also received honorable mention. Coach L. F. Noves of Putnam high school was elated today to find three of his squad had been awarded berths on the team team.

A second call this afternoon brought the members of the Putnam fire department to Riverside park on Church street to extinguish a brush and grass fire. The flames were fanned by high winds rising from the river and burned the lot over within a few minutes, causing no damage. The firemen stood by to protect nearby property using little water to put out the smouldering suckling trees, which were burned.

The daylight saving time question will again find its way into the common council for official adoption by the mayor and board of aldermen, presumably at the April meeting, which will be held on April 2. Putnam in past years has spent the summer and early fall months on the fast time schedule, much to the satisfaction of all and there is little doubt but what the advanced hour will be followed this year.

Mr. and Mrs. Alexander Gilman of Gilman street left this morning for New York where they will embark Friday on a steamer for Bermuda. Mr. Gilman spent a few weeks last year on the isle and was so delighted with the life on the island that he decided to return again this year. They will be gone for about a month.

LEDYARD

SPECIAL MEETING REDUCES TOWN TAX TO 30 MILLS

The special town meeting called by the selectmen upon a petition of 20 voters to rescind a former vote of the town which laid a tax rate of 32 mills and was held in the town hall on Tuesday afternoon. About 20 voters were present. George A. Montgomery was chosen moderator and William I. Allyn, clerk. After much discussion Carl Wieman made a motion that the former vote of laying a 32 mill tax be rescinded. This motion was seconded by Irving Maynard. There were 12 who voted to have the former vote rescinded and eight who voted against it. A 30 mill tax was voted.

Nielson Schiegel preached in the Congregational church Sunday morning and in the evening had charge of the C. E. society meeting. This was the second Sunday night's talk on Darkest Africa. A series of these talks will follow.

Mrs. Rudge was the guest recently of Mrs. George Peck of Norwich Town. While there she met old acquaintences whom she had not seen in a long while.

Gilbert Hazen, Gilbert Hazen Jr., and Paul Holdridge were at North Stonington Sunday afternoon and inspected the large poultry plant of A. B. Crofts in that village.

TWO RUNAWAY CHICKS ALL SAVED FROM BROODER

Andrew M. Avery had 500 R. I. Red baby chicks three weeks old. He looked after them late at night and they were all right. When he arose early in the morning he beheld a heap of ashes where his brooder house stood, all were consumed but two little chicks which were running around outside. How these two little fellows escaped ins a mystery. Whether some one stole the chickens and set the house on fire, or a defective wire caused Mr. Avery's great loss, remains a mystery.

The woman of the hour is the one who says she will be ready in a minute.

Make More Money

Healthy, vigorous men land life's best prizes. Buoyant step, bright eyes, clear complexion and exuberant vitality denote a system free from impurities. Constipation poisons the whole system, slows the step, saps energy, destroys confidence and cuts down the earning power.

Rid your system of constipation and its poisons. Dr. Edwards' Olive Tablets remove them gently, tone up the system, clear the eyes and complexion and bring back normal vigor. A compound of vegetable ingredients, prescribed to patients for 20 years in place of calomel. They act easily and quickly on bowels and liver.

Take Dr. Edwards' Olive Tablets and keep fit for the daily grind. Thousands of happy men and women use them regularly as an aid to success in their everyday tasks. Know them by their olive color. 15c, 30c, 60c.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall or Liggett Drug Store.

MYSTIC

RECENT CONTRIBUTORS TO FLAGPOLE REPAIR FUND

Following is a list of additional names of contributors for the Liberty Pole fund: A Friend, Peter Flynn, Edward Brooks; R. O. O. K., Leonard Hermes, P. J. Butten, Mrs. Archie Chapman, E. B. Seamons, Mystic grange, J. B. Stinson A. W. Butler, Daughters of Veterans and Women's Relief Corps. It has not been decided what to do about the pole. The day after the pole was repaired the top was blown off during the high wind. Now many of the residents wish to have the pole repaired again while others say that it is in the way and think it should be removed altogether. Experts are to examine it.

Mrs. Edna Coleman of Lewisburg, Pa., is visiting her sister, Mrs. Norton Wheeler.

Douglas Bonner of Westerly was a caller in Mystic Wednesday.

FATHER MOONEY'S NEW CHURCH TO BE DEDICATED APRIL 14TH

The formal dedication of St. Ambrose church on Boston avenue, in Bridgeport, will be held Sunday April 14, according to announcement from Rev. Thomas P. Mooney, the pastor. Rt. Rev. John J. Nilan, bishop of the Roman Catholic diocese, Hartford, will officiate. The Altar society of the church recently gave a St. Patrick's party and dance that was attended by many hundreds and added a good sum to the treasury. Rev. Father Mooney was pastor of St. Patrick's church here for about four years and has many friends here who will be pleased to learn of his success in establishing a new Catholic church in that section of Bridgeport, to which work he was assigned by Bishop Nilan.

When the Missionary society of the Union Baptist church met with Mrs. Charles R. Heath, Tuesday afternoon, Mrs. Charles E. Wheeler read several letters from missionaries in other countries. Mrs. Palmer Bindloss gave a short reading on The Flowers of Mexico. Others taking part were Miss Nellie Beebe, Mrs. James Stark, Mrs. Heath, Mrs. Leander Park, Miss Lina Fish, Miss Harriet Fish and Mrs. L. J. Shepler.

Maurice Burrows of Brooklyn N. Y., arrives today (Friday) to open up the residence of his parents Mr. and Mrs. Arthur Burrows, who will arrive next week for the season.

Nelson Holdredge is ill.

Miss Erastine Perry is recovering from illness.

John Krizanek is spending a week in Boston.

Mr. and Mrs. Fred Startz spent Wednesday evening with relatives in Groton.

At Windsor Meeting.

Mrs. Estella Bradley Bailey, regent of the local D. A. R. with delegates and alternates attended the State D. A. R. meeting at Windsor, Tuesday and Wednesday. The present state officers were all re-elected with the exception of two who declined to serve another term. This society has prospered under the leadership of Miss Katherine A. Nettleton, state regent. Among matters voted on at he Wednesday meeting was the project to buy a tract of forest land and present it to the state for a park. Mrs. Charles H. Bissell, former state regent is a candidate for office of recording secretary-general at the national congress in Washington, April 15-20. Mrs. Lowell F. Hobart of Ohio, is candidate for the office of president general. The other ticket for national officers is headed by Mrs. Julius Y. Talmadge of Georgia, vice president-general and national chairman of the D. A. R. magazine.

The Sewing society of Charity chapter, No. 61, O. E. S. is to meet this (Friday) afternoon with Mrs. Gertrude Mabbett at Willow Point.

Captain William Lewis was a recent business visitor in New York.

STONINGTON

COACH O'BRIEN TRIES OUT BASEBALL SQUAD

Stonington High School baseball squad had first practice of the season on Owen field this week. A large number of candidates was tried out and Coach O'Brien hopes to have a champion team this season.

Mrs. F. C. Dixon, superintendent of Stonington Home, received word Tuesday of the death of her son, Harry S. Dixon, 53, at the Rhode Island hospital in Providence. Mr. Dixon's home was in Wickford.

Mr. and Mrs. William P. Bindloss were callers in Norwich Tuesday.

Cards have been received from the Misses Catherine and Lucy Mason, who are touring in Europe.

Thomas Donohue and William Durham of Hartford, were callers here Tuesday.

James A. Trumbull has returned to New York following a visit here with relatives.

Mr. and Mrs. Charles I. Manchester of Providence were visitors here Tuesday.

Capt. Philip Olweiller entertained Capt. and Mrs. George S. Olweiller and son, Clifford, of Providence, on Tuesday.

Invited To Post Meeting.

Harold M. Hubbard, commander of James W. Harvey post, No. 58, American Legion, has extended an invitation to Richard William Morgan post, of Mystic, and District Commander Geary of Montville to be guests Wednesday next at the local post's meeting and social get-together.

Captain John Lopes of the Nantucket coast guard station is visiting here for a few days.

STAFFORD SPRINGS DR. LUCIUS F. EATON DIES AT MOTHER'S HOME

Dr. Lucius F. Eaton, 59, of Springfield, Mass., died at the home of his mother, Mrs. Esther Eaton, on High street late Wednesday afternoon. He had been in failing health for about a year and came to his mother's home two weeks ago, where he has since been critically ill. He was a son of Esther Whiton and the late Albert C. Eaton, born in Stafford Springs, Jan. 11, 1872. After attending the public schools here he went to Monson academy, of which institution he is a graduate, and later took up the study of dentistry at the Philadelphia Dental college. He opened an office in Stafford Springs, where he practiced dentistry for about 15 years. Later he moved to Springfield, where he was a broker in the employ of Bodell & Co. for a few years. He became connected with the National City Co., after which he was manager of the Springfield office of S. W. Strauss & Co. For the past few years he has been in the employ of the Northwestern Mutual Life Insurance Co. He was a member of Ionic lodge, No. 1010, A. F. & A. M., and Orient chapter, No. 42, R. A. M. While in Stafford Springs he was an active member of the Business Men's association and the Stafford Golf club. He is survived by his mother, Mrs. Esther Whiton Eaton; his wife, Esther Tuttle Eaton; a daughter, Esther Lou Eaton, and a sister, Miss Ivy G. Eaton.

FUNERAL Donald J. Rose

The funeral of Donald J. Rose, four-year-old son of Mr. and Mrs. Arthur Rose, was held at St. Edward's church Tuesday morning, Rev. John J. Weldon reading the service. Burial was in St. Edward's cemetery.

MISS WILDEY, WELLESLEY, GOING TO LABRADOR

Miss Harriet Wildey, daughter of Fred Wildey, of Highland terrace, has been selected as one of three Wellesley students to go to Labrador with the Grenfell mission this summer. She will be accompanied by Miss Martha Crosby, of Hartford, and Miss Pauline Humeston, of Huntington, L. I.

Mrs. F. F. Patten is spending a few days with her parents in Russell, Mass.

Mrs. James Dailey is in Newark, N. J., where she has been called by the illness of her sister.

Miss Helen Smith, a student at Sea Pines, Brewster, Mass., is spending the week with her parents, Mr. and Mrs. R. W. Smith.

Misses Dorothy and Nancy Fisk, of Wellesley college, are at their home on East Main street for the spring recess.

Mr. and Mrs. Samuel Katzowitz and son and William Kuslansky, of New York, were in town Thursday.

Martin Costello, of Providence, is visiting local relatives.

Dog Quarantine Lifted

The dog quarantine which has been in effect in Stafford for several days was lifted Thursday and the dogs once more have their liberty. According to Dog Warden Hayes, however, this does not mean that dogs are allowed to roam at large, without a keeper or someone in charge. The dog warden will take into custody all roaming dogs and owners of such dogs will be presented in court.

Benjamin Phelps, of Staffordville, is ill with grip.

Mr. and Mrs. Himie Kuslansky have moved into their remodeled house on Grant avenue.

Miss Margaret Fitzpatrick, a nurse at Johnson Memorial hospital who has been ill with grip, is recovering.

ROAD SOCIETY

Friends here of Mr. and Mrs. Edwin H. Bingham, killed in an automobile accident Thursday, last, were grieved to learn of the tragic affair. He is remembered as governor of the Mayflower society for several years.

Gustave Peake has sold his home farm, formerly the Jonathan Wheeler place, to Irving E. Dawley, of Plainfield Conn., and the family will come on April first.

PLAINFIELD

FAREWELL PARTY BEFORE MOVING TO STONINGTON

Mr. and Mrs. Irving Dawley entertained at their home no a recent evening with a farewell party for their friends, dancing was enjoyed and all wish Mr. and Mrs. Dawley success as they are soon to move to Stonington.

Lucy Webb Hayes circle, Ladies' of the G. A. R., is to meet with Mrs. Grace Rouse at Central Village this (Friday) afternoon.

Francis Lambert, young son of Mr. and Mrs. Lambert of Almyville, has developed lameness in his legs and it is rapidly growing worse. The doctor has had the leg X-rayed and believed the bone is affected.

Mr. and Mrs. Joseph [illegible]mic were recent guests at the home of Mr. and Mrs. Wilfred Smith of Taftville.

Mrs. Thomas Marsland and Mrs. John C. Kingsley were callers on Mrs. Royle at the Lena hospital, New London, Tuesday.

The Mission circle is to meet today (Friday) with Miss Lena Butler. The program will be in charge of Ella Woodmansee and Laura Gallup

Palm Sunday is to be observed on Sunday at the First Congregational church with special music and decorations.

DUST IN CITY AIR CLOSELY MEASURED

NEW YORK—(AP)—The amount of dust that falls in 24 hours in New York is caught and measured in a device made by Prof. H. H. Sheldon, head of the department of physics of New York university.

When rain begins the instrument covers itself automatically and reopens afterward. It is designed to record the city's annual dust fall in a campaign to rid the city of smoke. Dr. Sheldon says that electric and gas heating will make smoke stacks unnecessary in communities of size within a few years.

Disillusioned

I like to get the catalogues of glib-tongued hatchery men,
Read how they made a fortune with one solitary hen.
Then I sit down and figure that with eight such hens or more
I soon could own the village from the church to corner-store;
I'd buy my wife a dandy car, a nice long mole-skin coat.
I know that such prosperity would get my neighbors' goat.
I'd raise the pastor's salary and pay the choir, too,
And where cold cash would fill the gap nothing would be askew.
I'd chuck the ancient organ on the dump where it belongs,
And how the organist would bless my single-comb leghorns! .....
And then to mar my dreams of wealth there comes a little doubt,
If leghorns are such wonders why don't others find it out?
Then I consult some poultry man for information led,
Who tells me that there's nothing like the good Rhode island Red.
Seeking further information, I get another shock
Am told that nothing equals the good old Plymouth Rock.
They tell me that I can't believe the chicken-hucksters' spiel
If I invest my hard-earned cash, I'll get a rotten deal.
And so good-bye to fairy-tales, leghorns, and tommy-rot,
I like the breed I've kept for years, the old White Wyandotte!

—H. F. Hardy, in Laconia Democrat.

SOUTH WILLINGTON

Elmer Mathews died at the Hartford hospital, Wednesday.

Mrs. Lottie Woodworth is the guest of Mrs. Carlos Gurley.

Edgar Scheubler, who was graduated from the General Motors School of Technology, March 15, has arrived at the home of his father.

At the meeting of Alpha Gamma Kappa held at the club rooms, Tuesday, the following officers were elected for the spring term: President, Mrs. Merwin Royce, vice-president, Helen Safranek, secretary, Clara Toberman, treasurer, Mary Nedwied.

Mrs. Clara Potter is a patient at St. Joseph's hospital, Willimantic, under observation.

Albert LaBonte, of Bristol, spent the week-end with his parents, Mr. and Mrs. Pierre LaBonte.

Mrs. Gallup Service and family were guests of Mrs. Myron Green and Mrs. W. R. Davoll, at Mansfield Center, Tuesday.

Mr. and Mrs. John Meneu and family have sold their home to a purchaser from New York, and will move to Bronxville, N. Y., this week.

Miss Mary Pelican is seriously ill at the home of her parents.

Mrs. Elmer Mathews was the week-end guest of Miss Rose Wilson, of Burnside.

Charles and Frank Zemek, who have spent the winter at the home of their parents, Mr. and Mrs. Frank Zemek, have returned to Islip, Long Island, where they are employed throughout the summer.

"Wonder Powder" Say Beauties

MELLO-GLO Face Powder is preferred by beautiful women because it leaves no trace of flakiness, pastiness or irritation. Stays on longer — no shiny noses! Made by a new French process—prevents large pores. Spreads more smoothly—gives a youthful bloom. Very pure. Use MELLO-GLO Face Powder. It's wonderful. The Porteous & Mitchell Co.

STAFFORD

Mrs. Lambert Ferry and son, William, of Brimfield, were guests, Sunday, of Mr. and Mrs. Munroe Dimmock and Mrs. Laura Ellis.

Mr. and Mrs. George Lewis, of Westfield, were week-end guests of Mr. and Mrs. Frank Jones.

Rev. and Mrs. Edward Eno have spent several days in Springfield, guests of Mr. and Mrs. Sherman Hope.

Rev. Clifford Newton spoke in the Baptist church, Sunday evening. His subject was, "How Big is Your World."

Mrs. Mary Soule is with her daughter, Mrs. Raymond Kelsey.

Mrs. Mary Williams, of Sturbridge, is at Clara Jenkins', where she intends to make her home.

Mr. and Mrs. Frank Jones were callers on friends in Westfield, Sunday.

Miss Carrie Goodell, of Springfield, has been spending several days with local friends.

Were it not for the extra expense involved some men would acquire more bad habits.

EASTERN VOLUNTOWN

Automobiles Have Difficulty in Negotiating Heavy Country roads.

Mrs. Albert Dawley was called to Preston to her brother's widow as she is quite sick. She will stay for a few days with her. She was called Sunday.

Mr. and Mrs. James Congdon are better.

Mason Gray is better. He came very near having pneumonia. His little girl that burnt her arm is better

James Watson, cousin of Mrs. Gray, is with her for a while and so is her cousin, William Try.

Mrs. Albert Dawley called on Mrs. William Bitgood Thursday afternoon. Mrs. Dawley is feeling quite a little better.

George Green was feeling better Sunday. His grandson, Herbert August, has a bad cough again. He has more cold.

Mr. and Mrs. Lee Remington and family called on Mrs. Remington's aunt and cousin on Sterling Hill Sunday. She found her aunt feeling some better. If she lives to see the 13th of April she will be 89 years old. Also Elisha Bitgood and daughter, Evelyn, of Hope Valley and his sister, Mary, of Sterling, were there and Mr. and Mrs. Harry Conard and Mrs. Hopkins of Providence called on them.

Mrs. Bitgood's sister, Mrs. Douglas, is better. Glad to hear the good news.

M. Harrington has more cold and a bad cough.

As Mr. Dawley's and Mr. Green's grandsons were coming from Voluntown Saturday they were on the old Sterling turnpike. They got up to the new bridge and there they saw a track in the mud that looked like a man's bare foot. To be sure they got out of their team and sure enough it was. One of the boys drove the team and the other tried to see how far he could track him. He tracked him until he came to a road that turned and went to Campbell Mills. There he left to go on. Don't know how far it went. I suppose the roads were so bad he could not keep his shoes on. That was the 16th of March. Doesn't that look as if winter had broken and the roads have broken with it.

George Green in Eastern Voluntown was taken quite sick and as he had no one with him but his grandson, he telephoned to his daughter, Mrs. Willson, in South Manchester, to come and care for him. She telephoned for him to have someone to go to Jewett City for her so he got Mr. Dawley to go and on his way he met Mr. and Mrs. Willson, but Mr. Dawley went on to Jewett City as he had business there. Mr. and Mrs. Willson got to Voluntown and on to the country roads. There they got into the mud. They were about 1½ miles from Mr. Green's. Mrs. Willson got out and went on foot to her father's. Her husband got some one to help him out and when he got out he went about a quarter of a mile. He got in again and did not get out until 5 o'clock. Mr. Willson put his machine under Mr. Bitgood's shed and kept it there until the next day. Then Mr. Dawley hitched his horses on to it and got him back to Voluntown. While Mr. Dawley was in Jewett City he telephoned to his folks to meet him in Voluntown. They took a pair of horses and went after him. He had Mr. Bitgood with him. They said they thought they would get stuck when they got to Mr. Bitgood's about 4 miles from Voluntown. The horses looked as if they had been in a pond. We have no country roads in Voluntown that are fit for a foot passenger to say nothing about autos and horses. If any one is sick they can't get a doctor. Mason Gray was taken quite sick one day last week. They sent for Dr. McLaughlin, Jewett City. He broke his car so he had to get some one to take him home. Ask him what he thinks of Voluntown roads?

The wedding bells are ringing up in Sterling so it makes the old town jingle. What has become of Voluntown? They are letting all these places get ahead of them. Come on boys and girls, don't get behind in everything. I would show once what old Voluntown could do.

EKONK
(STERLING HILL)

Schools in town were closed Friday to enable the teachers to attend the teachers' meeting in Lisbon.

The 4-H club held a meeting last week at the home of John Molodich. Rev. Lydia Hartig was chosen leader, in place of Mrs. Marion Hilliard.

The Ladies' Aid met Tuesday with Mrs. Mortimer Frink.

The pulpit on Sterling Hill was occupied Sunday by Rev. Mr. DeWolf, of Vermont. He was accompanied by Deacon H. A. Roberts and T. J. Seaton, of Moosup.

The country roads have been in a deplorable condition the past week and horses were called into service many times.

Congdon-Anderson

Roy Congdon, of Sterling Hill, and Lulu Anderson, of Sterling, were united in marriage Saturday, March 16, at the Sterling Methodist parsonage, by the Rev. George O. Richardson. Many friends extend good wishes to Congdon.

the bride and congratulations to Mr.

Mr. and Mrs. Herman Frink have had the sympathy of many friends in the death of one of their twin daughters.

All are glad to learn that Howard Gallup, of Berwick, Maine, a former resident here, is able to leave the hospital where he has been for several months under treatment for his knee. His brother Carl, of Plainfield, went to see him Sunday and took him home.

Rev. Albert Stanton, of Jersey City, was a caller here last week.

Husbands are not made to order—but some wives seem to think they are.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

WESTERLY

WERE WED AT "THE LITTLE CHURCH ROUND THE CORNER"

(Special to The Bulletin)

WESTERLY, R. I., March 21—Local friends were surprised to learn of the wedding of Miss Mary Isabelle Fiddes, daughter of Mr. and Mrs. James Fiddes, of 32 Chester avenue and J. Albert Pawson, assistant manager of the Bradford Dye Works at Bradford, which took place at the Church of Transfiguration, New York, at 11:30 o'clock this morning. The ceremony was performed by Rev. Dr. Ray. There were no attendants. After the ceremony Mr. and Mrs. Pawson left for Bermuda. They will return to Westerly in about ten days and will make their home in Bradford. The bride was prominent in the Eastern Star, being a past matron of Deborah chapter, No. 6, of Westerly, and past grand matron of the Grand chapter of Rhode Island. She was born in Westerly and has always resided here. Mr. Pawson came to Westerly several years ago to the plant of the Bradford Dye Works of Bradford, Eng. He is a past commander of Narragansett Commandery, No. 27, Knights Templar, of Westerly, also is master of Franklin lodge, No. 20, F. and A. M.

Fire on Norwich Road

A grass and brush fire Wednesday night again called out members of Pawcatuck Fire company, when they responded to an outside call for assistance about 9 o'clock. A brush fire was raging over several acres on the Davis farm on the Norwich road. The farm, known as the "Junipers," is situated about a mile and a half north of Blanchard's Corners. Receiving the call by telephone, the combination truck was sent out. The fire was brought under control before any great damage was done.

An afternoon bridge and tea, with three tables in play was given Thursday afternoon by Mrs. Newman F. Tuckerman, member of the Westerly Crescent club, at her home on High street. Sandwiches, cakes and candy were served. The meeting resulted from the plan of each club member to earn a dollar for club purposes.

A notice was filed with Westerly town clerk March 20, of a boundary line agreement for property at Watch Hill, between Tuxedo Houses Inc., of New York and Elizabeth R. Trumbull, of Montclair, N. J.

SQUARE AND COMPASS CLUB HOLDS ANNUAL DINNER

Nearly a hundred members of Westerly Square and Compass club, Clifford T. Barber, president, gathered in the armory hall banquet room of Narragansett Commandery, Thursday evening for the annual club dinner. In the absence of the president detained at home by illness, Vice President J. Russell Oppy sat at the head of the table. The following menu, prepared and served by members of Deborah chapter, No. 9, Order of the Eastern Star, was enjoyed: Fruit cocktail, fricassee chicken, mashed potato, cut beans, mixed pickles, celery, Wonder rolls, Neapolitan ice cream, cakes, coffee. Following the dinner adjournment was taken to the club rooms in the Potter-Langworthy block adjoining where an entertainment by a cartoonist, Don A. A social time, card and pool games A social time, card and pool games completed the evening.

FUNERAL

Mrs. Fiore Pignataro

The funeral of Mrs. Dorothy Murano Pignataro, 22, wife of Fiore Pignataro, was held Thursday morning from her home, 76 Oak street. The solemn mass of requiem was celebrated at 9 o'clock at the Church of the Immaculate Conception, by Rev. Henry Bruno, S. M., with Rev. J. F. Vincent, S. M., deacon, and Rev. J. P. Cassagne, S. M., subdeacon. Following the mass, Martin H. Spellman sang "Thy Will Be Done." Burial was at St. Sebastian cemetery, where the committal service was by Fr. Bruno. The bearers were: Peter Servidio, Antonio Fusaro, Patsy Morrone, Joseph Cofone, Frank Terranova and Samuel Sposato. There was a large attendance and there were beautiful flowers.

Westerly Players' club, which now has membership of about 300, held a meeting Wednesday evening at the public library building for the presentation of two one-act plays. The first was under direction of Misses Mary and Ruth Wilcox, the parts being played by Miss Viola Litman, Miss Elizabeth Dameret, Miss Lena Drisko, Miss Dorothy Wilcox, Miss Mary Wilcox and Miss Ruth Wilcox. The second play was directed by Jack Burdick of Shannock and the following three members took part: Mrs. Edward B. Coy, Henry L. Burdick, Robert Loomis. At the business meeting announcement was made that the recent public production of "Three Wise Fools" at the United Theatre netted about $100.

Harold W. Merrill Post, No. 16, American Legion, Wednesday night held its last meeting at its quarters in the Trageis block on Broad street, which will be vacated the first of the month, the next meeting to take place in the new rooms on Main street. The Post has occupied the present quarters for eight years. It is planned to have a house warming in the new quarters April 3 and Commander H. Russell Burdick appointed a committee to have charge of the program.

Sent to Reformatory

Robert Simmons of Florida, was before Judge Oliver H. Williams in the Third District court Thursday morning, charged with being an idle person. Simmons was sentenced to the Reformatory for Men for six months.

Councilman Farquhar Smith returned Thursday afternoon from attendance at the Massachusetts Horticultural society's centennial flower show in Mechanics hall building, Boston.

Dr. John Champlin, left Thursday for New York, to be present at the sailing of his wife Saturday, March 23rd with friends for Naples, Italy on the new Narigazione Generale Italian Line steamship Augustus. Dr. Champlin will sail the latter part of April to join his wife and their return to Westerly will be the first of June.

Mrs. Henry L. Burdick was a visitor with Providence friends Wednesday.

Mr. and Mrs. Harry L. Bolles left Wednesday on the Colonial express for New York, on several months' vacation trip which will take them through the Pacific coast states.

Frank DeSimone was at the Boston Flower show in Boston Thursday returning with Supt. Lawrence Remington of Wilcox Park.

Mrs. Edgar P. Maxson left Thursday to visit Providence relatives.

Mrs. Reuben H. Austin and Mrs. Miller motored to Narragansett Thursday.

NOANK

EFFORT TO ORGANIZE VILLAGE AS FIRE DISTRICT

A petition signed by 25 residents of the village for the organizing of a fire district has been presented to the selectmen. A special meeting will be held Monday evening, April 8, to organize the district for the following purposes: To extinguish fires, sprinkle streets, construct and maintain sidewalks, crosswalks, drains and sewers, also to name district and choose officers. If this is passed it will greatly benefit Noank fire department which has been a volunteer, self-supporting company for many years. The firemen have worked hard to get their motor-driven apparatus and new siren, so they stand in need of support. The committee circulating the petition for the fire district is Dr. E. P. Fitch, Harry Morse and Dr. William Hill.

John McDonald has returned to Stamford, after spending a few days with his family on Prospect Hill.

Surprise Visit

Mizpah class of Noank Baptist church gave a surprise party to their teacher, Whalen Morgan, at his home in Morgan court Tuesday evening. The president of the class, Mrs. Ada Fitch, presented him a nice gift in behalf of the class. After an enjoyable evening ice cream, cake and fancy cookies were served. Those present were Mrs. Beret Jensen, Mrs. Roswell Palmer, Mrs. Bert Strong, Mrs. Mary Chesebro, Miss Emma Fish, Mrs. Ada Fitch, Mrs. Lucy Fitch, Mrs. F. I. Rathbun, Mrs. Minnie Cox, Mrs. Linnie Searles, Mrs. Carrie Fitch, Mrs. Lena Fraser, Miss Maud Fitch, Mrs. Jennie Ashcroft, Dr. E. P. Fitch and Miss Lottie Morgan.

Mr. Murphy is ill at the home of his sister, Mrs. Annie Tooker.

Washington council, Jr. O. U. A. M., held a meeting in the large room Tuesday evening with a good attendance. The council received an invitation from Stonington council to attend a meeting Saturday evening. After the business session a lunch was served by the committee.

Alfred Ward, Eli Schoonmaker, Frank Schoonmaker and Bernard Davis attended a rehearsal of Rollinson's band in Mystic Tuesday evening.

The Silver Link Sewing society of the Methodist church met at the home of Mrs. Charles Hadley Wednesday afternoon. The time was spent in sewing on patchwork, after which refreshments were served.

Gordon Butler, of New Bedford, is spending a few days at the home of Jerry Bacon.

John Loftus, of New London, was in the village Wednesday.

Arthur Poland, of Providence, visited friends in the village Wednesday.

Clarice Palmer is ill.

Mrs. Josephine Amero, of Mystic, has entered the employ of the Rossie Velvet company, Noank branch.

The Reading club met at the home of Miss Juliette Chester Wednesday afternoon. After an enjoyable period spent in reading, salad, cake and tea were served.

GALES FERRY

CHECK FOR FIRE DEPT. FROM DR. GRAVES, NEW LONDON

The Village Improvement association's birthday supper and election, was held Monday evening at the country club house. Mrs. Walter M. Buckingham and Miss Grace E. Povey, chairmen of the educational and entertainment departments arranged for the supper at 6.30. The decorations in St. Patrick colors of green and white were by Mrs. Nelson Parker, Mrs. Joseph DeRusha, Mrs. Everett Noyes and Miss Povey. The tables, arranged for 56 members and guests were in charge of Mrs. Noyes, Mrs. DeRusha and Mrs. Arthur J. Faford.

Walter T. Clark, president of the association, who moved last fall to Norwich Town, presided at the business meeting held at the close of the supper. The treasurer, Walter M. Buckingham, gave his report and read a letter from Dr. Charles B. Graves of New London, expressing appreciation for the aid of the local fire department in helping subdue fire at his summer home at Great Oak farm, last week, and enclosing a check for the department.

Miss Doris Bryson of New London, was entertained Sunday by Miss Gertrude D. Allen, at Long Cove.

Mrs. R. Irving Hurlbutt, accompanied by her mother, Mrs. Charles F. Bartlett, Mrs. Gertrude B. Latimer and Mrs. Dudley C. Perkins, motored to Uncasville Tuesday afternoon for the funeral of their former neighbor, Mrs. Charles T. Ramage.

Mrs. Charles Babcock, Mrs. Avery Main and Miss Mabel Smith were guests Tuesday of Mrs. Joseph H. Davidson and Miss Mary E. Newman in the Stoddard district.

BEIT BROS. MARKET

THE NEW OAKLAND ALL-AMERICAN SIX

BULLS WERE UNABLE TO OVERCOME NERVOUSNESS IN THE STOCK MARKET

NEW YORK, March 21—(AP)—The stock market floundered in extreme confusion today, as the bulls made strenuous efforts to retain control of the market, but were unable to overcome widespread nervousness over the outcome of the New York Federal Reserve directors meeting after the close.

The fact that no change was made in the rediscount rate of 5 per cent was in line with expectations, as the Bank of England announced no change in its rate in the morning, but the reserve officials had a bitter pill for speculative Wall street to swallow in an announcement of an increase of $166,000,000 in brokers loans, carrying the total to the highest level in history at $5,732,000,000, as compared to the previous record of $5,669,000,000 on Feb. 6.

A development earlier in the day tending to intensify the uneasiness was a jump of 1-4 of one per cent in the bid and asked rates for bankers acceptances, all maturities, carrying the bid rates to 5 1-2 to 5 5-8 per cent, well above the federal reserve rates of 5 3-4 to 6 per cent. In view of the apparent disparity between the rediscount rate and credit rates generally, bankers are beginning to regard higher rediscount rates as inevitable, and would not be surprised if the upward revision is instituted at the meeting of the Chicago reserve directors tomorrow.

Call money held at 8 per cent all day, having reached 10 yesterday, although New York banks were said to have withdrawn from $300,000,000 to $35,000,000. Funds from corporations and other non-bank sources however, were attracted by the high rate in large volume, and the loan desk was said to have had a surplus of $50,000,000 for a time during the afternoon. Time money was still firm at 8 per cent, even for 6 months.

A factor in the huge increase in brokers loans, which was among one of the largest weeks jumps recorded, was said to have been the tendency of traders to withdraw funds from their brokers' accounts to meet income taxes, the New York banks were again heavy lenders in the stock market, increasing their loans $87,000,000, while the account of others gained $72,000,000, and that of the out-of-town banks, $7,000,000.

The day's business news included another jump of 1 cent a pound in copper metal to 23 cents, and further firmness in lead and zinc. Commonwealth Power and Indiana Pipe Line declared extra dividends of $1, and Magma copper boosted its annual rate from $4 to $5, its second increase in recent months. Crude oil stocks during February increased 8,890,000 barrels, according to the preliminary estimate of the American Petroleum Institute.

Such important issues as General Motors, American Can and U. S. Steel werebrought forward as market leaders. Motors was bid up about 4 points to a new top, at 91 3-4 and Can was sent up about 2 points to a new high, while steel made a like gain, but at the close all sagged from their best levels.

The confusion in the copper market caused by the violent upturn in the red metal prices inspired heavy profit taking in the copper shares. Anaconda gained new high ground, only to fall back for a net loss of more than 2 points, and American Smelting and Greene Cananea slumped 3 and 6 points. Howe Sound and Magma, however, touched new highs and held firm. In the railway equipments, Baldwin nearly touched its previous 1929 high, and Lima tallied a new peak, on increasing orders. Oils ran into selling, Standard of California losing 3 points.

Safeway Stores rose 6 points to 173 on optimistic earnings estimates, and Continental Can jumped 6 points to a new peak at 73 3-4 in sympathy with American Can and expectations of higher dividends. Electric Power and Light, Detroit Edison, Union Carbide, Midland Steel preferred, Advance Rumely issues, Superior Steel and Stromberg Carburetor also broke into new high ground.

The new Radio stock closed at 92 1-4 off nearly 2 points, and the old stock, as yesterday, failed to appear. It will be officially stricken from the list tomorrow, but attempts to have made a quiet exit two days earlier, Tuesday it closed at 485, and today 490 was asked and 425 bid. Victor dropped 26 points in a small turnover. Other weak spots included Canadian Pacific, Commercial Solvents, Crosley Radio, Goodyear, Grand Stores, International Nickel, Johns Manville, U. S. Realty, Western Union and Wright, losing 3 to 6 points.

The commodities were generally steady, cotton improving on better Liverpool cables, but encountering profit taking. Wheat eased slightly.

Foreign exchanges were dull but generally firm, sterling improving slightly. The pesetas and the yen, however, sagged.

YANTIC

FORMER RECTOR COMING FOR LENTEN ADDRESS

Rev. Robert B. Day of the Episcopal Cathedral, Hartford, will have charge of the Lenten service at Grace church this (Friday) evening.

Ernest F. Gadbois has had men oiling and sanding the roads through this village this week. The roadbeds are in a fine condition at present.

Gifts of Shamrocks

St. Patrick's day has passed but the little shamrock plants distributed by Andrew Greaves to friends of Ireland in the village are thriving in many windows. Mr. Greaves has followed this friendly custom service coming here several years ago and has a standing order at a Norwich green house, whose proprietor had to refuse an order for 48,000 from one Massachusetts concern, so successful is he in raising the tiny trefoils and they are so much in demand.

The Rev. Robert H. Parkes was the lenten speaker at the Episcopal church in Mystic Friday night last.

Miss Gladys Briggs entertained at a birthday party Saturday evening. Games and dancing were enjoyed and refreshments were served.

Postmaster S. H. Bishop of Yantic was a cousin of Mr. and Mrs. Edwin H. Bingham of Hartford, whose tragic deaths were caused by the overturning of their automobile on the Clarks Corner road near Willimantic, March 14th.

Kenneth Hamilton of Norwich Town, is spending a few days here with his grandparents, Mr. and Mrs. Henry Hamilton.

Mrs. S. H. Bishop was notified recently of the death at Long Branch, N. J., of Evan Eastwood, a close friend of her family and for many years a summer visitor at her home here. Mr. Eastwood was a successful jewelry manufacturer. He had been in failing health for over two years.

MICHIGAN FARMERS "SNAPPING UP" LAND

GRAND RAPIDS, Mich., (AP)—Bargains in farm lands are being snapped up by farmers in the communities where the property is offered for sale, Fred H. Klawon, president of the Federal Land bank of St. Paul, reports.

The St. Paul bank has jurisdiction over federal farm loan associations in Michigan, Wisconsin, Minnesota and North Dakota. It sold around 300 farms in 1928 to satisfy mortgages. A majority of these sales, Klawon stated, were made to farmers living in the immediate vicinity of the farms sold.

"With the favorable terms and low prices at which lands are being offered, there is a real opportunity for every one who wishes to own and operate a farm," Klawon declared. "The added interest shown in the past year indicates that it is going to be only a comparatively short time until these bargains in farm homes are taken off the market."

STABLE PRICES BETTER, SAYS FARM ECONOMIST

LITTLE ROCK, Ark., (AP)—It is better, A. W. McKay, federal farm economist, told agricultural groups in an address here, to have a stable rather than a fluctuating high and low price for farm produce.

"If a dairyman," he said, "can produce market milk profitably at $3 per 100 pounds, it is better for him than to raise the price to $3.50 and bring in competition that may force the price below the cost of production.

"If a good average cotton grower can produce cotton profitably at 20 cents a pound, it is to his interest that it doesn't go to 30 cents, bringing submarginal land and submarginal producers into competition with him."

RADIO PROGRAMS

Friday, March 22

454 M.—WEAF—660 Kc.

12:45—Palais d'Or Orchestra.
1:45—Childhood Prejudices—Bruno Lasker.
2:00—Elsie Harmon, soprano.

Wealth Is Underground

WASHINGTON (AP)—The department of the interior estimates that 200,000,000 tons of coal still are underground in the United States.

OLD LUTHERAN TEXTBOOK TO 400TH ANNIVERSARY

COPENHAGEN, March 21.—(AP)—While school textbooks change very often, and few studies today are a decade old, one yet in use can celebrate its four hundredth anniversary with the Lutheran World congress here June 25 to July 3.

"Luther's Catechism" was written four hundred years ago and still is used in Lutheran schools. The Lutheran church is the largest Protestant church. Its membership is estimated from 75,000,000 to 80,000,000, mostly in north Europe and America.

The three books translated into most languages in the world are: The Bible, in about 800 languages; "Luther's Catechism," in 137; "Pilgrim's Progress," in 107. The most translated hymn is Luther's "A Mighty Fortress," in 150.

A woman who will lend her good silver for a church social is a true Christian.

Men's Fine Tuxedo Sweaters
only $1.00
12 dozen to select from

There was such a tremendous response to our offering of these fine sweaters a short while ago that we were sold out in a very short time. So for the benefit of those who were unable to obtain the size they desired, and for those who did not have the opportunity to get one at that time, we have secured 12 dozen more—and of course they will not last long. A part wool sweater that is just fine to wear around the home while working and for the spring and summer months when a sweater will come in so handy. In brown and green heather mixtures. Coat style.

Sizes 36 to 46.

NEW LONDON COUNCIL VOTES TO SECURE N. Y. LEATHER INDUSTRY

(Special to The Bulletin)

NEW LONDON, March 21—The city council this evening, in special session, voted to proceed to secure a new industry for New London in the Leader Leather Goods company of New York. This corporation promises to employ some 75 to 100 hands in its business here provided the city of New London leases to the company a building at Garfield and Jefferson avenues, now vacant. The lease is to be for three years and without reptal the first year. During the second and third years the company is to pay $800 a year for rent. The city sought to obtain $2,400 for the lease, but the company objected to paying that sum. Tonight the council, when the matter came before it, met in committee, and acceded to the terms that will satisfy the Leader company, whose president, Mr. Leader, negotiated for the lease through the local chamber of commerce.

Speaking for the chamber of commerce, Graham Hislop, said it had been represented to him that labor union conditions had become intolerable in New York and had driven the Leader company to seek another location, where it would be free from the brutal treatment received in the largest city in the country. He cited an instance wherein the owner of the Leader company was made to pay a fine of $100 by the union because he cut cut a pattern for a handbag from leather in his own establishment. It was stated that Bridgeport and Ansonia had made propositions for the location of the Leader company in those cities, but the company preferred to locate here if the terms suggested were agreed to. The vote to make the lease was passed unanimously.

SAILOR TRIES TO PUT OVER SCHEME WITH LOST CHECK

(Special to The Bulletin)

NEW LONDON, March 21—A sailor stationed at the United States Coast Guard academy, state pier, was arrested at the Union station this evening by Sergeant John McGrath and Officer James Daly, of the New Haven railroad police, charged with attempting to obtain baggage under false pretenses. The baggage the sailor endeavored to secure, is the property of a passenger, who arrived in New London during the day and checked his suit case at the baggage room. In the course of his travels, the owner lost the check, but describing the articles in the case, his property was given him. Several hours later the sailor who had found the check, went to the baggage room and tried to obtain the baggage. He was arrested and locked up. He admitted his fraudulent attempt.

Lester Martin Failed to Learn

Lester Martin, 24 Keeney lane, possesses a license to drive an automobile, but it is evident that the young man lacks knowledge of the rules for driving. Tonight Martin was on Montauk avenue and at the corner of School street, a car driven by Edward F. Murray, 9 Jefferson avenue, was proceeding in the opposite direction. Just as the latter machine was about to pass School street, Martin drove directly across the avenue and in front of the Murray auto, his act resulting in a crash, which caused damage to both cars. Automobile Patrol Officer George Cockell, arrested Martin on a charge of reckless driving and he will be in court tomorrow. Martin two weeks ago figured in an accident of exactly the same nature. He was driving southerly on Bank street and at the corner of Howard street, drove in front of one of the police cars, driven by Automobile Patrol Officer Clarence Martin and in which was Acting Sergeant John Courtney. Martin attempted to turn from Bank into Howard street. The damage to the police auto amounted to $40, which sum was defrayed by the insurance company which represents Martin.

COAST GUARD ACAD. SITE COMMITTEE IS NAMED

(Special to The Bulletin)

NEW LONDON, March 21—The city council this evening appointed a committee consisting of Director of Law Troland, City Manager Holt and Councilor Whiton to negotiate for the purchase of land from the Harvey estate and the Allyn estate, Williams street, bordering on the Thames river. Said land is to be turned over to the United States government for the establishment of a Coast Guard academy. A bill providing for a bond issue of $125,000 is before the legislature and will no doubt be favorably acted upon, the money to be used, or so much of it as is necessary, for the purchase of the land. It is understood that a valuation on the land will be sought from competent judges as to the value of real estate, before any price is fixed for the land.

CONN. POWER CO. REQUEST FOR WATER SERVICE GRANTED

(Special to The Bulletin)

NEW LONDON, March 21—The city council this evening voted to supply the Connecticut Power company with water for its service station in Waterford at a price corresponding to the price paid by residents of New London for the same service. Connection is to be made through the main on Ocean avenue, with eight-inch pipe, the water to be for the sole use of the Connecticut Power company station, and for no other purpose. In executive session it is understood that an additional charge was suggested because the city of New London had provided the means of furnishing the water at the expense of the taxpayers here; but that view did not prevail and the city manager was authorized to enter into a contract at the price paid by others for New London water.

STOLEN CAR WAS DITCHED BY COLCHESTER HIGHWAY

(Special to The Bulletin)

NEW LONDON, March 21—The Buick automobile owned by William Jeckel, 48 Golden street, which was stolen from Washington street, last Tuesday night, was recovered by Groton state police last night. Officer Peter Busch was making a tour in Colchester when he noticed a machine ditched and making an investigation decided that the auto was Jeckel's. The owner was notified, had the machine taken from the ditch and brought to New London. It is believed that the thief lost control of the car and before he could bring it to a stop, the machine entered the ditch and could not be brought back to the highway under its own power.

Constable Charles Hill, of Preston, was presented in a justice court at Ledyard, last evening, charged with breach of the peace, but the charge was dismissed. Hill was arrested several weeks ago by Groton state police officers.

Arrested at Bozrah

Samuel Labendick, Colchester, was arrested in Bozrah last night by State Police Officer Peter Busch, charged with violation of the state motor vehicle law in driving without license or registration. Labendick will be presented in a Bozrah justice court tomorrow afternoon.

The fire department was called out twice today, but in neither instance were the services of the firemen necessary. This forenoon a still alarm was received at headquarters for a supposed blaze in the cellar of the confectionery store of John Nicholas, 80 Broad street. An overheated motor operating a Frigidaire apparatus caused the wire connections to burn, resulting in damage to the bearings, but did not damage the building. This noon a stretch of dead grass on a lot on Lincoln avenue was ignited by youths and an excited person caused an alarm to be rung in from Box 28, corner of Connecticut and Lincoln avenues. The blaze in the grass was extinguished quickly.

For the second time within as many days, there was no session of the police court today. It is a long time since there has not been a case for court in two days.

OBITUARY

Mrs. Joseph Foley

Mrs. Johanna Foley, widow of Joseph Foley, died last night at her home, 137 Winthrop street, following a lingering illness, due to Mrs. Foley's advanced years. She is survived by a son, John J. Foley, engineer on the New Haven railroad, and two daughters, Mrs. Everett Littlefield, of Little Compton, R. I., and Miss Catherine Foley, of this city. Mrs. Foley was born in Ireland, but had resided in New London since a young woman.

John J. Doyle has sold three building lots on Elm street to Fred, Frank and Nazarina Benvenuti.

Richard F. Corkey, trustee of the bankrupt estate of Albert E. Paquette and Francis C. LaBlanc, formerly proprietors of a bakery on Bank street, has sold the equipment and fixtures to Joseph Rzepiewski, proprietor of the American & European Bakery. The price paid was $1,700.

Commissioner of Motor Vehicles Robbins B. Stoeckel today ordered the return of the drivers' licenses of Morris J. Jacobs, U. S. Coast Guard; Tony Granato, 120 Shaw street, and Joseph Hoffs, 1 Richards street. The licenses were suspended a month ago.

To Inspect Ferryboat

City Manager William A. Holt today instructed Capt. of Police Charles A. Pinney to have a patrolman inspect the ferryboat Mohican, which has been moored at the New London slip since the boat suspended trips between New London and Groton a week ago because of lack of patronage. The inspection is ordered for the purpose of determining whether a fire is left on the boat and if the craft is properly moored.

Diamon Billassi, proprietor of a confectionery store, has disposed of his business to Paul Salerno, formerly pharmaceutical clerk for the Wheleh Drug company. Mr. Salerno intends to cause the store to be converted into a pharmacy.

Members of Fidelity chapter, Order of Eastern Star, are to hold a social hour tomorrow afternoon at the home of Mrs. George W. Jackman, of Rosemary street.

Following the meeting of Star of the Sea branch, Ladies Catholic Benevolent association, held in Eagles hall last night, a St. Patrick card party was enjoyed. Those who won prizes were: Mrs. Daniel Keating, Mrs. William Maurice, Mrs John Tansy and Mrs. James Gaffney.

Members of Nonowantuc tribe of Red Men were entertained last evening by Daniel Douglas of 21 Garfield avenue in the observance of his birthday. Songs and recitations afforded pleasure, after which supper was served.

The New London branch of the Normal School Alumnae association held a meeting Tuesday night at the home of Mrs. Annie Fenner, of 251 Williams street. The following officers were elected: President, Miss Agnes Edwards; vice president, Sarah Anderson; secretary, Thelma Douglas; treasurer, Mrs. Sigurd Swanson. It was voted to hold a supper in Sunshine hall, Quaker Hill in May.

The Foreign Missionary society of the Methodist church plans an interesting program in honor of Founders' day tomorrow afternoon.

At yesterday's meeting of the Connecticut Royal Neighbors of America held in the Garde ballroom, Mrs. Carrie Davenport of this city was elected and installed receiver and recorder of the organization.

Members of the Young Men's Catholic club had a clam chowder supper following the regular business meeting held last night in the headquarters of the Diocesan Bureau of Social Service.

Max and Amy Rogoff, according to records in the town clerk's offices, have sold a house and two tracts of land in Coleman street to Lena Epstein.

Mrs. George Maynard Miner, of Watgrford, was elected chaplain of the Connecticut Daughters of the American Revolution at the meeting this week at Windsor.

Friends of Alma Louise Hamostead of Center Groton gave her a surprise party Tuesday night, celebrating her birthday.

Miss Alvezia Urbani of 36 Lewis street, was given a miscellaneous shower last night in anticipation of her marriage with James Clark of Huntington street.

Dr. Mosely to Speak.

Dr. Nicholas Mosely, provost of Albertus Magnus college, New Haven, will give a talk Sunday afternoon before members of the Diocesan Bureau of Social Service.

The Junior auxiliary of Lawrence Memorial hospital plans to hold its annual dance on the roof garden of the Hotel Mohican in May. The committee in charge of the affair is Miss Dorothy Talcott, Mary Ganey, Elizabeth Winship, Adelaide Parmelee and Margaret David.

The senior and junior classes at Connecticut college are to present a one-act play tomorrow night in the gymnasium.

At the meeting of Circle No. 1 of the First Baptist church held Tuesday night at the home of Mrs. Margaret Keeney, Ocean avenue, Hazel Nelson was elected leader; Pearl Jones, assistant leader; Florence Decker, secretary and Doris Bryson, treasurer.

Open house was observed by the Martha Winthrop club yesterday afternoon. Winners of prizes were Mrs. W. Frank Downing and Mrs. Fred Parker. Coffee and sandwiches were served.

MISS EVELYN HOLMES DIES—WAS SUCCESSFUL TEACHER

(Special to The Bulletin)

NEW LONDON, March 21—Miss Evelyn Holmes, daughter of the late Hiram Clift and Hannah Denison Holmes of Mystic, died this morning at her home in Nameaug avenue, following a long illness. The greater portion of her life had been spent in kindergarten work in which she had made a remarkable record. During late years she made her home in this city with her sister, the late Professor Holmes of Connecticut college. She was genial and kindly and had endeared herself to many friends during her lifetime of usefulness.

Ice Not to Cost More.

While the ice crop this winter was very poor, local rates will be no higher than ordinary this summer, according to officials of the New London Ice company.

Union chapter, No. 7, R. A. M., tendered a reception last night at Brainard Masonic temple to Most Excellent Grand High Priest Collin S. Buell of the Connecticut grand chapter. Following a banquet a program of entertainment was enjoyed.

CONGRESSMAN FREEMAN ON TRIP TO PANAMA

Congressman and Mrs. Richard P. Freeman and Mrs. Lawrence Crandall have sailed from New York for the Canal Zone to remain until about April 9.

Special Services.

Mrs. Mary A. Sackett, chairman of the committee in charge of activities at the Neighborhood house, Thames street, has announced an interesting program of services for next week as follows: Sunday, preaching by Rev. Fred R. Bunker; Tuesday and Wednesday evenings, preaching by the Rev. Dr. J. Beveridge Lee, pastor of the Second Congregational church; Thursday and Friday evenings, preaching by Rev. Mr. Bunker, also on Easter Sunday evening. Bible school is held every Sunday afternoon at 3 o'clock.

Holy Week Observance.

The Protestant churches in New London and vicinity are preparing to observe holy week, which begins with Palm Sunday, March 24.

NEW LONDON, March 21—New London may have a leather goods manufacturing plant. The industrial committee of the chamber of commerce has had two conferences this week with a manufacturer, who considers this city a good location. The company is well rated and has been in the business for the past 25 years and everything possible is to be done to encourage the establishing of a plant here.

No other traces of spinal meningitis can be found on board the destroyer Monoghan, on which two cases developed during the past three months.

Bids to sell the ferry boat Mohican will soon be called by City Manager Holt. The city council has given him authorization to act in this respect.

Training Ship Groomed

Tugs towed the training ship Alexander Hamilton today from the Thames Towboat company to the academy wharf at Fort Trumbull. The Hamilton has been at the yard undergoing a general overhauling preparatory to making the annual summer training trip with the cadets at the academy.

Members of the W. M. I. Alumnae association will attempt to raise $5,000 for a permanent scholarship fund for the use of graduates of Williams Memorial Institute. It is expected that it will take several years to raise the needed amount.

ANNOUNCEMENTS

Breed Theatre

The Irish-Jewish comedy "Clancy's Kosher Wedding," is now playing at the Breed Theatre and so far it is by far the best of the comedies based on this popular theme.

The story of a great rivalry between two small tradesmen, one an Irishman the other a Jew; it is packed with entertainment.

There's a comic prize fight that is funnier than any that have been staged recently. A Jewish tenor who fails to have the same effect as McCormack on an Irish crowd—and there's George Sidney—the master of Jewish comedy roles—in the greatest characterization of his long career.

Anyone seeing this show is going to go home and feel like working the next day. It's good enough to give anyone's liver a few turns and should chase the worst hangover.

The climax finishes the story in a very satisfactory manner and there is nothing in a single scene which can possibly offend a member of either of the two nations involved. The film was directed by Arvid E. Gilstrom, and is one of the first produced by FBO, under the supervision of William LeBaron, late of Famous Players-Lasky.

Broadway Theatre

Dolores Del Rio unfolded an entirely new characterization on the Broadway screen yesterday where she appeared in the role of a fiery gypsy maiden whose chief joy in life is taming wild beats.

"Revenge" is the title of the picture, prepared by Finis Fox from Konrad Bercovici's "The Bear Tamer's Daughter," produced and directed by Edwin Carew for United Artists.

Carewe, it will be remembered, presented Dolores in "Resurrection," and then in "Ramona."

In "Resurrection," we remember Miss Del Rio as the demure little Russian peasant seeking the love of the noble Prince Dimitri. It was in this production that people started to wake up to the fact that Dolores could act.

In "Ramona," Edwin Carewe gave us Miss Del Rio as the little Indian maiden, harassed, disappointed, filled with the irony of life, hit by every obstacle that defied happiness.

In "Revenge," Dolores Del Rio is neither the Russian Katusha Maslova nor is she the Indian girl Ramona. It is difficult to describe her. Truly she gives a completely new and interesting characterization—one of high dramatic tension, filled with barbaric splendor, colorful, glamorous and romantic.

A specially prepared sound accompaniment is a feature of the presentation of "Revenge." The musical score and sound effects personally devised by Nathaniel Shilkret, celebrated composer and conductor, are given by the Shilkret orchestra through the medium of the new sound reproducing apparatus installed for the benefit of Broadway patrons. Perfect synchronization between action and sound is achieved throughout the entire exhibition.

Palace Theatre

"The Whole Town's Talking" of the wonderful program which opened at the Palace theatre yesterday and will be with us today and tomorrow. In the opening spot Randow Trio, in one of the best acrobatic novelty acts seen here in a long time. Number two spot is held by Stoddard & Brown, in a musical novelty. Number three, Hall & Moore, in Bungle Love, in the next to closing spot, Evans & Adams, with their hilarious parodies and closing this well balanced program, The Cantor & Rose Revue. Mr. Cantor and Mr. Rose, who now have five shows playing on Broadway, offer their Dance Rhapsody. A show you should not miss. The new Tiffany-Stahl offering, "The Spirit of Youth," which features Dorothy Sebastian and Larry Kent, is one of the best pictures seen recently. The picture opened yesterday at the Palace theatre.

"The Spirit of Youth," an original by Eve Unsell and Elmer Harris, concerns the rise and fall of one Navy gob. As his fall happens to be into the waiting arms of the lovely Dorothy, one hesitates to extend overmuch sympathy.

A fight lost him his fiancee, but he didn't care, because he has discovered she only wanted the tinsel of his fame to add to her riches, but there's another fight in which Mr. Foul Play Polinski takes the count almost before he knows it's a fight. And the next time the champ sees Betty he makes some promises he'll never forget—or wants to!

Dorothy Sebastian and Larry Kent are perfect in their delightful characterizations. In fact, the whole cast is as it should be, and Walter Lang has put the picture over to a nice tempo.

STRENUOUS DAY IN STATE LEGISLATURE

(Continued from Page One)

disabled persons. H. B. No. 744. (Mr. Miner). Concerning societies, sororities and secret societies in the public schools.

The roads, rivers and bridges committee were considering a bill concerning uncompleted intervals in the state aid system of highways.

HOUSE.

The house was called to order at 11.20 by Speaker Eddy and prayer was offered by the chaplain.

Bills favorably reported by the cities and boroughs committee providing for assessments for street paving in the town of Windsor; also H. B. 479 that provides for increased power of board of warden and burgesses in enacting ordinances with penalties.

A batch of claims favorably reported by the committee on claims included repayment in the sum of $1,000.00 to Palmer Brothers Co., of Montville, and New London for an over-payment of tax on capital stock.

H. B. 76, reported favorably by the judiciary committee, provides that the maximum salary of state employes shall be fixed by the state board of finance and control and said board may permit leave of absence to any state employe.

The calendar as acted upon and the bills passed were:

H. B. No. [illegible]. An act concerning close season for fur-bearing animals. Substitute for H. B. No. 718. An act concerning the removal of snow and ice from the sidewalks in the Wolcott Hill Fire district. Substitute for H. B. No. 787. An act concerning expenses incurred in auctions affecting the title to real estate. Substitute S. B. No. 3. An act amending the charter of the Bridgeport Ladies' Charitable society. Substitute for S. B. No. 213. An act amending the charter of the Aetna Life Insurance company. H. B. No. 156. An act incorporating The Merwin, Burwell and Far View Beach association. H. B. No. 43. An act creating a board of recreation commissioners for the town of Hamden. H. B. No. 44. An act establishing a police relief fund for the town of Hamden. H. B. No. 91. An act amending an act authorizing the city of Norwich and town of Norwich to create zoning districts. Substitute for H. B. No. 154. An act concerning collection of taxes in the town of Groton. H. B. No. 186. An act amending the charter of the Riverside Trust company. Substitute for H. B. No. 369. An act amending an act revising and codifying the fish and game laws. Substitute for H. B. No. 388. An act amending the charter of the Washington Mutual Fire Insurance company. Substitute for H. B. No. 475. An act concerning an act amending the charter of the borough of Wallingford, concerning the fire department.

SENATE

The senate was called to order at 11:20 by Lieut.-Gov. Ernest E. Rogers. Prayer was offered by Chaplain Ayer. Senator Michael A. Connor of the First district, democrat, presided over the senate when Mr. Rogers had to leave.

On unfavorable report of the committee on roads, bridges and rivers, the senate rejected S. B. 252, concerning procedure to be taken for damages and benefits for improvements on highways. Senator Arrigoni said none appeared in this bill at the hearing.

S. B. No. 14, establishing a small claims court in Greenwich was tabled for the calendar on favorable report of the judiciary committee.

The following bills were taken from the calendar and adopted:

S. B. No. 245, permitting midwives to use fluid extract of ergot under authority of state department of health, Public health and safety.

S. B. No. 274, providing for the filing of lists in Bridgeport of taxable property not later than Oct. 1, lists not to include real estate, buildings and average amount of goods on hand and inventories, abolition of the 10 per cent penalty for failure to file lists of property not required to be listed, power to assessor to summons a taxpayer for information and penalty for failure to appear. Cities and boroughs.

S. B. No. 358, authorizing the state highway commissioner to erect permanent or temporary buildings upon state-owned lands for highway construction purposes. Roads, bridges and rivers.

S. B. No. 499, requiring selectmen to publish for two days in a daily paper having circulation in the town in which a highway is located for which boundaries are uncertain or lost with a hearing provided for re-establishing such boundaries. Judiciary.

Under suspension of rules, S. B. No. 39[illegible], paying to Charles H. Porter, of Windsor Locks, $195.95 for care of his father, a Civil war veteran, was adopted.

Because of disagreeing action in the house, the senate voted to reconsider two more measures and recommit them to committee. They were S. B. No. 248 and S. B. No. 148, both passed by the senate. The former provides for notification to the registrars of a town where an adopted child was born by probate court and registration of adoption to be made by the registrar on original certificate of birth, a copy to be filed with the state department of health. This bill goes back to the committee on public health and safety. The other bill is the slaughter-house measure, which brought on a fight in the house this week when the committee report was overthrown. It provides for the regulation and inspection of slaughter houses by authorities of towns, cities or boroughs, and penalties for violation of regulations are prescribed.

The senate adjourned at 11:55 until tomorrow morning at 11:15.

GREENEVILLE

COMMUNITY WORKERS HOLD MARCH MEETING

The Community Workers held their March meeting at the home of Mrs. John MacDougall of River avenue. The president, Mrs. Charles F. Sears, had charge of the meeting and a fine report was given by the secretary and treasurer, Mrs. John McNeely. The work committee, Miss Nellie Hayes, reported another quilt on hand to be tied and plans were made for the annual distribution of May baskets to shut-ins. After the business session, a social time was enjoyed with luncheon. The decorations were in St. Patrick's green. A bountiful luncheon was served by the hostess, assisted by her daughter, Miss Lucy Gray MacDougall. Mrs. George Howard invited the ladies to her home on Central avenue for the April meeting.

Nine members of the home department of the Third Baptist church held an all day meeting in the chapel on Thursday last and tied five bed quilts. Mrs. Elmer Mulkin the leader had charge of the work. At noon the ladies enjoyed a luncheon of potato salad, sandwiches, pie, cake and coffee. This makes a total of 13 quilts tied by the ladies this year.

Mrs. Fred Fox of Twelfth street is spending a few days in Boston, the guest of Mr. and Mrs. Grant Foster.

Harold Kinney of Fourth street spent the week end as guest of relatives in New London.

The Ladies' Aid of the Third Baptist church meet with Mrs. James Spicer of Prospect street this (Friday) afternoon.

The home department of the Third Baptist church will hold their next regular meeting at the home of Mrs. William Sweet of Central avenue, the first Tuesday in April.

Rev. James Timmins of South Manchester is spending a few days at the home of his mother, Mrs. Michael Timmins on Smith avenue.

Mrs. Calvin Miner has returned to her home on Eleventh street after spending a few days with relatives at New London.

T. D. Sewing Circle Meets

The Greeneville T. D. Sewing Circle held their regular weekly meeting at the home of Miss Alice Carson on Roosevelt avenue, Tuesday evening with a large class present. The first period of the evening was devoted to sewing of fancy articles, followed by a social hour with piano and vocal solos. Refreshments were served by the hostess. The decorations were of green and gold.

FAILED TO SECURE HIS 1929 DRIVERS LICENSE

Charged with driving under a 1928 license Louis O. Hawkins of this city was fined $5 and costs in the city court Thursday morning. State Police Officer Arthur Whitmarsh summoned the accused into court, after it is alleged, that the machine he was driving struck and injured Fred Baroardinal, 4, of No. 76 Washington street, near his home. In the investigation of the accident it was learned by the police that Hawkins had not secured his 1929 operators license.

Magnesia Best for Your Indigestion

Warns Against Doping Stomach With Artificial Digestants

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead, follow the advice so often given in these columns, take a teaspoonful or four tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation and make digestion easy. Try this plan yourself, but be certain to get Bisurated Magnesia especially prepared for stomach use.

ASPINOOK COMPANY TO PLANT 10,000 TREES NEAR JEWETT CITY

The Aspinook Co., of Jewett City, will set out 10,000 pine seedlings this spring on land owned by the company and located near Butts' Bridge, between Jewett City and Plainfield, according to an announcement made Thursday evening by Philip A. Johnson, secretary of the company. The young trees will be set out by men employed by the state forestry department, and the work will be started in the near future. The planting of the trees is in accordance with a policy the company has followed for the past ten years.

The seedlings, procured from the state forestry nursery at the Norwich state hospital, will be planted by Henry E. Gilbert of Danielson, an expert in this line, and assistants. Mr. Gilbert is connected with the state forestry department and has been engaged in this sort of work for some years.

The land in question is classified as waste land, overgrown with scrub-by growth, which is cut off and replaced by the pine seedings, turning it into a pine plantation. There are between eight to ten acres in this particular plat and about 1,000 seedlings are to be planted to the acre.

The company has at various times, for the past seven or eight years planted about 35,000 trees on their land and with the additional number, 10,000, will have planted 45,000 in an effort to reclaim waste land. The trees that have already been set out are making good progress and have reached good size.

The state forestry department is advocating tree plantations and in the past few years department officials have brought the matter before the public through circulars and lectures.

LOUIS FONTAINE SPEAKER AT LIONS MEETING

Louis Fontaine of this city was the speaker at the regular Thursday noon luncheon of the Norwich Lions club held at the Wauregan hotel with the president, Kopland K. Markoff, presiding. Mr. Fontaine, who was introduced by Rudolph Henschel, gave an interesting talk on accident insurance. He was enthusiastically applauded for his address.

A communication was read from the Philippine day committee, of which Arthur M. Brown has been invited to act as chairman, asking the Lions club to cooperate with Mr. Brown, which they voted to do.

FIRE DEPT. CALLED TWICE ON THURSDAY

An oral call was received by the fire department at 9.15 o'clock Thursday morning for a fire at the house on Willow street owned by Reuben Shapiro. Squad A and Acting Chief Henry R. Taft responded and extinguished the blaze with slight damage resulting. The blaze was on a side of the building and was caused from sparks from the chimney. It was subdued with chemical.

A grass fire broke out at 11.17 o'clock Thursday morning on land owned by Samuel Goldberg at the corner of Sturtevant and Goldberg avenues. It was put out without damage by Squad A and Acting Deputy Chief Dennis J. Brennan, who responded. The blaze started from burning rubbish.

SMALL POX VICTIMS NOW NUMBER FIVE

The number of small pox cases in the city remains at five, no new cases being reported to City Health Officer E. J. Brophy Thursday. Having been exposed to Henry Karkutt, 28, of No. 10 Page street, a small pox victim, the majority of the employes of Walter H. Nelson, local electrician, have been quarantined. Doctors report that many people have been vaccinated within the past few days as the result of the outbreak of the disease here.

$10,000 DAMAGE SUIT WAS SETTLED OUT OF COURT

A $10,000 auto negligence suit brought by Henry C. Townsend of Stonington against Amos M. Gallup of Stonington was settled out of court Thursday. Trial of the case was to have started in the superior court at New London Thursday morning.

Since the action was brought Mr. Townsend died and Frank H. Hinckley, who was made executor of the estate, became the plaintiff. According to the complaint Mr. Townsend was, on November 7, 1927 walking on a highway at Old Mystic and was struck and injured by an automobile owned by the of ill health.

BOY SCOUT SIGNALLING TEST THIS EVENING

Troop, No. 1, Boy Scouts, will meet this veening at the Community house. Scoutmaster Arthur L. Peale will preside. The test will be in first class signalling.

The scouts will meet at the Otis library at 10 o'clock Saturday morning for a hike to Fort Shantok. The scouts will provide their own lunch. Senior Patrol Leader Dennis La Varge will be in charge of the hike.

Two Patients Discharged.

Two patients were discharged from the W. W. Backus hospital Thursday. They are John Boucher of Moosup and Mrs. Alice Hebert of Plainfield.

TAFTVILLE

John B. Benoit of Bristol, a former Taftville resident, has been visiting local friends and relatives for a few days.

Mr. and Mrs. John F. Green and family of Fisherville, Mass., moved this week to a house on South Second avenue.

The members of St. Veronica's society held their weekly meeting Wednesday evening in their rooms on Providence street with the president Miss Mary Nolan presiding.

At the lenten devotions Wednesday evening at Sacred Heart church, the benediction of the blessed sacrament was preceded by recitation of the rosary and a short sermon.

William Donahue of Norwich avenue has returned from a stay of several weeks at Miami, Florida.

Mr. and Mrs. Ferrier Beaudoin of Norwich avenue have taken a house on Celleau avenue.

The members of the Basketry club met for work and instruction Thursday evening in the Red Cross rooms in the Ponemah building.

A reception to Mr. and Mrs. William Penner has been planned for this (Friday) evening in the parlors of the Taftville Congregational church. Mr. Penner recently accepted the call of the church to become its pastor. All adult members of the church and congregation are being invited to attend.

At the local postoffice this week the following letters are being held as the addressees are unknown to the postmaster: Claude Reynolds, Mrs. Stella J. Menard, Alfred Bennett, Mrs. J. Nolan, Tomasz Dworak and Miss Lena C. Curran.

A large number of the pupils at the Wequonnoc school attended the Indian exhibit at Slater hall Thursday afternoon, being transported to Norwich by special car.

Miss Martha Moreau of Merchants avenue has resigned her position with the weaving department of the local mills.

Mr. and Mrs. James Hughes are moving from South Fourth avenue to a house on Norwich avenue.

COURT ORDERS MAN TO PAY TAXI FINE

Benny LaPorte, 33, of this city, charged with refusing to pay a taxi fare, was ordered to do so in the city court Wednesday morning. He was then discharged.

Held Bridge Party

Three tables of bridge were in play at the home of J. Lloyd Hayden, of Chestnut street, Wednesday evening. First prizes were won by Helen Jeter and Fred Fox, and the consolation by Charles Holden. A social time followed, during which refreshments were served.

NORWICH TOWN

SCOUTS FROM M. E. CHURCH ON DUTY AT SLATER HALL

Thursday afternoon Boy Scouts Edward Eccleston, Clayton Rose and Albert Phillips, of Troop 2 connected with the Norwich Town Methodist Episcopal church were on duty at the Indian exhibition at Converse Art Gallery. The scoutmaster of the troop, Rev. George Warren Potter was on duty also.

Camp Fire Girls Initiated

The Norwich Town group of Camp Fire girls connected with the Methodist church met with their guardian, Helen Haviland Potter at the parsonage Wednesday evening. The business session was conducted by the president, Doris Rose. The girls displayed the manual covers which they had made and honors for the best covers went to Margaret Ross, Priscilla Hough and Barbara Fellows. A committee consisting of Inez Smith, Grace Marie Heinrichs and Bertha Backus proceeded with the fun and stunts of initiating two members who recently joined, Margaret Ross and Priscilla Hough. There was an attendance of 21.

To Lecture on Philippines

Next Sunday evening at Norwich Town Methodist church, Prof. Francis H. Rose is to deliver a stereopticon lecture on the Philippines. Rev. Mr. Rose is a professor in Central Philippine college and has spent nine and a half years in missionary work there. His interesting story will be illustrated with slides made from pictures which he has taken during his years of service. The stereopticon will be operated by Ralph Smith. The lecture is public.

In the account of the Junior Epworth League entertainment published in the Thursday issue of The Bulletin the names of Albert Phillips, Frederick Ross, Willard Wilbur, Richard Snow and Frederick Miller were not included among those who played the part of baggae men in the play "America for Americans." Arthur Bennett, president of the league, announced the program. Wallace Wagner and Robert Ringland assisted in the living pictures. LeRoy Miner had charge of the tickets.

Scouts Adopt New Policy

At the meeting of Troop 2 Boy Scouts connected with the Methodist church held at the parsonage Thursday night a new policy was put into force. Those taking tests were interviewed before and not after the meeting. The Scoutmaster, Rev. George Warren Potter and Assistant Scoutmasters Lewis E. Aldrich and Ralph Smith met the Scouts to be tested at 6:45 and the regular meeting started at 7.15 the usual time. The meeting opened with the call by Buzler Robert Ringland. Each period of the meeting was confined to a certain number of minutes. Following the opening ceremony the inspection was in charge of Assistant Scoutmaster Smith. The business session was in charge of the scoutmaster, who assigned the project for the next meeting. A song period was in charge of Assistant Scoutmaster Aldrich. After a short drill the patrol meetings were held. The Inter-patrol contest period included some review of Tenderfoot work and test. The game period which followed was enjoyed by all. The closing ritual came at 8:40 and was followed by a fifteen minute meeting of the officers of the troop, who made plans for the next meeting. There was a large attendance.

The Headache Penalty

Most headaches are caused by eye strain.

Without correction by glasses, his condition is likely to become increasingly serious.

Is it wise to neglect the precious asset of clear vision?

Is your efficiency impaired by constantly recurring headaches?

96 Main Street, Jewett City, Conn

BETTER DAIRY FARMS PAY REASONABLY WELL

Connecticut's better operated dairy farms are paying reasonably well. They are doing as well as farm businesses of other kinds and about as well as businesses of their size can be expected. On the other hand, there are many dairy farms that fail to pay the owner even farm hand's wages. It is these farms that of necessity must change their plan of operation, claims Allen W. Manchester, farm management demonstrator of the Connecticut Agricultural college.

In the dairy business of Connecticut, states Mr. Manchester, the farm that is diversified is making the most money. These farms have the largest volume of business and make the largest income. The specialized dairy farm as compared with the diversified does not seem as profitable. The greatest contrast between the two types, states the farm management expert, is that with practically the same overhead the diversified farm is in position to return more for the money invested. In addition to this, diversification in the dairy business tends to utilize labor more efficiently.

COMPENSATION FOR THREE INJURED EMPLOYES

The following compensation agreements have been filed with the clerrk of the superior court in this city:

Lorraine Mfg. Co., employer and Lawrence Beal Pawcatuck. Employe received lacerated thumb on February 14th.

American Woolen Co., employer and John O'Neil, emplye, Norwich. He sustained a muscle strain on February 18.

Richmond Radiator Co., employer and C. Bacaloni, employe, Norwich. Employe received contusions of the left side and a fractured rib on January 26.

TO SELL FAIRGROUNDS SUBJECT TO MORTGAGE

Gilbert S. Raymond, receiver of the New London County Agricuutural society, has sent out notices of the coming public auction of the fairgrounds located at East Great Plain. The grounds are to be sold, by order of the superior court on Wednesday, May 1st, to the highest bidder.

The property includes 28 acres of land, fronting on two highways, grandstand, and horse barns, dance hall, exhibition hall, cattle sheds, and other buildings. The property will be sold subject to a mortgage of $25,000 to Charles D. Greenman, trustee, which the purchaser must assume.

BROKE INTO THAMES STREET CANDY PLANT

A score of boxes of chocolate candy were stolen in a robbery at the Robert Frink Co., candy plant, No. 40 Thames street. The break has been reported to the local police.

Building Activities Slow.

Building in Connecticut towns and cities during the month of February continued in its winter slump and the total value of the building permits issued during the month was exceptionally small, according to the monthly survey of the committee on industrial development of the New Haven railroad. Permits fell off both as compared with January figures and with those of February, 1928.

Wins Athletic Letter.

At a meeting of the athletic council of Wesleyan university ten members of the varsity basketball squad were awarded letters for their work this season, two members received certificates of honorary letter, and eight freshmen were awarded their insignia. Among those awarded letters were W. H. Anderson, '29, South Woodstock (basketball).

Secretary W. A. Morse Resigns.

William A. Morse, formerly general secretary of the Norwich Y. M. C. A., and for 18 years general secretary of the Holyoke, Mass., Y. M. C. A., has tendered his resignation. It became known Thursday. He resigned because ofill health.

Driver Fined in Court

William A. Blood, of Branford, R. I., was assessed the usual $2 fine in city court for violation of the city ordinances. He was arrested by Officer J. Carroll for illegal parking.

FINAL LENTEN SERMON AT TRINITY CHURCH

The special Lenten preacher at Trinity Episcopal church this (Friday) evening will be Archdeacon James Stuart Neill, rector of St. Mary's church, South Manchester. This will conclude the series of Friday evening services which has been held in this church during Lent.

Sent Body to Bridgeport

The body of William Bedell, 53, of Bridgeport, who died Thursday in this city, was sent to that place by Undertakers Cummings & Ring on the 8:25 o'clock train Thursday evening from Norwich. Burial is to be in that city.

BOARD REFUSES PERMISSION TO CONSTRUCT TEA ROOM

The joint zoning board for the city and town of Norwich has denied the application of Charles S. Hewitt for permission to construct a tea room and gas filling station on his property abutting the military highway. An appeal was taken by Mr. Hewitt to the joint zoning board after the permit was refused by First Selectman William S. Murray. The applicant asked that his property be changed from Class B, residential zone, to the business zone.

WARNED NOT TO INTERFERE WITH "DIPLOMATIC" LIQUOR

Treasury Department Has Cautioned Federal Prohibition Agents, Customs Officials and Police of Washington to Maintain a "Hands-Off" Policy—Embassies Must Have an Accredited Attache Accompany Trucks During Transportation—The Question Had Expanded Until It Involved the State, Treasury and Justice Departments.

WASHINGTON, March 22—(AP)—Federal prohibition agents, customs officials and local police were warned by the treasury department today that they must henceforth adopt a "hands off" policy where diplomatic liquor, accompanied by an accredited attache of an embassy, is being transported.

The treasury confirmed the issuance of instructions to the proper authorities settling the question of just what requirements the foreign embassies and legations in Washington must comply with to make their liquor shipments free from police interference.

Since the Washington police seized 60 cases of liquor consigned to the Siamese legation last week, while it was being transported by a private truck driver, the question of transportation of embassy liquor by such private truckers expanded until it involves the state, treasury and justice departments.

Out of the maze of technicalities relating to the procurement of proper customs waivers by diplomats expecting liquor shipment three important directions stand out in the treasury's instructions. First, no permit may be lawfully issued for the transportation of intoxicating liquors by a diplomat; second, all liquors imported by diplomats should come into the port of Baltimore, and third, the ownership of the vehicle moving the liquor is not important, since an accredited diplomat accompanying the vehicle would be in physical possession of the shipment and since he is immune from arrest or molestation and the shipment under diplomatic immunity is free from search or seizure, any officer who should arrest the diplomat or disturbs the liquor after proper identification would be liable to severe penalties.

The final settlement of the question was received by the embassies and legations with elation. The happiest of the Washington diplomats were those who have liquor shipments ordered before the Siamese incident, on the high seas, and who did not know just exactly how they were going to get their cargoes from Baltimore to Washington without police interference.

Two of the best known ambassadors to the United States, on being informed several days ago that their shipments would arrive in Baltimore within a week, immediately appealed to the state department to find a way out of their difficulties.

The state department then reiterated that the diplomats could carry the liquor from Baltimore in their own cars with complete immunity, but in many instances, private automobiles were found unsuitable for transportation of shipments. Later the state department took the position that a truck, if driven by an accerited attache of the embassy, would be immune from seizure. The treasury's instructions apparently eliminate the necessity of a diplomat actually driving the truck, since his accompanying the shipment could be construed to constitute "physical possession" as prescribed by the department's directions.

There never has been any question of the rights of the diplomats to import whatever liquor they may desire for their private uses. This right is a centuries-old one established by diplomatic custom.

After the Siamese incident, however, the foreign missions desired to know just what the legal requirements were that they must comply with to move their liquor and the treasury's instructions apparently have settled the vexing questions.

DRY AGENTS RAIDED CONGRESS HOTEL, CHICAGO

CHICAGO, March 22—(AP)— Prohibition agents today raided the lobby of the fashionable Congress hotel in Michigan avenue and seized three bell boys who were alleged to have sold liquor to guests.

Prohibition Administrator E. C. Yellowley himself resides at the Congress. Undercover gents were reported to have made an investigation there. Today they swooped into the lobby and seized a bell captain and two aides.

BRITISH SCHOONER SUNK BY COAST GUARD CRAFT

NEW ORLEANS, March 22—(AP)—The British auxiliary schooner Imalone of Belize, suspected of being a contraband carrier, was sunk off the Louisiana coast today in a battle with a coast guard craft. One member of the crew, a Negro seaman, was either killed or drowned.

Reports relayed here from coast guard radio stations at Pascagoula and Biloxi, Miss., were that acting under orders to capture the Imalone, the cutter Walcott, commanded by Warrant Officer Frank Paul, encountered the schooner yesterday off Trinity Shoals, approximately 200 miles southeast of Marsh Island.

The master of the schooner failed to heed an order to prepare for boarding and fled on a course toward Puerto Mexico. The Walcott placed one large shell in the schooner's rigging but was unable to overtake her because of intervening shoal water.

The chase continued with other coast guard ships summoned and the Imalone was sighted again today near "Sixty Deep". The Dexter then fired repeatedly at her until she sank without offer to surrender, the reports stated.

All members of the crew except one were taken from the foundering craft by the coast guardsmen of the Dexter.

SAYS SCHOONER WAS NOTORIOUS RUM SHIP

WASHINGTON, March 22—(AP)—Admiral F. C. Billard, commandant of the coast guard, said tonight the schooner Imalone—which was sunk today in a battle with coast guard craft off the Louisiana coast—was one of the most notorious smugglers engaged in the illicit importation of liquors into the United States.

DROP IN PRICES ON THE TORONTO STOCK EXCHANGE

TORONTO, Ont., March 22—(AP)—In the most severe reaction of the past year prices tumbled precipitately on the Toronto stock exchange today. Money stringency was blamed for the decline which has been gathering momentum for the past week. Goodyear Tire, an outstanding target for the bear attack, dropped 43 points to 230. Elsewhere losses ranged from fractions to 10 points.

International Nickel, in which speculative interest has been intense for some months, was sold freely and at the closed showed a loss of 5 1-8 at 58 1-8.

Weakness on the Toronto market was reflected also in trading on the standard mining exchange.

HUGHES TALKED ON "PAN-AMERICAN PEACE PLANS"

NEW HAVEN, March 22—(AP)—Charles E. Hughes, speaking at Yale university tonight, said that signature of the Pan-American arbitration treaty by the United States, was a demonstration, "heartily welcome" by other republics of the western world, of this country's "sincerity in renouncing war as an instrument of national policy and in pledging itself to settlements by peaceful means."

The address was the first of two lectures Mr. Hughes is giving here on "Pan-American peace plans." The other is scheduled for tomorrow morning.

WARMEST MARCH DAY IN NEW HAVEN SINCE 1921

NEW HAVEN, March 22—(AP)—The warmest March day since 1921, was recorded on the U. S. weather bureau thermometer today with the mercury touching 75 degrees. The previous high ocurred on March 21, 1921, a temperature of 84 being reached.

NO STATEMENT BY THE FEDERAL RESERVE BOARD

WASHINGTON, March 22—(AP)—The Federal Reserve board after a meeting today at which all members and ex-officio members were present, announced that no statement would be made as to what was discussed.

This attracted more than ordinary interest as only yesterday the board announced that brokers' loans by New York Federal Reserve member banks for the wee kending March 20, had reached a new high record of $5,793,000,000.

George L. Harrison, governor of the New York Federal Reserve bank, and Secretary Mellon of the treasury, ex-officio member and chairman of the board, and John W. Pole, comptroller of the currency, also an ex-officio member, were present. Hartison was accompanied by Clarence Woolley, a member of the board of the federal reserve bank of New York.

As an ordinary thing, Secretary Mellon attends the meetings only in case his presence is needed to provide a quorum and the presence of Harrison and Woolley led to the belief that the New York situation was under discussion.

DR. A SCHUYLER CLARK DIED SUDDENLY IN OFFICE

NEW YORK, March 22—(AP)—Dr. A. Schuyler Clark died suddenly today in his office at 614 Park avenue. Death was attributed to a heart attack. He was 55 years old.

Dr. Clark was graduated from Rutgers college in 1895 and from the College of Physicians and Surgeons in 1899 and then practiced medicine at New Brunswick, N. J., during the World war he attained the rank of lieutenant colonel and was in command of U. S. general hospital 29 at Fort Snelling, Minnesota. Since the war Dr. Clark had been practicing at New York.

He was president and a charter member of the Fairfield County (Conn.) Hunts club. Surviving are his widow, Mrs. Carrie D. Leverich Piker Clark, his mother, Mrs. Sarah Voorhees Clark of New Brunswick, N. J., a son A. Schuyler Clark, Jr., and a stepdaughter, Miss Francis L. Piker. Funeral services will be held Monday.

HELD IN $3,000 BAIL ON CHARGE OF EXTORTION

TURNERS FALLS, Mass., March 22—(AP)—Jesse W. Snow, 45, of Gill, was ordered held in $3,000 bail for the Franklin county grand jury after he had been arraigned in district court today on a charge of extortion. Unable to furnish bail, he was remanded to the Greenfield jail.

It was alleged that Snow, in a letter to Mrs. Nora Downs, of Gill, ordered her to pay him $500 or "suffer dire consequences." The consequences, Mrs. Downs testified were to be the kidnaping of her 12-year-old daughter and the destruction of her home by fire.

Mrs. Downs testified that she complied in part with Snow's orders inasmuch as she placed a package near a tree in Gill. She later saw him go to the tree, she said.

WOMAN FATALLY BURNED AT TAUNTON STATE HOSPITAL

TAUNTON, Mass., March 22—(AP)—The filing of a death certificate here today revealed taht Mabel E. Horton, 46, of Seekonk, was fatally burned at the Taunton state hospital last Wednesday night.

The woman was found on a piazza of the hospital, her clothing aflame, as the patients were about to assemble for evening recreation. She died a few minutes after nurses had extinguished the fire. It was undetermined how her clothing became ignited.

CABLED PARAGRAPHS

BOMBAY, India, March 21—(AP)—The Police made numerous arrests here and at Poona and Calcutta in connection with an alleged conspiracy against the state.

BERLIN, March 21—(AP)—The reichstag today ratified a bill of adherence to the Geneva protocol prohibiting the use of poison gas in war The bill had been approved by the foreign affairs committee on Tuesday.

GENEVA, March 21— (AP)—The United States today deposited with the league of nations its accession to the anti-slavery convention and thereby took another step in which international circles see an increase of its moral prestige in the world.

GOVT. TAKES CHARGE OF BODY OF MARSHAL FOCH

PARIS, March 22—(AP)—The family of Marshal Foch looked upon the great soldier's face for the last time today. Then his grateful country took charge of his body which will be laid to rest in the Invalides on Tuesday alongside that of Napoleon.

This afternoon and evening the people of Paris, rich and poor, young and old, stood for hours under a chilly drizzle for the privilege of passing through the mortuary chamber in the marshal's home where he lay in closed coffin covered by the flag of France upon which rested a silver crucifix.

From mid-day until long after night had fallen and the great gates in front of the Foch home had been closed, thousands waited patiently on the sidewalks for their turn to pass the bier. They waited in silence and during the evening hours they waited in the rain, each to pay his modest homage to their great military leader.

The thousands who took their farewell of Foch yesterday and the thousands who followed them through the crape-hung doors of his home today were but the forerunners of the tens and tens of thousands who will do him homage after his body is taken to the Arc de Triomphe on Sunday. Without any ceremony the coffin will be taken from the home on Sunday morning and placed near the tomb of the Unknown Soldier. There, guarded by officers from his army headquarters, the coffin will rest for all to salute until Monday night when the bier will be placed in the cathedral of Notre Dame to await the solemn requiem mass which will usher in the national funeral on Tuesday.

All the regiments of France will send soldiers to escort the body from Notre Dame to its last resting place in the Invalides and there will be military delegations from among the men of other countries whom he commanded as supreme chief of the allied armies.

From all the provinces of France and from many foreign lands, many men and women whose hearts have been touched by the passing of the modest devout head of the French army are already on their way to Paris to be present at his funeral.

ARRESTED FOR THEFT MAN ATTEMPTED SUICIDE

NEW YORK, March 22—(AP)—Earl William Howell, 26, wanted in Vernon, Conn., for the alleged theft of $500 worth of automobile accessories, attempted to commit suicide in his cell in Tombs prison tonight by slashing his wrists.

He was taken to Bellevue hospital where doctors said his condition was serious.

It was Howell's second attempt to defeat the ends of justice. He was picked up Wednesday night here and when arraigned in court yesterday pleaded guilty. While on his way to the Tombs with a detective to be held to await extradition he tripped his guard and dodged across Centre street through the traffic, only to run into the arms of a policeman who had been attracted by the shots of the detective from whom Howell had escaped.

No trace of the instrument Howell used to slash his wrist was found but it was thought he cut himself with a piece of glass which he then threw out of the window of his cell.

HOOVER WILL NOT PROPOSE AN AGRICULTURAL BILL

WASHINGTON, March 22—(AP)—President Hoover is ready to cooperate with the congressional committees in the formulation of a farm relief bill but he still feels that the presentation of a definite measure by himself would amount to an encroachment upon the prerogatives of congress.

This word emanated from the white house today about the time the representatives of the American Farm Bureau federation arriving here for the opening of farm relief hearings called for a presentation of the administration's farm program to take the place of their old friend, the twice vetoed McNary-Haugen bill.

While Mr. Hoover will not propose an agricultural bill it was made known at the white house that he feels his views and the republican party's views on agricultural legislation were stated clearly in the last campaign particularly by himself in his address at St. Louis.

Meanwhile, Arthur M. Hyde the new secretary of agriculture, notified the senate agriculture committee today that he was leaving the city and would be unable to meet its request for his appearance at the opening of hearings on Monday. He said he had to return home to arrange some personal affairs.

FOUR WORKMEN INJURED WHEN STAGING COLLAPSED

BRISTOL, Conn., March 22—(AP)—Four workmen engaged in pouring concrete into a column of a building being erected here, by the New Departure Manufacturing company, were precipitated 15 feet late today when a staging gave way. Anto Serera, 32, 130 Harvey street, East Boston, was placed on the danger list suffering from severe injuries to his back and possible internal injuries.

The others were painfully hurt and taken to the New Britain hospital for treatment of bruises and abrasions. The extent of injuries to Domenic Petrill, 27, of 107 Salem street, Boston, could not be learned until an x-ray is taken. The two others in the hospital are Domato Petrelli, 24, of 44 Middle street, New Britain and Orazio Gatta, 31, of 7 Devenau street, Mount Vernon, N. Y.

The staging collapsed as the four were pouring the concrete into the last mold before ending the day's work. The men are employed by the Aberthal company, of Boston.

MECHANIC KILLED DURING MOTION PICTURE FLIGHT

LOS ANGELES, Calif., March 22—(AP)—Phil Jones, mechanic, was killed and Al Wilson, noted film stunt flyer, escaped death by leaping with his parachute when a large bombing plane they were using in filming a motion picture near Van Nuys, Calif., went into a tail spin and crashed this afternoon. Jones' body was found in the mangled ship

Mex. Rebel Cavalry To Attack Torreon

Possession of Mazatlan Disputed in Claims and Counter-Claims Made by Federals and Rebels.

(By The Associated Press)

A heavy rebel cavalry offensive against the main Calles army at Torreon is reported in readiness at Bermijillo, about 30 miles north of Torreon and 100 miles south of the rebel base at Jimenez, as success of the rebel attack against Mazatlan remains in doubt.

Rebel General Villareal made a hurried inspection at Bermijillo last night and declared his cavalrymen mobilized and eager for action. Large supplies of foodstuffs for a thorough campaign were distributed to the troops.

Cavalry units were to make the offensive, since the insurgents had torn up the railway tracks in their retreat from Torreon to Jimenez.

Meanwhile, possession of Mazatlan, key-city in the west coast campaign, is disputed in federal and rebel claims and counter-claims.

From Mexico City, Ambassador Morrow telephoned Secretary of State Kellogg yesterday morning that rebels apparently in small numbers, had attacked Mazatlan about 2:30 a. m., but had subsequently withdrawn. Rebels had cut the water supply, but the federal commander was sure that wells within the city walls were sufficient even for a siege.

On the other hand, rebel agents in New York announced receipt early yesterday afternoon of a telegram reporting capture of the city by their comrades. The same announcement had been made earlier by rebel headquarters at Nogales, Sonora.

Ambassador Morrow repeated to Mr. Kellogg the Mexican government's assurance that there were not more than 2,500 insurgents in the whole of Sinaloa and that Mexico City officials have no fears for the safety of Mazatlan.

General Escobar, insurgent commander-in-chief, remained in Juarez yesterday as the units of his offensive were gathering at Bermijillo.

Two brilliant commanders will face one another when the main federal and rebel armies really come to grips. Federal strategy has now divided the campaign into two separate zones.

General Almazan, the federal commander who first put down revolt in Vera Cruz and subsequently recaptured Monterey, has been named chief of the principal federal army at the head of 13,000 men. He has proved himself a master of cavalry tactics and will be a shrewd opponent for the rebel cavalrymen.

Against the rebel threat in Sinaloa, General Calles has detached 6,000 soldiers under General Cardenas for the relief of Mazatlan and a mopping-up campaign in western Mexico.

In Washington it was made clear yesterday that the administration maintains a legal right to prevent firing of shots across the line by either federals or rebels. The United States would be prepared to take whatever steps were necessary to enforce this right, without considering its neutrality with the Mexico City government affected.

CHILD WAS KILLED BY A TORNADO AT CHARLOTTE, N. C.

CHARLOTTE, N. C., March 22—(AP)—A child was killed and at least ten persons injured in a tornado which struck this city shortly after 6 o'clock tonight. The body of Floyd Stevens, about ten years old, was found near his home five miles west of here after the storm passed. Both his parents, Mr. and Mrs. Arthur Stevens, were injured seriously.

Freakish Storm In Southern States

Tornado Passed From Alabama Across Northwest Georgia and Into South Carolina.

ATLANTA, Ga., March 22—(AP)—Freakish spring storms swept the south today and left six dead, nearly a score injured and heavy property damage.

From Texas northeasterly, a wide belt was drenched last night and today, and a tornado swept the Coosa river valley from Alabama across northwest Georgia and into North Carolina, dipping at widely separated points. Hail storms and high winds were reported from various points.

The tornado at Merrellton, Ala, near Anniston, demolished a Negro church used as a school building, killed five of the pupils and injured eight others, two seriously. One of those killed, John Henry Lee, was found half a mile from the church, and died shortly afterward in a hospital.

The twister next struck at Maxwellborn, Ala., two miles east of Merrellton, and damaged a number of houses.

Continuing northeasterly, the twister dipped at Costanaula, Georgia. Demolished three houses and the southern railway station and injured five persons.

The twister struck again two miles west of Calhoun, Ga., turned a school building crowded with children around but none was injured. In that immediate vicinity three houses were demolished.

The storm next struck in the vicinity of Wilson, N. C., where many farm buildings were blown down, trees uprooted, power and transmission lines severed.

The sixth fatality charged to the storms was at Alpharetta, Ga., near Atlantic, where Claude R. Allen, 52 year old farmer was killed by lightning. The rear of his home was demolished by the bolt and his small daughter Courtney and his house keeper, a Mrs. Christian, suffered severe shocks.

Damage of more than $41,500 was done by hail at Augustra, Ga., last night by heavy rains and high winds.

BREAKS IN THE LEVEES TO NORTH OF QUINCY, ILL.

QUINCY, Ill., March 22—(AP)—A rising river again bore down on Quincy today after flooding thousands of acres of fertile farm land, ruining wheat, drowning much livestock and driving scores of families from their homes.

The two breaks in the Indian grave levees, several miles north of Quincy, yesterday, were followed by a drop in the river stage as flood waters poured over the lowlands. Today, however the river began rising again and was nearing the 20 feet stage. It had dropped to 19.5.

Most of the farmers, anticipating the break in the levees, moved their belongings back to safety along the bluff.

The entire district is preparing for a long siege of high water and while most of the levees now are holding up well against the constant strain of high waters every precaution is being taken to guard against further breaks.

Relief workers are at the scene, caring for families driven from their homes and aiding marooned families. So far as has been learned, there have been no casualties in the wake of the flood.

That Good Old Fashioned Flavor.

Old time cooking was delicious but the cooks of those days never had a chance to buy such groceries as the modern housewives of today.

The coffee on your breakfast table has a flavor that you could find only at a few famous restaurants, 40 years ago. The cakes that mother used to make would have been even lighter, fluffier, if she had had modern flour and shortening to work with.

Every day the advertising columns tell you where to buy and how to use cooking materials that are better tasting, purer, more conveniently put up than ever before in history.

All through our housekeeping the same rule holds good. There are better things nowadays to eat, to wear, to use. Read the advertisements and know what they are. Then ask for them by name. Reading the advertisements pays YOU.

USUAL FRIDAY DULLNESS IN ASSEMBLY

(Special to The Bulletin)

HARTFORD, March 22—A short calendar session as usual on Friday marked the day in the house. Beyond the reception of reports from the committees but little business was transacted. But seven matters were on the calendar ready for action.

A substitute for H. B. 445 concerning the exposure of poison reported by the judiciary committee was adopted which provides that:

Section 1. Any person who shall negligently or maliciously place any poison, or poisoned food, in any public place, or in any place accessible to any dog, game or fur-bearing animal, shall be fined not more than fifty dollars or imprisoned not more than three months or both for the first offense, and for each subsequent offense shall be fined not less than two hundred dollars nor more than five hundred dollars or imprisoned not more than one year or both.

Section 2. The possession of poison or poisoned food in open fields or hunting territory, or the possession of any pelt of a fur-bearing animal which has been taken by poison shall be prima facie evidence of a violation of the provisions of this act.

Section 3. Game wardens and deputy game wardens shall have the same powers as have sheriffs, deputy sheriffs and constables, to make arrests for violations of the provision of this act.

Section 4. Chapter 79 of the public acts of 1927 is repealed.

This law is not intended for the protection of hunting dogs alone but will apply to domestic dogs who have been maliciously poisoned by throwing poisoned meat into the yards where they were confined.

Of interest to those who slaughter cattle is the bill that requires the stunning of all animals which are to be used for food. At the present time some butchers pursue this course and others do not. This operation will now be mandatory upon all engaged in the business. The law provides as follows:

Any person or persons who shall engage in the slaughter of any cattle, calves or sheep which are to be used for food, without stunning such animals either before or immediately after the slaughtering stroke shall be administered, shall be fined not more than two hundred and fifty dollars or

(Continued on Page Six)

BRIEF TELEGRAMS

Danger of another flood disaster in Alabama passed yesterday when expected heavy rainfall failed to materialize.

Mary Hoar, daughter of the late Senator George Frisbie Hoar, of Worcester, left an estate valued at $100,000.

Lucius S. Storrs, who becomes an executive of the United Railways of Baltimore, was former president of the Connecticut company.

Lost in a heavy fog and rain storm, Pilot Paul J. Kaniut, Kansas City-Chicago air mail flier, made a parachute leap from his plane and landed safely near Walnut, Ill.

Isadore Simonelli, 29, a former exchange banker, was sentenced by Judge Donnellan in general sessions, in New York, to from three to six years in Sing Sing for grand larceny.

John Conway Toole, president of the International Baseball league, who died in New York Feb. 28, left an estate of less than $5,000, all of which goes to the widow.

Months of delay in completion of the new suspension toll bridge from Bristol, R. I., to Portsmouth, across Mt. Hope bay, may result from replacement of the original suspension cables.

Irving Goodwin, Astoria, L. I., was found criminally responsible for causing the death by automobile accident of Leroy E. Evans, 44, in a finding issued by Coroner Corrigan in New Haven.

Lieut.-Col. Campbell B. Hodges was designated by the war department to be the military aide of President Hoover. He succeeds Col. Osmun Latrobe, who was the aide of President Coolidge.

Dr. Herman G. James, dean of the College of Arts and Sciences and the Graduate college of the University of Nebraska, was selected president of the University of South Dakota at Vermillion.

Alvin B. Chamberlain, 47, former president of the Springfield Druggists' association and active in the affairs of the Massachusetts Pharmaceutical association, died suddenly in his Mittineague home.

Judge Carl Foster in superior court in Birdgeport denied the petition of Elsie L. Krompinger Dowling, 23, of Danbury, to have her marriage to Edward B. Dowling, East Norwalk druggist, annulled.

A squad of revenue agents raided the B. B. club in West 47th street, New York, and arrested three more persons under the new Jones act which makes Volstead violators liable to five years in prison.

The Chicago Herald and Examiner today will say that a $40,000,000 pool is being raised to offset the drastic forced calling of brokers' loans by local banks acting under pressure from the Federal Reserve board.

Judge Edward W. Blodgett of the Rhode Island superior court was elevated by the general assembly to the post of presiding justice of that court, to fill the vacancy caused by the retirement of Chief Justice William B. Tanner.

Exports of American cotton were larger this week than the corresponding week last year, according to the weekly report of the New York Cotton exchange. They totaled 134,004 bales against 125,974 in the same week last year.

A default was entered against Roger W. Watkins, instigator of the National Associated Investors fraud, in a technical suit against him, brought by his former counsel, William E. Egan, in superior court in Hartford.

The Connecticut state board of public welfare yesterday announced that the soliciting of funds for China famine relief now under way in the state is "illegal" because a permit for such soliciting has been refused by the state board.

After a 60-mile an hour chase by federal agents, John Hall and John S. Bird, through several streets of Webster, Mass., Mrs. Mary Reglinski, 40, was locked up at police station on a charge of violating the national prohibition act.

Mrs. Ruth Carroll Draper, former wife of State Senator Eben S. Draper, of Hopedale, Mass., has obtained a marriage license in New York, and says she will be wed to Hamlet C. Sharp, of 237 Madison avenue, New York, next month.

Rushing into the smoke-filled home of Mr. and Mrs. Robert Teskey, in Norwalk, Fireman William H. Morrow rescued from probable suffocation Mrs. Anna Galbright, who has been bedridden for the past two years from heart trouble.

Ernest Lavern Bowman, of Columbus, O., has been appointed director of the division of trade and vocational education by the state board of education. He will succeed Frederick J. Trinder, of East Hartford, who was removed in January.

Fifty-five men dead and missing, with 41 bodies brought to the surface, five located in the workings and nine unaccounted for, was given as the toll of the disaster at Kinloch mine, near Parnassus, Pa., where an explosion spread destruction.

Samuel Matzkin, of Waterbury, was fined $350 and given a suspended jail sentence of 90 days by Judge Warren E. Burrows in the United States district court in New Haven. Matzkin pleaded guilty to a charge of violation of the liquor law.

John D. Rockefeller, Jr., has bought the entire village of East View, on the outskirts of Tarrytown. He paid $700,000, said to be three to four times the assessed valuation for dwellings housing 46 families, general stores, post office and dance halls.

A charge of impeachment was voted against Charles W. Mason, chief justice of the Oklahoma supreme court, by the house of representatives late yesterday. It was the first of 11 charges reported by the house investigating committee. The vote was 65 to 24.

United States Attorney Charles H. Tuttle, of New York, told a joint meeting of grand jurors associations of New York, New Jersey and Maryland that jurors who return verdicts based upon their personal views rather than upon the law are undermining the "whole temple of justice."

PROCLAMATION BY HOOVER ON IMMIGRATION QUOTAS

Will Bring Into Force July 1 the National Origins Quotas of the Restrictive Immigration Act—President Hoover Had Been Advised by Attorney General Mitchell That This Action Was Made Mandatory by the Law—President Hoover Was Opposed to the Measure.

WASHINGTON, March 22—(AP)—President Hoover, acting on a ruling of Attorney-General Mitchell but much against his own will, today issued a proclamation bringing into force on July 1 the much controverted national origins quotas of the restrictive immigration act.

Only congress can prevent radical changes in the sizes of the quotas from most of the principal European countries, but there is evidence that the effort will be made at the special session beginning on April 15 and that the full influence of the administration will be put behind it.

Scarcely had the president's announcement of the proclamation been made before Representative Tilson of Connecticut, the republican leader in the house, issued a formal statement expressing confidence that if the senate adopted a resolution repealing or further postponing the effective date of the national origins provision, it would "receive favorable attention" by the house before July 1.

Most of the senate leaders are absent from Washington, but there is little doubt that a new resolution at least postponing the effective date will be introduced by Senator Nye, republican, North Dakota, or some of the other republicans opposed to the national quotas provision and pressed for action while the house is getting the tariff revision measure ready for senate consideration.

After adoption by the house of such a resolution at this session, the senate failed to approve the measure as opponents staged a filibuster which prevented its consideration during the closing hours, with their leader, Senator Reed, republican, Pennsylvania, holding the floor much of the time.

President Hoover announced the issuing of the proclamation in this statement, made at his regular Friday press conference.

During his campaign for the presidency, Mr. Hoover several times declared for the principle of the 1890 census as the basis for immigration quotas, the basis now being used. He also stated that he was opposed to any increase in present quotas except such as might be made necessary to bring about the reunion of families.

In his proclamation the chief executive said the quotas established by it were available only for persons who were eligible to citizenship in the United States and admissible under the immigration laws. He added, the immigration quotas assigned to the various countries "are not to be regarded as having any political significance whatever, or as involving recognition of new governments, or of new boundaries, or of transfers of territory, except as the United States government has already made such recognition in a formal and official manner."

Under the national origins quota the total of new immigration would be 153,714 yearly as against the present 164,667, but the real controversy has waged not around this reduction, but the changes made in the quotas of Germany, Norway and Sweden, the Irish Free State, and England, Scotland, Wales and northern Ireland.

The total for England, Scotland, Wales and northern Ireland would be increased from 34,007 to 65,721, while the quota for the Irish Free State would be reduced from the present 28,567 to 17,853.

Immigration from Germany would be cut from 51,227 to 25,957; that from Sweden would be reduced from 9,561 to 3,314, and that from Norway from 6,453 to 2,377.

ROYAL BELGIAN SYMPHONIC BAND SERENADED HOOVER

WASHINGTON, March 22—(AP)—Departmental affairs today claimed much of the time of President Hoover which was not devoted to presiding over the weekly cabinet meeting and the usual semi-weekly conference wih press correspondents.

During the morning, Mr. Hoover conferred briefly with Gen. Herbert M. Lord, the director of the budget.

At noon he was serenaded by the Royal Belgian Symphonic band which is making a concert and good will tour of America. The organization has presented by Prince Albert De Ligne, the Belgian ambassador and its director, Captain Arthur Prevose gave Mrs. Hoover some fine Belgian lace and a cut glass vase on behalf of the women of his country.

Mr. Hoover plans no divergence from the Coolidge policy of fostering legislation to facilitate railroad consolidations, but expects no legislation until the December session of congress.

Mr. Hoover tomorrow will attend services at the Washington National cathedral at which the ashes of Melville E. Stone, late counselor and general manager of The Associated Press, will be committed to the crypt of Bethlehem chapel. Mr. Stone and the president were personal friends over a long period and Mr. Hoover held him in high regard both for his personal qualities and his achievements as a journalist.

HOOVER DECOMMISSIONS PRESIDENTIAL YACHT

WASHINGTON, March 22—(AP)—The presidential yacht Mayflower was ordered decommissioned today by President Hoover so that her officer and crew may be available for manning new warships and an annual saving of $300,000 in federal funds effected.

The president, it was as said at the white house, feels that in view of the expansion needs of the navy and for reasons of government economy, the maintenance of the vessel is no longer warranted. Moreover, although Mr. Hoover has been an extensive traveler, he has no particular liking for the seas and prefers to spend his hours of relaxation with rod and reel along quiet woodland streams rather than in cruising on the yacht.

The cost of maintaining the ship has been $300,000 a year, a sum which Mr. Hoover feels the government could use to advantage in other ways. In addition, he believes that with new ships coming into the navy and with a consequent need for an increased personnel, the officers and crew of the Mayflower should be free for new assignments.

Decommissioning the ship will leave nine officers, 24 petty officers, 130 enlisted men and 21 marines available for other assignment. It also will enable lieutenant commander Joel T. Boone, medical officer of the Mayflower who has been appointed the president's personal physician, to devote his entire attention to his duties at the white house.

MURDER CONVICTS HAVE BEEN GRANTED NEW TRIAL

BOSTON, March 22—(AP)—Judge Lois S. Cox of the Suffolk superior court today granted new trials to Gaeci Cero and Samuel Gallo, each of whom had been convicted individually of having murdered Joseph Fantasia, on a street in the Italian quarter on June 11, 1927.

The granting of new trials begins a new chapter in what is regarded as one of the most unusual cases in Massachusetts criminal history, each of the men having been tried separately and convicted of a crime that only one could have committed.

Fantasia, while walking with a young woman friend, Philomena Romano, was shot and killed. Cero was arrested, convicted of murder, and sentenced to die in the electric chair. Before sentence was executed, however, Miss Romano made a deposition to the effect that Gallo, who accompanied Cero on the day of the shoting, fired the fatal shot and that Cero was innocent.

As a result of Miss Romano's testimony, Cero was reprieved three times, the third time while in the very shadow of the electric chair. Gallo was tried and he, also was convicted of the murder of Fantasia.

Judge Cox, in making his decision, said that the state rested its case against Cero and Gallo on the proposition that each fired the shot that killed Fantasia and that no one else was involved in the commission of the crime. He pointed out that only one revolver was involved and that only one shot was fired and that the identical revolver and mortal bullet were introduced as evidence in each of the cases. He said that the two verdicts were inconsistent.

WITNESS TELLS OF THE CONDUCT OF MRS. INMAN

RENO, Nev., March 22—(AP)—Further evidence bearing on charges of Walker P. Inman that his wife "ran wild" and engaged in love affairs with other men before he separated from her in 1927, was presented here today in the divorce suit brought by the wealthy son of Mrs. James B. Duke, widow of the tobacco magnate.

Under cross examination, Charles Miller, Inman's chauffeur, reiterated testimony that he had driven Mrs. Inman and others to various places where she had become intoxicated. On two occasions when Mrs. Inman drank heavily, she tore at her clothing, Miller said, and he covered her with a table cloth.

Such parties, he said also had been held on the Inman yacht. The chauffeur testified he left Mrs. Inman's employ because she accused him of taking a ring. He contended she had misplaced or lost the ring.

Inman and his wife, the daughter of a Kokomo, Ind., clergyman, were seated a few feet apart in the court room. They took little notice of each other.

Love letters couched in poetry and endearing terms were read into the record. They were alleged to have been written to Mrs. Inman by John Steele, singer, named by Inman in the complaint against his wife.

Counsel for Inman indicated they would bitterly oppose the plea of Mrs. Inman for a property settlement of $250,000, which she asked in filing a counter suit for divorce.

ASHES OF MELVILLE STONE TO BE PLACED IN CRYPT

WASHINGTON, March 22—(AP)—The ashes of Melville E. Stone, former general manager of the Associated Press, who died in New York, Feb. 15, reposed tonight in a vault at the Washington Cathedral, the great gothic edifice that has been rising for more than twenty years on Mount Saint Alban in this city.

Tomorrow at 11 o'clock, in the presence of President Hoover, Vice President Curtis, and other high officials of the American and foreign governments, the internationally known journalist and one of the founders of the press association he served so long, will be buried in the crypt of Bethlehem chapel alongside the tombs of thirteen other prominent men, including Woodrow Wilson, Admiral Dewey, and a member of his own profession, Herman Henry Kohlsaat.

Mr. Stone's ashes were brought here late today from New York by a small party, including Miss Elizabeth Stone, a daughter, and Arthur S. Thompson, who served him for many years as a secretary.

CHARGES EGAN RECEIVED $123,763 FROM BROKER WATKINS

HARTFORD, March 22—(AP)—Attorney William E. Egan received $123,763.10 from the convict-broker, Roger W. Watkins, his relatives and his stock enterprises, in a period of seven months, State's Attorney Hugh M. Alcorn charged today, in amplifying a statement in his information against Mr. Egan, alleging that Mr. Egan was a conspirator in the Watkins stock swindle.

Nearly $50,000 of this sum, the state alleged, was received by Mr. Egan from Watkins between April 2 and April 5, 1928, the day on which Watkins, faced with exposure of his stock swindles, fled from the city to Northampton, Mass., where he remained in hiding until April 9, when he took flight to the Mexican border. That flight, which added the final touch to the collapse of Watkins' swindles, was advised by Mr. Egan, according to the state's information against him.

WILLIMANTIC

Office 824 Main Street Telephone 1121-2

CLAIM TWO ACTIONS WERE TAKEN ON SAME MATTER

(Special to The Bulletin)

WILLIMANTIC, March 22—As a result of the vote taken at the special town meeting on Thursday night to pay Contractor Oliver L. Willard's bill of $1,410 for completion of the work on the new trade school building, it is now being claimed by some that two actions were taken on the matter, which would make the vote illegal. Town Counsel Arthur T. Kelley presented a resolution which read as follows: "Resolved:—That the selectmen of the town of Windham are hereby authorized to pay a balance of $1,410 now due Oliver L. Willard on the trade school contract, and the sum of $1,410 is hereby appropriated for said purpose." Robert H. Fenton moved that the bill be paid which was voted although not in conformity with the entire wording of the resolution. Town Clerk Frank P. Fenton brought the matter to the attention of Chairman James F. Twomey who requested the meeting then action on the resolution. This was taken, as the voters started to leave the hall.

Eugene J. Randall called on First Selectman William A. Buck today and gave notice that he opposed the payment of the bill on the grounds that no legal action had been made for the purpose. Town Clerk F. P. Fenton stated later today that the official records of the meeting showed no discrepancy.

With the apparent end of winter. Superintendent of Streets Edwin G. Sumner has a number of employes rushing the work of recraveling Mountain street from Hayden street to the city line, just beyond "Eagle's Nest." This stretch is a little over a half-mile in length and the work was begun last fall. Recent thaws have left the street badly rutted and this condition is now being remedied. After this work is completed the street department committee of the common council will start on a summer plan of repairs to other city streets. It is believed that the work of excavating ledge on Tingley street will be done by the street department in view of the fact that the bonds to carry out this work were considered excessive. It is stated that the department could do the work much cheaper. The area to be excavated is about 2,200 cubic yards which by contract would cost from $12,000 to $15,000. It is believed.

Transportation Night was observed at March meeting of the Congregational church Brotherhood held in conjunction with a supper at the church house last night. The speaker was Lebbe Tyler, publicity manager for the New Haven railroad, who presented highly interesting facts of the railroad's past and present progress, using as his subject The New Haven Railroad, a Pioneer in Transportation. Fitting resolutions on the departure of Earle J. Arnold, member of the Brotherhood, who has resigned as executive secretary of the chamber of commerce, were introduced by Rev. Arthur S. Wheelock and unanimously adopted. Mr. Arnold has been chairman of the entertainment committee of the brotherhood. A collection was taken for the relief of the Lowell family, whose home at Conantville was completely destroyed along with all the contents at an early hour this morning. President Roland B. Jordan was in charge of the meeting.

Under the auspices of Obwebetuck and Violet Rebekah lodges, I. O. O. F., the Hartford Symphony Mandolin orchestra was heard in concert at the Windham high school auditorium Friday evening with a large and appreciative audience in attendance. The concert was given under the direction of Walter Kaye Bauer, conductor, and the soloists were William Place, Jr., mandolinist; Alex C. Galarneau, mandolist; and Miss Helen Stanton Seely, mandocellist.

A. E. Sumner Dies

Albert Edmund Sumner, 63, died in St. Joseph's hospital shortly after 4:30 o'clock this afternoon after a prolonged illness. He was born in Eastford, this state, March 10, 1866, a son of Azel C. and Sarah Jane Hanks Sumner. Besides his wife the deceased leaves one daughter, Mrs. Elsie G. Goodwin of Windham; and two brothers, Fred A. Sumner of Talladega, Alabama and Edwin O. Sumner, who is superintendent of the Willimantic street department. Several nieces and nephews also survive. Mr. Sumner was manager of the Ames butter store here for many years having won a wide and lasting circle of friends during his lengthy career as store clerk and manager. He resigned his position with the Ames company some time ago owing to ill health.

One of the largest attended whist parties in the history of Concell St. Cecile No. 113, l'Union St. Jean Baptiste d'Amerique was held Thursday evening in St. Mary's hall for the benefit of St. Mary's church, with seventy-five tables in play. Seven prizes were awarded and refreshments served. The committee of arrangements included Mrs. Albert J. Fournier, chairlady; Mrs. Nelson A. Daniels, Mrs. Alme J. Martineau, Miss Arzelie Rousseau, Miss Maria Brierre and Mrs. Laura Grenier. The whist was one of a series of entertainments to be given for the benefit of the church. From a recent drama held in St. Mary's hall more than $600 was realized.

FUNERAL

Mrs. Ada N. Andrews

The funeral of Mrs. Ada N. Andrews was held at the First Baptist church this afternoon at two o'clock, preceded by a prayer at the late home at "The Ridges" at one o'clock. Rev. Vere W. Abbey of Hartford conducted the prayer and he and Rev. David Winslow Lovett officiated at the church services. Miss Inez Paton sang "No Burdens Yonder" and "Crossing the Bar." Burial took place in the family plot of the new Willimantic cemetery. The bearers were Howard Nelson, Fred Cook, Raymond Freyer, Claude Mathewson, Lawrence Dyer and Stanley Andrews. Avery and Van Zandt were in charge of the arrangements.

Shortly after three o'clock this afternoon an alarm was sounded from Box 52 for a fire to which Engine Company No. 1 responded. Burning grass and clapboards had rotted out of control and damaged the front verandah of the residence at 119 Quebec avenue, occupied by Romeo Deschene, and owned by the American Thread company. The blaze was extinguished before causing a great amount of damage.

OBITUARIES

Mrs. Charles W. Fillmore

Mrs. Carrie Prentice Fillmore, wife of Charles W. Fillmore, died this morning at her home, 179 Valley street. She was born in this city, October 14, 1879, a daughter of John H. and Mary (Morrison) Prentice. Mrs. Fillmore was a member of the local Methodist church. She is survived by her husband; two sisters, Mrs. Charles S. Aldich of New Haven and Mrs. Timothy B. Bene of Hartford, besides several nieces and nepews.

F. E. Woodworth

Fred E. Woodworth, 42, of this city died at St. Joseph's hospital this morning after an illness of three weeks. He is survived by a sister, Miss Nellie M. Woodworth; and two brothers, Harry and Frank Woodworth, all of this city.

A birthday party was given Dixon Van Zandt at his home, 93 Bellevue street, Thursday evening by eight of his friends and their wives. At six o'clock the women were entertained at lunch by Mrs. Van Zandt, who was assisted in serving by her daughter, Miss Barbara Van Zandt. After attending the Congregational Brotherhood supper and then the special town meeting the men joined the party. Cards were played for an hour after which refreshments were served. Those present were Town Clerk and Mrs. Frank P. Fenton, Mr. and Mrs. George C. Moon, Mr. and Mrs. Ernest Nervegno, Judge and Mrs. Otto E. Robinson, Mr. and Mrs. Fred L. Avery, City Clerk and Mrs. Arthur L. Clark, Mr. and Mrs. Harold S. Maine and Mr. and Mrs. Van Zandt.

The case of Frank J. Meduna of R. F. D. No. 2, Mansfield Center, was nolled on payment of costs in police court this morning by Deputy Judge Russell A. Andrews, upon the recommendation of Assistant Prosecuting Attorney Frank P. Fenton. The arrest was made on Thursday by State Policeman John J. Zekas of the Stafford Springs barracks, who said that the accused drove the car in question to this city. His brother came to police headquarters for the purpose of taking a motor vehicle operator's examination and while he was giving one to the applicant, the officer noticed that the car was equipped with defective brakes. The machine is owned by the father of the two young men, Charles Meduna, who is in New York state at the present time. Meduna pleaded guilty to the charge through his guardian ad litem, Probation Officer William V. Palmer, Sr., who on behalf of his charge, exhibited a blank to the court, showing that the defective brakes had been remedied.

George Morin, Jr., of 67 Jackson street, who was arrested Thursday evening for failure to possess an operator's license while driving a public service car owned by Edward Alibozek, will be presented in police court Monday. The arrest was made by Sergeant Grant Bombria.

Under the auspices of the Altar Society of St. Joseph's church, a food sale was held today from 1 a. m. to 5 p. m., at the J. C. Lincoln company store, which was well patronized. Miss B. Sullivan, Miss Nellie Cannon, Mrs. Louis H. Ashton and Mrs. John F. Collins comprised the committee in charge.

The first of a series of card parties for the benefit of James J. Shea post No. 19, American Legion, was held Thursday afternoon in the G. A. R. rooms at the town building, with Mrs. W. E. S. Keating and Mrs. Henry J. Mathieu in charge. Eight tables of bridge whist were in play, the prize winners being Mrs. Harry Grimley, Mrs. Lucy Champlin and Mrs. Nora McCarthy.

Lieutenant Edward P. Leahy of the local police department was notified this morning that about two o'clock a deer was struck by an automobile on the North Windham road near Phelps' Crossing and badly injured. Lieutenant Leahy in turn notified Deputy Game Warden George A. Willis of Chaplin who came on to investigate the matter but was unable to find any trace of the injured animal.

Charged with driving a motor vehicle that had defective brakes, Guy D. Stevens of Earlville was presented before the Mansfield town court this afternoon with Justice of the Peace Byron D. Houston on the bench. Stevens was arrested by State Policeman John J. Zekas of the Stafford Springs barracks. He pleaded guilty to the charge and was fined two dollars and costs, amounting to $13.85.

Raymond Desrosiers of this city was taken into custody by a local police Thursday evening and turned over to Officer Geddes of the Danielson state police barracks. He is to be presented before the Chaplin town court Saturday morning on a charge of breach of the peace and assault.

The body of Francis B. Grimes, 41, whose death occurred Wednesday in New York city from pneumonia, will be brought here Saturday afternoon for burial in St. Joseph's cemetery. The deceased formerly resided in this city and was the son of the late Edward P. and Eleanor T. (Gavigan) Grimes. He is survived by one brother, Edward T. Grimes of New York city; and two aunts, Mrs. Ellen Carney of New York and Mrs. Joseph P. Cotter of this city. He was a member of New York lodge No. 1, B. P. O. Elks.

Hale S. Ishivan of Hampton is on a business trip to New York city.

Mrs. Albert L. French is convalescing at her home, No. 372 Prospect street, after an illness of two weeks.

Mrs. Raymond C. Hastings of New London was a guest at the home of Mrs. E. C. Ackley of 93 South Park street Thursday.

Roland Smith, of Columbia, is convalescing at St. Joseph's hospital following an operation for appendicitis.

Mrs. Edgar E. Bass entertained the sewing club of which she is a member at her home Thursday afternoon with twelve members present.

Harriet Robinson, of Columbia, who has been seriously ill at the Clarke hospital on Jackson street for several weeks, is now making a good recovery. She is a niece of the Misses Clarke.

There are now two bicycles at police headquarters awaiting identification by the owners. One was found Thursday evening and the other two weeks ago.

Ansel Arnold, a student at Williston academy, Easthampton, Mass., is at his home, 156 Prospect street, for the two weeks' Easter recess. He is to leave Saturday for Boston, Mass., to join a week-end party.

Miss Laura Warren of Hartford, formerly of this city, is a patient at St. Joseph's hospital here, where she underwent an operation for appendicitis, and is now making a good recovery. Her mother is visiting friends on Prospect street.

Mrs. Robert H. Fenton, Mrs. Horace J. Fenton, Edgar E. Bass, Samuel Chesbro and Dr. Frederick E. Guild left today to attend the flower show in Boston. The three last mentioned made the trip by automobile.

Lawrence Barker, Jr., a student at Abbot Academy, Andover, Mass., who has been at the home of her parents, Mr. and Mrs. George S. Elliott is spending the week end with Miss Elizabeth Seward, a student at Connecticut college, New London.

Scott & Bowne, Bloomfield, N.J.

JEWETT CITY

AIRMAN CAMM RETURNS FOR BRIEF CALL FRIDAY

Lieut. Robert Camm, with many friends in the borough, because of his visits here with his big airship during past summers, made a call by air Friday. Out of the north he came with a brand new plane, circling over the borough for three rounds. He waved a big flag from the cockpit to many in the streets who made haste to respond to his lofty signals that were punctuated by the rattle of the big motors.

Last fall Lieut. Camm entered on his log the names of 43 boroughites, as qualified to report Jewett City from the air. Passing planes that occasionally fly this way are often a mere silent speck away up in the blue. Not so with friend Bob, he brought his great machine down to just clear the cross on St. Mary's spire.

Special turkey dinner, Jewett City hotel, 1 to 8, Sunday.—adv.

OVER 3,000 PANES OF GLASS IN ASHLAND ADDITION

So much of interest has developed in the new Ashland Cotton Co.'s big addition, that one man more enthusiastic than the rest, has counted the panes of glass in the great steel window frames and finds that there are over 3,000. The light and ventilation scheme has been carried out on modern plans, all of which make for the comfort as well as the efficiency of the operatives. It was learned today from headquarters that approximately 300 more operatives will be employed at Ashland than at any other time in the history of the plant. Expert mechanics are already on the job of assembling and setting up the hundreds of new looms and cards, with actual operation forecasted in only a few weeks more. Due to the demands made necessary by new progressive policies, the cloth room will be moved to a more commodious and up to date location.

Goodbye Jewett City. Kouri forced to move out as Anthony's store has been leased to Florman. This is your last chance. Your dollar will show as big as an alarm clock in value for goods.—adv.

For the first time since fall the mercury rose Friday to 74 and 76, where it stayed for three hours. Comparisons on the street included ulsters for some, while several of the passersby were down to shirt sleeves, with serious threatenings that the "heavies" are in for a shaking.

Finn's X. Sun. 7-8-45. Sally O'Neill in Hard Boiled, with Photo Tone.—adv.

Five weeks only from tonight, on April 7, back comes the daylight saving time. The concerted hook-up on the change by all surrounding towns, leaves no cause for confusion by the advance.

A local farmer recalled Friday as he felt the glow of the summer temperature, that years ago on the old farm, if the 4 to 6 acres of oats they always put in, were not sowed by April 1st, his father considered the spring farm work behind.

Pachaug church is to be closed on Sunday.

Miss Mabel McBroome entertained the Ladies' Aid society of the Baptist church Thursday afternoon. She was assisted by Mrs. Ida Benjamin, Mrs. George Sparks, Mrs. F. H. Gilbert and Mrs. Leonard McBroome.

The World Wide guild girls' food sale held in the Baptist vestry Friday afternoon was very successful. It was conducted by Mrs. R. A. Wilbur, Mrs. J. P. Post and Mrs. Samuel Cathcart, Jr.

Mrs. Belle Ellis and daughter Estelle are spending the week end with relatives in Manchester, Conn.

Mr. and Mrs. Jay Ricketts are in New York for a few days.

Red Cross Flood Relief.

As the question has been asked a number of times whether the local Red Cross chapter will be asked to aid the flood sufferers in Alabama, Georgia, southern Mississippi and northern Florida, the following is quoted from a communication received from James L. Fieser, acting chairman: It is not now contemplated that any national appeal for funds will be made. Every effort will be made to raise the necessary funds, the total of which will have to be very large, in the affected states. It is more than likely that there will be people in your community, who, for one reason or another will wish to contribute. Please advise your newspapers that your chapter is authorized to accept any such contributions and that you will remit the money promptly to national headquarters for the flood relief fund.

Local firemen were subjected to a couple of jump-and-run spasms during Friday afternoon, when the big fire whistle gave a series of spasmodic toots. Men working on the big cables were unavoidably responsible for the grounds.

Several local boys of the A. E. F. who were permitted to catch fleeting glimpses of Marshall Ferdinand Foch, while they were in France, deplored the fact that they could not be privileged to join with others in paying their tribute of admiration and respect.

MONTVILLE

Benjamin Smithline of New London was a business caller in town Tuesday.

Henry Pierce has moved his family from the Burchard tenement on Hurlburt Hill to East Great Plain in Norwich, where Mr. Pierce has secured a position as foreman of a farm owned by Mr. Lathrop.

Clinton Sharp of Spring Hill attended the Boy Scout meeting in New London, Saturday.

Martin Butler and son, Robert, of Hyde Park, were the guests of Mr. and Mrs. Charles Kolb and family of Main street, Monday.

Roy Nelson has moved his family into the Palmer tenement on Hurlburt Hill.

Several children, under the supervision of their teachers, took part in a novelty social given by the Ladies' Aid society of the Quaker Hill Baptist church Tuesday evening of this week.

Harry Einhorn, manager of the First National stores in Palmertown, who was taken ill of acute indigestion on Tuesday, has returned to his duties.

Miss Carrie Comstock of New London was the guest of her niece, Mrs. Mark Furber, of Rockland avenue, Saturday.

Mrs. John MacDougall entertained the members of the Community Workers of Greeneville at the March meeting, when they gathered at her home on River avenue. A St. Patrick social followed the business meeting, which was presided over by the president, Mrs. Charles F. Sears. Miss Lucy MacDougall assisted her mother in serving refreshments. The next meeting of the workers will be at the home of Mrs. George Howard on Central avenue.

WESTERLY

BUS DRIVER GASS FINED $50 AND COSTS IN LOCAL COURT

(Special to The Bulletin)

WESTERLY, R. I., March 22—Daniel A. Gass of Medford, Mass., driver of the Boston-New York bus which burned at Hope Valley, Feb. 25, pleaded nolo to charges of operating without a license when his case was called in Third District court Friday morning. Judge Oliver H. Williams imposed a fine of $50 and costs. Gass was represented by Attorney Henry Elkins of Boston, counsel for the Gray Bus Line, and Attorney John F. Gallagher of Westerly. The bus fire resulted in the death of two passengers, Levi Hopkins of Providence, and A. B. Willoughby of Holderness, N. H., and injuries to 16 others. Miss Mary E. Slack of Cambridge, who was among those injured, is still in a critical condition at Westerly hospital. Most of the others have been discharged from that institution. Investigation of the fire showed that Gass did not hold an operator's license in Rhode Island, although he had the necessary papers for Massachusetts, Connecticut and New York.

AUXILIARY'S LAST PARTY IN LEGION'S OLD ROOMS

A whist party and social was held Thursday evening at the rooms of Merrill post, No. 16, American Legion, in the Traggis block, under the auspices of the post auxiliary. An enjoyable evening was passed and following cards, sandwiches, cake and coffee were served. It was the last social in the Traggis block rooms, for the legion will move to its new quarters in the Elite Cleaning Co., building on Main street by the end of this month.

MARY LESLIE TILLBROOK DIES AT NEW HAVEN

Friday afternoon word was received in Westerly of the death of Mrs. Sidney Tillbrook, Friday morning at her home in New Haven, Conn. Before her marriage she was Miss Mary Leslie of this town. She was the daughter of Mr. and Mrs. John Leslie and granddaughter of the late John Leslie, who for many years conducted a shoe store here. During her residence here she lived with her parents on Spruce street.

The body will be brought to Westerly for burial.

Mrs. John Datson.

Mrs. Charlotte Datson, 81, wife of the late John Datson, a resident of Westerly for over 30 years died Friday morning at the home of her daughter, Mrs. Frank Gould, at West Hampton Beach, L. I. She was born in Penryn, Cornwall, England, in June, 1848. She came to this country about 60 years ago, and after residing for a time in New York, came to Westerly. Her husband, John Datson, died in 1886. For the past six years, Mrs. Datson had made her home on Long Island. She is survived by a son, Capt. Abraham Datson of Park avenue, Westerly and a daughter, Mrs. Gould of West Hampton Beach.

Mrs. Everett E. Brown.

Mrs. Sarah Leona Brown, 63, wife of Everett Elmer Brown, a resident of Ashaway, died Thursday, at her home in that village.

Mrs. Brown had resided in the town of Hopkinton for about 23 years, for the last twelve years in Ashaway. Besides her husband, she is survived by a sister, Mrs. William H. Pickering of Brooklyn, N. Y.

FUNERALS.

Charles W. Murphey.

Delegations from the Modern Woodmen of American, the American Mechanics and the Cycle Fire Engine Co., of Westerly fire department attended the funeral of Charles W. Murphey, 45, held at 1:45 o'clock Friday at 46 Granite street.

The committal services at River Bend cemetery were conducted by the Modern Woodmen. There was a large attendance of relatives and friends.

Charles Crossman.

Funeral services for Charles Crossman, were held at 2 o'clock Friday afternoon at 46 Granite street. Rev. Clayton A. Burdick, D. D., pastor of Pawcatuck Seventh Day Baptist church officiated. Burial was at River Bend cemetery.

Raymond E. Mullaney of Providence spent Friday evening with his parents, Mr. and Mrs. Patrick Mullaney, in Pawcatuck.

Mrs. Edward B. Coy motored to Hartford Thursday to visit friends.

Charles A. Fuller of Wyoming, R. I., was a Westerly business caller on Friday.

Miss Mary Mullaney of Pawcatuck is able to be out, after being ill for several weeks.

Rev. Frs. Sylvester and Seraphin, Franciscan fathers, conducting a mission at St. Michael's church, Pawcatuck, were in Norwich Thursday.

Patrolman Robert M. Kessel on Thursday began a tour of day patrol duty while Officer Leroy H. Norman returned to night duty.

Rev. Clayton A. Burdick, D. D., Mrs. Burdick and Robert Langworthy were in Providence Thursday.

Arthur N. Nash and Thomas McKenzie, members of the Connecticut Grand Chapter of Royal Arch Masons, attended the annual inspection of Union chapter, No. 7, R. A. M., of New London, of which Grand High Priest Colin S. Buell is a member.

Miss Marjorie Chapman from Mt. Holyoke college, is spending the Easter vacation, with her parents, Mr. and Mrs. William R. Chapman.

William Clarke of Pawcatuck was in Norwich Friday.

Dr. Walter J. Grenolds, who recently underwent an operation at the Westerly hospital is reported to show a slight improvement.

Miss Lydia F. Nichols, a student at Mt. Holyoke arrived Friday to spend the Easter vacation with her parents, Mr. and Mrs. Thomas P. Nichols.

Percy Kingsley of Westerly, a teacher in South Kingstown high school was one of the judges of the debate between the R. I. State College women's debating team and the women's team of the University of Maine, at Edwards Hall, Kingston, Friday night. The question for debate was: "Resolved, that the Jury System Should be Abolished."

Henry G. Clark, class of 1902, Westerly high school, was elected president of the Rhode Island Electric Protective company at the quarterly meeting of the board of directors in Providence Thursday afternoon.

NOANK

Liberty council, Daughters of America held a meeting Wednesday evening. Their guest was National Councilor, Mrs. Sarah W. Johnson. Before the meeting a fine supper was served at 6 o'clock. During the meeting Mrs. Johnson spoke on several subjects. Deputy Mrs. Ella King in behalf of the council presented Mrs. Johnson a gift and Deputy Mary Latham also presented her a gift from the five deputies. Present at the meeting were two visitors from Barbara Fritchie council, Stonington and a guest from Nancy Hemptsead council of New London. The following program was carried out: Piano solo, Miss Bernice Smith; reading, Mrs. Carrie Fitch; Hawaiian duet, Miss Jean Bentley and Charles D. Amico; vocal duet, Miss Bertha Oles and Aileen Bentley; solo, Mrs. Hazel McGrath; reading, Miss Aileen Bentley; chorus with Mrs. Ruth Truss, Miss Hazel McGrath, Miss Bertha Oles, Miss Aileen Bentley, Miss Audrey and Beulah Brooks, accompanied by Miss Jean Bentley at the piano. The committee in charge was Mrs. Alice Banks, Mrs. Alice Burdick, Mrs. Esther Andrews, Mrs. Grace Bentley, Mrs. Abby Brook and Mrs. Mae Oles.

Won From New London

Noank Baptist church basketball team won a fast game this week from the Rotary club Boy Scouts of New London at the town hall. The game was played before a large number of fans. The game was closely contested, the score at the half time being 26-19. Bracci was high scorer for Noank with 18 points while Rinoski held the honors for New London with 16 points. The boys are playing one more game before the close of the season. Referee Sweet, scorer, Clarke; time, Buddington.

Lewis Main of New York is spending a few days with relatives in the village.

Mrs. Chas. Lewey is ill.

Rodney Campbell has entered the employ of the Noank shipyard.

Chas. Reid of New Britain is spending a few days at his home on Pearl street.

Floyd Thompson has completed his duties at the Sisson boat yard.

Mrs. Etta Main is spending some time with her daughter, Mrs. Lucien Sheffield, of Saybrook.

Mrs. Alice Reid a surgical patient at Home Memorial hospital, New London, is reported as being somewhat improved.

Mrs. John B. Tourjee was a caller in Norwich Wednesday.

Frank Seapien, manager of the ... and P. has been ill.

Many members of the Masons attended the yearly inspection of the chapter and a chicken pie supper at the Masonic Temple in Mystic Thursday evening.

Mrs. Roy Abate has entered the employ at the Rossi Velvet Co. at Noank.

Meeting of Scouts

The local troop of Boy Scouts held their weekly meeting at the Legion quarters on Main street Wednesday evening. Assistant Scoutmaster Robert Whittaker and Elmer Baker were in charge. An interesting period was spent in Scout work after which refreshments were served. Nine Scouts were present.

Mr. and Mrs. John Porter have returned from Portland, Maine, where they spent the winter.

The Whirlwind basketball team will play the fast Nutmegs of New London in the town hall this week. The Nutmegs are the leading team of the Y. M. C. A. intermediate class of New London. They came here with a fine record having lost only three games this season. Next week the Whirlwinds play the fast Emerald five of New London at Corona hall for the benefit of the local post of the American Legion.

Word has been received that Mrs. Laura Hodgson, former resident, who has been a surgical patient in the Hartford hospital is improving and is expected home soon.

STONINGTON

MRS. HARRIET A. KENYON WAS BURIED IN MYSTIC

Mrs. Harriett Adelia Kenyon Bennett who died Wednesday night at the home of her daughter Mrs. Fred Allen of Elm street, was born in Lebanon Jan. 5, 1831, the daughter of Henry and Lucy Smith Denison. She was the last of a family of ten. Funeral services were held at the home of her daughter, Friday at 2 p. m. Burial was in Elm Grove cemetery, Mystic.

A five-ton truck loaded with fish in barrels went through a set of Fairbanks scales on the Bindloss wharf, Wednesday night. The fish had come from the Little Fulton market and was placed on another truck after the accident.

John Krizanek is spending a week in Boston, Mass.

Henry R. Palmer of Providence was here Thursday.

Mr. and Mrs. Edward E. Bradley have returned from a visit of several weeks in Florida.

Mrs. Charlotte Carrington and daughters, Elizabeth and Phyllis, are visiting in New York.

Planning Tea Dance

Miss Wilmena Broxy was appointed chairman of a committee appointed by the senior class of Stonington high school to make arrangements for a tea and dance in the Community House. Others on the committee are Leonora Bailey, Gladys Vennart, Ruth Niles, Edna Ennis, Helen Foley, Dorcas Austin, Anna Krizanek and Grace Farrell.

Charles H. Cowan, Thomas Connors, Mrs. Grace Allison and daughter Lucy were visitors in Boston Thursday.

MYSTIC

GRANGE ACCEPTS NORWICH INVITATION FOR MAR. 27

Mystic grange met Thursday evening in Grange hall, Main block, with S. J. Swallow, master, in the chair. All officers were present except the chaplain, Mrs. Sarah Spink, who is ill. The secretary was instructed to write her a letter of cheer. A committee of three, W. L. Main, J. F. Meyer and David Brown, was appointed from the grange to act with other orders in regard to the street flags. An invitation was received from Norwich grange to attend Neighbors' Night, March 27, and furnish two numbers for the program. This was accepted. An invitation came from Ledyard grange for the women's degree team to confer the third and fourth degrees on a class April 24. The degree team and drill team are to go to Ashaway Monday night to confer the degree on a class there. Mystic grange and the chamber of commerce some time ago planned to erect a sign at the east and west ends of the village. A plan for the sign was submitted to the committee at the meeting and they will give it consideration. Mrs. Marion Gremley, lecturer, had arranged the following program: Song, by grange; reading, Miss Betty Pendleton; solo, Leslie Haley, Miss E. Gremley, accompanist; discussion on Roadside Markets; reading, Mrs. Lucy Burdick, with encore; song, grange; interesting talk on his ten weeks' trip to Florida, by W. L. Main. At the next meeting the first and second degrees will be conferred.

At Bulkeley Contest.

The essay speaking contest held at Bulkeley high school, New London, Thursday evening was attended by the following local parents: Rev. and Mrs. L. J. Shepler, Mr. and Mrs. Charles C. Dodd, Mr. and Mrs. Harry Holliday, Mr. and Mrs. B. F. Lapin, Mr. and Mrs. John MacGregor, Mrs. Adelle B. Gray, Mrs. Clarence Bradley, Mr. and Mrs. Halsey Packer, of New London, and Mrs. Lillian Slocum, of Westerly, called on Mr. and Mrs. Joseph Dealey in Old Mystic, Thursday.

Mr. and Mrs. Edward A. Smith and son, Raymond, motored to Boston Wednesday and attended the flower show of the Horticultural society. This being the centennial of the show, it was much more beautiful than in any previous year.

Clarence Coogan is ill with influenza at his home on Greenmanville avenue.

Amos Gallup, of Pawcatuck, attended Mystic grange meeting, Wednesday evening.

Mr. and Mrs. Charles D. Holdredge, Mr. and Mrs. Herbert Armstrong, Mrs. Mary Holdredge and daughter, Maud, of Providence, spent Friday with Mr. and Mrs. W. L. Main.

Annual Inspection

Benevolence chapter, No. 121, R. A. M., had annual inspection, Thursday evening, in Masonic temple. A chicken pie supper was served at 6:15 by Charity chapter, O. E. S. Louis Hull, M. E. deputy grand high priest, of Derby, was the inspecting officer. Others were Collin H. Buell, M. E. high priest; Frederick Edgerton, M. E. grand junior warden, and M. E. Henry R. Tisdale, past grand high priest, all from New London. Visitors were present also from Norwich, Westerly and Willimantic. Following the inspection, etc., the Royal Arch degree was conferred on three candidates.

Miss Dorothy Burdick, of Norwich, visited her mother, Mrs. Fannie Burdick, on Pearl street, Friday.

Initiated 40 Years

At the meeting of Stonington lodge, No. 26, I. O. O. F., in Odd Fellows' hall, Wednesday evening, about 50 members and visitors were present. It was just 40 years ago that night that Courtlandt C. Potter was initiated and the members wished to honor him. He has been financial secretary for 37 years and has been active in affairs of the lodge all of the time.

Past Grand Jesse B. Stinson presented Mr. Potter gold cuff links set with a diamond on one side and having the three links on the other. He thanked the members, declaring that nothing had ever pleased him so much. Some of the members spoke during the evening, all paying tribute to Mr. Potter's long and faithful service. Following the meeting, chicken salad, potato salad, rolls, cake, coffee and ice cream were served and a smoker enjoyed.

Clinton J. LaFerier and James Cooper were in Waterbury Wednesday and attended a meeting of the incorporators of the Odd Fellows' home.

Irving Mercer is ill at his home in the Main building.

The body of Mrs. Harriet Adelaide Bennett, of Stonington, was brought to Mystic Friday, for burial in Elm Grove cemetery.

Norman Donath is a patient at a hospital in New London. He was taken ill suddenly Thursday morning, and was rushed to the hospital in the ambulance, for an immediate operation.

Doris Morin, small daughter of Mr. and Mrs. Treffly Morin, is recovering from a severe cold.

St. Mark's choir held a rehearsal at the Episcopal rectory, Thursday evening.

Martha Kolms, of Philadelphia, is visiting her parents, Mr. and Mrs. William Kolms.

Mr. and Mrs. C. Dewar Simmons, of New York, have been visiting the latter's parents, Mr. and Mrs. G. Victor Grinnell.

Pupils' Recital

Piano pupils of Mrs. Lowry P. MacLennan gave a recital at her home in Old Mystic, Thursday evening, which was well attended by relatives and friends. They were assisted by Albert Keeney, violinist. The program follows: The Fairies' Gift (four hands) (Tellier), Edith Gaskell and Katherine Keeney; Drifting, Hunting Song (Williams), Violet Meyer; Bedtime (four hands) (Young), Mary Ellen Robinson and Eleanor Whitford; The Country Fair, The Waltz, Playing Catch (Blake), A Race, My Son John (Thompson), Frances Purdy; The Skylark (four hands) (Swartz), Violet Meyer and Loretta Tinker; A Very Little Elfin Tune, Beneath the Slowly Fading Moon (Weston), The Cuckoo (Thompson), Eleanor Whitford; Dancing Stars (six hands) (Ducelle), Loretta Tikner, Eliza Colver, Mary Ellen Robinson; Meditation (Greenwald), Albert and Katherine Keeney; The Rain (Swartz), In the Hayloft, Jack in the Pulpit (Mokrejs), Eliza Colver; Cradle Song (Heller), The March of the Tin Soldiers (left hand alone) (Adair), Mary Ellen Robinson; I Love Little Pussy (Bierdman), The Gnomes (Hall), Vacation Time (Streabog), Loretta Tinker; Evening, Good Humor (Low), Francis Purdy and Mrs. MacLennan; Chase of the Squirrels (Frazee), Katherine Keeney; Minuet, Album Leaf (Thompson), Edith Gaskell.

LEBANON

There was a meeting of the Ladies' Aid society at the church parlors Tuesday evening.

Miss Florence Pultz spent the week-end with Miss Gladys Briggs, of Yantic.

Mrs. A. G. Littlefield, Misses Beatrice and Grace Littlefield and Theodore Littlefield accompanied Mr. Littlefield to Hartford Tuesday.

A party was given by Lebanon grange on Thursday evening at Town hall. 17 tables were in play. The prizes were won by Miss Fannie Perkins, Miss Natalie Waterman, Mrs. Dorothy Manning, P. J. Sullivan, J. Dose and Carl Hallen. Sandwiches, cake, cookies and coffee were served by the committee.

BODY POISONS MENACE HEALTH

Kellogg's ALL-BRAN Will Rid Your System of Them

By neglecting constipation, body poisons get in their deadly work. Headaches, listlessness, cloudy complexions, which are the first signs, soon are followed by factors that wreck health, ruin ambitions and steal beauty.

You can guard against constipation with a simple remedy — Kellogg's ALL-BRAN. It is a delicious cereal — 100% bran — that brings sure, natural relief from this widespread evil. Doctors recommend ALL-BRAN because it is a bulk food. It sweeps the intestines clean of poisonous wastes and stimulates normal action.

Results are guaranteed. Just eat two tablespoonfuls daily—chronic cases, with every meal. Serve it with milk or cream, fruits or honey added. Sprinkle it over other cereals. Use it in cooking—recipes are on the package.

Don't neglect constipation. Begin eating ALL-BRAN today. Sold by all grocers. Served in hotels, dining-cars and restaurants. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN

THE NEWEST, FINEST, "SMARTEST"

LYRIC RADIO

DANIELSON

WRECKED CAR ABANDONED ON LITTLE REST HILL

(Special to The Bulletin)

DANIELSON, March 22—A practically new closed car, a nifty model that has been driven only 6,000 miles, was wrecked and abandoned at the foot of Little Rest hill about 6.30 this morning. This afternoon an effort was being made by state officers here to establish who was driving the car, which it has been determined, is registered in the name of Edward McDowan of West Roxbury, Mass. The car carries the registration 12,888 of that state. A theory this afternoon is that the car was stolen from Mr. McDowan, but this had not been established. Whoever was driving the car and whoever else may have been in it probably escaped without any serious injury and somehow managed to get out of the territory without being identified. The wrecked machine has a damaged top, fenders and radiator shell, and there is every indication that it rolled over, probably after skidding. The body appears to be undamaged, although about all the glass in the machine is broken. The car was towed to a garage here during this forenoon, after it had been checked over by state officers where the wreck occurred.

New Industries Would Employ 200.

More than ordinary interest has been aroused by the announcement that officials of the chamber of commerce are working on two propositions that may bring two new industries to Danielson, although it is much too early to state that with any degree of certainty, and desirable that the public should not be given the impression that the coming of these industries is a sure thing. However, the prospects are encouraging.

As near as can be ascertained both of these industries would give employment, jointly, to about 200 people. The representatives of the concerns that have been in Danielson appear well pleased with the advantages offered for the successful conduct of their activities. Good plants, suitable for the manufacturing purposes of these concerns are available on a reasonable rental or purchase basis. An adequate supply of employes is available, in addition to the workers these concerns would bring with them.

One of the concerns manufactures silk, the other a certain radio accessory, this being of particular interest in view of the fact that no such lines of industry are now located in this town, and diversification of manufacturing activities is what Danielson has been pleading for, lo, these many years. Plants that have been considered as homes for these prospective industries are the Whitestone mill of the American Woolen Co., at Elmville. This good plant has been idle for a long time, and there appears to be assurance that it can be obtained for the silk manufacturing industry. One of the plants considered for use by the radio accessory concern is that on School street formerly occupied by the Williamsville Buff Wheel company.

Incident to the consideration of this town by these concerns as a place to do business, it is recalled that less than a decade ago a group of local business men entered into an agreement to do some financing for what at that time was a comparatively small concern that had decided to locate here. The deal was put through, and the infant industry has grown in a few short years into Killingly's largest textile manufacturing concern—Powdrell and Alexander, now owning six mills here and employing well in excess of 1,000 people.

Next Friday—Good Friday—will be the first anniversary of the murder of State Officer Irving H. Nelson of the Danielson barracks, at Pomfret, by the "ice-box" bandits. The ruthlessness of the crime remains fresh in the memory of residents of this section of Windham county, where Officer Nelson had made a great many friends and established a reputation as an efficient and fearless officer. The year that will have elapsed since his death by next Friday finds two of the bandits—Roland G. Lalone and Albert Raymond—serving life sentences for killing the officers in the state prison at Wethersfield. Significant of the fact that they are guilty of causing State Officer Nelson's death is the fact that there have been no more robberies by the "ice box" bandits since they were arrested and held for trial. Their specialty was robbing markets and stores with large refrigerators or ice-boxes, and shutting their victims within them while they looted the premises. From the prison cells where they in all probability will eke out the remainder of their earthly existence one hears from occasional visitors there that they are the average prisoners. In official circles the opinion is often expressed that they have little hope ever of obtaining a pardon. Their crime was so cold-blooded and so directly in opposition to the forces of law and order in the state as to reduce to a minimum any chance of ever regaining their freedom in a lezitimate manner.

Chief A. P. Woodward of Danielson's fire department will have another remarkable report to make to electors assembled at the annual borough meeting in the early days of April, provided nothing untoward in the way of fire losses occurs between the time this is written and the date of the meeting. Since Chief Woodward made his last annual report there has not been one fire of major importance in Danielson. As a matter of fact, this has been true during most of the years of the last decade. Danielson hesitates of boasting about such things. No one here pretends to be able to read the future not even for as much as five minutes. But Danielson has an extraordinary record of freedom from major fire losses. Risks here, on the record of the last 20 years, are probably unsurpassed in any community of equal size in the state. The per capita loss figures for the past year will be available within a few days, for the past twelve months. They are up to now handsomely low. In passing it may be remarked that Danielson has an exceptionally efficient volunteer fire department. Its speed in getting to fires and checking them before they really become dangerous is really nothing new to talk about, but is a great factor in keeping the losses down. The community is well aware of this efficiency, so much so as almost to take it for granted. If insurance companies paid, throughout the coventry, no greater losses than they have paid in proportion to the risks covered than they have here in the past twenty years, the stupendous wealth they possess today would be dwarfted by their assets. But fire losses are fire losses, insurance men tell you, adding the great truth that no one can foresee where they are going to occur. Danielson's record may not be unspoiled forever, they point out but it is a shining one right now.

Coach William Schofield will have the members of Killingly High school baseball squad out for the first practice of the season next Monday. There will be about 20 on the squad.

John M. Bessette, collector of taxes for the town of Brooklyn, is now engaged with his annual collection, and was at West Wauregan today.

Miss Beryl Proctor, member of the faculty of Killingly high school, has been engaged to act as directress during August at the girls encampment at Camp Woodstock.

Carriers on some rural routes in this part of the county have been obliged to temporarily abandon the cars they use in covering their routes and drive horses, owing to muddy conditions on country roads.

Union Holy week services under the auspices of the Danielson Federation of Churches will start next Tuesday evening, with a service at the Baptist church. Other services are to follow on Wednesday, Thursday and Friday evening.

Milton Young, guard on this year's Killingly high school basketball five has been elected to captain the team during the season that will open next fall.

Manager William Sangster of the Danielson division of the Eastern Connecticut Power company has suggested a conference of radio dealers and others interested in good radio reception to discuss plans for overcoming radio interference, which has reached an annoying stage. Mr. Sangster has suggested the purchase of a device to aid in locating the source of disturbing noises.

This morning at 11.20 a "33" call brought out the Captain Put pumper to battle with a grass fire that was sweeping over an area east of L'Homme street and assuming dangerous proportions. The firemen were absent from quarters only a few minutes.

There will be a distribution of palms when a service is held at Trinity church in Brooklyn at 9.30 Sunday morning.

This afternoon and early this evening the anhual Easter sale of St. Alban's church was held at the Parish house.

An aviator circling low over the business section of Danielson this morning evidently was seeking out his bearings, for he headed in the general direction of Hartford after apparently ascertaining the identity of this community.

Miss Marion D. Chollar of Broad street has been the guest for several days this week of Mr. and Mrs. William H. Putnam of Hartford, former residents of Danielson.

Members of the Ladies' Missionary society of the Baptist church met this evening with Mrs. Homer Browne of Oak street.

The gymnasium exhibition attracted a large number to the high school building this evening.

Miss Rachel Barnes writes enter-tainingly of her life in and impressions of India, where she is now serving as a missionary. Last year Miss Barnes was a member of the faculty of Killingly high school.

PUTNAM

RESERVES DECISION IN PUTNAM THEATRE CASE

(Special to The Bulletin)

PUTNAM, March 22—Judge Arthur F. Ells of Middletown today reserved decision in the case of Charles Briere vs. Putnam Theatres corporation. The corporation asks a modification in the judgment awarded Briere in January in his damage suit against the theatres corporation.

Briere was represented by Attorneys King and Back, while the defendants were represented by Attorneys Myers and Darbie. In the January term of civil court Briere was awarded damages of $7,500. The case grew out of an assault upon Briere by a Danielson policeman employed by the Orpheum theatre, a link in the chain of Putnam theatres. The officer, according to the testimony offered in court, struck the plaintiff several blows on the head with the club, inflicting permanent injuries which have tended to lower his earning power.

Following the hearing this morning Judge Ells intimated that the logic seemed to be in favor of the defense, while the law stood squarely behind the plaintiff. Judge Ells stated that he would devote careful study to the case and would also consult with other authorities before returning his decision.

Five matrimonial ventures were ended in superior court in Putnam today when Judge Ells granted decrees to the plaintiffs after lengthy inquiries and upon receipt of evidence to substantiate the grounds mentioned in complaints.

A decree was granted to Mrs. Cecil Bernard of 27 Chapel street, Putnam. Mrs. Bernard proved to the court that her husband, Fred Bernard, Putnam garageman, was an unfit husband and after hearing evidence Judge Ells granted her a decree on the grounds that her husband was a victim of habitual intemperance. She testified, through an interpreter, that she had lived in Putnam for 12 years. Her marriage to Fred D. Bernard took place in this city on June 21, 1917. For 12 years she tried to have her husband overcome his faults. According to her testimony, Bernard was an ardent lover of intoxicants and his desire for liquor caused the family to go without the necessary provisions for their livelihood. His associations with other women caused her to voice her objections. This, she said, resulted in his leaving the home on July 1, 1928. After that date Mrs. Bernard testified that she was forced to work to obtain means for the support of her child and herself.

Her testimony was substantiated by Joseph Mayer, Peter Larvee and Mrs. Clara Stickney, who testified that they were familiar with the doings of Bernard. Each witness disclosed phases of Bernard's life after he had left his wife and family.

State Officer Royal V. Scranton of Danielson barracks, who investigated a criminal charge of Bernard's, was called to testify by the plaintiff.

Mrs. Marie Farrell was granted a divorce on the grounds that her husband, Mathew R. Farrell, had been convicted on a criminal charge. Mrs. Farrell testified that she was at present making her home in this city. She stated she was married to Mathew Farrell in Worcester. Not long after their marriage her husband failed to provide means for her support and accordingly she had him arrested. Attorney Arthur G. Bill of Danielson, prosecutor in the town court of Danielson, informed the court that he had prosecuted Farrell and as the result he was convicted. Her life with Farrell from the time of their union was unhappy. Arguments between themselves finally led to their parting. Mrs. Farrell testified that she had not seen her husband since February. Judge Ells granted the woman a decree on the grounds of conviction and also granted her custody of her two children, one of whom is 3 years of age and the other 2.

Raymond J. Baldwin of Willimantic was granted a divorce from his wife, Dorothy Morgan Baldwin, also of Willimantic, on grounds of desertion. In court Baldwin testified that he was married in Waterbury on April 16, 1921. Baldwin stated that his wife deserted him in Willimantic in 1924, going to make her home with her parents. The couple were reconciled again in January, 1925, but heir period of reconciliation was but a matter of days, for Mrs. Baldwin left her husband again on Jan. 28, 1925, and has lived apart from him since then. Mr. Baldwin testified that there were two children, Barbara, 7 years, and Eleanor, now 5 years old.

Mrs. Delina Baldwin, mother of the plaintiff, testified that on several occasions she attempted to close the breach existing between her son and his wife, but her efforts in each instance were fruitless. A number of other witnesses were called, each testifying that Mrs. Baldwin had not rejoined her husband since their last separation. Judge Ells granted Baldwin the decree on grounds of desertion. He also awarded custody of the younger child to Mr. Baldwin and placed the older child in Mrs. Baldwin's custody. The divorce complaint was also amended, at the request of Judge Ells, so it would contain a clause whereby each parent would be allowed to visit their children each week.

Charles F. Beck of Willimantic was granted a decree of divorce when the plaintiff produced satisfactory evidence to show that his wife had deserted him. Mr. Beck testified that his wife had had relations with other men and when he remonstrated she moved the furnishings of their home to some other site and had refused to return to him. Mr. Beck stated to the court that he had made several vain attempts to induce his wife to return. The counsel for the plaintiff called in a number of witnesses who testified to the events that took place in the Beck home previous to Mrs. Beck's departure.

FORMER PUTNAM ALDERMAN DIES AT PROVIDENCE HOSPITAL

(Special to The Bulletin)

PUTNAM, March 22—Former Alderman Desire Labby died at 4 o'clock Thursday afternoon in a Providence hospital after several months' illness. Mr. Labby had been a resident of Putnam for many years and was widely known in this section. He retired from the city council last January, giving ill health as the reason for his retirement from public office. About six months ago he was stricken with a nervous breakdown and entered a private sanatorium to recuperate. Medical authorities who were attending the Putnam man attributed the cause of his continual illness to his teeth. It was while in the dental chamber of the hospital, undergoing treatment to his teeth, that Mr. Labby died, the cause of his death being given as heart disease.

Desire Labby was born in St. Aimee, Canada, on Jan. 1, 1867. His parents came to the United States while he was a child. Mr. Labby came to Putnam 42 years ago. Previous to the ratification of the 18th amendment he was engaged in the sale of liquors, conducting a saloon in the Labby block on Canal street. He was married in this city on Sept. 12, 1886, to Miss Adele Tetreault. Mr. Labby retired from business in 1918.

In 1921 he entered politics as a candidate for a seat in the city council from Ward 3. He was elected to the council on the republican ticket and served three consecutive terms in office. During his years as a councilor, Mr. Labby served on the fire and police committees, doing much for the advancement of efficiency in both departments.

Eight months ago, Mr. Labby suffered a nervous relapse. He entered a Providence hospital and was thought to be making a satisfactory recovery when he was taken with a shock yesterday and expired a few moments later.

Mr. Labby was a member of St. Mary's church of this city and he took an active part in church affairs. Fraternally he was a member of the Putnam lodge of Elks, he being a charter member of the lodge, and a member of the Society of Ste. Jean de Baptiste.

Mr. Labby is survived by his wife, two daughters, Mrs. Alfred Massicott and Mrs. Alpherie Bibeault, both of Putnam, and by four grandchildren, Labby Massicott, Desire Massicott and Adele Massicott and Audrey Bibeault.

Mrs. Rose Gagne of Bullock street died at her home in this city today at the age of 49 years. Mrs. Gagne is a native of Canada, but had lived the greater part of her life in this country and has resided for a number of years in Putnam. She was a member of St. Mary's church of this city, and was connected with a number of the church societies. Surviving her are her husband, Eugene Gagne, two sons, Theodore and George, all of Putnam.

In the case of Napoleon Cournoyer of this city vs. Ransom Liner and wife of Danielson, which was brought to trial in Windham county superior court yesterday, Judge Arthur F. Ells made decision today. According to the decision, Cournoyer was awarded the full amount of damages claimed by him, $360. The decision pointed out the fact that the Danielson operator was grossly reckless and negligent, the judge in his memoranda declaring from the evidence in court that Liner was the direct cause of the accident, because of the terrific rate of speed at which he was operating his car on the night in question.

Twenty-seven members of the class of 1929 of Tourtellotte Memorial high school in North Grosvenordale left today for a week's trip to New York, Washington and Philadelphia. The excursion is being chaperoned by Miss Sybelle Gilman, a member of the faculty of the school, and daughter of Mr. and Mrs. Alexander Gilman of this city.

Mrs. Mary B. Bishop and Mrs. Mary A. Hopkins are in Windsor, Conn., this week attending the state convention of the D. A. R.

Hundreds attended the spring opening and fashion show of Wartell's sample shop which was held last evening in the Bradley theatre. During the evening live models displayed the various designs of gowns which will be featured this year by milady.

Letters have been received here to-day by friends of Walter A. Wheaton, Jr., who in company with Mr. and Mrs. Ralph Peck, also of Putnam, is making a trip to Colorado, where Mr. Wheaton and Mr. Peck will enter the forestry service. The cards were mailed to Putnam from Mazatlan, Mexico. Mr. Wheaton stated that they were departing from the war-torn country a few hours before an important skirmish took place.

PAZO FOR PILES

MONEY-BACK guarantee and directions in package. Tube with pile pipe, 75¢. Tin box, 60¢.

Do You Know of Any Way

to put your savings at work more conveniently—or more safely—than by depositing them in this institution, known since 1872 for its strength and conservatism?

Wherever you may live in Danielson or vicinity, the savings service of this institution is at your command.

The BROOKLYN SAVINGS BANK
DANIELSON, CONN.

THE TRUSTEES and OFFICERS
OF THIS BANK
INVITE YOU

TO ATTEND THE OPENING OF THIS INSTITUTIONS'S NEW BUILDING, WHICH WILL BE CELEBRATED BY HOLDING OPEN HOUSE ON

Monday, April 1, 1929
From 5 P. M. to 9 P. M.

HERE, FOR YOUR SERVICE, THE MOST COMPLETE AND MODERN FACILITIES HAVE BEEN PROVIDED. THESE WILL BE OPEN TO THE INSPECTION OF THOSE WHO CALL AND OFFICERS, TRUSTEES AND EMPLOYEES WILL BE ON HAND TO MEET VISITORS AND GIVE INFORMATION REGARDING THE NEW EQUIPMENT INSTALLED, INCLUDING THE NEW SAFE DEPOSIT VAULT, COMMUNITY ROOM, LADIES' ROOM AND OTHER MODERN APPOINTMENTS.

THE OPENING OF THE NEW HOME AFFORDS THE BANK'S MANAGEMENT SPLENDID OPPORTUNITY TO EXPRESS APPRECIATION OF THE PUBLIC CONFIDENCE WHICH IT ENJOYS. NATURALLY, ITS PURPOSE IS TO EARN A CONTINUANCE OF THIS CONFIDENCE UPON WHICH THE BANK'S GROWTH HAS BEEN BASED IN THE FIFTY-SIX YEARS THAT IT HAS SERVED THE COMMUNITY. THE NEW BUILDING MATERIALLY ENHANCES THE BROOKLYN SAVINGS BANK'S CAPACITY FOR CONSTRUCTIVE COOPERATION WITH SAVERS.

OFFICERS

J. ARTHUR ATWOOD, President
FREDERICK A. JACOBS, Vice President
SIDNEY W. BARD, Secretary and Treasurer
ARTHUR F. HUGHES, Assistant Treasurer

SEATING THE CABINET.

Theoretically there are many things which have merit and which will get endorsement, but when it comes to putting them into practice they fail to meet expectations. They fail because there are unexpected features which develop to handicap them or they are carried so far beyond anticipations as to be detrimental.

For that reason there is a question just how far the proposition revived by Congressman Kelley of Pennsylvania will get when it comes before congress. The representative from the Keystone state has a bill which provides that members of the cabinet shall have seats in congress in order that they may have a chance to present their views concerning matters relating to their respective departments and to provide an opportunity for the members of congress to question them.

Though this has been recognized in the past as a good idea it has never been put into operation. It has been necessary for the two houses of congress to get their information from the departments concerning matters of legislation through committees and communications, as well as from the departmental recommendations and reports. Frequently the objects sought by the departments are misrepresented. The chance to participate in the straightening out process by actually addressing the legislators instead of writing notes has often been advocated. To that extent it would seem a desirable thing to provide for, but there is another side which cannot be overlooked and that is the disposition, which has too often been displayed, to heckle.

There can be no doubt of the desirability of questioning a cabinet member if it were properly directed and honestly intended, but from tactics displayed in recent years there is no assurance it would stop there. Political motives would be sufficient to go far beyond without any justification. That is not believed to be the purpose of the advocated legislation and will doubtless weigh against it when it comes up for action, unless adequate restrictions can be made to prevent such methods as well as the waste of much time by department heads.

FOREST AND WILD LIFE COMMISSION.

Connecticut has been displaying a deep interest in the work of the state association on forests and parks because of the fine work that it has been doing in preserving many of the places of natural beauty and historical interests about the state. Through its work thousands of the people have been brought to recognize and appreciate assets which were not previously known. Likewise that interest extends to the commission on forests and wild life, now four years old, and organized for the purpose of buying land for state forests, fish, game and park purposes.

It was at the head of this commission that Senator Walcott was serving when he was elected to congress. With his time occupied elsewhere he resigned from the commission but from his experience, training and interest it is believed that an excellent successor has been chosen for the vacancy in the election of H. H. Chapman of Yale, professor of forest management at the Yale school of forestry.

In the past four years state land for such purposes as this commission embraces has quadrupled. The acreage now is 80,000 with the goal 200,000. At an average of 15,000 acres a year it would require about ten years to complete the work. That is in all probability too much to expect, but with the people of the state awakened to the benefits of such protected areas and the advantages being gained from the parks in the country and at the shore it is reasonable to expect that there will be a strong public urge backing the efforts of the commission. Made up as it is of actively interested and conscientious citizens the successful carrying on of the well started work under the new president can be expected.

A PRESIDENTIAL REST PLACE.

President Hoover hasn't spoken upon the question of a summer white house, a week end lodge or a rest place where a president can get a change of environment for a short time. When President Coolidge advocated such a thing as the result of his experience in Washington, and knowing that it would never be made available for his own use, it was inferred that it had the endorsement of Mr. Hoover. Possibly it has, but thus far it has not been disclosed.

All there is to judge by thus far is the acquisition by President Hoover of two fishing pools, where it is presumed he intends to spend some of the time which he can find for recreation. It is evident that if St. Weather should be decided upon and the appropriation for putting it in shape made, it would not be available for the coming summer, so that President Hoover could not expect to make use of it this year, but the answer to the question as to whether Mr. Hoover desires it may determine the action that is to be taken.

Whenever the idea of a summer white house has been advanced it has been pointed out that what would be favored by one president would not meet with the approval of another. Thus the advisability of trying to provide such a place has been questioned, for it could hardly be expected that there would be a new summer white house provided every time a new president was inaugurated.

Still there is unquestionably a difference between a summer white house and such a rest place as Mr. Coolidge advocated. He hasn't urged it as a substitute for the white house even during the summer or any other season. It would simply be a refuge for brief periods, a place for recreation or rest over night or the week end. It wouldn't be expected that a president would be required to stay there during the summer any more than at Washington unless congress was in session, but such a breathing place ought to have its attractions. Whether it would satisfy President Hoover and would serve as a substitute for the fishing pools remains to be disclosed. He is the doctor in the case for the present.

TACKLING A HARD JOB.

Perhaps the impression has been gained that a commission has been at work upon the adjustment of the differences between Paraguay and Bolivia ever since they agreed to an adjustment of their difficulties, but such isn't the case. As far as the outside world knows they have been sticking pretty close to the agreement to refrain from fighting and putting their dependence upon a peaceful settlement, but the commission is only ready to start about its work.

Having elected Brigadier General Frank R. McCoy as its chairman the commission which represents seven countries will so direct its inquiry as to get at the facts concerning the recent clash between the two countries. The object is to get a foundation for constructing a way that will prevent anything of the kind in the future by bringing about a settlement of the boundary dispute which has prevailed for years.

That there will be an early report need not be expected. In all probability it will be a matter of six months before the inquiry of the commission is completed, but when it is it should have such a grasp of the situation, facts from both sides of the dispute, as to indicate the course that ought to be pursued in meeting it.

There is responsibility resting upon the two countries involved, and there is a responsibility recognized by the Pan-American conference. In the interest of peace such difficulties should be ironed out. There is something more than telling one country it must stay on one side of a line and the other country must remain on its territory for there cannot be overlooked the desire of Bolivia for an outlet to the sea. Such a step ought not to be left to conquest. It ought to be possible to provide in some way for an outlet for that country and its large resources now isolated and undeveloped.

This feature can hardly be overlooked by the commission. Peace is the object but it should be such a peace as can be brought about by a satisfied neighborhood.

A LONG NEEDED CHANGE.

In accordance with the terms of the bids the government has disposed of the United States line and the American Merchant line, the largest of the merchant ships in the possession of the government. This is a big step toward getting out of the business although there remains a considerable distance to go yet before all the merchant vessels are sold.

The government is getting out of the shipping business in accordance with good judgment resulting from experience. The price obtained for the ships is probably as much as could be expected under the circumstances, although far below the cost, but the significant thing is that the yearly loss which the government has been experienced will terminate.

It means a change from government to private control. That in itself should result in greater efficiency and more profitable returns. It will permit of an interesting contrast between the methods employed, for even though the new owners will be able to take advantage of government assistance in the way of funds it is to be expected that they will not be able to avoid red ink.

These lines will have to be operated in competition with those of other countries, which will mean certain handicaps imposed by the American shipping laws, but that phase of the matter has been carefully considered and taken into account in making the successful bid, for it was one of the conditions of the sale that they must continue to fly the American flag and to be kept in service on the established routes.

It will not be surprising if this move marks the beginning of greater interest by private capital in the operating of more American merchantmen.

EDITORIAL NOTES.

The man on the corner says: Beauty isn't always skin deep.

From the plans being made it looks like a change from a wet Wash. to a dry Wash.

You wouldn't suspect it but report comes that the new Jones law is to be tried in Chicago.

Are you able to count on the fingers of one hand the times you have shoveled your sidewalk this winter, or haven't you done even that?

It seems unseasonable, but the fact that enrollments are being made in summer camps makes it certain that vacation time is not far away.

THE MAN WHO TALKS

There are a great many things in this world that are good until their use is perverted. As an illustration: Fire is a good thing in your grate, bringing warmth and cheer into the room, but it is an entirely different thing when it takes place among the loose papers in your attic. May we not say the same thing in regard to radio? When we listen to some of the musical programs we are inspired, and also as we hear speeches from our eminent men. As a general thing it is perfectly proper for radio to broadcast in the interests of cigarettes, setting forth the good features of the various brands. This is just as proper as it is to broadcast anything else that comes within the realm of the law. But when the attempt is made to use the radio for the purpose of creating a child-market for cigarettes it is high time for public opinion to act in the matter. Parents have a right to ask the laws to protect their growing children.

We can hardly speak of radio without a feeling of the deep sense of awe because it comes as near to the uncanny as anything that science thus far has done. Like the automobile that adds wonderfully to the pleasure and convenience of men, yet when its legitimate uses are perverted it is a menace to society correspondingly great. It would be impossible without the high-powered automobile for bandits to do their hold-up stunts, and get away with them. In this business it is not very difficult for bold men at the right psychological moment, at the point of a revolver to get large sums of money. But it is another thing—at least it was before the automobile came into vogue—to get away with it. It simply shows that, for such a great public blessing, we have to pay the full price.

Now all this goes to show that the law of opposites: the greater the blessing when properly used, the greater the disaster when perverted. In a lesser degree this applies to the radio. I can think of very few things in the longe list of modern scientific invention and discovery that has added more to the interest and pleasure of the general public than radio. But it can be so used as to raise some very reasonable objections. Now one of these is the use that is made of it of "listening in" on church services in the Sunday morning hour. It is the way a lazy man takes to get just a touch of religion to ease a guilty conscience. It is all right for invalids and all others who cannot get to the church services. But for a big fat man, with a black pipe in his mouth, lounging about a Morris chair clad in a bathrobe, while a fine choir is singing: "Flight on My Soul Till Death Shall Bring Thee to Thy God," is just the least mite amusing.

The question is sometimes asked—and there are good reasons for asking it—is a republican form of government all things considered, the best? Now that depends on several conditions: Who the people are; what is the degree of their intelligence; what is their conception of self-government; is patriotism the basic principle of their desire for self rule? Or, do they look upon material wealth of a given territory as the field of common plunder? These points come to one's mind as he realizes the condition of Mexico at the present time and at very many times in the not far remote past. One can hardly fail to be impressed with the sad fact that Mexico contains now, as in the past, a large number of illiterates with no true conception of natural life, who are like wax in the hands of greedy and unprincipled leaders who will commit any crime for power.

The philosopher has much to say about the "world of objective reality." Now that is not quite so big and lordly as it sounds. No one need to be afraid of it because it won't bite. Put into simple English it means that the great world outside of a human being responds to his earnest inquiry. In other words it is the great outlying knowable world. The Master probably had something of the sort in mind when He said: "Seek and ye shall find; knock and it shall be opened unto you." The schoolboy who digs away at a tough example in arithmetic until he gets the right answer knows something about "objective reality." So also does the blushing and stammering young fellow whose sweetheart has said "yes" to his matrimonial proposal. "Objective reality" cuts a wide swath in the hay field of human life. Whatever outside of us we lay our hands on to possess comes under the head of "objective reality."

From time immemorial ingenious people have been making proverbs, and many of them express facts in such a manner as to make an impression. But of all that have been handed down to us from the past there is none that needs to be more carefully and seriously heeded than the following: "A stitch in time saves nine." Just one illustration of this will suffice: A person, particularly in the spring, finds himself in a run down condition. His appetite has gone back on him, and he has to force himself to put forth the least exertion. As time goes on he finds that he is losing flesh, and sleep deserts him nights. He lets it run along until the doctor, after a careful diagnosis, says something that makes the cheeks go pale, and his breath comes in snatches. It may be that awful word "tuberculosis." Then he realizes what "a stitch in time" really means.

Do we realize as we ought how much science has done to bring the different nations in harmonious relations? As a good illustration of this look at the present political cordiality existing between Mexico and the United States. At once you will say that all this is due to the two parties at the ends of the connecting wire. At the north end of the wire were such good statesmen as Calvin Coolidge and Frank B. Kellogg, and at the other end, Plutarco E. Calles and Dwight W. Morrow. That there are able, peace loving officials no one will question. But ought not a good deal of credit be given to the part played by the wire itself? In September of 1927, telephone communications were established between Washington and Mexico City, and ever since that auspicious event the very best of relations have been maintained between this great republic of the north and the important country to the south.

Speaking of Mexico one can hardly fail to recognize how necessary it is for a people as a whole, as it is for a single individual, to have a clear idea of moral values. The question that needs to be seen clearly just at present more than all else is this: What right have I as a "citizen" to rebel against some other persons whom my fellow citizens by a legitimate process have put into power? If there had been some outrageous abuse of power by which the private citizen had been illegally treated, the matter would take on a more serious aspect. But this is not even hinted at as far as we can learn from the dispatches. Mere disappointment is not a valid reason for starting a revolution. What would be thought of Gov. Alfred E. Smith if he should undertake in Texas or Florida to overthrow the Hoover administration? Such an event is clearly unthinkable.

Nature invented the sneeze in order to compel lazy people to take some exercise.

THE 28 STATES OF MEXICO

Names of Mexican states most difficult for Americans and their approximate pronunciations are: Chihuahua, cha-wah'-wah; Coahuila, ko-a-wee'la; Zacatecas, sa-ka-tay'-kas; Jalisco, ha-lees'-ko; Michoacan me-cho-akan'; Guerrero, gayr-ray'-ro; Oaxaca, wa-ha'-kah; Guanajuato, gwa-na-hwa'-to; Queretaro, kay-ray'-tah-to; Tlaxcala, tlas-kah'-lah.

To follow the news stories from Mexico requires an acquaintance with the 28 states of Mexico.

"The average American, familiar with Canadian provinces, would be hard put to tell whether Chiapas is on the Pacific or Atlantic; where Nayarit is; if Campeche is east or west; or even to pronounce Aguascalientes," says a bulletin from the Washington, D. C., headquarters of the National Geographic society which describes the 28 commonwealths of our neighbor republic.

"In Mexico also are two territories. One is Lower California, dry, arid, mountainous and thinly populated. Fifteen hundred miles away from Lower California lies Mexico's other territory, Quintana Roo, farthest south and east.

Puncturing a Geographic Myth

"It is common to think of Mexico as a great horn sprouting south from southwest United States. The position of the two Mexican territories punctures this geographic myth. Mexico is not a thin nation. It is just as wide as it is long. While its westernmost city is Tiajuana, over the international line from San Diego, California, the outermost point of the Yucatan peninsula lies as far east as Indianapolis.

"The United States has one smaller state than Mexico's smallest. Rhode Island is 200 square miles smaller than Tlaxcala, which lies 50 miles east of Mexico City. Colima, a state on the Pacific coast of Mexico directly west of the capital, measures less than Delaware. But the largest state of Mexico Chihuahua, across the border from New Mexico, is much smaller than the American giant, Texas. It approximates Oregon, or Illinois and Indiana taken together.

Toluca the Annapolis of Mexico

"It was by a sign on the railway station at Toluca that Lindbergh, on his first flight to Mexico, in 1927, finally found his position, and then flew directly into Mexico City. The relations between Toluca and Mexico City might be compared roughly to those between Annapolis and Washington. Toluca is the nearest state capital to the federal city, and its state encloses the federal district just as Maryland encloses the District of Columbia. Physically, however, the comparisons are not so close. Both Mexico City and Toluca lie on a high plateau and are surrounded by mountains. Satuated 40 miles from Mexico City, Toluca is visited by residents of the capital as a pleasure resort. It lies in one of the most beautiful 'valleys' of the republic—the Valley of Toluca. From this upland plain come the spirited bulls for the bullring of Mexico City. Cortez founded the city 12 years after the conquest. It lies on part of the original grant made to the conqueror by the king of Spain.

"The state of Mexico, of which Toluca is the capital, embraces both upland plains and mountains. In addition to the 'Valley of Toluca' it includes the famous 'Valley of Mexico', the heart of the republic, with its show hacienda and beautiful scenery. The famed lakes near Mexico City also lie in the state of Mexico. In the western part of the state are rich mines. The republic's most important river, the Lerma, rises in the state of Mexico and flows westward to a final outlet in the Pacific.

"Queretaro, the Delaware of Mexico, makes up for its limited area by the richness of its mountains and valleys. The former contain minerals, and the latter, deep layers of fertile, well-watered soil which grow pineapples, dates, bananas, pomegranates, figs, and lemons. Queretaro sweet potatoes have a reputation in Mexico like Idaho potatoes have in the United States. The situation of Queretaro City, capital of the state, 2,000 feet higher above sea level than Denver, gives further clue to the surrounding geography. Mexico classes Queretaro as one of the Estados del Centros, occupying the elevated Valley of Mexico. Through Queretaro run the trade routes from the north, converging on Mexico City. And by the trade routes come the famous Mexican opals mined in Queretaro mountains.

Indian Tribal Boundaries Used

"The states of Mexico were originally laid out to coincide roughly with the areas occupied by the Indian tribes which the Spaniards conquered. Then the conquerors apportioned the districts among themselves. Thus Hernando Cortez was 'Marques del Valle' of Oaxaca. As 'Marques' he laid waste the Zapotec Indians' chief town, built a new city on the same site and named it Antequera, after a town of Spain near Malaga. When Mexico won its independence from Spain, the city resumed its old Zapotec name, Huaxiacac (modified in Spanish to Oaxaca) and the state took the same title. This is a story repeated with variations many times in Mexico. Practically all the states have resumed their Indian names. There are exceptions such as the states of Vera Cruz, San Luis Potosi, Guanajuato and Nuevo Leon.

Low, High and Higher

"Although the ancient Aztecs, Zapotecs, and Mayas are responsible for the boundaries of modern states of Mexico, the borders often outline definite geographic units. There is a classification handy for Mexican states which our republic cannot use to advantage. In Mexico there are low states high states and higher states. The low states are the eastern seaboard units from north to south, Tmaulipas, Nuevo Leon, Vera Cruz and Tabasco. The Yucatan peninsule group of Campeche, Yucatan and Quintana Roo also hugs sea level. Pacific coastal states are, for the most part, low states too, but not so low as east coast states; Sonora, Nayarit, Colima, Michoacan, Guerrero, Oaxaca and Chiapas. Then come the high states that is those which are 3,000 feet above sea level, Chihuahua, Coahuila and Durange. The first two lie in the Rio Grande basin between the wide open arms of the mountain ranges that border the famous Valley of Mexico.

"South of Durango are the higher states, and, it may be added the smaller, and the most populous and the richest states of Mexico. The average elevation of 11 states and the federal district is more than a mile above sea level. Orizaba peak, 125 miles southeast of Mexico City, is the key pin of a gigantic pair of dividers opened to a sixty degree angle. Each arm of the dividers is a mountain range, the left arm connecting with the Rocky mountains and the right losing itself at Monterrey.

Has Its "Federal District"

"Between the arms spreads the fertile mile-high or higher region of blue lakes and fruitful valleys, elevated enough to have an equable climate. Just as the mountain ranges converge on Orizaba, so the trade routes converge on Mexico City. Like Washington, the Mexican capital has been isolated within a small 'Districte Federal,' administered by the national congress. But there is this difference. Mexico City is the New York as well as the Washington of Mexico. Its population of 906,000 nearly equals that of the most populous of the nation's provinces.

"Just as the United States has, in the state of Washington, a commonwealth named for the hero of its revolution, so Mexico has honored the father of its freedom from Spain. Padre Hidalgo was a parish priest in Dolores, in the state of Guanajuato, until he led the revolution in 1810. Dolores has now become Dolores Hidalgo. Hidalgo state is one of the most mountainous in Mexico. Six ranges cross the relatively small area creating a maze of peaks and ridges. In this tangle of mountains are some of the heaviest mineral deposits in the republic.

"A near-by area of 5,600 square miles of the Valley of Mexico has been carved out to make the state of Hidalgo. South of Mexico City another relatively small state, Morelos, honors another hero of Mexico's war of independence.

Michoacan Beckons "Tourists"

"Straddling the Sierra Madre range running down the west coast of Mexico, Michoacan state judiciously places one foot in the fertile valley of Mexico and the other on the Pacific coast. But its valley acres, with sparkling lakes surrounded by farms, support the major part of its population. To Michoacan many other traveled Americans go annually in the late fall for the blue lakes beckon flocks of 'American' wild ducks and geese wintering in the southland. Because of the variety of its products Michoacan earns high rank among Mexican states. It is the greatest cereal growing state of the republic, and, in addition, produces coffee, sugar, fruits, vanilla, wine and tobacco.

"San Luis Potosi is one of Mexico's inland states, consisting of a high and dry temperate plateus intersected by a few deep tropical valleys. Where there is sufficient rainfall there are large upland plantations of corn and cotton and in the warm valleys coffee and sugar are grown. Cattle raising is a chief industry on the drier plains and the mountainous districts are rich in gold and silver mines. The state is in a very old settled region, figuring largely in the Spanish colonization scenes of the sixteenth century. An important railway connects the capital of the state, a city of the same name, situated in the cool highlands with the port of Tampico on the Gulf of Mexico. The city of San Luis Potosi contains a fine old cathedral and many quaint houses of Spanish colonial architecture.

"Vera Cruze is the richest of Mexico's gulf cast states. It is densely forested, low-lying and tropical along the coastal plain, but splendid mountain ranges rise along the western border. From the forests come some of the world's costliest cabinet woods and plantations of the lowlands are rich in cotton, sugar, coffee, cacao and vanila. This state was once the seat of an ancient Indian civilization and magnificent ruins dating from this period are scattered throughout the country. Rainfall is heavy and countless rivers traverse the state from mountains to the sea. Four railway lines converge at the port city of Vera Cruz."

A Washington Bystander

By KIRKE L. SIMPSON
Associated Press Staff Writer

WASHINGTON, March 22—Three years of effort as "reporter, publisher and editor of newspapers in California, Indiana and Washington," to quote the state department register, followed by more than a decade in the congressional press galleries, seems just to have whetted the appetite of Charles C. Hart for diplomatic assignments.

For the last four years he has been minister to Albania. He took his first home leave around inauguration time and if President Hoover should see fit to send him back into the near east for another go at diplomacy, this particular Barkis will be quite willing.

Bright Reports

And if Charlie Hart should change his mind or should he not happen to be on the Hoover slate, diplomatic reports that come pouring into the state department by every mail are going to lose a touch of color and humor they rarely know.

Being a newspaperman by inclination and training, Hart went to his post four years ago with the pronouncement that he would write no official dispatches. If anything cropped up of which the department should be informed, he said, he would write a "story" about it in true newspaper style. And he kept that resolve.

Through the years the Bystander has had opportunity now and then to read those official reports set down in newspaper style. They were very understandable and frequently so entertaining as to be circulated privately through the state department for the enjoyment they gave. They shocked the staid old timers of the diplomatic corps more than a little at first. In the end, however, some of them came to be cited in departmental instructions as suggestions to less breezy envoys abroad for improving their style.

Would Like to Return

Minister Hart left one uncompleted job behind him in Albania he would very much like to finish. That is the construction of the new American legation building. It was something over 70 per cent finished when he came home on the heels of his resignation which awaited President Hoover's pleasure. Fittingly enough, the legation is being constructed very largely by young Albanians trained to their work in the vocational school established in that country in 1919 by the American Junior Red Cross. School graduates do the bossing and undergraduates do much of the actual work. They are making a fine job of it, Hart says.

By way of testifying to his appreciation, the minister interceded with the king of Albania a short time ago to obtain a new and adequate site for the school by roval grand. He got it, a 600-acre tract on a high plateau overlooking the capitol. Eventually there will be an enduring and practical monument there to American ideas of neighborliness.

Sunday Morning Talk

His Love

He came unto His own, and His own received Him not. But to as many as received Him, to them gave the power to become the sons of God, even to them that believe in His name, John 1:11:12.

He left His home in heaven, that sinless home to come to earth, and what did He come for in that lowly guise, when He might have come as a king. He came and was tempted in all parts as we are, so He can cheer the soul that is bowed down with grief. He has been there Himself. He came to His own, and His own received Him not." How sad that was when He was ever doing good to all. His was not the self life. No, a life of service, lifting up the fallen, cheering the sorrowful, weeping over Jerusalem, saying to the weary one, "come unto Me, and I will give you rest." Pointing upward to the many mansions He had gone to prepare for those who love Him.

Why, O why, are we so indifferent to the great love of our Saviour? How it must grieve His heart? He has given us our all. Life and all else comes from Him. How often do our hearts overflow with love and gratitude to Him who has done so much? Should we not feel it our greatest privilege to be found faithful in all things, giving Him our best service and loyalty? May we strive to be more worthy of this great love. He considered no suffering too great for our salvation.

Alas, and did my Saviour bleed? And did my Savour die?
Would His devote that sacred head
For such a worm as I?

But drops of grief can ne'er pay,
The dept of love I owe.
Here, Lord, I give myself to Thee,
'Tis all that I can do.

Fellowship of Prayer

DAILY LENTEN DEVOTION

Topic
"MY MASTER AND BROTHER"

Memory Verse for Saturday

"Henceforth I call you not servants—but I have called you friends" (John 15:15). Read: Philippians 2:1 to 11.)

MEDITATION: Jesus who was intimate with the Father entered also into truest intimacy with men. He who was so good and pure sought the companionship of publicans and sinners. Here is wonderful encouragement for me. Jesus does not exalt Himself above me, nor hold aloof as one of superior station. He takes his place by my side. He enters into my perplexed and troubled life. "Our wants and weaknesses he knows." "Tempted in all points like as we are." I can go to him freely for He understands. If He is my master, he is also my Brother.

PRAYER: Holy Father who hast given Thy Son to be light in my darkness, strength in my weakness and a companion in my solitude, I pray that Thou wilt govern my wayward and wandering spirit that the light grow not dim, that the strength do not fail me, that my soul do not become desolate. In His name. Amen.

YOUR HEALTH

Watch The Fingers

By Mark Lewis Emerson, M. D.
Oakland, Cal.

One of the most common sources of disease, crippling deformities and death, comes from the neighborhood of the finger-tips. Many of the contagious diseases such as influenza, typhoid fever, diphtheria, or any disease transmitted by droplet infection, is passed along by the finger-tips. People handling the bedclothes, pillow slips and handkerchiefs of patients who have influenza can readily transmit the infection to themselves and others, unless they thoroughly wash their hands and finger-tips every time they make a contact with a sick person. Painter's colic, arsenic, mercury and radium poisoning, and many destructive blood poisoning diseases are transmitted directly through the finger-tips and nails. Indeed part of a painter's education is to keep his finger nails clean. By the introduction of the new linotype printing machine, which handles its own type, lead poisoning among printers is now practically unknown. Bank clerks and money handlers in general are well informed about the necessity of keeping fingers frequently washed and clean.

The majority of the cases of fatal blood poisoning come through the finger-tips, so that the one thing that is far more important than keeping the fingers clean is to see that no sharp instrument punctures the skin or that there are no abrasions about the finger nails or the skin close to the nails. Pins or any sharp pointed tin or wire clips, or any kind of paper clips that are capable of puncturing the skin, are not allowed in many of the better managed banking and business institutions.

Pins and needles about the house are prolific sources of fatal blood poisoning or suppurating conditions about the fingers and hands. Hang nails about the finger nails are one of the most common sources of local abscess and bone felon.

So fatal, destructive and incapacitating are many of the infectious diseases about the finger-tips that physicians are constantly consulted about these infectious conditions arising from the finger-tips.

The majority of cases show a marked degree of carelessness in the first-aid treatment of the punctured wound, and in many instances no treatment whatever was attempted. No first-aid treatment was recorded in a death from fatal blood poisoning by a needle puncture of the finger-tip. No first aid treatment was recorded in a suppurating tendon of the hand by a business man. The injury was a finger-tip puncture by a letter file clip.

All injuries to the finger-tips should be treated immediately with iodine or mercurochrome. If it is used immediately, it will often follow in the punctured wound as far as it was punctured by the needle. For the treatment of hang nails before infection occurs, touch up the raw surface with iodine, then place a small adhesive patch about one-quarter inch square over it. By changing it frequently, this keeps the small part covered for several days, by which time the protected area becomes covered with new epithelium and absorption from infection ceases.

The thing to remember is that diseases and injury to the finger-tips are serious affairs, and should be dealt with immediately. If there exists any doubt in the matter see your family doctor. Always apply first-aid immediately to all recent injuries.

Stories That Recall Others

O. K.

She had a date for a picture show. On her return an older sister inquired apprehensively:

"Do you think this young man the right sort?"

"Yes, he is, darling. He held my hand all through the picture," was the candid reply.

Don't You Know?

Katharine was known among her friends for a number of meaningless phrases she tacked on the ends of her sentences. Such words as "something like that" or "you know" were not infrequently heard.

One day while at dinner, Katharine, teased by her older sister Margaret, replied, "I'll bet you say 'you know' more than I do."

"Why, of course," laughed Margaret, "I'm in a class ahead of you."

Little Talks on Thrift

Bonuses For Punctuality Prove Success in Big Business Firms

It would be interesting to know how much time is wasted in the aggregate by the people of this country. Translated into terms of dollars, it would doubtless run high into the millions annually.

Noted throughout the world for their energy and capacity for hard work, Americans are nevertheless prone often to be guilty of the small vice of tardiness.

In all large business organizations tardiness among employes is one of the constant problems confronting the executives. A few years ago many employers tried to enforce punctuality among employes by a system of fines and penalties. These plans, however, did not seem to work out successfully from every standpoint. They aroused resentment among the workers which was reflected in carelessness, indifference to their work and in some cases to absolute viciousness.

More recently large concerns have adopted the plan of establishing honor rolls and creating bonuses for punctuality. The results have been satisfactory. One company in 1921 installed a bonus amounting to about 4 cents an hour paid weekly to employes who worked full time with no lateness. The plan is said to have resulted in a 33 1-3 per cent reduction in absenteeism. Another large concern pays a cash bonus of 10 per cent of one week's salary, maximum bonus not to exceed $8 to clerical employes who establish a perfect record for any 30 consecutive days. As a result, 98.96 per cent of the 8,000 employes reported on time every day last year.

Other concerns give half-day or whole-day holidays as rewards for perfect attendance covering various periods.

Punctuality is an excellent example of thrift. It is not a difficult matter for the average person to be on time. It is a form of self-discipline that should be cultivated by all, for it will bring its full rewards.—By S. W. Straus, President American Society for Thrift.

POETRY

An Unsuccessful Man

'Twas in that house for years he dwelt
And there I often heard
The bright, ill-fated hopes he felt,
In many an eager word;
Sometimes in silence walking we—
Each other's thought we read;
Why, I can almost hear, and see,
The footsteps of the dead.

Alas, I think the keenest pain
That we can ever know
Is to recall the hopes in vain
Of dead friends long ago;
To see their disappointed eyes
Fill up with tears unshed—
To trace again alone, with sighs,
The footsteps of our dead.

That sharing sorrow soothes its sting
To all the world is known—
But, oh, it is a bitter thing
To weep, and weep alone;
But bitterer yet that grief can be
That follows still in memory
The footsteps of its dead.

The friend I loved no more I meet!
He's vanished to his rest;
The weary ache of valiant feet
Is echoed in my breast.
'Tis queer, 'tis queer, 'tis strangely queer,
When all their hopes have fled,
That they should haunt me, year by year,
The footsteps of the dead.

For he to gloom was never born,
In darkness would not grope;
He met the sunlight every morn—
And found another hope.
Who says they fail, who always dare,
Though disappointment fed?
To triumph trailed some viewless where,
The footsteps of the dead.

—Samuel Minturn Peck, in Boston Transcript.

Moon Dreams

Moon dreams come drifting at twilight
Over the star shadowed hills;
Mists have crept up from the valley,
Up from the fern ridden rills.

There, on the crest of a mountain,
Star flowers look up to the sky.
Where on the tip of a moonbeam
Clouds of the night journey by.

Moon dreams are silver with memory,
Touched by the nightingale's wings,
Where, in the hush of the silence,
Timid the song that it sings.

Then when the star light is fading,
Dawn, like the breast of a dove,
Tenderly touches the moonbeams
And steals from me dreams that I love.

—Charles Bancroft, in The Philadelphia Bulletin.

HUMOR OF THE DAY

"Do you like the talkies?"

"No, I prefer unspeakable pictures."—Boston Transcript.

"Golf is a year-round game."

"Yes, you can play it all summer and talk it all winter."—Christian Science Monitor.

Mrs. Alden—Do you ever flatter your husband?

Mrs. Brearley—Yes. I sometimes ask his advice about things.—The Pathfinder.

"Is she progressive or conservative?"

"I don't know. She wears a last year's hat, drives a this year's car, and lives on next year's income."—Montreal Star.

Golf Pro: "Now, one important thing for me to tell you, sir, is always to keep your eye on your ball."

Suspicious Novice: "Oh! is that the sort of club I've joined?"—Humorist.

He: Why do you persist in driving that antiquated wreck?

He (muchly married): I spend many evenings downtown and that car is my alibi for not getting home.—Exchange.

Astronomer (to his wife)—My dear, congratulate me. I've discovered a star of hitherto unheard-of density and I'm going to name it after you.—Sydney Bulletin.

Glass bricks for building houses are the latest. These are unbreakable, so, despite the proverb, residents of such houses may do all the stone-throwing they desire.

Translucent, moreover, so even the modern version may be ignored, viz: "People who live in glass houses should pull down the shades."—Boston Transcript.

KALEIDOSCOPE

There is one automobile in Russia to each 1,000 inhabitants.

There are 1,465 bears in the national parks, a new census shows.

A waterfall, 1,160 feet high was recently discovered in Marquesas islands.

Chinese incense is made from scented woods, tea seeds and charcoal dust.

The volcano Etna covers an oval site 30 miles long and 23 miles wide.

Government leather specialties state that our domestic hide supply is falling shorter and shorter of meeting the leather requirements of the country.

Five cities in the United States are officially credited with more than a million population: New York, Chicago, Philadelphia, Detroit and Cleveland.

Mr. and Mrs. W. D. Aurand 4918 Baltimore avenue, Kansas City, Mo., are two members of the younger generation with a love for "old people," which has found expression in sending flowers to all couples celebrating wedding anniversaries where the anniversary covers 55 years or more. The Aurands are trying to get in communication with the couple in the United States that has been married the longest. They ask any couple married more than 65 years to write to them.

The bureau of railway economics discloses that the American appetite for peaches has become much keener in recent years. In the five-year period of 1923-27 the average annual production was 52,200,000 bushels, an increase of 51 per cent, over the five-year period of 1908-07, compared to an increase in population of 27 per cent. The increase is due in a large part to the better transportation and distribution facilities. California and Georgia have become the most important producing states.

A prominent Seattle (Wash.) woman received a present of a bottle of maple syrup on a visit in British Columbia. The bottle which contained the syrup formerly had contained whiskey. When the woman crossed the international line, the customs officials investigated the contents of the bottle. They then passed her car through. She stopped at a small store on this side of the line and left her syrup in a shopping bag on a bench. When she returned to the bench the bottle was missing and in the bag was a $10 bill pinned to this note: "We need this more than you do."

(Solution of Yesterday's Puzzle)

No Pep This Spring?

When the old spring fever gets into your blood, it certainly steals all your pep. You can hardly keep your eyes open from the time you get up until you retire at night. Don't feel like eating, working, or doing anything.

You can't go on like that, you've got your living to make. Take McCoy's Tablets to get your pep and strength back. Funny you hadn't thought of them before. One amazing ingredient in these safe, pleasant effective tablets is the grandest builder of blood, strength, energy and endurance you ever saw. Certainly makes you feel fine all over.

Go to Lee & Osgood Co. or any drugstore today for McCoy's Tablets. 60 tablets—60 cents.

Magnesia Best for Your Indigestion

Warns Against Doping Stomach With Artificial Digestants

Most people who suffer, either occasionally or chronically from gas sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead, follow the advice so often given in these columns take a teaspoonful or four tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation and make digestion easy. Try this plan yourself, but be certain to get Bisurated Magnesia especially prepared for stomach use.

"Brick" Wilder Released

PITTSFIELD, Mass., March 22—(AP)—Fred J. "Brick" Wilder, of Maynard, Mass., veteran catcher and a member of the Pittsfield Eastern league club for the past two seasons, has been given his release by President Philip A. Wilkinson, the latter announced today, although Wilder recently signed his contract. Pittsfield expects to get two catchers from the Boston Red Sox and it was considered unfair to make him report and then release him later.

To keep young salmon from "detouring" and being lost in irrigation canals and diversion ditches an engineer has devised a way of creating an electrified zone of water, which acts as an effective stop sign for the fish and turns them back to the main route.

Norwich, Saturday, March 23, 1929

VARIOUS MATTERS

Light vehicle lamps at 6:32 this evening.

Schools in Thompson closed Friday for a week's vacation.

Holiday visitors and tourists will make the coming week lively.

Machinery is being set up in the White Rock mill, which is soon to be started.

The Stonington school bus has again been forced from the country roads because of mud.

Norwich visitors to the Flower show in Boston this week are enthusiastic over its magnitude and beauty.

Ralph Hill, acting agent at the Abington station, motored to his home in Dorchester for the week-end.

Educational pictures were shown this week at Wright Club hall, to all the pupils and teachers of the schools in Sterling.

At Stafford Springs, Mr. and Mrs. Geno Panciera, of Westerly, have been guests of Mrs. Panciera's mother, Mrs. Louis Campo.

Choirs are busy rehearsing Easter music and special programs are being arranged for many of the church school classes.

John Ackley, of Poquonoc Bridge, has completed the spring spraying of apple trees in his large orchard in the North road.

Sufficient progress has been made on the new Baptist church building at Moosup so that the roof is now being closed in.

Henry C. Rowe, wealthy summer resident of Westerly and winter resident of Daytona, Fla., is to build a $150,000 home at Daytona.

It is mentioned that Mrs. Louis M. Carpenter, of Jewett City, and son, Kenneth, are visiting with Mrs. Jeannie Smith, of Westerly.

The delicate yellow genesta appeared Friday among the hyacinths, tulips, lilies and azaleas offered by florists for Easter buying.

Rev. T. D. Martin, of Hebron, is expected next Sunday night to preach a Lenten sermon at St. Paul's Episcopal church, Plainfield.

Encouraging reports come from the three Hope Valley woolen mills. The H. D. Bailey mill is still running day and night with good bookings ahead.

Dr. James H. Floyd, Registered Veterinarian, 142 Harland Road, Norwich Town. Phone 506.—adv.

When the mercury reached 72 degrees Friday afternoon the weather sharps shook their heads and predicted the rain, which came late at night.

Rev. Fr. George Clarke, of New London, delivered the sixth in a series of sermons at the Lenten devotions in St. Patrick's church, Mystic, Wednesday evening.

Attention is being constantly called to the fact that permits must be secured for the burning of refuse and brush in the open between March 1 and Dec. 1.

Tonight (Saturday) the third and fourth degrees will be worked at Quonochontaug grange, No. 48. The program will be in charge of T. J. Clarke.

County Commissioner Urgele Lafrance, of Central Village, has returned from St. Francis hospital, Hartford, where he has been receiving treatment.

Loyal Victory lodge, Bean and Salad supper in Steiner's hall, Saturday, March 23.—adv.

James K. Connell, of Norwich and Lord's Point, has applied for the office of postmaster at Lord's Point. Mr. Connell's name goes well recommended to the department at Washington.

The current Connecticut College News records that Mr. Bauer's new composition, "In Amorata," was played at the Garde theatre Sunday evening and was most enthusiastically encored.

Mr. and Mrs. H. S. Brooks have arrived in Spokane, Wash., where the former is employed and where they will make their home. Mrs. Brooks was Miss Evelyn Skinner, of Pleasure Beach.

For the annual bridge party, next month, of the Hartford chapter of New Rochelle college, to take place in the ballroom of the Hotel Bond, a member of the committee is Miss Helen Regan, of Rockville.

Word received in the Wheeler district from Ray P. Wheeler, who is working at Galt, Ontario, in the interests of the Atwood Machine company of Stonington, states that there is plenty of snow and cold weather in that section.

Former Gov. Alvan T. Fuller, of Massachusetts, said to be the choice to succeed Myron T. Herrick as this country's ambassador to France, one of the most coveted posts, is a cousin of Mrs. Eastman and the Misses Fuller, of Norwich Town.

Mentioned among guests when President and Mrs. Hoover gave a luncheon Wednesday for the members of the commission of inquiry in the Bolivia-Paraguay dispute were Capt. and Mrs. Wilson Brown (Lydia Almy Chappell, formerly of Norwich).

Ten pupils were awarded certificates for completion of the required work at Groton evening school at the closing exercises held at the Colonel Ledyard schoolhouse this week. The presentation of certificates was made by S. B. Butler, supervisor of schools.

OBITUARY.

Daniel J. Sullivan.

NEW HAVEN, March 22—(AP)—Daniel T. Sullivan, 42, proprietor of the Oneco hotel, a rendezvous for many years of politicians, died tonight of blood poisoning at St. Raphael's hospital. He was stricken several months ago and was brought to the hospital for an operation.

While owner of the hotel he entertained many prominent men of the country including Theodore Roosevelt and Oscar Underwood. Four years ago he sold the business.

He is survived by a widow, two sons and a daughter. He was a member of the Elks.

Why is a man always shy about making bold assertions when his wife is present?

PERSONALS

Miss Blanche Vincent of Plainfield was a recent visitor in Danielson.

Patrick O'Connell of Hallville was a recent visitor at his home in Westerly.

Mr. and Mrs. C. N. Hill of Norwich have been in Moosup, guests of Mrs. Ada Hill.

Mr. and Mrs. Allan Bogle of Taftville were recent callers an relatives in Westerly.

Mrs. Eugene Currier of Plainfield is recovering after an illness of several weeks at her home.

Miss Elsie Currier has returned to Norwich after having visited Mr. and Mrs. Eugene Currier in Plainfield.

Mr. and Mrs. Herbert F. Benjamin of Norwich were at Meander-Inn, their Lord's Point cottage, Tuesday.

Henry Hopkins and family have moved from Central Village to Norwich, where they have bought a place on Maple street.

Health Officer Benjamin N. Pennell of New London attended a meeting of leading physicians of the state in Bridgeport this week, when the treatment of pneumonia was discussed.

NEW LONDON MAN DIES IN NEW MEXICO

(Special to The Bulletin.)

NEW LONDON, March 22.—Word reached New London this afternoon of the death of Edward L. Streeter, Jr., in the Albuquerque, N. M., sanatorium, after an illness of more than two years. He was associated with the J. N. Lanoint Co. as manager from 1918 to February, 1925, at which time he resigned to go to Saranac Lake for his health. Later he moved to New Mexico. About a year previous to his resignation he developed symptoms of tuberculosis. Up to a little more than a year ago he was a member of the city council, recognized for his aggressiveness and efficiency. He is survived by his wife and two sons, all of this city. The body will be brought to New London for services, after which it will be forwarded to Orange, N. J., for burial. Mr. Streeter was a member of Brainard lodge of Masons and the Harbour club. He was one of the prime movers in the organization o fthe Masonic club, also was at one time one of the club's officers.

OBITUARY

Mrs. Charles L. Tracy

At 6:50 o'clock Friday evening, Mrs. Margaret Wilson Tracy, beloved wife of Charles L. Tracy, of No. 330 Main street, died at the W. W. Backus hospital, following a prolonged illness. Mrs. Tracy had been a patient at the hospital since Monday.

Mrs. Tracy was a native of New Bedford, Mass., where she was born February 2, 1865, daughter of Joseph and Margaret Kennedy Wilson. At Hartford October 23, 1889, she was united in marriage by Rev. Graham Taylor with Charles L. Tracy, who survives her. There are no children. Mr. Tracy is a well known linotype operator and has for years been employed by The Bulletin Co. He has the sincere sympathy of his numerous friends and acquaintances in his bereavement.

FUNERAL.

Ethel Roy.

At 8.30 o'clock Friday morning the funeral of Ethel Roy was held at the home of her parents, Mr. and Mrs. Arthur Roy, No. 49 Merchants avenue, Taftville. At the solemn requiem mass in Sacred Heart church at 9 o'clock Rev. Omer T. Mandier was celebrant, Rev. Frederick R. DesSureault, deacon, and Rev. Francis X. Chicoine, sub deacon. Miss Alice Frechette, organist, was in charge of the music.

Burial was in Sacred Heart cemetery and the committal service was conducted by Rev. Fr. DesSureault. The bearers were Harold Corcoran, Theodore Benac, Theodore Pepin, Albert Gaffney, George Adams and Julian Dion. There was a large gathering of mourners including a delegation from the Children of Mary society and there was a wealth of beautiful floral tributes. The funeral arrangements were in charge of Undertaker George G. Grant of Taftville.

Relatives and friends were present from Waterbury, Bristol, Hartford, Manchester, Plainfield, Green, R. I., Danielson, Willimantic, Norwich, New London, Pawcatuck, R. I., and Jewett City.

INCIDENTS IN SOCIETY

Mr. and Mrs. John Gordon, Jr., of New Rochelle are week end guests of Mr. and Mrs. Lucius Briggs, of Broadway.

Miss Virginia Smith is at her home, Oldelms, Washington street and will spend her Easter vacation from Smith college on a motoring trip to Atlantic City, Washington and Annapolis.

Miss Anna Lloyd Ely entertained with a charming luncheon for eight at Lighthouse Inn Wednesday, in compliment to Mrs. Robert Boisson.

In the hospital benefit series, Miss Lucy B. Abbott gave an evening progressive bridge of four tables, the prize being won by Miss Mary E. Rogers, of Oneco street.

Mrs. Harry Wright and children, of West Medford, Mass., are visiting Mr. and Mrs. Walter G. Hitchon, Jr., of East Town street.

Mrs. Flint Brayton, of Coit Lane has been in New York for several days this week.

Master George Wallace, of the Faye school, Southboro, Mass., is home for the Easter recess with his mother, Mrs. Elita Davenport Wallace, of Chelsea Court.

Mr. and Mrs. Charles D. Noyes, who have been at Miami during the season, have arrived at their home on Lincoln avenue.

Miss Mary G. Shannon and Miss Ella C. Shannon, of Norwich and Dr. and Mrs. Thomas Shannon, of Lakeville, will return Sunday from their winter home at Orlando, Florida.

When Mrs. Walter G. Hitchon, Jr., gave a hospital bridge of two tables the prizes went to Miss Nancy Colberg and Miss Villa Bussey.

The four-table Tuesday supper bridge club was entertained this week on Friday evening, Mr. and Mrs. Frank D. Davis of West Main street being the hosts. Mrs. Fred Sudlow and Albert S. Comstock were the prize winners.

In Big Merger

The Atlantic Coast Fisheries company, of which the Atlantic Coast Fisheries corporation of Groton and the Portland Trawling company of Groton are subsidiaries, has become the biggest fisheries concern in North America through absorption of the National Fish company of Halifax, capitalized at $2,000,000, and the Maritime Fish corporation of Nova Scotia.

Executive Sec. Kelly Broadcasts

March 17th during the Catholic hour over Station WICC, Bridgeport, Attorney Edward L. Kelly, a Colchester young man, tax attorney for the city of Bridgeport and executive secretary to His Excellency, Governor Trumbull, spoke upon the subject, "Ireland and St. Patrick."

When a clock is wound up it goes, but it is different with any other business.

SO. MANCHESTER RECTOR PREACHES LENTEN SERMON AT TRINITY CHURCH

Archdeacon James Stuart Neil, rector of St. Mary's church, South Manchester, delivered a stirring sermon Friday evening at Trinity Episcopal church, the concluding Lenten service at the church. He spoke upon the text, St. Mark 8:27, "And Jesus went forth, and His disciples, in the villages of Caesarea Philippi: and in the way He asked His disciples, saying unto them, Who do men say that I am?

The words of Jesus are always significant, said Archdeacon Neil. People say in reading these words that there is a sense of failure. Jesus saw about Him this wonderful world outside of Palestine. He was distinctly a provincial man. Can we say He was a failure? We should meditate on these words of Jesus because of the 11th sermon and 11th hour, which should be ours upon the words and the critical hour of life of our Master. We had better prepare ourselves for our journey in the hereafter.

We cannot say that Jesus had a sense of failure, continued the preacher. Jesus took no chances. He made no mistakes. At Caesarea Philippi there was a shadow of death. There was everything in that young life to keep. Yet He knew that the end was coming. Who do men say that I am? He put the question to His disciples. There they are at the cross roads of His career. He placed dependence upon 12 men. To them He gave the tremendous problem of transporting to the world what His life was to mean. He is supreme. He takes us to the world of the unseen, said the preacher.

FIVE DIVORCES GRANTED IN SUPERIOR COURT

Five couples, including one Norwich man, were divorced at the short calendar session of the superior court Friday at New London. Decision was reserved in one case by Judge Christopher L. Avery.

Charles Gudeahn, of this city, was given a divorce from Florence C. Gudeahn, of New London, on grounds of a statutory offense. They married Oct. 29, 1914.

The court granted Catherine Lewis McClue, of Groton, a divorce on the grounds of intolerable cruelty from Edward McClue, now an inmate of the Norwich state hospital for the insane at Preston, he having been found not guilty of indecent assault on the grounds of insanity and was sentenced to five years at the insane hospital. State Attorney Arthur M. Brown, who last week was appointed guardian ad litem for the defendant, told of the latter's being hailed twice into the superior court for indecent assault and of being given a chance the first time mainly because of his wonderful war record. McClue was for some time listed on the New London city honor roll as dead, a gold star having been placed after his name.

Hazel Leeds Green, of Lyme, was granted a divorce from Samuel E. Green on the grounds of desertion. They were married Nov. 24, 1915.

Fannie Parks Barnes, of New London, was given a divorce from Arland D. Barnes, formerly of New London, on the grounds of desertion. She was granted the custody of two minor children. They were married Oct. 9, 1924.

Rudolph Walter, of New London, was given a divorce on the grounds of desertion from Goodwin Anderson Walter. They were married Nov. 9, 1921.

Judge Avery reserved decision in the case of Viola Dalton, of New London, against Harold Dalton. They were married in July, 1922, and the action was brought on the grounds of habitual intemperance.

PRESIDENT APPRECIATED NORWICH WOMAN'S TELEGRAM

As a great admirer of President Coolidge and inspired by what others were doing, Mrs. Thurston B. Barber of Norwich Town sent a telegram of commendation and good wishes to him on the first of March, just as he was about to conclude his administration.

It was very pleasing to her and it will be to her many friends to learn that she received before the completion of his term the following response:

The White House, Wash.,
Mar. 2, 1929

My dear Mrs. Barber:

The president asks me to acknowledge on behalf of Mrs. Coolidge as well as himself your fine and friendly message of appreciation of his administration and your good wishes for the future.

Yours sincerely,
Everett Sanders
Secretary to the president.

Mrs. Thurston B. Barber,
Norwich, Conn.

INDIAN EXHIBITION OPEN ON SUNDAY

Over 2,500 persons have attended the exhibition of Indian craft at the Converse Art gallery during the last two weeks under the auspices of the Woman's City club. The majority of these were grade school children, who were taken by their principals and teachers from all the city schools, also from schools in the rural districts. Much interest has been shown by all who have attended. The exhibition was to have closed Friday night, but in view of renewed requests, it has been decided to allow it to remain open Sunday so that it may be seen that day from 2 till 5 o'clock.

CANTATA AT CENTRAL CHURCH GOOD FRIDAY

The Central Baptist church choir will Good Friday evening render Stainer's Crucifixion at the church. Choirs of local churches will assist in the programme. This cantata was sung four years ago on Easter Sunday. The programme is arranged for two solo voices, tenor and bass, with chorus, and hymns sung by the congregation. This year the programme will be given entirely by local singers and the solo parts will be rendered by Rev. Alexander H. Abbott and Frederick J. Maples.

HARPIST AT BAPTIST CHURCH SUNDAY EVENING

Louise Melvin Gellatly, of Boston, well known harpist, will appear at the Palm Sunday evening service at the Central Baptist church. She will render the following programme: "En Rive," Verdalle; "Jerusalem The Golden," Cheschire; "Chanson Sans Paroles," Dubez; "Reverie," Hasselmans; "Chanson de Maje," Hasselmans; "In the Garden," and "When I Survey," Rev. David A. Pitt, D. D. will preach on "Jesus Facing the Cross." At the Sunday morning service at the church the pastor will give the third and last message on the theme, "Building a Christian Character."

ST. ANDREW'S CHURCH HOLY WEEK SERVICES

Next week special Holy week services will be held at St. Andrew's Episcopal church, Thursday at 10 a. m. and on Good Friday. That day there will be a passion service, 1 p. m. to 3 p. m., and evening service at 7:30 o'clock.

Sent Body to Norwalk

The body of John J. Doyle of Noroton, who died in Norwich, was sent to South Norwalk for burial by Undertakers Cummings and Ring. Friday evening on the 3:25 o'clock train from Norwich. The body was accompanied by a brother, William J. Doyle of Westport.

New Bank Building

Invitations have been received in Norwich to the opening of the Brooklyn Savings bank's new building, Monday, April 1st.

NEW LONDON TAX RATE IS FIXED BY COUNCIL

(Special to The Bulletin)

NEW LONDON, March 22—A tax rate of 30 mills on the dollar has been fixed by the city council for the ensuing year. This is the same rate that prevailed in the year just passed. It provides for an increase of $6,000 in the expense of the police force, for salary increases of more than $2,000 in the employed pay in the municipal building and for a bond issue of $125,000 for the acquisition of land for the establishment of the Coast Guard Academy on the Thames. These are extraordinary expenses. The salary increases go to the following city employes and in the amounts stated: Thomas E. Troland, director of law, $500; John W. Sheedy, purchasing agent, $300; Miss Ella Howard, secretary to City Manager Holt, $250; Elizabeth T. Roath, assistant city and town clerk, $150; Jane McBride, clerk in the town clerk's office, $120. The increases in salaries for members of the police force go to officers who have been serving in class 3 as supernumeraries. They are, when the council approves of the increase, to receive the pay of patrolmen. They have served with fidelity at supernumerary duty for three years. The officers who get the increase are Lawrence Fardy, Louis Wheeler, Arthur Feeley, Cornelius Moriarty and Albert Iverson.

CATHOLIC BISHOPS' SPRING APPOINTMENTS

The appointments of the two Catholic bishops of the state, Bishop Nilan and Bishop McAuliffe, of Hartford include for eastern Connecticut:

April 28—Jewett City, Saint Mary's, Blessing of school, 3:00 p. m.

May 19—Montville, Saint John's, Confirmation, 10:30 a. m.

19—Taftville, Sacred Heart, Confirmation, 4:00 p. m.

June 2—Grosvenordale, Saint Joseph's, Confirmation, 10:30 a. m.

2—Quinebaug, Saint Stephen's, Confirmation, 3:00 p. m.

9—Mystic, Sain Patrick's, Confirmation, a. m.

9—New London, Saint Joseph's, Confirmation, 4:00 p. m.

16—Moodus, Saint Bridget's, Confirmation, a. m.

Delegate to Grand Lodge

Michael H. Roberts, of Keefes Plains, retiring exalted ruler of Rockville lodge of Elks, has been elected delegate to the session of the Grand lodge to be held in Los Angeles, Cal., next July. Past Exalted Ruler George H. Williams of Manchester will go as alternate.

Judge Wm. H. Heald was in Worcester on business Thursday.

Miss Carrie Goodwill of Springfield, Mass., was a recent guest of Mrs. Mae Reynolds in Stafordville.

Miss Lucy Giroux, formerly of Providence, who has just returned from St. Petersburgh, Florida, is visiting at the home of Mrs. Robert Pallanck.

SMALL GIRL SLIGHTLY INJURED BY MACHINE

Mildred Defresne, 4, of Twelfth street, was slightly injured near her home Friday, when she was struck by a Hudson sedan owned and operated by Mrs. Corina Roucher of No. 106 North Main street. The child was attended by Dr. N. B. Lewis for minor scratches on the hand.

MERCIER ASSEMBLY MAKES PLANS FOR DANCE

A meeting of the Easter Monday dance committee of Mercier assembly, C. L. of C., was held Friday evening in the assembly rooms. The dance for which arrangements are almost completed is to be held in the new assembly hall in the T. A. B. building. The committee has planned beautiful decorations for the occasion.

Presented Gavel.

At the recent meeting of Clara Barton tent, Daughters of Union Veterans, a gavel was presented to the president, Mrs. Lawrence Hoffman, for the use of the tent. The gavel was made and given by O. A. Fairbanks.

DUDLEY LEADS FIELD FOR FIRST 36 IN LA GORCE

MIAMI BEACH, Fla., March 22—(AP)—A steady, brand of golf on the fairways overcame weakness on the greens to place Ed Dudley, Los Angeles, ahead of a field of 65 at the half way mark today in the 72-hole $15,000 La Gorce open golf tournament. Dudley's score was 68-75—143, his morning round having established a low mark for the day.

Dudley outdistanced Horton Smith, Joplin, Mo., three strokes at the end of today's play over the wind-swept La Gorce Golf club course. Smith went into a tie for second position with Harry Copper, Buffalo, and Billy Burke, West Port, N. Y. The Missourian still was well behind the leaders until the last nine holes when he scored a 32 over the heavily trapped course for a card of 75-71—146. Copper had 72-74—146, while Burke shot a pair of 73s.

Johnny Farrell, St. Augustine, Fla., defending champion, had 74-73—147, to tie with his playing partner, Gene Sarazen, Newports Richey, Fla., whose score was 75-72—147, and Jimmy Thompson, Knoxville, Tenn., with 74-73—147.

Wild Bill Mehlhorn, White Plains, N. Y., finished next with a 72-76—148, equalling the mark of Al Espinosa, Chicago, who duplicated Mehlhorn's morning and afternoon scores.

Walter Hagen, Detroit, British open champion, went into a tie at 149 with Willie Klein, La Gorce professional; Al. Watrous, Detroit; Tony Manero, New York, and Clarence Hackney, Atlantic City.

Dudley today was one stroke behind his 142 of yesterday, which brought him into a four-cornered tie for qualifying honors. The morning round netted the Californian birdies, the result of his great work on the fairways. Going out on the morning round he took 31 but required 37 coming home.

Again facing a strong wind, he took a 39 for the first nine holes in the afternoon, but ended the day with a 36, playing all holes in par.

Henry Chuci, Bridgeport, Conn., had 76-75—151.

Massie Miller, Norwich, Conn., had 85-77—162.

SCHAAF BEATS AL FRIEDMAN AND KID CHOCOLATE WINS

BOSTON, March 22—(AP)—Ernie Schaaf, of Boston, the ex-sailor heavyweight, gained the decision over Al Friedman, of Boston, by outslugging him here tonight in the ten-round feature contest of the Boston Garden's all-star show. Schaaf made Friedman, who held him to a close decision several weeks ago, digest a vicious beating in each of the rounds. Schaaf weighed 194 pounds, six more than his opponent.

The sensational Kid Chocolate, the Cuban bantamweight, made an impressive Boston debut by technically knocking out Johnny Vacca, of Boston, in the ninth round of their ten-round bout. Chocolate was much too speedy for the Boston boy, who failed to find him with a single blow until the referee ended the struggle by waving him to his corner.

The Cuban dropped Vacca for no count in the opener and during the other eight rounds cut his face to ribbons with a vicious left jab and a murderous right hook. The Boston boy fought gamely and only his grit carried him beyond the fourth round, during which Chocolate staggered him twice with an overhand right punch.

Jack McVey, of New York, spotted Arthur Flynn, Lawrence, middleweight, a good 15 pounds and gained a technical eight-round knockout by cutting Flynn's eye seriously in the third ten-round bout.

Pete Lucci Wins

BRIDGEPORT, March 22—(AP)—Pete Lucci, 122, of Clinton, Mass., knocked out Harry Roberts, 121, of New York city, in the first round of the feature bout at Redmen's hall here tonight.

COLUMBIA

The meeting of Columbia grange was held Wednesday evening, 36 patrons being present. During the lecturer's hour it had been planned to hold a debate on Whether Women Should Serve on Juries, but two of the debaters were unable to be present owing to the bad going so the question took the form of a general discussion, opened by Representative and Mrs. Collins, who had been present at the hearing held in Hartford Wednesday on that question. Following this there was a brief St. Patrick's day programme. The lecturer announced that Columbia grange was invited to attend Bolton grange, May 10th and furnish two numbers on the program. It was voted to accept the invitation; also voted to purchase two dozen new song books. The next meeting, April 3, will be an April Fools' party, and all are to come in costume for the grand march. It was announced that there would be no whist part next week, it being postponed one week.

Howard Squiers, a member of the local grange, was one of the judges at Andover grange Monday evening when a competitive program was put on.

Roland Smith was taken to St. Joseph's hospital Wednesday, suffering from an attack of what was diagonsed as appendicitis. He had been ill for several days.

A large delegation went from Columbia to the Capitol Tuesday to the hearing regarding state aid for dirt roads. It is stated that the contract will be given early in April for the connecting links between Lebanon and Andover to complete the Jonathan Trumbull highway. This highway will pass through Columbia Green.

Grass on a lawn on the Green was on fire during the afternoon of Tuesday, causing excitement as there was a strong wind blowing. It is thought a passer-by carelessly dropped a match or lighted cigarette.

There is interest here in the little son born at Willimantic to Mr. and Mrs. Alton Lathrop of Manchester, as Mrs. Lathrop was Miss Ruth Turner of Columbia.

HANOVER

Many signs of spring are noted by the large numbers of birds seen on the lawns, the brown grass changing to green south of the houses, and crocusses and tulips appearing in several flower gardens.

The suggestion so often seen as to beautifying plots of ground adjacent to the travelled portion of the highway has been duly heeded by Ernest House in the erection of a rose arbor on the property line just north of his home.

Mr. and Mrs. Edward Tucker have been visitors in Brooklyn, N. Y.

The March meeting of the Missionary society of the Congregational church was held in the Parish house Wednesday afternoon at 3 o'clock. The leader was Mrs. Frederick W. Lebourveau. Mrs. Merton Brownell, Mrs. George Gesner and Mrs. George Westland were hostesses. A very successful food sales was held at the close of the meeting under the auspices of the Ladies' Guild. The president, Mrs. Allison W. Ladd, had charge of the Missionary meeting.

Miss Addie Smith, who has been visiting her sister, Mrs. Webster W. Standish, returned Sunday afternoon to New London to be with her sister, Mrs. George Fenner.

Norman Standish of Baldwin, Long Island, spent the week-end with his mother, Mrs. Webster W. Standish, going to Hartford Monday morning to attend the funeral of his cousins, Edward Bingham and Mrs. Bingham, who lost their lives in an automobile accident near Willimantic the previous Thursday.

Miss May Gay of Norwich was a recent guest at the Crombie home.

A number of local people were fortunate in being able to hear Lawrence Tibbett at Slater hall last Friday evening. Several went by the way of Norwich Town and partook of the bountiful supper furnished at the Congregational chapel.

Frank Babeck and Oswold Morecroft are driving new combination trucks.

The peepers gave their first concert Saturday night, and got their first of the three freezes before daylight Sunday.

He Handles The King's Bankroll

Sir Edward Ponsonby, "Keeper of the King's privy purse," and former Assistant Private Secretary to Queen Victoria and King Edward. Every penny the British monarch receives or pays out goes through Sir Ponsonby's hands, and he alone knows to a penny just how much the King is worth. He was recently decorated by King George with the Knight Grand Cross of the Bath.

Before and After Childbirth

"I took Lydia E. Pinkham's Vegetable Compound before my first baby was born and I am taking it now for my weakened condition after the birth of my second boy. Although I never have put on any flesh I am feeling good now and the Vegetable Compound has helped me in every way. It is surely a wonderful medicine and I will be glad to answer letters for I recommend it highly."—Mrs. Fred W. Davey, Madison, Kansas.

Lydia E. Pinkham's Vegetable Compound

ALL-HELLER TEAM PLAY DANIELSON TOWNERS AT DANIELSON TONIGHT

The final game for the Danielson Town team before they engage the Plainfield Pros in a series to close the season will take place at the Danielson Town hall tonight when the Towners meet the famous All-Heller brother team of Willimantic.

The Heller brothers are perhaps the only brother basketball team in this part of the country and are especially well known for their athletic prowess throughout Connecticut.

Sam, the eldest of the brothers, was star forward on the Brown university basketball team for the past three years. He also was a member of the baseball and soccer teams at that institution. Sam is now a first year student at Harvard university law school.

Abe, the next member of the family was on the Brown university basketball squad but left to become head coach of basketball at Hope high school, one of the largest high schools in Providence. He was also star guard on the championship Providence Y. M. H. A. quintet. Abe graduated from Brown and is now in his second year at Harvard law school.

"Hymie," the third member of the family, is perhaps the most noted of the brothers. He has played end on the Brown university football team the past three years and is one of the original Iron Men of Brown fame. He has also been the mainstay at guard on the Brown university basketball team for the past three years. "Hymie" will complete his course at Brown in June and intends to enter Harvard medical school in September.

Harry, the fourth member of the family was a mainstay on the Windham high school basketball team and a member of the basketball squad at Columbia university School of Pharmacy.

Max, the youngest member of the family was football captain at Windham high school last year, was picked on the All-State football team two years ago. He also was picked as a forward on the All-State team at the Yale basketball tournament two years ago. Max is now at Williston academy and going great guns. He played fullback on the Williston football taem and was high scorer of the season for prep school backs in central and western Massachusetts. During the season just closed, Max was the mainstay at forward on the Williston basketball team, averaging about 12 points per game for the season. Next year, the youngest member of the Heller family intends to enter one of the leading New England colleges.

All of the brothers were star performers in basketball, baseball and football while at Windham high school and have also made names for themselves in the college athletic world.

The "Heller Brothers" present a neat appearance on the basketball court, being neatly uniformed in blue, with the name "Heller" written across the front of the jersey and the name of each brother printed in black letters on the back.

This season the brothers have played 14 and won 7 games, playing some of the fastest teams in New England and New York. No team, except the Philadelphia Colored Giants has beaten the Heller brothers by more than 3 points. The brothers lost 5 of their 7 games this season to teams by a margin of between 1 and 3 points. In the other 2 games lost they were defeated by the Philadelphia Colored Giants who won out by margins of 7 and 10 points in very exciting games.

Wherever they have played the "Brothers" have been able to attract capacity crowds, and at Gloucester, Mass., when they played a return game there, they were forced to turn away several hundred fans.

This will be the last game of the season for the Heller brothers, who are able to be brought together due to the fact that their Easter vacation starts this week. Basketball fans in eastern Connecticut should be certainly fortunate in being able to witness such an attraction before the season closes. The brothers are not only exceptionally fast, but also clever dribblers and passers. Fans in this section should not miss this rare opportunity of witnessing one of the best basketball attractions in New England basketball circles.

HOWLAND HAS EDGE ON KOJAC IN SWIMMING MEET

PRINCETON, N. J., March 22—(AP)—Johnny Howland, Yale's swimming star, was leading George Kojac, Rutgers and Olympic luminary, for honors tonight as the preliminary heats in the intercollegiate swimming championships were concluded tonight.

Howland earned the right to compete tomorrow in the 50 yard dash, the hundred, in which he is defending last year's title, and the 220 yard swim as the result of his outstanding performances. Kojac, former New York high school star, who won the Olympic backstroke last summer, scratched his entries in all events in which he might possibly meet Howland and was satisfied with qualifying in the backstroke and the 40 yard swim.

When the preliminaries were completed, Yale had an edge in the number of men qualified for the finals, with eight to its credit, Rutgers was second with 7, Princeton third with five, and then followed Dartmouth and Syracuse with three each, Fordham with two and Brown, Penn and Williams, each represented by a single finalist.

In the finals of the 100 yard dash, Howland of Yale was clocked in 55.2 and Turner of Princeton and Johnson of Rutgers tied for second just behind him in one of the closest races of the day. Ted Moles, Princeton sophomore, defeated Schott of Williams, who is defending the title he won last year in the 200 yard breaststroke.

Kojac had little trouble in winning his qualifying heat in the backstroke tonight and loafed along during the last part of the distance.

ATHLETICS BEAT MONTREAL IN WEIRD 10-INNING BATTLE

DAYTONA BEACH, Fla., March 22—(AP)—The Philadelphia Athletics defeated Montreal (International) in a near-record 10-inning ball game today, 27 to 18. The 45 runs were produced by a total of 42 hits, an even two dozen being made by the Athletics. Highlights of the engagement were Fowler's homerun, scoring three Montreal runners ahead of him; Eddie Collins' triple and base stealing; Conley's steal of home in the ninth bringing the score even with the Athletics, and a flock of wild pitches. The Americans hammered the ball for nine runs in the tenth and held Montreal scoreless. The score:

Phil. (A)	111	700	143	9—	27	24 5
Mont. (Int.)	220	411	602	0—	18	18 1

Bolen, Cramer, Jones, Diesenroth, Orwoll, Shores and Perkins; Glowacki, Thormahlen, D. Miller, Hartman and Roach.

ST. MARY'S-SCHENECTADY TO MEET FOR EASTERN TITLE

GLENS FALLS, N. Y., March 22—(AP)—St. Mary's high school of Westfield, Mass., and Schenectady high school, of Schenectady, N. Y., won their way to the final in the Eastern States Basketball tournament here tonight.

Schenectady defeated Emerson institute of Washington, Dec., 24-18 in the first game of the semi-finals, while St. Mary's outplayed Hun Prep school of Princeton, N. J., 17-16 in the second and last game of the night. The two victors will play for the championship tomorow night.

A description of the game will be broadcast through station WGY, Schenectady.

Hamilton Takes Gulf States Title

BILOXI, Miss., March 22—(AP)—Don Hamilton, Olympia Country club, Chicago, gained the title in the 36 hole finals of the Gulf States Golf tournament today by defeating Don Armstrong, Aurora, Ill., defending title holder, 1 up on the 37th hole.

Hamilton's medal score was 38-36—74 and 39-37—76; and Armstrong's 37-38—75, and 36-39—75.

Academy Practice Monday

Outdoor practice for the Academy baseball squad will start early next week, weather permitting, probably on Monday. During the past few days batterymen have been working out at the campus.

HIGH SCHOOL SPORTS

Windham high does not view the coming baseball season with bright prospects. Fourteen games are scheduled.

Westerly expects a good baseball year if it can find a pitcher.

Chapman Tech has a big schedule for the coming diamond campaign, 18 games. It's a long one but doesn't contain many tough assignments, from the pre-season viewpoint.

Bulkeley is banking on Petroskey to be its pitching hope this season. Bulkeley has visions of turning the tables on the Academy this year.

Stonington has what looks like a fairly average team, viewed from this distance. Stonington beat the Academy last year, they were the only ones to do it in the regular season.

The Academy, the champions, and their many followers, are not much perturbed over boasts of the other five members of the league. The three-times league and two-times state champions will make a fight of it, anyway.

DEMPSEY SIGNS FOR TWO YEARS WITH FUGAZY

NEW YORK, March 22—(AP)—Jack Dempsey, the big mystery man of pugilism for the past year or more, unmasked today to reveal that his future in boxing will be coupled for two years with the promotional ventures of Humbert J. Fugazy.

The former heavyweight king thus set himself up in the boxing business as a partner of the chief rival of Madison Square Garden, the sport organization his fists helped build for the late Tex Rickard. Dempsey got his first taste of promoting when he staged with William F. Carey, new president of the garden, the Miami Beach match between Jack Sharkey and Young Stribling.

Today Dempsey signed an agreement whereby he and Fugazy will promote matches wherever the scenery throughout the country seems inviting. Although the Garden controls both major league ball parks in New York, the new combination promises an open air site for outdoor spectacles within the city limits. An indoor arena capable of seating 25,000 will be built here to rival the Garden during the indoor season Dempsey said.

Neither Dempsey, Fugazy, nor Edwin Cole, financial agent who will control the purse strings of a corporation as yet un-formed, would discuss the money involved in the deal. It is understood, however, that Dempsey has been guaranteed a salary of at least $10,000 a year plus a generous percentage of the profits.

The former champion, who failed to come to financial terms with the Garden corporation, was silent as to any plans he may have for fighting again.

Not content with battling the Garden for supremacy here, Fugazy declared that the new team will amount to an "international combination", ready to stage fistic shows and sport festivals wherever sufficient financial prospects call. There will be one set of headquarters in Detroit, which Dempsey hopes to make a leading fight center. An invasion of Germany is contemplated to show Max Schmeling to the home folks against the best available American heavyweight.

Dempsey and Fugazy announced the signing of Sammy Mandell, lightweight champion, and Ray Miller, blonde Chicago clouter, for a title match in Detroit in June. The bout probably will be staged at Navin field, home of the Detroit ball club.

Y EMPS CLASH WITH BROTHERS OF JOSEPH TONIGHT

At the Y. M. C. A. court tonight the Y Emps take on the Brothers of Joseph team of the Church league in what is expected to be a fast game. Both the Emps and the Brothers have strengthened their lineups for this game.

The Emps will have Lynch and Economous at the forward berths, Berghinzo at center and Stevens and Murphy at guards. The Brothers will have Henschel and Pierson, forwards, Goldstein, center, Slosberg and Volowitz, guards.

In the preliminary game the Pioneers clash with the Baltic Speedboys. The preliminary starts at 7:30 and the other game an hour later.

INTERSCHOLASTIC LEAGUE MEETING HERE MONDAY

An application of the Robert E. Fitch high school of Groton for entrance to the league will be taken up at the spring meeting of the Eastern Connecticut-Western Rhode Island Conference Monday evening at the Wauregan hotel. This school will be opened in September.

Awarding of the basketball championship to Chapman Tech and issuance of the official final standing of the league will also be made.

KOZIOL WINS THREE FIGHTS IN LAST APPEARANCE AS AMATEUR; QUINN WINS

PROVIDENCE, March 22—(AP)—Al Koziol, of Norwich, winner of several amateur boxing tournaments, celebrated his final appearance as an amateur here tonight with one decision and a pair of one-round knockouts. Among his victims was Tony Ruggerio, of this city, who eliminated him in

AL KOZIOL

the state championships early this month. Koziol has won three fourths of his 70 or more contests by quick knockouts. He has turned professional.

Finals:

112 pounds: Tony Moretti, Westerly, defeated Samuel Caro, Boston, decision.

118 pounds: Pat James, Brown university, defeated William Gomes, Middleboro, decision.

126 pounds: James Quinn, Norwich, Conn., defeated Joe Sposato, Westerly, decision.

135 pounds: Al Koziol, Cranston, knocked out Frank Malefronte, Bristol, one round.

147 pounds: Joe Venuti, Boston, knocked out Al Rivard, Fall River, one round.

160 pounds: Philip Gingerella, Westerly, knocked out Fred Goguen, Leominster, first.

Heavyweight: Fred Robillard, Fall River, defeated Nick Hurnack, Newport, decision, extra round.

LEAGUE GAME AT J. B. MARTIN GROUNDS

A big crowd is expected to be on hand Sunday afternoon at the J. B. Martin frounds when the Velvetmen clash with the fast traveling Bradford F. C. The team is composed of first class soccer players, the outstanding being the Weall brothers and Yates. These men need no introduction to Taftville soccer fans as they have played here on several occasions.

The J. B's are are to have a practice session this afternoon in order to be in tip top form for the game. They are still smarting under the setback they got in Bradford last Sunday and intend to be on the long end of the score this time. The team will be chosen from among the following players: Orcutt, Greenhaigh, Hargreaves, Labenski, Headon, Eccleston, Joubert, Seidel, Erickson, Decelles, Houston Thompson, Bjork, Mathers, Bember. Referee, F. Knowles. Kick off 2.30 p. m.

BOROTRA AND HUNTER TO MEET IN FINALS TODAY

NEW YORK, March 22.—(AP)—For the first time this year rival stars of the French and American Davis cup teams are to meet tomorrow with a major championship at stake. Jean Borotra and Frank Hunter crashed through their semi-final matches in straight sets today to qualify as finalists for the national indoor tennis crown.

Playing simultaneously on adjoining courts before an enthusiastic crowd of 800 at the 107th Regimen armory, Borotra defeated Bill Aydelotte of New York, defending titleholder, 6-1, 61, 6-0 and Hunter downed Julius Seligson of Lehigh, intercollegiate champion, 6-, 6-3, 6-2.

LOUGHRAN ABLE TO MAKE 175 FOR WALKER

CHICAGO, March 22—(AP)—Tommy Loughran, world's light-heavyweight champion, revealed today there was no doubt concerning his ability to make the class limit of 175 pounds when he jumped on the scales with a heavy towel wrapped around his mid-section, and failed to move the beam at 178 pounds.

The Philadelphian declined to show how much less he was under the 178 pound mark, but the general guess was that he weighed around 177. That means, with his championship match with Mickey Walker in the Chicago stadium six days away, he has less than three pounds to take off before they weigh in next Thursday afternoon. He says it will be easy for him to make the weight.

A crowd of more than 2,000 packed the gymnasium to witness the weighing. The doubters who claimed that Tommy was no longer a light-heavyweight and that he might be forced to surrender his title by failing to make the weight, were fooled.

Loughran boxed five rounds with two Negro sparring mates, skipped the rope, punched the bag and did some shadow boxing, equivalent to ten rounds of work before he jumped on the scales.

Walker is due to arrive tomorrow to finish his training. The middleweight champion will be met in championship style with a jazz band and a parade to his hotel.

Leo Lomski, who meets Tuffy Griffith in the 10-round semi-final, began sharpening up his punches wiht a three round workout today.

RED SOX HAND BRAVES BEATING IN EXHIBITION

ST. PETERSBURG, Fla., March 22—(AP)—The Boston Red Sox handed the Boston Braves a 7 to 2 lacing in an exhibition game here this afternoon.

Manager Bill Carrigan used Morris, Russell and Ruffing against the Braves, who were held to four widely scattered hits. "Rabbit" Maranville and Collins dividing batting honors, each getting a pair of safeties, the former a double in the ninth.

Brandt and Smith worked for the Braves and held the visiting squad to six hits but five errors were costly, four being in the fourth when the Red Sox scored five runs on one hit. The score:

Boston (A)	020	500	000	—7	6	1
Boston (N)	001	100	000	—2	4	5

Morris, Ruffing, Russell and Berry; Brandt, Smith, Collins and Legett.

GRANTHAM'S HOMER IN NINTH WINS FOR PIRATES

SAN FRANCISCO, March 22—(AP)—A home run by Grantham, left fielder with one man on base and Bartell's double scoring another runner brought the Pittsburgh Pirates a 4 to 2 victory over the San Francisco Missions in today's exhibition game.

The Pirate rally came in the ninth inning after the Missions had led from the third frame. The score:

Pitts. (N)	000	100	003	—4	10	1
San Fran. (C)	002	000	000	—2	10	1

Grimes, Brame, Spencer and Hemsley; Pillette, Cole and Brenzel, Hoffman.

TWO SPILLS FEATURE BIKE RACE AT CHICAGO

CHICAGO, March 22—(AP)—Two bad spills marred today's sprints in Chicago's six day bike race, but no one was seriously injured and three teams continued their deadlock for first place.

The leaders are Reggie McNamara-Harry Horan, Bill Grimm-Dave Lands, and Alfred Letourner-Paul Brocardo-McNamara and Horan had a slight margin.

In the first spill today, McNamara and Paul Crowley crashed and both had to be carried to their cots. After a short rest, McNamara continued only to crash into Debaets when he blew a tire. Debaets was injured so severely that the race was called off for thirty minutes before a physician patched him up so he could continue.

Rainville Wins S. A. Title

AUGUSTA, Ga., March 22—(AP)—Marcel Rainville, Canadian champion, defeated Jack Mooney of Atlanta, here today for the singles tennis championship of the South Atlantic states, 4-6, 6-2, 6-3, 6-4.

Miss Eleanor Cottman of Baltimore and Mrs. Harrison Smith of Philadelphia, won the women's doubles championship, beating Mrs. DeForest Candee and Mrs. Stokes Weaver, both of New York, 6-4, 8-4.

Suggs Outpoints Hindley

WORCESTER, Mass., March 22—(AP)—Chick Suggs, veteran Newport Negro, outpointed Billy Hindley, clever defensive featherweight boxer from England in a ten round session here tonight. It was a rather tame fight with the British lad contenting himself with staying on the defensive most of the way. Each weighed 128 pounds.

PHILLIES WIN SECOND GAME FROM DODGERS

WINTER HAVEN, Fla., March 22.—(AP)—The Phillies out-mauled Brooklyn by 9 to 4 here today for their second victory over the Flatbush team in as many starts. Doug McWeeny, who started for the Robins, was wild, and Jim Richardson, his immediate successor, also was ineffective. The score:

Brooklyn (NL)	002	000	020	—4	8	1
Phila. (NL)	110	250	00x	—9	5	0

McWeeny, Richardson, Pattison, Koupal and Lopez, Gooch; Walker, Holloway, Derham, Fine and Davis, Susce.

DUNDEE NO LONGER WELTER CHAMP OF N. B. A.

CHICAGO, March 22—(AP)—Joe Dundee will no longer be recognized as the world's welterweight champion by the National Boxing association, President Paul Prehn ruled today. Dundee failed to meet the requirements of the N. B. A. which demanded that he sign for a title bout with a logical contender by March 21.

Sammy Mandell, lightweight ruler, was granted an additional three months to defend his title on the plea that he was recovering from an injury received in the ring.

ST. JOSEPH AND CATHOLIC CENTRAL IN FINALS

PITTSFIELD, Mass., March 22—(AP)—St. Joseph's high, of this city and Catholic Central high, of Troy, N. Y., tonight won the right to meet tomorrow night in the finals of the third annual Catholic scholastic tournament being held here.

St. Joseph's defeated Mount St. Charles academy, of Woonsocket, R. I., 22 to 14, and Catholic Central won over Cathedral high, of Springfield, 25 to 24, in the semi-finals.

Catholic Central high won the tournament last year.

Cambridge is Favorite

PUTNEY-ON-THAMES, March 22—(AP)—Cambridge university with a boat load of seasoned oarsmen, and an unbroken sequence of five victories to her credit, not to mention nine wins in the last ten races, is the favorite crew for the centenary celebration of the English university classic, the Oxford-Cambridge boat race tomorrow morning.

SPORT SLANTS

By ALAN J. GOULD
(Associated Press Sports Editor)

NEW YORK, March 12—(AP)—Once a college acquires the idea it can turn out championship basketball teams, there seems no way to discourage it. Witness the sectional triumphs of such aggregations this winter as the University of California, the University of Arkansas, University of Oklahoma, North Carolina State and the University of Pennsylvania. It is a habit with these outfits.

California's Golden Bears, by knocking off Washington in the play-off at Seattle, captured the Pacific coast conference honors for the fifth time in six seasons. Arkansas has lost only one southwestern conference game in two years and now holds the title for the fourth successive time. Oklahoma has made it two in a row, although its activities this season were restricted to the big six group for the first time as a result of the old Missouri valley conference break-up. North Carolina state has won five of the last nine southern conference titles.

At Pennsylvania, where the influence of the famous McNichol family of stars carries on with Eddie McNichol as coach, the Quakers have possession of the eastern league crown for the second straight year and eighth time in league history.

USUAL FRIDAY DULLNES IN THE ASSEMBLY

(Continued from Page One)

imprisoned not more than six months or both.

A law that will be of interest to physicians is the one reported by the judiciary and was passed today. It provides that:

Any person who shall hold a certificate of qualification to practice medicine and surgery granted by the national board of medical examiners shall be exempt from so much of the provisions of section one of chapter 317 of the public acts of 1927 as requires that he shall have been in actual practice for a period of three years.

But one committee was holding hearing today. The committee on public health and safety had two bills before them concerning the manufacture and sale of mattresses. A bill affecting dealers as well as manufacturers, it provides for sterilization and tagging with dates.

SENATE

The senate was called to order at 11:25 a. m. by Lieutenant-Governor Ernest E. Rogers. Prayer was offered by Chaplain Ayer. Senator Vincent W. Dennis of Hartford presided when the lieutenant-governor had to leave.

Substitute for house bill No. 688, concerning the appointment of tree wardens and providing for the care of trees, favorably reported by committee on state parks and reservations, was tabled in the absence of Senator Durant of Guilford.

Senate Bill No. 164, amending an act concerning investments by savings banks, favorably reported by the committee on banks, was passed. It would permit banks to invest in certain railroad securities up to 6 per cent of its surplus and deposits and not over 2 per cent in any one company.

Senate Bill No. 167, amending an act authorizing investment by savings banks in the bonds of certain public service companies, favorably reported by committee on banks, was passed.

Substitute for house bill No. 409, concerning the detention of violently insane persons, favorably reported by judiciary committee, was tabled at the request of Senator Peasley of Cheshire to enable ihm to confer further with the committee.

Substitute for house bill No. 577, amending the charter of the Aetna insurance company, favorably reported by the committee on insurance, was passed. It authorizes an increase of the company's authorized capital stock to $20,000,000, and provides for a par value of $10 for the stock.

Substitute for house bill No. 804, requiring the bonding of collection agencies, favorably reported by the judiciary committee, was passed after Senator Peasley pointed out that merchants had lost large sums of money by turning bills over to collectors who made a hasty collection and disappeared.

Governor Trumbull's nomination of Senator Robert E. Hyde, of Ellington, to be a member of the state milk regulation board was referred to the committee on executive nominations. Under suspension of the rules, Governor Trumbull's appointment of Frank A. Waters, of Middlebury, as New Haven county commissioner, was ratified. He will serve four years from October 1, 1929.

S. B. No. 243, from committee on public health and safety, concerning the practice of optometry, providing for three-year educational qualifications for practice in this state.

S. B. No. 244, from public health and safety committee, concerning the pollution of waterways by sewage, providing for investigation and supervision of sewage discharge by state health department.

S. B. No. 19, providing for attachment of funds due under contract for state highway improvement, and withholding payments of funds due under contracts by highway commissioner for roads and bridges of 15 per cent. of contract price for 60 days after completion of contract and filing claims of sub-contractors against this sum.

S. B. No. 478, concerning reports by physicians of contagious diseases, requiring reports of names, occupations, etc., of veneral disease patients, employed in handling food. Reports by public health and safety committee.

S. B. No. 502, authorizing purchase and contracts against appropriations for ensuing fiscal year, from appropriations committee.

The senate adjourned at noon until Tuesday, at 11:15 a. m.

HOUSE

The house was called to order at 11:18 by Speaker Eddy and prayer was offered by the house chaplain.

Unfavorable reports were made by the cities and boroughs committee on H. B. 731, an act amending the charter of Naugatuck, concerning police pensions; H. B. 723, an act amending the charter of the borough of Naugatuck, providing for chief and assistant engineers in the fire department of that town; H. B. 329, an act providing for board of education consisting of 12 members to be elected; H. B. 38, providing for changes in board of relief.

Unfavorable reports were received from the finance committee on H. B. 350, an act providing a salary of $6,000 and traveling expenses for state auditors; H. B. 513, an act authorizing the town of Hebron to issue bonds to the amount not exceeding $12,600 to pay outstanding issue; from cities and boroughs committee on H. B. 721, an act providing for sewage and drainage system in the town of Fairfield; H. B. 194, providing for power to establish precincts and to change voting districts; H. B. 322, amending the charter of the Point of Woods association; H. B. 711, providing for appointment of superintendent of highways and bridges in the town of Fairfield by the selectmen; H. B. 197, providing for city engineer to be employed by common council; H. B. 266 was favorably reported by roads, bridges and rivers committee, including in the trunk line system the road from East Granby center to East Hartland.

The bill relating to the pensioning of two women employes of Bridgeport, rejected yesterday, came back from the senate with requests for a committee of conference as nobody insisted upon the passage of the bill. The fish and game committee, change of reference of H. B. 766 to the judiciary committee as it involved condemnation proceedings.

The use of the hall of the house was granted to the roads, bridges and rivers committee on Thursday, March 28, at which it is expected a large number will be present on a bill repealing an act concerning a trunk line highway in Fairfield county.

Bills passed from the calendar were:

H. B. No. 495. An act authorizing the town of Hamden to create zoning districts. Favorable report of the committee on cities and boroughs.

Substitute for H. B. No. 135. An act concerning cruelty to animals. Favorable report of the committee on the judiciary.

Substitute for H. B. No. 234. An act concerning the Hartford County Bar Library association. Favorable report of the committee on the judiciary.

Substitute for H. B. No. 466. An act amending an act concerning industrial banks. Favorable report of the committee on banks.

Substitute for H. B. No. 472. An act concerning indorsement for compensation by directors of banks. Favorable report of the committee on banks.

H. B. No. 592. An act concerning qualifications for registration to practice medicine and surgery. Favorable report of the committee on the judiciary.

Substitute for S. B. No. 445. An act amending an act concerning the exposure of poison. Favorable report of the committee on the judiciary.

Before adjournment, the speaker requested the chairmen of committees to meet him and the house leader, that they might check up on the number of bills unreported. At 11:34 the house adjourned till Tuesday, March 26, at 11:15.

ANNOUNCEMENTS

First Ev. Lutheran Church.

Services and meetings next week at the First Evangelical Lutheran church will include a German service Wednesday evening at 7.30 o'clock; English communion Thursday evening at 7.30 o'clock. German communion Good Friday at 10.20 a. m., English service at 7.30 in the evening. Eastern Sunday there will be German communion with sermon at 10 a. m. and an English service with Easter programme at 7.30 in the evening.

LITTLE KNOWN HORSE SHOWS WAY TO FIELD IN NATIONAL STEEPLECHASE

AINTREE, England, March 23.—(AP)—The gold and the glory of the 90th Grand National went to an unknown horse named Grezalach at odds of 100 to 1, but steeplechasing honors of the famous race rested largely with the American-owned favorite, Easter Hero, which made the running over the greater part of the cruel four and one-half mile course. Easter Hero carried top weight of 175 pounds, but still took hedges, ditches and water jumps all the way around in magnificent style.

A trace of weariness and a little ill luck robbed J. H. Whitney's entry of victory. Finishing six lengths behind the winner, Easter Hero captured second grand national honors for his American owner. Not one other American-sponsored jumper was among the dozen finishers.

The much-fancied Billy Barton, born in old Kentucky and adopted as a son of Maryland, plunged into a ditch at the 19th hurdle, unseated his rider and put himself out if the running. Billy had made an excellent getaway and had put on a spurt which gave him a lead of three lengths over the most difficult jumps of the first circuit.

Although the sprinkling of Americans among the 300,000 persons who watched the race were keenly disappointed by the downfall of the American homebreds, this was, nevertheless, a great and glorious Grand National run in the sunshine with all the thrills that a field of its great proportions might be expected to afford.

Never before in all the 90 years' history of the classic had there been such a spectacular start. Like charging Cossacks, 66 runners, all abreast, thundered down the course.

The race in a nut-shell shows Billy Barton taking an early lead. He cleared the perilous jumps at Beecher's brook, Canal turn and Valentine's brook to lead by three lengths. Behind him pressed the field, but already there were many gaps in it.

Falls, tumbles and refusals reduced the runners by almost half on the first round. Riderless horses raced over the course as muddy jockeys dimped home or chased their mounts, one horse suffered a broken neck, and eight jockeys were sent to the hospital with minor injuries. One horse caused the elimination of nearly a dozen others in one wild melee.

Through all this Billy Barton survived only to begin losing his lead as he headed for the long home stretch. Easter Hero took the pace from the Maryland entry, and skimmed gallantly and gracefully over the lower hedges. The Whitney horse fairly sailed over the hedge and 15-foot water jump fronting the stands. Great cheers greeted his performance.

Easter Hero raced off on the second round holding his lead like Billy Barton had held it over the most difficult of steeplechasing tests, only to lose his advantage to Grezalach six furlongs from the post. The outsider pressed the front-runner unrelentingly. The Whitney entry seemed a bit tired, and moreover, it is said he suffered the ill fortune of spreading a plate.

Grezalach took the last three fences in great style, and galloped past the post three lengths ahead. He continued to be unaddled for his admiring woman owner from Newmarket.

Disaster had overtaken Billy Barton at the 19th hurdle. Mount Etna and Ruddyman were eliminated in a scramble after a hold up at the fourth fence. Here likewise went the hope of old Tipperary Tim, last year's winner. Bright's Boy, Darrac, Drimnond and the Ace, 2d.

All but the last American-owned, also tumbled out of the race.

Favorites fell away like hacks and among the dozen finishers, with the exception of Easter Hero, there was no horse which racing experts had acclaimed as the probable winner. The happiest persons in England tonight are the bookmakers, who have started the season with two lightly played 100 to 1 shots while favorites have faltered.

Mrs. M. A. Gemmell, the owner to whom Grezalach took 13,000 pounds sterling barely had a glimpse of her winner's finish. She was jammed in the crowds and unable to see. She had beginner's luck with the Grand National, for it was her first entry.

"I hoped for it, but didn't expect it," she said.

Jockey Everett, who rode the winner, is a former amateur steeplechase rider. He trned professional only this year. He hails from London, and has served in the British navy.

Grezalach's only mistake, which it seemed might be serious, came at the fourth fence on the second time around. At this jump in 1928 Everett came a cropper. He said the great field troubled him a bit, and contended that he had the race in hand through the last six furloughs, where Easter Hero slowed.

McLARNIN WINS DECISION OVER MILLER IN TAME 10-ROUND BOUT

By Edward J. Neil
A. P. Sports Writer.

MADISON SQUARE GARDEN, New York, March 22—(AP)—Two vaunted lightweight punchers, Jimmy McLarnin, the socking Celt, and Ray Miller, blonde left hook artist from Chicago, met in what should have been a furious combat tonight—and turned in a battle as tame and featureless as their first meeting was.

Where ther might have been smashing, punching, furious rallies, knockdowns and finally a knockout such as McLarnin suffered in their first engagement in Detroit, there was nothing but clinches, frantic scurrying around to evade the lightning that never struck, and the cagey sparring of over-cautious young business men. What heavy hitting there was McLarnin did for the most part and he won the decision amid a steady rising storm of boos from 21,000 of the faithful who paid more than $111,000 to see the action.

Irish Jimmy mastered Miller thoroughly, but not damagingly. He was stung rarely by the blonde youngster's left hook, and beat a tatoo on Ray's head and body, when he could get out of clinches, that had Miller weak and weary at the close.

Both laid back from the very start, waiting openings for the heavy artillery.

Since both are counter punchers and battle best when the fighting is brought to them, there were few openings and even less action. It seemed a relief to both to lean in close and slug at close quarters out of harm's way in the matter of long shots.

Miller boxed prettily at times, jumping in with the same type of left hook that ripped McLarnin's right eye in their first meeting and ended the fray at the end of the seventh round. Jimmy had his defense ready this time, however, carrying a right hand high and devoting most of his offensive until the closing rounds, to a left hook of his own.

Whatever break there was in the match came for McLarnin in the seventh session. He switched to a short body attack, plugging lefts and rights steadily to Miller's short ribs. Then when Ray's guard had been lowered, Jimmy cut loose a whistling right to chin the punch caught Miller squarely, dazed him for a moment and started him steadily downhill.

From then on, except for occasional rallies, McLarnin did almost all of the forcing. He clipped Miller steadily in the eighth. Jimmy gained confidence and momentum as he clubbed Miller around in the ninth and in the final session. Miller was a weak and weary lad. As the bout ended, the Irishman had him pinned to the ropes while clouts from both sides rained on his head and body.

There was no official difference of opinion at the close of the fray, both judges and the referee voting for McLarnin. The Associated Press score card gave McLarnin eight rounds with Miller winning the first and shading the Vancouver lad in the fourth. McLarnin weighed 133 3-4; Miller 133 1-2.

THE SOCIAL CORNER

NO GAINS WITHOUT PAINS.

OLD FASHIONED, AND GLAD OF IT

Dear Social Corner Friends: So many say, "You haven't written for a long time, have you?" that I will write a few lines so hey won't think I never did.

I attended the anniversary meeting of Club No 1, and was glad I did, meeting friends I had not seen in a long time.

The hostesses, with yellow butterflies perched on their hair, were very busy getting the good things to eat on the tables. The tables were decorated in the Corner colors and had a cute yellow chicken at each plate.

After dinner visiting was in order and later an entertainment, but having to catch my bus, I had to leave before that.

Hilda: We looked for you, were you sick?

Katy Did: I was glad to meet you again.

Theoda: I peeked. It looked lovely.

Wisteria: You're some cook.

Huldy: Look out when you and E—, come home that you don't get stuck in the mud. I hear it's as bad down south as it is up north.

Spring is surely coming, the blackbirds, blue birds, robins and song sparrows are here. I wish to thank the one that wrote about canaries. I will send a couple of recipes.

Carrot Pie: Scrape and boil a number of carrots until tender; put through a calender. To 1 cup carrots add 1 1-2 cups milk, 1 well beaten egg, sugar, salt cinnamon and ginger to taste. Bake like pumpkin pie.

Meat Turnovers: Almost any kind of meat may be used, if the quantity is small. Add mashed potatoes or cooked rice. Season with salt and pepper, onion if liked. Lay on rich biscuit dough rolled thin and cut about the size of a saucer, moisten edges with egg white, fold over meat, pinch edges together. Bake about 1-2 hour. Serve with a brown sauce made as follows: Two tablespoons of flour browned in 2 tablespoons of butter, add 1 cup of water or stock.

Just a few words about the short skirts and smoking. I am old fashioned and glad of it, so the skirts to the knee are too short to suit me, and I wear what I like as everyone else seems to do.

Smoking is filthy as everyone knows including those that smoke. I wonder if we parents aren't somewhat to blame, allowing papers that carry such advertisements to enter the home? 'Nuff said. WILD GERANIUM.

THANKS THOSE WHO HELPED

Dear Social Corner Members: I feel I have celebrated pretty well. Last week attended the anniversary of Club 2, and they sure put things over fine. A fine dinner and dandy program. On Wednesday was at the Willimantic meeting. Another good time, splendid dinner. Some one knew how to escallope oysters. They were delicious. The decorations and favors at both meetings were very pretty. Today we have celebrated our own anniversary and I want to thank all those who helped me serve and everyone for bringing such nice food and Sumac for taking charge of the program. We were sorry that so many were kept away by illness and hope they may soon be well. We were very glad to have some of the Willimantic people down to visit us also to have B. Natural, who has been in Florida the past two months, back with us again. We had eighty-five in attendance.

Nancy Peck: I am sorry to hear you are having such a hard time.

Averie: You have my sympathy in the loss of your mother.

Scottie and Dearie: I am so sorry for you in your bereavement.

Rebecca: It seemed nice to have you with us again. E. L. M.

THANKFUL TO BE IN NORWICH

Dear Cornerettes: While looking out of the window this lovely sunny day after looking at the picture of the awful floods of Alabama, where the water of the Elba trapped 4,000, and the water came up to the roofs of the houses, I feel satisfied to stay right in Norwich for the present. I am contented to see the pretty blue jay flying from tree to tree, the pretty color of blue feathers as the sun shines on them, without the flood worries. I am thankful for the protection of our hills and hollows which save us from winds and floods.

In the past year quite a number of the writers and club members have gone to their final resting place or have laid away a dear one from their home circle. Our sympathy goes on to each and every member of the family in their hour and times of sorrow. No better thought can be said than those of True Blue, of White Dawn which would voice every member of her Club No. 2 sisters, who found her a loyal sister and keeper. I believe that few writers kneg that John Parsons, who recently died, was the husband of Celia Louise.

Our dear Scottie lost her dear companion without any warning. The news came as a shock to those who were so closely associated with her in the Corner. The sympathy of them, to her and the family.

Red Rose: Hope you are feeling better by now. I'm trying to say I do but doubt it sometimes.

Black Eyed Susie and Mayfair are the hostesses for April 9. I hope you will all give them the support and donations of food that was supplied for the anniversary meeting for we surely had enough and then some more. No reason for anyone leaving without their fill of good tasty food.

Friendly Voice: Why not take this as an invitation to come to Club No. 2 in the morning, stay to dinner and the entertainment, instead of coming in, look over the company and then leave. The feeling of those present would be other than curiosity. Everybody from all clubs are more than welcome by us all.

Wurdy Bell: How are you? I miss your corner letter. Sorry you are not in health.

Crimson Rambler: Did you get my message when your hubby passed on?

Merry Widow: Drop in and see the old writers often think of you and the sister of your family.

Lucinda: Thanks for what the mail brought. Sincerely, CALLA LILY, Club No. 2.

WE MUST HAVE FAITH

Dear Social Corner Friends: I have just been reading the Corner page. One or two letters touched me so personally I want to express my thanks to the writers for their splendid spirit as it came to me and encouraged me. One was Zulleka (Club 4). I can almost see her among her plants, cheery and calm. As we grow older it grows harder to "carry on," unless we can have a strong faith in the "things unseen," and the ties of love that bind us still to those we have lost awhile.

"Ye Olde Timer's" question seems to me more vital than that of bobbed hair and smoking. How about our churches and our young people? I have had experience in rural church work over quite a large area in Vermont for two years under the Domestic Mission society. That included ex-President Coolidge's home church, where I held my first Sunday morning service. I have been in young peoples' work and observing it all around me here in the northeastern corner of Connecticut. Religious group enthusiasm ebbs and rises according to history. Perhaps it is at rather low ebb now, but for that reason we may be praying and preparing for its revival in the near future.

Those who hear the Dudley Carolers over the radio can realize that some young people are still definitely Christian. Those who see them, hear them speak in their group meetings and come to know them better, know now they are praying for a revival in New England, and see them working and finding their prayers answered bit by bit, will be encouraged. These groups are fine musicians and go wherever invited, asking only a free will offering after three meetings on a Sunday, morning, afternoon and evening.

Outside of their work I have found small churches taking up more work with its young people than had been done for years, realizing its necessity if the organization is to continue. One minister does it largely through play, meeting often with his boys' groups for baseball and basketball in the Y. M. C. A. leagues and then getting them into Sunday school and church from that contact. My work recently has been with the Girl Scout group in the same community and while it is non-sectarian, I believe it is an opportunity cultivating the Christian virtues by a closer contact than a Sunday school period's talk used to bring. We get very close together in our work and good times.

A Christian leader in such a place, as well as in the position of public school teacher, does exert a strong influence for brotherhood and Christian living that is broader and, shall we not say, an advance over the dissentions in the churches that used to be so well filled, and some of their beliefs and practices. A pastor who had been reading church history in Connecticut, speaking at a recent Bible picnic, said he believed we are advancing still. I have also been working with a small group of Christian Endeavorers. We frequently visit or are visited by other societies about us and we see examples of youth that are fine and true and earnest. Never in any age have such been in the majority. We had as the Bible lesson in the Young Peoples' prayer meeting this week, the story of Johnathan and his armor bearer alone putting to flight an army of Philistines with the lesson that God can do his work with the few as well as the many. The pastor led these children to express their thanks to God in spoken prayers so naturally and simply.

In some churches we fail to find the desired atmosphere and leadership but I feel that there each Christian has a duty and an opportunity. It is not so much who is presiding or sitting beside us but our own responsibility and contact with the Lord in His seeking to express Himself to men there. I wonder how many have read Stanley Jones' "Christ At the Round Table," and remember his chapter on "Interpreters of Christ?"

Men and women and especially our young folks, all over the world, are incurably religious. Sometimes it has to develop in spite of the imperfections of a local church but I feel that the religious literature such as popular magazines and dailies, such as our own Norwich Bulletin prints, is being widely read and assimilated—very likely by some we do not see in church. The radio has much good religious speaking and its trend is not away from, but toward the church, to do our work in it.

We lie in an age of wonderful opportunity and with our leaders, Mr. and Mrs. Coolidge just passed, and Mr. and Mrs. Hoover, I feel we have as great and unselfish statesmen at the helm as we have ever known and with this wonderful work of prohibition enforcement increasing, our country should become more than ever, a Christian nation that is a good neighbor to all the world.

Yours, THIRTY-TWO.

PROMISES EASTER LEGEND

Dear Social Corner Friends and Editor: Here it is St. Patrick's day and spring is scheduled to arrive in a few more days. The time of the singing of birds has come, although the thermometer registers 34 today. A cold wind is blowing a gale, however we must expect a little bitter with the sweet. We had company all day, therefore I had no time for writing letters. I am planning to send the beautiful legend of the lily for my Easter letter which I hope all the readers will enjoy.

Betsy Bobbett: I still have the description of Wadsworth's favorite flower that a stranger sent to me last October. Please send your name and address and I will mail it to you.

Nonesopretty: I want to tell you a true story about a pet cat whose name is Molley and lives here in this (city?). She was a visitor today at the "Haven" in Abington, Conn., and made the trip by auto with her mistress whose husband is in this institution for care and treatment. She was very happy to meet her old friend and appeared to know him. Came back home in her mistress' lap, looked out the car window having greatly enjoyed her entire trip. Evidently she was admiring the pussywillows by the roadside.

Hastily, ANN TENNA (Club 4.)

THE HANDKERCHIEF PAIL

Dear Editor and Sisters: Would like to tell you how I wash the pocket handkerchiefs.

It is simple and satisfactory and does away without rubbing except for some unusual stains.

All but the very best handkerchiefs that seldom are much soiled and are always washed out as lace, etc., are put to soak over night in cold water, thoroughly pounded or stirred in the morning, then drained without handling.

Rinsed in two waters, ditto, then put on to boil in fresh water with a teaspoonful of borax or lye, if the water is very hard, and the proper amount of good shaved soap, or soap powder. I find Rinso very good.

After boiling, the stick process is again resorted to, the handkerchiefs again drained and covered with cold water, set back on the stove and brought to a boil.

When they are ready to be taken off, they are handled and rinsed in the usual way with no resulting complications.

This may sound to some folks like harsh treatment but it really isn't bad for the every-day ones.

Of course fine fabric would show breaks. We have a special blue pail with white enamel lining, that is used for the work and is known as the handkerchief pail and this process I have described may be attended to while other kitchen work is going on either on the regular laundry day or some other time.

With severe head colds in winter, if we are not wise enough to escape them, we dispense with the real handkerchiefs using old soft cloth torn and folded

To anyone who does not mind washing handkerchiefs, this will sound ridiculous probably, but I am sure I may give the hand to some home laundress.

If anyone has a better way than this that eliminates hand rubbing it will find me open to conviction and ready to adopt it without reservation.

FLAT ROCK.

THE "THEATRE PESTS"

Dear Social Corner Folks: You have been so successful in bawling out the bob-haired, short-skirted, cigarette women for the last few weeks that I wish you would start in on "theatre pests" and "yellow kitchens," for a change. The first spoils my frequent visit to the theatre and I am contemplating a "yellow kitchen" some time in the future. I attended the Broadway theatre on the afternoon of Friday, March 15, going down to the center of the orchestra circle for a seat.

The woman occupying the aisle seat informed me she was reserving the next seat so I had to move over. She refused this seat to four other ladies who indignantly found seats elsewhere. When the picture started this woman and three, directly back of me, started in to talk and laugh, which they kept up until the curtain dropped. They did not go to see and hear the picture but went to visit and to spoil others' enjoyment.

Can a woman reserve seats on a rush or general admission ticket? Is there no rule or law that can be enforced so that one can see and hear the pictures in "near" silence? Another "theatre pest" is the man who begins to crowd and push a woman as soon as the lights go out, sometimes going further. If the woman says anything to him or changes her seat it draws attention to her in a very unpleasant way, even if she knows what to say in such a case without drawing a lot of attention to herself.

I belong to the bob-haired, modestely short-skirted grandmothers' class—why do I do it? Because one is just as conspicuous with long hair and old style clothes now a days, and the new style, in my case, is professional and most comfortable. If we would each one keep our own slates clean, then if we must criticize other women, pick out the women in our own families instead of the stranger outside our gates whom we can not possibly hope to convert into our various ways of living and judging.

The more fuss you make about cigarette smoking etc., the more the habit will grow, as that is what the majority of women and girls smoke for—to draw attention to themselves and be in the limelight. A woman craves attention, and some take strange ways to get it. There is nothing left to attract the male today, so they do everything, and many times, anything, to intrigue him, with undoubtedly more or less success for a time. The man is somewhat to blame as behind the door he does not really want the prim, modest, old-fashioned violet, but he tells his mother, sister, wife or sweetheart that he does, as this helps to cover up his philanderings which is natural to him and in which his own immediate women folk would naturally discourage.

So here's food for thought and new subjects to discuss.

May "The Corner" live long and prosper. I'll bet our editor gets a great kick out of our letters too. (Yes, I am an old member).

GERTRUDE.

EXTENDS HER SYMPATHIES

Dear Editor and Social Corner Sisters: It is not so hard to keep going when one gets started, and now that I have started I will try to keep going. It was a treat for me to attend Club No. 2, as I had a very enjoyable afternoon. The entertainment was tip top, the parts were all taken well and carried out.

I enjoyed being near Patches and her little daughter. The little one had grown so since I saw her at Aunty No. 1's picnic, last August.

The ending of a happy day sometimes proves to be just the reverse as it was in the case of our Dear Scottie. I was shocked when I heard of the sudden death of her husband. Just one year ago a few of us met at her home to practice for a play we were giving, and Saturday, last, we met again in the same home to render sympathy to her who has been one of our faithful members. We could not but recall the other meeting there. To Scottie and her loved ones I send my sympathy.

I also send my sympathy to Crimson Rambler.

We recognize the death angler has been very busy among our flocks the past year. But we know the Great Ruler of the universe never makes a mistake and while we shed a silent tear, we can only bow our heads in silence and say, "Thy will be done on earth as it is in heaven."

I. J. B.: I have met with Mary Sunshine, you have my sympathy in the loss of your sister.

As spring is just around the corner, and as the sun shine grows bright I hope all sick ones will be better soon. Best wishes, from

SISTER READY.

ESCALLOPED POTATO

Dear Social Corner Sisters: Will write a few lines. I was going to write last week but I had so many household duties to look after that I couldn't find time to write. I was glad to see so many letters and I think they are doing fine. So, keep it up and see that the page never lacks of writers. Well spring is almost here and I suppose Ma of Green Gables is nearly through house cleaning but I am afraid I can't begin for some time as we have a little baby in the family to look after which means quite a lot of care. I will tell how I made escalloped potato. I just pare off what I think is needed and some onions and stir all together with a piece of butter, salt and pepper to taste, and fill the dish with milk and bake a couple of hours. It always comes out good. I hope to be able to attend some of the picnics this summer.

With best wishes to all.

RURAL AUNTY.

A HELPFUL PLANT HINT

Dear Sisters: I neglected to mention in my program of last month's meeting that Laleit sang sweetly two numbers, Carolina Moon and There'll Never Be Another You. We hope she will favor us again.

Here is a helpful number for the gardener. Plant each seed in a half of an egg shell and place the shell upright in a box of soil. When the plants are ready to transplant, lift out shell and all and place in the earth. The shell will decay and not hinder the roots from spreading. GEORGETTE

YEARS OF HELPFULNESS AND CHEER

Dear Sisters of the Social Corner: The anniversary meetings have been held once more and weather has been ideal for March days. It was my pleasure to attend Club No. 1, at Willimantic. A large attendance, from all directions and representing every club, I believe. Theoda and her several assistants had prepared the dining tables very attractive, decorated with the yellow crepe paper, golden wax candles held in pretty holders, and with various dainty shades. I did not learn the exact number of Social Corner members and friends who had gathered but heard one say there were about 175. There was general sociability and entertainment of singing and music. The bountiful dinner was excellent and must have been enjoyed by one and all. I was pleased to meet new members for the first time, and to visit with others, whom I have met on former occasions.

As the present month completes 19 years for the Social Corner page, of which 13 years has claimed my interest and attention, I hope the privileges may continue for both readers and writers. Many of our worthy contributors have laid aside the pen, but the memories of their good work, in helpfulness and cheer, still remains with us. One of the very first to extend the hand of welcome to me at the first meeting I attended, was Sister Married and Happy, and I like to think of her pleasant smile and her friendly voice. Sister Amy was another always jovial and made lots of good humor by her wit and comic readings. Sister Kitty Lou was a long time faithful contributor to the Corner page, but, due to her inability to attend the meetings, many of the sisters did not meet her personally.

Let us hope this 20th year will not be lacking in what the Social Corner stands for, but progress, with usefulness, and abiding friendship. My sympathy to the sick and sorrowful, and may good health and happy days returns.

JENNIE, Club 1.

OUR CHILDREN'S FUTURE

Dear Editor and Social Corner Sisters. How we love to plan and dream dreams that our children may have a fuller, richer life than has lain within our own experience. For one thing we hope they will learn not to make their minds a storehouse for facts and statistics but rather to know where to find this information when needed. We hope our teachers in the public schools will emphasize this. We would have our children on friendly terms with the card index in our library that they may hunt up their books and special articles without summoning the aid of the librarian at all times.

We would have them familiar with many magazines and periodicals not necessarily subscribers or constant readers because that would mean too great an outlay of time and money but rather having knowledge of what particular magazine may reasonably furnish them with the information desired.

We would have them write letters to the state librarian, to the various departments at Washington, to the civic organizations of their own city that they may learn to express themselves briefly and clearly and to give them an idea of the various sources to which they may appeal in their search for information.

As they grow to maturity we would have them write letters of sympathy; letters of congratulation to their friends expressing pleasure at well merited promotion; letters to those who have given them pleasure and inspiration whether it be a teacher, a lecturer or an entertainer; to write sincerely and appreciatively, without flattery or gush. Film stars doubtless get plenty of these letters but we believe others receive far too few of these friendly words that warm and cheer.

We would have them learn never to send a letter written in anger. Remember Lincoln's advice to the young acquaintance on this subject. Write it if you must alleviate your wrath but put it in the fire as soon as written. If this simple warning were heeded how many heart burns and difficulties would be spared both receiver and sender.

And lastly we would have our children respect their own thoughts. Herbert Spencer says: "The wise man must remember that while he is a descendant of the past, he is the parent of the future; and that his thoughts are as children born to him which he may not carelessly let die."

BO PEEP

GREETINGS FROM U. C. E.

Dear Corner Sisters and Friends: "Greetings," one and all! What a lovely time we had at our anniversary meeting March 12. The day was an ideal one, dinner excellent, service wonderful; also the entertainment.

Mawb: You fit in everywhere, and bring others along which makes things lively. Hope your friends come often. It is good to see and hear them "laugh and the world laughs with you" etc.

Scottie: I missed your smiling face and cheery word. You have my heartfelt sympathy in this your time of sorrow.

Also to Crimson Rambler and Snow Flake in the loss of their dear ones.

White Dawn will ever be missed from our circle, as well as from her home and dear children. On God's protecting arm rely, to Him in all thy sorrow fly, is my wish and prayer for all the sorrowing ones.

Bumblebee: Hope you have strength for your task.

Nespa and Golden Glow: Glad you are better.

Sister Ready: Your presence was greatly enjoyed.

Franklin Southwest: Come again.

Miranda: Glad you are home again.

A happy Easter to all. U. C. E.

FINE TIME AT ANNIVERSARY.

Dear Editor and Cornerites: We have removed our play clothes and donned our everyday dress and can breathe freely once more. Nevertheless, we all had a glorious time at the anniversary meeting, March 19. If "quietness" means anything, Georgette was a splendid hostess and surely made happiness for all.

Lalette sang very sweetly, "Carolina Moon" and for an encore, "There'll Never Be Another You." Several ladies played the piano for us and their selections were thoroughly enjoyed.

Mr. Libby was enthusiastically received and his readings and impersonations brought smiles to all of us.

Miss Simpkins found a boarder but not a husband. I am sure she is happy for her niece came to be with her and Norah remains as maid.

The weather is so delightful now I hope many will get out to our April meeting.

Scottie: Our sympathy to you and yours. MAWB (No. 2.).

ANSWERS ROLL CALL

Dear Editor and Social Corner Sisters: I am late in answering the roll call but better late than never. Hope we will have another meeting soon.

LEGION.

JOINS THE CORNER

Dear Social Corner Editor: Would like to join the Social Corner if there is room. Have attended some of the meetings and enjoyed them very much. I'll take for my pen name COONIE.

ENJOYED AND JOINS THE CORNER

Dear Friends of the Social Corner: There has been so many nice things said about Mr. Libby and me in your letters that I think the least I can do is to write and tell you we appreciate them.

If we have been able to give you any enjoyment, I'm sure we have been very glad to do so for we have enjoyed being with you and seeing you all very much.

If all the clubs are as exactly what the name, "social" implies as is Club No. 2, you must all have wonderfully pleasant gatherings.

Had it not been for Mawb, Mr. Libby and I might never have met all you good folks. Many thanks to Mawb for inviting us, we say.

No, Georgette, it didn't hurt me at all to wait on tables. I enjoyed it very much. One gets acquainted much faster working with people I think. Thank you very much for the pretty yellow cap and apron. Mother enjoyed her day with you all very much, too.

Mawb said that I must have a name if I wrote to the Social Corner. Well, why not make my last name do for a first. It works very well either way.

LIBBY.

ATTENDS THREE MEETINGS

Dear Socal Corner Editor and Sisters: It has been my good fortune, through the kindness of E. L. M., to attend the annual meetings of Clubs 5 and 2, at Norwich, also Club 1, of Willimantic. I could not say which meeting I enjoyed most as I had such a wonderful time meeting old and new club members. It seemed to me that those in charge worked very hard to make the meetings a success.

There seems so much discussion in the Corner letters recently about our young people, and it makes me wonder if we could see ourselves as others see us, if we would not be more lenient. I grant there may be some girls who wear their skirts too short, but there are a lot of the older women who do also. I detest cigarette smoking for girls; also for young men, but I think the rank and file of young people do not smoke. I have young folks of my own also have worked with young girls and boys in their teens for more than fifteen years in church and social work and find them as a whole, clean and decent, so I am strong for the young people.

I wonder how many are bothered when making escalloped potato, in having the milk curdle. If so try sprinkling a small amount of flour over each layer of potato. When cooking turnips, if they seem strong, add a tablespoonful of sugar to water while cooking. You will be pleased with the result. In cleaning bathtubs or white sink, try soaking a cloth with kerosene and sprinkle with dutch cleanser, or other scouring powder. Clean and wash with hot soap suds. I want to thank all who remembered me on my birthday and express my sympathy to all those in sorrow or trouble.

Y. Y.

NEARLY HOUSECLEANING TIME

Dear Editor, and Hello, Friends: Some fine spring weather we are having just now. I hope it lasts. It will be fine housecleaning time if it does. Won't hubby be so pleased with the house upside down all over, and he has to take his meals out in the kitchen, on the dresser or take a hand out and beat it out on the porch to eat it? Say, but it is fun to see him budged from one place to another.

We had quite a concert this morning by a bluebird, a robin, a sap sucker, a phoebe, blue jay and Jim crow. How they did sing! And Jim said "ha! ha! it is nearly time to plant the corn so I can pull all I want." Not long now.

Well, talk about rats! I have one here that is poison proof. There is nothing that I have found that will kill him. I have tried different traps but he just laughs at me. I got some plaster of Paris, mixed it with meal and sugar. He ate a bit of it, two nights ago. So last night he came to my bedroom door and asked me if I had any more. That was fine. Well I thought of a thing so I took an empty tomato can, jammed the cut part down in and am going to give him some cheese in the bottom. It is his if he can get out of the can after he gets his head down after it. He can put his head in all right, but when he tries to get out, the cut tin will hold him. Now see if I can get him. He walks around my kitchen day time.

L. F. H.: I hear you are on the sick list. I hope you are much better now.

Aries: Many thanks for the lovely card. Talk about epitaphs, makes me think of a man I saw once in a post-office some years ago. He had a son who did not like his name so he had it changed. Then his father did not like that either. The father's name was Obidiah Tripe so the son had it changed to Tripp. The father said, "How will that look when I die? It will be, "Here lies Obidiah Tripe." Then comes the son's epitaph. "Here lies the body of Henry Tripp, son of Obidiah Tripe." Now how is that going to look. Well it does look funny. They are laid in the same plot. Another epitaph is:

"I am lying here while you are above, still I am your turtle dove."

Well, I hope and pray all the sick ones are much better, there are so many sick ones now. My best wishes to all. NONESOPRETTY, Club No. 4.

FINE WEATHER IN SOUTH

Dear Editor and Members of the Social Corner: Every time The Bulletin for Saturday reaches me I see how faithful some of the members of Club No. 4 are and must try to do my share towards filling the page given us.

First of all I want to express my sympathy to the shut-ins and any who have had to part with their loved ones. We miss them so much.

Kentucky Wonder: I hope you are much better by this time. Have thought of you many times.

We are having wonderful weather here and everything looks like June in the north. While riding yesterday I saw that the oaks on the higher ground like those at home are all leaved out now with good-sized leaves.

The orange groves are a beautiful sight this year. The trees have been loaded with fruit and some are not picked yet. You must be having a good time eating them as they are so plentiful they are shipped by the carload. I saw them loading a car one day. The fruit ran down a chute from the washer into the car and they were measured by the bushel

The flowers are blossoming profusely. There are many kinds of wild flowers which I do not know. Am enjoying my few plants. It is a joy to see them develop.

Will close with best wishes to all.

CACTUS BOSSOM (Club No. 4)

ENJOYED ANNIVERSARY MEET

Dear Social Corner Members: I feel that I must say a word in regard to our anniversaries this month. I have had the pleasure of attending three of the gatherings, Club 5, on the 6th., had a good attendance and program. Leah and her able helpers served a dinner of meat pie and all other good things to eat as we always have at such times. Club 2 had an overflow of members. I never saw the hall so crowded before. Georgette and her helpers served a fine dinner of beans, salads and an abundance of everything. The decorations were in touch with St. Patrick and the Corner colors. The entertainment was a "scream", as any one who was there could testify by the sound. When poor Mrs. Simpson thought she was going to have a man in the house, and Mr. Libby, with his quaint readings and songs. You know the old saying is laugh and grow fat, but I don't think many of us need that remedy.

Club 1. Last but not least. They did themselves up brown. Theoda, with her willing helpers, with their yellow butterflies flying in the breeze, served a tempting and delicious dinner of escalloped oysters, salads, beans, macaroni, cold meat, rolls, relishes, coffee, cake, pie and ice cream, to about 150 members and friends. The tables looked so inviting with the yellow trimmings, yellow candles and shades, little yellow chickens for souvenirs. The tables fairly groaned under the weight of good things. But I'm thinking the members did some groaning, too. The entertainment, owing to some disappointment, consisted of only singing which I know every one enjoyed and by the sound in the hall, I know every one enjoyed the time to visit with friends. I met one I had not seen for over 20 years. I am sorry to have to miss No. 6 this week but cannot make it.

I was asked to give the recipe for—

Rice pie: For one large pie, take 1 cup cooked rice, 1-2 cup sugar, 2 eggs, beat all together. Then add a pinch of salt, 1 pint of milk, pour into an uncooked pastry shell, sprinkle nutmeg over the top, and cook like custard, in a hot oven at first, then slow down.

Scottie: You have my sympathy. Such a sad ending of a perfect day.

Hopeful: Pleased to see a little from you after so long a time. Come again. You will hear from me before long. Sympathy to all in sorrow, and best wishes to all.

AUNTY NO. 1

THE SIGN OF ARIES

Dear Editor Social Corner: Here we are "back to nature" for:

"The naked hills lie wanton to the breeze,
And fields are nude, the groves unfrocked,
Bare are the shivering limbs of shameless trees,
What wonder is it that the corn is shocked?"

I have been requested to write about the sign Aries into which we are entering.

Aries (the Ram) is the first sign of the zodiac beginning about March 21, every year and ending April 19. People born in this period of time are said to be born in Aries and the ruling planet of Aries is Mars. Aries is masculine, movable and dry, the positive pole of the fire vibration and corresponds to the head, brain and face in the human body, and friends and relatives in the astral. The colors are blue, pink and white. The gems, diamond and amethyst. The tribe is "Gad," of which it is said—"Lo, a troop cometh!" meaning "armed and prepared."

There are two types of Aries people. One type is tall, broad shouldered, large boned, silent and not lucky in games of chance. The other type is shorter, more alert, nervous, active, more fortunate in business, talkative. Most all Aries people have a scar on the face or head. Some have a yellowish tinge to the teeth and skin and a glint of red in the hair, (unless they are a decided brunette).

The natural profession, letters and teaching or lecturing; and the chief characteristics are intuitive insight, reason and sympathy. The most favorable time of the year for Aries people to transact business or undertake new enterprises is the week beginning April 13th., and the week beginning November 29th., any year. The following well known persons were born in Aries: Thomas Jefferson, Mohowat, Prince Bismark, Washington Irving, Henry Clay, Robert Bruce, Rosa Bonheur, John Burroughs, Ed. Everett Hale, Hans Christian Anderson, Emile Zola, Frank Leslie, John Tyler, Dr. James M. Peebles, William Wardsworth, Raphael, King Leopold II, Gen. Booth, James Harper, Cardinal Vaughan, J. Pierpont Morgan, Dr. Charles H. Parkhurst and Charles M. Schwab.

One of the members of Club 4 writes me that there is to be a meeting of Club 4, in the Congregational church vestry, Danielson, March 28th. We invite Mr. and Mrs. Libby and Rev. and Mrs. Borden to meet with us. Also any of the other members who are able to come.

Leah: You see I have kept my promise.

Canterbury Bell: The pleasure is mutual.

American Girl: Your story was interesting. Tell some more.

L. F. H.: Hope you are well by this time.

Capricorn: Hope we have good weather for the 28th. Recite both poems. We will watch for notice of meeting. ARIES.

A MINIATURE WINDOW GARDEN

Dear Sisters of the Corner: For several winters I have found this idea, borrowed from the Japanese, very interesting as well as beautiful. And where there are children, there is nothing that pleases them more in the way of floral display for the home. I use a box eight inches deep, three feet long and eighteen inches wide, size varied to fit the window for which it is intended. In the bottom, place a layer of gravel, cover that with dry moss, then fill to within an inch of the top of the box with good rich dirt—leaf mold is best, I have found.

My box represents a woodland scene, with hillocks, ravines, forest and a tiny lake, with a wee log cabin on the bank of the water. I made the cabin out of sticks, glued together at the corners, with a little fireplace chimney at one side built of putty and pebbles. The roof is of cardboard cut to represent clapboards and glued in place.

Cardboard forms the door and a tiny piece of real glass, the window.

The lake is a shallow, oval dish, sunk into the dirt, and a tiny celluloid duck floats upon the water. A little rustic bridge spans the ravine near the lake.

The forest is composed of small plants taken from the flower beds and borders, and transplanted to the box garden.

The best plants for this purpose are kochia, or summer hedge, as it is sometimes called.

I find small, slender plants where they have been allowed to grow too thick, and in the box garden, they resemble Lombardy poplars, arranged in groups or rows

Evergreen or cedar twigs I use also, as they remain green in the moist dirt all winter.

Masses of color are made by using sprays of cock's comb, bachelor's buttons, ostrich plume and bittersweet stuck down into the soil. I find a few small castor bean plants three or four inches tall, also, and these live and grow all winter, but do not get very large. Or I plant a few of the seeds, and enjoy watching the plants peep through and develop. I make little walks and driveways with sand and pebbles, place small stones about to simulate bowlders, use green moss for grass plots, brown for dead looking spaces.

Sometimes I plant orange and lemon seeds in groups and they make on seeds in groups and they make scape.

Children like to make tiny clay animals, birds, and even people, to add to the box.

A friend's little girl made a "Hiawatha" box, with the famous Indian hero in a canoe on the lake, a wigwam of bark near-by and some of the animals, in modeling clay. SUNTAN.

A VISIT TO ANDERSONVILLE, GA., PRISON PEN

Mr. Editor and Social Corner Readers: While on a business trip through the south, I had occasion to visit Macon, Ga.

It occurred to me that as Andersonville, of which much of its horrors was known during the imprisonment of our "Boys in Blue," was but 60 miles away, I would take the opportunity to visit that place of horror and suffering. I left Macon on the morning of March 21, 1886, arriving at Andersonville at 10:30. Going from the station to a small store that was open, I inquired of the proprietor where the old prison pen was. Three small boys, playing marbles, heard my inquiry, offered to go and show me the place. Borrowing a hatchet with which to cut souvenirs, we crossed the railroad to the north, followed a cart path through a rough and somewhat swamy field for half a mile. The path led to the west side of the enclosure and onto the grounds, through between the two posts that once supported the north gate, then lying on the ground, badly going to decay.

Through this gate the live prisoners were marched in and the dead ones carted out. The stockade was built of large pine logs, cut from the ground enclosed, hewn on two sides, set close together, five feet in the ground, and 15 feet above the ground.

A few of them were standing here and there, the others had been carried away as souvenirs, or used for fuel.

Sentry booths every 50 feet on top, were reached by steps from the outside. The "dead line" was 20 feet inside of the stockade, made of posts set in the ground with scantling on top. No one of the prisoners was allowed to pass under it, under penalty of being shot.

A narrow sluggish brook ran through the stockade which supplied them with drinking water, but not until it had passed along under the hill where was located the camp of the rebel guard, taking the filth and drainage from their camp, located at the south of the enclosure. On each side of the brook was a strip of swamp, or bog meadow of stagnant water some 100 feet wide on each side; not inhabitable by anything but snakes and frogs.

From the swamp south, the ascent was gradual to the south stockade; from the swamp north, the hill was very steep a greater part of the way from the east stockade; so much so, that I had to pull myself up by bushes that grew on the steep side hill. Gaining this ascent, the ground was a slight ascent to the north stockade. The land here was owned by a Negro, and was planted to oats. The total enclosure contained nearly 25 acres; the longest way was from north to south. In the month of August came a drought, drying up the brook, except here and there a stagnant pool. The suffering for the want of water was intense. With their spoons, cups and hands, they commenced to dig on the side hill near the swamp for water, with no result. I saw the holes, many of them several feet in depth.

When they had given up in despair and many of them were dying from day to day from fever and thirst, then their prayers went up to heaven for relief, which came. During a terrific thunder storm in August, lightning struck a large stump on the hillside making a hole in the ground some six feet deep underneath it. With that and the rush of water over and around the roots of the stump, a sparkling spring of pure cold water came boiling up through the white sand. Their prayers were answered, no doubt saving the lives of many of them.

From that time this spring has been known as "Providence spring." The water flowing from the spring I think would fill a four-inch pipe. The "dead line" was about ten feet away. As the stream flowed down the hill it passed under the "dead line," a few feet from the spring nearing the stockade. Continuing on, it joined the then dry brook near the bakery.

In their haste for water some of them put their heads under the "dead line" to drink from the little rill and were mercilessly shot by the sentry.

In the absence of a drinking vessel I took an envelope from my pocket and dipped up a draft of the sparkling water and drank it. One of the boys remarked:

"You drink that water?"

"Yes," I said, "what is the matter with it?"

"O, that is Yankee blood water."

I gathered several souvenirs, such as pieces of the stockade, of the gate post, the bakery, nails from the gate, lying on the ground; a chip from the stump over "Providence spring," a large limb from a holly, several U. S. infantry buttons from the newly ploughed ground, and five grape shot from where there was a magazine near one of the five forts outside of the stockade. As I was leaving this field of horror, I met the old man who superintended the building of the stockade. He was ordered by Wirz, the keeper, a fiend incarnate, to cut down every tree and bush so there would be no shade or shelter from the burning midday southern sun, and the damp, penetrating midnight chill, arising from the fever and malarial ladened atmosphere from the surrounding swamps. Wirz saying he wanted to kill all the d—d Yankees he could.

For building the stockade he was given a small plot of land with a log cabin in which he then lived. After the liberating of the prisoners, the plantation of several hundred acres on which was located the prison pen and cemetery, was confiscated by the U. S. government. The cabin, and land on which it stood, was given back to the old man who built the stockade.

From here I went to the cemetery, and at once to the keeper's or caretaker's house and office. From the book in which most of the names of those who died in the pen were recorded, I gathered these facts: The first prisoners were received Feb. 13th, 1864. Total number of prisoners received, 49,455. Largest number imprisoned at one date, Aug. 9, 1864, 33,006. Total number of deaths 12,848. Average deaths per month for 33 months, 388 and a fraction. Average per day, a fraction less than 13. Largest number of deaths in one day, Aug. 13th., 97. Number of Connecticut soldiers who died in the pen was 332. Number escaped 328. There were 853 brought from Macon and buried there, making a total of 13,701. This terrible death loss was occasioned by inhumanity. "Man's inhumanity to man, makes countless thousands mourn."

This cemetery of at least 100 acres was enclosed by a brick wall. The grounds were splendidly cared for and set out to evergreen shrubbery and flowers. I was taken all over the grounds by the caretaker. The dead were buried in trenches and laid close side by side. They were buried by a detail of their comrades under guard. At first they

PLAINFIELD

SCHOOL PUPILS WIN IN D. A. R. POSTER CONTEST

The state D. A. R. and Deborah Avery Putnam chapter D. A. R. recently offered several prizes to pupils in the grammar school of the town for posters on the conservation of trees and flowers. Two subjects were selected and three prizes given for each. The posters submitted to the judges were very interesting and showed the result of much thought, originality and earnest effort. Prizes have been presented the following pupils: First prize, $3, Marjorie Mortimer of Grade VI, Central Village for her poster on "Please, Tourist, Save the Flowers"; first prize of $3 to Stasia Gorezynski, Grade VIII, Moosup, a very fine poster on "If the Nation Saves the Trees the Trees Will Save the Nation"; second prizes of two dollars each went to Corinne Stone, Grade VI, Central Village and Margaret T. Paolille, Grade VIII, Moosup. Third prizes of one dollar each, were awarded Lois Hall, Grade VI, Central Village, Albert Bouley, Grade VIII, Plainfield; Julia Zurowski, Grade VIII, Wauregan and Frank Ferniere, Grade VI, Moosup. Posters winning the first prize are to be sent to Hartford as entries in the state-wide poster contest.

IT PAYS TO BUY GOOD MERCHANDISE

SOCIAL CORNER

(Continued from Page Seven)

were buried in rough pine boxes, later in just their clothing, had they not been stripped after death by those comrades who were nearly naked. I was shown the graves of six soldiers who were tried by court martial by comrades and hung for murder and robbery of comrades.

From the cemetery I went to the store to return the hatchet borrowed, where I inquired of one of the boys who accompanied me on my rounds, if there was a hotel where I could find accommodations for the day and night. He said, "There is no hotel here, but my folks keep travelers sometimes and I think they will accommodate you."

Going with him a short distance to his home, where I met his father, Doctor Harrison, who gave me entertainment until the next day. As he was detailed there during the 13 months of imprisonment he told me of the unparallel honor and suffering of the thousands confined there. I will tell the readers Dr. Harrison's story in my next letter.

QUID NUNC.

THANKS MEMBERS WHO HELPED

Dear Editor and Sisters: I wish to thank all those who took part in the program at the meeting of Club No. 6 last Tuesday. And would Lucille Drew and American Girl send their readings in to the Corner? You see the Sniggles family missed those and they were quite interesting.

We had a good crowd and a very good dinner with E. L. M. as hostess. The favors, cute little yellow chickens sitting on vari-colored eggs in a green and white nest, were appropriate for Easter and white napkins with green hats and Shamrocks for St. Patrick's day. And yellow flowers of course, for the Social Corner.

We were sorry not to see all the charter members there, but one thing or another kept several of them away.

Loma and Winter Robin: We missed you. For those who might be interested, the Sniggles family was a great success at the Grange meeting. They were called us back to make a bow. No wonder in those fetching gowns. Best wishes to everyone. SUMAC

LIVER DUMPLINGS.

Dear Editor and Social Corner Members: Just came home from the Shore Line club meeting, so here goes for a line and a recipe so that I can become a member. The entertainment was fine and the dinner was fit for a queen.

Here's a recipe for liver dumplings we are very fond of:

Liver Dumplings: One pound beef liver and 1 onion chopped fine (or put through food chopper) add 1-2 cup dry bread crumbs, 1 egg, salt and pepper to season, add sufficient flour to make thick enough to drop by spoonfuls into salted boiling water.

Will take for my pen name

IGNATZ.

WHAT IS WORTHWHILE?

Dear Social Corner Editor and Readers: As I wrote in my last letter, my pet hobby is to write, only I hope my letters may never grow tiresome. This will be a lengthy letter, owing to the fact I have recently read an article, the title being, "What Is Worth While?" It surely was to me very inspiring and uplifting, but I can almost hear some critic say, "Huhuw! She copied that." I assure you I have not copied it, only memorized extracts of it and minglied with my own true thoughts. In accordance of sending it as one of my letters, hoping our editor will deem it worthy of print and may it prove interesting and beneficial to the readers of our letters.

To begin: What is worth while? Have we ever stopped to ask ourselves that question? We have only one life to live. We all want to do our best with it. How can we accomplish the most with the energies and powers at our command? What is worth while? The students ask themselves when they leave the colleges. The first few years out of college are apt to be anxious, unsatisfactory, and disappointing. Time slips away in further preparation, in experimenting in useless or misdirected efforts. The world does not prove to be the same as on the quiet college campus. Duty is not so clear to them or work so well defined. Life is harder to handle than they thought. So they ask themselves again, what can I do worth while?

Life is large. We cannot possibly grasp the whole of it in the few years we have to live. What is the most essential? What may we profitably let go? By what standard shall we measure? And by what authority shall we decide? Each of us must answer our own question. Let our conscience be our judge. Whatever we really are, let us be. Whatever we are not, let us not appear to be. Let us assume nothing false that we may not be mortified. Let us never speak untruthfully and we shall not fear to be questioned. Nothing gives such upright dignity of mien as the conscience always whispering, "I am what I pretend to be. About me there is no make believe."

We ought to drop worry. Every moment of worry weakens the soul of its daily work. Ruskin says, "Good always gives us strength enough and sense enough for everything He wants us to do." There are two things in life that make for discontent. One is the lack of harmony with one's environment the other is dissatisfaction with our present opportunities. One's environment may be very disagreeable. It may bring heart-aches, mortification and wounded pride, but there is a reason for it all. We must always fight and overcome that something that is forever lurking in our shadow, doing its utmost to destroy the good that's in us. To be strong we must fight. A good way to get into harmony with one's environment is to first try and understand it, then adapt ourselves to it as far as possible. Our opportunities if rightly used are as great as the soul may ask. We look for larger things and forget that which is close at hand. To take life as God has given to us, not as we want it, and then make the best of it, is the hard lesson out before us to learn. Let us say, "My Maker put me among these scenes, these people, and these duties. He knows what he wishes me to do. This is exactly the place He means me to be in; the place I am capable of filling. My life is in its proper setting."

It is worth while to be wise in the use of time. The most reckless spendthrift in the world is the person who squanders time. Money may be lost and found, homes destroyed and rebuilt, friends may turn from you yet come back to you but one moment, one precious moment if lost no power can bring it back. I do not think it's a waste of time to read. I mean if one reads that which broadens the mind, something educational: of course a little nonsense now and then is enjoyed by the best of men! Often we have heard it said, "How much time have I?" We have all there is. It's a gift given to us to spend as we will, and we should spend it at the best advantage. One way is go and do the most good you can; don't let that priceless gift slip away without doing something worth while. We all have our work to do. Win a friend, render him a service, to you it may seem a trifle but to him, it may seem wonderful. Console a child, visit the sick, carry a book or an interesting magazine or a glass of jelly and find out the favorite flavor or if you do not have the ways and means of getting to these duties which are sometimes a little out of your reach, remain in your little home and care for your family. It is no small task to bring up a family. To know just how to guide them in the right way, because there is not one of us that can bear to see our boys and girls go wrong. We want them to do just a little better than we did, and we cannot guide them ourselves only. There is an over-ruling power that is always ready to help us if we but ask.

Emerson wrote, "Nature arms each man with some faculty which enables him to do easily some feat impossible to any other. How true it is in all this world there are no two souls alike; there are no two with the same work assigned them. Let us examine our capacities and our gifts and then put them to the best use. Though God holds the whole world in the hollow of His hand, He remembers each of us and the part we are fitted to play.

May I speak of friendship? Look all about us, we hail never find a friend without faults, traits and ways that sometimes vex us. To have a friend is one of the sweetest gifts life can bring. A friend is confidential, he remembers us when we have forgotten ourselves, when we are straying away from the good he brings us back. He takes interest in our health, our plans, our work. A friend may praise us and we are not embarrassed, he may advise us and we do not get angry if he is silent we understand. It takes a great soul, a large, steadfast and loving spirit to be a true friend. One must forgive much, and forget much. It costs to be a friend or to have a friend. Even men have been known to lay down their life for a friend. Let us be slow to choose friends, but having once made them, let us pray that neither life nor death, distance nor doubt may ever come between us. Let us be patient and kind and be true to them and believe they are in turn true to us. With our true and dear friends we will not be reserved, with them we may laugh, sing or shed tears if need be and not be asham d. I hope this letter has not been too long but next time I will write a shorter one.

Best wishes to our Corner.

PRAIRIE CHICKEN

EAGLEVILLE

Mrs. Alfred Johnson and daughter and Mrs. Rosedale and daughter spent a day in Hartford recently.

Miss S. Goezer has returned from a visit with relatives in Rochester, N. Y. She was called there by the serious illness of her sister.

Mr. and Mrs. George Reynolds of this place and Mr. and Mrs. Ira Wilcox and son of Merrow visited Howard Reynolds at Providence, R. I., Sunday.

Mr. and Mrs. George Eaton and daughter spent Sunday with Stafford Springs relatives.

Sheriff and Mrs. F. O. Vinton were week-end guests of Dr. and Mrs. Brooks, in New London.

Mr. and Mrs. F. A. Warren of South Coventry visited relatives here Sunday.

Mrs. Irving Price returned Sunday from a visit with her daughter, Mrs. David Mitchell of Southbridge, Mass. Mrs. Mitchell accompanied her here and returned home Monday.

Adolf Warren is the leading man in the class play to be given at Windham high school soon.

Mrs. John Adams entertained about a dozen children Sunday afternoon on her daughter Lucille's birthday. A dainty luncheon was served. The decorations were in keeping with St. Patrick's day.

Mr. and Mrs. William Ellal of Norwich have moved into the village.

RADIO PROGRAMS

Saturday, March 23

454 M.—WEAF—660 Kc.

6:45 a. m.—Health exercises.
8:00 a. m.—Musical menagerie.
8:15 a. m.—Morning devotions.
8:15 a. m.—Cheerio.
8:50 a. m.—Parnassus trio.

The Treasure Chest is open
In it was a
GENERAL ELECTRIC
ALL-STEEL REFRIGERATOR
Model G40

IN place of diamonds, gold, and finely wrought silver that might have tumbled out when the great Treasure Chest was opened, there stands revealed a thing of greater value still—the new *small-family*, All-Steel General Electric Refrigerator, Model G-40.

Into this new model have been put the efforts of the scientists and engineers of General Electric Company; the same group of men who perfected the sealed-in mechanism of the General Electric Refrigerator. This new achievement of the research laboratories marks the greatest improvement during the past 30 years, in the design and construction of household cabinets.

It's all steel, with electrically welded joints. Bronze hardware is bolted onto the steel. Black faced door edges . . . self-closing latch . . . gliders to protect linoleum . . . these and many other features are built into this new General Electric product

This new small-family model makes electric refrigeration possible in every home. Its price is remarkably low. Only a small down payment is required. The balance can be paid conveniently over a period of time. Just a few dollars a month will do it.

Truly a Treasure Chest for your home

PRICES DIPPED SHARPLY IN THE STOCK MARKET UNDER HEAVY LIQUIDATION

NEW YORK, March 22—(AP)—Continued suspense over the prospect of higher federal reserve rediscount rates became too much for the frayed nerves of speculators today, and prices dipped sharply on the stock market under heavy liquidation.

The failure of the New York reserve bank to increase its rate yesterday prompted some bullish activity this morning, but with the Chicago reserve directors meeting in the afternoon, and the announcement that the federal reserve board was meeting in Washington with Governor Harrison of the New York bank, nervousness became intense.

A particularly unsettling development was an announcement in the afternoon that E. A. Pierce & Co., one of the larger commission houses, would buy no more Chicago stocks on margin. Although the Chicago reserve directors made no announcement after their meeting, this development was interpreted as indicating that credit conditions in Chicago had become thoroughly disquieting. The Chicago institution's reserve ratio has dropped considerably of late, and member bank loans have been greatly expanded.

That no announcement was forthcoming after the Washington meeting was a disappointment to Wall street. Many traders have come to believe that continued suspense is worse for the market than higher rediscount rates would be. Particularly since the rates have fallen so far out of line with commercial paper and bankers' acceptance rates.

Outside of the credit situation there was little in the day's news to influence the market. Another jump of one cent a pound in copper metal prices, carrying them to the highest levels since the war, caused misgivings over the possible results of the violent upturn.

Further constructive developments in the oil curtailment program came to light, including the announcement that Sir Henri Deterding of the Royal Dutch Shell interests was on his way to New York to take part in the conversations. Chrysler Corporation announced 1928 earnings equal to $7.03 per share, in contrast to $6.35 on the lesser number of shares in 1927.

Call money held at 5 per cent, all day, and higher rates were generally predicted for next week, as the month end requirements and expanding spring commercial demands for funds make themselves felt. Sales totaled 4,330,920 shares, running considerably above yesterday's turnover.

The copper shares sold off sharply. Anaconda, Greene Cananea, and Kennecott each lost fully from 3 to 5 points, but recovered some of their losses before the close. Case Threshing tumbled 30 points, Johns Manville dropped about 8 points to a new 1929 low at 180 and Wright Aero lost 7.

Baldwin Locomotive mounted more than 4 points to another new peak at 37 1-2, only to shrink to 257, off about 8 points.

Advances in Radio, common again moved forward, touching a new high, of 9-2, only to lose all of its gain. The preferred lost about 1 points. Adams Express was a strong point, mounting to 27 1-4 points to a record price at 600 1-4. Victor Talking Machine regained 8 points of the previous maximum loss of 26. Houston Oil rounded about 6 points, and retained about half its gain.

Rare issues as Allis Chalmers, American Water Works, Brooklyn Union Gas, Columbian Carbon, Chrysler, Cole, National Cash Register, International Nickel, Standard Oil of California, and U. S. Steel reacted 3 to 6 points. Macy & Company and May Department Stores sagged to new lows for the year.

In the commodity markets, cotton responded to higher Liverpool cables, rising into profitmaking. Wheat was sold heavily on bearish weather news, and corn was carried lower.

Foreign exchanges were quiet and generally firm. The Japanese yen however, sagged further, touching 1929 lows.

SOLOMON'S JUDGMENT ENDS SHEEP DISPUTE

SAINT-CIRGUES-DE-PRADES, France—(AP)—A new judgment of Solomon has reunited a sheep and her lamb, and has settled a dispute over ownership of the animal.

There is a community pasture here, and the flocks of many herders often mingle. One herder, short a sheep, accused another herder of having it in his flock.

To settle the dispute, they went to the mayor, who ordered the two flocks brought to the pasture. The orphaned lamb was placed in plain sight and the disputed sheep ran to it and nursed it, the display of maternal instinct proving the contention of the first herder that the sheep was his.

A true love match makes two hearts light.

ECHOES FROM THE LODGE ROOMS

WOMAN'S RELIEF CORPS

Regular meeting of Sedgwick Woman's Relief corps, No. 16 was held Friday afternoon with Mrs. Althea Brown in the chair. The relief committee reported one member quite ill. It was voted to invite the Willimantic, Danielson and New London corps to a dinner at the next meeting, April 12. An invitation was extended from Mrs. D. Louise Atterbury, chairman of the banquet committee of the Daughters of Union Veterans of the Civil War to the convention banquet to be held on April 29 and 30. At recess the usual tea and refreshments were served. After the salute to the flag the meeting closed in usual form.

REBEKAHS

The regular meeting of Hope Rebekah lodge, No. 21 was called to order Wednesday evening by the noble grand, Mary L. Dow. The lodge opened in due form. The regular routine of business was followed.

At the close of the meeting the following programme was given under the supervision of Mrs. Helena Church, chairman of the entertainment committee:

Songs by the lodge members, "All Together" and "Sweet Adeline"; word of welcome by the noble grand; quartet composed of Mrs. Crowell, Mrs. Church, George A. Turner and Joseph Hynd rendered "Love's Old Sweet Song" and "Kentucky Babe"; reading by Mrs. William Manning, "Where Ignorance is Bliss" and "The Nervous Woman at the Telephone"; duet, by Mrs. Crowell and Mrs. Church, "I Live and Love Thee" and "Nearest and Dearest"; songs by the lodge members, "Eastside-Westside" and "She's My Sweetheart"; solo by Mrs. Church, "An Open Secret" and "Lazin Along"; reading by Mrs. Manning, "Mrs. Noonan on Ca-lor-ies" and she also responded with an encore; quartet sang "Medley from the South" and "Bohunkus".

Mrs. Crowell, Mrs. Manning, Mr. Turner and Mr. Hynds were presented gifts in appreciation of their entertaining. Following this very pleasing programme refreshments of sandwiches, assorted cakes and coffee were served.

There were a good number at the sewing society and it is hoped there will be a large number on the afternoon of April 3rd, as there is still a great deal to be accomplished.

ODD FELLOWS

The regular meeting of Shetucket lodge, No. 27, I. O. O. F. was held Tuesday evening in Odd Fellows hall with Noble Grand Eugene Wood in the chair. The regular order of business was quickly gone through after which interesting remarks were made by several of the members. The entertainment committee under Chairman Staubley held a joint meeting Wednesday evening with the entertainment committee of Uncas lodge and Hope Rebekah lodge and made plans for an entertainment for the members of the three lodges in the near future. A number of the members also accompanied Noble Grand Wood in a visit to Mohegan lodge of New London on the same evening. From all reports it was an enjoyable time.

Brothers Smith and Bill Hopkins are making a strong bid for the pinochle championship of the lodge but some of the brothers seem to think they are due for a fall in the near future.

JR. O. U. A. M.

Buckingham council, No. 14 met in regular session Wednesday evening with Councilor W. T. Austin presiding. There was a very good attendance.

Saturday evening, March 23 Stonington council, No. 5 will have for their guests the members of Chamberlain council, No. 2 of New Britain, the largest council in New England. They will present Stonington council with a flag which they won from the state council last year for the largest percentage gain in membership.

Some of the members went to New London last Monday evening and enjoyed a very pleasant evening with Roosevelt council, No. 8 at a pinochle party. Two of the members from Norwich took away the first and second prizes for the win.

After the meeting the brothers enjoyed a few games of pinochle.

Next week there will be another old-fashioned dance for the benefit of the council.

April 3 there will be another class initiation with refreshments after the initiatory ceremonies.

GRANGE AUXILIARY

The Grange auxiliary will meet for an all day session in Steiner's hall Wednesday, March 27, for a demonstration on house dresses by Miss Ruth T. Russell, the home demonstrator of Norwich. Mrs. Eliza Walker is chairman of the dinner arrangements and would like to have those who wish dinner notify her.

A very pleasant evening was spent with Canterbury grange last Wednesday evening with 36 members from Norwich grange attending. The lecturer of Norwich grange put on a very pleasing programme as follows: Pantomine, Bluebeard; recitations, Mr. Maples; solo, Mrs. Richardson, accompanied by Mr. Phillips; dance number by Miss Helena Crandall, accompanied by Mrs. Mabel Stebbins. A delightful musical number was given by the new Lisbon grange members. Refreshments were served and all voted it an evening long to be remembered.

BOZRAH GRANGE P. OF H.

Bozrah grange, Patrons of Husbandry met Wednesday evening at the Bozrah town hall. The meeting was called to order by Worthy Master William Davis. After the usual business was transacted there was an enjoyable programme in charge of Worthy Lecturer Clare Gilman. Refreshments were served. The next meeting will be held April 3.

MANCHESTER UNITY

Loyal Victory lodge, Manchester Unity, met in Steiner's hall with Noble Grand Elizabeth Houston, in the chair. A committee was chosen for a bean supper and salad supper. Emma E. Lamphere was chosen delegate to the district convention to be held in New London, April 3. The meeting adjourned to April 4.

CANTERBURY GREEN

START ON NEW ROAD—VISITORS AT THE GRANGE

Work began Monday on the new road extending south of the village.

A rousing grange meeting was held at the hall Wednesday evening. Thirty-seven members from Norwich and 26 from the newly formed grange at Lisbon were present and gave the program. There were also visitors from Pachaug, Plainfield, Preston City and Scotland, with 46 of the local order. An amusing feature of the entertainment was a pantomime, Bluebeard's Wives, put on by Norwich people. A clam chowder supper was served by the home economics committee. Mrs. Hawes, Mrs. Eagar, and Mrs. Williams. Degree work will be the order at the next meeting.

At Hyde street, Andrew Clarke is ill with grip.

Michael Shea and sister are recovering. Visitors at their home recently were D. T. Shea of Norwich, Mr. and Mrs. Jeremiah Shea and Timothy Shea and granddaughters, Marion and Carmonia Calderone, of Providence.

Daniel Rose of Scotland, formerly of Canterbury, recently called on friends here and spent the night at Hubert Graves'. Mr. Rose attended the grange in which he has always been much interested. At the time of the building of the grange hall, he being a mason, laid the foundation, generously giving time and labor.

The Ladies' Aid society meeting was held with Mrs. Kerr Tuesday afternoon instead of at the parsonage as planned. Mrs. Waldo will entertain the next gathering.

Mrs. Harry Small who was called to New York this week by the illness of her daughter is expected home today (Saturday).

Miss Helen Kelley of Dayville was a recent visitor at Arthur Bennett's. A guest now at the same home is Mrs. Bennett's uncle, A. N. Smith of Washington, R. I.

Mrs. Martha Frink entertained this week Mrs. Holden and Mrs. Steere, friends from Norwich; also her daughter, Mrs. Addie Hyde of Brooklyn.

Miss Helen Hart has a position at Jewett City Savings bank.

Mr. and Mrs. Houston Lathrop and daughter Betsy of Monument Beach, Mass., visited over Sunday at the Lathrop home. Mrs. James Lathrop has been ill with influenza, but is improving.

VOLUNTOWN

NORWICH ENTERTAINERS RECEIVE ANNUAL WELCOME

Union hall was crowded to the doors Friday evening last at the annual visit of the Rose City Dramatic club of Norwich, who gave one of their finest productions, a three-act farce, "Dad's Troubles." Members of the cast interpreted their parts in true professional style and kept the audience in good humor throughout the evening, applause greeting the performers continuously. The play was given for the benefit of St. Thomas' church and as a result a substantial sum was added to the church treasury. Local people are always pleased to welcome this company on their annual visit. They always give a god entertainment and their fine spirit in coming at their own expense and giving the entire proceeds to the churchis greatly appreciated by the townspeople. After the entertainment refreshments were served the company at the rectory by Rev. Father John D. Carey.

Mrs. Floyd Ray, principal, Mrs. Alexander Tanner and Miss Regina O'Neill of the Center school and Miss Margaret Tanner, principal of Wylie school attended a recent teachers' meeting at Lisbon school. A splendid display of work by pupils of the Voluntown schools was on exhibition and was highly praised.

Mill to Start Soon.

Local people are greatly pleased at the announcement that the Stone mill will soon be in operation again. The new owners plan to operate it as a dyeing, bleaching and finishing plant for high grade silk, rayon and fine cotton goods. The new company will be known as the Beachdale Co. Operators will commence as soon as the mill can be prepared for this new class of work. Machinery has been ordered and will be installed as soon as possible. The new superintendent, Paul Davignon of Webster, Mass., is already here to supervise preparations.

Country roads in this section are in their usual spring condition and motorists are having trouble when they find it necessary to drive over them.

Robins and bluebirds have been heard.

Fine weather will soon start the boys talking baseball. Many are wondering if anyone will try and put Voluntown on the baseball map again.

Several new families moved into town during the past week. It already looks like a scarcity of tenements when the Stone mill starts operations

Lenten devotions were held at St. Thomas' church Tuesday and Friday evenings.

Mrs. Antoni Reno was taken to Backus hospital, Norwich, on Friday last and underwent a surgical operation on Saturday. Friends and neighbors are pleased to hear that she is resting comfortably.

James Hopkins is seriously ill at his home on Popple hill.

KOSHER TRADE BOOSTS MARKET FOR POULTRY

NEW YORK—(AP)—Prices of live, heavy hens, weighing four pounds or more, have averaged highest on the New York city market during the month of March over a 16-year period.

The Jewish holiday demand is the principal influencing factor, 85 per cent of the city's annual live poultry receipts being consumed by the Jewish kosher trade. Extra fancy quality birds, well fleshed and absolutely clear of all blemishes, are demanded.

Jewish holidays in 1929, which are important from a poultryman's standpoint, are Purim, March 26; Passover, April 25-May 2; New Year, October 5; Fast of Gedaljah, October 9; Day of Atonement, October 14; Feast of Tabernacles, October 19-26; and Rejoicing of Law, October 27.

JANUARY AND FEBRUARY SALES 100% AHEAD OF LAST YEAR

STARTING with its first presentation to America's motorists, the new Superior Whippet has aroused an ever-growing tide of public enthusiasm. In January and February, sales showed a gain of more than 100% over sales for the corresponding months of 1928. This is dramatic proof of the new Superior Whippet's tremendous popular acceptance as the finest value ever offered a Four or light Six driver.

You will readily understand such remarkable success when you see and drive the car. An inspection reveals the new Superior Whippet's beauty of design and tasteful refinement of detail.

A demonstration reveals higher speed, faster pick-up and greater power, together with ease of control and comfortable riding qualities never before associated with such an inexpensive car.

LEGAL NOTICES

TAX NOTICE

All persons liable to pay taxes in the Town of Hampton are hereby notified that I have a warrant to levy and collect a tax of 21 mills on the dollar on the list of 1928.
For the purpose of collecting such taxes, I will be at the Town Clerk's Office on Monday, April 1st, 1929, from 2 o'clock p. m. until 5 o'clock p. m.
Taxes are due and payable as follows: One-half April 1st, 1929; one-half Oct. 1st, 1929.
Interest and fees will be collected on all overdue taxes.
DELLA C. L. WEEKS, Tax Collector
Dated at Hampton, Conn., this 14th day of March A. D. 1929. mar16d3t

NOTICE TO PRESENT CLAIMS

New London County Agricultural Society
By Order of the Superior Court of New London County all creditors of The New London County Agricultural Society are hereby notified that four months from and after April 1st, 1929, is limited for the presentation of claims against said Society and all claims not so presented are forever barred and notice is hereby given to all parties concerned of said limitation and all persons having such claims must present or mail them to me within said time.
Norwich, Conn., March 16th, 1929.
GILBERT S. RAYMOND, Receiver.
No. 161 Main St., Norwich, Conn. 3t mar18-23-30

CANTERBURY, CONN., TAX NOTICE

Notice is hereby given to all persons liable to pay a Tax in the Town of Canterbury, Conn., on the grand list of 1928, that I have a Rate Bill with warrant attached for the collection of Thirty-Two mills on the Dollar.
Said Taxes will be due April 1st, 1929. Taxes may be paid any time after the rate book is in my possession which will be March 20th 1929. I will be at MacLeod's Store on April 1st, from 2 to 3 p. m., to meet any who wish to pay at that time. On all Taxes not paid on May 1st, 1929, interest will be charged as the law directs.
Dated at Canterbury, Conn., March 14th, 1929.
Signed: W. D. WRIGHT
3t F mar16 Tax Collector.

WARNING!
SPECIAL TOWN MEETING

The legal voters in Town meeting of the Town of Norwich, are hereby warned to meet in Special Town Meeting to be held in the Town Hall, in Norwich, on Monday, March 25th, 1929, at 8:00 o'clock P. M., to hear and act upon the following matters:
To give authorization to the Board of Selectmen to sell in and for said Town the land and buildings heretofore occupied and used for the Bean Hill School, so-called, located on West Town Street, in said Town of Norwich.
Also to act upon a petition signed by more than twenty legal voters requesting that the Town accept Julian Street as a public highway.
Also to act upon a petition requesting that the name of Tanner Street so-called, in the Town of Norwich, be changed to John Birchard Lane.
Also to act upon a petition signed by more than twenty legal voters requesting the calling of a Special Town Meeting to take such action as it may see fit on the grand list as left by the Board of Relief.
Dated at Norwich, Connecticut, this 19th day of March, 1929.
WILLIAM S. MURRAY,
CHARLES P. BUSHNELL,
PATRICK T. CONNELL,
Selectmen of the Town of Norwich

NOTICE

Notice is hereby given that, upon application of William C. Noyes, of Norwich, Conn., for the approval of two extra pumps to be placed at his station previously approved by law for the sale of gasoline and oil, which station is located at number 315 Laurel Hill Ave., in the City of Norwich, Friday, April 5th, 1929, at two o'clock in the afternoon thereof is set as the time for a hearing at my office in the court house in said Norwich upon said application.
LEE R. ROBBINS,
3t mar22 Mayor.

LISBON TAX NOTICE

Notice is hereby given to all persons liable to pay tax in the Town of Lisbon that I have a warrant to collect a tax of thirty (30) mills, on list of 1928, due and payable April 1, 1929, and for the purpose of collecting the same I will be at the store of Arthur Fagnant at Blissville, Saturday, April 6, from 1 to 2:15 p. m.; at the Town House from 2:30 to 3:30; at the shop of Everett Alley, formerly the Bond schoolhouse, Saturday, April 13, from 2 to 3:30 p. m.
Legal interest will be added on all overdue taxes.
Dated at Lisbon, March 9, 1929.
ALWIN KAEMPFFE,
3t S mar23 Collector.

DISTRICT COURT OF THE UNITED States, District of Connecticut.
In the matter of Theodore J. Saucier, Bankrupt. In Bankruptcy No. 9304.
UPON PETITION FOR DISCHARGE
Notice is hereby given that Theodore J. Saucier, of Griswold, in the County of New London and State of Connecticut, has filed his application, dated, March 18, A. D. 1929, for a discharge from all his debts in bankruptcy, and that all his creditors and other persons interested objecting to such discharge may attend before Thomas M. Shields, Special Master, at his office in Norwich, Conn., on the 22nd day of April, 1929, at 10 o'clock A. M., then and there to examine the bankrupt, and to show cause, if any they have, why such discharge should not be granted, and to determine whether or not to authorize the trustee to interpose objections to such discharge.
THOMAS M. SHIELDS,
Norwich, Conn., March 22, 1929. Special Master.

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 22nd day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of Alfred L. Phillips, late of Lisbon, in said District, deceased.
The Administratrix appeared in Court and filed a written application alleging that said estate is now in settlement in said Court, and praying for an order to sell certain real estate belonging to said estate, fully described in said application, and that some person other than the Administratrix be appointed and authorized to make such sale.
Whereupon, it is Ordered, That said application be heard and determined at the Probate Court Room in the City of Norwich, in said District, on the 27th day of March, A. D. 1929, at 10 o'clock in the forenoon, and that notice of the pendency of said application, and of said hearing thereon, be given by the publication of this order once in some newspaper having a circulation in said District, at least three days prior to the date of said hearing, and that return be made to the Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.
mar23d

AT A COURT OF PROBATE HELD at Montville, within and for the District of Montville, on the 21st day of March, A. D. 1929.
Present, DAN D. HOME, Judge.
Estate of Mary Knott, late of Montville, in said District, deceased.
Ordered, That the Administrator cite the creditors of said deceased to bring in their claims against said estate within six months from this date, by posting a notice to that effect, together with a copy of this order on the sign-post nearest to the place where said deceased last dwelt, and in the same town, and by publishing the same once in The Norwich Bulletin, a newspaper having a circulation in said district, and make return to this Court.
DAN D. HOME, Judge.
The above and foregoing is a true copy of record.
Attest, CARRIE W. CRAIG, Clerk.
NOTICE
All creditors of said deceased are hereby notified to present their claims against said estate to the undersigned at Montville, Conn., within the time limited in the above and foregoing order.
HARRY C. BOGUE,
mar23d Administrator.

GALLANT NEW LONDON TRAFFIC COP TAKES DARE OF BLONDE WAITRESS

(Special to The Bulletin)

NEW LONDON, March 22—New London's police officers have been charged with various lapses that would bring them before City Manager William A. Holt, but it remained for a kissing bug charge to be made today against Patrolman Henry Sylvia, under the head of conduct unbecoming an officer. The charge, however, in reality was for staging a "necking" party while performing traffic duty yesterday afternoon. There was no doubt as to Sylvia's guilt, for he admitted his act and as a result City Manager Holt imposed a penalty whereby Sylvia will be deprived of one day's compensation.

Sylvia was on his fixed post at the corner of State and Bank streets late yesterday when a waitress employed at a local restaurant, appeared among other pedestrians to cross Bank street. As the blonde restaurant employe was crossing, Sylvia remarked to her that it would be a pleasure to kiss her. Thereupon the waitress walked directly in front of Sylvia and dared the officer to prove his wish by exhibiting his kissing proclivities. The officer was not to be out-dared and at once imprinted a kiss upon the waitress' lips. It was no hurry buss either, for witnesses of the incident (and there were many of them) were of the belief that they would be compelled to pry the couple apart in order that traffic might be resumed. When Sylvia and the waitress finally parted and traffic was restored, Acting Sergeant John Courtney was informed of what had occurred and reported Sylvia's conduct at police headquarters with the result that charges were immediately handed to the city manager and action was taken.

This afternoon when Sylvia reported for duty at 3:30 he was ordered to leave his customary beat and to cover a beat other than that of traffic officer. Sylvia was sent to Bank and Shaw streets where he was to perform patrol duty until 9 o'clock and from that hour to patrol side streets.

Henry R. Griswold has sold to Henry R. and Lovina B. Stiles a house and lot on Grenada Terrace.

Leonard Andriola, of Groton: Mrs. Michael Halliey and infant son, 499 Williams street; Mrs. John Byrkman, 69 West street; Seco Sylvia 27 Fourth street and Jennie Santacroce, 83 Woodbridge street, patients at Lawrence-Memorial hospital, were discharged today.

The New London Dairy company has disposed of its business, stock and fixtures to the New London Dairy & Mohegan company.

Lester Martin, 24 Keeney lane, employed as messenger by the Connecticut Power company, was in the police court today on a charge of reckless driving, but on the recommendation of Acting Prosecutor Max Boyer the charge was nolled. Martin was driving his automobile on Montauk avenue last evening and at the corner of School, he attempted to drive his machine on the latter street with disregard to automobile traveling in the opposite direction on Montauk avenue with the result that Martin's auto and a car driven by Edward J. Murray, 9 Jefferson avenue collided. Both machines were damaged, but their occupants escaped injury. Automobile Patrol Officer George Cockell arrested Martin after investigating the crash.

The only other case tried was that of a man arrested on North Bank street last night charged with intoxication. He was sentenced to 10 days in jail, but execution of the sentence was suspended.

College Elections

Officers elected in the various organizations at Connecticut college are: President of Service League, Ruth Barry; President of Athletic Association, Elizabeth Hartshorn; president of press board, Edna Whitehead; editor of News, Louise Kent; officers of the Junior class, President Gwendolyn Thomen; editor of Koine, Eleanor Tyler; business manager of Koine, Isabel Gilbert.

New London chapter of Hadassah plans the annual Purim ball next week at the Hotel Mohican, according to arrangements made at a committee meeting last night at the home of Mrs William Polinsky of Montauk avenue.

Mrs. Annie E. Kenerson, deputy president of Orient Rebekah lodge was surprised by members of the organization, following the regular business meeting in Odd Fellows hall, with a party in celebration of her birthday. She received a shower of cards and a birthday cake.

Union circle of the Methodist church netted $50 from a New England supper held at the church last night.

A rummage sale conducted Wednesday by the Catholic Women's club cleared $87.

Miss Frances Green, who has been employed at the Savings bank of New London for more than two years, has resigned to make a visit in Miami. She is a graduate of Connecticut college and became associated with the bank immediately after graduation.

More than $60 was taken in at the Ponjiffeo social held yesterday at the Huntington street Baptist church. The affair was unique and provided great fun for the many who attended.

Zeta Omega Delta fraternity is to hold its fifth annual Easter dance at the Hotel Mohican. The committee is headed by LeRoy Latham.

Beginning Sunday night, Rabbi David Traub will give a series of lectures to young women of the Jewish faith, at the Jewish Community hall, Blackhall street.

Mrs. Joseph Jordan of 104 Squire street, gave a party yesterday afternoon for her son William on his third birthday.

The trawler Fisher, which was supposed to land at the pier of the Atlantic fisheries this morning failed to arrive. Thick weather conditions prevented the craft from making regular speed.

The National Economy Reality corporation has been formed in this city according to papers filed with the secretary of state, Hartford. The new company has capital stock of $50,000 of which amount $12,000 is paid in. Incorporators are Abraham Gordon, David L. Lubow and Nathan E. Lubow. The new concern was organized for the purpose of dealing in real estate in connection with the National Economy Stores Inc., of this city.

COMMITTEE SEEKS POWER TO BUY ACADEMY SITE

(Special to The Bulletin)

NEW LONDON, March 22—City Manager Holt, Councilor Whiton, Director of Law Troland and Waldo E. Clarke, resident engineer of the state pier, went to Hartford today to confer with the trustees of the Harriet V. Allyn estate, regarding the purchase of land from them on which to erect the proposed U. S. Coast Guard academy. The committee was sent as the result of their being appointed by the city council last night.

Mrs. Jeremiah McCarthy and daughter, of 982 Vauxhall street and Antonio Martin of 91 Crystal avenue were discharged as patients at Home Memorial hospital today.

Frederick Zepp has leased from John McGarry a section of garages in Walker street from April 1 for one year at an annual rental of $3,000, according to a certificate filed today at the office of City Clerk Moran.

Catholic churches of the city are preparing for the solemn services of Holy week, which will open with the masses of Palm Sunday.

Express Package Lost

Officials of the American Railway Express company reported to the police tonight that a package weighing 21 pounds and shipped from a city in North Carolina, had been lost from one of the company's delivery trucks. The package was consigned to the Hudson Silk company, 34 Main street. It was not recovered.

An automobile driven by Ottman Emile, 84 Maple avenue, struck an unidentified boy cyclist on Howard street, corner of Hamilton street, this morning. Although the youth was knocked from the wheel he sustained only minor bruises and would not give his name to Emile.

Several New Londoners went to New York and witnessed the fight in Madison Square Garden tonight between Jimmy McLarnin, coast fighter and Ray Miller, Chicago battler.

One of the display windows of the Whelan Drug company, corner of State and Bank streets, was ruined by accident today, through the carelessness of the company's porter. The employe was removing from the cellar to the street a gas container used at the soda fountain, and by means of an elevator. Instead of the heavy iron tube being placed so that it would not topple over it was placed in a standing position and the elevator coming to a stop at the street surface, it fell over and crashed against the big plate glass, shattering it.

BULLET FIRED BY BOY PIERCES STORE WINDOW

(Special to The Bulletin)

NEW LONDON, March 22—Only by good luck a fatality did not result tonight through the carelessness of a youth who was testing his marksmanship. The lad of 15 used a 32 calibre revolver and one of the leader missiles entered the store of Nicholas Muscarella, a Bayonet street merchant. The youth went to the rear of the Corticelli Silk company's dye house, Bayonet street and there improvised a target. Going back many paces the boy started firing at the target. One of the bullets traveled wide of its mark and crashed through the window at the front of the store but strangely enough, none was boys were standing in front of the store but strangely enough, none were in the path of the bullet. Muscarella made complaint to the police because of the reckless shooting. Automobile Patrol Officer Clarence Martin rounded up the shooter, and another youth who was in his company. Both were brought to police headquarters and placed in the custody of Probation Officer Richard W. Mansfield.

MASONIC FUNERAL FRIDAY FOR CAPT. DAVID J. HUNT

(Special to The Bulletin)

NEW LONDON, March 22—The funeral of Capt. David J. Hunt, master of the Merritt-Chapman & Scott company's tug Commissioner, who died suddenly aboard the tug, which was en route from Allyn's Point to New London Tuesday night, was held this afternoon at 2:30 o'clock from the Huntington Street Baptist church. The funeral was attended by a large assemblage of mourners. The services were conducted by Rev. Joseph A. Elder, former pastor of the church, assisted by Rev. Frederick G. Chutter, of Mystic. The committal ritual at Cedar Grove cemetery was carried out by Worshipful Master George L. Marsters, of Union lodge of Masons, and Chaplain Charles C. Perkins. Members of the lodge acted as bearers. As the body was lowered into the grave, a squad fired a volley and taps were sounded.

ANNOUNCEMENTS

Central Baptist Church.

Attractive Residence Property Sold

The residence known as No. 26 Mohegan road, just off of Washington street with frontage on the Washington street entrance to Mohegan park and owned by Mrs. Ruth W. Branche has been sold to Mrs. Helen F. Van Tassel. The property consists of an attractively landscaped plot 70 x 200 feet in dimensions together with a recently constructed residence containing 6 rooms and sun parlor. There is also a garage for two cars. The sale was made through James L. Case, realtor.

West Side Garage

Louis Rosenberg and Sons, proprietors of the West Side garage at 194-200 West Main street, Norwich, have been made the new Durant dealers for Norwich and vicinity. They have on display the new Durant six cylinder coach, four door sedan, coupe, deluxe sedan. The West Side garage is a master service station and is open daily from 5:30 a. m. to 1 a. m. Sales and service. They also sell Hood tires and tubes, accessories, gasoline, oils. Washing and polishing and the new way to grease your car, while you wait.

Breed Theatre

Clive Brook, who plays one of the important roles in "French Dressing," coming tomorrow to the Breed theatre, is an English war veteran with a brilliant record.

Brook was a young actor on the London stage at the outbreak of the World war. He immediately enlisted and after going through a number of the hardest battles was severely wounded, and invalided home where, after a long seige in the hospital, he recovered had returned to the stage where he rose to fame.

The late Thomas H. Ince saw him in London, and brought him to America to play a lead in "Christine of the Hungry Heart," with Florence Vidor.

His success in pictures was instantaneous, and since then he has interpreted a numbero of the most important roles the films had to offer.

In "French Dressing," a Robert Kane presentation for First National, directed by Allan Dwan, he portrays the role of a Parisian man-about-town. H. B. Warner, Lois Wilson and Lilyan Tashman are also featured in the cast.

Palace Theatre

The show which comes to a close today is one that should be seen by all. The vaudeville program is headed by the Cantor & Rose review, a new and novel offering with six clever artists and beautiful scenic effects. Evans & Adams in just parodies. Hall & Moore in Bungle Love, Stoddard & Brown in Musical Offerings and Randow Trio in a novelty offering.

A very pretty love story, with sympathetic acting and direction, is shown in the new picture at the Palace theatre. "The Spirit of Youth," a Tiffany-Stahl production featuring Dorothy Sebastian and Larry Kent, is the love story of a little librarian in a seaport town, who falls in love with a sailor only to have him turn out to be a fight champion with social ambitions.

What would you do if the doctors gave you only one year to live? Would you spend your life's earnings in one riotus swoon? Would you retire to some quiet solitude to pass the rest of your life in meditation and study? Would you travel? Wanton? Live like a lord of an ascetic? See what one man did at the Palace tomorrow and Monday in "The Lookout Girl," featuring Jacqueline Logan and Ian Keith!

Torres Strait, between Australia and New Guinea, is the scene of "Tropical Nights," the Tiffany-Stahl picture coming tomorrow to the Palace theatre, in which Patsy Ruth Miller and Malcolm McGregor have the principal roles. The story was suggested by "A Raid on the Oyster Pirates," one of Jack London's famous adventure yarns, and Elmer Clifton directed.

Broadway Theatre

Norma Talmadge plays the most daring role of her career in "The Woman Disputed," an adaption of the sensational stage success of the same title, which is coming to the Broadway theatre tomorrow for a four-day run.

The United Artists picture was directed by Henry King, veteran megaphone chief whose string of successes include Lillian Gish's "The White Sister," Richard Barthelmess's "Tol'able David" and the all-star feature, "Stella Dallas."

Sam Taylor, Harold Lloyd's famous director, maker of "Girl Shy" and "Safety Last," was co-director with Mr. King.

Miss Talmadge's second vehicle for United Artists has its locale on the Austrian-Russian border before and during the World war. The earlier scenes reveal the star as a flashily-garbed girl whose beauty makes her a conspicuous figure in the nightlife of an Austrian city. She is loved by two men, former friends, whom the war makes enemies as well as rivals.

The supporting cast of "The Woman Disputed" is head by Gilbert Roland, the leading man who won his first big success with Miss Talmadge in "Camille" and later again scored heavily opposite her in "The Dove." Roland plays a dashing Austrian army officer.

A specially prepared sound accompaniment is a feature of the presentation of "The Woman Disputed" at the Broadway theatre. The musical score, and sound effects personally devised by Hugo Riesenfeld, celebrated composer and conductor, formerly musical director for the Criterion, Rialto and Rivoli theatres in New York city, are given by the Riesenfeld orchestra through the medium of the new sound reproducing apparatus installed for the benefit of Broadway patrons. Perfect synchronization between action and sound is achieved throughout the entire exhibition.

Broadway Theatre

"The Woman Disputed," the love and hate drama of an outcast woman's redemption, brings Norma Talmadge to the screen of the Broadway theatre tomorrow, in what is said to be the greatest role of her career.

This United Artists picture is based on the sensational stage play of the same name by Dennison Clift. The story, as translated to the screen by C. Gardner Sullivan, has, in its film manifestation, all the drama, virility and charm of the play, authorities who have seen both versions state.

A character of unusual strength and fascination, perhaps one of the strongest in fiction, is the way critics have described Mary Ann Wagner, the heroine of "The Woman Disputed," the part played by Miss Talmadge. Mary Ann's life is the drama of regeneration, the romance of boundless love, and conflict between self and sacrifice.

Two men, inseparable friends, fall in love with Mary Ann. Then comes war and the rivals in love find themselves rivals in war. Misunderstandings destroy the friendship of years and a lust for vengeance springs up in its place. Loneliness, the unending tread of war-racked soldiery, the desolation of battle-scarred country and the pitiless hand of a steel-hearted invader sweep before the girl in kaleidoscopic rapidity.

The players appearing in support of Miss Talmadge in "The Woman Disputed," are well known to picture-goers. Gilbert Roland hero of Miss Talmadge's "The Dove," plays a like role in this film. Arnold Kent is the rival suitor, and other members of the company totaling several thousand actors are Gustav Von Seyffertitz, Michael Vavitch, Boris de Fas and Gladys Brockwell.

Burgess Bedtime Story

Gentleman Jimmy

The tender-hearted never quail,
Nor let the hand of mercy fail.
—Farmer Brown's Boy.

There was great excitement up at Farmer Brown's. Mother Brown had heard Bowser barking excitedly out in the dooryard and had come to the door to see what it was all about. "My land!" exclaimed Mother Brown, and hastily stepped back. Standing on the doorstep and looking up at her in the most mournful way was Jimmy Skunk, with a small glass jar fast on his head.

Now, Mother Brown has one of the kindest hearts in the world. She had stepped back hurriedly because she had been startled. But now she stepped forward again. She was acquainted with Jimmy Skunk. They were old friends. Jimmy had even been in her kitchen and made himself at home there. "You poor thing!" said Mother Brown. "If you were not such

He walked right into the house

a perfect gentleman, I might be afraid. But I'm not afraid. How under the sun did you get that jar on your head? I suppose there was a little bit of something in there that smelled good, so you poked your head in after it. The question now is, what are we going to do about it? I do believe you came straight here seeking help."

She was right about that, as you and I know. Jimmy had understood that no one could help him but one of those two-legged creatures called humans, and so he had headed straight for Farmer Brown's. It had been a long trip and a hard trip and Jimmy was tired. But now he felt that something would be done for him.

"Hello, what's going on here?" exclaimed Farmer Brown's boy, who had just come around the corner of the house.

"Your friend, Jimmy Skunk, has got himself in trouble, and I do believe he has come to us to get him out of it," replied Mother Brown.

"Of course, he has," said Farmer Brown's Boy, "and we have got to get him out of it."

He stooped over and gently picked Jimmy up. Jimmy made no protest whatever. Farmer Brown's Boy sat down on the doorstep, holding Jimmy in his arms. Then he took hold of that jar and tried to pull it off Jimmy's head. But it wouldn't come off. It had gone on, but it wouldn't come off.

"I want the hammer," said Farmer Brown's Boy.

"You are not going to break that jar on his head, are you?" demanded Mother Brown.

"That's just what I'm going to do," replied Farmer Brown's Boy.

Mother Brown looked doubtful. "I'm afraid you'll get in trouble, Son," said she. "If you are going to try anything like that, you'd better take him away from the house. I'm afraid Jimmy won't understand and will use that spray-gun of his. I don't want the house filled with that dreadful smell."

"Jimmy won't use that spray-gun," said Farmer Brown's Boy. "If he didn't trust us, he wouldn't have come all the way up here looking for help. Just you get me the hammer."

So Mother Brown went for the hammer. Farmer Brown's Boy wrapped a piece of burlap around the jar, including Jimmy's head, of course. Then with the hammer he struck a quick, sharp blow, hard enough to break the glass, but not hard enough to hurt Jimmy. They heard the glass break. Farmer Brown's Boy opened the piece of burlap and there was Jimmy Skunk free. He looked up at Farmer Brown's Boy in a most grateful way, as much as to say, "than you." Then Farmer Brown's Boy put him down. What do you think Jimmy did? He walked straight into the house and began to drink from a saucer of milk that belonged to Black Pussy the Cat.

"I told you Jimmy was a gentleman," said Farmer Brown's Boy. And Farmer Brown's Boy was quite right.

(Copyright, 1929, by T. W. Burgess)

The next story: "Jimmy Skunk Investigates."

GURLEYVILLE

Miss Miriam Taylor of South Coventry, was a week-end guest of her cousin, Miss Doris Wood.

John and Oliver Wood were in Hartford last Wednesday on business.

Dwight Beebe and family, of Boston, were week-end guests of Mrs. Beebe's parents, Mr. and Mrs. George Dimock.

Last week, on account of the warm weather and rain, the bottom of the dirt roads nearly fell out and in several instances automobiles were stuck. Selectman Gardner got on some of the roads and did good work. It would seem fine if the state highway department could build more good roads out in the country among the farmers, who with difficulty and smashed automobiles attempt to get away from their homes. They pay the same tax as those living on improved roads.

The old Munyan house, where Mr. and Mrs. David Munyan lived about 30 years, was entirely consumed by fire recently. It was owned by New York people and was unoccupied this winter.

Norwich Bulletin

1790 1929

NORWICH, CONN. SATURDAY, MARCH 23, 1929

FULL ASSOCIATED PRESS DISPATCHES

The Bulletin.

Norwich, Saturday, March 23, 1929

THE WEATHER

Conditions

The disturbance that was over Quebec Thursday night has moved eastward to New Foundland. An area of high pressure is advancing rapidly east southeastward over the St. Lawrence Valley and New England.

Snow was falling at 8 p. m. from eastern Montana eastward to upper Michigan. The temperature has fallen in northern New England. It is unseasonably warm from Wyoming, Utah, and Arizona, eastward to the Atlantic coast.

The weather will continue mostly cloudy with occasional showers over the Washington forecast district, during Saturday and probably Sunday. The temperature will continue mild except that somewhat colder weather will overspread portions of the north Atlantic states during Sunday.

Winds

North of Sandy Hook:—Increasing southeast shifting to south winds and overcast thick weather with occasional rain and probably fog Saturday.

Sandy Hook to Hatteras:—Fresh southerly winds and overcast weather with occasional showers Saturday.

Forecast

From southern New England:—Rain Saturday and probably Sunday; warmer Saturday night; colder Sunday.

Observations

The Bulletin's observations show the following changes in temperatures and barometric changes Friday:

	Ther.	Bar.
8 a. m.	41	29.50
12 m.	70	29.50
6 p. m.	51	29.50

Highest 72; lowest 40.

Comparisons

Predictions for Friday: Occasionally rain.

Friday's weather: Fair, mild, southerly wind, light rain at night.

SUN, MOON AND TIDES
(Standard Time)

Day	Sun Rises a. m.	Sun Sets p. m.	High Water a. m.	Moon p. m.
18	5.56	5.57	3.22	1.32
19	5.54	5.58	4.32	2.37
20	5.53	5.59	5.41	3.32
21	5.51	6.00	6.45	4.25
22	5.49	6.01	7.42	4.51
23	5.48	6.02	8.34	5.21
24	5.46	6.03	9.21	5.46

Six hours after high water it is low water, which is followed by flood tide.

NORWICH TOWN

FRANK GARDNER HALE CALLED HOME FROM SOUTH

Frank G. Hale, profesor of arts and crafts of Boston, who has been passing several days at the home of his parents, Mr. and Mrs. Albie L. Hale of Norwich Town, returned recently from a tour through the south, which took him as far as New Orleans. He was called home because of his father's illness.

During this week the spring coating of tarvia has been spread on that portion of Washington street, of the state highway extending through Town street as far as Williams' garage. The road bed received a good scraping and leveling putting it in fine condition. The work was under the supervision of Ernest Gadbois.

Mrs. Edward Wilson before returning to her home in Brooklyn, New York, Thursday afternoon, was a caller at the home of her cousins, Dr. and Mrs. Charles H. Lamb. Mrs. Wilson has been passing several days among Norwich relatives and friends, coming here following the sudden death of her aunt, Mrs. Edward A. Sims, for the past two years a resident of Norwich Town.

SACRED HEART CH. SCOUTS SHOW UP WELL IN TESTS

The Boy Scouts of the Sacred Heart church held their weekly meeting in the basement of the church from 7 until 9, Thursday evening. The report of the last meeting was read by the scribe. Then followed the discussion of unfinished business plans. Assistant Scoutmaster Walter Hawn drilled the boys in marching. James Mara was elected assistant patrol leader of the Buffalo patrol. By request of the Scouts the entertainment enjoyed last week, during the game period, was repeated. There was a large attendance and several visitors were present. The following tests were successfully taken: John Fields passed Scout oath and law, Scout motto, Scout hand clasp, Scout sign, Scout salute, the tenderfoot knots, history of the flag, significance of the badge, and the respects due the flag; Raymond Gallagher, Scout oath and law; Arthur Driscoll, Scout oath, Scout hand clasp and Scout salute; John Kivlin, significance of the badge, tenderfoot knots and respect due the flag. The meeting closed with the local Scouts and visiting Scouts, repeating in concert, the salute to the flag, and pledge of allegiance.

CLUB'S SURPRISE PARTY FOR MRS. L. E. ALDRICH

The Priscilla club connected with the Norwich Town Methodist Episcopal church gave a surprise party to Mrs. Lewis E. Aldrich, in her new home on Lee avenue, Thursday night. Mrs. Aldrich was really surprised when the members of the club with their husbands and young men friends rang the bell and announced their intention of spending the evening. The games were in charge of Mrs. Le Roy Miner. A beautiful end table with a book trough, a magazine rack and an Easter bunny filled with candy were presented Mrs. Aldrich in behalf of the club by the president, Inex Edmiston. The committee in charge of the party was Mrs. Le Roy Miner and Inez Edmiston.

Wolf Cubs Tell Stories

At the meeting of the Wolf Cub pack of Scouts connected with the Methodist Episcopal church, Friday afternoon, two Cubs, Frederick Ross and Ellis Bentley, told stories during that period usually used by the officers for that purpose. The cubmaster, Rev. George Warren Potter, had charge of the meeting, which opened with the bugle call by Bugler Ellis Bentley, followed by the Wolf Cub opening ritual. Assistant Cubmaster Ralph Smith had charge of a song period, also took the game period at the close of the meeting. Ellis Bentley was presented the second star, having completed all the tests required for that honor. Other tests were passed as follows: Fire lighting, Frederick Ross, John Gallagher, Leslie Morse, Richard Snow, Frederick Miller, Walter Kelley, John Yetke; thrift tests, John Yetke, Walter Kelley and John Gallagher; anthem test, Walter Kelley; message carrying, Frederick Ross.

Herbert Hoover, Jr., son of the president, believes that in a year airplane passengers will be able to telephone their offices and homes while in the air.

LOCAL BOND CO. GRANTED $1,776 JUDGMENT IN FORECLOSURE ACTION

At the short calendar session of the superior court in New London Friday Judge Christopher L. Avery entered judgment of $1,776.75 by foreclosure in favor of the Eastern Conecticut Bond and Mortgage Co. against Charlotte A. Page, John Oakes and Giles S. Chapman of Mystic. The judgment was granted on a note of $1,468.75, with additions for interest, counsel fees, as per terms of the note, insurance paid, and service charge. The property involved is located in Ledyard, and consists of 150 acres of land, a large frame house of between 10 and 15 rooms, a large barn and sheds. Oakes and Chapman are subsequent lienors.

The court set Monday, April 22 as the day for a sale, and appointed William I. Allyn, town clerk of Ledyard, the committee of sale. He appointed Frank Buckley and Samuel Z. Chesebro of Mystic appraisers. The sale is to take place on the premises at noon. Atty. Arthur M. Brown represented the plaintiff concern. Charlotte Page was represented by Atty. George Curtis Morgan. Oakes by Atty. John Hammacher and Atty. Benjamin H. Hewitt for Chapman.

In connection with this case, Giles S. Chapman was given judgment of $1,330 and costs against Charlotte A. Page and others.

Judge Avery appointed Elizabeth C. Chappell guardian ad-litem for the children of Robert B. Chappell pending an action in which Mr. Chappell has applied for permission to sell property in Huntington street, New London.

The court ordered foreclosure in favor of Gussie Gingold and Sarah Guldenblatt against Salvatore Camarda and others. Gussie Gungold has $1,900 of the judgment ad Sarah Gildenblatt, $800.

The property located in Montville is an 80 acre farm. County Commissioner George H. Bradford was named the committee of sale to sell the farm on April 29 and Dan D. Home, and Hubert Dart were named appraisers.

A motion was granted in the divorce action of Stella Mary Pillar of Norwich against George Pillar of this city, that the case be placed on the uncontested list, was granted when it was announced that the claim for alimony in the case would be abandonni Attorney Thomas M. Shields represents the plaintiff and Attorney Charles L. Stewart the defendant.

A former judgment was set aside and the case of Guley and others against Ritchanich, was reopened.

A $200 judgment to the Hampton Bank and Trust Co. was ordered in the case of Thomas H. Troland of New London, and others against the Connecticut Farm association, Inc. report of the receiver was accepted and the association was authorized to pay a dividend.

Judge Avery ganted a motion to amend complaint and judgment as per stipulation regarding certain provisions in the will of the late Alice Buck and allowances for expenses and counsel fee were both granted in the case of Florence C. Gillette, executrix of the estate of the late Augusta Gillette, against Charles L. Stewart, trustee, and others.

A motion for an argument of plea in abatement went off, and permission to amend writ was granted in the case of Bellefleur against the United States Finishing Co. Attorneys Henry L. McGuire and Clayton B. Smith represented the plaintiff.

The court denied three separate motions to set aside the verdict recently rendered by a jury in the superior court in the joint trials of as many suits brought against Manuel G. and Arthur J. Davis of Stonington. One verdict gave Dominic Morosini $2,000. He sued for $10,000 damages. Another verdict gave Peter Morosini $900. He, too, sued for $10,000. Another verdict gave Morris Morosini $400. He sought damages of $750.

Two motions to set aside verdicts in the cases of Andrew Startz of Mystic, administrator of the estate of little Andrew Francis Startz, and Gertrude Startz, the boy's mother, against Charles C. Dodd and Roscoe K. Burrows, of Mystic, were heard.

One verdict was for $5,000 in favor of Andrew Startz and the other was for $2,000 in favor of the mother.

FIFTEEN MOTIONS FOR COMMON PLEAS COURT

There are 15 motions on the motion list to come up Monday before the court of common pleas at New London. The list follows:

John N. Chittenden vs. Curtis O. Miner, Motion for judgment of foreclosure. Toney Josdovski vs. Lawrence Powpicz. Default for failure to plea. Charles Salvato & Co. vs. I. Goodman. Judgment per sworn bill of particulars. Charles Rothstein vs. Max Didrowitz, et al. Disclosure of defense or judgment. Charles Rothstein vs. Max Widrowitz, et al. Disclosure of defense or judgment. The Humphrey-Cornell Co. vs. Rosena M. Brockett, et al. Disclosure of defense or judgment. William A. Roy vs. Edwin S. Dewing. Judgment of default for failure to plead. Howell S. Bailey vs. City of Norwich. Disclosure of defense or judgment. Edwin Hellyar vs. Walter Petka. Hearing in damages and judgment. Michael Ciccarelli, et al. vs. Frank Bilnderman, et al. Judgment on default entered. A. Rakowsky, et al. vs. Giuseppe LoGiocco, et al. Judgment as per sworn bill of particulars. Hyman Garfinkel vs. Jack Weiss, et al. Disclosure of defense. Judgment. William B. Waterman, Inc. vs. James Matassa, et al. Judgment. Henry W. Larsen vs. Mae Towson Smith. Judgment by default for failure to appear.

Assignments — At New London, Monday, March 25: Marzaret S. Reynolds, Admx. vs. Jennie E. Smith.

At New London, Saturday, March 30: Adsizn Corporation vs. Crown Theater Corn., et al.

At Norwich, Monday, April 1: Meech & Stoddard, Inc. vs. William Burba, et al.

At Norwich, Saturday, April 6: Fred S. Landon vs. Louis Markow, John T. Harrington vs. Carrie A. Comstock.

At Norwich, Monday, April 8: Nathan Freedman vs. Isadore Levine, et ux. Arthur Pothier vs. Morris Foster.

At Norwich, Saturday, April 13: William Hankin vs. Alex Polkowski.

At Norwich, Monday, April 15: William M. Ryan & Sons, Inc. vs. The New Haven Road Construction Co. The Norwich Plumbing & Supply House, Inc. vs. Stanislaw Kiecolt, et al.

Claims for assignment—The Westerly Maviac Shop vs. Harry B. Haynes. American Oil Company, Inc. vs. Doyle's Garage. Charles Daigneault, et al. vs. Amelia Korniewicz. James Beran vs. John K. Foran et al. Tracy Farnum vs. The Connecticut Motor Transp. Co. Irving Eisenstein vs. Robert Goldstein. Robert Tetrault vs. City of New London. Star Garage vs. Edward Griswold. Plaut Cadden Company vs. Levinson & Eldridge, Inc., et al.

ZULU WOMAN TO SPEAK HERE SUNDAY EVENING

At a union service of the Congregational churches of the city on Sunday evening, in the United Congregational church, Miss Violet Makanya, a native Zulu woman graduated from an American Board school in Natal, South Africa, will tell of her work for the betterment of her race. Miss Makanya is a young woman of marked ability and force and her story will be a thrilling one.

She is in this country at present studying to make her life more useful in her native country, especially among the girls whose welfare is of great moment to her. She has organized purity leagues and is launching an intensive campaign against immortality, thereby making herself a real factor in the lives of her fellowmen. It is hoped that a large audience will hear her speak on Sunday night.

MANSLAUGHTER CHARGE AGAINST FILAN NOLLED

A nolle was entered in the case of Meyer Filan, 17, of Bozrah, when he was presented in the city court Friday morning. This action was taken as the result of the finding of Coroner Edward G. McKay, who exonerated Filan of all criminal responsibility in the death of Miss Jennie G. Bonney of Norwich Town. The machine he was driving struck and fatally injured Miss Bonney near her home on Dec. 21, 1928. His case was originally tried on Dec. 22, 1928, but was continued several times, pending the coroner's finding.

CALLED FOR BOSWELL AVENUE GRASS FIRE

Forty gallons of water from pump cans extinguished a grass fire, which broke out at 4.37 o'clock Friday afternoon on land owned by Gilbert S. Raymond in the rear of No. 325 Boswell avenue. The blaze started from a rubbish fire on land owned by Edward Gleason. Squad A, Acting Chief Henry R. Taft and Acting Deputy Chief Dennis J. Brennan responded.

GAVE SIXTH LENTEN TALK AT LOCAL Y. M. C. A.

Before a large and interested audience of local business men and others, Rev. J. Romeyn Danforth of New London, gave the sixth in his weekly series of Lenten talks Friday noon at the local Y. M. C. A. Hugh B. Campbell presided and Rev. Gurdon F. Bailey offered the prayer. The hymn was It is Well with My Soul.

In his characteristic and impressive manner, Rev. Mr. Danforth spoke on the topic, With Christ in Jericho. The series will come to a close next Friday noon. In part Rev. Mr. Danforth said:

It is a very rugged road which goes down from Jerusalem to Jericho. In the time of Christ it was more so. And robbers infested the caves in the limestone cliffs and gulches on either side of it. The Good Samaritan ran a risk when he went down there, but he found the chance to do something which made his life shine through all these centuries.

Christ always went in peril of His life, but that did not keep Him from going where He knew men needed Him. And there were people down in that hot border town of Jericho who needed Him. It is about the deepest spot of earth where people live, way down below the level of the sea in a valley which in summer becomes a perfect oven. But He went there.

We have no record of what He taught down there, but He must have brought them the same words of a better life which He was bringing in every other place He visited. We do not know how many cures the Great Physician made there. No place is immune from illness, and hot climates have suden sicknesses. But we do know of two men wholly changed by that brief visit.

Bartimeus and Zaccheus were very different from one another and their needs were just as different as they were. The one was a poor blind beggar. The other was rich and a tax collector for the nation which then held Palestine in subjection. But Christ understood everybody. And He could help everyone who was willing to receive His help.

It is seldom that a great crowd of people is silent. They talk and walk. They jostle one another. They call their friends. There is a good deal of noise. And the blind beggar could hear it all and wanted to know the cause. He asked and was told that Jesus of Nazareth was passing by. He had heard of Mim and of His healing the blind. Now was his chance. He called aloud. They told him to be still. His need of sight was greater than their need of silence. He clamored for silence.

That man was heard. Christ called him. Then everyone at once tried to help him to the Master. They knew what he would ask. Would he get it? There was a chance to see a miracle. They meant to be on the spot and see it. They saw it. The eyes of the blind man were opened. He ceased to be blind. The cause of his being a beggar was no longer and he was a new man. Our modern charity tries to remove the causes of poverty and distress. Would that we could do it as well as Christ did!

Then He went on through the town. It was not a big place. Now it is smaller yet. And when He had gone a little further a rich little man heard of His coming. He wanted to see Him. But he was so small. Nobody liked him, for his business was to collect the taxes due to Rome. Caesar's image on a coin didn't create any desire to part with it. They thought things of Zaccheus which must have burned.

A boy is glad to climb a tree to see anything of interest pass by, but a man must put his pride in his pocket to do it. He did it. And the neighbors must have found it interesting to see the man they did not like, up a tree. The Master had a keen eye for faith and for all other vital human traits. Under that tree He stopped and told the man to come down. He went with him to his home and made Himself his guest. And when Christ becomes the guest in any home that home is changed.

The rich man offered to give half of his goods to the poor and to restore four times as much as he might have wrongfully exacted of anyone. That was his golden thermometer, and it let all know the height to which his love had risen and the change which had come over his life. Men murmured at the Master for going into that house, but that Master showed that even He was one of them.

How foolish it is to get to thinking that others are so different and so inferior. When Christ comes we find that in His presence the difference is gone and we all belong to the same family: His own family. Surely in every town and in every age there is a Jericho. Perhaps we live in it. Then Christ comes and all things change.

Discharged from Hospital

Patients discharged from the W. W. Backus hospital Friday were Miss Frances Narusiewicz of 197 Central avenue and Master Charles Cochrane of 27 Bentley avenue.

CENTRAL BAPTIST CHURCH CLUB PRESENTED PLAY

The Every Other Monday club entertained a large and appreciative audience in Bushnell chapel, Central Baptist church, Friday evening when they presented the play, The Commander-in-Chief. The cast was as follows:

Thomas Kean, Father, Mrs. Alice Phillips; Mrs. Kean, Mother, Miss Nancy Patridge; Bobby Kean, child; Mildred Cass; Mildred, Grace Taft; Virginia, Signe Seaberg; Ruth Kean, older daughter, Marion Royce; Harold Boys, young minister and suitor of Ruth, Alma Tavlor; Mrs. Parker, a friend, Viola Hill; Patsy, the maid, Gladys Nevins; Dawson and Jones, Bootleggers, Amie March and Elsie Schelin. The music was furnished by Joseph Adams and the members of his orchestra. The play was given under the auspices of the Woman's Crusade.

At the close of the programme a cluster of pink carnations was presented the Every Other Monday club and a small gold piece to Mr. Adams of the orchestra. The presentations were made by Mrs. Arthur F. Wyman in behalf of the Women's Crusade. The ushers were Natalie Holden, Eleanor Sargeant, Anita Averill, Helen Bellows, Doris Lund and Elinor Howard.

NORWICH STUDENTS ATTAIN HIGH SCHOLASTIC STANDING

(Special to The Bulletin)

WORCESTER, Mass., March 22—William E. Hanson and Onnie Mathias Petroman of Norwich, members of the freshman class at the Worcester Polytechnic Institute, are among several Connecticut students to attain high scholastic standing for the first semester, according to honor ratings announced at the administration offices of the engineering college.

The Norwich freshmen achieved averages of between 70 and 80 per cent in all courses.

Those to attain honors for averages of 80 to 85 per cent include John Burlake of Uncasville, senior.

NORWICH MINISTERS TO MEET NEXT MONDAY

The monthly meeting of the Norwich Ministers association will be held at the Church of Good Shepherd, Universalist, Monday at 11 a. m. The subject will be: "Significant Events in Holy Week". Rev. H. P. Brethwell will speak on the "Cleansing of the Temple". Rev. G. W. Potter, on "Jesus in the Home of Simon the Leper" and Rev. D. C. Stone on "The Last Supper and the Prayer in the Garden".

WILL HOLD ANNUAL ROLL CALL NEXT WEEK

The annual roll call of the Church of the Good Shepherd, Universalist, will take place at a special service at the church next Thursday evening at 7:30 o'clock. Holy Communion and the Lord's Supper will be observed.

SECURED AS SPEAKER BY WOMAN'S CLUB

Mr. Keith, head of the landscape bureau of the state highway department of Connecticut, which department was recently created for the beautifying of the state highways, is to be in Norwich Wednesday evening and at the Wauregan hotel at 8 o'clock he will speak in response to an invitation accorded him by the Woman's City club. At the same time Henry E. Gilbert of Danielson who has had charge of the welfare of Norwich trees for some time will speak on the care of trees in Norwich. The meeting is open to the public.

REV. ARTHUR C. ADAMS ADDRESSES BOY SCOUTS

Rev. Arthur Cary Adams, returned missionary from South Africa, gave an interesting talk Friday evening to Troop No. 1, Boy Scouts, at the Community house. Rev. Mr. Adams told of scouting in South Africa.

During the course of his address Rev. Mr. Adams showed the scouts some South African weapons and many pictures of the native scouts or "pathfinders". The speaker played some of the native songs on the piano. He also showed the scouts a leopard skin and some natives' clothing.

S. M. D. CLUB HOLDS ANOTHER CARD PARTY

The fourth night of play in the whist and pinochle tournament being conducted by the S. M. D. club at Foresters hall drew another large attendance Friday evening. The winners at whist were:

Women, Mrs. H. A. Sherman 38, Mrs. Lasch 33, Mrs. McKelvey 32; men, Mr. Moumblow 41, Mr. Beetham 36, Edward J. Sullivan 35. Pinochle, women, Mrs. Wieman 7770, Mrs. Hoelck 7340. Miss Ethel Whitmarsh 7070; men, George Lord 7930, Thomas Hogan 7290, George Morse 7060. The special prize went to Mrs. McCarthy. The committee in charge comprised Charles Lasch, Louis Sautter and M. J. Duggan.

THREE SPECIAL SERVICES AT UNIVERSALIST CHURCH

During the past week three special week day services were held at the Church of the Good Shepherd, Universalist. Monday evening there was a church service of worship, a young peoples meeting Tuesday evening in the Sunday school room and a meeting directly following supper in the social room in the vestry Wednesday evening.

Rev. Charles Kramer of Bridgeport was the preacher at all three of the meetings and special music was rendered by selected soloists and by the church choir. In point of numbers the attendance at the meetings was gratifying and the interest was eager and sustained.

IN NORWICH FIFTY YEARS AGO

The celebration of the first mass sung at St. Patrick's church fifty years ago was attended by a large throng of parishioners, the sermon being given by Rev. Father Shahan. Other interesting articles taken from the files of the Norwich Bulletin beginning with the week March 17, 1879, are in part as follows:

Monday, March 17, 1879—Among the bequests made in the will of the late Asa Otis are the following: The Lewis Female Cent Society of New London, $1,000; The Bulkeley school, $10,000; The Bacon Academy, Colchester, $10,000; and the First Ecclesiastical church, New London, $10,000.

An immense congregation gathered in St. Patrick's church yesterday morning at 10.30 to assist at the celebration of mass for the first time in the new edifice. The grand high mass was by Father Shahan as celebrant; Father McNamara, C. P., deacon; Father O'Farrell, subdeacon; and Father McGee, master of ceremonies. The choir of St. Mary's church sang Dementi's favorite mass in B flat and the hymn to St. Patrick before and after the mass. The sermon was delivered by Father Shahan.

Foxes are said to be unusually plentiful in the "hedging woods" of North Stonington this season. Other furbearing animals have been abundant.

Tuesday, March 18, 1879 — The marble tablet in memory of the Rev. Fr. Mullen is now completed and is a beautiful and costly monument. It is to be placed in the new Broadway church. The inscription is "In memory of Rev. Daniel Mullen, founder and first pastor of this church. Born in County Antrim, 1837. Died 1878."

There was no public demonstration in honor of St. Patrick's day yesterday. Sprigs of green and green ribbons were conspicuous on the streets.

R. Duchette and Frank Stewart, who had arranged a pedestrian match for last evening, failed to walk, as the $10 which was to be the wager of the contest, failed to appear.

Wednesday, March 19, 1879—There are two bushels of patent medicine almanacs in the field this spring. All of them tell all about the weather and cure everything.

A Norwich pedestrian says he is not willing to walk against time because the time flies; but he will walk any man against wind.

An average of 300 barrels of sugar pass through New London daily enroute for the west.

The order relative to headstones furnished by the government includes the graves of all union soldiers, who died during or since the war.

Thursday, March 20, 1879 — James Henderson, an assistant employed in the gas blowing room of the Greeneville bleachery, was severely injured about the face by a partial explosion of gases a few evenings ago.

Eugene Browin's little child of Preston was badly burned about the arms and body the other day in her home. While playing on the floor she thrust a brush broom into the fire and withdrawing it set fire to her clothes.

Norwich fishermen made a tremendous cast of the net in the Thames river yesterday afternoon. They spent nearly two hours in casting the net and gathering in the spoils—two small smelts.

Friday, March 21, 1879—An interesting fact for the "girl of the period." The mother of Mr. Cyrus R. Park of this city, who resides in Preston, has made cheese for 75 successive years, from milk taken from six or 20 cows each year. Mrs. Park is 89 years of age.

A young man named Spicer, of the West Side was severely injured while duck hunting on the Thames river yesterday afternoon. The gun barrel burst just above the breach, tearing the wood into flinders and lacerating the young man's fingers.

"Pound Parties" are the latest phase of social insanity. A party of lunatics precipitate themselves upon an unfortunate family and bombard them with gifts, each a pound in weight, of everything that they have no earthly use for, while the promptings of policy alone prevents the head of the house from carrying out the full programme of "pounding" the heads of his guests.

Mr. E. H. Rogers of the Rossmore hotel, New York city, and formerly of this city, has invented a new corkscrew, which he is going to have patented.

Saturday, March 22, 1879 — By way of correction the New London Telegram remarks: "Several state papers speak of 'the late Asa Otis of Norwich.' This is an error. Only the irredeemably wicked go to Norwich after death." We shall expect you here, brother, when you die.

Twelve inches of snow was the crop in the western part of the state the other day.

Mining operations were begun this week at the Lantern hill silex mine under the direction of Benjamin Davis.

The old firm of Nash, Brewster and Co., has dissolved partnership, to be succeeded by A. Nash Son and Co. The Messrs. Nash, both Asa Nash and Asa Nash, Jr., continue the lumber business with J. C. Alden as a special partner.

OVER SCORE OF DOGS HAVE BEEN KILLED

To date 21 dogs have been killed and a number of others have been quarantined as the result of the mad dog scare in Norwich last week. The identity of the dog's owner has not been learned. Several valuable dogs are among those killed as a precautionary measure.

NEARLY 2,000 PERSONS HAVE BEEN VACCINATED

It is estimated that between 1,500 and 2,000 have been vaccinated in the city the past three days as a precaution against small pox, according to a statement made Friday evening by City Health Officer Dr. E. J. Brophy. In order to cope with the vast number who are expected to appear for vaccination over the week end a shipment of 800 points has been ordered from the state health department, and will arrive here today (Saturday).

The city health officer stated Friday evening that any person who could not afford the vaccination should have it done and charge the bill to the city or town in which he resides.

Dr. Brophy said that it would take another two weeks before he could say that the city has passed out of the danger line. All of the five patients suffering with the disease are on the road to recovery, but within the next two weeks persons who came in contact with them may break out.

Patients Discharged

Patients discharged recently from St. Theresa's hospital included: Mrs. Arthur Gessier and daughter of No. 4 North A street, Taftville; Mrs. Arthur Chretien and daughter of Baltic; Mrs. William Bergeron and son of No. 26 Thames street; Mrs. Leonel Cote and daughter of Baltic; Mrs. Joseph Arpin and son of Baltic; Mrs. John A. Brennan and son of Norwich; Mrs. Earl Leon Rollinson of No. 97 Sherman street.

Don't think that the woman who poses as a man hater can't be induced to change her name.

There's New Vigor

In This Delicious Bread

For Your Health's Sake, Buy No Other Kind

It is fresh at your favorite grocer's every day. Won't you please try a loaf?

By ALICE ADAMS PROCTOR

BE prepared, Madam, to change your old ideas about bread. Now we offer you a kind that's new and vastly better.

It combines to a marked degree the very advantages modern domestic science has been seeking. Namely, delicious flavor and high dietetic worth in a food within the means of all

It is known as Wonder Bread. Please start with it today. But first let us tell you in detail what it offers.

Because of its high calorific and protein content it restores burned-up energy remarkably and also fosters growth.

In the matter of flavor it is most delightful. To taste it once is to understand its reputation as the most delicate bread ever baked.

It slices quickly and easily. It retains its freshness amazingly. It toasts quickly to an even, golden brown.

To maintain its remarkable quality day after day we go to great lengths.

We specify a specially milled, short patent flour. (Only the heart of the wheat berry is used.) We employ, too, a special method of baking. Slo-baking, it is called. A method that seals in the dietetic value of our ingredients and vastly improves their flavor.

Hence when you get Wonder Bread you get the best. It knows no rival in both flavor and health-building qualities. Millions have found this to be so.

So please try it once to prove what it offers you and yours.

Your grocer gets Wonder Bread fresh twice daily.

SEVEN QUICK FACTS ABOUT WONDER BREAD

1. Slo-baked to seal in delicate flavor and prolong freshness
2. Toasts quickly to an even, golden brown.
3. Rich in food elements for growth and energy.
4. Made of specially milled short patent flour. Only the heart of the wheat berry is used.
5. Double the usual quantity of milk. Pasteurized.
6. All ingredients tested for purity, quality and nutritive value.
7. At your grocer's, oven-fresh, morning and afternoon.

48 DEATH LIST OF STORMS AND FLOODS IN THE SOUTH

Six Boy Scouts Were Drowned When Flood Swept Their Bungalow Into a Creek Near Rockwood, Tenn.—Thirteen Scouts Were Rescued—Business Section of Burnside, Ky., is Flooded—Levees in Neighborhood of Quincy, Ills., Are Threatened—50-Year-Old River Man Risked His Own Life in Rescue Work.

ATLANTA, March 24—(AP)—Drenched with rains and ravaged by storms during the past ten days, the south today took stock of the damage beneath a warm spring-like sun while floods still raged in some sections.

Tornadoes and floods of Friday and Saturday caused at least 48 deaths in six southern states. The greatest loss of life was in Tennessee where 20 were dead at Harriman, with two bodies recovered; seven at Rockwood, members of a Boy Scout troop; and three at Webster. Four of the deaths were in Kentucky, a youth drowning in the flood waters of the Cumberland river at Pineville, and three boys drowned at Barbourville.

All the rest were due to tornadoes, except one, a farmer who was struck by lightning at Alpharetta, Georgia. Two others, both Negroes, were listed in Georgia from a tornado near Americus, Alabama had five killed in a tornado, Mississippi three and North Carolina one.

With the exception of Tennessee and Kentucky, where major streams were rising, conditions were improving over the south. At Montgomery it was said danger of serious floods on the Alabama river was past, with power dams on the Coosa river controlling the situation.

Emery river and White creek in Tennessee, which caused major damage in that state, had fallen, and along the upper reaches of the Tennessee and Cumberland rivers and their tributaries floods had gone out rapidly, but along the lower reaches of the two major streams there was a threat of overflow as they continued to rise steadily.

At Harriman, Rockwood, Oakdale, and other towns of eastern Tennessee, at Pineville, Middlesboro and smaller towns along the Cumberland and Kentucky rivers in eastern Kentucky, conditions were improved today with citizens beginning to restore their homes and business. Damage to property still was unestimated tonight but it was said that the total when finally reckoned would run into the millions.

BRAVE RESCUE WORK BY 50-YEAR OLD RIVER MAN

HARRIMAN, Tenn., March 24—(AP)—Tom Aikens, 50 year old river man, according to friends and neighbors, emerged the outstanding hero of the tragedy enacted here yesterday when 20 persons were swept to death in the whirling flood waters of Emery river.

Aikens single handed and in a frail skiff that in normal times would not have been considered safe in a mill pond shoved off into the most vicious torrents ever seen in the valley and carried a dozen persons to safety from their perches in tree tops and on roofs of buildings tumbling downstream.

More than once the craft was pulled near struggling men and women only to have them disappear. He would then change his course and turn to another.

His most thrilling act was his attempted rescue of Lon Branam and his family. Their little home was swept from its foundation and was hurtling downstream when Branam managed to place his wife and one child on the roof.

Aikens sped Branam's wife and child out out against great odds to bring them ashore. He was unable to close the gap fast enough and they went down together just as the skiff reached their side. Turning he rowed to the opposite side of the river where he saw human forms in tree tops and snatched the four children of Jim Wright from death.

Heroic deeds of others also were on the line of the harassed residents today.

Bob Underwood who operated a coal yard near the river awoke to find the water in his home. he hauled his own family to safety with a team and wagon, calling warnings as he went. He then went back with the wagon to bring out others, but never returned.

Grace Whalen, night telephone operator also was credited with saving many lives by remaining at her post and spreading the alarm. Many others whose names were not obtained proved their courage and worth by blowing factory whistles, ringing bells and sounding fire signals.

WATERS OF KENTUCKY RIVER ARE PECEDING

LOUISVILLE, Ky., March 24—(AP)—Flood waters in the Kentucky river and in the upper reaches of the Tennessee river began to recede today, leaving hundreds of homes and stores slimy with mud, but the Cumberland still was rising from Burnside, Ky., to Celina, Tenn. On the border the Cumberland slowly poured its muddy waters over the lowlands, inundating both these towns from three to six feet, but had begun to fall from Burnside south.

Rains that amounted almost to cloudbursts Friday night swelled the tributaries of the three rivers that rise in the Blue Ridge mountain chain in southeastern Kentucky and the waters dashed down the mountain valley with great force.

Property loss was heavy, thousands of dollars worth of stocks in stores being ruined by mud and hundreds of homes left soaked from the dirty water. Railroad and wire service was halted but in many cases was being resumed today. Trains began moving in the Kentucky river valley today and around Harlan, Pineville and Middlesboro, where the tributaries of the Tennessee were receding, service was expected to be resumed soon.

No verified reports of loss of life were received from any part of the state but an unverified report from Pineville told of the death of a 10 year old boy named Thompson.

"A zone but like mud," was the terse description given of the situation at Middlesboro where nearly every able bodied man was busy shoveling out stores and homes. Streets in all these towns had been from three to six feet deep in muddy water which left a thick coating of silt as it receded.

Men hesitated to estimate the loss in dollars, simply saying it was very heavy, but Burnside believed the loss would reach $200,000. Fifteen homes in the business section there were washed away and several factories and stores badly damaged.

FEAR AN ATTEMPT WILL BE MADE TO DYNAMITE DIKES

QUINCY, Ills., March 24—(AP)—Apprehension ran high in the lowlands around Quincy today. On top of reports that levees in all districts were slipping badly after three tenths of a foot rise since midnight, rumors spread over the region that fearful residents in some sections were plotting to dynamittee the dikes farther upstream to loosen a flood over areas in the north and save their own land from possible inundation.

Spurred by these rumors, guards redoubled their vigilance and examined rigidly all passes of persons wanting to enter the endangered territory.

From Gregory Landing, 30 miles north, where a levee threatened to give way last night, the Quincy Herald-Whig learned that this spot had been repaired, but that another, of even worse dimensions, seemed likely to defy the efforts of workers and turn the Mississippi loose on 7,000 more acres.

There was concern over the conditions of dikes that protected approximately 50,000 acres of farm land. The high water has softened the walls until their holding power is dubious. The river stage at Quincy was 20.2 feet at noon today, the fourth highest stage recorded on the gauge here since 1851.

Adjutant General Carlos M. Black, of the Illinois National Guard, and Frank Evans, assistant national director of relief work for the American Red Cross, toured the flood districts in the Quincy area today.

General Black has ordered a naval militia detachment from Rock Island to report at the Indian Grave district tomorrow to prevent looting as the water recedes and to give all possible aid to homeless families. About 20,000 acres was submerged by two levee breaks Thursday night.

BUSINESS SECTION OF BURNSIDE, KY., FLOODED

SOMERSET, Ky., March 24—(AP)—The Cumberland river swept over the business section of Burnside late last night and early today causing damage estimated at $200,000. The river stage reached 73 feet, three feet higher than ever before recorded as the waters rushed down from the mountains and reached the second floors of business buildings.

WOULD COMPEL DIPLOMATS TO OBSERVE PROHIBITION

PHILADELPHIA, March 24—(AP)—The Methodist Men Committee of One Hundred of the United States, meeting here today, adopted a resolution recommending that diplomatic representatives to the United States be handed their passports unless they refrain from importing intoxicating beverages.

A copy of the resolution was sent to President Hoover and to the secretary of state.

It is high time, the resolution states, that every foreign ambassador shall show respect for the Constitution and laws of the United States by refraining from importing intoxicating beverages which no citizen of the United States, not even the president, has the legal right to do.

"We urge President Hoover," the resolution reads, "to cancel the treasury order issued March 22, 1929, permitting foreign ambassadors to receive shipments of intoxicating beverages from Europe, and transport them to Washington, such permit being prohibited by the 18th amendment, and we further urge President Hoover to request foreign governments to instruct their ambassadors not to endeavor to import intoxicating beverages prohibited by the Constitution and laws of the United States.

"Resolved further that should any foreign nation refuse to give such instructions to their ambassador to the United States, and such ambassador persists in the practice of endeavoring to import intoxicating beverages in defiance of the Constitution and the laws, that President Hoover be and he is urgently requested in every such case to instruct the secretary of state to hand passports to any such ambassador who thus flouts our laws, claiming a privilege which manifestly is not possessed by the president of the United States."

COMMANDER BYRD HEARD RADIO PROGRAM

SCHENECTADY, N. Y., March 29—(AP)—Comdr. Richard E. Byrd's radio station in Little America, Bay of Whales, Antarctic, notified WGY, broadcasting station of the General Electric company, today, that last night's program came in "wonderfully well."

WGY, through its short wave transmitter, delivered nearly 100 messages to members of Byrd's expedition and the commander was brought up to date on aviation progress through an address by Miss Amelia Earhart.

Alfred P. Coman, of Ithaca, who spoke to his brother in the Antarctic last night, received word today that "Dr. Coman was thrilled to hear his brother's voice."

"The complete program came in wonderfully well on loud speaker. All sitting around the mess table, having dropped snow shovels. Supper delayed long enough to get WGY broadcast."

CONN. RIVER OUT OF ITS BANKS AT HARTFORD

HARTFORD, March 24—(AP)—Leaping its banks this morning, the Connecticut river at this point rose steadily through the day, passed the 18 foot mark at 9 a. m., and is expected to crest at about 19 feet sometime Monday afternoon, according to William C. Stichl, temporarily in charge of the Hartford office of the United States weather bureau.

CABLED PARAGRAPHS

PARIS, March 24—(AP)—General Maurice Emmanuel Sarrail, one-time "defender of verdun" and former high commissioner in Syria, died Saturday at the age of 72.

GENEVA, March 24—(AP)—Elihu Root, veteran American jurist, left here by automobile for Paris where he will rest for a few days before sailing April 10 for the United States.

LONDON, March 24—(AP)—Because of the great desire of the Prince of Wales to attend the funeral of Marshal Foch in Paris on Tuesday, King George has designated his heir to represent him instead of his youngest son, Prince George.

BERLIN, March 24—(AP)—An informal agreement has been reached by members of the German cabinet not to admit into Germany, Leon Trotzky, exile former soviet war commissar. The matter was taken up by the ministers among themselves and not at a formal cabinet meeting.

BOGNOR, England, March 24—(AP)—King George had an unusually pleasant and prolonged outing yesterday. After being taken into the Craigwell house grounds in a wheel chair to enjoy the brilliant sunshine, he left the chair and walked to the sea wall where he spent a half-hour in a wicker chair reading newspapers.

ROME, March 24—(AP)—Premier Mussolini set a good example to his fellow citizens by voting early in today's nation-wide parliamentary election. He cast his ballot at 8 a. m. at the polling place in Via Poli, near the famous Trevi fountain in the center of downtown Rome and within a stone throw of the foreign office and Chigi palace, his official residence.

ELABORATE CEREMONIES FOR HOLY WEEK IN ROME

ROME, March 24—(AP)—The beginning of Holy week was celebrated today in Rome, center of the Catholic church, as perhaps nowhere else in the world with the possible exception of the grandiose fetes at Seville in Spain.

Elaborate ceremonies are scheduled for each day, reaching their climax on Holy Thursday, which commemorates the institution of the Lord's Supper. Immediately after comes Good Friday with its remembrance of the crucifixion and sepulchre.

During the whole week the priceless statues and paintings of Rome's famous churches will remain shrouded in deep purple or black, and the clergy will wear mourning garb.

Although Catholics are at liberty to partake of their Easter communion at any time between Ash Wednesday and Trinity Sunday, most of the more pious prefer to do so during Holy week. On Easter itself there are equally large throngs at the altar rails; and on the afternoons and evenings before both feasts, the confessionals of all Rome's 400 churches are besieged by those of all races and languages. Practically every nation on earth has its own national church or churches in Rome and in St. Peter's there are confession booths for nearly all the races of the world.

Speculation was indulged in on all sides tonight as to how the pope would celebrate Easter Sunday, the first since 1870 when the pontiff would be free to go out of the Vatican territory, to celebrate mass where he pleased.

Easter day will be ushered in by the pealing of all Rome's many church bells, after three days' silence to commemorate the passion. In every Roman household on next Sunday the table will be decorated with flowers and eggs, the latter being symbolical of Easter.

ANAESTHETIC CAUSED DEATH OF HARTFORD MAN

HARTFORD, March 24—(AP)—Accidental poisoning caused the death early today of Harry E. Adams, meteorologist in charge of the Hartford office of the United States weather bureau. Because of insomnia, Mr. Adams lately had resorted to taking an anaesthetic occasionally to induce sleep. Today at 6:30 a. m., he was found dead in bed by his wife, a victime of his third experiment with the anaesthetic, according to the medical examiner.

Born 31 years ago in Stoneham, Mass., Mr. Adams entered the service of the bureau Oct. 1, 1920, as assistant observer at the Boston station, from where he was transferred a month later to Cleveland in the same capacity. After a year in that city he came to New Haven, as assistant observer under Leonard M. Tarr. In January, 1924, he was appointed to head the Hartford office.

Until a new meteorologist is assigned here by Washington, William C. Steele, assistant, will be in charge of the local office.

The late meteorologist leaves, besides his widow, the former Olive Storey, of Stoneham, whom he married in 1917, a son, Ananda, 11; his parents, Mr. and Mrs. George W. Adams, of Stoneham, and his grandmother, Mrs. Hattie Feyler, of Stoneham. The funeral will be held here Tuesday afternoon.

SEVERE FIGHTING IN AREA AROUND KIUKIANG

SHANGHAI, March 24—(AP)—Nanking railway officials late tonight said that traffic messages indicated that severe fighting was going on in the area around Kiukiang, northern Kiangsi province. The hospitals of the city were said to be filled with wounded.

Kiukiang had been one of the chief concentration points for both Nanking forces and the armies of the Wuhan generals who are defying the central government. It was not known here which side had taken the offensive.

The statement of the railway officials provided the only news in 24 hours of the situation, which had grown into open civil war during the past few days. Upriver points were silent and the nationalist government continued to censor vigorously all communications.

Nationalist officials here, in the face of apparently reliable reports to the contrary from several sources, continued to deny that hostilities had broken out. They did acknowledge that "the outlook is dark and hope of peaceful settlement has apparently been lost."

OBITUARY

Prof. Herbert Vaughan Abbott.

NORTHAMPTON, Mass., March 24.—(AP)—Prof. Herbert Vaughan Abbott, for more than a score of years a member of the Smith college faculty, and a son of the late Dr. Lyman Abbott, former editor of the "Outlook," died at his home here tonight after a two years' illness. He was 64 years old.

Flier Killed While Circling Near Home

Crew Of The British Rum Ship Manacled

Captain R. Rasmussen of Waterbury Was Flying Over His Home to Salute His Family.

The Men of Sunken Vessel, I'm Alone, Were Landed in New Orleans Under Heavy Guard.

WATERBURY, March 24.—(AP)—Captain Arnold Rasmussen, 33, was instantly killed, and Francis H. Smyth was injured, when the plane piloted by Rasmussen crashed, nose down, in the roadway, 50 feet from Rasmussen's home here this afternoon. The crash which reduced Rasmussen's body to a mangled mass, was witnessed by the pilot's wife, Mrs. Mary Collin's Rasmussen, his four year old son, Frank, his brother, Floyd, and a cousin, Robert Rasmussen. A dead motor is believed to have forced th eplane to the ground.

A high wind grinded the plane, spun it like a toy when the motor went dead, and crashed it with terrific force onto the roadway. His brother and cousin, who had been watching the plane's maneuvers from the street, barely escaped being struck when the plane rushed downward. They ran to the wreckage and found Rasmussen's body tangled in the wreckage. Smyth, an electrician employed by the Scovill Manufacturing company was rushed to the Waterbury hospital in the automobile of Michael Norelli, of Waterbury. An examination revealed no serious injury, and it is said at the hospital that Smyth has a good chance to recover.

Captain Rasmussen, who was adjutant of the 43rd Aviation division, Connecticut National Guard had flown from Brainerd field, Hartford. As was his custom he was flying over his home to salute his wife and family before returning to Hartford.

Captain Rasmussen was president and treasurer of the General Brass company, of Waterbury. He also served in the regular army air corps during the World war.

The force of the crash was so tremendous that the motor of the plane was torn loose and leaped from the frame, landing 50 feet away. The fuselege of the plane was torn and twisted.

Mrs. Rasmussen was kept in ignorance of the fact that a mangled, lifeless body stretched on a grass plot a few yards away from the white house where the Rasmussens have lived the last three years was that of her husband. She believed it was Smyth who had been killed and that Captain Rasmussen had been removed to the hospital.

NO TRACE OF MISSING PLANE AND FOUR MEN

CURTISS FIELD, March 24—(AP)—An all day speech along the Atlantic coast from Norfolk, Va., to Curtiss field planes, Army and Navy craft and a naval blimp today failed to bring any trace of the missing Sikorsky Amphibian which has been unreported since it left Norfolk Friday morning for New York.

The plane and its four occupants which had been chartered by Roy Finucane, wealthy Rochester, N. Y., business man, was enroute to Curtiss Field from Miami, Fla. Other occupants of the missing plane were Frank Able, Mineola, N. Y., Pilot Harry Smith, of Miami, and Mechanic Robert Boyd, of Portland, Maine.

The five planes sent out from here by the Curtiss Flying Service, owner and operator of the missing Amphibian, searched the New Jersey coast and far inland without sighting a trace of the missing plane.

Other planes and a navy blimp were sent out from Washington, Baltimore, Aberdeen, Md., Hampton, Va., and Atlantic City airfields. But they also reported no trace of the plane.

The Curtiss Service tonight announced a reward of $500 for information leading to the location of the plane and asked radio stations to broadcast an appeal for volunteer searchers along the route from Norfolk here.

Although not giving up hope air officials here now fear that the plane was forced down at sea and had probably been swept far out to sea by ocean currents. They had hoped that the plane had been forced down in some isolated inlet and that the silence of its pilot had been because of poor communication, lack of any, with the outside world.

THREE PERSONS BURNED TO DEATH IN AIRPLANE

CHARLOTT, N. C., March 24—(AP)—Three persons were burned to death at the Charlotte Municipal airport today in an airplane which went into a tail spin at low altitude and crashed bursting into flames as it struck the ground. The pilot, G. L. Vickery and two passengers one a woman, were the victims.

NAVAL RESERVE AIR PILOT AND SALESMAN INJURED

ST. LOUIS, March 4—(AP)—Clarence Brown, 22, a naval reserve pilot, and John D. Pursell, 44, a salesman and student pilot, were seriously injured today when their travel-air biplane failed to come out of a loop and crashed from an altitude of 1,000 feet in St. Louis county, about eight miles from the Municipal airport. Both are expected to recover.

MONTE CARLO POLICEMEN BEATEN BY CITIZENS

MONTE CARLO, March 24—(AP)—The champions of "Monaco for the Monesques" and not for the exploiters of the casino won a sweeping victory today, much to their own surprise. A party of disgruntled citizens proceeding with a petition to Prince Louis who rules the tiny principality, clashed with 40 policemen and soundly beat the forces of law and order under the very windows of the ancestral palace of the prince.

With reenforcements, the police eventually dispersed the citizens but Prince Louis was so alarmed by the racket that he announced that all requests of the citizens would be granted. This means a return to a constitutional regime and immediate elections.

TWO MEN WERE BURNED TO DEATH IN BORGER, TEX.

BORGER, Texas, March 24—(AP)—Two men were burned to death and a third perhaps fatally burned in a fire which destroyed four business house "shacks" on the main street of this oil town today.

SINKING OF A BRITISH RUM SHIP WITHIN THE LAW

WASHINGTON, March 24—(AP)—An official statement issued at coast guard headquarters today said the pursuit and sinking of the British auxiliary schooner I'm Alone, a suspected rum runner, by the Gulf of Mexico coast guard patrol was "in accord with the well known doctrine of international law which authorizes continuous pursuit of a vessel that has violated the law within the waters over which the United States has control."

REPRESENTATIVE TILSON WAS PRINCIPAL SPEAKER

(Special to The Bulletin)

WASHINGTON, March 24—Representation John Q. Tilson delivered the principal speech at the dedicaton of the new Roerich museum in New York on Sunday morning. Among other things he will say:

"Down through the age crass ignorance and religious superstition, with misconceived notions of death, have wrought havoc to work of art and other expressions of the beautiful, but all of these misguided efforts have proved transient and temporary, always, in every age, being superseded by a better and higher civilization returned by new and more glorified efforts toward the better outward expression of the higher side of our human nature.

"This building has been created and will stand as a monument to the growth toward a higher plane of the finer and better side of human nature. It is not only a monument to the great genius of the man whose name it bears, but it is a monument in even a higher and a nobler sense to the true, the noble and the beautiful. Roerich needs no monument. His works are his monument. These will live and serve humanity after this structure has crumbled to dust."

Roerich was an artist of Russian Jewish parentage and the museum is being built in commemoration of his work largely by subscriptions from the Jewish people of this country.

IMMIGRATION OFFICER KILLED BY RUM RUNNERS

PORT HURON, Mich., March 24—(AP)—Earl A. Roberts, U. S. immigration officer who was shot, yanked into a boat and thrown out onto a dock at Port Lambton, Ont., by rum runners last night, died today. He was shot at Algonac, Mich., south of here on the Detroit river when he accosted occupants of a boat as it beached there.

"Vet" Brown known to police here and in Ontario as a rum runner and named by Roberts last night as the man who shot and abducted him, was arrested in Sombra, Ont., this morning and released to Michigan authorities. He will be charged with first degree murder, according to police.

Only one man remained in the boat as it cast off after Roberts was pulled to its deck, according to W. J. Stoutmeyer, deputy collector of customs at Algonac, who was with the immigration inspector. The others scattered in the darkness of the American shore

TO MAKE ONLY DIALOGUE AND SOUND PICTURES

NEW YORK, March 24—(AP)—The Fox Film corporation today announced that hereafter it will make only dialogue and sound pictures in its four studios here and on the west coast and at the same time announced the signing of several stage stars and writers to act and write exclusively for talking pictures.

Metro-Goldwyn-Mayer and the Loew Film companies, other Fox enterprises, will continue to produce both silent and talking pictures.

BRIEF TELEGRAMS

Secretary Wilbur said Saturday that Gov. Farrington of Hawaii would retire from office on June 1.

The Danish fish carrier Gerda, given up as lost, after having been missing for 63 days, is reported safe in England.

Buried under a pile of sawdust in a box factory in the Barkerville section of the Lewiston, Maine, Alfred Marquis, 12, was suffocated.

James Shorey, proprietor of a glove manufacturing works bearing his name, died in Brockville, Ont., after an illness of several weeks. He was 84 years old.

Despondent and in ill health, Mrs. Della Laferriere, 56, wife of Arthur Laferriere, of Holyoke, committed suicide by drowning in the Connecticut river.

A charge of murder was read to Charles Belles, self-styled "faith healer," in Allentown, Pa., in connection with the death last Friday of Verna Octavia Delp.

An offering of 100 shares of no par $3 convertible class A stock of the Ohmer Fare Register company is to be made shortly, to provide funds for the retirement of funded debt.

Henry L. Stimson, secretary of state designate, said he believed four years of peace lay ahead of the United States and its possessions under the administration of President Hoover.

Edward Harvey, 7 years old, son of Mr. and Mrs. William J. Harvey, of Portland, Maine, was drowned at the foot of the Eastern Promenade while playing about the Old Eastern Wharf.

Fire of undetermined origin destroyed a barn in Northbridge, Mass., owned by the Paul Whitin Manufacturing Co. Five horses and four pigs were burned to death. The loss was set at $4,000.

Collections from the first quarterly payment of income taxes has reached a total of $526,088,827, which is nearly $112,000,000 in excess of the $414,516,307 collected to date in the month last year.

Only silence met efforts of reporters to get comment from former President Calvin Coolidge on a recent editorial in a Boston newspaper urging him to run for the United States senate in 1930.

A box containing $400 in gold was presented Miss Josephine B. Stuart, retiring assistant superintendent of schools, New Bedford, at a reception tendered by her associates in the department.

Strict enforcement of a six day quarantine on all vessels which have touched Brazilian ports then they arrive at Buenos Aires has been inaugurated as a precaution against the spread of yellow fever.

A motion for a change of venue from New York to Westchester county made by James A. Stillman in the slander uit brought against him by Fred K. Beauvais was granted by Supreme Court Justice Ford.

New financing for today includes an offering consisting of $1,500,000 of Boston and Maine railroad first mortgage 5 per cent bonds, series "HH" due March 1, 1933, priced at 98 and interest, to yield 5.70 per cent.

Dr. Henry B. Chadwick, for 20 years superintendent of the State Tuberculosis Sanatorium in Westfield, Mass., tendered his resignation to accept one as director of anti-tuberculosis work for the city of Detroit, Mich.

Preliminary work looking toward the redemption of republican campaign promises for farm relief will be undertaken today when hearings on surplus crop control legislation are opened by the senate agricultural committee.

The little mining settlement of Kinloch, Pa., yesterday buried 12 of the 46 miners who perished last Thursday in an explosion at the Kinloch mine of the Valley Camp Coal company. The others will be buried later in the week.

Danbury will hold its biennial election today. Mayor Anthony Sunderland is a candidate for re-election on the democratic ticket and is opposed by F. Ward DeKlyn, republican. Two aldermen and four councilmen are to be elected also.

E. D. Belknap, executive secretary of the Wall Paper Manufacturers' association, anounced that the organization, comprising 98 per cent of the country's wall paper makers, had resolved in annual convention to abandon the cheapest types of paper.

Prompt sentence to sixty days in jai' with a $15 fine in addition for drunkenness was imposed in districourt in Springfield on Stanley Lemay, 19, of Chicopee Falls, whose automobile collided with two others in quick succession in West Springfield.

Edward Exler, 41, of Pittsburgh, who was released from Prison eleven months ago after serving 13 1-2 years for criminal assault on a 12 year old girl, whose body was found in a reservoir, was arrested charged with attacking a 6 year old girl.

Carl Carlson, 16, was seriously injured when, after he had fallen off a tractor on the C. F. Bradley farm in Southington, the tractor ran over him. He was taken to New Britain hospital, where he was found to be suffering from a fractured pelvis.

Henry W. Somers, 62, Albany business man and a resident of Saratoga Springs, for the past ten years, died Saturday aboard the S. S. Conte Grande enroute to Italy. A radiogram from Mrs. Somers and their daughter said death was caught by Bright's Disease.

One hundred eminent men have summarized the world's intellectual needs. Some of these needs are defined by them as intellectual genius, poise, dependance on God and more attention to history. This summary was issued by the American Philosophical society.

Mrs. Mabel Weeks, 39, mother of four small children, was probably fatally burned in North Adams, Mass., yesterday, when a gasoline container exploded as she was engaged in cleaning a barber shop. A passing motorist smothered her flaming clothing in a blanket after she rushed into the street.

MEX. REVOLT CENTERS AT THE PACIFIC PORT OF MAZATLAN

The Rebels Are Claiming Important Gains—Federal Commander Has Reported to Mexico City That the Insurgents Have Withdrawn For Some Distance From the Port—Few Developments Are Reported From the North Central Campaign—Federal Troop Have Taken Durango.

(By The Associated Press)

Mexico's revolution centered yesterday in the struggle for possession of the Pacific port of Mazatlan, Sinaloa. The rebels claimed important gains, if not complete possession of the city. Gen. Jaime Carrillo, the federal commander, on the other hand reported to Mexico City that the attackers had withdrawn for some distance and that his casualties in the 48-hour siege had been light.

Consul William Blocker gave reassurance to Washington that no American in Mazatlan had been injured. Presidential headquarters in Mexico City announced that the advance force of the army of relief had reached Rosario, about 50 miles south of Mazatlan.

The border country, checkered with rebel and federal zones, apparently maintained its status quo. "Buzz" Morrison, American who was captured yesterday while serving the federal forces at Naco, sent word that he was "being treated royally" by the rebels.

Few developments were reported from the north central campaign, where the opposing armies were marshalling for fresh offenses.

MEX. FEDERAL TROOPS ARE WITHOUT WOMEN

TORREON, State of Coahuila, Mexico, March 24—(AP)—Upon orders of General Plutarco Elias Calles, commander-in-chief of the federal army, the soldiers in the northern campaign are without "soldaderas" or women, who until now invariably have accompanied troops on the march.

The "soldaderas" travel inside box cars while the troops rough it on top. They cook for the soldiers and perform many other duties calculated to alleviate the hardships of their men folk. The Mexican army has no commissary department and soldiers provide their own food out of their pay, which is one peso and 50 centavos, or about 75 cents in American money per day.

General Calles insisted his troops should leave their women behind on this campaign, on the grounds that they are better campaigners and better fighters when unburdened by such a semblance of domestic environment.

STATE DEPARTMENT GETS WAR NEWS FROM MEXICO

WASHINGTON, March 24.—(AP)—The state department announced today that word had been received from William Blocker, American consul at Mazatlan, which showed Mexican federal forces were still in possession of that coastal town at 10 o'clock last night after a battle with attacking rebels resulting in heavy casualties on both sides.

Firing had ceased before the message was sent, but the consul said it was expected fighting would be resumed today at daybreak. Blocker informed the department that all Americans in Mazatlan were safe, including himself. It had been reported that Blocker was killed. He added that there were some casualties among native civilians.

Ambassador Morrow at Mexico City reported there were no changes in the other sectors of the revolutionary activity so far as Mexican authorities in the capital had been informed.

The rebels began their attack on Mazatlan at 5:30 p. m., Thursday, Consul Blocker said, but there were only a few unimportant skirmishes that evening. On Friday there was firing at intervals throughout the day. All rail and telegraphic communication had been cut by the rebels, he continued, but the wireless telegraph connection with Mexico City was functioning satisfactorily. The city water supply had been cut off for two days but it was believed by the consul that there was sufficient supply from wells within the city to supply the population.

The force of rebels attacking the city, Consul Blocker reported, was estimated at about 2,000 men.

In a delayed telegram received, at the state department today from the American consul at Torreon, it was reported that no American citizen had been injured there.

MEXICAN FED. AIRMEN HAVE BOMBED DURANGO

TORREON, COAHUILA, Mexico, March 23.—(Delayed.))—(AP)—Aviators have taken the major part of the fray so far in the northern campaign of the Mexican army to put down the present rebellion against the federal government. Bombs from their planes hastened the rebel evacuation of the city of Durango and about 50 bombs dropped in the vicinity of the railroad tracks at Torreon was sufficient to put to flight the forces of General Jose G. Escobar, rebel chieftain.

The bombardment of Torreon, which was concluded with but one death—that of a civilian—caused grave anxiety to Americans and other nationals resident there. The federal air-men were concentrating their bombs on the railroad tracks where General Escobar's troop trains were standing. One bomb fell within a block of the residence of the acting American consul, Mr. Powell. He promptly advised all Americans to evacuate that part of the city. During the excitement the consular corps met an durged the American representative to telegraph the state department at Washington in an effort to have the bombing stopped.

The rebel evacuation was completed Saturday night and Sunday and early Monday morning eight federal aviators, under command of Lieut.-Colonel Alfredo Lezama landed and formally took possession of the city in the name of the government. Monday afternoon the first of the troops began to struggle into the city, weary from their long and fatiguing march from Monterey. General Calles, the federal generalissimo immediately called his principal generals into a council of war when he arrived and went over plans for future movements.

Torreon is fast returning to normalcy, train service with Mexico City has been resumed via Durango, schools have reopened and telegraph service has been restored.

REPORT OF INDUSTRIAL INVESTIGATOR HOLLOWAY

HARTFORD, March 24—(AP)—Fable says "two can live as cheaply as one," but in Connecticut, "the present cost and rate of living makes it almost impossible for two people of moderate wages to live on the earnings of one," according to the biennial report of Charlotte Molineux Holloway, industrial investigator of the state department of labor on the business and conditions of wage earners in the state.

Pointing out that Canada has been a fast growing rival in the production of rubber goods, Miss Holloway says "prohibition may have something to do with this as the country is more hospitable than this arid, bone dry United States where no business man is tempted to drink since the Anti-saloon league so completely routed the demon rum."

Another oblique reference to prohibition is made in a discussion of women workers, when she writes, "Many there are who marry and experience the burden of being 'tied' to a person 'who does not understand them' or isn't able to give them material luxuries and simultaneously discover they have mistaken their life purpose and humdrum life is not for them. These are in three classes: The capable and earnest; the soulful and miserable who long for expressing the mighty surgings within them, or the rollicking and rapid whose comrades breathe a sigh of thanksgiving when they see them safely loaded in bed at 4 a. m., without having broken their necks under the strict enforcement of the 18th amendment."

Throughout the report, much attention is given to the woman worker, her wages, her needs, her burdens, regarding which the assertion is made that a woman who is unmarried at the age of 30 is usually called upon to support her parents if they are dependent, and her opportunities. The woman who tries to bilk store keepers, play through ordering goods on approval and then returning them, also comes in for attention and what is offered as advice to the storekeeper is, "a woman sees red if another has something exactly like her own. Discrimination is a strong feminine trait, so a 'for-all' offering is spurned."

TO FIGHT FOR VETERANS HOSPITAL IN WESTERLY

PROVIDENCE, March 24.—(AP)—Contending that the government would save between $60,000 and $90,000 if it purchased a site at Westerly, R. I., instead of the one at Hartford, Conn., recently recommended by the board of hospitalization, their new veterans' hospital, American Legion members of this state and Massachusetts are massing a united front to ask General Frank T. Hines, the board chairman, why the Hartford area was judged superior.

By choosing the Hartford area, the Legion men believed, the board disregarded wishes of the veterans as expressed in 1927 at a meeting of New England commanders at West Roxbury, Mass., and later at a Rhode Island state convention at East Providence.

Led by Walter F. Thron, chairman of the Westerly hospital committee, a member of the state committee on state hospitalization and a past state commander of the Legion, officials will meet here tomorrow night to plan a definite campaign to bring the hospital to Westerly. The renewed protest of Westerly Legionnaires and others followed a talk Sunday in which Congressman Joseph W. Martin, Jr., of North Attleboro, Mass., speaking before a Veterans of Foreign Wars post assailed the selection of the Hartford site.

MAN COMMITTED SUICIDE WHILE VISITING DAUGHTER

MIDDLETOWN, March 24—(AP)—Harry E. Blake, 58, caretaker of the Berkeley Divinity school, of New Haven, visiting his daughter, Mrs. Alfred H. Anderson, here for the week-end, committed suicide early today by firing a .38 calibre bullet through his head.

Mrs. Anderson told Medical Examiner John E. Loveman that her father had been ill and despondent. Hearing a shot, she had gone to his room this morning and found him stretched across his bed, partly dressed, the revolver still in his hand. The bullet, fired into the temple, had passed out through the back of the skull. The daughter and a brother, Walter, of Cleveland, Ohio, survive.

MERIDEN TO PAY TRIBUTE TO MARSHAL FOCH

MERIDEN, March 24—(AP)—Meriden will pay its tribute to Marshal Foch of France, Tuesday morning, when Monsignor John Neale, rector of St. Rose's Roman Catholic church, will officiate at a solemn high mass of requiem for the repose of the soul of the World war generalissimo.

Delegations of city officials, members of the American Legion, Veterans of Foreign Wars and of the Knights of Columbus will attend the service.

GRAF ZEPPELIN STARTS ON MEDITERRANEAN FLIGHT

FREIDRECHSHAFEN, Ger., March 25—(Monday)—(AP)—The dirigible Graf Zeppelin started its Mediterranean flight at 12:54 a. m. today, (6:54 p. m. Sunday, eastern standard time).

Dr. Arthur D. Becker, of the Kirksville, Mo., college of Osteopathy and Surgery, declared at the ninth annual convention of the Eastern Osteopathic association in New York that men in perfect health are in greater danger of premature death than those who are not so well.

Office 824 Main Street Telephone 1131-2

WATERBURY DOCTOR PROBABLY FATALLY INJURED IN WRECK

(Special to The Bulletin)

WILLIMANTIC, March 24—Dr. William E. Neff, 51, of 66 Windham street, Waterbury was near death at St. Joseph's hospital late this afternoon as the result of severe injuries sustained about 3 o'clock Saturday afternoon when a Buick sedan in which he and a party of relatives were riding skidded off the road and overturned near the Fitch Jones home about one quarter mile north of Hebron on the Columbia road.

Dr. Neff sustained eight fractured ribs on the right side and a puncture of the right lung caused by the penetration of the broken bones. He also suffered other internal injuries. Dr. J. A. Girouard performed an operation early this evening in the hope of relieving the congestion in the lung. Dr. Charles A. Jenkins assisted Dr. Girouard in the operation. But little hope was held for the recovery of Dr. Neff, who is a prominent dentist in Waterbury.

Neff, who with her mother, Mrs. Charles Knight of Chaplin were riding on the rear seat of the sedan with the dentist sustained three fractured ribs but she was discharged from the hospital late in the afternoon. Mrs. Knight, aged 75, sustained a fractured collar bone from which there is hope she will recover. They are also under the care of Dr. Girouard. The car was driven by a young family friend, Norman Newton of Norwalk. Sitting on the front seat with him was Dr. Neff's daughter, Natalie Neff, 16, high school student in Waterbury. The driver and girl escaped with minor bruises. Mr. Newton stated that the party were on their way from Waterbury to Chaplin where Mrs. Knight, widow of the late Dr. Charles Knight of that place resides and where the Neffs have a summer home. They were planning to spend the week end in Chaplin.

On a level stretch of road opposite the Fitch Jones place the machine skidded on the slippery surface from about the center of the road and into the soft shoulder. The driver lost control and the machine headed for a tree. The car turned completely over on its right side and the occupants had difficulty in extricating themselves. Dr. Neff, who was rendered unconscious and the two injured women were rushed to the hospital by Mr. Jones. The car, a total wreck, was hauled to the C. L. Jones & Son garage in Hebron.

Dr. Neff is a brother of Mrs. Ray A. Harris of North Windham and the family are well known in this section. Besides his wife and daughter he has a son, William, a student at Columbia university. He has five brothers residing in various cities.

HARTFORD MAN ARRESTED FOR DRUNKEN DRIVING

(Special to The Bulletin)

WILLIMANTIC, March 24—George Wagner, 23, of 1091 Broad street, Hartford, was arrested here about 5.30 o'clock Saturday night on a charge of driving while under the influence of liquor for which he will be arraigned in police court Monday morning. Acting on orders from Captain of Police Frank McLean, Officer Alfred Melkie and earne took Wagner into custody on upper Main street near the junction of Winter street. The car driven by Wagner, a Chrysler coach, had suffered the loss of the right front tire and rim and the rear right tire was flat and badly dilapidated. In connection with Wagner's arrest Orlo Whitehouse, 26, of 48 West Park street, this city, was arrested for interfering with an officer in the performance of his duties. Whitehouse is also scheduled to be arraigned Monday morning.

CHAPLIN CONSTABLE BEFORE COURT FOR BREACH OF PEACE

(Special to The Bulletin)

WILLIMANTIC, March 24—Constable Laurence Backelak of Chaplin and Raymond Desrosiers of this city were presented in the Chaplin town court Saturday forenoon on charges of breach of the peace brought on complaint of Mr and Mrs. John Matuck, residents of what is known as the Chewink district of the town. Through their respective attorneys John B and Samuel B. Harvey, the accused waived reading of the complaint. Both were found guilty and fined $2 and costs each, to which appeals were taken to the next criminal term of the Windham county superior court. R. M. Welch of Chaplin furnished a bond of $200 for Backelak and Camille Desrosiers of this city furnished a like amount on the release of his son. Mrs. Matuck testified that the Chaplin constable accompanied by Desrosiers called at her home and demanded liquor. She did not comply with this request and they locked the woman in the hallway but failing to secure the liquor through this means they later released the woman and left the place. Mrs. Matuck's complaint was turned over to the Daniel-son state police barracks and Officer Geddes conducted an investigation which resulted in the arrest of the pair. Backelak came to Chaplin from New York and was elected constable last fall. The court session was held in the home of Grand Juror George A. Reed and was presided over by Miss Theresa Daubeneck, justice of the peace.

President Frank P. Fenton of the chamber of commerce has named the following committee of three members to secure an executive secretary to succeed Earl J. Arnold whose resignation becomes effective April 13: James H. Hurley, president of the Business Men's association, Raymond A. Parker, president of the Rotary club, and Harry Cohen, prominent business man. President Fenton, who will act as ex-officio member of the committee stated today that several applications for the position of secretary have already been received by letter and person. These applications and others that are expected to be received will be carefully studied and the selection presented before the entire board of directors for complete sanction.

FUNERALS.

Francis B. Grimes.

The body of Francis B. Grimes arrived on the 1.08 o'clock train Saturday afternoon from New York city for burial in St. Joseph's cemetery. The bearers were Louis I Flynn, J. Francis Keon, George Grimes, Eugene J. Cotter, Joseph Grimes and James Gaviran. A delegation from Willimantic lodge, No. 1311, B. P. O. Elks attended the services. Arrangements were in charge of Killourey Brothers.

Miss Lydia Floyd Crookes.

Funeral services for Miss Lydia Floyd Crookes were held at 62 North street this afternoon at 2 o'clock Rev. William Knight of Charleston, Mass., local leader of the International Bible Students' class officiated. Several members of the class attended the funeral. Burial was in the family plot of the Nathan Hale cemetery in South Coventry. Arrangements were in charge of Avery and VanZandt.

The Elks' committee recently named to have charge of the annual Elks' fair started in the fall by Willimantic lodge, No. 1311, B. P. O. E., is preparing to get into immediate activity in handling the tremendous amount of detail at hand and for this purpose has chosen the following committee officers: Chairman, Aime J. Martineau; first vice-chairman, Attorney Harry S. Gaucher; second vice chairman, Roy W. Downer; secretary, Robert E. Casey; treasurer, John H. Wilcox; assistant treasurer, George W. Hickey; ticket committee, Nelson A. Daniels, chairman; Attorney H. S. Gaucher, George W. Hickey, William B. Sweeney and Lester M. Shea; entertainment committee, Harry S Gaucher, chairman with power to name assistants. It was voted to stage the 1929 fair on August 29 30 and 31 and September 2 (Labor day). H. C. Wiggins was awarded the concession for handling the sale of tickets.

The collection of the town of Windham taxes will be started Monday, April 15, by Collector Albert J. Piche, who will hold daily sessions except Saturday when the office will close at noon. A penalty rate of nine per cent per annum for the first six months and 12 per cent. per annum for each year thereafter is charged on taxes remaining unpaid one month after legal notice is given. Collector Piche will also hold sessions in South Windham and Windham Center on April 22 and April 29, respectively.

OBITUARY.

Patrick H. Galligan.

Patrick H. Galligan died at the age of 44 years in a Norwich hospital Friday night. He was the son of Matthew and Margaret Rowan Galligan and leaves his mother, three sisters and one brother.

Several members of the Mary B. Cheney auxiliary of South Manchester were guests at a supper and entertainment of A. C. Tyler auxiliary No 14, U. S. W. V., held in connection with the regular monthly meeting in G. A. R. hall Friday night. President A. Emma Snow welcomed the visitors. During the entertainment two playlets, Business is Business and Please Stand By were well presented under direction of Mary Ashton. The performers were Mary Ashton, Mrs. Mary Mathieu, Rachel Gallagher, Iva LaVallee, Emma Doyle, Marceline English, Ethel, Claire and Mrs. Mary Mathieu. The supper was in charge of a committee comprising Nellie Cronin, Aldea Sweeney, Marceline English and Henrietta Judge.

Announcement has been made here that the Windham county W. C. T. U. convention will be held in the Y. M. C. A. building here May 22, with morning and afternoon sessions.

The sum of $23 was raised towards a building fund for a new hall at a bean and salad supper given by Natchaug grange in Chaplin Friday evening and attended by about 35 Willimantic people. A guessing contest and "fish pond" were conducted as additional attractions. C. Howard Chaffee of this city and Louis Guay of Chaplin were tied in the guessing contest and they divided the award of six silver spoons.

To be forced to curtail his automobile traveling speed to one for each of three hours was the experience of Rural Mail Carrier George H. Arnold a few days ago. Carrier Arnold covers a route along the boundary lines of Windham, Lebanon, Columbia and Coventry. A three mile stretch of road from the old Geary place in Windham to Village hill has been but one continuous quagmire since the mud season started. The carrier's car was mired in one hole for 56 minutes and a pair of horses had to be used to extricate it. Dirt road bills and other legislative acts that would help the country road situation cannot be put into effect any too soon according to mail carriers, physicians and rural town natives who suffer the loss of time, effort and money every year by having to negotiate almost impassable roads.

Governor John H. Trumbull's proclamation designating next Friday, Good Friday, as a day of "fasting and self denial" for all people was read in the churches today. The proclamation is expected to be followed by a general suspension of industrial and commercial activity for at least part of Good Friday afternoon. The impressive Passion of Our Lord was also read from the pulpits today. At the Catholic churches the ceremony attending the blessing of the palms was carried out in connection with a procession of the priests and altar boys. The palms were distributed after the 10.30 o'clock masses.

Ticket and publicity committees have been named for the annual senior play, Peg o' My Heart to be presented later in April by the class of 1929 of Windham high school. The ticket committee consists of George Gaudreau, business manager; Alfred Saba, assistant business manager and the following team captains: Kerman Lavigne, Gordon Johnson, Hilda Knasin and Mario Fracchia. The publicity committee includes Raymond Buckingham, Phyllis Williams, Leon Woodworth and Marjorie Meade.

Acting on complaint of his wife, Mary Martin, Police Officer Roderick Lariviere Saturday notified Ovila Martin, 34, to appear in police court Monday morning to answer to a charge of non-support. The case is one that has had the attention of the police for some time.

Miss Esther Firth, secretary of the local branch office of the state board of education is making rapid recovery from an operation which she underwent last week.

Automobile drivers who had occasion to travel the highways Saturday, especially in the evening reported the visibility as the worst yet encountered. An almost impenetrable fog made the going dangerous in practically all sections of Connecticut, Rhode Island and Massachusetts.

Nathan A. Knapp, delegate, and fellow members of Willimantic lodge No. 1084, Independent Order B'nai Brith attended the conference held in the Hotel Imball at Springfield, Mass., today.

Despite frequent showers a well attended "skeet" shoot was held at the Willimantic Rod and Gun club range in Mansfield Saturday afternoon. Captain Carl E. Rice was present to instruct new members in the handling of the guns.

Mr. and Mrs. Charles F. Neely has as week end guest their son, Herbert F. Baker of South Manchester.

Napoleon Gingras of Nort. Brookfield, Mass., is in town visiting relatives and friends for a few days.

The Misses Marion M. Pass and Elinor Vivian of Duluth, Minn., classmates at Wellesley college are at the home of the former's parents, Mr. and Mrs. Edgar E. Bass for the Easter recess.

Mrs. C. G. Bailey of Washington, D. C., left her home today after spending two weeks with her mother, Mrs. James L. Harroun.

John Mansure of Philadelphia, Pa., spent the week end at the Mansure summer home in Chaplin.

Miss Jessica Fenton, student at a designers' art school, Boston, Mass., is at the home of her parents, Mr. and Mrs. Robert H. Fenton for the Easter vacation.

Edward Pare of Providence, R. I., joined Mrs. Pare for the week end at the home of her parents, Mr. and Mrs. Anthony Hevrin where she has been guest for several days.

Mr. and Mrs. William F. Maine have returned to their home in Windham Center after a stay in Brattleboro, Vt.

A. L. Mills and Walter H. Woodill attended a meeting and banquet in Worcester, Mass., Saturday.

Miss Gertrude H. Turner had as week end guests Mrs. Dickerson G. Baker and son, James S. Stoker of Holyoke, Mass.

Ralph H. Williams of Springfield, Mass., spent the week end with his parents, Mr. and Mrs. Fred J. Williams.

Mrs. William Anderson is visiting her aunt, Miss Elizabeth Sullivan at St. Francis rectory, Middletown.

The long approaches to the new steel bridge at Phelp's Crossing on the North Windham Road are now nearly completed and it is expected that the new structure will be opened to traffic within a few weeks.

OBITUARY.

Parsall H. Peterson.

Parsall H. Peterson, 92, died at his home at The Ridges Saturday afternoon after a long illness. He was born February 2, 1837, in Canoga, N. Y., a son of Jacob and Susan Woodruff Peterson. He leaves one daughter, Miss Elizabeth W. Peterson of The Ridges and several nieces. The deceased resided on the old Nathan Hale farm, the birthplace of the famous patriot, in South Coventry for many years up to about 15 years ago when the property came into the hands of Mr. Seymour of New Haven the present owner.

David L. Mason.

David L. Mason of this city, died at the home of Nye Moulton in Perkins' Corner, Mansfield, Saturday night. He was born in Scotland, Great Britain, June 20, 1849, a son of John and Cecelia Low Mason. His son John Mason is his only survivor. Mr. Mason was employed in a clerical capacity at the American Thread company office here for many years, resigning some three years ago owing to failing health.

COLCHESTER

BRIDGE FOR DAUGHTERS IS GIVEN BY MRS. LEAL

Mrs. Malcolm Leal entertained at bridge at her home on the old Hebron road, Saturday afternoon. Five tables were in play, prizes being won by Mrs. Raymond O. Kendall and Miss Annie Smith. The affair was held in honor of Mrs. Leal's two daughters, Mrs. Lucy Starkweather of West Hartford and Miss Mary A. Leal of Philadelphia, who are making a few days' visit with their parents.

Miss Kathryn L. Morgan, of Stamford, spent the week end with her parents, Mr. and Mrs. Samuel Noyes Morgan.

Miss Eunice M. Seyms, teacher in Gilead school, and Miss Cora E. Carrier, teacher in Hartford, were at their homes here for Sunday.

Special services in recognition of Palm Sunday were held in the local churches Sunday morning.

Students Give Play

The Bacon Academy Girls' Domestic Science club, under the direction of the domestic science instructor, Miss Pearl Tiffany, presented a play "An Evening at Home" in Grange hall, Friday afternoon. The characters were prettily attired in costumes of a typical American family. Miss Edna Kaskkin took the role of mother; Miss Bertha Mintz acted as the father; Miss Anna Surwill played the part of heroine; Miss Dorothea Raymond and Miss Anna Hominick assumed the role of the youngest children; Miss Ruth Mintz acted as the hero and Miss Ethel Taylor was the grandmother. There were vocal solos by Misses Beatrice Gitlin, Sidney Standish, Nora Wilenski, Helen Zelesnicky and Josephine Micholajick. At the close of the program, dancing and a social good time was enjoyed. Nearly all the student body was in attendance, the event being one of a series of plays presented during the school year by the various student organizations. The Science club, under the leadership of Instructor Goodrich is now making plans for a play to be presented within the coming month.

Miss Carol Bock, student at Russell Sage college, Troy, N. Y., is at her home on North Main street for the Easter vacation.

EAGLEVILLE

George Tootell, Jr., and Misses Margaret and Amy Tootell of Pawtucket, R. I., were in town Sunday.

Mr. and Mrs. Carl Warren of New Britain and Mr. and Mrs. Raymond Warren of Hartford were guests Sunday of Mr. and Mrs. Edward Warren.

Howard Reynolds of Bryant-Stratton college in Providence, was at his home here Thursday.

SUGAR MAKES EATING A JOY

Why eat unflavored, unappetizing foods?

A change is coming over the well-informed eating ideas of this country. For a time, food faddists tried to make us believe that we had to eat all kinds of things we didn't like in order to be healthy.

Good sense is beginning to assert itself and we now know that the foods that are good for us may also be the most enjoyable. In fact, if we don't like the healthful foods, we probably won't eat them.

Prominent medical and other scientific authorities are now reminding us that appetizing flavors may be developed and improved by sugar. One well-known scientist, for example, states that "fruit flavors are developed by sugar. Fruit acids are softened by sugar."

The only safe rule for a healthful diet is to eat as large a variety of foods as possible, including healthful cereals, fruits and vegetables made appetizing to the taste by the judicious use of sugar. Sugar is not only nutriment in its least costly form. It is Nature's perfect flavor. Sugar develops the appetizing quality of nearly all fruits. Desserts of fresh or cooked fruits are growing more and more popular. Modern candy containing fruits, nuts and pure sugar is delicious and satisfying at the end of a meal.

No one should overeat or underexercise, but everyone, in order to be healthy, should eat plenty of healthful foods and enjoy them. The Sugar Institute.

WESTERLY

REV. B. U. HATFIELD CHOSEN TO GIVE K. T. EASTER ADDRESS

WESTERLY, R. I., March 24—The annual Easter observance of Narragansett Commandery, No. 27, K. T. of Westerly, David A. Lowry, commander, will be held in the Commandery asylum, 58 High street, Easter Sunday afternoon at 2:30, in charge of the Commandery prelate, Em. Sir Thomas McKenzie. The Sir Knights in full Templar regalia will assemble in the armory hall and headed by Christ Episcopal church choir will march into the lodge room taking reserved seats near the front, the Sir Knights on the right and the vested choir and soloists at the left. The address will be made by Rev. Byron U. Hatfield, pastor of the First Baptist church of Westerly and a member of Narragansett Commandery, of Westerly. Responsive reading by Commandery Prelate and Sir Knights with solo and chorus numbers by Christ church choir and soloists will complete the program.

Desire to be Constables

A number of applications for the appointment of constable with pay to fill the vacancy caused by the resignations from the Westerly police force of Joseph Owens and Frank Wardsworth, who are to return to their former employment, one as auto mechanic and the latter as a meter tester for the South County Public Service company, have been presented to Westerly town council. The petitions are referred to the police committee of the council and to Chief of Police Thomas E. Brown for endorsement. The formal resignations will come before a special meeting of the town council this (Monday) afternoon, as will the appointment of successors.

Real Estate Transfer

March 22, the Hartford National Bank and Trust Co., executors of the will of Margaret L. Allen, sold to Mary McComas, property at Watch Hill on the West Side of Manatuck avenue; a second tract, covered with water and 2-19th of an undivided interest in a third tract formerly of the Everett Farm, so-called, and of the Watch Hill syndicate.

March 22 the estate of Sarah L. Loveland, by heirs, Sarah L. Loveland, Minnie P. Willard estate and Harriet P. Colins, by Albert H. Langworth, agent, leased the store and basement 50 High street, for a term of five years from April 1, 1929, with option of renewal.

Collided During Fog

Officer John Beattie of Westerly was called Saturday night about 7 o'clock to investigate a collision between a horse and wagon and an automobile, near Waite's Corners, on the Westerly-Bradford road. The smash the officer found occurred when the fog was thickest. The Studebaker touring car owned and driven by Generoso Pucci, of 244 Canal street, Westerly, had struck the wagon in which was Wilfred Capalbo, of Bradford. No one was injured. The touring car had a running board broken and the left side of the car was damaged, while some of the harness on the horse was broken. There was no arrest.

OBITUARY

Charles J. Ryan

Charles J. Ryan, 65, died at 7 a. m., Saturday at his home, 68 Liberty street, Pawcatuck, following a lengthy illness which culminated in a shock. He was born in Westerly the son of Patrick and Mary Keegan Ryan and passed all of his life in town. Several years ago he retired from active business.

He is survived by three sisters, Miss Margaret Ryan and Mrs. Annie Purtill, both of Westerly and Mrs. Elizabeth Kelliher of Providence. He was an attendant at St. Michael's church, Pawcatuck.

James G. Buths of Hartford was a Westerly business visitor Sunday.

Mrs. C. B. Pickering of Avondale has returned from Old Point Comfort, Va.

Charles E. Redford of New London was the guest Sunday of Westerly relatives and friends.

Commander David A. Lewry of Narragansett Commandery, No. 27, K. T., of Westerly, motored to Woonsocket Friday evening to attend the annual inspection of Woonsocket Commandery No. 24, K. T., it being the last conclave in the present asylum where they have been stationed for the past sixty years. While the building is being removed the commandery will meet in Blackstone, Mass.

New Railroad Head's Visit

President Pelley, newly elected head of the New York, New Haven and Hartford railroad was a Westerly visitor for a brief time Saturday afternoon. He occupied the officials' car, New England, No. 2, a combination observation and compartment car which was attached to the Bay State express, eastbound leaving Westerly at 1:28 p. m., for Boston. It is reported that next month President Pelley will visit the Westerly station and yard while on a complete tour of inspection of the New Haven system.

PRESIDENT CHAS. PERRY OF TRUST COMPANY ILL

Charles Perry, president of Washington Trust company, has been confined to his home, 4 Margin street, the past few days by illness. He sustained a slight cerebral hemorrhage Friday reported to have affected his speech in a slight manner. His physicians do not consider his condition serious. For the past few weeks Mr. Perry has not been in the best of health and his condition has necessitated his absence from bank duties from time to time. His son, Arthur L. Perry, vice president and treasurer of the Washington Trust company, did not consider his father's condition critical.

FUNERAL

Chas. W. Murphey

Delegations from Grahite City camp, Modern Woodmen and Hope council, Junior Order United American Mechanics attended the funeral of Charles W. Murphey, Friday afternoon at 1:45 at 46 Granite street. The committal services at River Bend cemetery were conducted by the Woodmen and Mechanics, and members of those organizations acted as bearers.

WEDDING

Hunt-Church

Miss Grace Elizabeth Church of Richmond and Frederick Arthur Hunt of Potter Hill were married at the parsonage of Grace M. E. cvhurch Saturday by Rev. Henry C. Suter, Ph. D. The attendants were Martha Grace Pendleton and Frank Leslie Pendleton.

Palm Sunday Services

In Westerly Palm Sunday services at all of the churches were largely attended and the weather was ideal. In accordance, with custom palms were distributed at both local Catholic churches and at Christ Episcopal church.

A whist party and social was held the past week end at Vets hall West Broad street, under the auspices of Hartley P. Chase Post auxiliary, V. F. W. The committee in charge was Mrs. Helen Mathieu, Mrs. Valcena Champlin, Mrs. Stella Keegan, Mrs. Florence Hiley and Mrs. Madeline Demeis.

Raymond Mitchell, a student at Springfield, Mass., Training school, is passing a week's vacation with his parents, Mr. and Mrs. Alexander Mitchell.

Charles H. Nichols, who has been confined to his home on Spring Brook avenue, White Rock, for several weeks by serious illness, was able to be in Westerly Sunday.

Miss Grace Murphy, a student at Trinity college, Washington, D. C., is passing the Easter vacation with her parents, Mr. and Mrs. John Murphy.

Miss Mildred Bray, student at Wheaton college, Norton, Mass., is home for the Easter vacation with her parents, Mr. and Mrs. George H. Bray.

Mario Nardone, student at Northwestern university, Evanston, Ills., is passing the Easter vacation with his parents in Westerly.

Tidings From Florida

Word received by Westerly friends from William H. Goodgeon and party motoring in Florida, reported them as having a most delightful trip and being in St. Augustine, the past week end.

NOANK

VILLAGE DOUGHNUT DAY NETS A GOOD AMOUNT

Friday, doughnut day in Noank when the Ladies' Aid society of the Baptiste burch made and sold 144 dozen of doughnuts, a good sum was realized. The committee in charge was Mrs. Chas. Cox, Mrs. Stella Rathbun, Mrs. Beret Jensen, Mrs. Margaret Rathbun, Mrs. E. P. Fitch.

Many members of the D. of A. attended a meeting of the D. of A. in Wakefield, R. I., Thursday evening.

Walter McDonald has returned from Boston.

Training Camp Applications

Commander John F. Morrison has received applications from the Citizens' Military Training camp for young men between 17 and 24 to attend the Citizens' Military Training Camp, from July 5, Aug. 3. All expenses for a month including railroad fare are paid by the government. The men will receive military drilling and receive training in the following subjects: Physical training, hygiene and first aid, drill and rifle marksmanship, also a great deal of the time is devoted to outdoor exercise. Further information may be secured from Commander John F. Morrison or Adjutant Walter Palmer of Harrison Morton Ward post, American Legion.

Lewis Main was a recent caller in Norwich.

Miss Thelma Meister of Spring street is having a week's vacation from her studies at the Norwich Art school.

John Ellis of East Greenwich spent the week end at his home on Main street.

Alex Cuthbert has completed his duties at the Rossi Velvet Co. at Noank.

The entertainment and dance given by Washington council, Junior O. of U. A. M. in the hall Thursday evening was largely attended. The "Park Town Broadcasters" were especially pleasing. L. L. Smith acted as station announcer from station Bunk. The music and solos given by the boys kept the audience in a uproar. An orchestra composed of Bernard Davis Walter McDonald Edward Schoonmaker, Marvin Porter, Frank Schoonmaker, Clifford Phelps, Lester Porter, Francis Brewer, John Bentley and Frank Schoonmaker played several times during the evening. The following program was given: Orchestra selection, Carolina Moon, Musical Novelty, Golden Slippers and Home Sweet Home, Clifford Phelps quartette. In the Evening by the Moonlight, Edward Schoonmaker, Marvine Porter, Walter McDonald and Lester Porter; solo, The Wreck of the 97 and Darling Nellie Gray, Geo. White accompanied by the Melody Boys. The Union Baptist church had a visiting day Sunday afternoon among its members, in the nature of a friendly call and twelve teams arranged by the pastor, Rev. L. J. Shenler, went out. They were:

No. 1, Nathan Packer, Mrs. D. M. Bennett and Mrs. J. H. Thorpe; No. 2, Miss Pauline Miner, Mrs. G. S. Richmond, Mrs. J. E. Newbury; No. 3, Mr. and Mrs. Thomas P. Wilcox and Mrs. Ada Sweet; No. 4, E. C. Hall, A. L. Wheeler and Sands Fish; No. 5 Mrs. L. M. Allyn, Miss Emmeline Fish and Miss Doris Bindloss; No. 6, G. S. Richmond and G. R. Francis; No. 7, Earl Cutler, Mrs. Hollis Price, and Mrs. C. C. Craig; No. 8, Miss Bessie Heath, Miss Winifred Wheeler and Mrs. Gurdon Allyn; No. 9, S. A. Stoddard, Hollis Price and John Paton; No. 10, Mrs. Russell Potter, Mrs. E. C. Hall and Mrs. Latham Packer; No. 11, Mrs. S. A. Stoddard, Mrs. Sade Van Pelt and Miss Jessie Fish; No. 2, J. H. Thorpe, Miss Harriet Fish and Mrs. G. R. Francis.

Members Gave Play.

When the Senior World Wide guild of the local Baptist church, met at the home of Miss Doris Perkins on Pearl street, Miss Winifred Wheeler, the president, presided at the business session, after which a play by three of the members was given. A social hour with refreshments followed.

Mr. and Mrs. Charles L. Crouch and Mrs. J. Henry Hill were in New London Friday and attended the funeral of Captain David J. Hunt at Huntington street Baptist church.

Mr. and Mrs. Elmer Meyers spent the week end with relatives in Franklin, Conn.

Mr. and Mrs. Emil Wydler and children of New Haven spent the week end with Mr. and Mrs. Fred Starts.

Mrs. Leon Dickenson of Hartford is visiting her mother, Mrs. Russell Lamb.

Mrs. W. S. Lamphere is recovering from illness.

Dance Follows Supper.

A supper and dance was held in Grange hall, Friday evening, under the auspices of the public entertainment committee, Mrs. Ellery Burdick, chairman. Mrs. Joseph Desley was chairman of the supper, and Mrs. Grace Cook and Mrs. Louis Jones had charge of the tables. Many compliments on the supper were heard. Following the meal there was dancing. The Lapins' orchestra of Mystic, furnished music.

Mrs. W. A. Phillips and C. E. Holmes visited Mrs. William P. Babcock in North Stonington Friday evening. Mrs. Babcock is very ill.

Mr. and Mrs. C. Dewar Simmons have returned to their home in New York, following a visit with the latter's parents, Mr. and Mrs. G. Victor Grinnell.

Miss Dorothy Burdick of Norwich spent Friday afternoon and evening with her mother, Mrs. Fannie Burdick on Pearl street.

Mr. and Mrs. C. H. Burdick spent Saturday afternoon and evening with friends in Westerly.

Another Death in Family.

Mrs. Eva Burdick and daughter Miss Ethel Burdick, attended the funeral of the former's brother, George Brown, held at his home in Jewett City, Saturday afternoon. March 5 Mrs. Burdick and daughter attended the funeral of her sister, Mrs. Mary Whipple in Jewett City, two deaths in less than three weeks.

Daffodil Tea.

The annual daffodil tea given at the home of Mrs. Charles E. Wheeler, Friday, was well patronized. Tea was served from 3 to 5. Mrs. L. M. Allyn and assistants serving. Food, candy and daffodils were sold.

Miss Marguerite King of Cranston, R. I., spent the week end with her parents.

Mrs. E. Ducker visited relatives in Westerly, Friday.

The Monday club meets with Miss Geneva Rathbun. She will read the paper, the subject Naples.

S. J. Carr and Fred Ballou have returned from visiting in Florida for the past three months.

"I wish I could Tell the World How Father John's Medicine Helped Me Regain Health"

Miss Emily G. Baker, 12 Coventry Street, Newport, Vt., suffered from chronic bronchitis which left her open to colds and lowered her powers of resistance.

"I coughed myself to a shadow," she writes, "until I took Father John's Medicine. Soon I was feeling fine again. I now eat and sleep well and the cough has left me."

"Father John's Medicine has done so much for me that I wish I could tell the world about it."

FOR STRENGTH AFTER ILLNESS FATHER JOHN'S MEDICINE NO DRUGS

Over Seventy Three Years of Success for Colds and Throat Troubles

STONINGTON

JOINT SESSION HELD HONORING STATE COUNCIL

A meeting of the Junior O. U. A. M. was held in Mechanic's hall Saturday evening, it being a joint session of Stonington council, No. 5, of the borough and Washington Council No. 7, of Noank. It was held in honor of the visitation of the state council of Connecticut. A special feature of the evening was the presentation of a beautiful American flag by Chamberlain council No. 2, of New Britain. A very interesting program was carried out by the local committee and refreshments were served. Hope Council of Westerly, R. I., were guests of the local council.

Gustave Penke has sold his farm, formerly the Jonathan Wheeler place, Road district to Irving E. Dawley of Plainfield who will move here with his family April 1. Mr. Penke was a milk dealer in the borough.

Candidate Preaches

Rev. Robert S. White of West Haven, a candidate for the pastorate was preacher at the services in the Second Congregational church Sunday. The World Wide Guild of the First Baptist church held a social in the church parlors Friday evening.

J. Edward Fairbrother of Philadelphia is the guest of his parents Judge and Mrs. L. D. Fairbrother.

Wm. Shackley of New Haven is visiting relatives here.

Attorney Raymond J. Callahan of Boston visited with friends on High street over the week end.

The 16th in a series of public whists was conducted by Stonington Steam Fire Engine Co. in their rooms Friday evening.

POETRY

My Doors

(Rev. 3:8,20)

Before two secret doors I stand:
One, opened by the Master's hand,
Will lead to paths unknown;
The other, tightly barred and locked,
At which the Savior long has knocked,
Will yield to me alone.

The door which opens from within
Must swing wide open unto Him
And give Him entrance free.
Then He'll come in, my life to bless,
In all His winsome loveliness,
And sup and talk with me.

And through that other door He'll lead
My steps; and all my need
Will be by Him supplied;
O'er paths of selfless service then
I'll go, to tell my fellow men
Of Christ, the Crucified.

Lord, grant that grace be given me
To open wide my heart to Thee
And make Thee welcome there.
Then lead me through the open door
Which none can close forevermore,
To serve Thee—anywhere.

—Ida G. Nichols, in Sunday School Times.

Pals

He's just a common little pup,
Without a fancy name,
His ears and tail don't stand straight up,
But we're pals just the same.
Folks say he's ugly as can be,
I must admit that's true,
But if they knew old "Rags" like me,
They'd have to love him, too.

He hasn't any pedigree,
But, then, that doesn't count;
I wouldn't part with Rags, you see,
For any great amount.
Ma always reaches for the broom
When she sees him around,
But nights I hide him in my room
And then he can't be found.

All through the day he's by my side,
As faithful as can be,
His big eyes ever open wide,
Lest some harm come to me.
And if I happen to be bad
(For boys aren't always good)
He looks at me, his brown eyes sad,
As if he understood.

And things would all seem surely wrong
Were Rags not near to play,
For we two have been pals so long
I'd miss him every day.
I smile when folks say: "My, he's queer";
For I have always known
That he's the best dog, far or near,
A boy could ever own.

—Frances Kane, in Los Angeles Times.

HUMOR OF THE DAY

Owens—I don't know what I can do about that ten I owe you.

Oke—You might, at least, help me worry about it.—Boston Transcript.

"Aunt Clara, if you had your life to live over again what would you do?"

"I'd get married, my dear, before I had sense enough to decide to be an old maid."—Exchange.

Boy—Are you and sis going on a long hike this afternoon?

Suitor—Yes, Jimmy; why do you ask?

Jimmy—'Cause she's had the corn doctor here all morning.—Detroit News.

"Jim is wearing one of those William Tell ties."

"What kind might that be?"

"You know, the kind you can pull on the bow, release and hit the apple."—West Pointer.

Personal in Chicago paper—"B. V. Return home at once; have decided against divorce plan—."

Fine! We always hoped the B. V. D's wouldn't separate, whatever else happened.—The New Yorker.

The party had been lively. Next morning the wife remarked: "Not so many dishes to wash as I expected."

"Eh?"

"They broke quite a lot."—Louisville Courier-Journal.

Candidate—Fellow voters we must do something to improve the status quo.

Heckler—Status quo? What's that, mister?

Candidate—That is Latin for the mess we are in.

Ishka—That Veerhoff girl claims to have mastered French.

Bibble—I don't believe it.

Ishka—Nor I either. She's studied it three years and still when I asked her she didn't even know the French word for "attaboy."—The Pathfinder.

KALEIDOSCOPE

New universities have been established at Jerusalem and Salonikl.

Oak trees are more used for roadside planting in this country than any other tree.

Investigations of the dog's mental processes indicate that dogs do not see the world in colors.

A stalagmite in Carlsbad cavern, in New Mexico, is sixty-two feet high and resembles the Leaning Tower of Pisa.

A careful census of the Navajo tribe, now being taken, indicates that there are about 35,000 of these Indians.

The largest rock carving ever found in Scandinavia has been discovered in Sweden and depicts three moose and a bear.

"Pray Without Ceasing for the King's Recovery" was the inscription on a large banner carried by a well-dressed middle-aged woman, who walked daily through a busy suburban district of London during the critical stage of the king's illness.

Becoming accidentally mixed with rubbish, three diamonds, valued at nearly $1,000, were tossed into the incinerator at an Attleboro (Mass.) manufacturing plant. When the loss had become known, employes were ordered to search the ashes and the gems, undamaged, were recovered.

D. L. Davis of Fresno, Cal., is noted as a good marksman with a shotgun. He seldom wastes a shell. But Davis surprised even himself the other day when he brought down a rabbit and a quail with one shot. Just as he raised his gun to fire at a rabbit a quail flew into range of the scattering lead pellets and both animal and bird were killed.

Fifty-two years ago, E. L. Hawes, then a young lad with a taste for the sea, shipped aboard the bark Pride for his first cruise on the Pacific. Today Hawes, chief steward of the Dollar liner President Harrison, admits "the sea has got me," and declines to spend his old age on shore. Hawes's record includes 348 trips across the Pacific and eleven trips around the world.

The Moscow river has few enough spots free of ice these subzero days, but Nikolai Nikoroff, a worker there, knows where they are and bathes in the river daily. The heroism of that daily bath is best appreciated by Moscow residents themselves, who in the present season know that the frost can bite right through a sheepskin coat, let alone an unprotected skin. No wonder the local paper prints Nikiforoff's picture.

Peanuts are increasing in industrial importance, the department of commerce reports, citing consumption of around 100,00 tons yearly in American candy manufacture alone. Although twelve states yearly produce 800,

DANIELSON

MAY HAVE DRIVE TO COLLECT TAXES DUE TOWN

DANIELSON, March 24—A drive to collect Killingly's overdue taxes seems probable as a result of the taxation discussion of the past few weeks, and as the result of auditors who recently went over the town accounts and for other reasons. Tax Collector James R. Walsh has prepared a statement showing that on March 1, of this year, there were uncollected taxes to the amount of $28,810, 65 being carried on the books. Some of this money has been due the town since 1915, and every year since that time figures in the uncollected tax list. The uncollected taxes run from as little as $100.80 in 1916, and $77.36 in 1917, to as high as $7,374.45 in 1928. The certified public accountants who recently made an audit of the town's account recommend in their report that $20,000 of the $28,810.65 on the back tax lists be charged off. Meanwhile, during the current month, Collector Walsh has received $594.16 in overdue taxes.

An analysis prepared by Mr. Walsh shows since 1923, the amounts of taxes remaining uncollected have been as follows: 1923, $1,550.20; 1924, $1,823.75; 1925, $1,995.96; 1926, $4,501.07; 1927, $7,374.45. Yet in 1923, 98 8-10 per cent of the taxes due were collected, with the percentage as high as 99 per cent in the following year, 98 per cent in 1925, 97 1-2 per cent in 1926 and 96 per cent in 1927. Actually, the net of uncollected taxes, less collections during this month and abatements by the selectmen, of $730.45, is $27,486.54. If the town should elect to charge off $20,000 of this amount, the uncollected list will be down to $7,486.04. It is probable that a detailed explanation will be made at the special town meeting on Monday evening just what items should be charged off, and why, and why others should be collected, using drastic means to get the money if necessary.

A point raised by many taxpayers who pay promptly is that if it is possible to collect the personal taxes 100 per cent, as was done in this town on the last collection, it should be possible to come close to that figure on the town list, though some abatements are mighty certain to be necessary in any year. They hold that pressure be applied to the delinquents to get the money, in much the same manner as it is applied to delinquents on the personal tax lists.

They hold that the $20,000 charge-off that is proposed, while likely an advisable move, represents a very serious loss to Killingly. The special town meeting may bring plenty of discussion on this matter. The situation appears to be that the majority of those on the delinquent list will not pay until legal processes are invoked to force settlement.

These who would slip out and catch a few trout prior to the opening of the season on April 15, may be interested to know that already game wardens are keeping watch of the brooks, and that those who are caught fishing out of season will be in for a court appearance. The great body of fishermen obediently refrain from catching trout out of season, but there are a few each year who do not, and it is for these the game wardens will be on the lookout.

Koral Kopecki, 43, is dead at his home in Moosup after an illness of about a year. Prior to 17 years ago, when he located in Moosup, where for a long time he was employed in a mill, Mr. Kopecki was a resident of Danielson. He was a native of Austrian Poland. He leaves his wife and four children.

It develops that the new closed car found wrecked and abandoned early Friday morning at the foot of Little Rest hill, five miles east of here, was stolen from where it had been parked opposite the Elks' home in Providence during the preceding night. The car was registered in the name of Edward McGowan, of West Roxbury, Mass., who had loaned it to his brother, Harry, who is an actor. Harry had driven it from Hartford to Providence. It is understood that arrangements are in progress to have the car repaired, a matter that will involve a very considerable expense.

This afternoon reports began to sift in relative to the number and noisiness of drunks who were parading around streets in the southerly section of the borough late Saturday night. These streets are without street patrol and so no officers observed the actions of the intoxicated men or heard the great profanity with which they were carrying on their spree. Lower Furnace street was reported as particularly infested with the drunks, much to the annoyance of residents of that vicinity.

Rapid advance of the spring season and the consequent enlargement of operations out of doors has provided work for numbers of men who have had irregular employment during the winter season, and still further work will be provided during the last week of March. This favorable change is expected to promptly result in a lessening of the demands made throughout the winter season on the town for aid of numbers of families who had little or no funds.

Robert Kamm, Rhode Island aviator missing for a week, is known to numbers of residents of Danielson and is a personal friend of Alanso Colvin, Danielson's pioneer and only aviator. Kamm, with a companion, left Rhode Island a week ago on a trip to Texas. He has been unreported since he made a landing at Shreveport, La., last Tuesday or Wednesday. Fears were today that he may have been obliged to make a forced landing in the flooded area over which he would be flying after leaving Shreveport.

Ivan P. Elfgren, of East Killingly, himself a civil engineer, has an interesting proposal relative to providing funds for keeping dirt highways in better condition than they have been kept. He suggests that one-third of the money paid into the state by owners of cars living along dirt highways should be used by the state in keeping such highways in reasonably good repair. Presumably this refers to one-third of the money paid in for registration fees. Mr. Elfgren in asking for improved dirt highways may be regarded a spokesman for a great many residents of Killingly, especially the farmers. He points out that it is essential for farmers to have good roads over which to haul their produce to market and for hauling in materials they use on their farms. Hardly a farm in this section of eastern Connecticut but is provided with a car or two in this day, and numbers of farms also include a motor truck in their equipment. For the past two or three weeks the farmers have had a great deal of difficulty in getting over the dirt highways of Killingly, and conditions have been similar in other towns hereabouts.

A flock of wild geese winged northward over Danielson this morning shortly after 9 o'clock, this being the third flock heading out of the south reported over Danielson in the past two days.

And as to portents of spring, it may go into the record that G. Rene Caron was wearing a dandelion blossom Saturday, the bloom picked opposite the Main street plant of Powdrell & Alexander.

Earl Young and his children, Barbara, Virginia and Frederick, all of New Haven, were visitors here today with relatives.

There has been nothing the past two days to indicate that any great attendance will be at the special town meeting Monday evening to hear the report and recommendations of the special committee of the town on auditing town accounts.

Motorists operating cars in this section during Saturday night and the early hours of this morning were beset by fog of such density as to make guiding a machine a very difficult and dangerous task.

Rev. Leonard R. Richards, of Pomfret, will preach at the Good Friday evening service at St. Alban's church.

Mr. and Mrs. Louis Wilcox, of New London, were visitors with friends in Danielson today.

Alfred Messier and his family, of Wauregan, are to occupy a farm on the Brooklyn-Canterbury highway, where Mr. and Mrs. Stephen Coffey have lived for years. Mr. and Mrs. Coffey will make their home in Brooklyn village.

State Officer Emil Castagna, of the Danielson barracks, is to be transferred this week to the state police barracks at Stafford Springs. Another officer, from the Hartford barracks it is understood, will be sent here to replace him.

The largest issue of fishing licenses of the year in Killingly will be made within the next three weeks, because of the fact that the trout fishing season opens April 15.

Workers of the Putnam staff of the Salvation Army, with assistants, were engaged here in soliciting under a Tag day arrangement on Saturday.

Gravel is now being distributed on dirt highways of the town, in accord with an appropriation made at the recent adjourned annual town meeting. Roads also are drying out, though not yet inviting for pleasure traffic.

Because of the Union Lenten services beginning Tuesday evening under the auspices of the Danielson Federation of Churches, some regular gatherings of church groups are cancelled for Holy Week.

Miss Blanche Authier, of Central Falls, was a visitor today with friends in Danielson.

The Tri-Y and Hi-Y Holy week services will be inaugurated Monday morning at 7:45 at the Baptist church. The arrangements for these services are much the same as for last year.

Kenneth Hamilton was reported today as resting comfortably at St. Vincent's hospital in Worcester, where he is recovering after undergoing an operation for appendicitis the past week.

PUTNAM

CAPT. COFFIN LOCATED IN LOS ANGELES, CAL.

(Special to The Bulletin)

PUTNAM, March 24—(AP)—Captain Frank T. Coffin, son of George M. Coffin, receiver of the First National bank of this city has arrived safely in Los Angeles after thrilling experiences in the Mexican war zones, according to a dispatch received Saturday from the department of state by the Putnam banker. Mr. Coffin told the Bulletin this afternoon that the government messages were the first news he had received of his son's whereabouts since March 13.

Captain Coffin left Los Angeles for Mexacalli, a province in northern Mexico early in February, to establish an air line for an American mining concern, between Mexacalli and Durango. He piloted his plane a distance of 950 miles in a little over eight hours between these two cities. According to the New York "Sun" of Saturday, Capt. Coffin's plane was seized by Mexican military authorities and, was believed to have been pressed into service in an effort to put down the rebellion now going on.

His father is of the opinion that he was successful in his mission, since he informed him in a post card communication that he was leaving on a hunting trip with a Mexican senator, from whence he would go with him to Mexico City to obtain the concessions to operate the air line. Capt. Coffin returned to Mazatlan where he spent a few days, embarking on the steamer "San Francisco" on March 18, arriving in Los Angeles on Friday. According to information received Capt. Coffin left the Mexican city before it was stormed by the rebel soldiers.

Capt. Coffin is a soldier of fortune, in a true sense of the word. He has been an adventurer since his early teens. Shortly after the Wright brothers were successful in their experiments with heavier than air flying machines, Mr. Coffin became associated with them. His interests with the famous Wrights caused him to travel extensively in connection with the demonstration of airplanes. Mr. Coffin is now one of the two survivors of the eight men who volunteered their services to the Wrights in the early part of the 20th century. The others all met with tragic deaths during the early years of flying.

In 1913, Mr. Coffin was then an experienced flier. At this time he offered his services to the government and received a commission with the rank of captain. He spent a number of years in Texas where he trained army fliers. One of Captain Coffin's distinguished pupils was Lieut. Fulroy, now Brigidier General Fulroy, a high official of the Army Air service. Upon America's entry into the World war, Capt. Coffin volunteered for service with the American flying corps in France, but was rejected because of age. However he remained with the government in the role of an instructor, training young officers in flying.

Capt. Coffin distinguished himself in aviation in the early days when he became the first man to make successful photographs from an airplane. Capt. Coffin made the first pictures from the air of New York city and by this act won for himself a contract with the Vitagraph motion picture company of New York. He was also sucsessful in devising a mechanical appliance to aid an aviator in making motion pictures in the air. Capt. Coffin's role as an inventor was not confined to moving picture devices, for he was the first to conceive and perfect the aluminum pontoons for hydroplanes. He perfected the metal pontoon after he had narrowly escaped death in a plane crash on a lake in Michigan, where he was experimenting. Hydroplanes were then equipped with wooden pontoons, which crushed easily under weight when the craft alighted.

In late years Mr. Coffin has taken an active part in moving pictures. He had the role of a Roman judge in the filmenic "Ben Hur" which made its debut about a year ago. Mr. Coffin has also had parts in other films in which Richard Barthelemess has starred.

The father of the air pioneer said today that he was greatly relieved when he learned of his son's safety. He intimated that he was expecting a letter from his son in which a detailed account of his trip into the Mexican wilds would be related.

John Ellison of New York city sustained a number of injuries about the face and hands as the result of an automobile crash which occurred on Killingly avenue at an early hour this morning. Ellison was operating an Oakland coupe and was proceeding to Danielson from Putnam when his car slipped from control, swung to the left hand side of the road and crashed into a Reo truck owned by H. H. Decker of 97 Commerce street, New Haven. The impact hurled the laden truck to the side of the highway and caused it to topple over to its side. The driver, George L. Hines of New Haven leaned to safety a second before the truck crashed to the embankment.

Sergt. George Liard of the local police was summoned to the scene. Upon his arrival he found Ellison suffering from a number of wounds and blood issuing profusely from his face and hand. The man was taken to the Day Kimball hospital where he was given medical attention. His injuries were not serious and he was discharged from the institution this morning.

The truck was loaded with moving picture films and was enroute to Boston, delivering reels of film at various theatres along the route. The contents of the vehicle were not damaged, according to the police report. State Officer John Murphy of Danielson barracks was later called to the scene of the accident where he made a check-up of the situation. Neither driver was held by the police.

Hundreds visited the Hermanson greenhouses on Grove street this afternoon where the annual flower show was held. During the afternoon many of the hot house blooming plants were shown. The long rows of flower beds were abundant with the beautifully colored blossoms, typical of the forthcoming Easter season.

Superintendent of Schools Leon M. Farrin said Saturday that plans are now underway for the formation of a club to be known as the "Putnam teachers' meeting. The committee conners met Thursday, March 21, to prepare nominations for the regular teachers meeting. The committee consisted of Mrs. Sarah Kent of the Israel Putnam school, Miss Irene Bernier of Putnam high school, and E. L. Robinson of Putnam high school.

Robert Goslain of Bates avenue, was somewhat shaken up today when he was run over by a truck being driven by Wesley Waters, an employe of the Standard Oil company. The boy was riding on the running board of another car, and when the vehicle made a left turn onto Bates avenue he was thrown into the path of the following car. Mr. Waters stopped quickly and went to the aid of the boy. An examination revealed that the youth was uninjured. Mr. Waters was exonerated from any responsibility of the act.

Mr. and Mrs. Lewis Marshall Ream have returned to their home in Thompson after an extended wedding trip in Europe.

Miss Dorothy Keefe is spending the Easter recess at the home of her parents on Ring street. Miss Keefe is a student at Connecticut college in New London.

Swarthmore Chautauqua will be in Putnam this year four days, according to an announcement made by Mrs. Dorothy J. Bartlett, president of the local Chautauqua organization.

A month's mind mass will be celebrated at St. Mary's church Monday morning for the late Daniel J. Byrne, treasurer of the Putnam Savings bank, who died on February 22.

Miss Anne S. Caffery of Pomfret street, has returned to her home in this city after several days as a patient in St. Vincent's hospital in Worcester, Mass.

The Bonneville Clothing store of 4 Main street has been served with a sheriff's writ of attachment and is now closed. The first proceedings served against the Putnam business house took place Friday afternoon when Deputy Sheriff Charles E. Ayer of Dayville presented the management with an attachment claim of the Citizens National bank of this city. Since then other creditors have applied legal attachments to the stock of goods. The Bonneville Clothing company has been doing business in Putnam for about four years. During that time the store has been under the management of Alfred Bonneville, of Woodstock avenue, and the house has borne his name, but the stock of goods is owned by I. Goodwin, a Worcester retailer.

Attorney Irving H. Miron, counsel for the Dayville Coal and Grain company stated today that he was unable to disclose the amount of settlement made by his client to Dewey P. Bourque of this city, who named the fuel company defendent in a $75,000 damage suit, which was slated for a jury hearing in superior court this week, but was taken from the trial list when the counsels informed the court that settlement had been made.

The case grew out of an auto accident which occurred on Wilcox four corners in Woodstock several months ago. The case was to be tried by a jury and final preparations for the hearing were completed when the lawyers appeared to request a dismissal of the case.

The condemned Central block on Main street, one of the city's oldest landmarks will remain intact for at least another month, according to Charles Seder, owner of the property. Mr. Seder was approached today for information concerning the razing of the old and unsafe building. He said that he did not expect to have a razing crew commence work on the block for at least another month. As to the new structure which Mr. Seder has intimated he will erect on the site of the old block, no plans as yet have been developed.

The present tenants of the block, Elliott's Shoe store, H. W. Thompson, the law offices of Searls Russell and Bradford, are now preparing to vacate the building. They have been requested to leave by the first of the month, but in the event they are unable to acquire satisfactory locations will be granted an extension of time.

Palm Sunday was observed today in commemoraeion of Christ's triumphal entry to Jerusiem, in all the churches of the city. The services were marked in St. Mary's church by the distribution of palms. The branches were blessed at a special service at the 10:30 o'clock mass by Rev. Joseph D. Casey, celebrant at the solemn high mass.

Pussy willows, are now being gathered in the countrysides of Putnam by children. It was observed Saturday that the youngsters were eagerly scanning the open fields in search of the first heralds of the new season.

JEWETT CITY

THE LATE GEO. W. BROWN LAST OF SLATER MILLS GROUP

The funeral services for George W. Brown, at one time a resident of Jewett City, were held Saturday afternoon at Hourigan Brothers' funeral home in Norwich. Rev. J. W. Carter, pastor of Jewett City Methodist church conducted the services. The bearers from Reliance lodge I. O. O. F., No. 29, of this borough were Frank Mell, Irving Thornton, Thomas Gray and Walter Hyde. Beautiful flowers were received from relatives and friends. Attendants were present from East Hartford, Mystic, Jewett City and Conimicut, R. I.

On the night preceding the flood of 1886, Mr. Brown, F. H. Fanning, William B. Gardner, William Burleson, Luman Bennett and Henry H. Hiscox left the Slater mills machine shop for the last time. The next day the entire building was swallowed up in the flood, when the big Slater dam was carried away. All their working tools were lost. Mr. Brown, 81, was the sole survivor of that company of machinists and carpenters.

Memorial Flowers

The beautiful ascension lilies at the Baptist church Sunday morning were in memory of a former pastor, Rev. John W. Payne, from his son Wallace H. Payne.

During the late evening Saturday a dense fog enveloped this section of the Quinebaug valley. Inbound auto operators reported state road traffic slowed down to safety speed all along the line.

Faith Chapter, O. E. S., has accepted an invitation to attend the obligation service of Sachem chapter, O. E. S., this week Wednesday evening. The service opens at 7:45.

Easter plants for sale at Parisian Cleaner store, Soule St., Whiting's Greenhouses.—adv.

Palm Sunday Observance

Palm Sunday was observed with special music in the churches. Palms were distributed at St. Mary's church at the masses. "The Palms" was sung at the Congregational church by Miss Sadie Thompson, at the Baptist church by Miss Verna Tarbox and at the Methodist church by Harold Jeffers.

WILD RIDE OF JOHN BURNS MEANS TWO COURT HEARINGS

(Special to The Bulletin)

JEWETT CITY, March 24—John Burns of this place will appear in Baltic town court Monday morning charged with driving while under the influence and having no license. He then will be served with a warrant to appear in Griswold town court charged with stealing an automobile. Sunday noon he first tried to take a machine belonging to Mr. Potter, who is employed in the Pullman lunch-cart. Being unable to start it, he tried Dennis Sullivan's machine, with the same result. Finally he appropriated Dona Dugas' Chrysler and started on a wild ride down the line. He narrowly escaped wrecking several cars, forcing them off the road. Dugas started after him in another machine. Another driver notified the state police and police stations down the line but Burns went to Baltic. There he nearly killed a 12 year old girl named Wilcox and finally got stuck in the mud on a country road two miles out of Baltic. Deputy Sheriff McGuire placed him under arrest, which Burns resisted, biting the officer on the wrist. Officer Veigard went to Baltic and brought back the Dugas machine, which is considerably damaged.

RESULT OF PLAYING SAFE.

There are good reasons for satisfaction over the announcement that there will be no deficit at the end of the fiscal year closing with June. It is gratifying both from the fact that deficits are undesirable and because it means that the closing year of the Coolidge administration will, as insisted, finish on the right side of the ledger.

But there will be those who will find fault with the announcement that there will probably be a surplus of $70,000,000 to $75,000,000. They are disturbed because they were not allowed to make a raid on the treasury and pack down the pork barrel with a lot of needless but expensive propositions, because there was a demand for economy instead of extravagance and the economy won. They are also dissatisfied because they were not permitted to make a bigger slash in the federal taxes when it was impossible, to estimate at the time that conditions were going to make possible as large a return from reduced taxes as was the case before the reductions were made.

The country has repeatedly experienced the benefit of the guidance of the president and the secretary of the treasury during the past several years. It would have been possible to do otherwise and have nothing to show in the way of debt reduction and huge cuts in the interest account. Taxes have been cut and debts have been reduced and the country is feeling the benefit of it. There has been a confidence given to business that would not have been the case had the other policy been followed. That confidence has done much to develop the prosperity which has made possible the paying of bigger revenue to the government even though taxes have been cut.

Even with this indicated surplus it is to be remembered that there is the bill of $45,000,000 which must be paid to the railroads according to the decision of the supreme court. There is no time fixed for the payment and it may not be made until next year, but should that be taken out of the year's surplus by action of the coming extra session it is evident that the year's surplus would not leave any too comfortable a margin. Fault finders and pork barrel packers can raise much dust but those who must bear the responsibility are to be commended for playing safe.

SAVING MAYFLOWER EXPENSE.

In view of the fact that he does not care for pleasure or creational trips on the water, although that was the method of transportation he employed in making his South American trip for the lack of anything else, President Hoover sees an opportunity to save $300,000 a year and he has proceeded to do it by putting the president's yacht, the Mayflower, out of commission.

This vessel has been used by presidents for nearly a quarter of a century, although there have been times when it was used for other purposes than short cruises by the chief executives. Nevertheless when the vessel has been in commission it has involved a sizeable outlay but it also kept its officers and crew from other service in the navy, and the time has come when this can be ended in the interest of economy and efficiency. Thus when the president lays the vessel up he releases those officials and the crew of 148 men for such naval vessels as need them, as well as eliminates the outlay for keeping the Mayflower in readiness to respond to the president's orders.

President Hoover's fondness for the water lies in the direction of some fishing place, a stream that can be expected to yield some trout although he seemed to derive much pleasure from his ocean fishing off Florida as well as during his trip around the hemisphere.

The inference is that Mr. Hoover does not plan to use the Mayflower. That being the case he has taken the right course in putting it out of commission at once in order that the full benefit of the funds for operating it may be employed elsewhere.

GETTING BACK TO TOLLS.

Quite often in recent years the collection of tolls has followed the provision of new public facilities. To some it has seemed like going backward, but it has been apparent to others that through such a method of recovering the cost and maintenance it has been possible to get what would otherwise be impossible.

Thus there can be no surprise when action has been taken by New York authorities authorizing the commission for the construction of the triborough bridge and tunnel to devise a system of tolls. It has invariably been the case that where such arrangements have been made in and about New York that successful results have followed. The tolls have risen rapidly and in some instances it has been indicated that the costs would be met well in advance of expectations.

Through such a method it means that those who use such bridges or tunnels are the ones who pay for them. They are the ones who get the accommodations and they cannot fail to appreciate the service which they are obtaining. In many instances these toll collecting structures have replaced slower and less adequate services. Those services had to be paid for so that the toll payers have simply replaced the fare payers, and in doing so they have gotten a quicker and better service.

The idea of paying toll causes much objection because of the thought that it may be endless. That was the situation in the other days when private concerns had a monopoly and could collect indefinitely until their property was publicly acquired and the toll abolished. But under modern methods tolls are invariably restricted to such time as costs and maintenance can be met in the case of publicly owned structures, while provision is made in granting the right to private enterprises to erect toll structures that the state may acquire it under stipulated terms.

In spite of the benefits tolls will never be popular, but it cannot be overlooked that they are placed where they belong for those who get the benefit ought to be willing to pay their way.

GERMANY CONSIDERS.

Germany asked that there be some relief in connection with the reparations payments. It wants to know how much it must pay as well and the representatives of the several nations have been listening to the claims and have given Dr. Schacht an offer to consider as a basis of settlement. He has gone back to Berlin to think it over and to get whatever advice he considers necessary from those at home.

Dr. Schacht has told the allied representatives what is to be expected from Germany. He has declined to listen to payments amounting to over 1,400,000,000 marks annually. This was much below the allied proposition as at first made, but since then the report is that the allies are willing to cut the annual payment by 25 per cent. It is with the idea of paying 1,750,000,000 marks that Dr. Schacht has gone home to think it over. What the answer is going to be is a question. Just what the proposition is has only partly been disclosed for while the sum of 1,750,000,000 marks has been mentioned nothing is stated as to how many years it must cover. Not until that is known will Germany or anyone else know what it has got to pay.

Under the Dawes plan there was also provision for a sliding increase. Whether that prevails, or a lot of other conditions, hasn't been revealed but it would be surprising if they had not for a matter of such importance isn't apt to be arranged without giving very thorough consideration to all possibilities, including that of greater prosperity in Germany than it sees right now.

Thus far it becomes apparent that Germany has gotten a concession from the allies as the result of the representations that have been made, except that it be that the payments are to continue for more years to make up the difference. If it is prepared to accept it a favorable answer should be forthcoming. If it isn't it may face the possibility of the allies fixing the amount and making collections that would not be as agreeable. When Dr. Schacht goes home to make the decision it indicates that he wants others than himself to share in the responsibility of accepting or turning down the advantage gained.

PRICE OF NEGLIGENCE.

When we read of the burning to death of 114 persons in a moving picture theatre in a town near Moscow we are inclined to attribute it to the fact that it was in Russia and the lack of needed precautions. It is well to bear in mind, however, that there have been theatre horrors in this country and it is as the result of them that valuable steps in the way of regulation have been taken.

That doesn't mean that there may not be plenty of instances where conditions similar to those in the Russian town can be found in this country today. The fire started from a burning film. It quickly spread throughout the building in which there was but one exit. It was a fire trap and it was filled. When trouble developed there was the same human response that might be expected anywhere. That was a rush for the door which was unable to accommodate the crowd that wanted to use it at once and the wooden building was quickly gutted.

Whatever was the cause, it becomes evident as the result of the loss that there was inadequate protection for the men, women and children in attendance. It was a repetition of a story that has been too often printed. If that theatre is replaced there is good reason to believe that there will be established the needed safguards, but the deplorable fact is that they should have existed before the fire. The lesson from other places which have been visited by similar distressing affairs ought to have made such an impression, even in far off Russia, that provisions would have been made for the prevention of what has just happened. Negligence exacts a terrible and merciless toll.

EDITORIAL NOTES.

When President Hoover seeks advice he calls in those best equipped to give it.

The man on the corner says: The week end parade of motor vehicles has started.

The judge who sent a Boston young man to prison for two years for theft of an auto doesn't believe in leniency.

The woman who helped a man condemned to the electric chair to escape also helped, through him, to bring about the shooting of two men, one of whom may die. She didn't intend any such thing but what could be expected when she put a revolver in a desperate man's hands!

WOMAN IN LIFE AND IN THE KITCHEN

SUGGESTIONS FOR THE HOUSEWIFE

When painting concrete or brick be soure the surface is dry.

Always use a metal instead of a woden spoon when cutting and folding eggs into a cake.

Both lemons and oranges give more juice if heated before squeezing.

To clean white enamel cooking utensils dip a wet cloth in baking soda and rub over the enamel. Do not spare soda.

Never give oil in hot milk to little children. This may cause them to dislike milk forever after because of the disagreeable taste.

Always keep a roll of glued paper and a ball of twine in your kitchen, to use when tying and labeling bundles.

Be careful to keep fruit and vegetables where they will not freeze during the winter weather. A dry cool corner in your cellar is the best place.

Why is it better to cook an egg just below the boiling temperature? The egg becomes softer, more palatable and more easily digested.

To clean aluminum kettles which have become discolored, rub them with a cloth dipped in lemon juice, then rinse in warm water.

Book racks, closet poles and so on should be made low enough for children to put things away by themselves.

Jam will jell nicely if part underripe berries are used.

Add a pinch of mustard to the white sauce when baking macaroni and cheese.

The addition of salt to the water in which eggs are poached will set the whites.

To prevent a baked apple from bursting, run a knife around the rind about an inch from the top before cooking.

Make stuffing for your roast in a separate bakedish and baste frequently with meat juice which surrounds the roast.

Boots and shoes to be kept in good condition ought to be cleaned often, whether they are worn or not, care also being taken that they are not left in a damp place or put too near the fire to dry. In cleaning them take care to brush and not scrape the dirt away.

FOODS THAT GO TOGETHER.

Larded filet, mushroom sauce, potato croquettes, peas and carrots, butter sauce, mayonnaise of celery and baked Indian pudding with hard sauce.

Oyster stew, saltines, Spanish omelet, French friend potatoes, vegetable salad and squash pie.

Chicken a la Maryland, corn doddgers, boiled rice, creamed turnips, celery salad and sweet pudding.

POTATOES.

To hasten French frying of potatoes at dinnertime, partially fry the potatoes in the morning. Just before serving, plunge into hot fat for a final browning.

CELERY AND LETTUCE.

Celery and lettuce are always ready for serving if they are cleaned immediately on arrival and kept rolled in a damp cloth or in waxed paper in the refrigerator.

HEALTH AND BEAUTY

To be in a healthy condition feet must positively be kept warm.

Changing the shoes rests the feet and adds to the general comfort of the wearer.

Frequently the cause of foot trouble lies in the stockings, and it is very important that these fit perfectly

Iron helps make blood. It is obtained from leaves, whole cereals, eggs, meat, poultry, dried fruits, dried peas and beans.

Iodine is necessary for the proper functioning of the thyroid gland. Lack of it is supposed to be one cause of goiter. The best sources of iodine are sea foods and cod liver oil.

NOVEL CLOTHES HANGERS

There is a new contrivance that does away with the sewing of sachet bags on to dress hangers. It is a hanger made of colored celluloid with a hollow at each end on the under side, designed for the insertion of a wad of sacheted cotton. These hangers make excellent bridge prizes as well as dainty closet accessories.

CLIMBING PLANTS

Climbing plants are often guilty of vandalism. Boston ivy may not only beautify your chimney but damage it; ornamental may pry off shingles and clapboards; wistaria has been known to tear an ornamental iron railing from its foundation on a brick wall. Other garden favorites are equally destructive.

If you want decorative vines on your house and in your garden, watch the plants to see that they behave themselves with your property. And be careful where you place them.

Never plant a vine that clings by stem roots near a wooden wall.

Never plant a twining vine where it can ascend a sapling.

Always watch a tendril climber to make sure it doesn't strangle some other part of itself by encircling it with a tendril.

Never plant a rank vine where it can bury shrubbery or other plants with its dense foliage.

HOT ASHES

Everyone should use metal containers for ashes. Not only for safety's sake, but the ashes should be removed from the ash pit of the furnace as soon as the fire is shaken and only metal containers should stand the hot ashes. If ashes are allowed to cool in the pit, it means sure destruction to the grate, and you will be renewing parts of it constantly.

DRESSER SHELVES

Thumb tacks should be placed on the back of dresser shelves as braces for plates or any standing dishes. Otherwise some day the dishes will surely slip down and break something.

LEFT-OVER SOUP

Put the left-over soup in a china or earthenware bowl. Do not keep it in the aluminum or metal vessel in which it was cooked. It is not wholesome and is very apt to change the flavor.

THE BROOM

Turn the broom frequently when sweeping. In this way the straws are worn evenly and the broom will last longer.

DICTATES OF FASHION

New spring colors which commend themselves because of their chic are absinthe and sapphire blue.

Excellent for wear in the spring are cardigan jackets of black jersey which have sweater tops of brilliant green, flame, etc.

Whether envelope, pouch or novelty bags, all new Paris purses have novel clasps. A jade dog opens one silver filigree clasp.

A square-necked frock of somber yellow chiffon has a row of flowers in pastel colors across the lower edge of the rear decolletage.

New silks that are bound to have a huge success have patterns taken from the peasant petticoats, which have so much charm and quaintness.

Designed for wear with bathing suits, but at home with sport clothes, are belts of rather fine cord woven closely together.

A nightgown of georgette crepe trimmed generously with tinted lace is worn with a knee-length coat of the same materials, forming a most becoming ensemble.

Shape, size and originality in fabrics characterize spring purses. It is quite chic to cherish a bit of one's suit fabric and have a purse made from it.

The tri-color idea is excellent for style this spring, when it comes to accessories. An enlivening addition to a suit or frock is a long narrow scarf that uses navy blue, maple leaf tan and emerald green.

Printed chiffons on dark backgrounds, such as brown, black, navy and raspberry, fashion some of spring's frothiest evening frocks. Tiers, flounces, shirring and swinging panels are features.

Really distinctive are new tri-color bindings of lawn, which are guaranteed washable. The combinations used are most attractive, yellow, orange and blue being one of the most effective.

The newest color to combine with navy blue for a street ensemble is green. A navy frock ensemble which has its blue coat lined with green, almost in an emerald shade, uses a green suede belt, purse, and binding and trim on a navy felt hat.

HOMESPUN

A very fine quality of yellow homespun is used to fashion a suit which consists of a long coat and a wrap-around skirt. The skirt has an unusual feature, for it buttons on to a very smart little blouse of yellow silk made very simply with a turn-down collar and long tailored sleeve.

THE GIRL IN GINGHAM

Gingham has come into its own this season, and one sees it made up not only in dresses but in all sorts of attractive accessories. Very new indeed, are the cardigans made of this material, and when made of blue and white checks, rather large, they are particularly good.

SMART UMBRELLA PART OF ENSEMBLE

You may have wondered whether dress fashions influence such practical accessories as umbrellas. It's true, for in trend with the mode for dress, umbrellas are more colorful this year than ever; such shades as bright, red, bright blue, navy and green shades being especially smart.

LAUNDRY HINTS

Pillow slips should be ironed lengthwise in order to get entirely rid of wrinkles.

Never stretch table linen when ironing it. Iron while damp and press until dry to preserve its stiffness.

To freshen a velvet gown, brush it thoroughly to remove all dust and lint, then steam it on the wrong side and set it away to dry.

Rayon silk stockings will not look shiny if you rinse them in very cold water.

Wash rag rugs before they are badly soiled. Shake first, then either douse up and down in warm suds, or, if small, lay flat on the floor or a table and scrub with a brush. Turn the hose on them for rinsing and never wring.

NEW SPREAD MATERIALS

Bedspreads of dotted Swiss are just beginning to be popular. Several hostesses of note have introduced them into their summer homes, matching them with ruffled curtains. A well known linen store predicts that they will lead the lighter types of spreads in the coming summer. They are shown in white, in white with colored dots, and in solid colors. They come with frills or with scalloped edges.

Another favored fabric for bedspreads is mohair, which makes practical all-year-round coverings. They are not too light in effect for a winter ensemble, nor too dressy for the summer room. The material has a crisp, homespun quality and comes in plain colors with multi-colored borders in uneven stripings. These mohair spreads are also tubproof and sunproof, and curtains to match are to be had in all shades.

BORDERS NEED GUARDING

Keep an eye upon the borders in your garden. See that the winter winds have not blown the covering off. This is the worst time of the year for heaving by the frost and drying out from the winds. The bulb bed is likely to suffer at this season.

BOILED RICE

Left-over boiled rice can be used in so many ways and should always be saved. Rice muffins, rice waffles, used in clear soup instead of noodles, used as a stuffing for peppers or tomatoes, or in rice croquettes.

FLUFFY POTATOES

Heat almost to the boiling point the milk that is to be added to mashed potatoes and fluffiness will result. Every lump should be mashed out with a fork before the milk is added, however.

SAUCEPAN

If food sticks to the bottom of the saucepan and you are afraid of a scorched taste, remove the contents immediately to a clean pan and continue cooking. Never stir up the stuck portion into the food or you will surely stir the scorched taste along with it.

POLISHING KNIVES

Try using a cork dipped in the silver polish to clean silver knives. It will serve the problem beautifully.

CAKE PANS

When filling cake pans, pour the batter into the corners and sides of the pans, leaving a slight depression in the center. When baked, the cake will be perfectly flat on tip.

PAINT

Melted paraffin poured over the top of paint will prevent its hardening.

CONCERNING WOMEN

There are nearly 2,000 women lawyers in the United States.

There are now 109,303 Girl Scouts in the United States, with 22,622 leaders.

Of the 140 persons who have received Nobel prizes, six have been women.

Dr. Mary Nichols of Tampa, Fla., has a bird haven of 150 canaries of various kinds.

Upward of 140,000,000 women now are privileged to vote in 40 countries of the world.

Sixteen women, employed as experts in the United States patent office, handle the details of inventions, ranging from farm machinery to shoe buttons.

ANGEL CAKE

Next time you bake an angel cake, use extract of rose instead of vanilla, and you will pronounce it a pleasing change.

RECIPES

Meat with Sauer Kraut: Cut into four-ounce chunks two pounds of meat from a shank of beef and let stand covered with vinegar for 24 hours. Drain the pieces, pat them dry with absorbent paper and brown in a dripping on a hot pan. Simmer in a pint of water with a bay leaf and a spoon of sweet marjoram or thyme for an hour and a half. Add two whole carrots, two small white turnips, two onions, one leek and two potatoes, placing the vegetables on top of the meat. Sprinkle a seasoning of salt and pepper over all, cover closely and simmer for 45 minutes longer or until the vegetables are done. Serve in a border of sauer kraut.

Chicken in Casserole: Use a young hen or rooster for this dish or even a much older fowl if necessary. Clean the fowl well and cut it into pieces for serving. Dip each piece in flour, season well, and brown in small whole onions. Also, in the dish in the casserole and pour in one cup of boiling water. You can use a broth made from the back and neck of the chicken, as these pieces are not desirable for serving. This makes the dish much richer. Cover the casserole and place in a moderate oven where the chicken will simmer slowly for an hour, then add two green peppers halved and seeded, four tomatoes quartered and six small whole onions. Also, if the dish is to be a very delicious one one-fourth pound of mushroom caps. Season with salt, pepper and paprika. Cover again and cook slowly until the chicken is deliciously tender and the gravy rich and flavorful. Thicken the gravy slightly and serve in the casserole.

LETTERS TO THE EDITOR

Tonight's Town Meeting

Mr. Editor: With your permission I would like to use a few lines of your paper to inform the taxpayers and electors of the town of Norwich what has been done to protect their rights and obtain a court decision in regards to the grand list of said town as left by the board of relief. I have attended to all matters protecting the taxpayers' rights to date. The last thing I did was to present a blanket complaint to the board of relief signed by George E. Pitcher, et al., complaining about the total assessment and asking for relief, which they failed to give us, so I am asking the special town meeting to be held tonight at the town hall at 8 o'clock to appoint a committee of the electors of said town to investigate the taxpayers' legal rights and report their finding at an adjourned meeting. I am also asking that every taxpayer that can possibly attend the said meeting to do so, thereby showing their interest in the business of the meeting, the same as the electors of the city have shown their interest in the transactions of the city's business which was shown by the attendance at the two last city meetings and that the taxpayers have begun to take interest in our public business.

I find by reading papers that are published in other parts of the country that the taxpayers are beginning to have something to say about where and how public money should be raised and spent and I have come to the opinion that we must take more interest in the public business affairs than we have in the past. In closing I would like to again ask that every elector who possibly can, attend tonight's meeting and thereby show their interest in our public matters by their presence and vote. I shall be there so as to vote, but I cannot take a prominent part in said meeting with a speech, but I will be represented by counsel.

GEORGE E. PITCHER.
Norwich, March 25, 1929.

Holy Week Topic
"MY MASTER AND BROTHER"
Memory Verse for Monday

"For the earth bringeth forth fruit of herself." (Mary 4:28). (Read: 11:12 to 26.)

MEDITATION: Jesus has a great deal to say about our bearing fruit. He expected results. The story of the barren fig tree illustrates the stern demand. So I ask myself if I am a profitable servant. But how shall I tell? The product of a useful life is slow in appearing and very shy of showing itself at all. I observe, too, that people intent upon doing good to others often make themselves objectionable and defeat their own ends. I will not torment my soul over this thing. Of course I must be faithful and diligent; but I need not be obtrusive or impatient. Straining effort is likely to be futile. When the seed is planted the rest is left to nature; the fecund earth will not fail me. A good life, filled with unselfish service will not be in vain. Results may safely be left with God.

PRAYER: O God of the seed time and of the harvest, who alone dost give the increase, I give myself to Thee and pray that Thou wilt use me in Thy wide field to bring forth fruit unto life eternal. Amen.

A Washington Bystander

By KIRKE L. SIMPSON
Associated Press Staff Writer

WASHINGTON, March 24 — Mr. Secretary Lamont (with a small "m." confusion among the reference books to the contrary notwithstanding) of the commerce department has made it plain that he intends to pursue Hoover policies and retain Hoover organization in taking over the job.

Naturally, that was expected. In picking his own successor as commerce secretary Mr. Hoover would not seek a man who had revolutionary ideas of his own as to how the department should operate. He was satisfied with his own labors toward building up and putting life into that department and undoubtedly expects Secretary Lamont to carry on the good work not to start something entirely new.

Former Secretary Whiting, it now appears, had no such reverence for Hoover traditions in the commerce department when he took it over for the election campaign interval. If only half of the gossipy tales of his clashes with Hoover had any basis in fact whatever, a most perplexing situation faced the sub-chiefs of the commerce department up to the time that Lamont came in.

Publicity Dispute.

Even the departmental publicity system, carefully developed by Mr. Hoover through nearly eight years as secretary was in trouble. Yet Washington press circles seem agreed that the department possesses an efficient publicity group.

Gossip also has it that Whiting clashed repeatedly with Dr. Julius Klein, director of the bureau of foreign and domestic commerce, second in departmental command under Mr. Hoover and acting secretary until Whiting was named. Klein's long inspection trip abroad, started on the eve of Hoover's inauguration, has been said by those in the know to reflect his inability to see eye to eye with Whiting on some matters.

Klein Takes a Trip

However that may be, it is a noticeable fact that Klein left just after Secretary Whiting had over-ridden his action in approving the loan of Grosvenor M. Jones, financial adviser of Klein's bureau, to J. P. Morgan and Owen D. Young, American representatives in the reparations discussions in Paris.

Young had asked informally for Jones, who hustled to New York, armed with departmental data and prepared to board ship next day for Paris. Secretary Whiting rescinded the orders and brought Jones back to Washington on the jump.

And very soon thereafter Klein found it expedient to start off on his own European trip. What part he is to play in the Hoover administration was not certain when this was written, but Mr. Hoover thinks a lot of his abilities.

YOUR HEALTH

Why Teeth?
Three Good Reasons

By G. W. Norris, D D S, Pittsburgh, Pennsylvania

We have teeth for three good reasons: Digestion, framework and beauty.

The teeth are necessary to prepare our food for digestion. The first process of digestion is in the mouth. As the saliva acts on starchy foods, such foods as bread, potatoes and cereals should therefore be chewed until they are in a liquid form before being swallowed. Other classes of food, when divided into small particles, are more easily digested by the juices of the stomach and intestines.

The teeth are a framework for the lower half of the face and head. In an infant the distance between the tip of the nose and the tip of the chin is small. The forehead is prominent. As the teeth form, specialized bones grow around their roots to hold them in place. This builds up the lower half of the face so that in an adult the distance between the tip of the nose and the tip of the chin is greater than in an infant, while the forehead does not seem so prominent.

If the teeth are lost, the bone around them gradually shrinks away, so that an old man without teeth when chewing looks as if the tip of his nose and the tip of his chin were having a boxing match as they dart back and forth, almost touching one another.

Often times, when this condition continues until the muscles are shortened and the lower jaw joint affected, hearing is interfered with as the canal for the nerve of hearing is near the joint.

Artificial dentures will build up the surrounding structure, relieve the pressure on the nerve and restore the hearing, but it is advisable to replace the missing teeth before any structural changes take place.

Fire, which started at Blank's Dye House spread through five adjoining stores on Main street in the business section of Lewiston, Me., before it was brought under control.

What Do You Know About Eastern Connecticut?

Questions.

Stories That Recall Others

Sundae Missing

Mrs. X. took her four-year-old daughter into an ice cream parlor and she ordered a chocolate sundae. The maid who served it brought the dish with such a large portion of ice cream that little Mary did not see the chocolate at the bottom and she exclaimed: "Please, this is the ice cream, but where is the sundae?"

The Difference Is the Same

Mrs. Brown stepped out on her front porch to see if the postman had passed. Not seeing him on the street and no letters in the box, she thought she would ask the little neighbor girl playing in the yard if he had passed.

"Mary, has the postman passed?"

"No," replied Mary, "but the mailman has."

George Courtney, a boxer, of New York city, nabbed as he was speeding through Greenwich at 42 miles an hour, was fined $25 and costs in court.

BAYER ASPIRIN
For sore throat, there's a swift and sure way to soothe away the inflammation. Every singer knows the secret! Dissolve Bayer Aspirin tablets in pure water, and gargle. Nothing in the whole realm of medicine is more helpful in cases of sore throat. And you probably know how Aspirin dispels a headache; breaks up colds, relieves rheumatic pain, neuralgia, neuritis, lumbago! Just make certain to get genuine Bayer Aspirin; it has Bayer on the box, and on each tablet. All druggists, with proven directions.
For TONSILITIS and SORE THROAT
Physicians prescribe Bayer Aspirin; it does NOT affect the heart
Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

Norwich, Monday, March 25, 1929

VARIOUS MATTERS

High tides today, the 25th.

Light vehicle lamps at 6:34 this evening.

Crocuses have appeared at the Misses Leavens' residence, on Broadway.

The moon, full today (Monday) at 2:46 a. m., made the night glorious Sunday.

Many young trees have been set out on Connecticut college campus this spring.

James Blakesley's new house is near completion on the Post road at Quonochontaug.

March 25th is the feast of the Annunciation, in olden times referred to as "Lady Day."

In naval orders Saturday Lieut. Commander A. Oscanyan is assigned to New London.

So dense was the fog which prevailed Saturday night that "S-L-O" was the slogan of every cautious driver.

The season at Fishers Island promises to be a busy one, most of the cottages having been leased to date.

At the Community House Sunday at 6:30 Miss Betsey Mitchell led the Senior Home-time, speaking on "Quirks."

A number of drivers in the suburbs went about with automobile lights on, during the thick weather of Saturday noon.

This (Monday) morning Easter holy communion will be carried to the aged, sick and infirm members of St. Patrick's parish.

The rain of Saturday meant a serious loss to merchants, although it obliginglv held up toward evening, which helped some.

Mrs. Viola Cadwell, nurse at Fairview, Odd Fellows home, Groton, and John Joseph, orderly at the home, were married Monday night last.

Sunday afternoon Miss Louise P. Miner had charge of the Otis library reading room. There were sixty visitors, from 2 to 6 o'clock.

Among those registered at Horizons who will spend the remainder of the season in Bermuda are Mr. and Mrs. Will Howe Foote, from Lyme, Conn.

The flowers at the United Congregational church Sunday were given in memorv of Frederick W. Lester, for a long term the valued organist of that church.

A conference of especial interest to employers on mental hygiene is to be held at Hartford on March 29. State chamber members have been invited to be present.

Mr. and Mrs. Raymond Little and family are to move back to Massachusetts in April. They came to the Wheeler district, Stonington, two years ago for Mr. Little's health.

Relatives from Norwich have been in Groton to hear Rev. E. S. Holloway, of New York, who has been speaking at the 86th anniversary services held at Groton Heights Baptist church.

At the funeral services for Mrs. Eva A. Sims at the Church of the Good Shepherd, an impressive address was given by Rev. Willard J. Hull, who assisted the pastor, Rev. A. N. Foster.

Pinochle at Pulaski hall, tonight; last game of series will start 7:45, sharp.—adv.

Palm Sunday at Trinity Methodist church the organist, H. Dwight Richardson played Ketelbey's Andante Serioso as the prelude, his postlude being Stabat Mater Dolorosa, by Lemaigre.

A Sunday paper pictures four young men champions who won the highest titles in Connecticut 4-H clubs in dairy work including Arnold Manning, Lebanon and George Kingsbury, Coventry.

Mrs. V. W. Champion of South Norwalk has returned home after spending a few days with her sister, Mrs. C. A. Chapman of Groton, and her brother, Arthur G. Rudd, of the Golden Spur.

St. Patrick's parish school closes Tuesday, the 26th. The new term will open April 2nd, the Tuesday after Easter. Sunday school sessions are suspended for two Sundays, beginning March 24th.

Donald O'Brien of the sophomore class of Bulkeley high school, New London was the winner of the fifth annual declamation contest, one of the features of School and Home night held the past week.

All through the winter the Diocesan Bureau of Social Service, 126 Main street, Norwich, has had to furnish clothing, food and fuel to many families and individuals, but just now the urgent demand is for warm clothing, new or used.

Watch Hill summer residents, Mr. and Mrs. C. Bal Libme gave a dinner for twenty Friday evening, at the Claflin lake front villa, Palm Beach. Edward Libme will arrive today (Monday) to spent his spring vacation with his parents.

W. B. A. whist and pinochle, 8 o'clock tonight, Eagles hall.—Adv.

In millinery, many orders recently placed call for large head sizes, indicating that many women and girls are now letting their hair grow long. Orders for hair nets are also picking up slightly after a long period of restricted demand.

Although the presidential yacht Mayflower is to be given up by President Hoover's orders, to save $500,000 annually, her commander, Capt. Wilson Brown is expecting to come to the Submarine base. His wife (Lydia Almy) recently purchased a residence in Goshen, Waterford, near that of her sister, Mrs. Ellery Allyn.

PATIENTS DISCHARGED FROM HOSPITAL OVER WEEKEND

The following patients were discharged from the W. W. Backus hospital over the week end: Ernest Dye, Taftville; Mrs. Herbert Houghton and infant son, 220 High street, Baltic; Master Raymond O'Connell, Mansfield; Mrs. Antonio Levigne, South Third avenue, Taftville; Miss Violet Baker, Goodyear; Margaret Baker, 23 Cliff street; Mrs. E. J. Burleson, Jewett City; Mrs. John Zuener, Taftville; Aime Lacroix, Baltic; Willis Hunt, 45 Fanning avenue; Mrs. Edward Markle, 109 Central Avenue; Margaret Stevens, Canterbury and Harry Carbray, 239 Broad street.

Camp Wakenah Opens July 12

Camp Wakenah, the Boy Scout camp at Gardner lake, will run for seven weeks beginning July 12. For the past few seasons the camp has been operating for six weeks but despite arrangements whereby the weekly attendance has been averaged up it has been found necessary to extend the period one week this summer.

Attended Flower Show

Mr. and Mrs. John H. Sherman returned from a five-day auto trip to Boston. They attended the flower show Thursday. The attendance that day was 25,000 people. They also visited relatives at Forest Hills and Providence.

It is easier to read about love in a cottage than it is to bring it about.

PERSONALS

Mrs. William Dunn of Main street has been spending several days in New Haven and New York city.

Miss Katherine Shea of Providence is visiting Miss Anna Connell, of Summit street.

Mrs. Mary J. McNally of Main street, Norwich, has returned after a ten days' stay in New York and Brooklyn.

TRADING COVE BOYS ORDERED TO COURT

A group of boys will be presented in justice court as the result of annoying an auto driver whose machine became stalled at the Trading Cove bridge early Sunday evening. While one of the occupants of the car was endeavoring to start the stalled machine the boys irritated him so much that he sent in a call to the state police barracks at Groton. Officer Elmer McKenzie was detailed on the case and after investigation ordered the boys to appear in court. The machine was towed to New London.

OBITUARY

Calista A. Bromley-Cropley

(Contributed)

Former friends among the readers of this paper will be interested in the following sketch.

Calista A. Bromley was born in Canterbury, Conn., in 1850. She was the daughter of the late Amos G. and Eliza A. Bromley. The most of her childhood days were spent in Canterbury. About the time when she had reached young womanhood the family moved to Jewett City. Here her mother died but she and her two sisters helped the surviving father to continue his home and they lived in Jewett City until 1880, when the family moved to Willimantic. Her two sisters married in the years which followed but Calista remained to make a home for her father in his declining years. With him she moved to Norwich in 1888, and he died here, February 19, 1890. Sometime after her father's death, she was married to Edward A. Cropley of Norwich. They resided a few years each in Thompsonville and in New Haven but later returned to live in Norwich in 1897. They moved to Providence a few years later and continued to live there until her death.

Last July she fell and broke her hip and since then has been a great sufferer. On account of her age surgical skill could not repair the broken bone and she was compelled to stay in bed. She had care and treatment in three different hospitals during her protracted illness, other ailments arising to complicate the problem. Her death occurred March 6.

Mrs. Cropley was an earnest and sincere Christian, whose every day life spoke for itself. As a young woman, she was first a member of the Methodist church in Jewett City where she joined after a marked conversion connected with a religious revival led by the late Rev. James Tregaskis then the pastor of that church. During her residences in Norwich, she was actively identified with the former Central M. E. church and later with the present Trinity Methodist Episcopal church. Her church membership, at the time of her death, was with the Ashmont Pentecostal church, Providence. With only love and good will toward all churches, she was always loyal to her own church and never allowed her church membership to lapse.

Her funeral services were held at the Graham Funeral Home, Providence, March 9. Her pastor, Rev. George D. Riley, officiated. He paid a fine tribute to her life and said that her courage, patience, and cheerfulness amidst circumstances of suffering and disappointment had impressed him with the genuineness of her faith in God. A selection "The Toll of the Road Will Seem Nothing When We Get to the End of the Way" was beautifully rendered by two male voices. The interment took place at Packerville, Conn., in the family lot. Surviving relatives include her husband Edward A. Cropley, a sister Mrs. Ina E. Johnson, (both of Providence), and several nephews and nieces. Mrs. Cropley was a sister of the late Rev. Chas. E. Bromley and the late Robert Duane Bromley, the later being for years a prominent contributor to the Bulletin's Social column.

John Barber

The death of John Barber occurred at 4 o'clock Saturday morning at his residence, No. 54 Washington street, following an illness of eight days. He was born at the Cape de Verde Islands about 55 years ago, the son of Marasline and Julia Barber, and for many years lived in this city, where he was employed as a janitor. At one time he was janitor for the Porteous and Mitchell company. Mr. Barber was united in marriage in Norwich with Annie S. Simas by Rev. P. M. Kennedy, who survives him with a son, John S. Barber.

There are also four brothers, Vasco of Portchester, N. Y., Louis of Norwich and Joseph and Antone of Taunton, Mass., and two sisters, Mrs. Julia Alvis and Mrs. Marion Alvis of Taunton, Mass. It was with sincere regret that his many friends learned of his death and their sympathy is extended to the members of the family in their bereavement.

Charles Edward Hull.

Charles Edward Hull of this city died Sunday morning at the W. W. Backus hospital. He was born in this city, Nov. 20, 1850; the son of Benjamin Gardner and Martha Baldwin Hull and was married at Moodus, Conn. Mr. Hull is survived by three half brothers, Lewis S. Hull of Norwich, George Curtis Hull of Jewett City and B. Frank Hull of Providence. He was employed as a carpenter and leaves many friends to mourn his loss.

FUNERALS

George W. Brown

At 2 o'clock Saturday afternoon the funeral of George W. Brown was held at the funeral parlors of Hourigan Bros., No. 35 Church street, relatives and friends attending from East Hartford, Providence, Mystic and Jewett City. The services were conducted by Rev. J. W. Carter of Jewett City and the floral tributes were beautiful. Burial was in Jewett City cemetery, and the committal service was read by Rev. Mr. Carter. The bearers were Thomas Gray, Frank Mell, Walter Hyde and Irving Thornton, members of the Odd Fellows order of Jewett City.

Mrs. Charles Mulkins

With a large attendance of relatives and friends the funeral of Mrs. Charles Mulkins was held at 2 o'clock Saturday afternoon at her residence on the Baltic road. Rev. Harvey H. Conklin, pastor of the Baltic Methodist church, conducted the services and the church choir sang two hymns. The floral forms were numerous and beautiful. Burial was in the family plot in Pautipaug cemetery, where Rev. Mr. Conklin read the committal service. The bearers were Elmer Mulkins, Herbert Watson, Daniel Sullivan and Joseph Just. The funeral arrangements were in charge of Undertaker George G. Grant of Taftville.

Pictured Norwich Bride

A New York Sunday paper pictured among recent brides Mrs. Howard F. M. Hitchon, of Norwich, who was Miss Ethel Gill, daughter of Mr. and Mrs. F. Gill, of Portchester, N. Y.

ZULU WOMAN ADDRESSES LARGE CONGREGATION AT UNION SERVICE

A large congregation at the union service at the United Congregational church Sunday evening heard an intensely interesting address by Miss Violet Makanya, native Zulu woman and a graduate of the American board school at Natal, South Africa. Rev. Alexander H. Abbott, pastor of the church, conducted the service and a special musical program was provided by the church choir, rof. J. Lawrence Erb of Connecticut college, presided at the organ.

In her opening remarks Miss Makanya paid tribute to Rev. Arthur C. Adams, of Norwich, who has been in South Africa as a missionary, for his wonderful work among her countrymen. She informed her audience that Rev. Mr. Adams had returned to the United States for the purpose of regaining his health, after which he will go back to Africa and continue his work there. Miss Makanya said that she comes from the region south of that Rev. Mr. Adams was stationed, the region inhabited by the Zulu people.

It is very interesting for me to go about the country and find out how some people feel about my country and people, said Miss Mahanya. She gave some interesting facts about her country and people, after which she said that she was afraid that the stories of her people dwelt on the life that is destructive. The people are finding out that there are fine things in Africa. We are responsive and can be developed, she said. We can give to humanity if we are developed.

Miss Makanya told of a number of contributions Africa had made to the world, such as the cacao bean, raw material for rubber, gold, diamonds, etc. She said that her people work very hard and receive very little pay for their labor, the average wage being $15 a month.

Miss Makanya asked her audience to think of the missionary as a man who comes into her country and improves the whole life of the people, who helps them to build better huts, who teaches the people better methods of farming, who teaches the younger people to play games and who arranges classes in order that they may learn to read and write. There has been a great deal done by the missionaries and the various mission stations, but there is still a lot to be accomplished. There is still polygamy, disease and superstition to contend with.

The speaker cited the difference between the American and Zulu women. The American woman has achieved much, she said, because she has had the opportunity. The Zulu women are the same in heart and soul. We are just the same as you people, but we have not had the opportunity. In the evening the Zulu women try to teach their children, as they are anxious to have them grow up good men and women. We Zulu people have respect for white hair and age. We have a saying that the people should never disregard the advice of the old people.

Miss Makanya likened the African people to a weak team. She said they have not had the opportunity, but are very responsive. My appeal to you is that your country help Africa with added interest.

In closing the speaker said, "You are a fine people, but you have many shortcomings. I like the friendly way you greet me." She then enumerated the many kindnesses which had been extended her during her lecture tour of the country and during her visit in Norwich.

ASK LARGE TAX REFUND FOR ATWOOD ESTATE

Taxes on the $5,000,000 estate of the late Eugene Atwood, of Stonington, are now in controversy before the United States board of tax appeals, a petition having been filed by C. Hadlai Hull, of New London, and T. Whitridge Cutler and Frank F. Dodge, of Stonington, executors asking for a redetermination of the alleged deficiency of $90,153.68 fixed by the commissioner of internal revenue for the tax year ended with the death of Mr. Atwood on June 3, 1926.

Far from agreeing that there is a deficiency in the estate tax for 1926, the executors declared that an overpayment of $79,536.99 was made, and that the estate is entitled to a refund in that amount. The estate tax fixed by the commissioner of internal revenue for the year ended June 3, 1926, was $516,698.26.

The petition for redetermination of the so-called deficiency charged that the commissioner of internal revenue erred in determining and fixing $2,250,600 as the value of 7,502 shares of common stock of hte Atwood Machine Co., at $300 per share, thereby increasing the value of said shares as returned by executors by $637,670.

He erred, said the petition, in fixing $6,318,499.61 as the gross estate, subject to estate tax and in fixing $5,087,988.43 as the net estate subject to the tax, as well as the tax in dispute of $516,698.26.

UNION STREET WOMAN DIED SUDDENLY SATURDAY

Mrs. Margaret E. Cooney Caples, widow of David Caples, died suddenly Saturday at her home, No. 66 Union street. Her body was found by her daughter, Miss Mary Caples, death being caused by heart disease.

Mrs. Caples was born in Ireland and was the daughter of the late William and Margaret Burke Cooney. She came here when a young girl. For years Mr. and Mrs. Caples resided in the Jail Hill section of the city. She was a member of St. Patrick's parish and was well and favorably known to many local people. Mrs. Caples was the last of her immediate family. Her daughter survives her.

MAN ARRESTED WHEN HE RETURNED HOME

Joseph Jarvis, 50, was arrested Saturday morning by Officer Daniel O'Neil on a charge of non-support. He will appear in city court this (Monday) morning. Jarvis was arrested on complaint of his wife, when he returned to his home on Thames street for clothes he had left there when he disappeared three years ago.

Given Miscellaneous Shower

A miscellaneous shower was held recently in the Ladies of Columbus rooms on Broadway by Miss Mary Devlin in honor of Miss Nellie McGearry who is soon to be married. Thirty-five of her friends were present and the rooms were decorated in white and blue. A buffet luncheon was served, the menu comprising sandwiches, cake, cookies and coffee.

Miss McGearry received many gifts including china ware, silver and linen. During the evening vocal selections were given by Miss Hartle, Miss Murphy and John Notter. Miss Devlin was assisted in the arrangements for the shower by Miss Catherine Connell and Mrs. Joseph Farrell.

Had Narrow Escape

As he was alighting from his automobile, which he parked in front of the Boston store entrance Saturday afternoon, H. C. Sexton of Brooklyn, N. Y., a salesman in the employ of the Eaer Bros. Co., paint dealers of New York city, was almost struck by a globe of one of the electric lights of the white way. The globe barely missed striking Mr. Sexton on the head.

Eastern Conn. Checker Contest

Several players from this section will be among those who will participate in the eastern Connecticut checker championship tournament to be held Good Friday at the Masonic club rooms, South Main street, Putnam. Play will start at 11 o'clock.

Birthday Party for N. F. A. Boy

A birthday party was recently held for Murray Turetzky, son of Mr. and Mrs. Jacob Turetzky of Hallville. A chicken dinner was served for the 25 guests who included relatives from New York and New Jersey. The youth who was confirmed recently at the High street synagogue, is a junior at the Norwich Free Academy.

Roadster Stolen Sunday

The local police were asked Sunday to be on the watch for a Chrysler roadster, tan, reg. number, 19,280 stolen in Jewett City about noon.

Many Intoxication Cases

Nearly a dozen men will be presented in the city court this (Monday) morning on charges of intoxication. They were arrested over the week end.

Talbot-Thebeault Engagement

Mr. and Mrs. Joseph Thebeault of No. 396 North Main street announce the engagement of their daughter, Irene, to Lee Talbot, son of Mrs. E. G. Talbot of No. 7 Francis Place.

HARPIST FEATURES SERVICE AT BAPTIST CHURCH

An unusually attractive concert program by Mrs. Louise Melvin Gellatly, well known harpist, featured the Sunday evening service at the Central Baptist church. Mrs. Gellatly's program included En Rive, Verdalle, Jerusalem the Golden, Chanson Sans Paroles, Reverie, Chanson de Maie, In the Garden, When I Survey, and as her concluding numbers she played Holy Night and Nearer, My God to Thee. Rev. David A. Pitt, D. D., the pastor, preached on the topic, Jesus Facing the Cross.

At the morning service Rev. Dr. Pitt had for the topic of his Palm Sunday message, Building. He spoke from the text, Everyone therefore that heareth these words of mine, and doeth them, shall be likened unto a wise man, who built his house upon the rock.—Matt. 7:24. In part the preacher said:

For two Sundays now we have been considering the building of a Christian character. Two weeks ago we were thinking about the planning of the life, taking the long look ahead. We found the Christian life to be a life in the highest sense. It is a life that is ambitious to be its best. It is a life that is ambitious to do the biggest and most worthwhile things, the thing that is in harmony with the will and purpose of God "To be nothing" is utterly false to the Christian position. "To be something and somebody and to do something worthwhile" is far nearer to the Christian concention of life. At the close of the hour a week ago we were speaking of the place of work in the Christian life. You can't be a lazy Christian and amount to much.

That brings us to the thought of building. It is all very well to plan a beautiful structure. It is wise to excavate and get down to solid rock for a foundation. But all this will amount to nothing unless you proceed to build. There is where the chief criticism of our western Christianity is made by the Orient today. They say that we are the greatest talkers about religion they ever heard. They accuse us of lecturing about the marvelous architecture of a Christian character and Christian society. But they say we take most of it out in lecturing. We don't go to building. In so far as that is true it is a deadly criticism. The Master said He was willing to have His cause judged by the fruits, by the product, by the structure.

Now in dealing with such a practical subject as building you will not expect any thrills. Building is just plain matter-of-fact business; brick and mortar, cement blocks, lath and plaster, etc. Building a Christian character is just as plain and matter-of-fact as that, as cooking the meals and washing dishes, and making beds, cleaning the house; as conducting a business, as running a factory; as teaching school or being a pupil in school. The more we can associate our Christian life with our daily tasks and the way we do them, the better it will be for our Christian life. You build your character far more away from the church than you do in the church. Here you expect to learn about the specifications; here you expect to get the vision and the inspiration, but away from here you do most of the actual building.

You can no more build a Christian character by listening to people talking about it than you can be a swimmer by sitting on the bank listening to lectures on swimming. The boys will soon be thinking of birds' nests and eggs and young birds. How will these young birds learn to fly? Not by sitting on the edge of the nest listening to the older generation telling them how to do it. They will learn by venturing out out under the encouragement of the older birds. Some of the more timid ones the mother will coax. In some cases she will actually get under them until she feels it is safe to trust them to the air. Building a Christian character is like that. And more than lectures about it; our young people need older friends to encourage them to make the venture and report back how they have succeeded. If this sermon inspired one older person to make the effort for one younger it would be worth while.

The great truth about the value of putting the truth to work is recognized in education far more than in religion today. That is the significance of the project method in education. Learning by doing is one of the great slogans of our day. "No impression without expression." What a laboratory is to a college doing is to a Christian in putting to the test the things we learn elsewhere.

We are building, therefore, for eternity. I read on the Wayside pulpit yesterday this sentence, "It will make a difference to all eternity whether we do right or wrong today." James A. Clarke.

Some of us erect material structures for a living; many of us do not, but we are all building, building some kind of a character. We are building not so much with brick and mortar and lumber and nails as with thoughts and words and deeds and habits. I spoke last Sunday of the foolishness of putting rotten bricks into a structure that was to push its head up 60 stories into heaven's blue. How much more foolish to build rotten material into a character that is pushing its way on into eternity.

It is important for a mason to understand about brick and stone and mortar and how to use them to erect a beautiful solid structure. It is even more important for a man to understand about his thoughts and words and acts and how to control these, how to build them into a beautiful and symmetrical life.

I saw a simple diagram the other day which helps to make it real to me. It was the form of a triangle. At the base was knowledge and experience. At the top of the triangle were one's attitudes and ideals and purposes and out of all these issued character.

In one respect the building of a character is different from the erection of a material structure. In the building of a character it is never finished. It is very much with character as Mrs. Faunce of Brown, jokingly says about material New York. It will be a great place to live when they get it finished, but they will never get it finished. One of the glories of a great city and of a human life is that it is never finished in this world.

That is both a sobering and an encouraging thought. It is sobering to those of us who have begun the building of a Christian character. It calls for us to go on toward the completion of that which we have begun. We must not be like the man about whom Jesus spoke who began to build a tower but did not have the wherewith to complete it. And "all that behold begin to mock him, saying, This man began to build, and was not able to finish." When is it safe for a man to let up a little in this effort toward a Christ-like life? Never.

AUGMENTED CHOIR FOR CENTRAL BAPTIST CANTATA

Stainer's, The Crucifixion, will be given Friday evening at the Central Baptist church. The augmented choir that will render the cantata will be:

Sopranos: Mrs. William Crowe, Jr., Mrs. Charles Tyler Bard, Mrs. James A. Bidwell, Miss Amy March, Miss Eunice Taft. Altos: Mrs. Olive A. Potter, Mrs. H. T. Church, Miss Lucile Howard, Miss Doris Myott, Miss Florence Edwards. Tenors: Arthur Blackledge, George Turner, Robert Gray, Lyle Fillmore, F. J. Maples. Basses: Frank Steinke, James E. Jackson, Benjamin Brown, J. Todd Hybd, William Lund, Rev. Alexander, baritone soloist. Miss Louise Fuller, organist; Frederick J. Maples, director.

Her Sixth Birthday

A pleasant party in honor of the sixth birthday of Miss Doris L'Heureux was held recently at her home, No. 125 Dunham street, when 35 of her friends from New York, New London and New Bedford were present. A huge Easter egg was placed in the center of the table and each of the children present was given an Easter basket. Prizes were also given for the best tricks and the best dance. These were won by Miss Doris Drigxs and Joseph Martin.

PRESIDENT HOOVER TO CONFER WITH STIMSON

WASHINGTON, March 24—(AP)—President Hoover interrupted the busy routine he has followed as chief executive of the nation again today for his weekly visit to the little Friends' meeting house at 13th and Irving streets and a day of Sabbath rest and quiet.

With Mrs. Hoover he motored to the church for morning services and a sermon by his old friend, Prof. Augustus Murray, of Palo Alto. After lunch they enjoyed a short automobile ride in the brilliant sunshine and this evening their old friends and neighbors from "S" street were invited to the white house for dinner.

After three weeks of intensive work on the domestic affairs of the nation, the president tomorrow will devote his attention to the country's foreign problems. These Mr. Hoover laid aside at the outset of his administration, with the exception of events arising from the Mexican revolution which demanded immediate action until he could discuss the situation with his secretary of state, Henry L. Stimson.

Mr. Stimson will arrive tomorrow from Manila, where he had served as governor-general of the Philippines, and extended conferences will follow. Frank B. Kellogg has been acting as secretary of state until his successor could take over that office and he will remain here until late in the week.

On Friday, Mr. Kellogg will sail for Europe.

GARLAND FUND HAS GROWN FROM $950,000 TO $3,000,000

NEW YORK, March 24—(AP)—The American fund for public service, founded by Charles Garland of Massachusetts and to which he gave $950,000 for distribution to public causes, today announced it has either given or pledged for further payment almost the entire amount and that its active operation is practically at an end.

Reporting on its six years of operations, the directors of the fund said that the amount given by Mr. Garland had increased through enhanced value of securities to almost $2,000,000 of which $1,200,000 has been given outright to various causes and $40,000 loaned.

Although several persons have provided in their wills that the American fund shall administer small trust funds for them, Mr. Garland's gift has been the only one so far received by the fund, the directors reported.

Mr. Garland inherited the money from his grandfather, James A. Garland, Wall street financier, after first declining to accept it because he said he hadn't earned it. When founding the fund he said it was to be used to aid lost labor causes.

AMERICAN PRISONER IN MEX. REBEL CAMP

NOGALES, Ariz., March 24—(AP)—"Buzz" Morrison, American aviator, of Reno, Nev., and Denver, today was a prisoner in a rebel camp at Nogales, Sonora. Morrison, who had been employed by the federal forces at Naco, was captured yesterday when his plane was forced to land behind the rebel lines.

Morrison asked The Associated Press through rebel headquarters to deliver the following message to his parents in Reno:

"I am O. K. Being treated royally by the rebels. Love.—Buzzy."

Negotiations for the release of Morrison were being made with the insurgents by Mayor Harry Karns, who said the aviator probably would be turned over to United States authorities here.

BumsteadsWormSyrup

"To children an angel of mercy." Where directions are followed, IT NEVER FAILS. Despite scarcity and enormous cost of SANTONIN, it contains full dose. Stood sixty years' test. Sold everywhere or by mail, 50c a bottle.

INTENTIONAL SECOND EXPOSURE

ALL-HELLERS BEAT OUT DANIELSON BY SINGLE POINT IN LAST MINUTE

(Special to The Bulletin)

DANIELSON, March 24—The All-Heller Five, noted college stars, defeated the Danielson Town team in Danielson Town hall last night, 25 to 24, in a very fast and clean game of basketball. The game was very close throughout and not more than three points separated the teams at any time but once, and this was when Danielson obtained a lead in the final half, only to be tied in the last five minutes of play and then the visitors made a foul which put them ahead by one point, giving them the game.

The Heller brothers put on a very fine brand of passwork and after they obtained their lead put on one of the prettiest defensive games seen on the local floor this season, making Danielson resort to long shots, of which they had many that just rimmed the hoop. Williams was high scorer for Danielson with 8 points, while his team mates played a fine game with scoring honors equally divided. Abe Heller starred for the visitors with 8 points.

Next Saturday night the last game of the season takes place when the third and deciding game of the series with Millville will be played. Millville took the first game by one basket and Danielson the second game by one basket in an overtime period.

The Danielson-Plainfield series has been called off. The summary:

All-Hellers

	G.	F.	Pts.
Max Heller, rf	3	1	7
Sam Heller, lf	1	2	4
Abe Heller, c	2	0	4
Nichols, c	1	1	3
Harry Heller, rg	0	1	1
Abe Heller, rg	2	0	4
Hy Heller, lg	2	0	4
	10	5	25

Danielson

	G.	F.	Pts.
Adams, rf	1	1	3
Armington, lf	2	0	4
Williams, c	4	0	8
Poirier, rg	2	1	5
Godreau, lg	2	0	4
	11	2	24

Referee, Lambert. Score at half-time, Danielson 14, All-Hellers 13.

SOCIAL CLUB DEFEATS THE J. B. MARTIN SOCCER TEAM

As the Bradford team postponed their game on Sunday at the last moment, and in order not to disappoint the spectators who came to see the game, the "Jicky" club substituted for Bradford and won out by 7 goals to 5, goals being scored by Chris Troeger 3, George Kinder 1, Thompson 2, Mather 1; for the J. B. Martin, Houston 2, Hargreaves 1, Erickson 1 and Labenski 1.

The game was exceedingly fast and exciting and the J. B. Martin players did not care about their defeat, but the "Jicks" were too tricky for them, each one of them belonging to the old school, and the J. B.'s were quite puzzled by their tactics.

The teams lined up as follows:

J. B. Martin—Orcutt, goal; Headon, right fullback; R. Troeger, left fullback; Labenski, right halfback; Hargreaves, center halfback; Eccleston, left halfback; De Celles, outside right; Erickson, inside right; Houston, center forward; Seidel, inside left; Nevins, outside left.

Social Club—Pat Troeger, goal; J. Seddon, right fullback; George Kinder, left fullback; Tom Brown, right halfback; Chris Troeger, center halfback; W. Hindle, left halfback; F. Knowles, outside right; George Muddeman, inside right; Frank Thompson, center forward; William Mathers, inside left; R. Mathers, outside left.

Time—30-minute halves. Referee—Fred Laycock.

GEORGETTI-DUELBERG TEAM TAKES CHICAGO BIKE RACE

CHICAGO, March 24—(AP)—Winning six-day bike races is becoming a habit with Franco Georgetti, crack Italian cyclist, and Franz Duelberg, of Germany.

Teamed together, this pair pedalled 2,202 miles, gained nine laps and scored 307 points to win Chicago's 21st bike grind which ended at the Coliseum last night. It was their second victory within three months.

Georgetti, who also holds the motor paced championship of America, paired with Gerard Debaets to win the recent New York race, while Duelberg paired with Otto Petri to win a similar event in Berlin last January.

In the race that ended here last night Georgetti and Duelberg took the victory and the gold that went with it by a margin of 393 points from the little French "Red Devil" team of Alfred Letourner and Paul Brocardo. The two teams were tied in mileage and laps.

Third place fell to Lands and Grimm, of New Jersey. Others finished in this order: Debaets and Beckman, McNamara and Horan, Belloni and Zucchetti, Petri and Hill, Vanuck and Croley, Horder and Rodak, and Stockholm and Winter.

HAKOAHS TO PLAY FOR NATIONAL SOCCER TITLE

NEW YORK, March 24—(AP)—The New York Hakoahs defeated the New York Giants, 21 to 0, in the eastern finals of the National Challenge cup soccer competition, at Dexter Park, Brooklyn, today.

By their victory, the Hakoahs earned the right to meet the Madison club of St. Louis, western finalist, for the National cup. This series, starting next Sunday in St. Louis, will be decided by the best two games out of three.

The Giants and Hakoahs put up a bitter battle today. There was plenty of action throughout the first period but both teams' rugged defense halted all scoring attempts. After 25 minutes of play in the second half, Eisenbach, the Hakoah inside left, sent a sizzling shot past the Giant goalie for the only tally of the match.

Sixteen thousand persons saw the game.

Harvard Takes Polo Title

NEW YORK, March 24—(AP)—The Intercollegiate indoor polo championship was in Harvard's possession today.

Led by Elbridge Gerry, the No. 2 player, Harvard flashed a brilliant rally in the final chukker to dethrone Penn Military college, the defending champions, here last night. The score, 6 1-2 to 6, tells how gruelling and hard fought a match it was. Harvard trailed P. M. C. 6 to 3 1-2 at the start of the final period but successive goals by Gerry, Glyn and Clark gave the Crimson the championship.

De La Salle Wins Title

CHICAGO, Ill., March 24—(AP)—De La Salle, a hard-driving team of giants from Chicago, won the National Catholic high school basketball championship tonight at Loyola university, defeating St. Stanislaus of Bay St. Louis, Miss., 25 to 16, in the final game.

HOWLAND STAR OF COLLEGE SWIMMERS

NEW YORK, March 24—(AP)—Johnny Howland, lanky star of Yale's champion swimming team, has shown himself to be the class of the Intercollegiate Swimming association this year. Finishing a season of success, Howland captured three of the six titles in the individual championships at Princeton last night.

Howland, champion in the 100-yard dash a year ago, retained his title in that event and added the 50-yard and 220-yard championships to it. In each case he beat out fine fields and made good times for the slow Brokaw pool.

Only George Kojac, of Rutgers, a member of the American Olympic team, could do anything to dim the lustre of Howland's performances. The sophomore star of the league's new member was a double winner in the 150-yard backstroke and the 440-yard free style. The two aces did not meet in any event.

Ted Moles, of Princeton, another sophomore, scored a surprise victory in the only other swimming event, the 200-yard breast stroke. He beat out the defending champion, Walter Schott, of Williams, after a close struggle.

A victory for Jack Brooks in the fancy dive swept the slate of last year's champions except Howland. Brooks dethroned Mahlon Glasscock of Yale, who finished fourth.

The new champions:

50-yard dash—John Howland, Yale.
100-yard dash—John Howland, Yale.
220-yard swim—John Howland, Yale.
150-yard backstroke—George Kojac, Rutgers.
200-yard breast stroke—Ted Moles, Princeton.
440-yard swim—George Kojac, Rutgers.
Fancy dive—Jack Brooks, Princeton.
200-yard freshman relay—Columbia.

HUNTER UNABLE TO STAND AGAINST BOROTRA

NEW YORK, March 24—(AP)—Frank Hunter's dogged defense again has failed to kep an American tennis trophy from going to France. In the national indoor championship, as in the outdoor event last fall, Hunter was the last line of American defense against the French invasion, and Hunter once more was defeated after a bitter struggle.

By his victory over the hard driving American veteran yesterday, Jean Borotra won permanent possession of the U. S. L. T. A. tennis trophy, the victor's spoils in the indoor championship. It was the bounding Basque's third victory. He won in 1925 and 1927.

Hunter was the man who was down but not out through the final match. He lost the first two sets after determined struggles, going down before the whirlwind game of the then unbeatable Basque. The scores of these two were 6-4 and 6-0. In the third he came back with all his speed and power to stage a successful rally and win, 6-4. The burst of speed carried well into the fourth set when he gained a lead of 4-2, but fell just short of victory. Borotra played as gamely as the American to break service in the sixth game and go into the lead.

Twice the Basque failed to take his certain victory in the tenth game of the set and prolonged hopes of the big crowd two drivers over the sidelines sent the match to deuce. It was not until the 14th game that Borotra finally broke through Hunter's service with three placements that gave him the set and match by an 8-6 count.

Hunter and his partner, Big Bill Tilden, saved a few honors for America by winning the doubles championship from the Franco-American team of Borotra and Watson Washburn. This match also went to four hard sets. The scores were 6-4, 6-2, 1-6, 6-2.

MACK HILLIS INJURED IN CRASH THAT KILLED WILLIAMS

SAN CLEMENTE, Cal., March 24—(AP)—Portland's Pacific Coast league baseball club cancelled exhibition games for today and Monday following the death last night of Denny Williams, 29, star centerfielder of the club and former Boston Red Sox player. Williams was killed and two other Portland players were seriously injured in an automobile accident.

Six Portland players were returning from San Diego, Cal., to their training camp at Santa Ana late last night, when their automobile was sideswiped by another machine and plunged over an embankment. Williams was instantly killed. Mack Hillis and George Wuesterling, infielders, were injured. Hillis was believed to have suffered brain concussion. Wuesterling's shoulder and hand were hurt. The other players escaped injury.

Williams will be buried in Portland. He is survived by his widow, who is in Mobile, Ala., to attend the funeral of her father.

LUQUE POUNDED HARD AS SENATORS BEAT REDS

TAMPA, Fla., March 24—(AP)—With "Bumps" Hadley and Garland Braxton toiling on the mound in mid-season form, Washington took its second game in a row from Cincinnati here today 8 to 2. The Reds scored their only tallies in the first inning on Kelly's triple, Purdy's double, a walk and an infield out.

Adolfo Luque, veteran Cincinnati pitcher was pounded hard throughout, Bluege leading the Washington attack with three hits. Barnes, Myers and Hayes got two singles each.

Score:
Cincinnati 2 0 0 0 0 0 0 0 0—2 6 1
Washing'n 2 1 0 0 2 3 0 0 x—8 12 1
Luque and McMullen, Hadley, Braxton and Ruel, Tate.

SPORT SLANTS

By ALAN J. GOULD
(Associated Press Sports Editor)

NEW YORK, March 24—(AP)—The ballyhoo birds wabble of the new fistic combination, self-styled "a pair of jacks", otherwise Humbert (Jack) Fugazy, Italian banker who once fought under the name of Kid Lee, and William Harrison (Jack) Dempsey.

The formal announcements, after an all-around exchange of compliments, detail an elaborate program designed to furnish opposition to the Wall street controlled Madison Square Garden corporation. There is general reference to "millionaires" behind the new combination. Its lines of activity, stretching to Detroit from New York, are at right angles to the Boston-New York-Miami route of the garden enterprises.

A few hours after Dempsey's hat is thus tossed into the ring in opposition to the garden, the former champion is given a send-off from the garden ring itself. Dempsey sits at the ringside, during the McLarnin-Miller waltz, chatting with "Big Bill" Carey, the garden chief. They examine together the box office report. This show of sociability would startle the late Tex Rickard, a product of the old school who neither gave nor asked quarter in dealing with promoting rivals.

Apparently the hope of America's women golfers to launch this year an international golf rivalry, along the lines of the Walker cup team competition for men, is doomed to failure because of inability to gather together a strong enough team.

Helen Hicks, the new Long Island star and Maureen Orcutt, New Jersey champion, were asked to go but both have decided to remain at home. Glenna Collett, the national champion, also is doubtful about making the trip although she would like to break the jinx that has beset her and other Americans in the British women's championship. This title is the only major one in England that has so far resisted American challenges.

The feminine stars of British and American tennis now meet annually in Wightman cup competition, and this rivalry may eventually be extended to golf. The United States Lawn Tennis association, however, pays the expenses of the teams it sends abroad but the U. S. Golf association is not yet prepared to shoulder this item for the women.

There is no Olympic goal to lure the boys and girls on this spring but the big chase for track and field honors nevertheless will be as keen as ever. In addition to which, the professional obligation will be furnished by the second annual cross-country caravan, sponsored by C. C. Pyle and starting from New York March 31.

The college talent will have its main early tests in the big relay carnivals, starting with the Texas and Southern Methodist meets next Friday and Saturday. The Ohio and Kansas relays will furnish the tune-ups for the climax carnivals, staged by Drake and Pennsylvania the end of April.

Paavo Nurmi, having rejected all overtures to turn "pro" and run in the 1929 "bunion derby," will cover a lot of ground, nevertheless, as feature performer in college or club meets. The great Finn, despite disappointments indoors, believes he still can crack a few distance marks outdoors.

BROWNS TAKE FAST GAME FROM BUFFALO

WEST PALM BEACH, Fla., March 24—(AP)—Buffalo of the International league was held to four hits and the St. Louis Browns took a fast exhibition game here this afternoon, 4 to 1 it was the second straight victory for the Browns over the Buffalo club. Cobb, young Brownie mouthpiecer, who went into the box in the sixth, had four perfect innings in which he did not allow a runner to reach first base.

Buffalo (Int) ....0 0 0 0 1 0 0 0 0—1
St. Louis (A) ....0 0 1 0 2 0 0 1 x—4
Mangum, Faulkner, Jess Barnes and Jack Barnes; Kimsey, Cobb and Schang.

POWERS' TIMELY HITTING TOO MUCH FOR INDIANS

NEW ORLEANS, March 24—(AP)—Mike Powers, right fielder, getting two singles, a double and a triple, furnished the batting punch today that registered the first Pelican victory over Cleveland in five starts at exhibition. The score was 3 to 1.

The score:
N. Orleans 2 0 0 0 0 0 0 1 0—3 9 1
Cleveland 0 0 0 1 0 0 0 0 0—1 11 0
Furh, Lemasters, Jones and Mondino, Simmons; Shaute, Miljus and Hartley L. Sewell.

WILD PEGS GIVE GIANTS VICTORY OVER WHITE SOX

SAN ANTONIO, Tex., March 24—(AP)—A couple of wild throws helped the New York Giants defeat the Chicago White Sox here today, 4 to 3, in a 10 inning exhibition game seen by 4,000 persons.

The Giants had triumphed Saturday. The Sox who threw wild were the star shortstop, Chalmers Cissell, and Catcher Martin Autrey.

Chicago (A) ..0 0 0 2 0 1 0 0 0 0—3
New York (N) 0 0 0 1 0 0 0 2 0 1—4
McKain, Thomas and Autry; Walker, Fitzsimmons and Hogan, O'Farrell.

BRAVES BEAT PHILLIES IN 10-INNING BATTLE

WINTERHAVEN, Fla., March 24—(AP)—The Boston Americans evened the count with the Philadelphia Nationals in their exhibition series today, winning 7 to 6 in 10 innings. The Phillies won yesterday's game at Bradenton 2 to 1, also in ten innings. Boston won today on a wild pitch by Sweetland. Scarritt, right fielder for the Red Sox, led the attack with three hits in four times at bat. Score

Boston ..... 1 0 0 4 0 0 0 0 1 1—7
Philadelphia ....1 0 0 2 0 0 2 0 0 0—6
MacFayden, Lisenbee, Simmons, Bushey and Asby; Willoughby, Friberg, Ferguson, Sweetland and Davis, Lerian.

Umpires, McLaughlin and Lewis.

WILSON'S HOME RUN WINS FOR CUBS

LOS ANGELES, March 24—(AP)—Hack Wilson, slugging Chicago outfielder, knocked a ball over the fence with the bases full in the fifth inning of the Cubs' game with the Detroit Tigers here today to sew up the fifth straight game for the National leaguers. Chicago won, 8 to 5.

Detroit (A) .....000 400 001—5 9 1
Chicago (N) .....110 240 00x—8 12 2
Uhle, Carroll and Shea, Woodall; Malone, Root and Gonzales.

Rangers Win

NEW YORK, March 24—(AP)—The New York Rangers, champions of the hockey world, took another step toward their second Stanley cup final tonight by winning the first game of the semi-final play-offs from the Toronto Maple Leafs. The score was 2 to 0.

CHICAGO TO BE SCENE OF TWO TITLE BOUTS DURING THE COMING WEEK

NEW YORK, March 24—(AP)—With two world's championship bouts, one of them a trifle synthetic, on the card, Chicago becomes undisputed center of the boxing industry this week.

Jackie Fields and Young Jack Thompson, rival Pacific coast welterweights, are down for a ten-round battle at the Coliseum tomorrow night with championship recognition by the National Boxing association, awaiting the winner.

Originally the meeting was just a fight between two of the country's leading 147-pounders but the N. B. A. decreed several days ago that Joe Dundee had forfeited all right to the title and announced it would recognize the winner of the Fields-Thompson scrap as the legitimate champion. Thompson knocked out Dundee some months ago in a non-title bout at Chicago but later took a trimming from Fields on the coast. The Negro contender, weighing around 141 pounds, probably will be forced to give away at least five pounds to Fields.

The Fields-Thompson battle has been overshadowed by Thursday's light-heavyweight titular fracas between Tommy Loughran, the champion, and Mickey Walker, king of the middleweights. This battle, for ten rounds, will be staged in Paddy Harmon's new Chicago Coliseum. Walker probably will be outweighed nine or ten pounds by the champion but the "Toy Bulldog" never has found that very harmful to him. He packs a tremendous punch but he may find it more than a little difficult to pierce the cagey Loughran's defense. As a boxer Loughran has few equals but he does not punch hard enough to bother Walker.

New York's boxing fans are in for a dull week. Madison Square Garden will be dark so far as boxing is concerned for the next five weeks while the circus makes its annual stay and the smaller fight clubs have little to offer in the way of high-class fistic entertainment.

Mushy Callahan, of Los Angeles, junior welterweight champion, engages Jackie Carr, of Glendale, in a ten-round non-title bout at Hollywood on Thursday night.

Other bouts on the National schedule include:

Monday night—At Philadelphia, Benny Bass, Philadelphia, vs. Harry Forbes, Columbus, featherweights, ten rounds; Babe Joe Gans, Los Angeles, vs. Young Ketchell, Chester, Pa., welterweights.

PIRATES SPLIT EVEN IN EXHIBITION WITH SEALS

SAN FRANCISCO, March 24—(AP)—Splitting even in two games, the Pittsburgh Pirates finished up their exhibition series here today. The San Francisco Seals won the morning contest 9-7. Both lineups featured recruit players almost entirely. In the afternoon the National leaguers walked off with a 6-2 victory over the San Francisco Missions. The Pirates combined timely hitting with good pitching by Hill and French.

Morning Game.

Pittsburgh (N) .0 2 2 0 0 0 3 0 0—7
Seals (PC) ....1 0 2 0 2 2 0 0 x—9
Swetonic, Tauscher and Linton; Glenn, Gtmez and Reed.

Afternoon Game.

Pittsburgh (N) .1 0 3 0 0 0 1 1 0—6
Missions (PCL) 0 1 0 0 0 0 0 1 0—2
Hill, French and Hemsley; Nevers, Knott, Krause and Hoffman, Baldwin.

ATHLETICS BEAT NEWARK IN FREE-HITTING GAME

ST. AUGUSTINE, Fla., March 24—(AP)—The barnstorming Philadelphia Athletics defeated the Newark Internationals today 8 to 7 today in a free-hitting contest. A total of 35 hits were made, the Athletics gathering 18 and Newark 17. Errors helped toward the downfall of Newark. Score:

Philadelphia (A) 0 0 0 0 0 2 0 5 0—8
Newark (IL) ....1 0 0 0 0 1 2 0 2—7
Yerkes, Bolen, Shores and Perkins; Mamaux, Goldsmith, Ens and Skiff.

CARDS PROVE TOO STRONG FOR PHILADELPHIA ATHLETICS

MIAMI, Fla., March 24—(AP)—The St. Louis Cardinals proved too strong for the Philadelphia Athletics again today, beating the American leaguers in a tight game, 4 to 2. Sherdel and Lingrel held the Athletics to six hits. Carey Selph, Cardinal infielder, was hurt in a collision with Sammy Hale at third base and had to be carried from the field.

St. Louis (N) 100 120 000—4 9 2
Philadelphia (A) 001 000 001—2 6 1
Sherdel, Lingrel and Smith, Wilson; Rommel, Malicky and Cochrane.

Special Match

Fontaine and Lucier took Wadja and Labarre over in a seven string match for a purse of $40.00 at the Taftville alleys Thursday evening. The scores:

Fontaine, 107, 120, 100, 100, 102, 94, 106—729.
Lucier, 110, 112, 121, 98, 108, 114, 118, 778—1507.
Labarre, 107, 105, 92, 96, 102, 116, 83—701.
Wadja, 114, 90, 109, 122, 100, 100, 113, 758—1458.

Uzcudun Kayoes Cruz.

SAN JUAN, Porto Rico, March 24—(AP)—Paulino Uzcudun, the Spanish woodchopper, knocked out Francisco Cruz, of Portugal, in the first round of their ten round match here tonight.

Scimitar Wins $10,000 Race.

TIJUANA, Mexico, March 24—(AP)—Scimitar, running coupled with Wirt G. Bowman, for the Agua Caliente stable won the $10,000 Tijuana cup handicap over a two mile distance today. Algernon was second. Hydromel

At Tiverton, R. I.: Fall River, 2; Providence, 1.

Eastern League Soccer.

At New Bedford: New Bedford, 2; Bethlehem, 1.

OBITUARY
Samuel Rea

PHILADELPHIA, March 24—(AP)—Samuel Rea, former president of the Pennsylvania railroad, died at his home here today.

Mr. Rea, who was 73 years old, was stricken several weeks ago with influenza which resulted in a heart attack. He rallied from time to time but complications set in and made his case hopeless.

Mr. Rea retired as president of the Pennsylvania under the company's pension system when he reached his 70th year in September, 1925. However, he remained a director in the company and continued an active life in civic affairs here. He lived to a greater age than any of his predecessors in the presidency of the Pennsylvania.

Last year he was elected an honorary member of the Institute of Civil Engineers in London.

Mr. Rea is survived by his widow and one daughter, Mrs. Ruth Rea Junkin.

AWARDS OF GUGGENHEIM MEMORIAL FOUNDATION

NEW YORK, March 24—(AP)—The John Simon Guggenheim memorial foundation established in 1925 by former Senator and Mrs. Simon Guggenheim of New York in memory of their son, announced today grants totalling $180,000 to 88 scholars, painters, sculptors, composers, authors and experts in the theare arts to assist them in carrying on research and creative work in foreign countries.

Two Negroes are among those who received awards. Eric Walrond, author of The Big Ditch and "Tropic Death," and Archibald Motley, Jr., of Chicago, an artist.

DENIES FORMATION OF MONEY POOL IN CHICAGO

CHICAGO, March 24—(AP)—R. Arthur Wood, president of the Chicago stock exchange, issued a denial tonight that a money pool is being formed by Chicago financial interests to make available loans on call to local brokers.

"No money pool has been formed here, nor will there be," Wood declared.

Monte Carlo.

The return of the Prince of Monaco from his villa in France to his place in his little Riviera principality because of a political crisis, emphasizes anew the strange status of this tiniest of European countries, says a bulletin from the Washington, D. C. headquarters of the National Geographic Society. Both the national council of Monaco and the municipal council of Monte Carlo resigned before the prince's arrival as a protet against the policies and management of the Casino of Monte Carlo, and the prince's apparent approval of its course.

"The average taxpaye. of the United States is interested when he learns that Monte Carlo citizens are exempt from taxes," says the bulletin. "He is likely to be amused when he learns that as a sort of price for this freedom they are solemnly prohibited from gambling. Doubtless he will be astounded when he acquires a third fact: No taxes are collected from the non-gambling Monegasques because the country's and the city's expenses are paid from gambling profits.

"The city of Monte Carlo is a direct creation of the magnificent Casino which dominates its shore line. Seventy-five years ago Monaco town existed on its rock to the south much as it had existed for seven centuries; and at its foot was a part of the present commune of La Condamine. But to the north, the site of Monte Carlo was only a picturesque brown plateau and hillside, scarred with rough outcropping rock ledges, with here and there an isolated house. In 1856 the reigning prince of Monaco permitted the establishment of a small gambling Casino on the Rock of Monaco. Soon it was moved to the bare plateau to the north.

"The unpretentious casino prospered and around it rose hotels and other buildings. By 1878 the prosperity was so great that the first unit of the present elaborate and magnificent gaming Casino was erected. Greater and more handsome hotels, theatres, and art museums, and villa after villa appeared on the hillsides.

"The recorder of facts who writes of the Monte Carlo of today must hold himself in least lest his facts appear like extravagant fancies. Monte Carlo probably could not be said truthfully to be either the most beautiful or the cleanest little city in the world or to have the world's finest seashore setting. But when all three of these factors are considered at once it is doubtful if any other town of its size can vie with this sparkling City of Chance. As one views it from shipboard or from the railroad platform on one of the lower shelves that rim the sea, it rises in tier above tier of glittering, sun-bathed, white marble—terrace balustrades, steps, palaces, hotels, and villas—against a background of brown hills. Above is the bluest of southern skies and below the bluest of Mediterranean bays. Palms and other tropical and semi-tropical trees wave from parks and gardens. It is as if the dream city of some great mural artist had been taken from the wall where his genius had created it and set up in stone. As one wanders along Monte Carlo streets the illusion is not shattered. There is no drabness, all is cleanliness and well-ordered beauty.

"Monte Carlo's beauty rises to its peak around the splendid casino, its delightful flower-filled gardens, and its wonderful, broad, stone-balustrated terraces that hang above the sea. As one wanders along the terraces following their little bays and outward folds, a series of superb views breaks upon him. To the south rises the sheer Rock of Monaco, crowned by palace, museums, and cathedral, at its foot a tiny yacht habor. To the southwest lies La Condamine, a supplemental little city of hotels. West and north Monte Carlo climbs its rugged hills. Eastward lies the sea; and to the northeast across the Bay of Hercules, a series of rugged promontories, darkened with pines and flecked with snow white villas, slope down into the blue waters, each peninsula a bit dimmer than its nearer fellow. Among these points of land is Cap Martin, villa site for kings and emperors. Stroll along Monte Carlos terraces at sunset among the enthralled visitors and you will learn the equivalent of wonderful in half the languages of Europe.

"Monaco is in area Europes tiniest national unit, embracing only a trifle more tahn eight square miles. It is a narrow strip of territory. At one place the principality is only 100 yards wide and one could throw a stone from the seashore into French territory. In greatest width the strip is three-quarters of a mile across. Most of the territory is covered by the towns of Monaco, La Condamine and Monte Carlo. The latter town, in fact, has outgrown its available Monegasque terrain, and spills over into France. The boundary is not apparent. One side of the Boulevard de France in the northern section of the town is in Monaco and the opposite side in France. Beyond the town continues as below, but this French section is known as Beausoleil.

"In return for permission to maintain the casino on the soil of Monaco, the syndicate operating the establishment pays the Monegasque government $450,000 a year. From this the expenses of operating the government are paid."

NUKU HIVA HAS A SUPER NIAGARA

A waterfalls, reported to be seven times higher than the Niagara Falls, has been discovered on Nuku Hiva Island.

"Nuku Hiva is the largest of the beauty-named Marquesas Islands, which lie east of the Samoas," says a bulletin from the Washington, D. C., headquarters of the National Geographic society.

"Nuku Hiva is one of the island garden spots of the world. Numerous bays, wained in by lofty, forested cliffs, indent the coast, each commanding a magnificent view of a valley clad with tropical verdure.

"At the head of Comptroller Bay, one of the larger coastal indentations, is Taipi Vai Valley, made famous by Herman Melville as 'Typee' Valley. Taipi Vai and other portions of Nuku Hive once teemed with natives. Now small settlements and numerous stone platforms upon which the natives built their huts, are the only remaining evidences of a race which Robert Louis Stevenson described as the handsomest in the world.

"A few cattle browse about the valleys, wild pigs or goats scamper through the jungle growth, and a few birds nest in the upper valleys. But the villages are usually found near the head of the bays, with coconut plantations near by. In the fertile soil washed down from the mountains of Nuku Hiva's interior the coconut palms bear fruit when they are only a few years old and but 10 to 15 feet high.

"The coconut palm plays an all important part in the lives of the natives. Dried coconut pulp, called copra, is the chief article of commerce and is used as money in bargaining between natives and traders. The native's hut is almost entirely constructed with branches, leaves and thongs from the coconut palm. The tribesmen eat coconut pulp and drink coconut milk, both fresh and fermented. Marquesan 'flappers' use the oil to make their bodies shine, and it is burnt in the islanders' crude lamps.

Natives Are Vanishing

"Captain Cook and other explorers introduced fruits and vegetables and modern customs on Nuku Hiva but they also introduced European diseases. When the first white man set foot on the island cannibalism was rampant and tribal warfare an important occupation among the menfolk. 'Long pig' (human flesh) was necessary for the proper celebration of the pagan religious rites. If a member of an enemy tribe could not be brought in, the priest ordered one of the members of his own tribe prepared for the tribal feast.

"But with cannibalism and tribal warfare the Marquesans held their own. The French put a stop to cannibalism but epidemic after epidemic of disease has placed the Marquesans among the vanishing races of the South Seas. One epidemic of small pox, introduced by early explorers, killed more than 5,000 tribesmen.

"Taiohae, at the head of a bay by the same name, for 60 years was the headquarters of the French administration in the Marquesas. Since the offices moved to Hiva Oa, the older village, spread out along the shore at the head of Taiohae Bay, is almost desetred except for a few stores and a building or two where travelers are told they can get 'hotel accommodations.' There is a story told on Nuku Hiva that the 'nono,' a sort of sand fly, drove the French from the island. In some parts of the island the minute insects attack human beings, gorge themselves with blood, then leave an itching spot which sometimes becomes an ulcerous sore when scratched."

Camphor and Skull Collectors Compete in Formosa.

Germany, France or Japan—to which shall a man with a bad cold look for help?

Ten years ago when one wanted camphor to check a cold, to frustrate a moth, to banish a fever blister, there was only one place to get it—Japan.

But some years ago chemists learned to make camphor synthetically. After the war German laboratories began producing it and ate into Japan's market until the Japanese introduced new economies, enabling them to cut prices. Now news comes from France of still another new synthetic process which may disturb the camphor balance of trade. Of the six million pounds of pungent camphor imported last year a third was bought from chemists' retorts and two-thirds from crude stills in the depths of Formosan forests.

The United States' camphor bill for the year ending June 1928, was $2,681,000.

"Camphor collecting in Formosa is a hazardous trade," says a bulletin from the Washington, D. C. headquarters of the National Geographic society.

"All outdoor work; chopping down trees, trees, chipping chips, tending camphor stills—it seems as healthy as lumberjacking. And it would be if the Chinese camphor collectors did not lose their heads. Literally they lose their heads, because the camphor trees grow in the wild Formosa highlands where live the most dangerous of souvenir hunters. Not autographs, not nails from a famous house, not bits of cloth from a fallen airplane; but human heads these savages collect. Row on row of whitened skulls grin above their village doorways. Sometimes souvenir skulls form a frieze under the eves of the pagan temples. It is this skull cult which has led Japan to assign armed military guards over the advanced camphor camps to protect the Chinese laborers.

"The camphor tree is an evergreen, but similar in appearance to the linden. Collectors seek only the biggest; trees which are more than fifty years old with fat trunks as thick through as a man is tall. Once the camphor giant is down, the cutters attack it. Like beavers they gouge at it, using a crook-handled chisel with a curved edge. The cutters burrow into the trunk, chipping and chipping the heart wood until only the bark shell remains.

"Meanwhile the chips are placed in a crude retort over boiling water. The camphor vaporizes and passes through a bamboo pipe to a vat cooled by water from a mountain spring. White camphor blocks from which camphor oil drains are produced. The yield is very heavy. One tree of average size will give 6,600 pounds of camphor worth about $5,000.

"Camphor collecting has been declared a government monopoly in Formosa since 1900. Not only does Japan control the methods of exploitation and the regions to be cut over, but also has arranged for the marketing of the annual harvest.

"There has been an attempt to promote the industry in Florida. Camphor there is not the Rip Van Winkle crop it would seem to be, since the leaves and twigs of the growing tree have been found to yield the essential gum.

"Six million pounds of camphor is enough to dose a lot of sick people in the United States. More than enough for medicinal demands, in fact, so the rest is used very largely in the manufacture of celluloid. When next you see your favorite movie star remember that camphor helped put him on the screen."

Brighten up the house by the use of oilcloth. Start with the kitchen and make it a joyous workshop first. Plan a definite color scheme, follow it carefully, and then sing a hymn of praise to your pet household god for the transforming result. Apple green is a springtime color. Try it in your kitchen. Make glass curtains of Swiss with green dots, and hang lengths of apple green oilcloth at either side. Cover your nondescript table with it, turn the edges under and thumb-tack smoothly, then enamel the table legs black.

REPORTS INDICATE HIGH RATE OF BUSINESS ACTIVITY WILL CONTINUE

NEW YORK, March 24—(AP)—The first quarter of the year drew toward its close in the past week fully in keeping with the optimistic predictions for business and trade made at New Year's time, and with indications that the high rate of activity will be maintained well into the next quarter, despite growing apprehensions over highmoney rates.

Activity in the metal trades became somewhat feverish as pressure from machine and automotive manufacturers became even more intense.

Automotive manufacturers in particular were generally said to be pressing for deliveries of material. Many contracts for material are said to run as far as July, indicating that the industry is planning to maintain heavy production schedules through the first half. Some apprehension was caused by a report on Saturday, however, that automotive steel demands had fallen off a little at Youngstown.

Demand for copper became so intense that the market got entirely out of hand. The red metal price shot up four cents a pound in little over a week to 24 cents, domestic delivery, the highest price since the war. This violent upturn caused some misgivings in the trade, and some of the largest producers were said to have preferred to see the price stabilized nearer the 20 cent level. It was reported that some consumers were turning to substitutes for copper metal. Nonferrous metal prices generally were buoyant, lead and zinc also moving higher.

Steel mills continued operations at practical capacity. Chicago mills were so busy that some consumers who are accustomed to placing their orders there were said to be turning to other centers. There was a feeling in the steel trade that prices are not in line with the keen demands, but most of the specifications were reported as against first quarter prices, so that the increases announced for the second quarter have not yet been tested. Pig iron prices sagged in the south, but were firmer at Pittsburgh.

The outlook in the petroleum industry again improved with progress in plans to curtail crude production. A meeting of oil heads was arranged by the American Petroleum Institute next week to consider curtailment plans for North and South America, and will be attended by Sir Henri Deterding of the Royal Dutch Shell interests, as well as American leaders in the industry. The gasoline price cutting war on the Pacific coast was ended.

Retail and jobbing trade picked up considerably with the coming of spring weather in many sections. Textiles, particularly, showed further improvement. Freight car loadings for the latest week fell off substantially, but much of this was attributed to the falling off of coal shipments with the warmer weather. Building contracts east of the Rockies, as reported for the second week of March by F. W. Dodge corporation, showed seasonal gains, almost approaching the level of the like week of 1928. The week's insolvency record, as reported by R. G. Dun and company, showed further improvement.

The depression in hides appeared to have been definitely halted, and a half cent increase was announced at Chicago. Crude rubber futures broke sharply on the New York rubber exchange, on a decline at London. Cotton futures improved on the final 1928 government crop report, but ran into considerable profit taking. Wheat futures sold off at the end of the week on bearish weather reports.

Further evidence of credit stringency appeared with a jump of quarter of one per cent. in bankers' acceptances rates, carrying them to about 5 1-2 per cent. and little commercial paper moved at New York at less than six per cent. Time money against security collateral held firmly at eight per cent. The reserve banks, however, made no changes in rediscount rates.

LEGAL NOTICES

NOTICE

Notice is hereby given that, upon application of the Benschel Tire & Rubber Co., of Norwich, Conn., for the approval of one extra pump to be placed at its station previously approved by law for the sale of gasoline and oil, which station is located at 351 Main Street in the City of Norwich, Monday, April the 8th, 1929, at 2 o'clock in the afternoon thereof is set as the time for a hearing at my office in the court house in said Norwich upon said application.
LEE R. ROBBINS,
3t mar25 Mayor.

WARNING!
SPECIAL TOWN MEETING

The legal voters in Town meeting of the Town of Norwich are hereby warned to meet in Special Town Meeting to be held in the Town Hall, in Norwich, on Monday, March 25th, 1929, at 8:00 o'clock P. M., to hear and act upon the following matters:

To give authorization to the Board of Selectmen to sell in and for said Town the land and buildings heretofore occupied and used for the Bean Hill School, so-called, located on West Town Street, in said Town of Norwich.

Also to act upon a petition signed by more than twenty legal voters requesting that the Town accept Julian Street as a public highway.

Also to act upon a petition requesting that the name of Tanner Street so-called, in the Town of Norwich, be changed to John Birchard Lane.

Also to act upon a petition signed by more than twenty voters requesting the calling of a Special Town Meeting to take such actions as may seem fit on the grand list as left by the Board of Relief.

Dated at Norwich, Connecticut, this 19th day of March, 1929.
WILLIAM S. MURRAY,
CHARLES P. BUSHNELL,
PATRICK T. CONNELL,
Selectmen of the Town of Norwich
5t mar20

NOTICE

Notice is hereby given that, upon application of William C. Noyes, of Norwich, Conn., for the approval of two extra pumps to be placed at his station previously approved by law for the sale of gasoline and oil, which station is located at number 315 Laurel Hill Ave., in the City of Norwich, Friday, April 5th, 1929, at two o'clock in the afternoon thereof is set as the time for a hearing at my office in the court house in said Norwich upon said application.
LEE R. ROBBINS,
3t mar22 Mayor.

ASHLAND COTTON COMPANY
Special Stockholders' Meeting

The stockholders of the Ashland Cotton Company are hereby notified to meet in the Directors' room of The Norwich Savings Society, Norwich, Connecticut, on the 1st day of April, 1929, at 1:30 o'clock in the afternoon, to see if they will vote to ratify and confirm the vote of the directors of said corporation passed at their meeting duly and legally held on the 28th day of January, 1929, to terminate the corporate existence of said corporation, which vote of the directors was as follows, viz:

"Resolved, That the corporate existence of the Ashland Cotton Company be terminated."

Dated at Jewett City, Connecticut, the 27th day of February, 1929.
By order of the Directors,
L. M. CARPENTER,
4t M mar4 Secretary.

TAX NOTICE

By virtue of a warrant directed to me by the Town of Columbia, I am commanded to collect a tax of 13 mills on a dollar on the assessment last completed being a tax laid by the Town of Columbia on the 2nd day of March, 1929, due and payable April 1, 1929.

For the purpose of collecting this tax I will be at the Town Hall Monday, April 1, 1929, and Tuesday, April 30, 1929, from 11 a. m. to 5 p. m.

Interest at the rate of 9 per cent per annum will be charged on all taxes not paid within 30 days.
HOWARD N. SQUIER,
Collector.
Dated at Columbia this 9th day of March, 1929. mar11

AT A COURT OF PROBATE HELD at Montville, within and for the District of Montville, on the 22nd day of March, A. D. 1929.
Present, DAN D. HOME, Judge.
Estate of Mary Knott, late of Montville, in said District, deceased.
The Administrator appeared in Court and filed a written application alleging that said estate is now in settlement in said Court, and praying for an order to sell certain real estate belonging to said estate, fully described in said application.
Whereupon, it is Ordered, That said application be heard and determined at the Probate Court Room in Montville, in said District, on the 28th day of March, A. D. 1929, at 2 o'clock in the afternoon, and that notice of the pendency of said application, and of said hearing thereon, be given by the publication of this order one time in The Norwich Bulletin, a newspaper having a circulation in said District at least four days prior to the date of said hearing, and that return be made to the Court.
DAN D. HOME, Judge.
The above and foregoing is a true copy of record.
Attest, CARRIE W. CRAIG, Clerk.

AUCTIONS

AUCTION NOTICE

By Witter Bros., Auctioneers, office 42 Main St., Danielson, Conn. By order of the Danielson Trust Co., Administrator of the estate of the late Martha G. Allen, we will sell the following personal property belonging to said estate, at auction, on Thursday, March 28, at 10 o'clock A. M., at the last residence of the deceased, located in the eastern part of the Town of Brooklyn on the state highway leading to and near Danielson, Conn.: Contents of parlor, living room, bed room, dining room and kitchen furnishings, including seven-piece, hand-carved walnut parlor set, several old-styled stands and drop leaf tables, two pine blanket chests, easy chairs, couches, beds and bedding, small house safe, large kitchen range, two heaters, mirrors, pictures, books, carpets and braided rugs, fancy crockery, dishes, glassware, crocks and jugs (and a lot of them), barrel of vinegar, preserves, garden tools, new wheelbarrow; many items of a useful nature all together too numerous to describe. The property described above is all in excellent using condition and the variety is exceedingly large, therefore a large attendance is needed to consume it. Terms cash. Please remember that if it storms that the sale will occur the first fair day after at the same hour.
2t mar25d

AUCTION NOTICE

By Witter Bros., Auctioneers, office 42 Main St., Danielson, Conn. On account of retiring from the farming business entirely, Mr. Wilfred J. Ravanelle has ordered us to sell his farming equipment at unrestricted public sale on Saturday, March 30, at 10 o'clock A. M., Rain or Shine, at his residence located on Withey Hill, so-called, in the Village of Moosup, consisting of live stock, horses, poultry, wagons, farm implements, big pig, Dort truck, saw rig and so on. The curtain goes up rain or shine. Good lunch at noon. Terms cash. 2t mar25-28

AUCTION NOTICE

By Witter Bros. and Fred Bailey, Auctioneers, Office 42 Main St., Danielson, Conn. We will sell 60 head of horses and cattle for Ledyard S. Anthony at the Ashaway Fair Grounds, at Ashaway, R. I., on Friday, March 29, at 10 o'clock A. M., Rain or Shine, consisting of 1 carload of fresh Western farm horses, 10 good acclimated horses, harnesses of all kinds and 20 head of cows, including a choice lot of new milkers with calf at foot, close up springers and 7 head consigned from a nearby dairy.

LEGAL NOTICES

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 23rd day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of Andrew P. Clifford, late of Norwich, in said District, deceased.
The Administrator appeared in Court and filed a written application alleging that said estate is now in settlement in said Court, and praying for an order to sell certain real estate belonging to said estate, fully described in said application.
Whereupon, it is Ordered, That said application be heard and determined at the Probate Court Room in the City of Norwich, in said District, on the 28th day of March, A. D. 1929, at 9 o'clock in the forenoon, and that notice of the pendency of said application, and of said hearing thereon, be given by the publication of this order once in some newspaper having a circulation in said District at least three days prior to the date of said hearing, and that return be made to the Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.
mar25d

AT A COURT OF PROBATE HELD at Norwich, within and for the District of Norwich, on the 23rd day of March, A. D. 1929.
Present, NELSON J. AYLING, Judge.
Estate of Edwin E. Lathrop, late of Norwich, in said District, deceased.
Ordered, That the Administratrix cite the creditors of said deceased to bring in their claims against said estate within six months from this date, by posting a notice to that effect, together with a copy of this order on the sign-post nearest to the place where said deceased last dwelt, and in the same town, and by publishing the same once in a newspaper having a circulation in said district, and make return to this Court.
NELSON J. AYLING, Judge.
The above and foregoing is a true copy of record.
Attest, HELEN M. DRESCHER, Clerk.

NOTICE

All creditors of said deceased are hereby notified to present their claims against said estate to the undersigned at 4 Wauwecus St., Norwich Town, Conn., within the time limited in the above and foregoing order.

Burgess Bedtime Story

Jimmy Skunk Investigates.

Investigating you may find
There's much that peer had crossed your mind.
—Jimmy Skunk.

Jimmy Skunk felt quite at home at Farmer Brown's. He didn't appear the least disturbed. You will remember that Farmer Brown's Boy had freed him from that little glass jar, out of which he had been unable to pull his head. And then Jimmy had gone right into the kitchen and drunk the milk from Black Pussy's saucer. This finished, he licked his lips and then went straight over to the door to be let out.

"Well, I never!" exclaimed Mother Brown, as she watched Jimmy amble across the dooryard toward the barn.

Farmer Brown's Boy chuckled. "That is just like Jimmy," said he. "I've told you all along that Jimmy Skunk is the most independent small person in all the Great World. But at the same time he is a gentleman. 'Let me alone and I'll let you alone' seems to be his motto. I wonder where the rascal will go now."

From the doorway they watched Jimmy head over toward the henyard. Now, over in that henyard Farmer Brown's boy had a lot of young chickens—little fluffy yellow balls running about their anxious mothers. Farmer Brown's Boy was very proud of those chickens, and he had kept a very close watch over them to see that none of them should get out. However, despite all his watchfulness, he had for a week or two been losing chickens. Every day he would count them and every day he would find that two or three were missing. Of course, he knew that some one had taken those chickens, but who that some one was he didn't have the least idea. It was very mysterious. Sometimes he suspected Black Pussy, but Black Pussy always looked so innocent that he couldn't believe she was guilty. Those chickens were very carefully shut up at night. At no time had Farmer Brown's Boy seen a hawk about during the day. It was all very mysterious.

Farmer Brown's Boy was thinking of those chickens as he watched Jimmy Skunk. Jimmy was taking his time. He peeped through the wire, and watched those chickens running about. Then he went on a little way and stopped to ride the same thing over again. At last he reached the henhouse and began to explore along the side of the henhouse. Finally he turned the corner and disappeared from the sight of Farmer Brown's Boy. It was after he turned the corner of the henhouse that Jimmy pricked up his ears. He stood still and listened. He was sure he had heard a faint little squeak. It wasn't the peep of a chicken, but a real squeak. Jimmy was interested. That squeak had come from in that henhouse or under it, he wasn't sure which. He continued to investigate. He went along the back of the henhouse until he came to the next corner and turned that. This brought him on the side farthest from Farmer Brown's house, so, of course, he couldn't be seen from there.

Halfway down the length of the henhouse he stopped suddenly. "Aha!" said Jimmy. "This will bear looking into."

He was looking at a hole that led under the henhouse. It wasn't a very big hole. It was rather hidden by some dead grass. It wasn't big enough for Jimmy to enter. Jimmy put his nose down and sniffed. "Aha!" said he to himself once more. Then he listened. He was listening for that squeak he had heard back of the henhouse. But all was still. Then Jimmy began to dig. Jimmy is a good digger when he is so inclined. It didn't take him long to dig that opening big enough for him to crawl under the henhouse. He had just disappeared when Farmer Brown's Boy turned the corner of the henhouse looking for him.

The next story: "Farmer Brown's Boy Becomes Suspicious."

LEO LEVESQUE, NEW LONDON BARBER, WORKS SUNDAY, VIOLATES STATE LAW

(Special to The Bulletin)

NEW LONDON, March 24—Leo Levesque, 109 Howard street, a barber by occupation, was arrested this afternoon by Detective Sergeants Nelson Smith and John Cavanaugh charged with violation of the state law prohibiting the conduct of his business on the Sabbath. He was ordered to present himself in the police court tomorrow. Levesque conducts a barbershop at 144 Main street and when he was discovered shaving patrons he was arrested.

City Manager William A. Holt has called a special meeting of the city council, which will be held tomorrow evening for the first reading for the adoption of the ordinance, prescribing appropriations for the ensuing year and for other business that may be pertinent to the measure.

The New London police tonight were requested to be on the lookout for an automobile stolen in Jewett City earlier in the day. The car is a Chrysler roadster, tan color and, with top lowered. It carries Connecticut registration, 19256.

John J. Loftus, 52 Crystal avenue, reported to the police tonight that he had lost his wallet containing $40 and his driver's license.

Ernest Burke, 17 Belden street, was arrested this afternoon by State Police Officer Bernard Kenerson, of Groton barracks, charged with violation of the state motor vehicle law in failing to grant right of way. He will face trial in the city court Monday.

A Polish resident of the East New London section was arrested tonight by Automobile Officer Clarence Martin and Patrolman John Foley charged with breach of the peace and intoxication and will be in court tomorrow. The prisoner went to his home where he created a disturbance and abused his wife to such a degree that she requested the man's arrest.

WILLIE HUNTLEY SUICIDES. FACING ARREST FOR RAPE

(Special to The Bulletin.)

NEW LONDON, March 24.—Facing a charge of rape, Willie Huntley, 67, formerly of New London, at which time he was a motorman employed by the Connecticut company, ended his life in his little shack, 10 Godfrey street, Groton, Saturday forenoon, while state police officers sought to arrest him. Huntley sent a bullet from a .32 calibre revolver into his brain, as officers attempted to force entrance to his abode.

Huntley went to the home of Mrs. Minnie Nerreforth, 28, a widow residing with her daughter at Brandegee avenue, Groton, Saturday morning at 7 o'clock and succeeded in forcing an entrance to the home. Going to the bedchamber occupied by Mrs. Nerreforth and her daughter, Huntley, armed with the same revolver with which he ended his life, the weapon in one hand and a flashlight in the other, awoke Mrs. Nerreforth and demanded that she leave her bed. Intimidated, the woman did as commanded and was ordered into another room by Huntley and while the daughter slept, the aged man assaulted the woman. He then left and went to his shack. During the morning, Mrs. Nerreforth went to the state police barracks and made complaint against Huntley, giving complete and minute details of what had occurred at her home several hours before. A warrant for the arrest of Huntley was issued and was given to Officers Peter Busch and William MacKenzie to serve. The officers went to the shack and finding the door locked they knocked several times. Huntley appeared at the entrance, but would not open the door when he was informed that the officers desired to speak with him. When the officers again demanded that the door be opened and admission was refused them, Busch and MacKenzie attempted to raise a window. While doing so the officers heard a muffled shot and then all was silence. The officers reported at the barracks what had occurred and Sergeant George Webber went to the cottage, armed with a tear bomb. The bomb was thrown into the shack and then the door was forced. Huntley was found lying on a bed with a bullet hole in his forehead, having ended his life in order to avoid arrest and possibly a long sentence in prison for his act earlier in the day.

NORWICH DRIVER IGNORES PARKING RESTRICTIONS

(Special to The Bulletin.)

NEW LONDON, March 24.—Dominick Jacaruso, 54 Division street, Norwich, was arrested Saturday night by Patrolman Henry Hick charged with violation of the city ordinance restricting the parking of automobiles on Bank street. He was ordered to present himself in court tomorrow.

Roland E. Nordoff, Uncasville, employed as a stock clerk in a Montville mill, was arrested Saturday night by Patrolman Edward Skoczylas charged with driving while under the influence of liquor. Nordoff furnished a surety on his bond of $100 and will be presented in the police court Monday.

Frank Cahir, 26, of Providence, where he is employed as an ice cream worker, was arrested at the union station Saturday night charged with intoxication and refusing to pay his fare. He was locked up and will be in court Monday. Cahir was a passenger on a train en route from Providence and did not have a ticket. Neither would he pay his fare. When the train arrived in New London Cahir was arrested by Special Agent James Daley.

Several cases of intoxication will also be tried. One of the offenders was found intoxicated in an automobile that was parked beside the curb.

Breaks Seem Boys' Work.

Three burglaries were perpetrated Friday night or early Saturday morning and in each instance thee is evidence that the robberies are the work of the juvenile type ow thieves.

One of the places burglarized was the lunch room of Emil Fakourey, 727 Bank street. Entrance to the eating house was gained by means of a duplicate key and the plunder obtained consisted of $30. A peculiar feature connected with the robbery was that the thief allowed $12 to remain unmolested where the other money was taken. The second break reported was at the Peerless Bowling alleys, Golden street, from which $3 was taken. Entrance to the alleys was gained by forcing a window. The third robbery was at the pool room in the Ideal Rooming house, 47 Bank street. Entrance to this place was also obtained by means of a duplicate key and the plunder consisted of $5 and a quantity of cigarettes.

NEW LONDON, March 24—In his finding made public Saturday, Coroner Edward G. McKay, of Norwich, entered a charge of gross negligence against Louis Perkins, of Waterford, who sometime ago, while driving an auto, crashed into Nellie Beckwith of the same town, and so injured her that she died at Lawrence and Memorial hospital. Four boys who were with the girl at the time of the accident, were injured also.

To Forward Weather Observations

Mrs. Harry G. Tietjen, 28 Hope street, has been appointed co-operative weather observer of this city, to fill the vacancy caused by the death of Thomas C. Dillon. The appointment was made from the weather bureau station at Boston.

PIATT U. S. C. G. USES BOTTLE TO OPEN HUTCHINS' SCALP

(Special to The Bulletin)

NEW LONDON, March 24— Ralph E. Piatt, U. S. Coast Guard, state pier, was arrested Saturday night by Detective Sergeant Nelson Smith and Patrolman Edward Skoczylas charged with breach of the peace and intoxication. Piott had been drinking and when he went to a soft drink store on State street he encountered J. J. Hutchins, a member of the crew of the O—3, submarine base. Piatt quickly engaged in an argument with Hutchins and drawing a bottle from his pocket, dealt Hutchins a blow on the head that opened the latter's scalp, the wound requiring the taking of several stitches by a physician. Piatt did not have an opportunity to deliver a second blow with the bottle, for he was felled by a blow on the jaw from another sailor, who was a witness of the assault.

ALLYN ESTATE TRUSTEES WILLING TO SELL LAND

(Special to The Bulletin)

NEW LONDON, March 24—As a result of the conference held in Hartford, Friday afternoon, with trustees of the Allyn estate, Director of Law Troland has been authorized to draw a deed to acquire land near Connecticut college wanted as part of the site on which the new Coast Guard academy is to be erected. About 29 acres of ground is involved in the deal.

FUNERALS.

Mrs. Joseph Foley.

The funeral of Mrs. Johanna Foley, widow of Joseph Foley, was held Saturday morning at 9 o'clock at St. Mary's Star of the Sea church, the solemn mass of requiem being celebrated by Rev. George Clark, with Rev. Michael Reagan deacon and Rev. Raymond J. O'Callaghan, sub-deacon. Miss Julia Murphy sang "Ave Maria" as the offertory and "Beautiful Land on High" as a waiting hymn. The bearers were Timothy Connors, Daniel Foley, Daniel Shea, James Shields, Timothy S. V. Collins and Patrick J. Clifford. Burial was in St. Mary's cemetery.

Miss Evelyn Holmes.

The funeral of Miss Evelyn Holmes was held Saturday afternoon at 2 o'clock at her home, 52 Nameaug avenue. The services were conducted by Rev. J. Romeyn Danforth, pastor of the First Church of Christ, assisted by Rev. Frederick G. Chutter, pastor of Mystic Congregational church. The bearers were Henry Noyes and Charles, Henry and William Holmes, all of Mystic. Burial was in Elm Grove cemetery, Mystic.

OBITUARY.

Albert A. Wigand.

Albert A. Wigand, of New oYrk, died Saturday at his summer home, 346 Ocean avenue, this city, after a lingering illness. He is survived by his wife and a brother, Mr. Gizand was a civil engineer. He was born in Staten Island, N. Y., but for many years had resided in New York.

Robert H. Conboy.

Robert H. Conboy, 75, died Saturday at his home, 5 Tilley street, after a brief illness, although he had not been actively employed for several years. He is survived by a son, George Conboy of this city. Mr. Conboy was born in Ireland. For a quarter of a century he conducted a horseshoeing establishment in New London.

DEATH CAME SUDDENLY TO EMERY D. LOCKE

(Special to The Bulletin)

NEW LONDON, March 24—Emery D. Locke, 56, died suddenly Saturday afternoon at his residence, 14 Division street from acute heart disease. He is survived by his wife, his mother, Mrs. Ada Stoddard and a brother, Henry Locke, the last named of White Plains, N. Y. Mr. Locke was employed by the D. E. Whiton Machine company and had not been in his usual health for several days. He ate his noon-day meal as usual and about two hours later complained of feeling ill. Shortly afterwards, he collapsed and before a physician could be summoned, he expired.

Commissioner of Motor Vehicles R. B. Stoeckel Saturday ordered the return of the driver's license to John A. Heickel, 611 Broad street.

Ernest E. Rogers has caused title in a building lot on Glenwood avenue to be transferred in the name of his wife, Fannie G. Rogers. A deed transferring ownership was received for record at the office of the city clerk Saturday.

Seeks Missing Daughter.

G. H. Buchanan, Springfield, Mass., has requested the New London police to be on the lookout for his daughter, who is missing from home. Buchanan said that his daughter, who is 16 and wore a red satin dress, red hat and blue coat when she left home, was supposed to come to New London on her way to Hope Valley to visit relatives in the latter place.

George Gilmore of 13 Hope street: John Endall, Wall street; Gloria Loseno, 9 Viets street; Mrs. William Drynan, Uncasville; Robert Cable, 73 Ashcraft road; Joseph Madden, Baltimore; Helen Pozzello, 73 Woodbridge street and Mrs. Wiley Reid 647 Ocean avenue, patients at Lawrence-Memorial hospital, were discharged Saturday.

Mrs. Joseph Phillips, residing at the Hotel Plaza, New York, is visiting her aunt, Mrs. Hulda Spitz of Williams street.

Mrs. John N. Leverone, 28 Tilley street, was summoned to Hartford on Saturday by the death of a relative, Charles Bauby.

Joseph C. Cornwall of Willetts avenue, local pharmacist, is recovering from a form of stomach trouble, which has incapacitated him for several weeks.

When Miss Leona Chartier, of 90 Waller street, entertained with three tables of bridge, the prize winners were Eleanor Callahan and Mary O'Neil.

BATCH CAUGHT IN RAIDS FINED IN CITY COURT

(Special to The Bulletin)

NEW LONDON, March 24—The police conducted two raids Friday night and as a result a batch of black and whites was presented in the police court Saturday, two charged with conducting a disorderly house and 11 others with frequenting. The police for several nights had been watching the residences of Minnie Lewis, colored, at 110 Potter street and Ray Ryder, also colored, of 14 Federal street. Friday night when a gang of white men was observed to enter both houses, a raiding force consisting of Acting Sergeant John Courtney, Patrolmen Frank Philopena, George McCaskey and Dennis Murphy and Automobile Patrol Officers George Cockell and Arthur Feeley entered the houses and arrested all the men and women found there. At the Lewis home, Gertrude Bowman and Elizabeth Fernandez, both colored and Bror Flood, Vincent Costagna, Nick Celes and Gurwood Folson, were found. At the Ryder home, besides the proprietress, her husband, Walter Ryder and Ella Morton both colored and Edward Brozan, Edward Campbell and Robert Bell, were assembled. The Lewis woman and the Ryder woman were charged with conducting disorderly houses and the others with frequenting. In the police court Saturday, the Lewis and Ryder women were fined $100 and costs and sentenced to 30 days in jail but the jail sentences were suspended. The frequenters were fined $10 and costs.

Two continued cases were disposed of by nolle, James G. Loseno, Vauxhall street, was charged with reckless driving upon complaint of Mrs. Michael Hallisey, also of Vauxhall street. Loseno was arrested several days ago following a collision of automobiles driven by the accused and the complainant. Loseno paid the costs of court.

Lester Martin, 24 Kenney lane, employed as a messenger by the Connecticut Power company, also charged with recklessness, was discharged upon payment of costs of the court. Martin was arrested as a result of the auto he was driving crashing against a police auto at Bank and Howard streets three weeks ago.

The only other case tried was that of a hotel employe charged with intoxication, he having been arrested on Golden street, Friday night by Patrolman Henry Hick. The accused was sentenced to 10 days in jail, but execution of the sentence was suspended.

Refused Re-Nomination.

As Frederick C. Burrows of this city, who was renominated president of the Odd Fellows' Home corporation, at a meeting of the corporators, held last week in Waterbury, refused the nomination, William H. Lowe of Waterbury has been elected to succeed him.

In the interclass play contest of Connecticut college, held at the week end, the seniors won, hands down, in the dramatic competition. A silver cup was presented Miss Phyllis Heintz of Hartford, who coached the seniors. The juniors won a close second place in the presentation of "The Conflict" by Clarice McCauley.

Miss Katherine Eggleston of 61 Vauxhall street, this city, was among the number of students from the School of Fine Arts and Craft, Boston, who left Friday for a week of study in New York city. She will spend most of her time in the Metropolitan Museum and various art galleries.

When members of Fidelity chapter, Order of Eastern Star, were entertained by Mrs. George Jackson of Rosemary street, three tables of bridge were in play.

At the annual meeting of the Commuters' club of Connecticut college, held last week, Miss Elizabeth Daboll of Noank was elected president. She succeeds Miss Jennie Copeland, '29, of Waterford. Miss Fredia C. Grout of this city was named secretary and treasurer.

Members of the Women's auxiliary to Home Memorial hospital have sold more than 400 tickets for the charity ball and cabaret which they plan. The affair will be called A Night in Spain.

Miss Ruth Penman, daughter of Mr. and Mrs. Frank A. Penman was given a party the other afternoon, on the lawn at her home on her fifth birthday.

Final plans for the visitation of the grand officers and annual roll call of Osprey Rebekah lodge, April 9th, were made at the regular meeting held during the week.

Members of the Women's Christian Temperance Union are to hold a medical temperature meeting at the Y. W. C. A. tomorrow afternoon. Selections will be quoted from the book "Alcohol and the Human Race," by Captain Richmond P. Hobson.

A total of $72.42 was realized from a rummage sale conducted yesterday by members of New London League of Women Voters in State street. The sale was held in the quarters formerly occupied by Perry & Stone, Inc.

An Easter sale and cafeteria, held Saturday afternoon, under the auspices of the Women's Alliance of All Souls' church, in the parish hall, netted more than $60.

The Women's Foreign Missionary society of the Methodist Episcopal church observed Founders day in the church parlors with 32 members present, with the reading of interesting historical articles, also music.

Members of Osprey Rebekah lodge were entertained at a bridge whist party Friday night, at the home of Mrs. Henry A. Ennis, for the benefit of the organization. Prizes were won by Lafayette G. Rudd, Mrs. Thomas Shipman, Fred C. Potter and Mrs. Celia Burrows.

Mrs. Benjamin F. Bump, of Bank street entertained members of the Social service committee of the Women's club Friday afternoon. The session was spent in sewing on layettes. Tea was served by the hostess.

ANNOUNCEMENTS

Breed Theatre

A delightful story, which unfolds with real sparkle, is "French Dressing," which opened last night at the Breed theatre.

The plot is both amusing and sincere, and tells the story of a cold little Boston wife who really learned how to live through a trip to Paris. Lois Wilson is the wife, and her transformation from the prim Boston matron, with long tresses, to the beautiful girl with bobbed hair and Paris gowns, is realistically portrayed under the expert direction of Allan Dwan. It may be added that Miss Wilson has never looked more lovely in her screen career than she does in this picture. No one who sees Lois in this film will ever regret that she bobbed her hair.

In fact, throughout the picture, the cast does excellent work. H. B. Warner as the Boston husband who wishes his wife could be a little less prim, a little less cold; Lilyan Tashman as the gay girl friend who comes for a visit, and whose innocent actions unwittingly cause Lois to leave home and go to Paris for a divorce, and Clive Brook, as the suave man-about-Paris, all give portrayals that are finished to the highest degree.

The story has many angles, particularly in the conclusion, which has a delightful twist. And of course the situation of finding Lois Wilson playing the role of a girl who wants to be naughty, and Lilyan Tashman as the girl who wants to be nice, is an entire reversal of form.

Ahe scenes in Paris and LeToquet are marvels of beauty, both in direction and photography.

Palace Theatre

Having played to crowded performances, "The Lookout Girl," Quality Pictures' fine motion picture story of love and crime, goes off the screen of the Palace theatre tonight after a most successful run.

Featuring lovely and talented Jacqueline Logan and the ever-handsome Ian Keith, with an imposing cast in support which includes William Tooker, Jimmy Aubrey, Gladden James, Broderick O'Farrell, Lee Moran and many others, "The Lookout Girl" was fated for success from the first, largely due to the fascinating qualities of the story and the dominant startling personality of Miss Logan.

On the same program: Tremendously thrilling and unusual under-water scenes, including a battle with an octopus, and a powerful drama woven about the curiously intertwined lives of three men and a little actress, stranded in a South Sea port—that's "Tropical Nights," the Tiffany-Stahl production which opened yesterday at the Palace theatre.

Malcolm McGregor, Wallace McDonald and Ray Hallor as the three pearl fishers are absolutely perfect; McGregor as the devoted, avenging brother, Hallor as the carefree youngster, and McDonald as the adventurer impelled by a relentless chain of circumstances to commit an unplanned murder.

The story itself is powerful enough—combined with the intense excitement of the climax is the added thrill of the dangerous moments beneath the surface of the sea. Under-water scenes that are convincing are few and far between; here are good ones that are genuine and look it! You'll never want to go pearl diving after seeing this finale. The dangers of the deep are too plainly evident.

Broadway Theatre

Unexcelled acting, a sweeping story of love, intrigue and sacrifice, climactic production and perfect direction combine to make "The Woman Disputed," Norma Talmadge's newest screen vehicle, entertainment-plus.

The big picture—for it is big in every sense of the word—had its local premiere last night at the Broadway theatre, and spectators were unanimous in proclaiming it the best in Miss Talmadge's career and a feature worthy of the United Artists organization.

Directed by Henry King and Sam Taylor, "The Woman Disputed," a continental story laid in the early days of the World war, presents a notable cast in support of the star.

The story opens in a gay Austrian town before the war. Two young men, officers in the Austrian and Russian armies, form a real affection for a girl whose life up until the time she meets them is a sordid one. She has been a woman of the streets, but under her mask of sophistication there burns the light of reformation.

The trio is happy together until both men realize they love the girl; then with the outbreak of war comes separation, the girl's acceptance of one of the men, the shattering of friendships, hatreds and the defeated lover's opportunity for revenge.

Mary Ann Wagner, a woman with a soul, is played sublimely with all the acting genius that is Miss Talmadge's. A lesser craftswoman would make her trashy; in Norma's hands she is a living, breathing Magdalen whom true love finally lifts from the ruck.

All in all, "The Woman Disputed" is recommended as a fine movie.

What Is Going On Tonight

Special town meeting at town hall.

Uncas lodge, No. 11, I. O. O. F., in Odd Fellows' hall.

Thames union, No. 124, U. B. of C. and J. of A., in Carpenters' hall.

Norwich lodge, No. 248, N. E. O. P., at Buckingham Memorial.

Griswold camp, No. 6, U. S. W. V., at Buckingham Memorial.

R. E. Hourigan auxiliary, V. F. W., in Olympic building.

Rose of N. E. lodge, No. 62, Shepherds of Bethlehem, at Buckingham Memorial.

Wauregan lodge, No. 6, K. of P., at Steiner hall.

ONECO

Misses Mildred Brown and Marjorie Marriott spent Thursday in Providence.

Tom Smith, of Coventry, R. I., is spending a few days with Mr. and Mrs. Tom Brewin.

Thomas Brown has bought the house formerly occupied by Tom Brewin and has moved his family there.

Miss Agnes Brown is visiting relatives at Deep River, Conn.

Mrs. R. B. Marriott is ill again.

Scouts Usher At Indian Exhibit

Friday afternoon Patrol Leader Denison of the Raccoon patrol and Assistant Patrol Leader Pullen of the Panther patrol of Troop 12, in connection with Park Congregational church, took an active part in the ushering at the American Indian exhibit in Converse Art Gallery Friday from 3:30 to 5.

Scouts went to Fort Shantok

Saturday the scouts of Troop 12, in connection with Park Congregational church, took a hike to Fort Shantok. They left at 9 a. m. from the Otis library. There were nine scouts present. The hike was under the direction of First-class Scout Denison of the Raccoon patrol. Shortly after arriving at Shantok, it began to rain. Goring and Williams, who were wearing raincoats, made a lean-to out of them, n which the scouts stayed during the short showers. The early part of the afternoon was spent in passing tests. Prothero passed cooking and fire-building, Burt passed cooking. Many of the scouts had never been to Shantok before so while the tests were being passed they were directed around by Williams of the Raccoon patrol. Many of them got arrow-heads. The scouts went home in two groups, the last group arriving at the city about 4 o'clock.

What some people don't know they are always talking about.
